ARTICLE II REPRESENTATIONS AND WARRANTIES

Section 2.1. Representations and Warranties of the City. The City represents, warrants and covenants that:

(a) The City is a municipal corporation, duly organized and validly existing under its charter and the constitution and laws of the State. Under the provisions of the Act, the City has the power to enter into the transactions on its part contemplated by this Loan Agreement, the Indenture, and the Regulatory Agreement (collectively, the "City Documents") and to carry out its obligations hereunder and thereunder. The financing of the Project constitutes and will constitute a permissible public purpose under the Act. By proper action, the City has authorized the execution, delivery and due performance of its obligations under the City Documents.

(b) Neither the execution and delivery of the Bonds and the City Documents, nor the City's compliance with the terms, conditions or provisions on the part of the City in the Bonds and the City Documents, to the knowledge of the City without investigation, conflicts in any material respect with or results in a material breach of any of the terms, conditions or provisions of any constitution or statute of the State, or of any agreement, instrument, judgment, order or decree to which the City is now a party or by which it is bound or constitutes a material default by the City under any of the foregoing.

(c) The City has not created and will not create any debt, lien or charge upon the asset and monies explicitly pledged to the repayment of the Bonds under the Indenture,

and has not made and will not make any pledge or assignment of or create any encumbrance thereon, other than the pledge and assignment thereof under the Indenture.

(d) The City has complied and will comply with all material provisions of the Act to be complied with by the City applicable to the Bonds and the transactions contemplated by this Loan Agreement and the other City Documents.

(e) The Bonds are being issued under the Indenture, and are secured by the Indenture pursuant to which the City's interest in this Loan Agreement (other than the Reserved Rights) is pledged and assigned to the Trustee. The City covenants that it has not pledged and will not pledge or assign its interest in this Loan Agreement other than to the Trustee under the Indenture.

(f) No litigation or administrative action of any nature has been served on the City and is now pending (i) seeking to restrain or enjoin the execution and delivery of the Indenture, this Loan Agreement, or the Regulatory Agreement, or in any manner questioning the proceedings or authority of the City relating thereto or otherwise affecting the validity of the Bonds, or (ii) challenging the existence or authority of the City or that of the members of the Board of Supervisors or its officers and, to the knowledge of the City, none of the foregoing are threatened.

The City makes no representation or warranty that the Project will be adequate or sufficient for the purposes of the Borrower. Nothing in this Loan Agreement shall be construed as requiring the City to provide any financing for the Project other than the proceeds of the Bonds.

Section 2.2. Representations, Warranties and Covenants of the Borrower. The Borrower represents, warrants and covenants that:

(a) The Borrower is a California limited partnership, organized and existing under the laws of the State, is in good standing in the State, and has full legal right, power and authority under the laws of the United States of America and the State (i) to enter into this Loan Agreement and the other Loan Documents to which it is a party; (ii) to perform its obligations hereunder and thereunder; and (iii) to consummate the transactions on its part contemplated by the Loan Documents.

(b) Upon the execution and delivery thereof by the parties thereto, each of the Loan Documents to which it is a party will constitute valid and binding obligations of the Borrower, enforceable upon the Borrower in accordance with its respective terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws or judicial decisions affecting creditors' rights generally and by judicial discretion in the exercise of equitable remedies.

(c) The execution and delivery of the Loan Documents to which it is a party, the performance by the Borrower of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby will not violate the Borrower's partnership agreement, or any law, regulation, rule or ordinance or any order, judgment or decree of any federal, state or local court and do not conflict with, or constitute

a breach of, or a default under, any document, instrument or commitment to which the Borrower is a party or by which the Borrower or any of its property is bound.

(d) There is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending or threatened against the Borrower which (i) affects or seeks to prohibit, restrain or enjoin the loaning of the amounts set forth herein to the Borrower or the execution and delivery of this Loan Agreement or the other Loan Documents, (ii) affects or questions the validity or enforceability of this Loan Agreement or the other Loan Documents, (iii) questions the power or authority of the Borrower to carry out the transactions on its part contemplated by, or to perform its obligations under, this Loan Agreement and the other Loan Documents to which it is a party, or the powers of the Borrower to own, construct, equip or operate the Project.

