The Department recognizes that the Recipient may enter into a separate side agreement to address each individual Recipient entity's responsibilities with respect to each other and with regard to the Program Grant funds and Program Loan Funds; provided, however, in no event shall any such agreement alter or amend the respective obligations of the Recipients to the Department under the applicable Grant Documents or Program Loan Documents, including the joint and several nature thereof.

45. Departmental Cross-Default Provision

In the event the Project or Development is or has been awarded any other Departmental grant or loan funding in addition to the Program Loan and Program Grant contemplated by the Award Letter from the Department to Recipient (each such funding, including the Program Loan and Program Grant referenced in the Award Letter, being a "Departmental Funding"), then each Departmental Funding will be cross-defaulted to the other Departmental Funding so that:

- A. the compliance by the obligated party(ies) under the Department's documentation relating to one Departmental Funding shall be a condition precedent to the funding and disbursement of the funds to be provided under all of the other Departmental Fundings; and
- B. a default under one Departmental Funding shall constitute a default under all of the other Departmental Fundings.

The loan and grant documentation for each Departmental Funding shall reflect the cross-defaulted nature of all such fundings.

Provision Ex. A-E.5 (As Referenced in Exhibit A, section 3A)

Housing Related Infrastructure

The Scope of Work for this Agreement for Housing Related Infrastructure ("HRI Work") shall consist of the following:

N/A

Provision Ex. A-E.6 (As Referenced in Exhibit A, section 3B)

Program Costs

The Scope of Work for this Agreement for Program (PGM) Costs ("PGM Work"), shall consist of the following:

The first PGM component, administered by the SF Bike Coalition, will provide safety education training programs that may include but are not limited to bike safety workshops, bike repair workshops, walking to school buses or other group walking activities, and safe routes to school or transit. Training programs will include the distribution of items including but not limited to bicycles, helmets, other safety equipment, or lights, to low-income residents of the Project Area. Programs and giveaways will be advertised broadly in the project area and in more than one language.

The second PGM component proposes that each of the restricted units will be provided with one (1) free transit pass for three years. Each card or pass will have a minimum

value of 40 average commute length rides per month, as determined by the San Francisco Municipal Transportation Agency.

The third PGM component proposes anti-displacement assistance. Eviction Defense Collaborative (EDC) supports tenants struggling with rent increases, evictions, housing discrimination and landlord harassment by providing them with free legal representation. For 27 years, EDC has been the only agency in San Francisco (SF) solely dedicated to eviction prevention, processing 99% of all the eviction notices filed in the city. EDC's wraparound service model includes legal services for eviction defense, rapid emergency rental assistance and subsidies for those at risk of eviction and displacement, and advocacy for unhoused San Franciscans facing eviction from City shelters.

Total program grant funds requested is \$1,095,624.

Provision Ex. A-E.7 (As Referenced in Exhibit A, section 3C)

### Sustainable Transportation Infrastructure

The Scope of Work for this Agreement for Sustainable Transportation Infrastructure ("STI Work") shall consist of the following:

The first STI component proposes a new central management software that will be deployed to 29 intersections along three corridors within one mile of the housing development. The new central management software would provide data analytics and reports on the performance of transit signal priority, as well as the health of the intersection equipment. The three corridors are: 1) 3rd Street from Townsend to Stevenson, 2) 4th Street from Harrison to Market/Ellis, and 3) Stockton from O'Farrell to Columbus/Green. The project will be completed by San Francisco Municipal Transportation Agency (SFMTA).

The second STI component proposes project improvements that will support San Francisco's Vision Zero commitment including new bulb-outs and curb ramps for pedestrian safety, a new 2-way protected bike lane, bike signals, and traffic signal modifications, in addition to landscaping. The anticipated scope along the project will include, but not limited to: 6 Sidewalk bulb-outs; 56 Curb ramps; 12 Parking island ramps; 16,020 square feet Protected bikeway median island/barrier; 25 Traffic signals. The project will be completed by SFMTA.

The third STI component proposes that The Bay Area Rapid Transit District (BART) will purchase two new BART cars. These vehicle purchases are part of BART's Transbay

Total STI grant funds requested is \$10,334,634.

Provision Ex. A-E.8 (As Referenced in Exhibit A, section 3D)

### Transportation-Related Amenities

The Scope of Work for this Agreement for Transportation-Related Amenities ("TRA Work") shall consist of the following:

The TRA component proposes that BART will install 17 Next Generation Fare Gate consoles at Embarcadero BART Station as part of an effort to upgrade all fare gates throughout its system. BART's current fare gates are decades old and have proven ineffective in deterring fare evasion, which costs BART millions of dollars annually. The existing fare gates are also declining in reliability as they age. The Next Generation Fare Gate design incorporates a tall, swing-style gate with improved passenger throughput and maintainability, and a more modern appearance.

Total TRA grant funds requested is \$1,581,119.

Provision Ex. A-E.9 (As Referenced in Exhibit A, section 4)

## MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING (**MOU**), dated as of March 31, 2023 (Effective Date), is by and between the San Francisco Public Works (SFPW) and the Mayor's Office of Housing and Community Development (MOHCD).

### RECITALS

A. The City and County of San Francisco (City), through the Office of Community Investment and Infrastructure (OCII), owns the real property located at 200 Folsom Street, as more particularly described in the attached Exhibit A (200 Folsom Street) and has made a loan for predevelopment costs and construction of a 184-unit affordable housing development (Transbay Block 2A Family Housing Project), to a subsidiary of Mercy Housing California.

B. On January 30, 2023, the State of California's Strategic Growth Council and the Department of Housing and Community Development issued a Notice of Funding Availability, under the Affordable Housing and Sustainable Communities (AHSC) Program established under Public Resources Code Sections 75200, et seq. The AHSC Program provides grants and loans to applicants identified through a competitive process for the development of projects that, under the Program Guidelines, will achieve greenhouse gas reductions and benefit disadvantaged communities through increased accessibility to affordable housing, employment centers, and key destinations via low-carbon transportation.

C. MOHCD identified the Transbay Block 2A Family Housing as a strong candidate for AHSC Program funding.

D. SFPW has identified qualified sustainable bicycle and pedestrian improvements, which include Transbay Howard Streetscape from 4<sup>th</sup> Street to Embarcadero for Transbay Block 2A Family Project (Transbay Block 2A Family Bike/Ped Improvements).

E. Transbay Block 2A Family Project with a subsidiary of Mercy Housing California, which includes the Transbay Block 2A Family Project and the Transbay Block 2A Family Bike/Ped Improvements. MOHCD will request up to \$35,000,000 for the Transbay Block 2A Family Project and up to \$3,500,000 for the Transbay Block 2A Family Bike/Ped Improvements in the AHSC application for SFPW's work.

F. Should the State approve the respective applications and award all grants, including the funds for the Transbay Block 2A Family Bike/Ped Improvements, such grant funds will be delivered to SFPW, on a reimbursement basis, for SFPW's work on the Bike/Ped Improvements.

NOW, THEREFORE, the parties agree as follows:

## AGREEMENT

1. Award Amounts. For the Transbay Block 2A Family, OCII will receive up to \$35,000,000 of the award for the Transbay Block 2A Family Housing Project, and SFPW will receive up to \$3,500,000 for the Transbay Block 2A Family Bike/Ped Improvements. Each of the respective City agencies must comply with State regulations and guidance governing the disbursement of the AHSC funds.

2. Project Collaboration. In order for the Housing Projects to successfully utilize Bike/Ped Improvements, MOHCD and SFPW must collaborate effectively, and both agencies must have authority to review applications for funding related to the GHG reduction goals of the AHSC program. In furtherance of such goals, MOHCD and SFPW will each designate a single Project Manager for the Bike/Ped Improvement Projects, who will serve as the points of contact for communications relating to all of the Bike/Ped Improvement Projects and will be primarily responsible for coordinating the review, comments and approvals of their respective agencies relating to the matters described in this MOU. While MOHCD will have overall responsibility for all aspects of the development of the Housing Projects, SFPW will retain control of the Bike/Ped Improvement Projects.

a. Community Engagement. MOHCD will be solely responsible for community engagement and building community support related to the Housing Projects. MOHCD will notify SFPW in advance of any public meeting regarding the Housing Projects, and MOHCD and SFPW will collaborate to provide timely information to the public. SFPW will be solely responsible for community engagement and building community support related to the Bike/Ped Improvements. SFPW will notify MOHCD in advance of any public meeting regarding the Bike/Ped Improvements, and MOHCD and SFPW will collaborate to provide timely information to the public.

b. Affordable Housing Development Plan. MOHCD will be primarily responsible for coordinating the development plans with Mercy Housing California (Transbay Block 2A Family Housing Project).

c. Bike/Ped Improvements. Subject to completion of environmental review of the Bike/Ped Improvements and selection of any or all Bike/Ped Improvements for implementation, SFPW will be responsible for implementing the projects and coordinating any such implementation with the developers of the respective development projects.

d. Project Costs. MOHCD will assume all development costs associated with the Housing Projects. SFPW will not be responsible for any development costs of the Housing Projects other than its own staff time, and will be responsible for all costs directly associated with the consultation, advice, review, and possible implementation of the Bike/Ped Improvements (Bike/Ped Improvement Costs or Costs).

e. Joint and Several Liability. The City, acting through MOHCD, shall

assume any joint and several liability (with the respective developers) for completion of the Bike/Ped Improvements required by the terms of any grant awarded under the AHSC Program. MOHCD shall assume any joint and several liability for completion of Housing Projects required by the terms of the grants awarded under the AHSC Program.

f. Costs Reimbursement for Bike/Ped Improvements. MOHCD will submit work authorization(s) or work order(s), as required by the Controller, to SFPW for all incurred Bike/Ped Improvement Costs. SFPW will charge MOHCD and provide appropriate backup documentation (e.g., invoices from contractors). SFPW will be responsible for any costs that may be disallowed by the AHSC Program.

3. Term. The term of this MOU shall commence on the Effective Date and terminate upon completion of the AHSC requirements for the Bike/Ped Improvements, should they be implemented. In addition, MOHCD and SFPW agree that if the Bike/Ped Improvements are infeasible for any reason at any time prior to execution of the commitment from AHSC (the Standard Agreement), then either party may terminate this MOU upon written notice to the other.

4. Notices. All notices, demands, consents or approvals that are or may be required to be given by either party to the other under this MOU shall be in writing and shall be deemed to have been fully given when delivered in person, and addressed as follows:

If to the SFDPW:                      San Francisco Public Works  
49 South Van Ness Avenue, 17th Floor  
San Francisco, CA 94103

Attn: Eric D. Shaw, Director  
Eric.Shaw@sfgov.org

or such other address that a party may from time to time designate by notice to the other parties given pursuant to the provisions of this Section.

5. Authority. All matters requiring MOHCD's approval shall be approved by the Director of MOHCD or his or her designee. All matters requiring SFPW's approval shall be approved by SFPW's Director or his or her designee.

6. Cooperation. SFPW and MOHCD acknowledge and agree that the Housing Projects and the Bike/Ped Improvements are in the predevelopment phase, and that some of the Bike/Ped Improvements have not undergone environmental review. Should the Bike/Ped Improvements be selected for implementation, SFPW and MOHCD shall use reasonable efforts

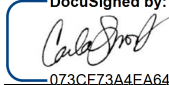

to do, or cause to be done, all things reasonably necessary or advisable to complete the Bike/Ped Improvements according to the terms of the State's Standard Agreement. Notwithstanding anything to the contrary in this MOU, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the actions described in this MOU, including, without limitation, the discretion to eliminate or substitute all or any portion of the Bike/Ped Improvements.

7. Miscellaneous. (a) This MOU may be amended or modified only by a document signed by SFPW's Director, or his or her designee, and the Director of MOHCD, or his or her designee. (b) No waiver by any party of any of the provisions of this MOU shall be effective unless in writing and signed by the party's authorized representative, and only to the extent expressly provided in such written waiver. (c) This MOU (including all exhibits) contains the entire understanding between the parties as of the date of this MOU, and all prior written or oral negotiations, discussions, understandings and agreements are merged herein.

IN WITNESS WHEREOF, the parties have caused this MOU to be executed as of the date first written above.

## **AHSC IMPLEMENTATION AND MUTUAL INDEMNITY AGREEMENT (Transbay 2 East Family)**

THIS AHSC IMPLEMENTATION AND MUTUAL INDEMNITY AGREEMENT (the “Agreement”) is made and entered into as of April 3, 2023 between the San Francisco Bay Area Rapid Transit District, a rapid transit district pursuant to Public Utilities Code Section 28500 et seq., (“District” or “BART”), and Mercy Housing California, a California nonprofit public benefit corporation (“Developer,” and collectively with the District, the “Parties,” or individually, a “Party”) upon the basis of the following facts, understanding, and intentions of the parties:

A. The State of California, the Strategic Growth Council (“SGC”) and the Department of Housing and Community Development (“HCD”) issued a Notice of Funding Availability dated January 30, 2023 (the “AHSC NOFA”), under the Affordable Housing and Sustainable Communities (“AHSC”) Program established under Division 44, Part 1 of the Public Resources Code, commencing with Section 75200.

B. Developer and City of San Francisco, as co-applicants, are applying for AHSC Funds in response to the AHSC NOFA to provide funding for (A) construction of the Transbay 2 East Family affordable housing project in San Francisco, California, to be constructed by the Developer (the “Housing Project”); (B) the provision of certain sustainable transportation infrastructure by the District (the “BART STI Improvements”); (C) the construction of certain transportation-related amenities by the District (the “BART TRA Improvements”; and (D) certain costs related to purchase of SF MUNI “A” transit passes for Housing Project residents allowing use of BART within San Francisco, the creation and maintenance of a bicycle, pedestrian, and transit education program, and funding to support local workforce development efforts (the “AHSC Programs”), together with other sustainable transportation infrastructure to be constructed by the City of San Francisco, which are not pertinent to this agreement (the “Non-BART Transportation Projects”). These improvements are described in more detail in the final application to be submitted by April 4, 2023 (collectively, the “AHSC Application”).

C. The AHSC Application seeks an award to the Developer in an aggregate amount of up to \$40,960,743 in AHSC Funds consisting in part of: (A) up to \$28,000,000 of AHSC loan Funds for a permanent loan (“AHSC Loan”) which will be disbursed to a limited partnership to be formed later or its successor (the “Partnership”), for construction of the Housing Project; (B) \$5,034,634 of the AHSC grant funds for the purpose of reimbursing the cost of the BART STI Improvements; (C) \$1,581,119 of AHSC grant funds for the purpose of reimbursing the cost of the BART TRA Improvements; and (D) up to \$6,345,624 of AHSC grant funds for reimbursing the costs of the AHSC Programs. The AHSC grants shall be referred to collectively as the “AHSC Grants.” The AHSC Loan and the AHSC Grants are collectively referred to herein as the “AHSC Financing.”

D. The District and Developer are required to enter into this Agreement in order to comply with the specific AHSC Program Threshold Requirement stated in Section 106(a)(12)(A) of the 2023 AHSC Program Guidelines dated December 15, 2022 (the “Transportation Agency Prior Experience Threshold Requirement”). This section of the guidelines dictates that applicants

must demonstrate prior experience by providing evidence of at least two prior projects that are similar to the proposed AHSC project in scope and size, which have been completed by the applicant, or joint applicant, during the ten (10) years preceding the application due date. This section of the guidelines also states that the applicants may demonstrate the requisite experience by using the past experience of work completed of a non-applicant so long as the applicants can provide an executed agreement with that specific non-applicant for the completion of the related work in the AHSC Application for which funding is sought. The purpose of this Agreement is to, amongst other things, comply with the Transportation Agency Prior Experience Threshold Requirement.

E. The District is a non-applicant, but, as set forth herein, will have obligations to perform the following specific BART STI Improvements and BART TRA Improvements included in the AHSC Application (collectively, the “Transit Obligations”):

1. BART STI Improvements: Purchase of two new capacity-increasing heavy rail cars to extend the length of trains, increase the number of trains operating through the Transbay Tube during peak, and maximize throughput capacity across the BART network.
2. BART TRA Improvements: BART will install 17 Next Generation Fare Gates at Embarcadero BART Station as part of an effort to upgrade all fare gates throughout its system. The Next Generation Fare Gate design incorporates a tall, swing-style gate with improved passenger throughput and maintainability, and a more modern appearance.

F. The District can demonstrate prior experience and provide evidence of at least two prior projects that are similar in scope and size which have been completed during the ten (10) years preceding April 4, 2023. Below is a list of these projects:

1. STI: Rail Car Procurement Program: On November 8, 2017, under a contract to Bombardier Transit Corporation for the procurement of new rail cars, BART’s first replacement rail cars were delivered. As of January 2023, BART has accepted 451 Fleet-of-the-Future rail cars and decommissioned 239 legacy rail cars as part of an overall program to not only replace but expand its fleet.

2. STI. eBART DMU: Procurement of eight Diesel Multiple Unit (DMU) Vehicles to serve BART to Antioch extension. The vehicles include a variety of amenities including high-back seats, six digital signs (with multiple language support), automated audio announcements, clear station arrival / destination signs, and modern climate control systems. Project Cost: ~\$65M. Completed May 2018.

3. TRA: Concord BART Station Plaza Improvements: An upgrade of the exterior public spaces surrounding the Concord BART station entrance for a more context-sensitive design that improves the safety and livability of the station area. The project improved multimodal transfer waiting areas and enhanced pedestrian and bicycle connections to surrounding neighborhoods. Areas improved included the existing plaza and pedestrian paseo to the west of the station, bus transfer area, station entrance and ticket vending area, and pedestrian connections east of the station. Completion date: July 27, 2018.

4. TRA. Warm Springs/South Fremont Station: As part of the overall station construction, installation of bicycle lockers and racks, wayfinding, pedestrian-scale lighting, and continuous canopies along the bus intermodal that serve as bus shelters. Project cost: ~\$90M. Completed: March 2017.

G. Subject to receipt of an award of the AHSC Financing, the District shall be responsible for completing the Transit Obligations, and for all costs and expenses related thereto, and Developer shall be responsible for constructing and developing the Housing Project and for providing the AHSC Programs (together, the “Developer Obligations”), and for all costs and expenses related thereto. In connection with the AHSC Grants and AHSC Loan, Developer is required to enter into standard agreements, reimbursement agreements, and regulatory agreements with HCD where Developer will be liable for the full and timely performance by the parties to complete the obligations set forth therein, including completion of the Developer Obligations, Transit Obligations, and Non-BART Transportation Projects, as described in the AHSC Application. The AHSC Application and all standard agreements, disbursement agreements, regulatory agreements and any other agreements required by HCD in connection with the AHSC Financing shall be collectively referred to herein as the “AHSC Documents.”

H. The District and Developer each acknowledge and agree that the inability or failure by either party to fully and timely complete each party’s respective improvements required by the AHSC Documents may affect the timing and right of the other party to receive reimbursement of AHSC funds due the other party notwithstanding the other party’s full and timely performance of its obligations.

