To Chair Shamann Walton and Supervisors Rafael Mandelman and Stephen Sherrill:

I recommend Wilson Leung for the police commission. He appeared before me many times as an Assistant United States Attorney and always performed at the highest level of professional competence and of ethics and integrity. He was co lead counsel in the Ms 13 trials about 12 years ago. These trials were as tough an assignment as any lawyer ever gets. Wilson remained cool and professional throughout.

William Alsup
Senior United States District Judge