(e) The Borrower is not in default under any document, instrument or commitment to which the Borrower is a party or to which it or any of its property is subject which default would or could affect the ability of the Borrower to carry out its obligations under this Loan Agreement and the other Loan Documents.

(f) Any certificate signed by an Authorized Borrower Representative and delivered pursuant to this Loan Agreement or the other Loan Documents shall be deemed a representation and warranty by the Borrower as to the statements made therein.

(g) The Project is located wholly within the City.

(h) The Borrower will obtain all necessary certificates, approvals, permits and authorizations with respect to the construction and operation of the Project from applicable local governmental agencies and agencies of the State and the federal government.

(i) The Borrower shall make no changes to the Project or to the operation thereof which would affect the qualification of the Project under the Act or impair the exclusion from gross income of the owners thereof for federal income tax purposes of the interest on the Bonds (other than a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code).

(j) The Borrower covenants that, from the proceeds of the Bonds and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Bonds, will be used for costs of issuance of the Bonds, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Bonds are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of Proceeds of the Bonds for said fees.

(k) The construction and operation of the Project in the manner presently contemplated and as described herein, in the Construction Disbursement Agreement, and in the Regulatory Agreement will not conflict with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto. The Borrower will cause the Project to be operated in all material respects in accordance with all applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality.

(l) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project; and that it has not relied on the City for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the City in any manner except to issue the Bonds in order to provide funds to make the Loan.

(m) The Borrower intends to hold the Project for its own account, has no current plans to sell, and has not entered into any agreement to sell any of the units that comprise the Project.

(n) In the event the Loan proceeds are not sufficient to complete the construction and equipping of the Project and the payment of all Issuance Costs, the Borrower will furnish any additional moneys necessary to complete the acquisition, construction and equipping of the Project and pay all Issuance Costs.

(o) With respect to the Bonds, all of the proceeds from the Loan plus the income from the investment of the proceeds of the Loan will be used to pay or reimburse the Borrower for Project Costs, and at least 95% of the proceeds of the Loan will be used to pay or reimburse the Borrower for Qualified Project Costs.

(p) The estimated total cost of the financing of the construction of the Project is equal to or in excess of the principal amount of the Loan.

(q) The Borrower has not knowingly taken or permitted to be taken and will not knowingly take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in the gross income of the owners thereof for purposes of federal income taxation (other than a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code).

(r) The Borrower covenants that it shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(s) The Borrower shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

(t) The Bonds upon issuance and delivery shall be considered "private activity bonds" within the meaning of the Code.

(u) The Borrower covenants that no proceeds of the Bonds shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in

land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with Proceeds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Bonds

Section 2.3. Hazardous Waste Covenant. In addition to and without limitation of any other representations, warranties and covenants made by the Borrower under this Loan Agreement and under the other Loan Documents, the Borrower further represents, warrants and covenants that the Borrower will not use or permit Hazardous Materials (as defined hereinafter) on, from, or affecting the Project (a) in any manner which violates federal, state or local laws, ordinances, rules, or regulations governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, or (b) in a manner that would create a material adverse effect on the Project. Without limiting the foregoing, the Borrower shall not cause or permit the Project or any part thereof to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all applicable federal, state and local laws or regulations, nor shall the Borrower cause or knowingly permit, as a result of any intentional or unintentional act or omission on the part of the Borrower or any tenant or subtenant, a release of Hazardous Materials on to the Project or on to any other property in a manner which violates federal, state, or local laws, ordinances, rules or regulations or in a manner that would create a material adverse effect on the Project. The Borrower shall comply with and require compliance by all tenants and subtenants with all applicable federal, state and local laws, ordinances, rules and regulations, and shall obtain and comply with, and require that all tenants and subtenants obtain and comply with, any and all approvals, registrations or permits required thereunder. The Borrower shall conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other action required by a governmental authority under an applicable statute or regulation to clean up and remove all Hazardous Materials, on, from, or affecting the Project in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations.