NOW, THEREFORE, in consideration of the recitals, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

## AGREEMENT

1. Obligations. The District shall, in its sole responsibility, complete the Transit Obligations in accordance with the terms of the AHSC Documents and the approved design and construction documents. The Developer shall, in its sole responsibility, complete the Developer Obligations in accordance with the terms of the AHSC Documents and the approved design and construction documents. Each Party will provide the other Party with copies of all requisitions for work related to their respective work, the notice of completion, and other documents related to their respective work that another party may reasonably request.

2. District Indemnity. District is responsible for carrying out the Transit Obligations using AHSC grant proceeds in accordance with the AHSC Documents, including, but not limited to, any disbursement deadlines contained therein. District shall indemnify, defend, and hold harmless Developer, and its affiliates, directors, officers, partners, members, agents and employees (each, an “Developer Indemnified Party”) against any and all claims, actions, suits, causes of action, losses, liabilities, injuries, costs, damages, or expenses (collectively, “Claims”), including, without limitation, any direct, indirect or consequential loss, liability, damage, or expense, court costs and attorneys’ fees, arising out of or in connection with the District’s performance of or failure to perform its obligations to complete the Transit Obligations, in the manner and within the time periods set forth in the AHSC Documents.

However, in no event shall the Developer Indemnified Party be indemnified hereunder for any Claims to the extent said Claims result from Developer Indemnified Party's gross negligence or willful misconduct. District agrees to pay all of the Developer Indemnified Party's costs and expenses, including reasonable attorneys' fees, which may be incurred in any effort to enforce any term of this Agreement, including, but not limited to, all such costs and expenses which may be incurred by any Developer Indemnified Party in any legal action, reference or arbitration proceeding brought by HCD or other third party.

3. Developer Indemnity. Developer is responsible for carrying out the Developer Obligations using AHSC grant proceeds and AHSC Loan funds in accordance with the AHSC Documents, including, but not limited to, any disbursement deadlines contained. Developer shall indemnify, defend, protect, and hold harmless the District and its affiliates, directors, officers, partners, members, agents and employees (each, an "District Indemnified Party") against any and all Claims, including, without limitation, any direct, indirect or consequential loss, liability, damage, or expense, court costs and attorneys' fees, arising out of or in connection with Developer's performance of or failure to perform its Developer Obligations to complete construction and development of the Housing Project, in the manner and within the time periods, set forth in the AHSC Documents. However, in no event shall the District Indemnified Party be indemnified hereunder for any Claims to the extent said Claims result from the District Indemnified Party's gross negligence or willful misconduct. Developer agrees to pay all of the costs and expenses of the District Indemnified Party, including reasonable attorneys' fees, which may be incurred in any effort to enforce any term of this Agreement, including, but not limited to, all such costs and expenses which may be incurred by any District Indemnified Party in any legal action, reference or arbitration proceeding brought by HCD or other third party.

4. Schedule of Performance; Progress Reports. Developer and District shall comply with the schedule of performance set forth in Exhibit A attached hereto for the completion of their respective obligations hereunder (the "Schedule of Performance"). The District and Developer agree to give the other Party a written quarterly status report on the progress toward the milestones listed in Exhibit A, i.e., the Developer will report on the Developer's progress on the Housing Project and the District will report on the District's progress on the Transit Obligations. If any Party anticipates not meeting the targeted construction and grant disbursement milestones as established in the AHSC Documents, that Party will promptly notify the other Party in writing and will meet with the other Party to discuss the reasons why the milestone dates may not be met and what actions the delayed Party intends to take to meet the milestones or otherwise rectify the work schedule in order to maintain good standing with the terms and conditions established in the AHSC Documents.

5. Delegation. Notwithstanding the obligations of each Party under this Agreement, each Party shall be entitled to enter into sub-agreements with each other or with other parties to provide any assistance or services needed for each Party to perform its obligations under this Agreement and the AHSC Documents.

6. Cost Overruns. Developer shall be responsible for paying all costs required to complete the Developer Obligations, irrespective of whether such costs exceed the AHSC Loan. District shall be responsible for paying all costs required for the Transit Obligations, irrespective of whether such costs exceed the portion of the AHSC Grant designated for the Transit

Obligations. Neither party is responsible for cost overruns on the Non-BART Transportation projects.

7. Billing and Payment Procedure: The District shall submit to Developer all reimbursement requests in the form of invoices for the costs associated with the Transit Obligations. Invoices will include backup documentation as required by HCD and a cover sheet indicating the budget line item from which each cost shall be drawn. Once the AHSC Grant Disbursement Agreement is executed, Developer shall submit corresponding reimbursement requests to HCD within 15 days of receipt of District's invoice (or such later date as may be required by HCD, but in any event within 45 days after receipt of the District's invoice) and disburse to the District any such funds received from HCD within 7 days of receipt. District shall apply any such funds received to pay the expenses submitted in connection with the invoices and shall comply with all HCD requirements under the AHSC Documents governing the disbursement and use of AHSC Grant funds. Failure of the Developer to timely submit the District reimbursement requests to HCD or to disburse any funds received from HCD within the time period required herein for the Transit Obligations to the District shall be a default under this Agreement and shall excuse the District from performance of the Transit Obligations.

8. Implementation Agreements. In the event a grant award is received from AHSC, the Parties recognize that each Party may need additional assurances from another Party (including assurances for the Housing Project's lenders and investors) regarding the AHSC Grant and AHSC Loan before commencement of construction of the Housing Project and the Transit Obligations. The Parties agree to cooperate with each other to reach mutual agreement on amendments to this Agreement, other implementation agreements or estoppel certificates necessary to provide reasonable assurances and indemnifications related to the disbursement of AHSC Grant funds. The Parties recognize that any such amendments to this Agreement or execution of additional agreements may require approval of the District's Board of Directors and Developer's Board of Directors.

9. Notices. Formal notices, demands, and communications between the Parties shall be sufficiently given if, and shall not be deemed given unless, dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by express delivery service, return receipt requested, or delivered personally, to the principal office of the Parties as follows:

10. Events of Default. The occurrence of any of the following events shall constitute an Event of Default under this Agreement:

(b) A Party purports to revoke this Agreement or this Agreement becomes ineffective for any reason.

11. Termination. This Agreement shall terminate upon the earlier of: (i) completion of all obligations under the AHSC Documents; or (ii) mutual agreement of the Parties hereto.

13. Assignment. In the event Construction Lender forecloses upon the Collateral, District hereby agrees that Construction Lender shall have all of Developer's rights and interests under the Agreement. Construction Lender is hereby made an express third party beneficiary of this Section 13, and the parties hereto shall not amend, modify or terminate the Agreement without Construction Lender's express written consent.

14. Miscellaneous.

(a) Nothing in this Agreement shall be construed to limit any claim or right which any Party may otherwise have at any time against an Indemnitor or any other person arising from any source other than this Agreement, including any claim for fraud, misrepresentation, waste, or breach of contract other than this Agreement, and any rights of contribution or indemnity under any federal or state environmental law or any other applicable law, regulation, or ordinance.

(b) If any Party delays in exercising or fails to exercise any right or remedy against a Party, that alone shall not be construed as a waiver of such right or remedy. All remedies of any Party against the other Party are cumulative.

(c) This Agreement shall be binding upon and inure to the benefit of each of the Parties hereto and their respective representatives, heirs, executor, administrators, successors, and assigns. This Agreement may not be amended except by a written instrument executed by the Parties hereto.

(d) This Agreement shall be deemed to have been delivered and accepted in the State of California and governed exclusively by the internal substantive laws of the State of California as the same may exist at the date hereof. The Parties hereto agree that any action hereon between the parties and their successors in interest may be maintained in a court of competent jurisdiction located in the State of California, and consent to the jurisdiction of any such California court for the purposes connected herewith.

(e) Each Party hereto intends that this Agreement shall not benefit or create any right or cause of action in or on behalf of any person other than the Parties hereto.

(f) This Agreement may be executed in multiple counterpart copies, any one of which when duly executed, with all formalities hereof, shall be fully binding and effective as the original of this Agreement.

(g) This Agreement shall be effective as of the date first written above, provided however that in the event that the parties do not receive an award of the AHSC Funds, this Agreement shall automatically terminate and be of no further force or effect.

Program Name:	San Francisco Bike Coalition - Bike Safety					Address:	200 Folsom St							
City:	San Francisco		Zip Code:	94105		County:	San Francisco		Proposed program type	Transportation encouragement and safety				
Program Description														

The PGM, administtered by the SF Bike Coalition, will provide safety education training programs that may include but are not limited to bike safety workshops, bike repair workshops, walking school buses or other group walking activities, Safe Routes to School, or Transit. Training programs will include distribution of items including but not limited to bicycles, helmets, other safety equipment, or lights, to low income residents of the Project Area. Programs and giveaways will be advertised broadly in the project area and in more than one language.

Who are the targeted users for the Program

The targeted users are low-income residents and workers in the Project Area who are unfamiliar with bicycle safety and maintenance. The targeted users are also unable to afford their own bicycle, or perhaps unable to afford the safety equipment that would keep them and their bicycle safe in an urban environment.

Project Overview

V1 1/30/23

What is the issue or need that the Program is attempting to address, and how will it successfully address this issue or need?

Biking is a viable mode of transit in this project area, yet the purchase and maintenance of a quality bicycle and the accompanying safety equipment is out of reach for many low income residents and workers. This PGM is specifically targeted to low-income people, to properly equip them and give them the skills to be confident cyclists. This will be completed with targeted training on bicycle maintenance and repair, and also by no-cost distributions of bikes and equipment that are ready for use.

City:

San Francisco

Zip Code:

94105

County:

San Francisco

Proposed program type

Transportation encouragement and safety

Program Description

Each of the restricted units will be provided with one (1) free transit pass for three years. Each card or pass will have a minimum value of 40 average commute length rides a month as determined by the transit agency.

Who are the targeted users for the Program

The targeted users are the residents of the AHD. To encourage transit ridership, the free passes will remove financial barriers to utilizing transit options in the Project Area.

What is the issue or need that the Program is attempting to address, and how will it successfully address this issue or need?

High quality transit is expensive for hourly workers. The annual cost of a transit pass for AHD residents at this community is \$1,176. This burden will be eased for the first three years of the project, allowing new transit patterns to be formed, savings to be built, and jobs to stabilize.

Proposed program type

Anti-displacement activities

Program Description

Eviction Defense Collaborative (EDC) supports tenants struggling with rent increases, evictions, housing discrimination and landlord harassment by providing them with free legal representation when they cannot afford to pay for an attorney. For 27 years, EDC has been the only agency in San Francisco (SF) solely dedicated to eviction prevention, processing 99% of all the eviction notices filed in the city. EDC's wraparound service model includes legal services for eviction defense, rapid emergency rental assistance and subsidies for those at risk of eviction and displacement, and advocacy for unhoused San Franciscans facing eviction from City shelters. Since 2019, EDC has served as the lead partner with the City of San Francisco for the implementation of SF Tenant Right to Counsel (TRC), which guarantees all San Francisco tenants full scope legal representation in an eviction matter. In this role, EDC coordinates and oversees the work of 9 legal service organizations comprising the city-wide TRC system.

Who are the targeted users for the Program

EDC primarily serves low income BIPOC tenants and City shelter residents. In FY 21-22 EDC served 1722 unduplicated clients served of whom 84% were BIPOC; 48% were people with disabilities; 84% live at two times below the poverty level: \$27,180 for a single member household; 18% were seniors; 14.4 % self identified as LGBTQIA+ and 3.7% as Trans/Non binary.

What is the issue or need that the Program is attempting to address, and how will it successfully address this issue or need?

San Francisco's longstanding housing crisis is one of the most dire nationwide. Housing costs for San Francisco residents are among the highest in the world. Similar-size cities such as Seattle, Denver and Austin, Texas, have approved construction for three to four times as many residential units as San Francisco since 2015, according to U.S. census building permit data. From 2015 to 2021, the city permitted 24,600 units to be built, a little over 3,500 units annually. A review of six years worth of building permit data for 15 cities with populations between 600,000 and 1.1 million people found that San Francisco ranked in the bottom half. The crisis is formed by multiple factors including: the critical lack of affordable housing, ever worsening displacement, and the impact of COVID-19. The city's current housing crisis is projected to worsen through 2030. The city's current housing crisis is projected to worsen through 2030.

Workforce Development

Program Description

CHEFS: Launched in 1998, Conquering Homelessness through Employment in Food Services (CHEFS) is a 10-week stipend-supported culinary workforce training program focused on assisting individuals experiencing homelessness looking to begin or resume a career in the foodservice industry;  
SSSET is a 9-week modified learn-and-earn program for individuals with lived experience of homelessness that incorporates job readiness, hard skills, and 3 weeks of job shadowing, tailored to the requisite competencies for placement and advancement in the nonprofit social services sector, with an emphasis on homeless services employers, including ECS.

Who are the targeted users for the Program

Project Overview

V1 1/30/23

Single adult jobseekers experiencing, at risk of, or with a history of homelessness in San Francisco, and particularly the South of Market neighborhood, where the provider is located. This population includes but is not limited to individuals with multiple barriers to employment and housing, such as substance use disorder, mental health diagnoses, disability diagnoses, history of incarceration, low rates of formal education, and underserved populations (BIPOC, LGBTQIA+).

What is the issue or need that the Program is attempting to address, and how will it successfully address this issue or need?

By providing appropriate training pathways, this programming will ensure that individuals with lived experience of homelessness and other barriers to employment receive the necessary services they need to successfully enter, participate in and complete workforce and education programs and subsequently enter, be retained and advance in the labor market, while addressing socioeconomic disparities. In short, this program aims to support a workforce that satisfies current hiring needs and equity goals of employers, as well as prepare a pipeline that can readily supply talent to meet employer’s long-term goals; cultivate referral partnerships with ECS programs and peer agencies to supply regular referrals; cultivate employer relationships

(a)	0.6% of New construction costs (structures excluding contractor profit, overhead, and materials) - capped at \$500 per unit: (This is a placeholder for rehab projects and may be subject to higher rates for certain projects)
(b)	Replacement Reserve Amount = <i>New construction: lesser of (a) and (b); Rehab: (b) minus (a)</i> HCD Required Replacement Reserve Amount - <i>included in "Operating budget" tab</i>

If Reserve amounts are different than the required amount, enter Reserve amounts and hold

There is an error in the calculation for replacement reserve. The 3 month reserve requirement is for the construction project. The total sum would be \$886,840 and not \$1,090,713. The reserve amount is for the replacement of the equipment that is being carried for operations.

Does the Project propose use of Project-based rental assistance?

The Department may rescind this Conditional Award if the Department discovers, at any time prior to disbursement of the Conditional Award, that the Applicant Representations included material misrepresentations or omissions, regardless of whether or not such misrepresentations or omissions were innocent, unintentional, and/or based upon belief.

While entities may choose to use modified language in their resolutions, Sponsors should be aware that this may delay preparation of the Standard Agreement or, if deemed insufficient, may result in the need to submit a revised resolution.

At any point prior to disbursement, the Department may also require the Awardee(s) to resubmit Authorization and Organizational Documents if the original submittals were determined to be inaccurate or incomplete.

Notice of Funding Availability (Round 7)**

The California Strategic Growth Council (SGC) and the California Department of Housing and Community Development (Department or HCD) are pleased to announce the release of this Notice of Funding Availability (NOFA) with **approximately \$750 million** in funds for the Affordable Housing and Sustainable Communities (AHSC or Program) program. This funding provides loans and grants to Localities, Developers, public housing authorities, transit agencies, transit operators, Program Operators, Tribal Entities, and others as identified in the Guidelines.

AHSC furthers the purposes of [AB 32](#) (Chapter 488, Statutes of 2006), [SB 375](#) (Chapter 728, Statutes of 2008), and [SB 32](#) (Chapter 249, Statutes of 2016) in that the purpose of AHSC is to reduce greenhouse gas (GHG) emissions through projects implementing land-use, housing, and transportation improvements to support infill and compact development, while supporting related and coordinated public policy objectives. Funding for AHSC is provided from the Greenhouse Gas Reduction Fund (GGRF), an account established to receive Cap-and-Trade auction proceeds.

## I. Overview

### A. Notice of Funding Availability

The Strategic Growth Council (SGC) and the California Department of Housing and Community Development (Department or HCD) hereby announce the availability of approximately \$750 million in funding for the Affordable Housing and Sustainable Communities (AHSC) program. AHSC is administered by SGC and implemented by the Department. The California Air Resources Board (CARB) provides the quantification methodology for determining the greenhouse gas (GHG) emissions reductions for AHSC.

These AHSC funds will be used for loans or grants, or a combination thereof, to projects that will achieve GHG emissions reductions to benefit communities throughout California, particularly through increasing accessibility to affordable housing and Key Destinations via low-carbon transportation, resulting in fewer vehicle miles traveled through shortened or reduced trip length or mode shift from single occupancy vehicle use to transit, bicycling, or walking.

### B. Timeline

<b>NOFA Release</b>	<b>January 30, 2023</b>
<b>Application Due Date</b>	<b>April 4, 2023, by 4:00 p.m. PDT</b>
<b>Award Announcement</b>	<b>August 2023</b>

### C. Authorizing Legislation and Regulations (Regulatory Authority)

AHSC furthers the purposes of [AB 32](#) (Chapter 488, Statutes of 2006), [SB 375](#) (Chapter 728, Statutes of 2008), and [SB 32](#) (Chapter 249, Statutes of 2016). Applications submitted under this NOFA and available funds are subject to the AHSC Guidelines approved by the SGC on December 15, 2022, and as published on the SGC's AHSC website at <https://sgc.ca.gov/programs/ahsc/resources/guidelines.html>

The Guidelines include detailed information on eligibility requirements, application selection criteria, established terms, conditions, and procedures for funds awarded under AHSC. Applicants are encouraged to carefully review the Guidelines and information contained in this NOFA before submitting applications.

## II. Program Requirements

The following is provided as a summary and is not to be considered a complete representation of the entirety of the eligibility, threshold, or other requirements or terms and conditions of the AHSC program. Please note that capitalized words in this NOFA are either defined herein or in the Program Guidelines. Please refer to the Guidelines for complete information.

### A. Eligible Applicants

Applicants must be eligible pursuant to Guidelines Section 105, Eligible Applicants.

### B. Eligible Projects

Eligible Projects must fall into one of the following three eligible Project Area Types:

- Transit Oriented Development (TOD) Project Area Type
- Integrated Connectivity Project (ICP) Area Type
- Rural Innovation Project Area (RIPA) Type

For a detailed list of all eligible costs, please refer to Guidelines Section 103, Eligible Costs.

### C. Program Funding Amounts and Terms

1. **AHSC funding award maximum:** For projects without other HCD awards, the maximum AHSC loan or grant award, or combination thereof, is \$50 million, with a minimum award of \$10 million. For these projects, the maximum Affordable Housing Development loan amount is \$35 million, and the maximum cumulative per Project grant amount is \$15 million.

