RE: File Number 120511: Memorandum of Understanding (MOU) with the San Francisco Sheriffs' Managers and Supervisors Association

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of the MOU between the City and County of San Francisco and the San Francisco Sheriffs' Managers and Supervisors Association. The amendment applies to the period commencing July 1, 2012 through June 30, 2014, affecting 103 authorized positions with a salary base of approximately $12.3 million and an overall pay and benefits base of approximately $14.7 million.

As seen in Attachment A, our analysis projects that this agreement will result in approximately $6,000 of cost savings to the City during FY 2012-2013 and $347,000 of increased costs in FY 2013-14. Our analysis assumes a scenario where premiums, overtime, step, and attrition grow consistent with wage changes.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

Ben Rosenfield
Controller

INTRODUCTION

The impasse between the parties came on for interest arbitration hearings on April 21, April 26, May 5 and May 11, 2012, at 1 South Van Ness Avenue, San Francisco, pursuant to Section A8.590-5 of the Charter ("Charter") of the City and County of San Francisco ("City").

Matthew Goldberg, arbitrator/mediator, had been previously agreed upon by the parties to act as the neutral Chairperson of the Arbitration Board. William Avery, negotiator for the City's Department of Human Resources, was selected by the Employer as its Board Member, and Lisette Adams, President of San Francisco Sheriff's Managers and Supervisors Association (MSA or "The Union"), was selected by the Union as its Board Member.

The City was represented at the hearing by Terence Howzell, Esq., Deputy City Attorney. The Union was represented by Peter W. Saltzman, Esq., of Leonard Carder, LLP. The hearing was recorded by a Certified Shorthand Reporter, and the parties were afforded the full opportunity to present and call witnesses, to cross-examine the witnesses of the other party, and to present evidence and arguments in support of their positions.

TENTATIVE AGREEMENTS

Prior to, and during the, arbitration, the parties managed to reach tentative agreements on several issues which they had put upon the bargaining table. The Chair of the Board very closely queried the advocates and his fellow board members as to whether the tentative agreements had been reached in good faith and at arms-length, and was assured by everyone involved in the process that such was the case. Therefore, the Board approves each of these tentative agreements and directs the inclusion of them all into the new Collective Bargaining Agreement ("CBA"), as follows:

1. Union Proposal # 5 – Standby Pay
2. Union Proposal #7 – Acting Assignment Pay
3. Union #11 – 2-year term of the MOU

4. Union Proposal #26 – Awards Ceremony
5. Union Proposal #28 – Release Time
6. City Proposal #3 – Wellness Cleanup
7. City Proposal #7 – Accelerated Step Deletion
8. City Proposal #10 – Dental Premium
9. City Proposal #13 – Layoff Election
10. City Proposal #17 - PPSD Address Update
11. City Proposal #18 – 2007 Reopen Cleanup
12. City Proposal #19 – Retirement/Proposition C
13. City Proposal #21 – Work Schedule Cleanup
14. City Proposal #23 – Health and Welfare (version 4)

STIPULATED AWARD ON REMAINING ISSUES

Under the Charter, unresolved differences in negotiations between the City and a recognized employee organization which persist to the point of impasse are submitted to final and binding interest arbitration, to be heard and decided by a three-member board. The City appoints one member thereto, the union appoints its member, and those two members select a third, neutral person to chair the board.

Charter Section A8.590-5(c) requires, among other things, that the Arbitration Board

> hold public hearings, receive evidence from the parties and cause a transcript of the proceedings to be prepared. The Arbitration Board, in the exercise of its discretion, may meet privately with the parties, mediate or arbitrate the issues in dispute. The Arbitration Board may also adopt such other procedures that are designed to encourage an agreement between the parties, expedite the arbitration process, or reduce the costs of the arbitration process.

In this case, the Arbitration Board held public hearings on April 21, April 26, May 5 and May 11, 2012, received evidence from both parties on all issues in dispute, and caused a transcript of all proceedings to be prepared. At the end of these proceedings on May 11, 2012, the Arbitration Board, in the exercise of its discretion, asked the neutral Chairperson to make recommendations to the parties on each of the issues still in dispute, which if agreed upon would be incorporated in a stipulated arbitration award. Adopting this procedure, the parties eventually stipulated to the following five provisions, which are hereby incorporated into this Opinion and Award and to which all three panel members concur:

1. The text of paragraph 104 of the Agreement ("The parties acknowledge and understand that the market wage adjustment process set forth herein was reached by mutual agreement and is intended to determine market wage adjustments only during the term of this Agreement.") will be deleted and replaced with:

