Existing Law

The Parkmerced Development Project (“Project”) is a large, multi-phased project to redevelop an approximately 152 acre site located in the Lake Merced District in the southwest corner of San Francisco, generally bounded by Vidal Drive, Font Boulevard, Pinto Avenue, and Serrano Drive to the north, 19th Avenue and Junipero Serra Boulevard to the east, Brotherhood Way to the south, and Lake Merced Boulevard to the west. Among other things, the Project involves the realignment of various streets and public rights-of-way.

Amendments to Current Law

The proposed ordinance would conditionally vacate portions of certain streets for the first two subphases of the Project. Specifically, Subphases 1A and 1B of the Project involve the conditional vacation of portions of the following streets within Parkmerced along with the vacation of public service easements in those streets: Vidal Drive, Galindo Avenue, Chumasero Drive, Acevedo Avenue, Serrano Drive, Gonzalez Drive, Cambon Drive, and Font Boulevard.

The proposed vacations implement the Project, which was approved by the Board of Supervisors in 2011, by, among other approvals, approval of a Development Agreement for the Project by Ordinance No. 89-11. For the street vacation to become final, the Project Sponsor must dedicate certain other land to the City to be used for streets and rights-of-way and must enter into a Public Improvement Agreement with the City for all the improvements required by the Final Map for these phases of the Project.