Additionally, for Projects that have or will have other HCD funding, the maximum cumulative per-project award of all HCD loan sources for housing development is \$35 million.

2. **AHSC funding award maximum:** A single Developer may receive no more than \$100 million per NOFA funding cycle. This limitation may be waived by SGC, if necessary, to meet statutory requirements referenced in Guidelines Section 108, Application Process.
3. **Terms of assistance:** Assistance terms and limits are set forth in Guidelines Section 104, Assistance Terms and Limits. Loans for rental Affordable Housing Developments (AHD) are subject to requirements set forth in Guidelines Section 104(b). Grants are subject to the terms and requirements set forth in Guidelines Section 104(c).

### D. Transition Reserve

Projects having or proposing project-based rental assistance shall comply with the

Department's Pooled Transition Reserve Policy set forth in HCD's Administrative Notice No. 23-01: <https://www.hcd.ca.gov/sites/default/files/docs/grants-and-funding/hcd-administrative-memo-transition-reserve-policy.pdf>

## **E. Funding Goals, Geographic Distribution of Funds, and Set-Asides**

The Project Area Type funding goals, geographic goals, Tribal Entity goals, Affordable Housing statutory requirements, funding targets, and AHSC statutory funding set-asides are set forth in Guidelines Section 108(h). Additional policies that may impact the final decision of Project awards are set forth in Guidelines Section 108(i).

## **F. Funding Limits**

Use of multiple HCD funding sources on the same Assisted Units is permitted, subject to the following limitations. (For the purpose of identifying funding limits, Units used in the calculation of AHSC grant amounts will be considered assisted):

1. Notwithstanding any conflicts with the AHSC Guidelines or NOFA, the HCD Repeal of Stacking Prohibition of Multiple Department Funding Sources Memorandum, dated August 20, 2021, is applicable. In the event of a conflict, the NOFA or Guidelines will prevail.
2. Total HCD funding per Project, including funds awarded under this NOFA, shall not exceed the following percentages of the total development cost (TDC):
  - < 40 percent of TDCs for Projects utilizing 9 percent tax credits
  - < 50 percent of TDCs for Projects utilizing 4 percent tax credits
  - < 80 percent of TDCs for Projects not utilizing tax credits

For purposes of calculating total HCD funding, all AHD and Housing Related Infrastructure (HRI) funding shall be considered. Additionally, prior awards made to the Project or any component of the Project, any funds awarded pursuant to this NOFA, and any applicable future HCD awards subsequent to any award made pursuant to this NOFA shall be considered. Note that total HCD funding, for these purposes, does not include STI, TRA, or PGM grants.

All Department funding sources listed in the HCD Repeal of Stacking Prohibition of Multiple Department Funding Sources Memorandum [https://www.hcd.ca.gov/grants-funding/docs/admin\\_memo21-06\\_stacking\\_prohibition\\_repeal.pdf](https://www.hcd.ca.gov/grants-funding/docs/admin_memo21-06_stacking_prohibition_repeal.pdf) dated August 20, 2021, are applicable to the percentages of total development cost listed above. For AHSC, these sources include AHD loans and HRI grants, but not STI, TRA or PGM grants. This HCD-wide Department funding cap applies not only to AHSC Round 7 awards, but to all Department awards.

At the sole discretion of the SGC's Executive Director, funding levels in excess of the percentages above may be approved as exceptions to the limits if they

uniquely advance state policy priorities. Examples include large development Projects that include transformative community investments and advance climate goals through infill development, high density construction and proximity to transit.

To request an exception, the Applicant must submit justification prior to their application under this NOFA. It is in the Applicant's interest to submit justification as early as possible. After justifications are submitted, a recommendation from staff will be made based upon the strength of evidence and submitted to the SGC Executive Director for consideration. If approved, Applicants must submit documentation of approval with any subsequent Department applications for the applicable Project. A form for outlining the justification of the exception request will be provided by the Department.

## **G. Cost Limitations and Developer Fee**

Developer fee limits specified in UMR Section 8312 shall apply, except that:

1. UMR Section 8312(d) shall not apply.
2. For non-tax credit new construction Projects, the total developer fee shall not exceed the following:
  - a. For Projects with 49 or fewer Restricted Units (excluding Units restricted at levels above 60 percent of AMI): the greater of \$40,000 per Restricted/manager's Unit or \$1,200,000.
  - b. For Projects with between 50 and 100 Restricted Units (excluding Units restricted at levels above 60 percent of AMI): \$2,200,000; and
  - c. For Projects with more than 100 Restricted Units (excluding Units restricted at levels above 60 percent of AMI): \$2,200,000 plus \$20,000 per Restricted Unit in excess of 100 up to a maximum of \$3,500,000. The developer fee in excess of \$2,200,000 must be deferred. Payment of deferred developer fee shall be in compliance with UMR Section 8314.
3. For Projects utilizing 4 percent tax credits, developer fee payments shall not exceed the amount that may be included in Project costs pursuant to Title 4 California Code of Regulations (CCR), Section 10327(c)(2)(B); and
4. Projects that include a Tribal Entity that relies on a partner to meet the experience requirements of an eligible Developer shall have their allowable total developer fee increased according to the following:
  - a. For non-tax credit Projects, an increase of \$300,000 over the limits set forth in (b)(2) (a)-(c) above. Additionally, for Projects with more than 100 Units as defined above in (b)(2)(c), the developer fee paid from sources may increase up to \$2,640,000.

- b. For Projects utilizing 4 percent tax credits, an increase consistent with Title 4 CCR, Section 10327(c)(2)(E), if eligible pursuant to that section.

## **H. Threshold**

In addition to meeting the requirements of the Guidelines, as described in paragraphs A, B, and C above, Applicants and Projects are also required to meet the Program threshold requirements established in Section 106, Program Threshold Requirements of the Guidelines.

1. For projects secured by leasehold security, leases must meet the requirements of UMR §8316, and both the Borrower and the fee owner of the property must execute the Department's form template lease rider without modification. The lease rider amends the lease and must be recorded on the fee estate.

## **I. Scoring and Ranking**

Applications will be scored according to Guidelines Section 107, Scoring Criteria. AHSC funds will be allocated through a competitive process, based on the merits of the application, as detailed in Section 108, Application Process.

## **J. Negative Points and Disencumbrance Policies**

The Department's Negative Points Policy ([Administrative Notice Number 2022-01](#)) and Disencumbrance Policy ([Administrative Notice Number 2022-02](#)), dated March 30, 2022 or as amended and in effect prior to the established application due date which are published on the Department's website at <https://www.hcd.ca.gov/sites/default/files/2022-03/Disencumbrance-Policy-FINAL-03-31-22.pdf> are hereby incorporated by this reference to this NOFA. The Department shall apply the Negative Points Policy with equal force as all other provisions set forth herein. The Department shall implement the Negative Points Policy with reasonable and necessary discretion to advance AHSC policy and funding goals.

If the Applicant is subject to a negative points assessment based on the criteria outlined in the Department's Negative Points Policy or is determined to be ineligible for funding, HCD shall notify the Applicant in writing in the initial point score letter.

## **III. Application Submission and Review Procedures**

Applications must meet eligibility requirements upon submission (except as expressly indicated in the Guidelines or Application Workbook). Modification of the application forms by the Applicant is prohibited. It is the Applicant's responsibility to ensure the application is clear, complete, and accurate. After the application deadline, Department staff may request clarifying information, provided such information does not affect the competitive rating of the application. No information, whether written or oral, will be solicited or accepted if this information would result in a competitive advantage to an Applicant or a disadvantage to other Applicants. No Applicant may appeal the evaluation of another

Applicant's application.

## **A. HCD's AHSC Portal Application Components**

Complete applications must include the following components:

### **1. AHSC Application Workbook**

All Applicants must complete and submit the AHSC Application Workbook and supporting documentation.

### **2. AHSC Benefits Calculator Tool**

All Applicants must complete and submit the AHSC Benefits Calculator Tool to meet requirements referenced in Guidelines Section 106, Program Threshold Requirements and Estimated GHG Reduction Scoring in Section 107, Scoring Criteria.

### **3. Electronic AHSC Portal Submission**

Application materials must be submitted electronically via HCD's AHSC Portal no later than 4:00 p.m. Pacific Time on **April 4, 2023**. Requirements for uploading the AHSC Application Workbook, required supporting documentation, and identified naming conventions are described in the application instructions that will be available when the application is posted to the AHSC website.

**Personal deliveries will not be accepted.** The Department will no longer accept hardcopy submittals. No facsimiles, incomplete applications, application revisions, or walk-in application packages will be accepted.

## **B. Application Review**

### **1. Phase One**

Application completeness and satisfaction of threshold criteria described in the Guidelines will be confirmed. Please note, the threshold review for financial feasibility criteria in this phase consists of only verification of documentation completeness, not an evaluation of the material facts.

The complete financial feasibility review will take place in Phase Three. Phase One is a pass/fail stage and Applicants will receive notification of their status upon completion of threshold reviews with a five-day opportunity to appeal the findings of the reviews.

### **2. Phase Two**

Quantitative policy criteria and AHSC Greenhouse Gas Quantification Methodology (GHG QM) will be evaluated for proposals that have met the requirements of Phase One. An initial score letter will be provided to Applicants with a five-day opportunity

to appeal the findings of the reviews. AHSC staff will review appeal responses and revise scores where appropriate. Applications with a final combined quantitative policy criteria and Greenhouse Gas Quantification Methodology point score of fewer than 41 points will not be eligible for award and will not be assigned a narrative score. The final score letter will include notification of application status.

### **3. Phase Three**

An interagency team will review the narrative section of eligible applications. During Phase Three, an in- depth evaluation of the Project's financial feasibility will be performed.

## **C. Application Workshops**

AHSC staff will conduct application webinars and pre-application consultations for the Round 7 application submissions. AHSC webinar details and appointment slots for the pre-application consultations will be posted on the SGC website:

<https://sgc.ca.gov/programs/ahsc/resources/guidelines.html> [sgc.ca.gov] and announced through the SGC AHSC E-Mail list

## **D. Disclosure of Application**

Information provided in the application will become a public record available for review by the public, pursuant to the California Public Records Act (Government Code Sections 6250-6276.48). As such, any materials provided are subject to disclosure to any person making a request under this Act. The Department cautions Applicants to use discretion in providing information not specifically requested, including but not limited to, bank account numbers, social security numbers, personal phone numbers, and home addresses. By providing this information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

## **E. Concurrent Applications**

The Department will allow Applicants under this NOFA to pursue more than one funding scenario. This means that a separate, concurrent application to other HCD program funding sources is permitted. All applications under review and anticipated applications must be disclosed in the AHSC application workbook. In instances where such Applicants are competitive for an award, the Department will consult with Applicants to discern which funding scenarios are optimal for Project feasibility while balancing cost containment.

Submission of two concurrent AHSC applications proposing 4 percent and 9 percent tax credit is prohibited. Submitting an AHSC application proposing 4 percent tax credits to the Department and submitting a concurrent 9 percent TCAC application is prohibited without prior approval from the Department.

If switching from a 4 percent to 9 percent project after receiving an AHSC award, the

award will be resized and the award letter reissued to reflect the reduced award amount using the unit mix as originally submitted in the application. Please note that the 24-month disencumbrance deadline, however, will continue to be tied to the date of the original award letter. The Sponsor must demonstrate that any resulting gap from the resizing of the loan has been covered through an alternative funding source.

If switching from a 9 percent to a 4 percent project, the award will NOT be resized

Under both circumstances, the Department will only allow a switch between 4 percent and 9 percent one time per project. The Department MUST be notified and, if required, an amended award letter be issued in advance of application submittal to CDLAC or TCAC.

No final determination can be made on whether a specific project may swap from 4 percent to 9 percent, or vice-versa, until updated application materials indicating changes to the project's budget have been submitted, reviewed, and approved by AHSC program staff.

## **F. Prior Awards**

Applicants must disclose all awards of loans and grants for the project at the time of application submittal. Applicants seeking to substitute previously awarded HCD funds, including but not limited to substitutions to increase the amount of an award, must first withdraw their previous award in writing and provide reasonable justification that the substitution is necessary to ensure Project feasibility. A consultation with Department Program staff is required at the time of the withdrawal. Substitutions based solely upon Applicant preference or convenience will not be permitted. However, it is allowable for Applicants that wish to retain their previous award to apply for another funding source available within this NOFA, so long as the previous award is unmodified.

In general, no changes to unit mix or other Project-specific criteria as represented for a previous award will be allowed if it would have negatively impacted competitiveness under that program. However, the Department will allow previously awarded Projects to lower their proposed income targets from one application to the next, so long as the total unit count remains the same. The Department will restrict units to the lowest targeting across all awarded funds and will require Projects awarded from a program with prioritized target populations to maintain the special population units (increasing target population and/or Restricted Units is permitted). For Projects proposing a reduction to Area Median Income (AMI) levels on the unit mix, prior to application the Recipient must engage with Program staff of their existing award and confirm the change does not impact Project feasibility and would not cause a reduction in awarded funds pursuant to an existing award program's requirement.

## **G. Significant Changes in Project After Application**

The Department will review, and score based on information provided in the application. If there is a significant departure from the application, the Department may re-evaluate the Project's score, reduce loan or grant amount, or assign negative points

to the Developer/Recipient.

## **IV. Appeals**

### **A. Basis of Appeals**

1. Upon receipt of the Department's written notice that an application is incomplete, has failed threshold review, or has otherwise been determined to provide an insufficient basis for an award, Applicants under this NOFA may appeal such decision(s) to the Branch Chief or their designee pursuant to this section.
2. No Applicant shall have the right to appeal a decision of the Department relating to another Applicant's application (e.g., eligibility, award). Any request to appeal HCD's decision regarding an application shall be reviewed for compliance with the AHSC Guidelines and this NOFA. All decisions rendered shall be made by the Branch Chief or their designee. The decision shall be final, binding, and conclusive, and shall constitute the final action of the Department.
3. The appeal process provided herein applies solely to the decision of the Department made in this Program NOFA. For greater specificity, Applicants may refer to the appeal procedure set forth in section "V. Appeals" in the Multifamily Finance Super Notice of Funding Availability dated March 30, 2022, Amended June 10, 2022, which is incorporated hereto by this reference, and which the Department shall, to the extent not contrary to this NOFA and feasible, substantially follow.

### **B. Appeal Process and Deadlines**

1. Process: To file an appeal, Applicants must submit to the Branch Chief or their designee, by the deadline set forth below, a written appeal which states all relevant facts, arguments, and evidence upon which the appeal is based. Furthermore, the Applicant must provide a detailed reference to the area or areas of the application that provide clarification and substantiation for the basis of the appeal. No new or additional information will be considered if this information would result in a competitive advantage to an Applicant. Once the written appeal is submitted to the Department, no further information or materials will be accepted or considered thereafter. Appeals must be submitted to the Department at [ahsc@hcd.ca.gov](mailto:ahsc@hcd.ca.gov) and SGC at [ahsc@sgc.ca.gov](mailto:ahsc@sgc.ca.gov) according to the deadline set forth in Department review letters.
2. Filing deadline: Appeals must be received by the Department no later than five business days from the date of the Department's threshold review, or initial score letters, as applicable, representing the Department's decision made in response to the application.

### **C. Decision**

Any request to appeal the Department's decision regarding an application shall be reviewed for compliance with the AHSC Guidelines and this NOFA. All decisions

rendered shall be final, binding, and conclusive, and shall constitute the final action of the Department.

## **V. Award Announcements and Contracts**

### **A. Award Announcements**

Award recommendations will be posted with SGC meeting materials on the SGC's AHSC website at <http://www.sgc.ca.gov/meetings> 10 days prior to the SGC public meeting.

### **B. Contracts**

Successful Applicants (Recipients) will enter into one or more Standard Agreements with the Department. The Standard Agreement contains relevant state and federal requirements, as well as specific information about the award and work to be performed.

A condition of award will be that a Standard Agreement must be executed by the Recipient within 90 days (contracting period) of HCD's issuance of the award letter. Failure to execute the Standard Agreement(s) within the contracting period may result in award cancellation. The Recipient shall remain a party to the Standard Agreement for the entire term of the Standard Agreement; removal of the Recipient without prior HCD consent is prohibited and will result in a default. Once a Project is awarded HCD funds, the Developer/Recipient is acknowledging the Project as submitted and approved is the Project that is to be funded and built. Any bifurcation would make that award null and void, as the awarded Project is no longer feasible as originally submitted and awarded funds are unable to be assumed or assigned.

### **C. AHSC Cross-Default Provision**

Awards are based on the total points awarded to the application during a highly competitive process. The Standard Agreements set forth requirements for timely completion of Affordable Housing Development (AHD), Housing Related Infrastructure (HRI), Sustainable Transportation Infrastructure (STI), Transportation Related Infrastructure (TRA), or Program (PGM) components. If all components are not timely completed pursuant to Program requirements, the entire award may be disencumbered, and disbursed funds recaptured. The Standard Agreements will expressly cross-default all components of the award to one another.

The Department recognizes the Recipient may enter into separate side agreements to address individual Developer responsibilities with respect to each other and with regard to Program funds; provided, however, in no event shall any such agreement alter or amend the respective obligations of the Recipient to the Department under the applicable loan or grant documents.

## **D. Departmental Cross-Default Provision**

In the event the Project is or has been awarded additional Department funding, any and all such funding, including the award of AHSC Program funds, will be cross defaulted to and among one another in the respective loan or, where applicable, grant documents. A default under one source of Departmental funding shall be default under any and all other sources of Department funding in the Project.

## **VI. Other State Requirements**

### **A. Article XXXIV**

All Projects shall comply with Article XXXIV, Section 1 of the California Constitution, as clarified by the Public Housing Election Implementation Law (Health and Safety Code Sections 37000 - 37002). Article XXXIV documentation for loans underwritten by the Department shall be subject to review and approval by the Department prior to the announcement of award recommendations.

Article XXXIV requires local voter approval before any state public body can develop, construct, or acquire a low-rent housing project in any manner. However, the Public Housing Election Implementation Law (Health and Safety Code Sections 37000 – 37002) provides clarification as to when Article XXXIV is applicable. Health and Safety Code Section 37001, for example, identifies project types that are not considered “low-rent housing projects.”

Applicants must submit documentation substantiating compliance with or exemption from Article XXXIV. If a project is subject to Article XXXIV, the Department requires an allocation letter from the Locality that demonstrates Article XXXIV authority for the project. A local government official with authority must prepare the allocation letter, and it must include the following:

1. The name and date of the proposition and the number of units that were approved;
2. A copy of the referendum and a certified vote tally;
3. The number of units that remain in the Locality’s “bank” of Article XXXIV authority (i.e., the number of units that are still available for allocation); and
4. The number of units that the Locality will commit to this project, including the manager unit.

