RE: Resolution Authorizing the execution and delivery of a Multifamily Housing Revenue Indebtedness Note for 121 Golden Gate Avenue Senior Housing Community for an amount not to exceed $25,370,000

Dear Supervisor Kim:

The Mayor's Office of Housing (MOH) requests your support in introducing and sponsoring a resolution (attached) at the Board of Supervisors on Tuesday, June 19, 2012, which would authorize the City to enter into qualified mortgage revenue indebtedness for 121 Golden Gate Avenue Senior Housing Community (the "Project"). This is the follow-up legislation to the resolution you sponsored in July 2011 that authorized MOH to apply to the California Debt Limit Allocation Committee for an allocation of qualified mortgage revenue indebtedness. Mercy Housing California has received its HUD Firm Commitment, and is ready to proceed toward bond closing and start of construction. A new TEFRA Hearing was held on June 11, 2012, as referenced in the resolution, since the TEFRA hearing held last year is only valid for a limited time period.

121 Golden Gate Ave Senior Community is being developed by Mercy Housing California, and will provide 90 units of affordable senior housing with 18 units set aside for formerly homeless seniors. The housing will be developed in an air rights parcel above the Saint Anthony Foundation redeveloped dining room and social service space in the basement, first and second floors of the building. All senior households will earn less than 50% of AMI (typically under 20% AMI) and 100% of the units have rent subsidies; 87 of the units will have the HUD Project Rental Assistance Contract rent subsidy and 3 units are planned to have the City's Local

Operating Subsidy Program (LOSP) rent subsidy. The Department of Public Health will provide services funding for the homeless seniors.

Mercy Housing California received a HUD Section 202 capital grant award in the amount of $12.9 million in 2010, as well as an Affordable Housing Program award from the Federal Home Loan Bank in the amount of $900,000. MOH is providing a permanent loan of $10.9 million, as well as a bridge loan in the amount of $810,000 to cover initial year operating costs prior to the final HUD closing.

The Mayor's Office of Housing has previously issued bonds for rental housing. These financings are conduit financings, which do not require the City to pledge City funds as repayment of the bonds. Rather, the bondholders' only recourse for payment are the project revenues themselves and any credit enhancement provided by lenders. The transaction for 121 Golden Gate Avenue Senior Community involves an alternative structure that requires loan documents rather than bond documents and therefore MOH is requesting approval of a mortgage revenue note. Just as with all of the other multifamily housing mortgage revenue bonds MOH has issued on behalf of its affordable housing projects and programs, this is a conduit, or pass-through, financing mechanism and it is not an obligation of the City to repay the Note from City funds.

We request that the resolution be introduced at the Board on **June 19, 2012**, and are assuming it would be referred to Land Use Committee either June 25 or July 2. We request that the resolution be approved by the Board on **July 17**. We anticipate that bond closing will occur in late July and construction will start in early August 2012.

The attached resolution has been reviewed by Deputy City Attorney Kenneth Roux and is in final form. If you have any questions about the resolution or the project, please contact my staff, Anne Romero at 701-5525, or Joan McNamara at 701-5532. Thank you for your assistance.

Sincerely,

Teresa Yanga
Director of Housing Development
