14 Be it ordained by the People of the City and County of San Francisco:

15
16 Section 1. The Planning Department has determined that the actions contemplated in
17 this Ordinance comply with the California Environmental Quality Act (California Public
18 Resources Code Section 21000 et seq.). Said determination is on file with the Clerk of the
19 Board of Supervisors in File No. 120682 and is incorporated herein by reference.

20
21 Section 2. Pursuant to Article XIII C of the Constitution of the State of California, this
22 Ordinance shall be submitted to the qualified electors of the City and County of
23 San Francisco, at the November 6, 2012 consolidated general election.
24
25

1 Section 3. The San Francisco Business and Tax Regulations Code is hereby amended
2 by adding Article 12-A-1 to read as follows:

3
4 **SEC. 950. FINDINGS AND PURPOSE.**

5 The voters hereby find and declare as follows:

6 1. San Francisco is the only major city in California that levies its entire business tax on
7 payroll expense. This exclusive payroll-based tax discourages job creation and economic growth,
8 lowers wages, and provides an unstable revenue stream.

9 2. San Francisco currently charges a flat rate on its payroll expense tax base. Instituting a
10 tiered rate structure, in which businesses are taxed based on their gross receipts, will better distribute
11 the tax burden according to a business's ability to pay.

12 3. Gross receipts is the most common business tax base among California's largest cities.

13 4. Amending San Francisco's business tax system to include a gross receipts tax will promote
14 revenue stability by diversifying the tax base.

15 5. The rate schedules and the small business exemption for businesses with receipts under
16 \$1,000,000 provide particular tax relief to small businesses.

17 6. The legislation will gradually phase in the new gross receipts tax over a five-year period,
18 beginning in tax year 2014, to allow businesses time to adjust to the change and to minimize the risk to
19 the City and to taxpayers of instability in City revenues during the transition from the payroll expense
20 tax to a gross receipts tax.

21 7. Also beginning in tax year 2014, the payroll expense tax will be adjusted, over the same
22 period, in increments that are consistent with the phase in of the gross receipts tax.

23 8. Each year during the phase-in period, the formula dictates an increase in the gross receipts
24 tax rate and an adjustment in the payroll expense tax rate that is expected to reduce the payroll expense
25 tax rate to zero by or before 2018. The Controller will calculate the annual increase in the gross

1 receipts tax rate and the adjustment in the payroll expense tax rate by applying formulas specified in
2 this legislation.

3
4 **SEC. 951. SHORT TITLE.**

5 This Article shall be known as the "Gross Receipts Tax Ordinance" and the tax this Article
6 imposes shall be known as the "Gross Receipts Tax."

7
8 **SEC. 952. DEFINITIONS.**

9 Except where the context otherwise requires, the terms used in this Article shall have the
10 meanings given to them in Sections 6.2-1 et seq. of Article 6 and in Article 12-A.

11
12 **SEC. 952.1. ADVANCE PAYMENT.**

13 "Advance payment" means a nonrefundable payment for the purchase of property or services to
14 be delivered or performed in the future.

15
16 **SEC. 952.2. CASH DISCOUNT.**

17 "Cash discount" means a deduction from the invoice price of goods or charge for services
18 which is allowed if the bill is paid on or before a specified date, or paid in cash rather than by credit
19 card.

20
21 **SEC. 952.3. GROSS RECEIPTS.**

22 (a) "Gross receipts" means the total amounts received or accrued by a person from whatever
23 source derived, including, but not limited to, amounts derived from sales, services, dealings in
24 property, interest, rent, royalties, dividends, licensing fees, other fees, commissions and distributed
25 amounts from other business entities. Except as otherwise specifically provided in this Article, gross

1 receipts includes but is not limited to all amounts that constitute gross income for federal income tax
2 purposes. Gross receipts includes all receipts, cash, credits and property of any kind or nature and
3 including any amount for which credit is allowed by the seller to the purchaser, without any deduction
4 therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs,
5 interest paid or payable, losses or any other expense whatsoever, except that cash discounts allowed or
6 taken on sales shall not be included as gross receipts. Gross receipts, including advance payments,
7 shall be included in a taxpayer's gross receipts at the time such receipts are recognized as revenue for
8 federal income tax reporting purposes.

9 (b) "Gross receipts" with respect to any lease or rental shall include payment for any services
10 that are part of the lease or rental, whether received in money or otherwise, that are paid to, on behalf
11 of, or for the benefit of, the lessor, and all receipts, cash, credits, property of any kind or character and
12 the fair market value of services so paid or rendered by the lessee.

13 (c) Treatment of Taxes. "Gross receipts" shall not include the amount of any federal, state, or
14 local tax imposed on or with respect to retail sales whether imposed upon the retailer or upon the
15 purchaser and regardless of whether the amount of tax is stated as a separate charge, or such part of
16 the sales price of any property previously sold and returned by the purchaser to the seller which is
17 refunded by the seller by way of cash or credit allowances given or taken as part payment on any
18 property so accepted for resale. Gross receipts shall also not include any federal, state or local tax
19 imposed upon a person for which that person is reimbursed by means of a separately stated charge to a
20 purchaser, lessee, licensee or customer. Gross receipts shall not include any amount of third-party
21 taxes that a taxpayer collects from or on behalf of the taxpayer's customers and remits to the
22 appropriate governmental entity imposing such tax. Gross receipts shall not include any tax refunds
23 received by a person from a governmental entity. Gross receipts shall include any federal, state or
24 local tax not specifically excluded in this subsection.