If a Project is statutorily exempt from Article XXXIV, the Department requires an Article XXXIV opinion letter from the Applicant’s legal counsel.

The Article XXXIV opinion letter must demonstrate that the Applicant has considered both the legal requirements of Article XXXIV and the relevant facts of the Project (e.g., all funding provided by public bodies, including state, county, or city sources, the number of low-income Restricted Units, and the general content of any regulatory

restrictions). Any conclusion that a Project is exempt from Article XXXIV must be supported by facts and a specific legal theory for exemption that itself is supported by the Constitution, statute, and/or case law.

## **B. Relocation**

The Applicant must comply with Government Code Section 7260 et seq., the California Code of Regulations, Title 25, Section 6000 et seq., and, if applicable, 49 CFR Part 24 of the Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally Assisted Programs (URA) (collectively referred to herein as Relocation or Relocation Law).

Failure to comply with applicable relocation requirements will result in rejection of the application and disencumbrance of any awards made to the Project.

## **C. Pet Friendly Housing Act of 2017**

Housing funded through AHSC is subject to the Pet Friendly Housing Act of 2017 (Health and Safety Code Section 50466). Each Recipient is required to submit a signed and dated certification that residents of the AHSC funded housing development will be authorized to own or otherwise maintain one or more common household pets.

# **VII. Other Terms and Conditions**

## **A. Right to Modify or Suspend**

The Department reserves the right, at its sole discretion, to suspend, amend, or modify the provisions of this NOFA at any time, including without limitation, the amount of funds available hereunder. If such an action occurs, the Department will notify all interested parties through the Department's email list and will post the revisions to HCD's AHSC website. Please subscribe to HCD's email list at [Email Signup](#).

## **B. Conflicts**

It is the duty and responsibility of the Applicant to review any funding source they obtain for a Project to ensure each of the requirements for those funding sources are compatible with the Department program requirements.

In the event of any conflict between the terms of this NOFA and AHSC Guidelines and either applicable state or federal law or regulation, the terms of the applicable state or federal law or regulation shall control. Applicants are deemed to have fully read and understand all applicable state and federal laws, regulations, and guidelines pertaining to the relevant program, and understand and agree that the Department shall not be responsible for any errors or omissions in the preparation of this NOFA.

15 high speed passenger rail line; and, be it

16 FURTHER RESOLVED, That the public interest and necessity require the acquisition  
17 by eminent domain by the City and County of San Francisco, a municipal corporation, of the  
18 following described real property and any and all improvements and fixtures thereon, situated

3 found that the acquisition of the Property is consistent with the City's General Plan and with  
4 the Eight Priority Policies of City Planning Code Section 101.1; and, be it

5 FURTHER RESOLVED, That the Board of Supervisors now adopts as its own and

8 FURTHER RESOLVED, That acquisition of the Property by eminent domain is  
9 planned or located in the manner that will be most compatible with the greatest public good  
10 and the least private injury; and, be it

ORDINANCE NO. 124-05

[Adopting the Redevelopment Plan for the Transbay Redevelopment Project.]

**Ordinance approving and adopting the Redevelopment Plan for the Transbay Redevelopment Project area; adopting findings pursuant to the California Environmental Quality Act; adopting findings that the Redevelopment Plan and related documents and agreements (including a Tax Increment Allocation and Sales Proceeds Pledge Agreement and an Option Agreement with the Redevelopment Agency of the City and County of San Francisco and the Transbay Joint Powers Authority) are is consistent with the City's General Plan and Eight Priority Policies of City Planning Code Section 101.1; adopting other findings pursuant to the California Community Redevelopment Law, including findings pursuant to Sections 33445 and 33679; authorizing official acts (including the execution of agreements) in furtherance of this ordinance.**

Be it ordained by the People of the City and County of San Francisco:

Section 1. FINDINGS. The Board of Supervisors of the City and County of San Francisco hereby finds, determines and declares, based on the record before it, including but not limited to information contained in the Report on the Redevelopment Plan, that:

A. The Redevelopment Agency of the City and County of San Francisco (the "Agency") has prepared a proposed Redevelopment Plan for the Transbay Redevelopment Project (the "Redevelopment Plan").

B. The proposed Redevelopment Plan would establish a redevelopment project area for an approximately 40-acre area generally bounded by Mission Street in the north, Main Street in the east, Folsom Street in the south, and Second Street in the west (the "Project Area"). The Redevelopment Plan is being proposed to: 1) redevelop over 12 acres of

Mayor, Supervisor Daly  
BOARD OF SUPERVISORS

1 vacant land as high-density, transit-oriented residential projects; 2) construct approximately  
2 3,400 housing units of which approximately 1,200 would be affordable to very low- to  
3 moderate-income households; 3) enforce Development Controls and Design Guidelines to  
4 ensure new development provides a high-quality, livable community; 4) create streetscape  
5 and public open space improvements throughout the new project area; and 5) provide funding  
6 toward the construction of a new Transbay Terminal and Caltrain Downtown Extension (the  
7 "Transbay Terminal Project").

8 C. Pursuant to Section 33352 of the California Community Redevelopment Law  
9 (Health and Safety Code Sections 33000 et seq., the "Community Redevelopment Law"), the  
10 Agency has prepared a Report on the Redevelopment Plan (the "Report on the  
11 Redevelopment Plan"). The Report on the Redevelopment Plan has been made available to  
12 the public before the date of the hearing on this Ordinance approving the Redevelopment  
13 Plan.

14 D. The Redevelopment Agency has transmitted to this Board of Supervisors  
15 certified copies of its (i) Resolution No. 19-2005, adopted following a duly noticed public  
16 hearing held on January 25, 2005, attaching its report to the Board of Supervisors and  
17 recommending the adoption of the Redevelopment Plan for the Transbay Redevelopment  
18 Project Area, and (ii) Resolution No. 95-2005, adopted following a duly noticed public hearing  
19 held on June 7, 2005, making certain changes to the Redevelopment Plan proposed by this  
20 Board of Supervisors. Copies of the Redevelopment Plan (as originally adopted by Agency  
21 Resolution No. 19-2005 and subsequently modified by Agency Resolution 95-2005), the  
22 Agency's Resolution Nos. 19-2005 and 95-2005, and of the Agency's Report on the  
23 Redevelopment Plan are on file with the Clerk of the Board of Supervisors in File  
24 No. 050184, and are incorporated herein by reference as though fully set forth.

1 E. Pursuant to Sections 33220, 33343, 33344 and 33370 of the California Health  
2 and Safety Code, and in order to promote development in accordance with objectives and  
3 purposes of the Redevelopment Plan and documents relating to the Redevelopment Plan, the  
4 City intends to aid and cooperate with the Agency to undertake and complete proceedings  
5 and actions necessary to be carried out by the City under the provisions of the  
6 Redevelopment Plan and provide for the expenditure of monies by the community in carrying  
7 out the Redevelopment Plan.

8 F. On December 9, 2004, at a duly noticed public hearing, the Planning  
9 Commission, adopted Resolution No. 16906 and Motion No. 16907, which found that the  
10 Redevelopment Plan was consistent with the General Plan as proposed for amendment and  
11 in conformity with the Priority Policies of Section 101.1 of the Planning Code and  
12 recommended the adoption of the Redevelopment Plan to this Board of Supervisors. On  
13 June 2, 2005, at a duly noticed public hearing, the Planning Commission adopted Resolution  
14 No. 17028, which found the Redevelopment Plan amendments adopted by Agency Resolution  
15 No. 95-2005 were consistent with the General Plan as proposed for amendment and in  
16 conformity with the priority policies of Planning Code Section 101.1. A copy of the Planning  
17 Commission Resolutions and Motion are on file with the Clerk of the Board of Supervisors in  
18 File No. 050184 and are incorporated herein by reference as though fully set forth. This  
19 Board, for the reasons specified in the aforementioned Resolution and Motion, adopts as its  
20 own the findings of the Planning Commission that the Redevelopment Plan is consistent with  
21 the General Plan and in conformity with Planning Code Section 101.1.

22 G. On September 28, 2004, this Board, in Resolution No. 612-04 adopted findings  
23 that various actions related to the Transbay Terminal Project were in compliance with the  
24 California Environmental Quality Act (California Public Resources Code Sections 21000 et  
25

1 seq.). Said findings, including all documents related thereto, are on file with the Clerk of the  
2 Board of Supervisors in File No. 041079 and are incorporated herein by reference. Said  
3 ~~findings remain valid for the actions contemplated in this Ordinance and are made part of this~~  
4 ~~Ordinance by reference herein.~~ Said findings also are supplemented by the environmental  
5 findings that the Planning Commission adopted on December 9, 2004, in Motion No. 16905  
6 regarding the Redevelopment Plan. The Planning Commission Motion is on file with the Clerk  
7 of the Board in File No. 050184 and is incorporated herein by reference as though fully set  
8 forth herein.

9 H. In accordance with California Public Resources Code section 21168.9(b) and  
10 the California Superior Court order in Myers Natoma Venture v. City and County of San  
11 Francisco, et al (Case No. CPF 04-504363), the Board is proceeding with the actions  
12 contemplated in this Ordinance solely for the purposes of establishing a base year for tax  
13 increment financing for the Transbay Redevelopment Plan. A copy of said order is on file with  
14 the Clerk of the Board in File No. \_\_\_\_\_ and is incorporated herein by reference. In  
15 furtherance of these actions only, the Board, to the extent compliance with the California  
16 Environmental Quality Act is necessary, is relying on the environmental findings and related  
17 documents and materials as described above in subsection (G). The Board further  
18 determines that said findings remain valid for the actions contemplated in this Ordinance.

19 I. On \_\_\_\_\_, 2005, the Board of Supervisors held a duly noticed public  
20 hearing on the Redevelopment Plan. The hearing was continued to June 14, 2005, and has  
21 been closed. Notice of such hearing was published in accordance with Section 33361 of the  
22 California Health and Safety Code, in the San Francisco-Independent Chronicle, a newspaper  
23 of general circulation, printed, published and distributed in the City and County of  
24 San Francisco describing the boundaries of the proposed Project Area and stating the day,  
25

BOARD OF SUPERVISORS

1 hour and place when and where any interested persons may appear before the Board of  
2 Supervisors to object to the Redevelopment Plan. At such hearing and on June 14, 2005, the  
3 date to which to the hearing was continued, the Board considered the report and  
4 recommendations of the Agency and the Planning Commission, the Final Environmental  
5 Impact Report for the Redevelopment Plan, and all evidence and testimony for and against  
6 the proposed Redevelopment Plan. The Board hereby adopts written findings to the extent  
7 required by the Community Redevelopment Law as set forth in this Ordinance.

8 IJ. Pursuant to Sections 33205 and 33128 of the Community Redevelopment Law,  
9 the Agency may delegate to the City's Planning Department certain administration of the  
10 development controls over the Project Area set forth in the Redevelopment Plan. Consistent  
11 with this authority, on January 25, 2005, the Agency's Commission, pursuant to Resolution  
12 No. 16-2005, approved a Project Delegation Agreement with the City's Planning Department,  
13 and on January 27, 2005, the City's Planning Department's Commission, pursuant to  
14 Resolution No. 16934, approved the Delegation Agreement.

15 ~~\_\_\_\_\_J.\_\_\_\_\_ Pursuant to a Cooperative Agreement dated \_\_\_\_\_, 2002 (the~~  
16 ~~"Cooperative Agreement"), amongst the State of California acting by and through its~~  
17 ~~Department of Transportation (the "State"), the City, and the Transbay Joint Powers Authority~~  
18 ~~(the "TJPA"), the State is assisting local and regional authorities in their efforts to construct~~  
19 ~~the Transbay Terminal Project by transferring specified State-Owned Parcels to the City and~~  
20 ~~the TJPA. The Cooperative Agreement requires, among other things, that all gross sales~~  
21 ~~proceeds and a portion of tax increment from the State-Owned Parcels be paid to the TJPA~~  
22 ~~for the construction of the Transbay Terminal Project. In order to facilitate the sale and~~  
23 ~~development of those State-Owned Parcels that are not needed for the Transbay Terminal~~  
24 ~~Project, the City and the TJPA propose to enter into an Option Agreement (the "Option~~  
25

1 Agreement") with the Agency to allow the Agency to acquire such State-Owned Parcels for  
2 disposition and development in accordance with the Redevelopment Plan. In order to comply  
3 with the requirement that all gross sales proceeds and a portion of tax increments from such  
4 State-Owned Parcels are paid to the TJPA for the construction of the Transbay Terminal, the  
5 City and the TJPA propose to enter into a Tax Increment Allocation and Sales Proceeds  
6 Pledge Agreement (the "Pledge Agreement"). A copy of the Cooperative Agreement, the form  
7 of the Option Agreement, and the form of the Pledge Agreement are on file with the Clerk of  
8 the Board of Supervisors in File No. \_\_\_\_\_, and each agreement is incorporated herein  
9 by reference as if fully set forth.

10 K. On February \_\_\_\_, 2005, the Planning Department issued a letter finding that the  
11 real property transactions contemplated in the aforementioned Option Agreement are  
12 consistent with the General Plan as proposed for amendment and in conformity with the  
13 Priority Policies of Section 101.1 of the Planning Code. A copy of the Planning Department  
14 letter is on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_ and is  
15 incorporated herein by reference as though fully set forth. This Board, for the reasons  
16 specified in the aforementioned letter, adopts as its own the findings of the Planning  
17 Department that said transactions are consistent with the General Plan and in conformity with  
18 Planning Code Section 101.1.

19 Section 2. PURPOSES AND INTENT. The purposes and intent of the Board of  
20 Supervisors with respect to this Ordinance are to adopt the Redevelopment Plan, as  
21 amended, in accordance with the Community Redevelopment Law and to achieve the  
22 objectives for redevelopment of the Project Area specified in the Redevelopment Plan.

23 Section 3. By this reference, the Redevelopment Plan, as amended, a copy of which  
24 is on file with the Clerk of the Board of Supervisors under File No. 050184, is  
25

BOARD OF SUPERVISORS

1 incorporated in and made a part of this Ordinance with the same force and effect as though  
2 set forth fully herein.

3 Section 4. FURTHER FINDINGS AND DETERMINATIONS UNDER THE  
4 COMMUNITY REDEVELOPMENT LAW. The Board of Supervisors hereby further finds,  
5 determines and declares, based on the record before it, including but not limited to information  
6 contained in the Report on the Redevelopment Plan, that:

7 A. The Project Area, which is the subject of the Redevelopment Plan, is a blighted  
8 area (as described in the Report on the Plan), the redevelopment of which is necessary to  
9 effectuate the public purposes declared in the Community Redevelopment Law.

10 B. The Redevelopment Plan will redevelop the Project Area as set forth in the  
11 Report on the Redevelopment Plan in conformity with the Community Redevelopment Law  
12 and is in the interests of the public peace, health, safety, and welfare.

13 C. The adoption and carrying out of the Redevelopment Plan is economically  
14 sound and feasible as described in the Report on the Redevelopment Plan.

15 D. For the reasons set forth in Section 1F of this Ordinance, the Redevelopment  
16 Plan, once effective, will be consistent with the General Plan of the City and County of  
17 San Francisco, as amended, including, but not limited to, the housing element of the General  
18 Plan, which substantially complies with the requirements of Article 10.6 (commencing with  
19 Section 65580) of Chapter 3 of Division 1 of Title 7 of the California Government Code and  
20 other applicable requirements of law, and is consistent with the eight Priority Policies in City  
21 Planning Code Section 101.1.

22 E. The carrying out of the Redevelopment Plan will promote the public peace,  
23 health, safety and welfare of the community and effectuate the purposes and policies of the  
24  
25

1 Community Redevelopment Law as generally described in the Report on the Redevelopment  
2 Plan.

3 F. The condemnation of real property, to the extent provided for in the  
4 Redevelopment Plan may be necessary for the execution of the Redevelopment Plan. Some  
5 residential property may be the subject of eminent domain actions, but a substantial number  
6 of low- or moderate-income persons do not reside in the Project Area. Adequate provisions  
7 have been made for payment for property to be so acquired as provided by law.

8 G. There are no public projects identified in the Redevelopment Plan that will  
9 displace a substantial number of low- or moderate-income persons. The Agency has a  
10 feasible method or plan for the relocation of families and persons displaced from the Project  
11 Area, if the Redevelopment Plan results in the temporary or permanent displacement of any  
12 occupants of housing facilities in the Project Area.

13 H. There are, or shall be provided, in the Project Area or in other areas not  
14 generally less desirable in regard to public utilities and public and commercial facilities and at  
15 rents or prices within the financial means of the families and persons displaced from the  
16 Project Area, decent, safe, and sanitary dwellings equal in number to the number of and  
17 available to the displaced families and persons and reasonably accessible to their places of  
18 employment.

19 I. Families and persons shall not be displaced prior to the adoption of a relocation  
20 plan pursuant to Sections 33411 and 33411.1 of the California Health and Safety Code.  
21 Dwelling units housing persons and families of low or moderate income shall not be removed  
22 or destroyed prior to the adoption of a replacement housing plan pursuant to  
23 Sections 33334.5, 33413, and 33413.5 of the California Health and Safety Code.

24 J. There are no non-contiguous areas in the Project Area.  
25

1 k. The Project Area includes lands, buildings and improvements which are not  
2 individually detrimental to the public health, safety or welfare but which are necessary for the  
3 effective redevelopment of the Project Area. All areas included in the Project Area are  
4 necessary for effective redevelopment of the Project Area, and no areas in the Project Area  
5 are included solely for the purpose of obtaining an allocation of tax increment revenues from  
6 the Project Area pursuant Section 33670 of the California Health and Safety Code without  
7 other substantial justification for its inclusion.

8 L. The elimination of blight and the redevelopment of the Project Area could not  
9 reasonably be expected to be accomplished by private enterprise acting alone without the aid  
10 and assistance of the Agency.

11 M. The Project Area is predominantly urbanized, as defined by California Health  
12 and Safety Code Section 33320.1(b).

13 N. The time limitation and the limitation on the number of dollars to be allocated to  
14 the Agency that are contained in the Redevelopment Plan are reasonably related to the  
15 proposed projects to be implemented in the Project Area and to the ability of the Agency to  
16 eliminate blight within the Project Area.

17 O. This Board of Supervisors is satisfied that permanent housing facilities will be  
18 available within three (3) years from the time occupants of the Project Area are displaced and  
19 that, pending the development of the facilities, there will be available to the displaced  
20 occupants adequate temporary housing facilities at rents comparable to those in the  
21 community at the time of their displacement.

