To Whom It May Concern:

I have had the pleasure of working with Charles Stephanski LVN for several years in the Emergency Department of St. Luke's Hospital. Chuck is a very quick study, and has no difficulty adjusting to different types of patients who speak various languages including infant babble. He adapts quickly to changing situations—a necessary skill in an Emergency Department—and is very diligent.

Chuck has great flexibility of mind and sees solutions to problems that elude others. He looks at a situation in which others see only problems and he sees possibilities. In addition, he is gifted with a great sense of fun, and puts people at ease as a result.

If you should have any questions about Mr. Stephanski, please feel free to contact me at (415)641-2199 or email me at treecm@sutterhealth.org.

Warmest regards,

Michael Treece, MD

To Whom it may concern;

Chuck has been an outstanding employee at the UCSF Blood Center as an LVN for over 2 years. He is well respected and liked by both staff and clients that needed services provided by the center. Chuck is proficient with skilled phlebotomy and confidential history and assessment techniques. Chuck works well with others and was part of the cohesive team. Chuck also excels at working independently and completing tasks in a timely manner. With major lay offs at UCSF the center closed or Chuck would still be employed. Feel free to contact me if further information is required.

Thanks.

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am a young woman working in healthcare and living in the Castro. I was born and raised in Hawaii. Hawaii, much like San Francisco, is a melting pot of ethnicity and culture, and growing up there instilled in me the importance of inclusion and cultural sensitivity. This truth was cemented when I took my first position in the healthcare sector in 2001, and I have administered to diverse patient groups ever since. It has been crucial that I maintain cultural awareness at all times, and I have sought education regarding culturally-appropriate approaches for our many patient demographics. However, treating patients with dignity and respect has required awareness beyond cultural needs. Working in varied healthcare settings has taught me the importance of attending to the needs of persons with physical and mental disabilities, senior populations, and youth demographics.

I have now lived in the Castro for just under 10 years, across the street from the always entertaining Lookout bar and restaurant. I have had the privilege of participating in many LGBTBI community events and witnessed tremendous growth throughout the changing political landscape. I cannot describe the gratitude and pride I felt during the 2015 San Francisco Trans March - what started as a small grassroots gathering has now grown to an almost 10,000-strong community celebration! Such events not only make San Francisco a truly unique and special city; they make it fun. Healthcare has been my calling, and our city's entertainment and nightlife industry have been my passion. Along with my partner, who is also a musician, I have coordinated non-profit events, bartended, waitressed, performed musically (both on stage and street performances), and attended annual events such as Pride, Bay to Breakers, and Ghost Ship—in costume of course.

My duty as a citizen is to continuously work to improve our fantastic city. My background in both healthcare and entertainment will allow me to provide a unique perspective necessary to the continued health and success of our event and nightlife industry in San Francisco.

Business and/or professional experience:

- Worked in the Healthcare industry since 2001
- Bachelor of Arts in Psychology from San Francisco State University
- Masters of Science in Healthcare Administration and Interdisciplinary Leadership from UCSF Graduate Division
- I worked in addictionology from 2003-2007 in both inpatient and outpatient clinical setting
- Currently a healthcare analyst and compliance officer with UCSF Medical Center (2009-current)
- Co-chair of the professional engagement council
- Coordinate and participate in a variety of nonprofit fund raisers

Civic Activities:

- I regularly engage in volunteer service both in and out of the healthcare realm:
- Volunteer service with Benioff Children's Hospital: For 6 years I have spent three hours every week working with the small but resilient children who make up the patient population of Benioff Children's'. Activities include arts and crafts, music group, and cuddling.
 - San Francisco's Project Homeless Connect: Organized a volunteer group of nurses from UCSF to participate in the SF Project Homeless Connect. Our group assisted in multiple medical stations such as wound care and 'creepy crawlers.' I personally have also assisted at Project Homeless Connect at the resume building station and general guidance.
 - Annual Coastal Clean Up Day: Coordinated group participation in Coastal Clean Up Day 2010-2014.
 - Coordinated community efforts such as Japan tsunami relief bake sale and 5 Gyres fund raisers.
 - KIPP Bayview Academy: KIPP Bay Area Schools High School Fair- College "mock interviews"
 - Department of Public Health TDAP vaccination clinic: Assisted with clinic set-up and operations

Dear Supervisors Tang, Avalos and Cohen,

I am writing to express my support and recommendation of Joaquin Castillo Arana for the Public Health vacancy on the San Francisco Entertainment Commission.

As one of the cofounders and the Executive Director of Queer LifeSpace I wanted to speak to Joaquin's longstanding commitment to our organization, mission and the services we offer to the LGBTQI community.