1 (d) "Gross receipts" shall not include any amount received from or charged to any person that
2 is a related entity to the taxpayer. Nor shall gross receipts include any grants received from
3 governmental entities or any gifts. Gross receipts also shall not include any distributions (such as
4 dividends, interest and other returns on capital) from an entity treated as a pass-through entity for
5 federal income tax purposes, provided such distributions are derived exclusively from an investment in
6 such entity, and that such entity is a person or a member of a combined group subject to the gross
7 receipts tax.

8 (e) "Gross receipts" from the sale or exchange of stocks or other similar written instruments
9 evidencing a right to participate in the assets of any business, or of bonds or other evidence of
10 indebtedness, or of any other marketable securities (collectively referred to in this Article as "financial
11 instruments") or of any real property shall not include the cost to acquire the financial instrument(s),
12 or real property sold or otherwise exchanged or converted. To the extent that any loss on the sale or
13 exchange of financial instruments reduces the gross income of a person for federal income tax purposes
14 in the year the loss is incurred, that loss shall reduce gross receipts from the sale or exchange of
15 financial instruments, but in no event shall those receipts be less than zero, and in no event may any
16 such loss be carried back or carried forward to reduce gross receipts in a tax year other than that in
17 which the loss was incurred.

18 (f) No person shall be deemed to be engaging in business in the City if that person is an
19 individual whose only gross receipts within the City are derived from investments of that individual's
20 own funds in financial instruments. Gross receipts of an individual shall not include interest,
21 dividends, capital gains and similar items or investment income earned from the investment of that
22 individual's own capital.

23 (g) For purposes of this Article and Article 12, and notwithstanding Section 6.2-12 of Article 6,
24 no person shall be deemed to be engaging in business within the City if its activities in the City consist
25 solely of one or more of the following:

1 (1) contracting with, or otherwise using the services of, any investment advisor or
2 affiliate thereof which is not a related entity;

3 (2) maintaining documents of formation, incorporation, or registration within the City;

4 (3) being an owner, member, or other participant in an entity engaging in business
5 within the City which is a pass-through entity for federal income tax purposes; or

6 (4) having trustees or directors who meet or reside within the City.

7
8 **SEC. 952.4. NAICS CODE.**

9 "NAICS code" means the numerical classification for business activities established in the
10 North American Industry Classification System used by federal governmental agencies to classify
11 business establishments; references in this Article to particular numerical NAICS codes are intended to
12 apply the definitions and descriptions adopted in that system as of the effective date of this Article.

13
14 **SEC. 952.5. RELATED ENTITY.**

15 A person is a "related entity" to a taxpayer if that person and the taxpayer are permitted or
16 required under Section 25102 of the California Revenue and Taxation Code, or any successor, to have
17 their income reflected on the same combined report. For purposes of this Article, if two or more
18 persons derive gross receipts solely from sources within California, and their business activities are
19 such that, if conducted both within and outside California, a combined report would be required under
20 the California Revenue and Taxation Code, or any successor, then those persons are related entities
21 regardless of whether they file a combined report under the California Revenue and Taxation Code, or
22 successor.

1 **SEC. 952.6. SALE AND SELL.**

2 "Sale" and "sell" mean the making of any transfer of title, in any manner or by any means
3 whatsoever, to property for a price, and to the serving, supplying or furnishing, for a price, of any
4 property fabricated or made at the special order of consumers who do or who do not furnish directly or
5 indirectly the specifications or materials therefor. A transaction whereby the possession of property is
6 transferred but the seller retains the title as a security for the payment of the price shall likewise be
7 deemed a sale.

8
9 **SEC. 953. IMPOSITION OF GROSS RECEIPTS TAX.**

10 (a) Except as otherwise provided under this Article, the City imposes and every person
11 engaging in business within the City shall pay an annual gross receipts tax measured by the person's
12 gross receipts from all taxable business activities attributable to the City. A person's liability for the
13 gross receipts tax shall be calculated according to Sections 953.1 through 953.7.

14 (b) The gross receipts tax is a privilege tax imposed upon persons engaging in business within
15 the City for the privilege of engaging in a business or occupation in the City. The gross receipts tax is
16 imposed for general governmental purposes. Proceeds from the tax shall be deposited in the City's
17 general fund and may be expended for any purposes of the City.

18 (c) The voters intend by adopting this measure to authorize application of the gross receipts tax
19 in the broadest manner consistent with the provisions of this Article and the requirements of the
20 California Constitution, the United States Constitution, and any other applicable provision of federal
21 and state law.

22 (d) The gross receipts tax imposed under this Article is in addition to the payroll expense tax
23 imposed under Article 12-A. Persons not otherwise exempt from the gross receipts tax or payroll
24 expense tax shall pay both taxes. Persons exempt from either the gross receipts tax or payroll expense
25 tax, but not both, shall pay the tax from which they are not exempt.

1 (e) Except for subsection (d) of this Section, the tax on Administrative Office Business Activities
2 imposed by Section 953.8 is intended as a complementary tax to the gross receipts tax, and shall be
3 considered a gross receipts tax for purposes of this Section.

16 **LEASING SERVICES.**

17 **(a) The base gross receipts tax rate provided by this Section is applicable to the business**
18 **activities of real estate and rental and leasing services. Commencing on the operative date of the**
19 **Gross Receipts Tax Ordinance, the Controller shall compute the tax rate in accordance with**

7 properties located or used outside the City.

8
9 **SEC. 953.8. TAX ON ADMINISTRATIVE OFFICE BUSINESS ACTIVITIES.**

10 (a) Except as provided in this Section, notwithstanding any other provision of this Article and
11 in lieu of the other taxes provided by this Article and Article 12-A for any person or combined group,
12 every person engaging in business within the City as an administrative office, as defined below, shall
13 pay an annual administrative office tax measured by its total payroll expense that is attributable to the
14 City. If a person is a member of a combined group, then its tax shall be measured by the total payroll
15 expense of the combined group attributable to the City. Such combined group shall pay only the
16 administrative office tax. The administrative office tax rate for each tax year is 1.500 percent.