The Borrower shall defend, indemnify, and hold harmless the City from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs, or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release, or threatened release of any Hazardous Materials which are on or from the Project which affect, the soil, water, vegetation, buildings, personal property, persons, animals, or otherwise; (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials on or from the Project, and/or (c) any violation of laws, orders, regulations, requirements or demands of government authorities, or written requirements of the City, which are based upon or in any way related to such Hazardous Materials including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses. In the event the Project is foreclosed upon, or a deed in lieu of foreclosure is tendered, or this Loan Agreement is terminated, the Borrower shall deliver the Project in a manner and condition that shall conform with all applicable federal, state and local laws, ordinances, rules or regulations affecting the Project.

For the purposes of this Section 2.3 and Section 2.4, “Hazardous Materials” includes, without limit, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, *et seq.*), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801 *et seq.*), the Resource Conservation and Recovery Act, as amended (42 U.S.C. Sections 9601 *et seq.*), and in the regulations promulgated pursuant thereto, or any other federal, state or local environmental laws, ordinances, rules, or regulations. The provisions of this Section 2.3: (a) shall not apply to substances routinely used in the ordinary course of business, (b) shall be in addition to any and all other obligations and liabilities the Borrower may have to the City at common law, and (c) with respect to any liability or cost arising as a result of acts or omissions of the Borrower during the term of this Loan Agreement, shall survive the termination of this Loan Agreement. This Section 2.3 shall not obligate the Borrower in any way with respect to any acts or omissions of any entity that succeeds the Borrower as owner of the Project.

The indemnifications and protections set forth in this Section 2.3 (i) shall be extended, with respect to the City, to the members of its Board of Supervisors, officers, employees, agents and servants and persons under the City’s control or supervision and (ii) shall be for the full and equal benefit of the Trustee, as assignee of the City under the Indenture.

Anything to the contrary in this Loan Agreement notwithstanding, the covenants of the Borrower contained in this Section 2.3 shall remain in full force and effect after the termination of this Loan Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought, and (ii) payment in full or the satisfaction of such claim or cause of action and of all expense and charges incurred by the City relating to the enforcement of the provisions herein specified.

For the purposes of this Section 2.3, the Borrower shall not be deemed an employee, agent or servant of the City or person under City’s control or supervision.

Section 2.4. Additional Environmental Matters. (a)The Borrower shall require in any management agreement for the Project that the management company shall operate and maintain the Project in material compliance with all applicable federal, state, regional, county or local laws, statutes, rules, regulations or ordinances, concerning the environment, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 U.S.C. which is prohibited, limited or regulated, or may or could pose a hazard to the health and safety of the occupants of the Project or the property adjacent to or surrounding the Project, (v) to the exposure of persons to toxic, hazardous or other controlled, prohibited or regulated substances or (vi) to the transportation, storage, disposal, management or release of gaseous or liquid substances and any regulation, order, injunction, judgment, declaration, notice or demand issued thereunder.

(b) The Borrower shall keep the Project free and clear of any liens or encumbrances securing payment of the costs of any response, removal or remedial action or cleanup of Hazardous Materials (as defined in Section 2.3).

(c) The Borrower covenants and agrees that it will not knowingly conduct or allow to be conducted any business, operations or activity on the Project, or employ or use the Project to manufacture, treat, store (except with respect to storage in the ordinary operation of the Project), or dispose of any Hazardous Materials (including, without limitation, petroleum, its derivatives, crude oil or any fraction thereof), or any other substance the disposal of which is prohibited, controlled or regulated under applicable law, or which poses a threat or nuisance to safety, health or the environment, including, without limitation, any business, operation or activity which would violate the Resource Conservation and Recovery Act of 1976, as amended by the Hazardous and Solid Waste Amendments of 1984, 42 U.S.C. Section 6901 *et seq.*, or cause or knowingly allow to be caused, a release or threat of release, of a non-de minimis quantity of hazardous substances on the Project as defined by, and within the ambit of, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 U.S.C. Section 9601 *et seq.*, or any similar state, county, regional or local statute providing for financial responsibility for cleanup for the release or threatened release of substances provided for thereunder.