22 ~~P. Pursuant to Sections 33445 and 33679 of the California Health and Safety~~  
23 ~~Code, and as further detailed in the Report on the Redevelopment Plan: (1) the estimated~~  
24 ~~Agency obligation for the tax increment revenue dedicated to the Transbay Terminal Project is~~  
25

1 ~~\$178.2 million (in constant FY 2004/05 dollars); (2) the Transbay Terminal Project is of benefit~~  
2 ~~to the Project Area; (3) no other reasonable means of financing the construction of the~~  
3 ~~Transbay Terminal Project is available; and (4) the use of Agency funds to construct the~~  
4 ~~Transbay Terminal Project will assist in the elimination of blighting conditions in the Project~~  
5 ~~Area, specifically, the elimination of a dilapidated terminal building which will be replaced by~~  
6 ~~the Transbay Terminal Project. The Transbay Terminal Project will help to revitalize the~~  
7 ~~Project Area and stimulate private investment. The Transbay Terminal Project is a public~~  
8 ~~benefit and a central part of the Redevelopment Plan.~~

9       Section 5. Pursuant to Section 33365 of the California Health and Safety Code, the  
10 Board of Supervisors hereby approves and adopts the Redevelopment Plan, as amended, as  
11 the official Redevelopment Plan for the Project Area.

12       Section 6. The Clerk of the Board of Supervisors shall without delay (1) transmit a  
13 copy of this Ordinance to the Agency pursuant to California Health and Safety Code  
14 Section 33372, ~~whereupon the Agency shall be vested with the responsibility for carrying out~~  
15 ~~the Redevelopment Plan~~, (2) record or ensure that the Agency records a description of the  
16 Project Area and a certified copy of this Ordinance pursuant to California Health and Safety  
17 Sections 33373, and (3) transmit, by certified mail, return receipt requested, a copy of this  
18 Ordinance, together with a copy of the Redevelopment Plan, which contains a legal  
19 description of the Project Area and a map indicating the boundaries of the Project Area, to the  
20 Controller, the Tax Assessor, the State Board of Equalization and the governing body of all  
21 taxing agencies in the Project Area pursuant to California Health and Safety Code  
22 Sections 33375 and 33670.

23       Section 7. In accordance with Sections 33220, 33343, 33344 and 33370 of the  
24 Community Redevelopment Law, the Board of Supervisors declares its intent to undertake  
25

1 and complete actions and proceedings necessary to be carried out by the City under the  
2 Redevelopment Plan and related Plan Documents (as defined in the Redevelopment Plan)  
3 and authorizes and urges the Mayor and other applicable officers, commissions and  
4 employees of the City to take any and all steps as they or any of them deem necessary or  
5 appropriate, in consultation with the City Attorney, to cooperate with the Agency in the  
6 implementation of the Redevelopment Plan and to effectuate the purposes and intent of this  
7 Ordinance, such determination to be conclusively evidenced by the execution and delivery by  
8 such person or persons of any such documents. Such steps shall include, but not be limited  
9 to (i) the execution and delivery of any and all agreements, notices, consents and other  
10 instruments or documents (including, without limitation, execution by the Mayor, or the  
11 Mayor's designee, of any agreements to extend any applicable statutes of limitation) and  
12 (ii) the institution and completion of proceedings for the closing, vacating, opening,  
13 acceptance of dedication and other necessary modifications of public streets, sidewalks,  
14 street layout and other rights-of-way in the Project Area.

15 Section 8. The Board of Supervisors hereby approves and the Mayor and the  
16 Controller are hereby authorized and urged to execute the Pledge Agreement.

17 Section 9. The Board of Supervisors hereby approves and the Director of Property is  
18 hereby authorized and urged to execute the Option Agreement.

19 Section 10. The Board of Supervisors authorizes and urges the Mayor, the Controller,  
20 the Director of Property, and any other officers, agents and employees of the City to take any  
21 and all steps (including, but not limited to, the execution and delivery of any and all  
22 agreements, notices, consents and other instruments or documents, including, without  
23 limitation, any agreements to extend any applicable statutes of limitation) as they or any of  
24 them deem necessary or appropriate, in consultation with the City Attorney, in order to  
25

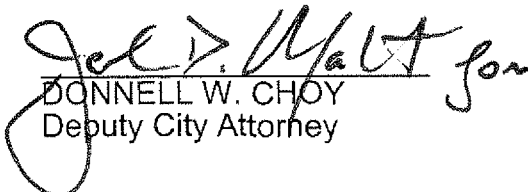

BOARD OF SUPERVISORS

2 ~~Ordinance, or to otherwise effectuate the purpose and intent of this Ordinance, such~~  
3 ~~determination to be conclusively evidenced by the execution and delivery by such person or~~  
4 ~~persons of any such documents.~~

5 ~~Section 11.~~ The approval under this Ordinance shall take effect upon the effective

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

(a) On June 21, 2005, this Board, in Ordinance No. 124-05 (the "Plan Ordinance"), adopted the Redevelopment Plan for the Transbay Redevelopment Project Area (the "Redevelopment Plan") solely for the purpose of establishing a base year for tax increment financing, but did not otherwise authorize the implementation of the Redevelopment Plan in accordance with the California Superior Court's order in Myers Natoma Venture, LLC v. City and County of San Francisco, et al (No. CPF 04-504-363, May 26, 2005), which had stayed implementation of the Redevelopment Plan. Said Ordinance is on file with the Clerk of the Board of Supervisors in File No. 050184 and incorporated herein by reference.

1 (b) On November 10, 2005, the California Court of Appeal, in City and County of  
2 San Francisco, et al v. The Superior Court of San Francisco County, No. A110296, reversed  
3 and vacated the above-referenced Superior Court's judgment.

4 (c) This Board may now take additional actions to allow implementation of the  
5 Redevelopment Plan adopted by the Plan Ordinance.

6 (d) The Redevelopment Plan establishes a redevelopment project area for an  
7 approximately 40-acre area generally bounded by Mission Street in the north, Main Street in  
8 the east, Folsom Street in the south, and Second Street in the west.

9 (e) The Redevelopment Plan's objectives are to: (1) redevelop over 12 acres of vacant  
10 land as high-density, transit-oriented residential projects; (2) construct approximately 3,400  
11 housing units of which approximately 1,200 would be affordable to very low- to moderate-  
12 income households; (3) implement Development Controls and Design Guidelines to ensure  
13 that new development provides a high-quality, livable community; (4) create streetscape and  
14 public open space improvements throughout the new project area; and (5) promote the  
15 construction of a new Transbay Transit Center and Caltrain Downtown Extension and access  
16 ramps (collectively, the "Project") as a multi-modal transit facility.

17 (f) In connection with the Board's adoption of the Redevelopment Plan and pursuant to  
18 Section 33352 of the California Health and Safety Code (part of the Community  
19 Redevelopment Law), the Agency prepared and submitted to the Clerk of the Board (i) a  
20 Report on the Redevelopment Plan (the "Report on the Redevelopment Plan") and (ii) a  
21 Summary of Public Benefit Findings Pursuant to California Health and Safety Code Sections  
22 33445 and 33679 (the "Summary"). The Report on the Redevelopment Plan and the  
23 Summary have been made available to the public before the date of the hearing on this  
24 Ordinance and are on file with the Clerk of the Board of Supervisors in  
25 File No. 050184 and are incorporated herein by reference.

1 (g) The City intends to aid and cooperate with the Redevelopment Agency of the City  
2 and County of San Francisco (the "Agency") to undertake and complete proceedings and  
3 actions necessary to be carried out by the City under the provisions of the Redevelopment  
4 Plan pursuant to California Health and Safety Code Sections 33220, 33343, 33344 and  
5 33370, part of the California Community Redevelopment Law.

6 (h) On July 8, 2003, this Board adopted Resolution No. 441-03, a copy of which is on  
7 file with the Clerk of the Board of Supervisors in File No. 030997 and is incorporated herein by  
8 reference, and authorized the Mayor and officers of the City to execute a Cooperative  
9 Agreement dated July 11, 2003 (the "Cooperative Agreement"), amongst the State of  
10 California acting by and through its Department of Transportation (the "State"), the City, and  
11 the Transbay Joint Powers Authority (the "TJPA").

12 (i) The Cooperative Agreement assists the local and regional authorities that are  
13 members of the TJPA in their efforts to construct the Project by transferring specified parcels  
14 owned by the State (the "State-Owned Parcels") to the City and the TJPA and also requires,  
15 among other things, that all gross sales proceeds and a portion of tax increment revenues  
16 from the State-Owned Parcels (the "Net Tax Increment" as defined in the Cooperative  
17 Agreement) are to be paid to the TJPA for the construction of the Project.

18 (j) To implement the covenants in the City's Cooperative Agreement to provide all  
19 Gross Sales Proceeds (as defined in the Cooperative Agreement) and Net Tax Increment  
20 associated with the sale and development of the State-Owned Parcels to the TJPA for the  
21 construction costs of the Project, the City, the Agency, and the TJPA propose to enter into a  
22 Tax Increment Allocation and Sales Proceeds Pledge Agreement that pledges the payment of  
23 Net Tax Increment and Gross Sales Proceeds from the sale of the State-Owned Parcels (the  
24 "Pledge Agreement"). The Pledge Agreement is on file with the Clerk of the Board of  
25 Supervisors in File No. 050184 and is incorporated herein by reference.

1 (k) In accordance with California Health and Safety Code Section 33679: (1) a  
2 notice of a public hearing has been published in the San Francisco Examiner, a newspaper of  
3 general circulation, during the two successive weeks preceding the public hearing on the  
4 proposed Tax Increment and Sales Proceeds Pledge Agreement; and (2) the Summary,  
5 which contains information justifying the use of tax increment (including (a) the estimate of  
6 tax increment revenues proposed to be used to pay for construction of the Project, (b) the  
7 facts supporting the determination required under California Health and Safety Code Section  
8 33445, and (c) the redevelopment purposes for which the tax increment revenues are being  
9 used to pay for the construction of Transbay Terminal Project) has been made available for  
10 public review at the time of the first publication of the notice of the public hearing. A copy of  
11 said notice is on file with the Clerk of the Board of Supervisors in File No. 060347  
12 and is incorporated herein by reference.

13 (l) To facilitate the sale and development of those State-Owned Parcels that are not  
14 needed for the Project, the City and the TJPA propose to enter into an Option Agreement with  
15 the Agency (the "Option Agreement") whereby the Agency will acquire such State-Owned  
16 Parcels for disposition, subject to final approval by this Board, and development consistent  
17 with the Redevelopment Plan. The Option Agreement is on file with the Clerk of the Board of  
18 Supervisors in File No. 050184 and is incorporated herein by reference.

19 (m) On December 9, 2004, the Planning Commission conducted a duly noticed public  
20 hearing on conformance of the Transbay Redevelopment Plan and related implementing  
21 documents with the General Plan. Following such hearing, the Planning Commission, in  
22 Motion No. 16907, found the Redevelopment Plan and related documents consistent  
23 with the General Plan. Said Motion is on file with the Clerk of the Board in  
24 File No. 050184 and is incorporated herein by reference.

25 Section 2. General Plan Findings.

1 The Board of Supervisors adopts, as its own, the findings in Planning Commission  
2 Motion No. 16907 that the real estate transactions authorized on the terms and conditions in  
3 the Option Agreement are (i) consistent with the General Plan and (ii) in conformity with the  
4 Priority Policies of Section 101.1 of the Planning Code.

5 Section 3. Environmental Findings.

6 (a) On September 28, 2004, this Board, in Resolution No. 612-04, adopted findings  
7 that various actions related to the Project complied with the California Environmental Quality  
8 Act (California Public Resources Code sections 21000 et seq.). Said findings and all  
9 documents and materials related to said findings are on file with the Clerk of the Board of  
10 Supervisors in File No. 041079 and are incorporated herein by reference. Said findings  
11 remain valid for the actions contemplated in this Ordinance and are made part of this  
12 Ordinance by reference herein. Said findings also are supplemented by the environmental  
13 findings that the Planning Commission, in Motion No. 16905, adopted on December 9, 2004.  
14 Said Motion is on file with the Clerk of the Board in  
15 File No. 050184 and is incorporated herein by reference.

16 (b) The Board of Supervisors finds, on the basis of substantial evidence, in light of  
17 the whole record, including the California Court of Appeal decision in Case No. A110296  
18 cited above, that (1) no substantial changes to the Transbay Redevelopment Plan and its  
19 implementation have occurred that require important revisions to the previously certified Final  
20 Environmental Impact Statement/Final Environmental Impact Report (FEIS/FEIR) due to the  
21 involvement of new significant environmental effects or a substantial increase in the severity  
22 of significant environmental effects discussed in the FEIS/FEIR; (2) no substantial changes  
23 have occurred with respect to the circumstances under which the Transbay Redevelopment  
24 Plan is to be undertaken which would require major revisions to the previously certified  
25 FEIS/FEIR, and (3) no new information of substantial importance has become available since

1 the certification of the FEIS/FEIR that indicates any of the following: (a) the Transbay  
2 Redevelopment Plan will have significant effects not discussed in the FEIS/FEIR,  
3 (b) significant environmental effects will be substantially more severe than previously  
4 discussed in the FEIS/FEIR, (c) mitigation measures or alternatives previously found not  
5 feasible which would reduce one or more significant effects have become feasible, or  
6 (d) mitigation measures or alternatives which are considerably different from those in the  
7 FEIS/FEIR would substantially reduce one or more significant effects of the Transbay  
8 Redevelopment Plan on the environment.

9 Section 4. Community Redevelopment Law Findings.

10 The Board of Supervisors finds that pursuant to Sections 33445 and 33679 of the  
11 California Health and Safety Code and as further detailed in the Summary, the Report on the  
12 Redevelopment Plan, and other matters in the record before it: (1) the Project will help to  
13 revitalize the Redevelopment Plan Area and stimulate private investment; (2) the Project is a  
14 public benefit, is a central part of the Redevelopment Plan, and will particularly benefit the  
15 Redevelopment Plan Area; (3) the estimated Agency obligation for the tax increment revenue  
16 that is pledged by the proposed Tax Increment Allocation and Sales Proceeds Pledge  
17 Agreement to the Project is \$231 million (in constant FY 2005/06 dollars); (4) no other  
18 reasonable means of financing the Project is available; and (5) the use of Agency funds to  
19 construct the Project will assist in the elimination of blight in the Redevelopment Plan Area,  
20 specifically, a dilapidated terminal building, which will be replaced by the Project.

21 Section 5. Additional Actions and Approvals.

22 (a) In accordance with Sections 33220, 33343, 33344, 33370, and 33374 of the  
23 Community Redevelopment Law, the Board of Supervisors reaffirms its intent, as originally  
24 expressed in the Redevelopment Plan Ordinance, to undertake and complete actions and  
25 proceedings necessary to be carried out by the City under the Redevelopment Plan and

1 related Plan Documents (as defined in the Redevelopment Plan), including but not limited to  
2 ensuring that the Department of Building Inspection advises all applicants for building permits  
3 in the Project Area, for a period of two years after adoption of the Redevelopment Plan, that  
4 the site for which a building permit is sought is within a redevelopment project area.

5 (b) The Board hereby adopts and approves the Tax Increment and Sales Proceeds  
6 Pledge Agreement and authorizes the Mayor and the Controller to execute said Agreement.

7 (c) The Board hereby adopts and approves the Option Agreement and authorizes the  
8 Director of Property to execute said Option Agreement.

9 (d) The Board of Supervisors also authorizes and urges the Mayor and other  
10 applicable officers, commissions, and employees of the City to take any and all steps as they  
11 or any of them deem necessary or appropriate, in consultation with the City Attorney, in order  
12 to cooperate with the Agency in the implementation of the Redevelopment Plan and to  
13 effectuate the purposes and intent of the Redevelopment Plan and this Ordinance, including,  
14 but not limited to (i) the execution and delivery of any and all agreements, notices, consents  
15 and other instruments or documents (including execution by the Mayor, or the Mayor's  
16 designee, of any agreements to extend any applicable statutes of limitation) and (ii) the  
17 institution and completion of proceedings for the closing, vacating, opening, acceptance of  
18 dedication and other necessary modifications of public streets, sidewalks, street layout and  
19 other rights-of-way in the Transbay Redevelopment Project Area.

20 (e) The Board directs the Clerk to transmit a copy of this Ordinance to the Agency,  
21 which is vested with the responsibility for carrying out the Redevelopment Plan.

Be it ordained by the People of the City and County of San Francisco:

Section 1. **Findings.** The Board of Supervisors of the City and County of San Francisco (the "Board of Supervisors" or "Board") makes the following findings, determinations, and declarations, based on the record before it, including but not limited to, information contained in the Report to the Board of Supervisors on the Minor Amendment to the Redevelopment Plan for the Transbay Redevelopment Project Area ("Report to the Board"), dated March 31, 2015, and on file with the Clerk of the Board in File No. 150435.

(a) The San Francisco Redevelopment Agency approved the Redevelopment Plan for the Transbay Redevelopment Project Area (the "Redevelopment Plan") by Resolutions No. 19-2005 (January 25, 2005) and No. 95-2005 (June 7, 2005). Copies of these resolutions are on file with the Clerk of the Board in File No. 050184.

1 (b) The Board of Supervisors approved the Redevelopment Plan by Ordinances No.  
2 124-05 (June 21, 2005) and No. 99-06 (May 9, 2006). Copies of these ordinances are on file  
3 with the Clerk of the Board in File Nos. 050184 and 060347 respectively.

4 (c) On February 1, 2012, the former San Francisco Redevelopment Agency ("Former  
5 Agency") was dissolved pursuant to the provisions of California State Assembly Bill No. 1X 26  
6 (Chapter 5, California Statutes of 2011-12, First Extraordinary Session) ("AB 26") that were  
7 upheld by the California Supreme Court in *California Redevelopment Association v.*  
8 *Matosantos*, 53 Cal.4<sup>th</sup> 231 (2011). On June 27, 2012, AB 26 was amended in part by  
9 California State Assembly Bill No. 1484 (Chapter 26, California Statutes of 2011-12) ("AB  
10 1484"). Together, AB 26 and AB 1484 are primarily codified in Sections 34161 et seq. of the  
11 California Health and Safety Code, as amended from time to time, and are referred to as the  
12 "Redevelopment Dissolution Law".

13 (d) Pursuant to the Redevelopment Dissolution Law, all of the Former Agency's  
14 assets, other than housing assets, and obligations were transferred to the Office of  
15 Community Investment and Infrastructure, as the Successor Agency to the Former Agency  
16 ("OCII" or "Successor Agency"). Some of the Former Agency's housing assets were  
17 transferred to the City, acting by and through the Mayor's Office of Housing and Community  
18 Development.

19 (e) Subsequent to the adoption of AB 1484, on October 2, 2012, the Board of  
20 Supervisors, acting as the legislative body of the Successor Agency, adopted Ordinance No.  
21 215-12, which, among other matters, delegated to the Successor Agency Commission,  
22 commonly known as the Commission on Community Investment and Infrastructure, the  
23 authority to (1) act in the place of the Redevelopment Commission to, among other matters,  
24 implement, modify, enforce, and complete the Former Agency's enforceable obligations; (2)  
25 approve all contracts and actions related to the assets transferred to or retained by the

1 Successor Agency, including, without limitation, the authority to exercise land use,  
2 development, and design approval, consistent with the applicable enforceable obligations; and  
3 (3) take any action that the Redevelopment Dissolution Law requires or authorizes on behalf  
4 of the Successor Agency and any other action that the Successor Agency Commission deems  
5 appropriate, consistent with the Redevelopment Dissolution Law, to comply with such  
6 obligations. A copy of this ordinance is on file with the Clerk of the Board in File No. 120892.