17 (b) "Engaging in business within the City as an administrative office" means that:

18 (1) a person is engaging in business within the City during the tax year and over
19 50 percent of the total combined payroll expense within the City of that person and its related entities
20 for the preceding tax year was associated with providing administrative or management services
21 exclusively to that person or related entities;

22 (2) the total combined number of employees of that person and its related entities within
23 the United States as of the last day of the preceding tax year exceeded 1,000; and

24 (3) the total combined gross receipts of that person and its related entities reported on
25 United States federal income tax return(s) for the preceding tax year exceeded \$1,000,000,000.

1 (c) For purposes of subsection (b) only, a related entity shall include any person who could be
2 included in the same combined report under California Revenue and Taxation Code Section 25102 but
3 for the existence of a water's edge election under Section 25110 of that Code.

4 (d) "Administrative or management services" comprises oversight services from executive staff
5 and routine support services on an enterprise-wide basis, such as recordkeeping, risk management,
6 personnel administration, legal, accounting, market research and analysis, and training services; it
7 does not include sales personnel or personnel actively engaged in marketing, research and
8 development, direct customer service, and product support services. The Tax Collector is authorized to
9 classify in its reasonable discretion which personnel employed by any person provide administrative or
10 management services.

11 (e) A person provides administrative office services exclusively for itself or a related entity only
12 if the final recipient of those services is at a location where that person or a related entity conducts
13 business activities.

14 (f) "Payroll expense" for purposes of this Section shall have the meaning given to that term by
15 Sections 902.1 et seq. of Article 12-A, except that Section 902.1(b) of Article 12-A shall not apply for
16 purposes of determining whether a person is engaging in business within the City as an administrative
17 office. Section 902.1(b) shall apply for all other purposes under this Section. The portion of the
18 payroll expense of a person or combined group that is attributable to the City shall be determined as
19 set forth in Section 904 of Article 12-A.

20 (g) In addition to the administrative office tax provided in subsection (a), any person engaging
21 in business within the City as an administrative office exclusively for itself or a related entity shall
22 apply for a registration certificate and pay a registration fee, as provided in Article 12.

23 (h) Except as provided in this Section, the provisions of Article 6 and Article 12 apply to the
24 administrative office tax.

1 SEC. 953.9. PERSONS OR COMBINED GROUPS ENGAGED IN MULTIPLE BUSINESS
2 ACTIVITIES.

3 If a person, or a combined group as described in Section 956.3, engages in business activities
4 described in more than one of Sections 953.1 through 953.7, inclusive, of this Article, the rate or rates
5 of gross receipts tax to be applied to that person or group, and the method for determining gross
6 receipts in the City, shall be determined as follows:

7 (a) If more than 80 percent of its gross receipts, determined in accordance with Section 956,
8 are derived from business activities described in only one of Sections 953.1 through 953.7, inclusive,
9 then the rules of that applicable Section apply to all of its gross receipts derived from all business
10 activities.

11 (b) If its business activities in the City are described in more than one of Sections 953.1
12 through 953.7, inclusive, and subsection (a) of this Section does not apply, then such person or
13 combined group shall separately compute the gross receipts tax for each set of business activities as
14 provided in the Section applicable to that particular set of business activities, modified as follows:

15 (1) if the set of business activities described in any of Sections 953.1 through 953.7,
16 inclusive, generates less than 20 percent of the total gross receipts of the person or group, then the
17 receipts and payroll of any such set of activities may be combined for all purposes related to computing
18 the gross receipts tax with whichever set of that person's or group's activities are taxed at the highest
19 rate;

20 (2) the small business exemption provided in Section 954.1 shall apply only if the sum of
21 receipts within the City from all sets of business activities does not exceed \$1,000,000 in total;

22 (3) the progressive rates described in Sections 953.1 through 953.7 apply on an
23 aggregate basis for businesses with multiple sets of activities;

24 (4) the applicable rate for each set of business activities shall be determined in
25 numbered order of the Sections describing each set of business activities; i.e., the gross receipts and tax

1 for business activities described in Section 953.1 should be determined first, Section 953.2 second, and
2 so on;

3 (5) the rate(s) applicable to any set of activities after the first shall be determined by
4 adding together the gross receipts determined for all previous sets of activities and applying the rate
5 scale commencing with the total gross receipts so determined; and

6 (6) the gross receipts tax liability for the person or combined group shall be the sum of
7 the liabilities for each set of business activities.

8
9 **SEC. 954. EXEMPTIONS AND EXCLUSIONS.**

10 (a) Except as provided in subsection (b) of this Section, an organization that is exempt from
11 income taxation by Chapter 4 (commencing with Section 23701) of Part 11 of Division 2 of the Revenue
12 and Taxation Code or Subchapter F (commencing with Section 501) of Chapter 1 of Subtitle A of the
13 Internal Revenue Code of 1986, as amended, as qualified by Sections 502, 503, 504 and 508 of the
14 Internal Revenue Code of 1986, as amended, shall be exempt from taxation under this Article, only so
15 long as those exemptions continue to exist under state or federal law.