> During collective bargaining negotiations in 2012, the Union proposed changes to the preceding market wage adjustment formula for the supervisorial classifications it represents. At the conclusion of arbitration proceedings pursuant to Charter Section A8.590-5, it was agreed that wage increases during the 2012-14 term would be as specified in subsection (A) below, and that the parties will meet and confer as set forth in subsections (B)-(C) below.
>
> (A) There shall be a one percent (1%) base wage increase for all represented classifications effective on each of the following dates: July 1, 2013, January 4, 2014 and March 29, 2014.
>
> (B) Prior to the commencement of negotiations for the next contract term beginning July 1, 2014, the parties shall complete a survey of total compensation (maximum monthly salary, maximum educational incentive premiums, employer payment of mandatory employee retirement

contributions and retirement supplements, and longevity/retention premiums) for the rank of Captain (8312). The survey shall be conducted of the counties of Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, Santa Cruz, Solano and Sonoma, and shall be updated to reflect rates known and officially authorized for payment as of May 15, 2014. The difference between the average total amount of all survey data points and comparable total amount for San Francisco Sheriff's Captains for the identical data points shall be calculated as a percentage, which shall serve as a basis for collective bargaining negotiations for the successor term beginning on July 1, 2014.

(C) During the term of this Agreement, the parties shall meet and confer on salary differentials between successive classifications (8308, 8310, 8312 and 8314) to serve as a basis for collective bargaining negotiations for the successor term beginning on July 1, 2014. These negotiations shall be subject to the terms of Charter Section A8.590-5, except that for purposes of this Agreement only, (i) the date "January 20" in A8.590-5(b) shall be changed to "October 20, 2013", (ii) Arbitrator Matthew Goldberg, if then available, will serve as the third member of the Arbitration Board, and (iii) the Arbitration Board, if necessary, shall issue a decision on or before March 1, 2014.

2. Effective July 1, 2012, employees may accumulate a balance of compensatory time not in excess of 160 hours.

3. Sergeants and Lieutenants (8308 and 8310) shall be eligible to work all supervisory overtime (subject to legal restrictions), based on location, rank and bargaining unit seniority. "Supervisory overtime" is any overtime necessary to meet a supervisory minimum or a task that requires the supervision, management or direction of sworn or uniformed staff.

4. The parties acknowledge that under the San Francisco Administrative Code Section 18.13-1(c), the maximum permissible overtime limitations contained in Code Section 18.13-1(a) "shall not apply to overtime worked by any employee where the City and County of San Francisco incurs no direct or indirect additional costs and where the employee acquires no right to compensatory time off. For the purposes of this Section, "direct or indirect additional costs" includes any additional salary, wages, compensatory time or any other benefit provided at that time or deferred until a later date."

5. Commencing in July 2012, the Union and the Department shall negotiate separately in good faith regarding (a)-(f) below:

(a) The number of PTO slots (for vacation time, in lieu or floating holidays, or compensatory time) that will be made available to bargaining unit members.

(b) How to incorporate "briefing time" at the beginning of each shift subject to the operational needs of the Department.

(c) Whether to adopt a Pilot Physical Fitness/Wellness Incentive Program.

(d) Whether to participate in the Housing/Rental Loan Program covering employees of the San Francisco Police and Fire Departments, subject to approval of the Board of Supervisors.

(e) Clarification of the overtime available to bargaining unit members (i.e., overtime on non-supervisory posts, tasks or assignments to which bargaining unit members are routinely assigned).

(f) Whether to eliminate the Intermediate POST premium prospectively and replace it with a Supervisory/Management POST premium for employees with a BA on a cost neutral basis.

These negotiations shall be subject to the terms of Charter Section A8.590-5, except that for purposes of this Agreement only, (i) the date "January 20" in A8.590-5(b) shall be changed to "October 20, 2012", (ii) Arbitrator Matthew Goldberg, if then available, will serve as the third member of the Arbitration Board, and (iii) the Arbitration Board, if necessary, shall issue a decision on or before May 1, 2013.

arbitration board. The City appoints one member thereto, the union appoints its member, and those two members select a third, neutral person to chair the board.

Charter Section A8.590-5 requires the Board to decide each issue in dispute by "selecting whichever last offer of settlement on that issue it finds most nearly conforms to those factors traditionally taken into consideration in the determination of wages, hours, benefits and terms and conditions of public and private employment, including, but not limited to: changes in the average consumer price index for goods and services; the wages, hours, benefits and terms and conditions of employment of employees performing similar services; the wages, hours, benefits and terms and conditions of other employees in the City and County of San Francisco; and the formulas provided for in this Charter for the establishment and maintenance of wages, hours, benefits and terms and conditions of employment.