7 (f) The Board of Supervisors' delegation to the Successor Agency Commission  
8 includes authority to exercise land use, development, and design approvals for the Transbay  
9 Redevelopment Project Area ("Project Area") and to approve amendments to the  
10 Redevelopment Plan as allowed under California Community Redevelopment Law (California  
11 Health and Safety Code Section 33000 et seq.) ("CRL" or "Redevelopment Law") and subject  
12 to adoption of such plan amendments by the Board of Supervisors.

13 (g) For minor plan amendments, Sections 33450-33458 of the CRL sets forth a  
14 simplified amendment process. This process includes a publicly noticed hearing of the  
15 Successor Agency Commission; environmental review to the extent required; adoption of the  
16 minor amendment by the Successor Agency Commission after the public hearing; preparation  
17 of a report to the legislative body; referral of the amendment to the Planning Commission, if  
18 warranted; a publicly noticed hearing of the legislative body; and a legislative body  
19 consideration after its hearing. CRL Sections 33352 and 33457.1 further require the  
20 preparation of a report to the legislative body regarding the plan amendment in order to  
21 provide relevant background information in support of the need purpose and impacts of the  
22 plan amendment.

23 (h) The Redevelopment Plan establishes the land use controls for the Project Area  
24 and divides the Project Area into two subareas. Zone One is generally bounded by Harrison  
25 or Folsom Street on the south; Clementina, Tehama, or Natoma Street on the north; Main or

1 Spear Street on the east; and Second or Ecker Street on the west. In Zone 1 the  
2 Redevelopment Plan defines the land uses. Zone One is intended to be developed with  
3 predominantly residential uses; however, the Redevelopment Plan authorizes general office  
4 uses on specific sites within this Zone. Zone Two is generally bounded by Harrison,  
5 Clementina, Tehama, or Natoma Street on the south; Minna or Mission Street on the north;  
6 Main Street on the east; and Second Street on the west. In Zone 2 the San Francisco  
7 Planning Code applies.

8 (i) The Redevelopment Plan and ancillary land use controls, including the  
9 Development Controls and Design Guidelines for the Transbay Redevelopment Project  
10 ("Development Controls"), already authorize the development of general office uses on  
11 specific sites in Zone One. Specifically, Section 3.3.1 of the Redevelopment Plan expressly  
12 authorizes the development of general office uses within Zone One in areas (1) north of  
13 Howard Street, and (2) north of Folsom Street and west of Ecker Street, which together  
14 comprise a small area of Zone One, limited to portions of two City blocks, i.e. Blocks 5 and 10.

15 (j) A modification to general office development controls under the Redevelopment  
16 Plan would not have an actual effect on Block 10. The Transbay Redevelopment Project Area  
17 Streetscape and Open Space Concept Plan specifies that the western portion of Block 10  
18 (Assessor's Block 3736, Lot 018) must be developed as open space. The eastern portion of  
19 Block 10 (Assessor's Block 3736, Lot 156) is already developed with an office use with a  
20 height limit of 85 feet under the Redevelopment Plan.

21 (k) The Development Controls implement the Redevelopment Plan's authorization for  
22 the development of general office uses within Zone One and provide additional guidance for  
23 the office development of Block 5, which is generally bounded by Howard Street on the south,  
24 Natoma Street on the north, Main Street on the east, and Beale Street on the west. The  
25 Development Controls anticipate that in the event a commercial land use alternative is applied

1 to Block 5, “. . . the development density shall be that of the downtown commercial C-3-O  
2 district in the Planning Code.” However, the Redevelopment Plan contains language  
3 imposing inappropriate bulk limits on commercial development in Block 5.

4 (l) As set forth more fully in subsection (o) below, the Successor Agency Commission  
5 recommends approval of a proposed minor amendment to the Redevelopment Plan (the “Plan  
6 Amendment” or “Minor Plan Amendment”), which would provide that the maximum floor plate  
7 sizes for general office buildings in Zone One shall be consistent with the bulk limits permitted  
8 by Sections 270 (Bulk Limits: Measurement) and 272 (Bulk Limits: Special Exceptions in C-3  
9 Districts) of the Planning Code, as amended from time to time, for development within the C-  
10 3-O (“Downtown Office”) District. Thus, the Minor Amendment makes no substantial change in  
11 the authorized land uses under the Redevelopment Plan.

12 (m) In accordance with Sections 33352 and 33457.1 of the CRL, the Successor  
13 Agency has prepared a Report to the Board and made it available to the public on or before  
14 the date of the notice of the public hearing, held in accordance with Section 33452, on this  
15 ordinance approving the Minor Plan Amendment; said hearing is referenced in subsection (o)  
16 below.

17 (n) **General Plan and Planning Code Section 101.1 Findings.** The Successor  
18 Agency transmitted the Plan Amendment to the Planning Department for the Planning  
19 Department’s recommendation concerning the conformity of the Plan Amendment with the  
20 General Plan. In a letter dated May 28, 2015, the Planning Department found that the Plan  
21 Amendment is, on balance, consistent with the General Plan and in conformity with the priority  
22 policies in Planning Code Section 101.1. A copy of this letter is on file with the Clerk of the  
23 Board in File No. 150435 and incorporated herein by reference. This Board adopts as its own  
24 the findings of the Planning Department that the Plan Amendment is, on balance, consistent  
25 with the General Plan and in conformity with Planning Code Section 101.1.

1           (o) **Successor Agency Commission Action.** On April 7, 2015, after holding a duly  
2 noticed public hearing in accordance with CRL Section 33452, the Successor Agency  
3 Commission, in Resolution Nos. 18-2015 and 19-2015, approved the Report to the Board and  
4 made certain findings. It determined, consistent with its authority under Redevelopment  
5 Dissolution Law, that a minor amendment to the Redevelopment Plan providing that the  
6 maximum floor plate sizes for general office buildings in Zone One be consistent with the bulk  
7 limits permitted by Sections 270 (Bulk Limits: Measurement) and 272 (Bulk Limits: Special  
8 Exceptions in C-3 Districts) of the Planning Code, as amended from time to time, for  
9 development within the C-3-O District ("Downtown Office") is necessary and desirable for  
10 implementation of the Redevelopment Plan. The Successor Agency also adopted the Minor  
11 Plan Amendment. The Successor Agency has transmitted to the Board of Supervisors  
12 certified copies of these Resolutions and attached its Report to Board. Copies of these  
13 documents are on file with the Clerk of the Board in File No. 150435 and are incorporated  
14 herein by reference.

15           (p) The Board of Supervisors held a public hearing on June 9, 2015, on the adoption of  
16 the Minor Plan Amendment. The hearing has been closed. Notice of such hearing was  
17 published in a newspaper of general circulation in the City once per week for three successive  
18 weeks prior to the date of such hearing in accordance with Redevelopment Law Section  
19 33452. At such hearing the Board considered the report and recommendations of the  
20 Successor Agency Commission, the Planning Department's letter, the Final Environmental  
21 Impact Statement/Environmental Impact Report for the Transbay Terminal/Caltrain Downtown  
22 Extension/Redevelopment Project ("FEIS/EIR"), and all evidence and testimony regarding the  
23 Plan Amendment. The Board hereby adopts findings to the extent required by the CRL as set  
24 forth in this Section 1.

25           (q) **California Environmental Quality Act Findings.**

1 (1) The Board of Supervisors, in Motion No. 04-67, affirmed the certification  
2 under the California Environmental Quality Act ("CEQA") of the FEIS/EIR. Subsequently, the  
3 Board, in Resolution No. 612-04, adopted CEQA findings that various actions related to the  
4 Transbay Terminal/Caltrain Downtown Extension/Redevelopment Project complied with  
5 CEQA. As part of this action, the Board imposed mitigation measures, rejected alternatives,  
6 adopted a statement of overriding benefits, and approved a mitigation monitoring and  
7 reporting program. Also, the Board, in Ordinance Nos. 124-05 and 99-06, adopted additional  
8 CEQA findings. The FEIS/EIR expressly contemplated development of commercial office and  
9 hotel uses within the Project Area, including up to 848,435 square feet of mixed-use office and  
10 retail development on Block 5 of Zone One. The Board motion, resolution, and ordinances  
11 are on file with the Clerk of the Board in File Nos. 040629, 041079, 050184, and 060347  
12 respectively and are incorporated herein by reference.

13 (2) The Successor Agency has reviewed the FEIS/EIR and the Minor Plan  
14 Amendment and determined that development resulting from the Minor Plan Amendment  
15 requires no additional environmental review pursuant to State CEQA Guidelines Sections  
16 15180, 15168, 15162, and 15163. All environmental effects of the Minor Plan Amendment  
17 have been considered and analyzed in the prior FEIS/EIR and subsequent FEIS/EIR Addenda  
18 Nos. 1-6. These documents and supporting administrative record data are on file with the  
19 Successor Agency in its offices at 1 So. Van Ness Avenue, San Francisco, 94102, and are  
20 incorporated herein by reference.

21 (3) The CEQA findings and statement of overriding considerations adopted in  
22 accordance with CEQA by this Board as set forth above remain adequate, accurate, and  
23 objective.

24 (4) The Board has reviewed and considered the CEQA findings that it  
25 previously adopted. It also reviewed and considered the CEQA findings contained in

1 Successor Agency Resolution Nos. 18-2015 and 19-2015, and hereby adopts those additional  
2 CEQA findings as its own. The Board additionally finds that : (A) implementation of the Plan  
3 Amendment does not require revisions to the FEIS/EIR due to involvement of new significant  
4 environmental effects or a substantial increase in the severity of previously identified  
5 significant effects; (B) no substantial changes have occurred with respect to the  
6 circumstances under which the project analyzed in the FEIS/EIR will be undertaken that would  
7 require major revisions to the FEIS/EIR due to the involvement of new significant  
8 environmental effects, or a substantial increase in the severity of effects identified in the  
9 FEIS/EIR; and (C) no new information of substantial importance to the project analyzed in the  
10 FEIS/EIR has become available that would indicate that (i) the Plan Amendment will have  
11 significant effects not discussed in the FEIS/EIR; (ii) significant environmental effects will be  
12 substantially more severe; (iii) mitigation measures or alternatives found not feasible that  
13 would reduce one or more significant effects have become feasible; or (iv) mitigation  
14 measures or alternatives that are considerably different from those in the FEIS/EIR will  
15 substantially reduce one or more significant effects on the environment. Copies of the  
16 abovementioned resolutions are on file with the Clerk of the Board in File No. 150435.  
17

18       Section 2. **Purpose and Intent.** The purpose and intent of the Board of Supervisors  
19 with respect to the Plan Amendment is to make general office development within Zone One  
20 subject to bulk limits permitted by Sections 270 (Bulk Limits: Measurement) and 272 (Bulk  
21 Limits: Special Exceptions in C-3 Districts) of the Planning Code, as amended from time to  
22 time, for development within the C-3-O ("Downtown Office") Zoning District.  
23  
24  
25

Section 3. **Plan Incorporation by Reference.** The Redevelopment Plan as amended by this ordinance is incorporated in and made a part of this ordinance by this reference with the same force and effect as though set forth fully in this ordinance.

Section 4. **Redevelopment Plan Amendment.**

(a) Section 3.5.2 of the Redevelopment Plan is hereby amended to read as follows:

The Zone One Plan Map and the table and text below illustrate the heights and floor plate sizes permitted for residential buildings in Zone One.

Maximum Floor Plates for Residential Buildings

Building Height (feet)	Maximum Floor Plate Size (square feet)
85-250	7,500
251-300	10,000
301-350	10,500
351-400	11,000
401-450	11,500
451-500	12,000
501-550	13,000

For residential towers above 500 feet in total height, the average floor plate size of the portion of the tower above 350 feet must not exceed 12,000 square feet. Below 85 feet, no bulk controls will apply.

The bulk controls for residential buildings prescribed in this section have been carefully considered in relation to the objectives and policies for Zone One of the Project Area. The

1 maximum average floor plate size above 350 feet for residential towers with heights of 501-  
2 550 feet has been written to conform to the San Francisco Downtown Area Plan. There may  
3 be some exceptional cases in which the maximum average floor plate above 350 feet for  
4 residential towers with heights of 501-550 feet could be permitted to be exceeded. The  
5 ~~Successor~~ Agency Commission may approve exceptions to this control provided that the  
6 project sponsors demonstrate that all of the design guidelines for residential towers in the  
7 Development Controls and Design Guidelines are incorporated into the tower design. In no  
8 case shall residential tower floor plates exceed 13,000 square feet.

9 For general office buildings in Zone One, the maximum floor plate sizes shall be consistent with  
10 the bulk limits permitted by Sections 270 (Bulk Limits: Measurement) and 272 (Bulk Limits: Special  
11 Exceptions in C-3 Districts) of the San Francisco Planning Code, as amended from time to time, for the  
12 C-3-O District (Downtown Office).

13  
14 **Section 5. Further Findings and Determinations under Community**  
15 **Redevelopment Law.** The Board of Supervisors hereby makes the following findings,  
16 determinations, and declarations, based on the record before it, including but not limited to  
17 information contained in the Report to the Board.

18 (a) The purpose of the Plan Amendment is to facilitate on Block 5 of the Project Area,  
19 general office use that is already permitted under the Redevelopment Plan and the  
20 Development Controls.

21 (b) Although significant improvements have occurred in the Project Area since  
22 adoption of the Redevelopment Plan, most of Block 5 remains an undeveloped and blighted  
23 area currently used for surface parking and storage. The Plan Amendment will alleviate the  
24 adverse physical and economic conditions on Block 5 by maximizing developable square feet,  
25 creating an efficient and leasable general office building.

1 (c) The Plan Amendment will redevelop the Project Area as set forth in the Report to  
2 the Board in conformity with Redevelopment Law and promote the public peace, health,  
3 safety, and welfare.

4 (d) The adoption and carrying out of the Plan Amendment is economically sound and  
5 feasible as described in the Report to the Board. Private enterprise will finance the  
6 commercial development on Block 5. The Plan Amendment does not propose any new  
7 Successor Agency capital expenditures, involve any new indebtedness or financial obligation  
8 of the Successor Agency, or change the Successor Agency's overall method of financing the  
9 redevelopment of the Project Area.

10 (e) For the reasons set forth in subsection (n) of Section 1 above, the Plan  
11 Amendment is consistent with the General Plan of the City and County of San Francisco and  
12 in conformity with the priority policies in City Planning Code Section 101.1.

13 (f) The Plan Amendment does not authorize the condemnation of real property.

14 (g) The Plan Amendment does not displace any occupants of housing in the Project  
15 Area and thus no residential relocation plan is required.

16 (h) There are no non-contiguous areas in the Project Area.

17 (i) The Plan Amendment does not change the boundaries of the Project Area.

18 (j) The elimination of blight and redevelopment of the Project Area could not be  
19 reasonably expected to be accomplished by private enterprise acting alone without the  
20 application of the appropriate land use controls.

21 (k) The Project Area is predominantly urbanized, as defined by Redevelopment Law  
22 Section 33320.1(b).

23 (l) The Plan Amendment changes neither the Redevelopment Plan's time limitation nor  
24 its limitation on the number of dollars to be allocated to the Successor Agency.  
25

1           Section 6. **Official Plan.** As required by Sections 33457.1 and 33367 of the CRL, the  
2 Board of Supervisors hereby approves and adopts the Redevelopment Plan, as amended by  
3 the Plan Amendment, as the official Redevelopment Plan for the Transbay Redevelopment  
4 Project Area. A copy of the Plan is in Clerk of the Board File Nos. 050184, 060347. A copy of  
5 the Plan Amendment is in Clerk of the Board File No. 150435. These documents are  
6 incorporated herein by reference.

Be it ordained by the People of the City and County of San Francisco:

Section 1. FINDINGS. The Board of Supervisors of the City and County of San Francisco (the "Board of Supervisors" or "Board") hereby makes the following findings, determinations, and declarations, based on the record before it, including but not limited to information contained in the Report to the Board of Supervisors on the Amendment to the Redevelopment Plan for the Transbay Redevelopment Project Area ("Report to the Board"), dated January 19, 2016, as updated March 21, 2016, and on file with the Clerk of the Board in File No. 160150.

1 (a) The San Francisco Redevelopment Agency approved the Redevelopment Plan  
2 (the "Redevelopment Plan") for the Transbay Redevelopment Project Area (the "Project  
3 Area") by Resolutions No. 19-2005 (January 25, 2005) and No. 95-2005 (June 7, 2005).

4 (b) The Board of Supervisors approved the Redevelopment Plan by Ordinances  
5 No. 124-05 (June 21, 2005) and No. 99-06 (May 9, 2006).

6 (c) On February 1, 2012, California Health and Safety Code Sections 34170 et seq.  
7 (the "Redevelopment Dissolution Law") dissolved redevelopment agencies and established  
8 successor agencies to fulfill the remaining obligations of the former redevelopment agencies.

9 (d) Subsequent to the dissolution of the redevelopment agencies, the Board of  
10 Supervisors, acting as the legislative body of the Successor Agency to the San Francisco  
11 Redevelopment Agency, adopted Ordinance No. 215-12, which was signed by the Mayor on  
12 October 4, 2012, and which transferred the assets (other than housing assets) and obligations  
13 of the San Francisco Redevelopment Agency ("Former Agency") to the Office of Community  
14 Investment and Infrastructure ("OCII" or "Successor Agency") and some of the housing assets  
15 of the Former Agency to the City, acting by and through the Mayor's Office of Housing and  
16 Community Development. A copy of this ordinance is on file with the Clerk of the Board in File  
17 No. 120898.

18 (e) Ordinance No. 215-12 delegated to the Commission of the Successor Agency,  
19 commonly known as the Commission on Community Investment and Infrastructure ("CCII"),  
20 the authority to (1) act in the place of the Commission of the Former Agency to, among other  
21 matters, implement, modify, enforce, and complete the Former Agency's enforceable  
22 obligations; (2) approve all contracts and actions related to the assets transferred to or  
23 retained by the Successor Agency, including, without limitation, the authority to exercise land  
24 use, development, and design approval, consistent with the applicable enforceable  
25 obligations; (3) approve amendments to the Redevelopment Plan as allowed under California

1 Community Redevelopment Law (California Health and Safety Code Section 33000 et seq.)  
2 ("CRL" or "Redevelopment Law") and subject to adoption of such plan amendments by the  
3 Board of Supervisors; and (4) take any action that the Redevelopment Dissolution Law  
4 requires or authorizes on behalf of the Successor Agency and any other action that the CCII  
5 deems appropriate, consistent with the Redevelopment Dissolution Law, to comply with such  
6 obligations.