16 (b) An organization otherwise exempt from income taxation under subsection (a) that is
17 directly engaged within the City in an unrelated trade or business within the meaning of Section 513(a)
18 of the Internal Revenue Code of 1986, as amended, and has, from its own operations, unrelated
19 business taxable income within the meaning of Section 512(a)(1) of the Internal Revenue Code of 1986,
20 as amended, shall pay the gross receipts tax on its gross receipts from its unrelated trade or business
21 activities that are attributable to the City. If it is impracticable, unreasonable or improper to allocate
22 such organization's gross receipts as aforesaid either because of the particular nature of the
23 organization's unrelated trade or business or for any other reason, then the amount of gross receipts
24 reasonably attributable to the organization's unrelated trade or business in the City shall be
25 determined on the basis of all of the relevant facts and circumstances of the particular case, in

1 accordance with any rulings or regulations issued or promulgated by the Tax Collector for this
2 purpose.

3 (c) Gross receipts as defined in Section 952.3 shall not include receipts from business activities
4 if, and only so long as and to the extent that, the City is prohibited from taxing such receipts under the
5 Constitution or laws of the United States or under the Constitution or laws of the State of California.

6 (d) Rent Controlled Buildings Exclusion. A person subject to the tax may exclude from gross
7 receipts in any tax year 50 percent of the total amount received from the rental of real property to
8 tenants in occupancy at any location in the City, which is subject to limits on rent increases pursuant to
9 the Residential Rent Stabilization and Arbitration Ordinance, San Francisco Administrative Code,
10 Chapter 37, Section 37.1 et seq.

11 (e) Exclusion of Certain Sales of Real Property. Gross receipts as defined in Section 952.3
12 shall not include receipts from any sales of real property with respect to which the Real Property
13 Transfer Tax imposed by Article 12-C has been paid to the City.

14 (f) For only so long as and to the extent that the City is prohibited from imposing the tax under
15 this Article, the following persons shall be exempt from the gross receipts tax:

16 (1) Banks and financial corporations exempt from local taxation under Article XIII,
17 Section 27 of the California Constitution and Revenue and Taxation Code Section 23182;

18 (2) Insurance companies exempt from local taxation under Article XIII, Section 28 of
19 the California Constitution;

20 (3) Persons engaging in business as a for-hire motor carrier of property under Revenue
21 and Taxation Code Section 7233;

22 (4) Persons engaging in intercity transportation as a household goods carrier under
23 Public Utilities Code Section 5327;

24 (5) Charter-party carriers operating limousines that are neither domiciled nor maintain
25 a business office within the City under Public Utilities Code Section 5371.4; and

1 (6) Any person upon whom the City is prohibited under the Constitution or laws of the
2 State of California from imposing the gross receipts tax.

3 (g) To the extent that any taxpayer has paid a substantially similar tax to any other taxing
4 jurisdiction on any gross receipts attributed to the City and taxed under this Article, the tax paid to
5 such taxing jurisdiction shall be credited against the tax due under this Article; in no event shall this
6 credit reduce the taxpayer's liability to less than zero.

7
8 **SEC. 954.1. SMALL BUSINESS EXEMPTION.**

9 (a) Notwithstanding any other provision of this Article, a "small business enterprise," as
10 hereinafter defined for purposes of this Article 12-A-1, shall be exempt from payment of the gross
11 receipts tax, nevertheless, a small business enterprise shall pay the annual registration fee pursuant to
12 Section 855 of Article 12.

13 (b) For purposes of this Article 12-A-1, the term "small business enterprise" shall mean and
14 include any person or combined group, except for a lessor of residential real estate:

15 (1) Whose gross receipts within the City for the preceding tax year did not exceed
16 \$1,000,000; and

17 (2) Who filed a tax return by the last day of February for the preceding tax year, if that
18 person or group had gross receipts in the City of over \$500,000. If a person is required to file a tax
19 return under this Section, and fails to file a return by that date, the taxpayer shall be subject to a
20 penalty as specified in subsection (c).

21 (c) In lieu of the penalty specified in Section 6.17-3 of Article 6 for failing to file a return, any
22 person who otherwise qualifies for the small business exemption set forth in this Section, and who had
23 gross receipts in the City of over \$500,000, who fails to file a return by the last date of February shall
24 pay a penalty as follows:

1 (1) The penalty for the first month, or fraction thereof, that the return is delinquent,
2 shall be 5 percent of the amount of the tax liability, calculated without regard to the small business
3 exemption in this Section. The penalty shall increase by an additional 5 percent each month, or
4 fraction thereof, that the return is delinquent, up to a maximum of 20 percent of the tax liability. Any
5 penalties remaining unpaid for a period of 90 days or more shall be subject to an additional penalty of
6 20 percent of the amount of the tax liability excluding penalties and interest.

7 (2) Penalties are due and payable when assessed. Unpaid penalties, interest and fees
8 shall accrue interest at the rate of 1 percent per month, or fraction thereof, from the date that they are
9 assessed through the date of payment. The total amount of the penalties, interest and fees shall not
10 exceed the amount of the person's gross receipts tax liability for the period but for the small business
11 exemption.

12 (d) The Tax Collector may, at his or her discretion, reduce the penalty set forth in
13 subsection (c) to not less than \$100 upon a showing that the late filing of the return was due to
14 reasonable cause and not due to willful neglect.

15 (e) For purposes of this Article 12-A-1, and notwithstanding any other provision of this Section,
16 a lessor of residential real estate is a "small business enterprise" if and only if the lessor leases fewer
17 than 4 units in any individual building. "Residential real estate" means real property where the
18 primary use of or right to use the property is for the purpose of dwelling, sleeping or lodging other than
19 as part of the business activity of accommodations. For purposes of determining whether a lessor of
20 residential real estate is a small business enterprise, a lessor of residential real estate is treated as a
21 separate person with respect to each individual building in which it leases residential real estate units,
22 notwithstanding Section 6.2-15 of Article 6, or Section 956.3 of this Article. The provisions of this
23 subsection apply only to leasing residential real estate units within a building, and not to any business
24 activity related to other space, either within the same building or other buildings, which is not
25

1 residential real estate. The Tax Collector is authorized to determine what constitutes a separate
2 building and the number of units in a building.