He has displayed an ongoing interest and desire to contribute in making sliding scale mental health services available to our LGBTQI community since the inception of Queer LifeSpace. He has done so as an avid supporter and contributor to our fundraising effort and this summer was welcomed to our Board of Directors to help us further deliver on our mission and vision to our community.

Joaquin's support of public health initiatives through his ongoing work with Queer LifeSpace and his other professional and volunteer endeavors would be a great asset to the Commission.

I encourage you to consider him as the incumbent for this vacancy. Please feel free to contact me if you have any questions.

Subject: Recommendation for SF Entertainment Commission for Mr. Castillo-Arana
Attachments: Castillo-Arana-ltr of rec-SF-12-3-15.pdf

Dear Supervisors and Board Clerk:

I offer my very highest recommendation for Mr. Joaquin Castillo-Arana for a seat on the San Francisco Entertainment Commission. He was an outstanding student with excellent inquiry, analytical ability and great communication skills. He has outstanding professional experience with 15 years at UCSF working in hospital administration, as well as with AIDS Hospice Volunteer and serving on the board of directors with nonprofit, Queer LifeSpace that offers sliding scale LGBT mental health service.

I have known Mr. Castillo-Arana for the past three years, since the time I reviewed his admission's file in my role as Director of the University of San Francisco's master degree program in public administration (MPA). I had the opportunity as faculty in two of Mr. Castillo-Arana courses to observe his work in 16 days of classes. He was an outstanding student.

Mr. Castillo-Arana actively contributed in class with discussion informed by a deep understanding of complex readings, as well as thoughtful application of the material. Individually, each of his written assignments was thoughtfully developed and professionally presented. He consistently demonstrated outstanding research and analytical skills. His papers were well-written, with strong research and thoughtful critiques.

He showed a willingness to work well beyond the course requirements with high quality. His written work and discussions exhibited strong analytical skills. He worked well with classmates in the group projects each day and with the team projects and presentations.

He has a demonstrated ability to work with faculty, accept coaching, and thrive in both seminar work and in self-directed research that will allow him to significantly contribute to the mission of the Entertainment Commission.

Mr. Castillo-Arana is as outstanding a graduate student as I have worked with in the past 15 years. He has both the professional experience and academic discipline needed to excel on the Commission to make significant contributions. I offer my very highest recommendation for Mr. Castillo-Arana.

Sincerely,

Subject: Recommendation letter for Joaquin Castillo-Arana

Dear Distinguished Supervisors on the Rules Committee:

It is with great joy that I recommend Joaquin Castillo-Arana for the seat on the San Francisco Entertainment Commission.

As Joaquin's former supervisor at Maitri Compassion Care, SF-based HIV/AIDS- specific residential hospice and respite care facility, where Joaquin has been one of the most dedicated volunteers, I can bear witness to his exceptional qualities. His love and compassionate care for the community and individuals are genuine and priceless; he can easily put a smile on a stranger's face or cry with one if needed, walk an extra mile with those in need, provide his listening presence, and also dress up, get on stage and entertain a crowd so everyone feels good.

When recruiting Joaquin, I was impressed to learn that he was willing to volunteer 4 hours a week at the hospice in addition to his full-time job at UCSF and also his demanding graduate school program in Public Administration at USF. And he did it wholeheartedly, like a superhero, attending to those at the end-of-life, while earning his Academic award at USF, and also looking ahead at where he could make a larger impact in the community.

I am aware that he has recently joined the board for Queer LifeSpace and I am not surprised about his aspiration to join the Entertainment Commission. He is truly a gem, a highly skillful, intelligent, man with a great sense of humor and even greater heart. By allowing him to be on the Commission, you will gain a fantastic ally, friend and a hard-worker with the love for the community that you all serve.

Thank you for your kind consideration and for your wonderful work in our city.

Sincerely,

Subject: SF Entertainment Commission Vacancy -- Joaquin Castillo-Arana

Dear Supervisor Tang—

It is with great joy that I am able to write this letter to you in support of Joaquin Castillo-Arana's candidacy for a seat on the Entertainment Commission. Joaquin is a perfect fit for this position and I strongly recommend you consider offering him your approval.

I have known Joaquin for roughly twenty years and can confidently attest to the strength of character he would bring to his work with the Commission. Joaquin is tenacious and determined by nature and exhibits great enthusiasm in all things. He is generous with his time and is deeply loyal. Joaquin has an open heart and loving presence which makes him a natural people connector.

The diversity of life experiences throughout his decades living, studying and working all around San Francisco brings Joaquin a balanced perspective of our communities' complex needs.

Joaquin has always worked for the betterment of the San Francisco community through volunteerism at places like Maitri Compassionate Care and his commitment to supporting Public Health working at UCSF.

This professional and personal life experience enables Joaquin to collaborate with a diverse array of interests while considering fair use of our residential, commercial and artistic spaces. The Commission would be fortunate to have Joaquin working with them.