7 (f) Under Redevelopment Dissolution Law, the Successor Agency has an  
8 enforceable obligation to ensure that 25% of the residential units developed in the Project  
9 Area will be available to low income households and that an additional 10% will be available  
10 to moderate income households (the "Transbay Affordable Housing Obligation"). The source  
11 of this obligation is Section 5027.1 of the California Public Resources Code, which obligation  
12 has been incorporated into the Redevelopment Plan and in the Implementation Agreement,  
13 dated as of January 20, 2005, between the Former Agency and the Transbay Joint Powers  
14 Authority and has been finally and conclusively determined by the California Department of  
15 Finance to be an enforceable obligation under Redevelopment Dissolution Law.

16 (g) The Redevelopment Plan establishes the land use controls for the Project Area  
17 and divides the Project Area into two subareas. Zone One is generally bounded by Harrison  
18 Street or Folsom Street on the south; Clementina Street, Tehama Street, or Natoma Street on  
19 the north; Main Street or Spear Street on the east; and Second Street or Ecker Street on the  
20 west. In Zone One, OCII maintains the land use review authority and the Redevelopment Plan  
21 and Development Controls and Design Guidelines define the land uses, which are  
22 predominantly residential. Zone Two is generally bounded by Harrison Street, Clementina  
23 Street, Tehama Street, or Natoma Street on the south; Minna Street or Mission Street on the  
24 north; Main Street on the east; and Second Street on the west. In Zone Two, the Planning  
25

1 Department and Planning Commission maintain land use review authority and the San  
2 Francisco Planning Code land use controls apply.

3 (h) The Redevelopment Plan specifies the land use of Block 1 of Zone One of the  
4 Project Area ("Block 1") as Transbay Downtown Residential and provides for a maximum  
5 height limit of 300 feet. The Development Controls and Design Guidelines for the Transbay  
6 Redevelopment Project ("Development Controls") also specify a Block 1 maximum height limit  
7 of 300 feet for a residential tower on a portion of the site.

8 (i) Block 1 is an approximately 54,098-square-foot site located on Folsom Street  
9 between Main Street and Spear Street in Zone One of the Project Area. It is comprised of  
10 Assessor's Block 3740, Lots 027, 029, 030, 031, and 032. Lot 027 (approximately 34,133  
11 square feet) is owned by OCII; the balance of the properties (approximately 19,965 square  
12 feet) is held by Block One Property Holder, L.P., an affiliate of Tishman Speyer ("Developer").

13 (j) On November 18, 2014, the CCII authorized an Exclusive Negotiations  
14 Agreement (the "ENA") with the Developer for (a) the sale to Developer of the portion of Block  
15 1 owned by OCII (Block 3470, Lot 027) and (b) the development of a combined affordable and  
16 market-rate homeownership project consisting of a residential tower, two residential podium  
17 buildings, and townhouses surrounding open space on Block 1. The ENA contemplates two  
18 project alternatives: one with a tower height of 300 feet, as allowed under the Redevelopment  
19 Plan, and the other with a tower height of 400 feet, that would require the Redevelopment  
20 Plan Amendment.

21 (k) As set forth more fully in Section 1, subparagraph (q) of this ordinance, the CCII  
22 recommends approval of a proposed amendment to the Redevelopment Plan (the "Plan  
23 Amendment"), which would increase the maximum height limit from 300 feet to 400 feet on  
24 Block 1. The Plan Amendment would make no other substantial change to the authorized  
25 land uses under the Redevelopment Plan. The CCII recommends the Plan Amendment to

1 achieve the goals and objectives set for the Redevelopment Plan, including among others, the  
2 creation of a community identity and built form that ensure that high-rise buildings reflect high  
3 quality architectural and urban design standards, and the creation of housing opportunities  
4 that provide a mixture of housing types and sizes to attract a diverse residential population,  
5 including families and people of all income levels.

6 (l) The CCII also recommends the proposed Plan Amendment because it promotes  
7 the expeditious fulfillment of the Transbay Affordable Housing Obligation. The 400-foot  
8 development proposal for the site would provide approximately 73 additional housing units on  
9 Block 1, for a total of 391 units. Under this proposal, 156 (40%) of the units would be  
10 affordable to moderate income households. The 300-foot development proposal for Block 1  
11 would provide approximately 318 total residential units, of which 112 (35%) would be  
12 affordable to low and moderate income households.

13 (m) Over the past several years, the Transbay Citizens Advisory Committee ("CAC")  
14 has reviewed and considered the proposal for development of Block 1 and the Plan  
15 Amendment. On January 14, 2016, the CAC voted and recommended approval of the Plan  
16 Amendment by the CCII and the Board of Supervisors.

17 (n) Sections 33450-33458 of the CRL establish a process to amend a  
18 redevelopment plan. This process includes a publicly noticed hearing of the CCII;  
19 environmental review to the extent required; adoption of the Plan Amendment by the CCII  
20 after the public hearing; preparation of a Report to the Board of Supervisors; referral of the  
21 Plan Amendment to the Planning Commission for its report and recommendation; a publicly  
22 noticed hearing of the Board of Supervisors and Board of Supervisors consideration after its  
23 hearing. Pursuant to Section 33457.1 of the CRL, a proposed amendment to a  
24 redevelopment plan requires the preparation and public availability of reports and information  
25

1 that would otherwise be required for a redevelopment plan adoption "to the extent warranted"  
2 by the proposed amendment.

3 (o) The Successor Agency has prepared the Report to the Board, which the CCII  
4 approved by Resolution No. 1-2016, and has made the Report to the Board available to the  
5 public on or before the date of the notice of the public hearing, held in accordance with CRL  
6 Section 33454, on this ordinance approving the Plan Amendment; said hearing is referenced  
7 in Section 1, subparagraph (p) of this ordinance.

8 (p) On January 19, 2016, after holding a duly noticed public hearing in accordance  
9 with Redevelopment Law Section 33452, the CCII approved, by Resolution Nos. 1-2016 and  
10 2-2016, the Report to the Board and authorized its transmittal to the Board of Supervisors for  
11 its background information in considering the proposed Plan Amendment; referred the Plan  
12 Amendment to the Planning Commission for its report and recommendation on the Plan  
13 Amendment and its conformance to the General Plan; found and determined that the Plan  
14 Amendment is within the scope of the project analyzed by the final environmental impact  
15 report for the Transbay Terminal/ Caltrain Downtown Extension/Redevelopment Project  
16 ("FEIR") and the eighth addendum to the FEIR prepared by the Successor Agency, in  
17 consultation with the San Francisco Planning Department ("Addendum"); approved the Plan  
18 Amendment; and recommended the Plan Amendment to the Board of Supervisors for its  
19 approval. The Successor Agency has transmitted to the Board of Supervisors certified copies  
20 of these Resolutions and attached its Report to the Board. Copies of the Plan Amendment  
21 and the CCII's Resolution Nos. 1-2016 and 2-2016, on file with the Clerk of the Board of  
22 Supervisors in File No. 160150, are incorporated in this Ordinance by this reference.

23 (q) The Successor Agency transmitted the proposed Plan Amendment to the San  
24 Francisco Planning Department ("Planning Department") for the report and recommendation  
25 of the San Francisco Planning Commission ("Planning Commission") concerning the

1 conformity of the Plan Amendment with the San Francisco General Plan ("General Plan").  
2 The Planning Department has determined that an amendment to the General Plan would be  
3 required to revise Map 5 of the Downtown Area Plan to include a notation stating that the  
4 proposed height and bulk district on Block 1 shall be consistent with controls provided in the  
5 Redevelopment Plan (the "Downtown Area Plan Amendment"). The Downtown Area Plan  
6 Amendment corrects an apparent oversight to Map 5, which excluded certain Zone One  
7 parcels from General Plan amendments made at the time the Redevelopment Plan was  
8 originally adopted, and will bring the map into conformance with the Redevelopment Plan and  
9 the Planning Code. On February 25, 2016, by Resolution No. 19572, the Planning  
10 Commission approved the proposed Downtown Area Plan Amendment. Also on February 25,  
11 2016, by Motion No. 19573, the Planning Commission found that the Redevelopment Plan  
12 Amendment is consistent with the General Plan, as amended, and in conformity with the  
13 priority policies in Planning Code, Section 101.1, and recommended approval of the Plan  
14 Amendment to the Board of Supervisors. A copy of the Planning Commission Motion No.  
15 19573 and Resolution No. 19572 are on file with the Clerk of the Board of Supervisors in File  
16 No. 160188 and incorporated into this ordinance by this reference as though fully set forth.  
17 This Board, for the reasons specified in Planning Commission Motion No. 19573 adopts as its  
18 own the findings of the Planning Commission that the Plan Amendment is consistent with the  
19 General Plan and in conformity with Planning Code, Section 101.1.

20 (r) On April 12, 2016, the Board of Supervisors held a public hearing on the  
21 adoption of the proposed Plan Amendment in the Board Legislative Chamber, 1 Dr. Carlton B.  
22 Goodlett Place, Room 250, San Francisco, CA. The hearing has been closed. Notice of such  
23 hearing was duly and regularly published in a newspaper of general circulation in the City and  
24 County of San Francisco, once per week for three successive weeks prior to the date of such  
25 hearing in accordance with Redevelopment Law Section 33452. The Board considered the

1 Report on the Plan Amendment and recommendations of the CCII, the Planning Commission  
2 report and recommendations, the Addendum to the FEIR; and all evidence and testimony for  
3 and against the proposed Plan Amendment, including written objections to the adoption of the  
4 proposed Plan Amendment received by the Clerk of Board and the written response prepared  
5 by OCII to those objections, a copy of which response is on file with the Clerk of the Board of  
6 Supervisors in File No. 160150 (the "Response"). The Board hereby adopts findings to the  
7 extent required by the CRL as set forth in Section 5 of this ordinance.

8 (a) CEQA Findings. The Board of Supervisors has adopted environmental findings  
9 in compliance with the California Environmental Quality Act ("CEQA Findings") in companion  
10 Ordinance No. \_\_\_\_\_, on file with the Clerk of the Board of Supervisors in File  
11 No. 160188. The companion Ordinance No. \_\_\_\_\_ approves General Plan  
12 amendments to Map 5 of the Downtown Area Plan related to portions of Blocks 1 and 2 in the  
13 Transbay Redevelopment Project Area. The Board's CEQA Findings in Ordinance No.  
14 \_\_\_\_\_ concur with CEQA Findings of the CCII and the Planning Commission that the  
15 FEIR and Addendum support the conclusion that no additional environmental review is  
16 required under CEQA other than the FEIR and Addendum. The Board hereby incorporates  
17 into this ordinance by this reference the CEQA Findings adopted by the Board in companion  
18 Ordinance No. \_\_\_\_\_.

19 Section 2. PURPOSE AND INTENT. The purpose and intent of the Board of  
20 Supervisors with respect to the Plan Amendment is to increase the maximum height limit from  
21 300 feet to 400 feet on Block 1 of Zone One of the Project Area for the purpose of allowing the  
22 Successor Agency to consider approval of a residential development proposal that would  
23 include 40 percent of the total number of units as affordable units.  
24  
25

1           Section 3. PLAN INCORPORATION BY REFERENCE. The Redevelopment Plan as  
2 amended by this ordinance is incorporated in and made a part of this ordinance by this  
3 reference with the same force and effect as though set forth fully in this ordinance.

4           Section 4. REDEVELOPMENT PLAN AMENDMENT. The Zone One Plan Map  
5 provided in Exhibit 4 of the Redevelopment Plan is hereby amended by striking the “300 ft”  
6 maximum height designation provided on Block 1, and replacing this text with the designation  
7 “400 ft.”

8           Section 5. FURTHER FINDINGS AND DETERMINATIONS UNDER COMMUNITY  
9 REDEVELOPMENT LAW. To the extent required by the Community Redevelopment Law,  
10 the Board of Supervisors hereby further finds, determines, and declares, based on the record  
11 before it, including but not limited to information contained in the Report on the Plan  
12 Amendment, that:

13           (a) The purpose of the Plan Amendment is to facilitate, on Block 1 in Zone One of  
14 the Project Area, development of a residential tower extending to a maximum height of 400  
15 feet, which would be consistent with the Redevelopment Plan goals and objectives, provide a  
16 significant amount of affordable housing, and comply with the Redevelopment Dissolution  
17 Law’s requirements for expeditious completion of enforceable obligations.

18           (b) The adoption and carrying out of the Plan Amendment is economically sound  
19 and feasible as described in the Report to the Board. It does not propose any new capital  
20 expenditures by the Successor Agency, involve any new indebtedness or financial obligation  
21 of the Successor Agency, or change the Successor Agency’s overall method of financing the  
22 redevelopment of the Project Area. Instead, the Plan Amendment relies on private enterprise  
23 to finance the market rate housing and a large portion of the affordable housing on Block 1.

24           (c) Although significant improvements have occurred in the Project Area since  
25 adoption of the Redevelopment Plan, most of Block 1 remains an undeveloped and blighted

1 area currently used for surface parking and limited office use. The Plan Amendment will  
2 alleviate the adverse physical and economic conditions on Block 1 by maximizing developable  
3 square feet and increasing dwelling unit count.

4 (d) For the reasons set forth in Section 1, subparagraph (q) of this ordinance, the  
5 Plan Amendment is consistent with the General Plan, as amended by companion Ordinance  
6 No. 65-16 and is consistent with the priority policies in City Planning Code, Section 101.1  
7 based on the findings set forth in Planning Commission Resolution No. 19572 and Motion  
8 No. 19573, which findings this Board has incorporated as its own.

9 (e) As discussed in Section 1, subparagraph (q) of this ordinance, the Successor  
10 Agency in conjunction with the Planning Department has prepared an Addendum to the FEIR  
11 pursuant to State CEQA Guidelines Section 15164, documenting its decision on the basis of  
12 substantial evidence that the Plan Amendment does not trigger the need for preparation of a  
13 subsequent or supplemental EIR and the Board of Supervisors concurs with this decision as  
14 set forth in Section 1, subparagraph (s).

15 (f) As described in the Report to the Board, adoption of the Plan Amendment will  
16 not adversely affect the physical or social quality of the neighborhood, nor will it cause the  
17 destruction or removal of housing units from the low- and moderate-income housing market or  
18 displacement of low- or moderate-income housing. Rather, the Plan Amendment, by  
19 facilitating a greater density of development at a site designated for residential use, will  
20 increase the supply of housing and affordable housing in the Project Area.

21 (g) The Board of Supervisors hereby adopts, as its findings, the Response to written  
22 objections to the Plan Amendment as required under Section 33363 of the Health and Safety  
23 Code and incorporates the Response, including the findings contained therein, by reference  
24 as though fully set forth in this Ordinance.  
25

1           Section 6. OFFICIAL PLAN. As required by Sections 33457.1 and 33367 of the CRL,  
2 the Board of Supervisors hereby approves and adopts the Redevelopment Plan, as amended  
3 by the Plan Amendment, as the official redevelopment plan for the Project Area.

4           Section 7. CONTINUED EFFECT OF PREVIOUS ORDINANCES AS AMENDED.  
5 Ordinance Nos. 124-05, 99-06, and 84-15 remain in full force and effect as amended by this  
6 Ordinance.

7           Section 8. TRANSMITTAL OF PLAN AS AMENDED. The Clerk of the Board of  
8 Supervisors shall without delay (a) transmit a copy of this ordinance to the Successor Agency,  
9 whereupon the Successor Agency shall be vested with the responsibility for carrying out the  
10 Redevelopment Plan as amended, and (b) record or ensure that the Successor Agency  
11 records a notice of the approval and adoption of the Plan Amendment pursuant to this  
12 ordinance, containing a statement that the proceedings for the redevelopment of the Project  
13 Area pursuant to the Plan Amendment have been instituted under the CRL.

14           Section 9. RATIFICATION OF PRIOR ACTS. All actions taken by City officials and the  
15 CCII in preparing and submitting the Plan Amendment to the Board of Supervisors for review  
16 and consideration are hereby ratified and confirmed, and the Board of Supervisors hereby  
17 authorizes all subsequent action to be taken by City officials and the CCII consistent with this  
18 Ordinance.

19           Section 10. Effective Date. In accordance with Sections 33378(b)(2) and 33450 of the  
20 CRL, this ordinance shall become effective 90 days from the date of enactment. Enactment  
21 occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or  
22 does not sign the ordinance within ten days of receiving it, or the Board of Supervisors

Be it ordained by the People of the City and County of San Francisco:

Section 1. General Findings.

In accordance with California Community Redevelopment Law (California Health and Safety Code Sections 33000 et seq.), the Board of Supervisors of the City and County of San Francisco hereby makes the following findings, determinations, and declarations, based on the record before it, including but not limited to information contained in the Report to the Board of Supervisors on the Amendment to the Redevelopment Plan for the Transbay Redevelopment Project Area ("Report to the Board"), dated November 1, 2022, and on file with the Clerk of the Board in File No. 221216:

1 (a) The Board of Supervisors established the Transbay Redevelopment Project Area  
2 ("Project Area") and approved a Redevelopment Plan for the Project Area by Ordinance No.  
3 124-05 and by Ordinance No. 99-06, as amended by Ordinance No. 84-15 and Ordinance No.  
4 62-16 ("Redevelopment Plan") to undertake a variety of projects and activities to alleviate  
5 blighting conditions. The Redevelopment Plan establishes the land use controls for the Project  
6 Area and divides the Project Area into two subareas, known as Zone 1 and Zone 2.

7 (b) In 2003, the State of California adopted California Public Resources Code Section  
8 5027.1, which requires that any redevelopment plan adopted to finance, in whole or in part,  
9 the demolition of the former transbay terminal building and the construction of a new terminal,  
10 including its associated vehicle ramps (the "Transbay Transit Center," or "TTC"), shall ensure  
11 that at least 25% of all dwelling units developed within the Project Area shall be available at  
12 affordable housing cost to, and occupied by, persons and families whose incomes do not  
13 exceed 60% of the area median income, and that at least an additional 10% of all dwelling  
14 units developed within the Project Area shall be available at affordable housing cost to, and  
15 occupied by, persons and families whose incomes do not exceed 120% of the area median  
16 income, for a total 35% affordable housing obligation ("Transbay Affordable Housing  
17 Obligation").

18 (c) Also in 2003, the State of California, acting through its Department of  
19 Transportation ("State") entered into an agreement with the Transbay Joint Powers Authority  
20 ("TJPA") and the City ("Cooperative Agreement") whereby the State agreed to transfer  
21 approximately 10 acres of State-owned property ("State-Owned Parcels") in and around the  
22 former transbay terminal to the City and the TJPA, which would then sell the State-Owned  
23 Parcels and use the revenues from the sales to finance the TTC.  
24  
25

1 (d) In 2006, the TJPA and the former San Francisco Redevelopment Agency ("Former  
2 Agency") executed an agreement ("Implementation Agreement"), which required the Former  
3 Agency to take the lead role in facilitating the development of the State-Owned Parcels.