3
4 **SEC. 955. PERSONS DERIVING NO GROSS RECEIPTS FROM BUSINESS ACTIVITIES**
5 **OUTSIDE THE CITY.**

6 Notwithstanding any other provision of this Article, any person subject to the gross receipts tax
7 who derives non-exempt gross receipts from business activities within the City and derives no gross
8 receipts from business activities outside the City is subject to tax on all non-exempt gross receipts.

9
10 **SEC. 956. ALLOCATION AND APPORTIONMENT FOR ALL PERSONS DERIVING GROSS**
11 **RECEIPTS FROM BUSINESS ACTIVITIES BOTH WITHIN AND OUTSIDE THE CITY.**

12 All persons deriving gross receipts from business activities both within and outside the City
13 shall allocate and/or apportion their gross receipts to the City, using the rules set forth in Section 956.1
14 and 956.2, in the manner directed in Sections 953.1 through 953.7, inclusive, and in Section 953.9 of
15 this Article.

16
17 **SEC. 956.1. ALLOCATION OF RECEIPTS FROM REAL, PERSONAL, TANGIBLE AND**
18 **INTANGIBLE PROPERTY.**

19 (a) For all persons required to determine an amount of gross receipts pursuant to this Section,
20 that amount shall be all non-exempt gross receipts within the City as determined hereunder.

21 (b) Gross receipts from the sale, lease, rental or licensing of real property are in the City if the
22 real property is located in the City.

23 (c) Gross receipts from sales of tangible personal property are in the City if the property is
24 delivered or shipped to a purchaser within the City regardless of the f.o.b. point or other conditions of
25 the sale.

1 (d) Gross receipts from the rental, lease or licensing of tangible personal property are in the
2 City if the property is located in the City.

3 (e) Gross receipts from services are in the City to the extent the purchaser of the services
4 received the benefit of the services in the City.

5 (f) Gross receipts from intangible property are in the City to the extent the property is used in
6 the City. In the case of financial instruments, sales are in the City if the customer is located in the City.

7
8 **SEC. 956.2. APPORTIONMENT OF RECEIPTS BASED ON PAYROLL.**

9 (a) For all persons required to determine an amount of gross receipts pursuant to this Section,
10 that amount shall be all combined gross receipts of the person multiplied by a fraction, the numerator
11 of which is payroll in the City and the denominator of which is combined payroll.

12 (b) Combined gross receipts are the total worldwide gross receipts of the person and all
13 related entities to the person, unless the election provided for in California Revenue and Taxation Code
14 Section 25110 is in effect for the person, in which case combined gross receipts shall be computed
15 consistently with the water's edge election, as set forth therein.

16 (c) Combined payroll is the total worldwide compensation paid by the person and all related
17 entities to the person, unless the election provided for in California Revenue and Taxation Code
18 Section 25110 is in effect for the person, in which case combined payroll shall be computed consistently
19 with the water's edge election, as set forth therein. A person who has no combined payroll in a tax year
20 shall have no gross receipts under this Section for that tax year.

21 (d) Payroll in the City is the total amount paid for compensation in the City by the person and
22 by all related entities to the person.

23 (e) Compensation paid in the City shall be determined as set forth in Section 904 of
24 Article 12-A.

1 (f) "Compensation" means wages, salaries, commissions and any other form of remuneration
2 paid to employees for services. In the case of any person who has no employees, compensation shall
3 also include all taxable income for federal income tax purposes of the owners or proprietors of such
4 person who are individuals. Those owners or proprietors shall be treated as individuals to whom
5 compensation is paid for purposes of subsection (e).

6 (g) The apportionment provided by this Section shall not include in either the numerator or the
7 denominator any payroll of persons exempt from tax under subsections (a), (b), or (f) of Section 954.

8
9 **SEC. 956.3. COMBINED RETURNS.**

10 A person engaging in business within the City must file gross receipts tax returns as provided in
11 Article 6. Those returns must be filed on a combined basis with all of that person's related entities.
12 That person, and all of that person's related entities, constitute a combined group. Every combined
13 group must file a single return; the combined group may choose a single person to file the return on its
14 behalf. Each person within the combined group engaging in business in the City must provide a power
15 of attorney to the person filing the return, authorizing the person filing the return to file said return and
16 to act on behalf of each person with respect to payments, refunds, audits, resolutions, and any other
17 items related to the tax liability reflected in the return. The power of attorney shall be substantially in
18 a form to be promulgated by the Tax Collector. Each return filed by a combined group constitutes a
19 combined return under this Article and Article 6. The person filing any combined return shall pay the
20 tax liability reflected on the return and any liability determined on audit at the time and in the manner
21 set forth for returns and liabilities in Article 6.

22
23 **SEC. 957. TAX COLLECTOR AUTHORIZED TO DETERMINE GROSS RECEIPTS.**

24 The Tax Collector may, in his or her reasonable discretion, independently establish a person's
25 gross receipts and establish or reallocate gross receipts among related entities so as to fairly reflect the

1 gross receipts of all persons. This authority extends to determining whether any amount excluded from
2 gross receipts by virtue of Section 952.3(f) is in whole or in part compensation or payment for services
3 and thus included in gross receipts.

4
5 **SEC. 958. ADMINISTRATION OF THE GROSS RECEIPTS TAX ORDINANCE.**

6 Except as otherwise provided under this Article, the Gross Receipts Tax Ordinance shall be
7 administered pursuant to Article 6 of the San Francisco Business and Tax Regulations Code.

