Ocean Avenue Association / Catherine Hickey Statement of Experience

The Ocean Avenue Association (OAA) is a new Community Benefit District (CBD) which began services in July 2011 along the Ocean Avenue corridor in the Ocean-Merced-Ingleside (OMI) neighborhood. OAA's mission is to revitalize the Ocean Avenue corridor from Interstate 280 to Manor Drive through sanitation, safety programs, marketing, promotion and advocacy for property and business owners.

OAA's predecessor, the Ocean Avenue Revitalization Collaborative (OARC), worked with merchants, property owners and residents on the Ocean Avenue commercial corridor since 2005. OARC's goals were to address street level issues through corridor revitalization programs. The OAA, continues to carry out a similar mission but by virtue of being a CDB, is able to engage in longer-term economic development strategies. The mobilization of merchants and community stakeholders are key to improving the overall health of Ocean Avenue.

The OAA is committed to making the Ocean Avenue corridor a vibrant and safe place by providing programs and services that improve the quality of life for those who live and work in the community. Entrepreneurs, merchants and neighborhood stakeholders benefit from the CBD in numerous ways. The OAA provides supplemental sanitation services 6 days a week, inclusive of sidewalk sweeping, reporting incidents to 311, graffiti removal from private and public property and power washing of sidewalks and transit boarding islands.

The OAA also advocates for local businesses by reaching out to elected officials and City agencies on topics such as zoning, urban design, and tax policy. The CBD also serves as an ombudsman, helping member's access public services.

Catherine Hickey, the Executive Director, has extensive experience in community and economic development and the community planning process. She knows how to leverage resources and mobilize stakeholders, and is one of the best possible champions and advocates for change in the district.

Being part of the Balboa Park Community Advisory Committee will tie in the retail and allow for faster dissemination of information to businesses and property owners. In turn, it will provide input from these two important groups.