4 (e) The Implementation Agreement required the Former Agency to: (1) prepare and  
5 sell the State-Owned Parcels to third parties; (2) deposit the sale proceeds into a trust  
6 account to help the TJPA pay the cost of constructing the TTC; (3) implement the  
7 Redevelopment Plan to enhance the financial feasibility of the TTC; and (4) fund the state-  
8 mandated Transbay Affordable Housing Obligation.

9 (f) In 2008, the City, the Former Agency, and the TJPA granted the Former Agency an  
10 option to acquire the State-Owned Parcels, arrange for development of the parcels, and  
11 distribute the net tax increment to the TJPA to use for the TTC ("2008 Option Agreement").

12 (g) On February 1, 2012, the State of California dissolved all redevelopment agencies,  
13 including the Former Agency, and required the transfer of certain of the Former Agency's  
14 assets and obligations to the Successor Agency to the Redevelopment Agency of the City and  
15 County of San Francisco ("Successor Agency," commonly known as the Office of Community  
16 Investment and Infrastructure, or "OCII"). Cal. Health & Safety Code §§ 34170 et seq.  
17 ("Redevelopment Dissolution Law"). On June 27, 2012, the Redevelopment Dissolution Law  
18 was amended to clarify that successor agencies are separate public entities from the city or  
19 county that had originally established a redevelopment agency and they succeed to the  
20 organizational status of the former redevelopment agency to complete any work related to an  
21 approved enforceable obligation. Cal. Health & Safety Code § 34173(g).

22 (h) The Board of Supervisors, acting as the legislative body of the Successor Agency,  
23 adopted Ordinance No. 215-12, which, among other matters: (a) acknowledged and  
24 confirmed that the Successor Agency is a separate legal entity from the City; and (b)  
25 established the Successor Agency Commission ("OCII Commission") and delegated to it the

1 authority to (i) implement, modify, enforce, and complete the Former Agency's enforceable  
2 obligations, (ii) approve all contracts and actions related to the assets transferred to or  
3 retained by the Successor Agency, including, without limitation, the authority to exercise land  
4 use, development, and design approval, consistent with the applicable enforceable  
5 obligations, and (iii) take any action that the Redevelopment Dissolution Law requires or  
6 authorizes on behalf of the Successor Agency and any other action that the OCII Commission  
7 deems appropriate, consistent with the Redevelopment Dissolution Law, to comply with such  
8 obligations.

9 (i) Pursuant to the Redevelopment Dissolution Law, all of the Former Agency's assets  
10 (other than certain housing assets) and obligations were transferred to the Successor Agency.

11 (j) Under Redevelopment Dissolution Law, the Successor Agency's role is to complete  
12 those enforceable obligations of the Former Agency that the California Department of Finance  
13 has finally and conclusively approved under Redevelopment Dissolution Law. On April 15,  
14 2013, the Department of Finance determined "finally and conclusively," under Cal. Health &  
15 Safety Code, Section 34177.5(i), that the Implementation Agreement, Transbay Affordable  
16 Housing Obligation, and the Transbay Redevelopment Project Tax Increment Allocation and  
17 Sales Proceeds Pledge Agreement ("Pledge Agreement") are enforceable obligations; and

18 (k) Transbay Redevelopment Plan Block 2 (Assessor's Block 3739, Lot 014) is a  
19 former State-Owned Parcel subject to the 2008 Option Agreement, constituting approximately  
20 42,627 square feet and located within the Project Area at 200 Folsom Street, bounded by  
21 Folsom, Main, and Beale Streets and extending approximately 155 feet northwest from  
22 Folsom Street (the "Site").

23 (l) On January 7, 2021, the Successor Agency exercised its rights to acquire Block 2  
24 from the TJPA.

1 (m) Through a competitive request for proposals process, the Successor Agency  
2 selected Mercy Housing California and Chinatown Community Development Center (the  
3 "Sponsors") to co-develop the Site. Pursuant to an Exclusive Negotiations Agreement  
4 between the Successor Agency and affiliates of the Sponsors (approved as OCII Commission  
5 Resolution No. 09-2021), the Sponsors have engaged in predevelopment activities for the Site  
6 and have proposed the development of two mixed-use residential buildings as well as related  
7 public and private open space and streetscape improvements. The building on the eastern  
8 side of the Site includes 184 rental housing units that will serve low-income households and  
9 formerly homeless households, resident-serving amenities, approximately 1,959 square feet  
10 of retail space, and an approximately 6,447 square foot childcare facility. The building on the  
11 western portion of the Site includes 151 rental housing units that will serve low-income senior  
12 households and formerly homeless seniors, resident-serving amenities, and approximately  
13 2,945 square feet of retail space. The two buildings combined comprise the "Block 2 Project".

14 (n) The Redevelopment Plan specifies the land use of Block 2 as "Transbay  
15 Downtown Residential" and specifies that the maximum residential floor plates for buildings  
16 between 85 feet and 250 feet in height shall not exceed 7,500 square feet.

17 (o) The OCII Commission recommends approval of a proposed amendment to the  
18 Redevelopment Plan (the "Plan Amendment"), which would increase the maximum floor plate  
19 size on Block 2 to 11,100 square feet for that portion of buildings over 85 feet but no more  
20 than 144 feet in height, and increase the maximum floor plate size to 9,200 square feet for  
21 that portion of buildings over 144 feet but no more than 165 feet in height.

22 (p) The Plan Amendment would make no other substantial change to the authorized  
23 land uses or physical controls under the Redevelopment Plan. The OCII Commission  
24 recommends the Plan Amendment to achieve the goals and objectives set for the  
25 Redevelopment Plan, including, among others, the creation of housing opportunities that

1 provide a mixture of housing types and sizes to attract a diverse residential population,  
2 including families and people of all income levels.

3 (q) The OCII Commission also recommends the proposed Plan Amendment because  
4 it implements the Transbay Affordable Housing Obligation. The Plan Amendment will facilitate  
5 development of approximately 31 additional housing units on Block 2 than would be possible  
6 under the existing bulk limitations, for a total of 335 units. With the exception of two  
7 unrestricted manager's units, all of the Block 2 residential units will be permanently restricted  
8 for affordability to extremely low- and low-income households (ranging between 15% and 70%  
9 of area median income).

10 (r) The Transbay Citizens Advisory Committee ("CAC") has reviewed and been  
11 apprised of the proposal for development of Block 2. On September 8, 2022, the CAC voted  
12 and recommended approval of the Plan Amendment by the OCII Commission and the Board  
13 of Supervisors.

14 (s) Sections 33450-33458 of the California Health & Safety Code establish a process  
15 to amend a redevelopment plan. As applicable, this process includes a publicly noticed  
16 hearing of the OCII Commission; environmental review, if required; adoption of the Plan  
17 Amendment by the OCII Commission after the public hearing; preparation of a Report to the  
18 Board of Supervisors; referral of the Plan Amendment to the Planning Commission for its  
19 report and recommendation; a publicly noticed hearing of the Board of Supervisors, and  
20 Board of Supervisors consideration after its hearing. Pursuant to Health & Safety Code  
21 Section 33457.1, a proposed amendment to a redevelopment plan requires the preparation  
22 and public availability of reports and information that would otherwise be required for a  
23 redevelopment plan adoption "to the extent warranted" by the proposed amendment.

24 (t) The Successor Agency prepared the Report to the Board, and made the Report to  
25 the Board available to the public before the date of the notice of the OCII Commission public

1 hearing, held in accordance with Health & Safety Code Section 33454, on this ordinance  
2 approving the Plan Amendment.

3 (u) On November 1, 2022, after holding a duly noticed public hearing in accordance  
4 with Health & Safety Code Section 33452, the OCII Commission, by Resolution Nos. 40-2022  
5 and 41-2022, approved the Report to the Board and authorized its transmittal to the Board of  
6 Supervisors for its background information in considering the proposed Plan Amendment;  
7 referred the Plan Amendment to the Planning Commission for its report and recommendation  
8 on the Plan Amendment and its conformance to the General Plan; made findings under the  
9 California Environmental Quality Act ("CEQA"); approved the Plan Amendment; and  
10 recommended the Plan Amendment to the Board of Supervisors for its approval. Copies of  
11 the Plan Amendment and OCII Commission Resolution Nos. 40-2022, and 41-2022 are on file  
12 with the Clerk of the Board of Supervisors in File No. 221216, and are incorporated herein by  
13 reference.

14 (v) On January 10, 2022, the Board of Supervisors held a public hearing on the  
15 adoption of the proposed Plan Amendment in the Board Legislative Chamber, 1 Dr. Carlton B.  
16 Goodlett Place, Room 250, San Francisco, CA. The hearing has been closed. Notice of such  
17 hearing was duly and regularly published in a newspaper of general circulation in the City and  
18 County of San Francisco, once per week for three successive weeks prior to the date of such  
19 hearing in accordance with Health and Safety Code Section 33452. The Board considered the  
20 Report on the Plan Amendment and recommendations of the OCII Commission, the Planning  
21 Commission report and recommendations, applicable environmental review documents; and  
22 all evidence and testimony for and against the proposed Plan Amendment. The Board hereby  
23 adopts findings to the extent required by the Health and Safety Code.

1           Section 2. Environmental and Planning Code Findings.

2           (a) On April 22, 2004, after a duly noticed joint public hearing with the Peninsula  
3 Corridor Joint Powers Board (the "JPB"), in Motion No. 16773, the Planning Commission  
4 certified as adequate and complete the final Environmental Impact Statement/Environmental  
5 Impact Report ("Final EIS/EIR") for the Transbay Terminal/Caltrain Downtown  
6 Extension/Redevelopment Project (Planning Department Case No. 2000.048E) in accordance  
7 with CEQA, the CEQA Guidelines (Cal. Code of Regulations Title 14, sections 15000 et seq.),  
8 and Chapter 31 of the San Francisco Administrative Code. Said Motion is on file with the  
9 Clerk of the Board of Supervisors in File No. 041079 and is incorporated herein by reference.

10          (b) On April 20, 2004, in Resolution No. 45-2004, the Former Agency, at a duly noticed  
11 public hearing, also certified the Final EIS/EIR and made findings similar to those of the  
12 Commission and JPB in regard to CEQA and the CEQA Guidelines.

13          (c) In 2004, the Board of Supervisors, in Motion No. 04-67, affirmed the certification of  
14 the FEIS/EIR. In Resolution No. 612-04, effective October 7, 2004, the Board of Supervisors  
15 adopted findings that various actions related to the Transbay Terminal/Caltrain Downtown  
16 Extension/Redevelopment Project complied with CEQA. Also, in 2005 and 2006, the Board of  
17 Supervisors adopted, in Ordinance Nos. 124-05 and 99-06, additional CEQA findings. Said  
18 Motion, Resolution, and the CEQA Findings are on file with the Clerk of the Board of  
19 Supervisors in File Nos. 041079 and 221216 and are incorporated herein by reference.  
20 Subsequent to the adoption of the Final EIS/EIR, the Former Agency, the Successor Agency  
21 or other responsible agencies under CEQA/NEPA have approved and incorporated nine  
22 addenda into the analysis of the Final EIS/EIR (as incorporated, the "FEIS/EIR") and made  
23 requisite findings under CEQA (findings referenced in recital (a) and (b) collectively referred to  
24 as the "CEQA Findings"), which documents are on file with the Clerk of the Board of  
25 Supervisors in File No. 221216 and is incorporated herein by reference.

1 (d) The Successor Agency, as lead agency under CEQA and in consultation with the  
2 Planning Department, prepared Addendum No. 10 to the EIS/EIR, dated October 26, 2022  
3 ("Addendum"). The Addendum evaluates the environmental effects of the Block 2 Project.

4 (e) On November 1, 2022, after a duly noticed public hearing, the OCII Commission  
5 determined, by Resolution No. 39-2022, that: the Block 2 Project would not cause new  
6 significant impacts that were not identified in the EIS/EIR; the Block 2 Project would not cause  
7 significant impacts that were previously identified in the EIS/EIR to become substantially more  
8 severe; no new mitigation measures would be necessary to reduce significant impacts; no  
9 changes have occurred with respect to circumstances surrounding the Block 2 Project that  
10 would cause significant environmental impacts to which the Project would contribute  
11 considerably; and no new information has become available that shows that the Block 2  
12 Project would cause significant environmental impacts. For these reasons, no supplemental  
13 environmental review is required. This determination is on file with the Clerk of the Board of  
14 Supervisors in File No. 221216 and is incorporated herein by reference.

15 (f) The Board of Supervisors, acting in its capacity as a responsible agency under  
16 CEQA, has reviewed and considered the EIS/EIR and the Addendum, and hereby adopts the  
17 CEQA findings set forth in OCII Commission Resolution No. 39-2022 and Planning  
18 Commission Motion No. 21213 and hereby incorporates such findings by reference as though  
19 fully set forth in this ordinance.

20 (g) On December 1, 2022, the Planning Commission, in Motion No. 21213, adopted  
21 findings that the actions contemplated in this ordinance are consistent, on balance, with the  
22 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board  
23 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the  
24 Board of Supervisors in File No. 221216, and is incorporated herein by reference.

Section 3. Purpose and Intent. The purpose and intent of the Board of Supervisors with respect to the Plan Amendment is to increase the maximum floor plate sizes for buildings on Block 2, as described above, for the purpose of allowing the Successor Agency to consider approval of the Block 2 Project, and to increase the amount of affordable housing on Block 2, which will contribute to and complement the overall goals and objectives of the Redevelopment Plan, facilitate the Successor Agency's actions to complete the Affordable Housing Obligation, and expeditiously wind down the activities of the dissolved redevelopment agency as required under Redevelopment Dissolution Law.

Section 4. Plan Incorporation by Reference. The Redevelopment Plan as amended by this ordinance is incorporated in and made a part of this ordinance by this reference with the same force and effect as though set forth fully in this ordinance.

Section 5. Redevelopment Plan Amendment. Subsection 3.5.2 of the Redevelopment Plan is hereby amended to read as follows:

**3.5.2 Height and Size of Buildings**

The Zone One Plan Map and the table and text below illustrate the heights and floor plate sizes permitted for residential buildings in Zone One.

**Maximum Floor Plates for Residential Buildings**

<i>Building Height (feet)</i>	<i>Maximum Floor Plate Size (square feet)</i>
85 – 250	7,500*
251 – 300	10,000
301 – 350	10,500
351 - 400	11,000
401 – 450	11,500
451 – 500	12,000
501 – 550	13,000

\* On Transbay Block 2, a Maximum Floor Plate Size of 11,100 square feet is permitted for the portion of the building between 85 feet and 144 feet in height and a Maximum Floor Plate Size of 9,200 square feet is permitted for the portion of the building between 144 feet and 165 feet in height.

For residential towers above 500 feet in total height, the average floor plate size of the portion of the tower above 350 feet must not exceed 12,000 square feet. Below 85 feet, no bulk controls will apply.

Section 6. Further Findings and Determinations Under Community Redevelopment Law. To the extent required by the Community Redevelopment Law, the Board of Supervisors hereby further finds, determines, and declares, based on the record before it, including but not limited to information contained in the Report on the Plan Amendment, that:

(a) The purpose of the Plan Amendment is to increase, on Block 2 in Zone One of the Project Area, the number of residential units in a larger, mid-rise building, which would be consistent with the Redevelopment Plan goals and objectives, provide a significant amount of affordable housing, and comply with the Redevelopment Dissolution Law's requirements for expeditious completion of enforceable obligations.

(b) The adoption and carrying out of the Plan Amendment are economically sound and feasible. The Plan Amendment does not propose any new capital expenditures by the Successor Agency, involve any new indebtedness or financial obligation of the Successor Agency, or change the Successor Agency's overall method of financing the redevelopment of the Project Area. By facilitating increased density on Block 2, the Plan Amendment provides for greater efficiencies in the Successor Agency's efforts to comply with the Transbay Affordable Housing Obligation. The Successor Agency has taken and will take steps to fund the Block 2 Project in compliance with existing enforceable obligations.

1 (c) Although significant improvements have occurred in the Project Area since  
2 adoption of the Redevelopment Plan, Block 2 remains an undeveloped and blighted area  
3 previously used as the temporary Transbay Bus Terminal, and is currently vacant. The Plan  
4 Amendment will alleviate the adverse physical and economic conditions on Block 2 by  
5 maximizing developable square feet and increasing dwelling unit count.

6 (d) For the reasons set forth in Sections 1 and 2 of this ordinance, the Plan  
7 Amendment is consistent with the General Plan and is consistent with the priority policies in  
8 Planning Code Section 101.1, based on the findings set forth in Planning Commission Motion  
9 No. 21213, which findings this Board has incorporated as its own.

10 (e) The Plan Amendment will not adversely affect the physical or social quality of the  
11 neighborhood, nor will it cause the destruction or removal of housing units from the low- and  
12 moderate-income housing market or displacement of low- or moderate-income housing.  
13 Rather, the Plan Amendment, by facilitating a greater density of development at a site  
14 designated for residential use, will increase the supply of affordable housing in the Project  
15 Area.

16 (f) The carrying out of the Plan Amendment will promote the public peace, health,  
17 safety, and welfare of the community and would effectuate the purposes and policy of the  
18 Community Redevelopment Law, as amended by the Redevelopment Dissolution Law.

19  
20 Section 7. Official Plan. As required by Health and Safety Code Sections 33457.1 and  
21 33367, the Board of Supervisors hereby approves and adopts the Redevelopment Plan, as  
22 amended by the Plan Amendment, as the official redevelopment plan for the Project Area.

23  
24 Section 8. Continued Effect of Previous Ordinances as Amended. Ordinance Nos.  
25 124-05, 99-06, 84-15, and 62-16 remain in full force and effect as amended by this Ordinance.

1  
2           Section 9.   Transmittal of Plan as Amended. The Clerk of the Board of Supervisors  
3 shall without delay: (a) transmit a copy of this ordinance to the Successor Agency, whereupon  
4 the Successor Agency shall be vested with the responsibility for carrying out the  
5 Redevelopment Plan as amended; and (b) record or ensure that the Successor Agency  
6 records a notice of the approval and adoption of the Plan Amendment pursuant to this  
7 ordinance, containing a statement that the proceedings for the redevelopment of the Project  
8 Area pursuant to the Plan Amendment have been instituted as required under Community  
9 Redevelopment Law.

10  
11           Section 10. Effective Date. In accordance with Sections 33378(b)(2) and 33450 of the  
12 Community Redevelopment Law, this ordinance shall become effective 90 days from the date  
13 of enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
14 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
15 of Supervisors overrides the Mayor's veto of the ordinance.

16  
17           Section 11. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors  
18 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
19 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the  
20 Redevelopment Plan that are explicitly shown in this ordinance as additions, deletions, Board  
21 amendment additions, and Board amendment deletions in accordance with the "Note" that  
22 appears under the official title of the ordinance.