8
9 **SEC. 959. RATE OF GROSS RECEIPTS TAX: CONTROLLER COMPUTATION.**

10 (a) Commencing on the operative date of the Gross Receipts Tax Ordinance, the Controller
11 shall compute the rate of gross receipts tax for Sections 953.1 through 953.7 in accordance with
12 subsection (b) of this Section. The Controller shall certify and publish such rates on or before
13 September 1 of each year.

14 (b) Gross Receipts Tax Computation. The Controller shall compute the gross receipts tax rates
15 for each tax year by multiplying each base rate in Sections 953.1 through 953.7 by the "Gross Receipts
16 Tax Rate Adjustment Factor," which shall be determined according to the following table and formulas,
17 but no gross receipts tax rate shall exceed the base rates provided by Sections 953.1 through 953.7.

Gross Receipts Tax Rate Adjustment Factor Computation Table

<u>Tax Year</u>	<u>Gross Receipts Tax Rate Adjustment Factor (GADJ_{year})</u>
<u>2014</u>	<u>GADJ₁₄ = 10%</u>
<u>2015</u>	<u>GADJ₁₅ = 25% + EXP₁₅</u>
<u>2016</u>	<u>GADJ₁₆ = 50% + EXP₁₆</u>
<u>2017</u>	<u>GADJ₁₇ = 75% + EXP₁₇</u>
<u>2018</u>	<u>GADJ₁₈ = 100% + EXP₁₈</u>

Where: "EXP_{year}" is the "Excess Payroll Expense Tax Revenue Factor," a percentage that reduces the gross receipts tax rate adjustment factor for a year in which the payroll expense tax rate determined under Section 903.1 of Article 12-A becomes zero, and which adjusts for excess payroll expense tax revenue collected for that tax year. The Controller shall compute EXP_{year} according to the following table and formulas:

(1) In any year in which PAYRATE_{year} is greater than zero, where PAYRATE_{year} is determined under Section 903.1 of Article 12-A, EXP_{year} is zero.

(2) In the first year in which PAYRATE_{year} is zero, where PAYRATE_{year} is determined under Section 903.1 of Article 12-A, EXP_{year} shall be computed according to the following table and formulas. In subsequent years, GADJ_{year} shall be the same value it was in the prior year:

Excess Payroll Expense Tax Revenue Factor Computation Table

<u>Tax Year</u>	<u>Excess Payroll Expense Tax Revenue Factor (EXP_{year})</u>
<u>2015</u>	$EXP_{15} = [(1.125\% + PADJ_{15}) \times (PAYTAX_{14}/PAYRATE_{14})]/(GRTAX_{14}/10\%)$
<u>2016</u>	$EXP_{16} = [(0.750\% + PADJ_{16}) \times (PAYTAX_{15}/PAYRATE_{15})]/(GRTAX_{15}/25\%)$
<u>2017</u>	$EXP_{17} = [(0.375\% + PADJ_{17}) \times (PAYTAX_{16}/PAYRATE_{16})]/(GRTAX_{16}/50\%)$
<u>2018</u>	$EXP_{18} = [PADJ_{18} \times (PAYTAX_{17}/PAYRATE_{17})]/(GRTAX_{17}/75\%)$

Where: PADJ_{year}, PAYTAX_{year}, and GRTAX_{year} are determined under Section 903.1 of Article 12-A.

(c) Notwithstanding any other provision of this Article, in any year in which the payroll expense tax rate determined under Section 903.1 of Article 12-A is zero, the gross receipts tax rates for that year and all future years shall be as the Controller computed for that year. The Controller shall certify and publish such rates by September 1 of that year, at which time the Controller's duty to compute, certify and publish the gross receipts tax rates shall cease.

(d) Notwithstanding any other provision of this Article, the gross receipts tax rates for 2019 and all future years shall be the rates in effect in tax year 2018. The Controller shall certify and publish such rates on or before September 1, 2019, at which time the Controller's duty to compute, certify and publish the payroll expense tax rate shall cease.

SEC. 960. THE "PAYROLL EXPENSE TAX EXCLUSION" CREDIT.

(a) "Payroll Expense Tax Exclusion Credit" means the dollar amount by which a person would have been able to reduce its payroll expense tax liability pursuant to the Enterprise Zone Tax Credit under Section 906A of Article 12-A, the Biotechnology Exclusion under Section 906.1 of Article 12-A, and/or the Clean Technology Business Exclusion under Section 906.2 of Article 12-A, as if the payroll expense tax were in full force and effect and calculated at a rate of 1½ percent.

1 **(b) "Combined Business Tax Liability" means the sum of the gross receipts tax and the payroll**
2 **expense tax a person owes for a tax year.**

3 **(c) For so long as a particular payroll expense tax exclusion listed under subsection (a) is in**
4 **effect, without regard to whether the payroll expense tax is otherwise in effect, a person may credit**
5 **against its combined business tax liability for a tax year the amount of a particular payroll expense tax**
6 **exclusion credit to which it would be entitled under the payroll expense tax; however, in no event shall**
7 **such credit reduce a person's combined business tax liability to less than zero. Any person who claims**
8 **the credit under this Section must meet all of the eligibility requirements of the payroll expense tax**
9 **exclusion(s) it claims. The credit may be claimed against the tax liability only of the person who**
10 **qualified for the payroll expense tax exclusion and not against any liability of related entities or other**
11 **members of that person's combined group.**

12
13 **SEC. 961. CENTRAL MARKET STREET LIMIT.**

14 **(a) The "Central Market Street Limit" means a person's payroll expense tax liability for a tax**
15 **year as determined under the Central Market Street and Tenderloin Area Payroll Expense Tax**
16 **Exclusion under Section 906.3 of Article 12-A, calculated at a rate of 1½ percent.**

