Re: Request for Resolution of Public Convenience or Necessity
Target Corporation, dba CityTarget
101 4th Street, San Francisco 94103

Dear Ms. Calvillo,

Target Corporation ("Target") has applied to the Department of Alcoholic Beverage Control for a Type 20 Off-Sale Beer and Wine license at the new CityTarget store, opening in the San Francisco Metreon Centre later this year. Because the new store is located in a census tract that has an "undue concentration" of off-sale licenses under Section 23958.4 of the Business and Professions Code, Target is requesting a determination by the Board of Supervisors that public convenience or necessity will be served by issuance of the license.

Target has applied for a person-to-person, premises-to-premises transfer of an existing Type 20 license to its new store location in the San Francisco Metreon Centre at the corner of Fourth Street and Mission Street. The new 100,000 square-foot store will occupy the entire second floor of the Metreon and will employ approximately 250 team members. The store hours will be 8:00 a.m. to 11 p.m. Monday – Friday and 8:00 a.m. to 10 p.m. Sunday, with extended store hours during the holiday season.

The new store will be one of the first CityTargets in California. The new-format CityTarget stores are smaller in size than a traditional Target store and designed specifically to meet the needs of urban residents and visitors. The San Francisco CityTarget, centrally located in downtown San Francisco, will provide commuters, tourists and nearby residents the convenience of one-stop shopping for urban living essentials.

A significant component of CityTarget will be its grocery section. CityTarget will offer a full-range of grocery products, including fresh meats, fresh vegetables and produce and fresh bakery items, along with a selection of dry goods. Along with its grocery offerings, Target would like to be able to offer customers the ability to purchase beer and wine. Adding beer and wine to its grocery offerings will provide downtown residents (as well as commuters doing their home shopping downtown) with a convenient, one stop-destination for grocery and beverage purchases.

For these reasons, we respectfully request that the Board of Supervisors make a finding that licensing CityTarget with a Type 20 off-sale beer and wine license will serve public convenience or necessity. If you have any questions about CityTarget's proposed operations, please do not hesitate to call me.

Sincerely,

Beth Aboulafia

Protest Against Alcoholic Beverage License Application (Page 2 of 4 pages)

Applicant: Target T2766 Store AKA Target Corporation
Applicant Address: 191-4th Street, San Francisco, CA 94103

Protestant: Michael Nulty, P.O. Box 420846, San Francisco, CA 94142-0846

After surveying the area around the new Target store and talking with both security, nearby residents and merchants about the effects a large chain store would have in retailing any forms of liquor to the public in the manner of a off-sale license.

Nearby merchants express the lower price point the a large retailer can sell their liquor at which would take away customers of already existing smaller established community serving stores. Local residents have the same concerns that a retailer such as Target can offer lower priced liquor which nearby already established licensed stored would have a hard time competing against. There is a strong support of local retailers to stay in business and to maintain their existing stores and customer base. We do want to see more smaller stores closing because of their lose of revenue.

The main concern residents and security have is enforcing and protecting the already established San Francisco Park Code for Yerba Buena Gardens (a copy of rules are attached as page 3). This code specially mentions smoking and alcoholic beverages which are intended to be sold by Target. Additional concerns by security is the drain on public resources in dealing with shoplifters. The San Francisco Police Department continues to shrink in the number of officers. And San Francisco continues to increase in population bringing more security tasks to perform with fewer police officers.

The next concern is Yerba Buena Gardens itself. Open Space with the following consideration points Ice Skating Center, Play Circle, Bowling Center, Child Development Center, and Carousel; several adjacent parking garages and facilities; and St. Patrick's Church. (a copy of map are attached as page 4)

Issuance of the license to the premises would add an undue concentration of licenses; licensing the premises aggravates an already existing police problems in a high-crime area; and the premises is within 500 feet of open space.

I do not know what the security plan for the new store is nor do I know which exists will be used by the public.

Because of the above concerns the following conditions must be applied.

Employees of the establishment shall walk a 100 feet radius from the premises sometime between 30 minutes after closing time and 8AM the following morning and shall pick up and dispose of any discarded beverage containers and other trash left by patrons.

The establishment shall provide outside lighting in a manner sufficient to illuminate street and adjacent sidewalk areas and parking as appropriate to maintain security.

No alcoholic beverages shall be consumed on any outdoor property adjacent to the establishment.

No person under the age of 21 shall sell or package alcoholic beverages.

Employees of the establishment shall regularly police the area under the control of the establishment in an effort to prevent the loitering of persons about the premises.

The establishment shall promptly remove any graffiti from the exterior of the premises.

Proper signage at all exists informing patrons of the San Francisco Park Code for Yerba Buena Gardens.

Sales of Alcohol only permitted between the hours of 8AM to 10PM 7 days a week.

No fortified wines can be sold.

No malt liquor bottles or cans.

Sell single containers of alcoholic beverage in clear plastic carry-out bags.

Beer & Wine must be sold in manufactured pre-packed multi-unit quantities only.

File No. 120466

Clerk of the Board and San Francisco Board of Supervisors Members:

On June 25, 2012 City Operations and Neighborhood Services Committee held a hearing on Target Corporation's request as follows:

[Liquor License Transfer - 101 4th Street]1204663.Hearing to consider that the transfer of an existing Type 20 off-sale beer and wine license from 566 Minnesota Street to 101-4th Street (District 6), to Beth Aboulafia for Target Corporation dba City Target, will serve the public convenience or necessity of the people of the City and County of San Francisco. 5/4/12; RECEIVED AND ASSIGNED to the City Operations and Neighborhood Services Committee.

The FIle was compiled by Derek Evens with documents forwarded to the committee by ABC Liaison Unit of the San Francisco Police Department Inspector Julie Lazar who claims to have received all the documents pertaining to Target Corporation from California Alcoholic Beverage Control.

The file #120466 is incomplete with pages missing from each protestant (Protest Against Beverage License Application) and the number of protestants were actual greater than 3. More like 6 protests were submitted and received by the San Francisco Department of Alcoholic Beverage Control on June 7, 2011.

Now this item has been moved out of the Operations and Neighborhood Services Committee with no recommendation to the full board of Supervisors. It is imperative that a complete set of protests against Target Corporation Store at 101 4th Street's Beverage License Application with all of their attached pages be included in file #120466.

I hope these documents are reviewed by all the decision-makers before the Full Board meets.