(d) The Borrower covenants and agrees that it shall take all appropriate response action, including any removal and remedial action, in the event of a release, emission, discharge or disposal of Hazardous Materials in, on, under or about the Project for which the Borrower is liable under state, federal or local environmental rules or regulations.

The Borrower hereby covenants and agrees as follows:

The City shall not incur any liability in the event of any breach or violation of the Regulatory Agreement by the Borrower, and the Borrower agrees to indemnify the City from any claim or liability for such breach pursuant to Section 7 of the Regulatory Agreement or hereunder.

Section 6.4. Additional Instruments. The Borrower hereby covenants to execute and deliver such additional instruments and to perform such additional acts as may be necessary, in the opinion of the City, to carry out the intent of the Loan Documents or to perfect or give further assurances of any of the rights granted or provided for in the Loan Documents and the Note.

Section 6.5. Books and Records. The Borrower hereby covenants to permit the City, the Trustee and the Bondowner or their duly authorized representatives access during normal business hours to the books and records of the Borrower pertaining to the Loan and the Project, and to make such books and records available for audit and inspection, at reasonable times and under reasonable conditions to the City, the Bondowner, the Trustee and their duly authorized representatives and at the sole expense of the Borrower.

Section 6.6. Notice of Certain Events. The Borrower hereby covenants to advise the City and the Bondowner promptly in writing of the occurrence of any Event of Default hereunder or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. In addition, the Borrower hereby

covenants to advise the City and the Bondowner promptly in writing of the occurrence of any Act of Bankruptcy.

Section 6.7. Indemnification of the City and Trustee. The Borrower agrees to indemnify the City and the Trustee as provided in Section 7 of the Regulatory Agreement. Section 6.8. Consent to Assignment. The City has made an assignment under the Indenture of all rights and interest of the City in and to this Loan Agreement (except its Reserved Rights), the Note, the Deed of Trust and the other Loan Documents and the Trustee is authorized to collect the payments by the Borrower on the Loan; and the Borrower hereby consents to all such assignments and such appointment.

Section 6.9. Compliance with Usury Laws. Notwithstanding any other provision of this Loan Agreement, it is agreed and understood that in no event shall this Loan Agreement, with respect to the Note or other instrument of indebtedness, be construed as requiring the Borrower or any other person to pay interest and other costs or considerations that constitute interest under any applicable law which are contracted for, charged or received pursuant to this Loan Agreement in an amount in excess of the maximum amount of interest allowed under any applicable law.

In the event of any acceleration of the payment of the principal amount of the Note or other evidence of indebtedness, that portion of any interest payment in excess of the maximum legal rate of interest, if any, provided for in this Loan Agreement or related documents shall be cancelled automatically as of the date of such acceleration, or if theretofore paid, credited to the principal amount.

The provisions of this Section 6.9 prevail over any other provision of this Loan Agreement.

Section 6.10. Leasehold Interest in the Project Site. The Borrower shall concurrently with the closing of the Loan have a leasehold interest in the Project site, subject to the Deed, but otherwise free and clear of any lien or encumbrance except for (i) liens for non-delinquent assessments and taxes not yet due; (ii) the Deed of Trust; (iii) the Regulatory Agreement, and (iv) any other encumbrances approved in writing by the Bondowner. Section 6.12. No Untrue Statements. Neither this Loan Agreement nor any other document, certificate or statement furnished to the City, the Trustee or the Bondowner by or on

behalf of the Borrower, contains to the best of the Borrower's knowledge any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading or incomplete as of the date hereof. It is specifically understood by Borrower that all such statements, representations and warranties shall be deemed to have been relied upon by the City as an inducement to make the Loan, and by the Bondowner as an inducement to buy the Bonds, and that if any such statements, representations and warranties were materially incorrect at the time they were made, the City may consider any such misrepresentation or breach an Event of Default.