17 **(b) "Combined Business Tax Liability" means the sum of the gross receipts tax and the payroll**
18 **expense tax a person owes that is attributable to location(s) in the Central Market Street and**
19 **Tenderloin Area as defined in Section 906.3(b) of Article 12-A for a tax year under the rates**
20 **established for that year.**

21 **(c) For so long as the Central Market Street and Tenderloin Area Payroll Expense Tax**
22 **Exclusion is in effect, without regard to whether the payroll expense tax is otherwise in effect, a person**
23 **shall owe the lesser of its combined business tax liability or the amount of its Central Market Street**
24 **limit. Any person who claims the Central Market Street and Tenderloin Area Payroll Expense Tax**
25 **Exclusion must meet all of the eligibility requirements of that exclusion.**

1 **SEC. 962. AMENDMENT OF ORDINANCE.**

2 The Board of Supervisors may amend or repeal Article 12-A-1 of the Business and Tax
3 Regulations Code without a vote of the people except as limited by Article XIII C of the California
4 Constitution.

5
6 **SEC. 963. EFFECT OF STATE AND FEDERAL AUTHORIZATION.**

7 To the extent that the City's authorization to impose or collect any tax imposed under this
8 Article 12-A-1 is expanded or limited as a result of changes in state or federal law, no amendment or
9 modification of this Article 12-A-1 shall be required to conform the taxes to those changes, and the

12 Missing Revenue Factor Computation Table

13

<u>Tax Year</u>	<u>Missing Revenue (MR_{year})</u>
15 <u>2015</u>	$MR_{15} = ADM_{14} + \$49,000,000 + ER_{14} - (1.125\%/1.350\%) \times PAYTAX_{14} - (25\%/10\%) \times GRTAX_{14} - REG_{14}$
17 <u>2016</u>	$MR_{16} = ADM_{15} + \$49,000,000 + ER_{15} - (0.750\%/PAYRATE_{15}) \times PAYTAX_{15} - (50\%/25\%) \times GRTAX_{15} - REG_{15}$
19 <u>2017</u>	$MR_{17} = ADM_{16} + \$49,000,000 + ER_{16} - (0.375\%/PAYRATE_{16}) \times PAYTAX_{16} - (75\%/50\%) \times GRTAX_{16} - REG_{16}$
21 <u>2018</u>	$MR_{18} = ADM_{17} + \$49,000,000 + ER_{17} - (100\%/75\%) \times GRTAX_{17} - REG_{17}$

 3 adjusted for changes in the rates of payroll expense and gross receipts taxes, and which is computed in
 4 accordance with subsection (d)(4);

5 (D) "\$49,000,000" is the amount of additional expected business registration fee revenue; and

6 (E) "ADM_{year}" is an estimate of the additional expense incurred by the Tax Collector in administering
 7 the tax. It shall be established annually by the Controller and shall not exceed 2 percent of the sum of
 8 the actual payroll expense tax revenue and gross receipts tax revenue for the prior year.

9 (4) Expected Revenue Factor Computation. Unless the prior year's payroll expense tax
 10 rate is zero, the Controller shall compute the Expected Revenue factor (ER_{year}) according to the
 11 following table and formulas:

12 Expected Revenue Factor Computation Table

LEGISLATIVE DIGEST

[Initiative Ordinance - Business and Tax Regulations Code – Enact Gross Receipts Tax and Phase Out Payroll Expense Tax]

Ordinance amending the Business and Tax Regulations Code to: 1) enact a new Article 12-A-1 (Gross Receipts Tax Ordinance) to impose a gross receipts tax and an administrative office tax on persons engaging in business activities in San Francisco; 2) amend Article 12-A (Payroll Expense Tax Ordinance) to reduce business payroll expense tax rates based on the amount of gross receipts tax collected under Article 12-A-1 (Gross Receipts Tax Ordinance); 3) amend Article 12 (Business Registration Ordinance) to establish business registration fees based on gross receipts and amend the current business registration fees to generate approximately \$40 million in estimated additional revenue; 4) amend Article 12-A (Payroll Expense Tax Ordinance) to add a sunset date to the surplus business tax revenue credit; and 5) amend Article 6 (Common Administrative Provisions) to establish requirements for filing a tax return under Article 12-A-1 (Gross Receipts Tax Ordinance), establish penalties for non-filing, and amend the requirements for filing payroll expense tax returns and penalties for non-filing to conform to the new gross receipts tax.

Existing Law

The City and County of San Francisco currently imposes a tax on the payroll expense of persons who conduct business in the City. The tax is levied at a rate of 1.5 percent against a business's taxable payroll expense, which includes all compensation a person pays to individuals for services performed in the City. The City exempts small businesses with less than \$250,000 in payroll expense.

Amendments to Current Law

The legislation phases in a gross receipts tax gradually, over a five-year period that commences with tax year 2014. The phase-in period allows businesses time to adjust to the gross receipts tax. It also minimizes risk of revenue uncertainty to the City, and to business taxpayers as a whole. Also beginning in tax year 2014, the payroll expense tax will be phased out in increments consistent with the phase in of the gross receipts tax, and is expected to be phased out completely in tax year 2018. If the gross receipts tax generates revenue in excess of that expected during the phase-in process, the payroll expense tax will be phased out early and final gross receipts tax rates will be permanently established at less than the maximum rates authorized by this Ordinance. If, on the other hand, gross receipts tax revenues are less than expected, then the payroll expense tax will not be fully phased out, and a reduced payroll expense tax rate will remain at the end of the process. Beginning tax year 2014, a business whose predominant activity in the City is providing administrative services for itself or a related entity will continue to pay a tax based on its payroll expense instead of on its

gross receipts. All tax proceeds would be deposited in the General Fund and could be expended for any purpose of the City.

