BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT the Board of Supervisors of the City and County of San Francisco will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

Date: Tuesday, April 12, 2016

Time: 3:00 p.m.

Location: Legislative Chamber, Room 250, located at City Hall
1 Dr. Carlton B. Goodlett Place, San Francisco, CA

Subject: **File No. 160215.** Hearing of persons interested in or objecting to a proposed Ordinance (File No. 160150) approving an amendment to the Redevelopment Plan for the Transbay Redevelopment Project Area, to increase the maximum height limit from 300 feet to 400 feet on Block 1 (Assessor's Block No. 3740, Lot Nos. 027, 029, 030, 031, and 032) within Zone One of the Transbay Redevelopment Project Area; and making environmental findings under the California Environmental Quality Act, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

The proposed Plan Amendment would revise the Zoning One Plan Map on page 40 of the Redevelopment Plan to increase the maximum height limit for development on Block 1 from 300 to 400 feet. Block 1 is comprised of the lots 027, 029, 030, 031, and 032 on Assessor's Block 3740, in the area bounded by Main, Folsom, and Spear Streets. In all other respects, the land use controls of the Redevelopment Plan will remain in effect.

The proposed Plan Amendment would not change the existing Transbay Redevelopment Project Area boundaries, which are described in the Transbay Redevelopment Plan, copies of which are on file at the Successor Agency at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103 and available at <http://sfocii.org/TransbayRedevelopmentPlan-PDF>. The Transbay Redevelopment Plan boundaries are also recorded with the Office of the Assessor-Recorder of the City and County of San Francisco as Exhibits 1 and 2 to the Redevelopment Plan for the Transbay Redevelopment Project Area, recorded August 4, 2006 as Instrument No. 06-I224836-00 in Reel J197, Image 0575, in the Official Records (as amended by the Statement Regarding an Amendment to the Redevelopment Plan for the Transbay Redevelopment Project Area, recorded September 23, 2015 as Document 2015-K135871 in the Official Records).

Any and all persons having any objection to the proposed Plan Amendment or who contest regularity of prior proceedings regarding the Plan Amendment process may appear before the Board and show cause why the proposed Plan Amendment should not be adopted. Additionally, any persons may file in writing with the Clerk of the Board, a statement of objection to the proposed Plan Amendment, prior to the hearing noticed herein.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made part of the official public record in this matter, and shall be brought to the attention of the members of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton Goodlett Place, Room 244, San Francisco, CA 94102. Information relating to this matter is available in the Office of the Clerk of the Board. Agenda information relating to this matter will be available for public review on Friday, April 8, 2016.

CITY AND COUNTY OF SAN FRANCISCO HUMAN SERVICES AGENCY REQUEST FOR PROPOSALS # 687

The City and County of San Francisco Human Services Agency (HSA) seeks proposals from qualified organizations to provide: 1) pre and post adoptive services and activities to support and expedite the adoption process, including recruitment of appropriate adoptive applicants, provision of post-adoptive services and technical assistance to facilitate adoption for San Francisco dependents, and 2) Permanency Services to include work with supervisors, workers, youth and relevant adults in the youth's life, as well as with departmental partners in a position to influence permanency in order to increase relational, physical and/or legal permanence for children in foster care. HSA is committed to achieving permanent placements for all children in care, whether through reunification, legal guardianship or adoption. It is the Agency's expectation that this grant will continue this intensive effort through a focus on permanency activities that facilitate the placement of foster children and youth into permanent, legal, safe and nurturing homes. The target populations to be served are prospective concurrent planning, substitute care providers and adoptive applicants; and San Francisco children and youth in need of concurrent planning and adoptive homes and permanent families. The Grantee must be prepared to serve any child between the ages of 0 and 21, although most children will be over the age of ten. The source of funding for these services will be a combination of Federal, State and County General Fund revenue. Payment for all services provided in accordance with provisions under these grants shall be contingent upon the availability of funds for the purpose of providing these services. The Grantee shall not be required to provide any definite units of services nor does the City guarantee any minimum amount of funding for this service. The estimated annual funding for this program is \$427,018. HSA expects to