Section 6.13. Insurance. The Borrower shall provide policies of property damage (fire, extended coverage, vandalism and malicious mischief), loss of rent, public liability and worker's compensation insurance with respect to the Project and the operation thereof required under the Deed of Trust and the Construction Disbursement Agreement. (b) The Borrower covenants and agrees that it will not (i) use or permit the use of any of the funds provided by the City hereunder or any other funds of the Borrower, directly or indirectly, in such manner as would, or (ii) take or omit to take any other action that would, in each case cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(c) In the event that at any time the Borrower is of the opinion or becomes otherwise aware that for purposes of this Section 6.14 it is necessary to restrict or to limit the yield on the investment of any moneys held under the Indenture or under the Construction Disbursement Agreement, or otherwise by the Bondowner, the Borrower shall determine the limitations and so instruct the Trustee or Bondowner, as applicable, in writing and cause the Trustee or the Bondowner, as applicable, to comply with those limitations under the Indenture or the Construction Disbursement Agreement, respectively.

(d) The Borrower will take such action or actions as may be reasonably necessary in the opinion of Bond Counsel, or of which it otherwise becomes aware, to fully comply with Section 148 of the Code as applicable to the Bonds.

(e) The Borrower further agrees that it shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (e.g. AFDC, SSI), physical disability, national origin or marital status in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the

operation and management of the Project, to the extent required by applicable State or federal law.

(f) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions, of this Loan Agreement and of the Regulatory Agreement, and that in any event, the requirements of this Loan Agreement and the Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.

(g) The Borrower will use due diligence to complete the acquisition and construction of all of the units comprising the Project and reasonably expects to fully expend the entire \$ _____ authorized principal amount of the Loan by December 31, 2026.

(h) The Borrower will take such action or actions as necessary to ensure compliance with Sections 2.2(j), (o), (p), (q) and (r) hereof.

(i) The Borrower shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code. The Borrower will take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

(j) The Borrower covenants that not less than 95% of the net proceeds of the Bonds (being the face amount of the Bonds, plus any premium paid on the purchase of the Bonds by the original purchaser thereof, less any original issue discount and less any proceeds deposited in a reasonably required reserve fund), plus investment earnings thereon, will be paid for Qualified Project Costs.

(k) The Borrower will retain its records of all accounting and monitoring it carries out with respect to the Bonds for at least 3 years after the Bonds mature or are redeemed (whichever is earlier); however, if the Bonds are redeemed and refunded, the Borrower will retain its records of accounting and monitoring at least 3 years after the earlier of the maturity or redemption of the obligations that refunded the Bonds.

(l) The Borrower will comply with the provisions of the Tax Certificate with respect to the Bonds, which are incorporated herein as if fully set forth herein.

Section 6.15. Ownership and Use of Financed Property. The Borrower will assure that the proceeds of the Bonds are expended so as to cause the Bonds to constitute "qualified 501(c)(3) bonds" within the meaning of section 145 of the Code and covenants as follows.

(a) all property financed with the net proceeds of the Bonds will be owned (as ownership is determined for purposes of federal income taxation) by the Borrower, by an organization described in section 501(c)(3) of the Code or by a governmental unit;

(b) no more than 5% of the net proceeds of the Bonds will be used in a manner as to cause the Bonds to satisfy the private business tests of section 141(b) of the Code determined by treating, for this purpose, 501(c)(3) organizations as governmental units with respect to their activities that do not constitute unrelated trades or businesses within the meaning of section 513(a) of the Code;

(c) no part in excess of 5% of the portion of the Project financed with the Bonds will be used for (i) activities constituting an “unrelated trade or business,” determined by applying section 513(a) of the Code, or (ii) activities constituting any trade or business of an entity other than an organization described in section 501(c)(3) of the Code or a governmental unit; and

(d) no portion of the proceeds of the Bonds will be used to finance or refinance any facility, place or building to be used primarily for sectarian instruction or study or as a place for devotional activities or religious worship.

The monthly rent charged for all the Low Income Units shall not exceed one-twelfth (1/12) of the amount obtained by multiplying thirty percent (30%) times sixty percent (60%) of the lower of City Median Income or Median Income for the Area, less the utility allowance.

(c) _____ () Available Units, excluding one (1) manager's unit, in the Project shall be rented to and continuously occupied by households who qualify as Very Low Income Tenants. The monthly rent charged for all the Very Low Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the lower of City Median Income or the Median Income for the Area, less the utility allowance.