Section 2 provides that the Ordinance that will be submitted to qualified electors at the November 6, 2012 general election.

Section 3 enacts new Article 12-A-1, the Gross Receipts Tax Ordinance, as specified. The proposed Gross Receipts Tax Ordinance would impose a tax for the privilege of engaging in a business in the City that is measured by the taxpayer's gross receipts from business activities that are attributable to the City. The rate of the gross receipts tax is dependent upon a business's activities and the rates are progressive within each industry group. A business predominantly engaged in the City in providing administrative services for itself or a related entity pays a fixed rate of tax measured by its payroll expense. Businesses with less than \$1 million in gross receipts are exempt from the gross receipts tax. The gross receipts tax is to be phased in over a five-year period and during that period, the City's payroll expense tax will be phased out. The value of certain exclusions under the current payroll expense tax are carried forward into the gross receipts tax.

Section 4 provides that all sections of this Ordinance are operative beginning tax year 2014, except for the amendments to the Business Registration Ordinance, which are operative on the effective date of this Ordinance.

Section 5 amends the Business Registration Ordinance under Article 12 to establish business registration fees for 2014-2015 based on payroll expense and to establish business registration fees for registration years beginning after June 30, 2015 based on gross receipts to generate an additional \$40 million in revenue. It also amends current business registration fees to add a penalty for failure to register business locations and fictitious business names with the Tax Collector, and to add a new fee for registering more than 15 fictitious business names.

Section 6 amends the Payroll Expense Tax Ordinance under Article 12-A to conform the payroll expense tax rates to the phase in of the Gross Receipts Tax Ordinance and provide a sunset date for the existing surplus business tax revenue credit.

Section 7 amends the Common Administrative Provisions set forth in Article 6 of the Business and Tax Regulations Code. The amendments to Article 6 amend return and payment requirements and otherwise conform the administrative provisions to the provisions of the Gross Receipts Tax Ordinance and the amendments to the Payroll Expense Tax Ordinance.

Section 8 provides that the effective date of this legislation is 10 days after the date the official vote count is declared by the Board of Supervisors.

Background Information

San Francisco is the only major city in California that levies its entire business tax on payroll expense. This payroll-based tax raises an affected business's cost of hiring a worker in San Francisco, and thereby discourages job creation. Instituting a tiered rate structure under which a business is taxed based on its gross receipts or gross expense will better distribute the tax burden among the City's businesses.

A gross receipts tax is the most common business tax base among California's largest cities. Replacing the payroll expense tax in San Francisco can be expected to stimulate employment in the City, as well as broadening and stabilizing the tax base.

Re: File No's. 120681 and 120682 [Initiative Ordinance - Business and Tax Regulations Code - Enact
Gross Receipts Tax and Phase Out Payroll Expense Tax]

Dear Ms. Calvillo:

On Monday, June 25 2012, the Small Business Commission (SBC) held a hearing on Board of Supervisors File No's 120681 and 120682, Board Motions proposing to submit and ordinance to phase out the City's Payroll Tax and implement a Gross Receipts based business tax.

The SBC voted 5-0 to provide the following policy recommendations to the Mayor and Board of Supervisors. The gross receipts tax structure is more equitable and will more fairly distribute the business tax among payers. The Commission did not recommend approval of one ordinance over the other; rather, the Commission encourages the Mayor and Board of Supervisors to work collaboratively on submitting a single, consensus ordinance to the voters.

The Commission, in its 5-0 vote, made two affirmative recommendations to be retained in the final ordinance:

1. Maintain the under \$1 million small business gross receipt exemption.
2. Continue existing tax exclusions, including the Local Enterprise Zone, Bio Tech, Clean Tech and Central Market designations should be maintained and transitioned into the gross receipts structure, as proposed by the Mayor/Chiu ordinance. Maintaining the Local Enterprise Zone is very important to the SBC, as it has stimulated economic growth in some of the City's most disadvantaged neighborhoods. The Central Market exclusions are set to expire April 20, 2019 less than a year after the completions of the five year phase in/out period.

The Commission supports the increased level of tiers for the business license registration fee and the tier structure of the gross receipts tax. Regarding the business license registration fee, the Commission supports the setting of amounts not to exceed those specified in the Mayor/Chiu proposal for businesses generating less than \$25 million in revenue. In excess of \$25 million in revenue, the Commission considers the final amounts determined to be policy decisions for the Mayor and Board of Supervisors.

The Commission supports revenue generation to fund the housing trust fund. Commissioners recognize the linkage between the benefits of a workforce that can afford to live in the City and finds that this provision is warranted.

The Commission recognizes that in order for the two proposals to come together, additional revenue generation is likely. The Commission will support this direction, with the provision that a commitment be made by the Mayor and Board of Supervisors for additional revenue generated to be committed to programs and projects that have a tangible benefit to the business community. The Commission recommends that an additional \$700,000 per year be raised to provide additional funding to the Office of Small Business. The Commission did not specify a revenue generation dollar amount above the \$700,000 allotted to the office of Small Business and considers this a policy decision for the Mayor and Board. The Commission finds that infrastructure projects such as roads and sidewalks, commercial corridor improvements, transit improvements, public safety programs and affordable housing projects all benefit the business community in addition to the City as a whole and should be prioritized.

Again, the SBC recommends, within the parameters set above, that the Mayor and Board of Supervisors work together to craft a single consensus measure to be presented to the voters. The Commission requests that the business community, both small and large continue to be stakeholders in this process and be included in discussions, especially those pertaining to revenue generation.

Sincerely,

Regina Dick-Endrizzi