(d) Notwithstanding the foregoing provisions of this Section 6.19, no Tenant who satisfies the applicable income limit for a Restricted Unit upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

(e) The Borrower will obtain, complete and maintain on file Income Certification Forms for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's income. In addition, the Borrower will provide such further information as may be required in the future by the State, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Regulations, as the same may be amended from time to time, and in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

No administrative or judicial proceedings are pending or threatened which may, in any way, adversely affect the classification of the Borrower or TSI as an organization (a) described in section 501(c)(3) of the Code which is exempt from federal income taxation under section 501(a) of the Code and (b) which is not a “private foundation” as defined in section 509 of the Code. Section 7.6. No Additional Waiver Implied by One Waiver. In the event any agreement or covenant contained in this Loan Agreement should be breached by the Borrower and thereafter waived by the City or the Bondowner, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder including any other breach of the same agreement or covenant.

CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Loan Agreement as if set forth in the text hereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Loan Agreement. As used herein, the Borrower shall be known as the “Obligated Party”.

1. Nondiscrimination; Penalties.

(a) *Non Discrimination in Contracts.* The Obligated Party shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Obligated Party shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Obligated Party is subject to the enforcement and penalty provisions in Chapters 12B and 12C.

(b) *Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2.* The Obligated Party does not as of the date of this Loan Agreement, and will not during the term of this Loan Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.

1. MacBride Principles—Northern Ireland. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Loan Agreement. By entering into this Loan Agreement, the Obligated Party confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

2. Tropical Hardwood and Virgin Redwood Ban. Pursuant to San Francisco Environment Code Section 804(b), the City urges the Obligated Party not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

3. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Obligated Party to remove from, City facilities personnel of such Obligated Party who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City’s ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the

individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

4. Compliance with Americans with Disabilities Act. The Obligated Party shall provide the services specified in the Loan Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.

5. Sunshine Ordinance. The Obligated Party acknowledges that the Loan Agreement and all records related to its formation, such Obligated Party's performance of services provided under the Loan Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.

6. Limitations on Contributions. By executing the Loan Agreement, the Obligated Party acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Obligated Party's board of directors; the Obligated Party's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in such Obligated Party; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by such Obligated Party. The Obligated Party certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

7. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to the Loan Agreement, the Obligated Party shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. The Obligated Party is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing the Loan Agreement, the Obligated Party certifies that it complies with Chapter 12P.

8. Requiring Health Benefits for Covered Employees. If Administrative Code Chapter 12Q applies to the Loan Agreement, the Obligated Party shall comply with the requirements of Chapter 12Q. For each Covered Employee, the Obligated Party shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Obligated Party chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q, as well as the Health Commission's minimum standards, is available on the web at <http://sfgov.org/olse/hcao>. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12Q. Any subcontract entered into by the Obligated Party shall require any subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section.

9. Prohibition on Political Activity with City Funds. In performing under the Loan Agreement, the Obligated Party shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for the Loan Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12G.

10. Nondisclosure of Private, Proprietary or Confidential Information. If the Loan Agreement requires the City to disclose "Private Information" to the Obligated Party within the meaning of San Francisco Administrative Code Chapter 12M, the Obligated Party shall use such information consistent with the restrictions stated in Chapter 12M and in this Loan Agreement and only as necessary in performing the services provided under the Loan Agreement. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Loan Agreement, the Obligated Party may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Obligated Party, such information must be held by such Obligated Party in confidence and used only in performing the Loan Agreement. The Obligated Party shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

11. Consideration of Criminal History in Hiring and Employment Decisions. The Obligated Party agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Loan Agreement. The text of Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of the Obligated Party's obligations under Chapter 12T is set forth in this Section. The Obligated Party is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Obligated Party's operations to the extent those operations are in furtherance of the performance of this Loan Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Loan Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes City property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

17. Consideration of Salary History. The Obligated Party shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or

"Pay Parity Act." The Obligated Party is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on the Loan Agreement or in furtherance of the Loan Agreement, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12K.
