Re: Contract Amount Increase for Refuse Collection Services at City Facilities

The Office of Contract Administration requests Board approval to increase the contract amount for Refuse Collection at City Facilities with Recology San Francisco, Recology Golden Gate and Recology Sunset Scavenger (Contractor) from \$28,059,629 to \$33,142,175. The increased amount reflects the Contractor's waiver of their rights to a COLA increase for Fiscal Year 2012-2013.

Approval of this resolution will provide OCA the purchasing authority in order for the City to continue to secure this essential service. Funding has already been approved in the Fiscal Year 2012-2013 City budget.

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve the Fourth Amendment to the Refuse Collection Memorandum of Understanding (MOU) between the City and Recology San Francisco, Recology Golden Gate and Recology Sunset Scavenger (Recology) by authorizing an increase in the total not-to-exceed amount of the MOU by \$5,082,546 from the existing not-to-exceed \$28,059,629 to the proposed not-to-exceed \$33,142,175.

Key Points

- On March 21, 2007, the Board of Supervisors authorized a not-to-exceed \$23,037,527 MOU between the City and Recology for Recology to provide refuse collection and recycling services for City departments (Resolution No. 147-07) for the period from April 1, 2007 through June 30, 2011. The agreement included two additional one-year options to extend, or through June 30, 2013, at the sole discretion of the Purchaser, after notification to the Board of Supervisors.
- The agreement has been modified three times. The First Amendment exercised the first one-year option to extend, from July 1, 2011 to June 30, 2012, and increased the not-to-exceed amount by \$500,000, from \$23,037,527 to \$23,537,527. The Second Amendment increased the not-to-exceed amount by \$4,083,952, from \$23,537,527 to \$27,621,479 (File 11-1201). The Third Amendment extended the expiration from June 30, 2012 to July 31, 2012, and increased the not-to-exceed amount by \$438,150, from \$27,621,479 to \$28,059,629.
- The Office of Contract Administration (OCA) notified the Board of Supervisors in a letter dated May 31, 2012 that it is exercising the second and final one-year option to extend the existing MOU. Because the Third Amendment extended the existing MOU from June 30, 2012 through July 31, 2012, the final one-year option to extend would take the form of an 11-month extension from August 1, 2012 through June 30, 2013.
- The proposed Fourth Amendment would provide the authorization needed to fund the final option under the MOU by increasing the amount by \$5,082,546 from the existing not-to-exceed amount of \$28,059,629 to the proposed not-to-exceed amount of \$33,142,175.
- The proposed Fourth Amendment is the second and final agreement extension option under the existing MOU. Any future agreement between the City and Recology for Recology to provide refuse collection and recycling services for City departments beyond June 30, 2013 would require a new agreement, subject to approval by the Board of Supervisors.

Fiscal Impacts

- The proposed Fourth Amendment would provide funding authorization under the existing agreement through June 30, 2013 at a total increased cost to the City of \$5,082,546, which reflects a projected cost of \$438,150 per month, for 11 months, or \$4,819,650, plus a requested 5% contingency of \$262,896.

Recommendations

- Amend the proposed resolution by reducing the requested amount by \$21,913, from \$33,142,175 to \$33,120,262, in order to correctly reflect the request of the OCA for a 5% contingency amount, instead of the included 5.45% contingency amount.
- Approve the proposed resolution, as amended.

MANDATE STATEMENT AND BACKGROUND

Mandate Statement

In accordance with City Charter Section 9.118(b), any contract or agreement (in this case a Memorandum of Understanding) that has a term in excess of ten years, or has \$10,000,000 or more in anticipated expenditures, or the modification of such agreement exceeds \$500,000, is subject to Board of Supervisors approval.

Background

On March 21, 2007, the Board of Supervisors approved a not-to-exceed \$23,037,527 Memorandum of Understanding (MOU) between the City and County of San Francisco, through the Office of Contract Administration (OCA), and Sunset Scavenger Company, Golden Gate Disposal & Recycling Company and SF Recycling & Disposal Company, Inc., now known as Recology. The subject MOU is for Recology to provide refuse collection and recycling services for departments and facilities of the City and County of San Francisco (City) (Resolution No. 147-07). The initial four-year and three-month MOU was for the period from April 1, 2007 through June 30, 2011, and included two additional one-year options to extend, or through June 30, 2013, at the sole discretion of the Purchaser. Under the existing MOU, if the Purchaser exercises these options, the Purchaser is required to notify the Board of Supervisors of such extension.

The existing MOU was awarded to Recology, without conducting a competitive procurement process. Since 1932, Recology has been the only permitted hauler for refuse collection in San Francisco. Recology is the only vendor with a fleet of trucks, transfer station and recycling sorting facility in San Francisco. Past residential and commercial customer payments to the only permitted refuse collection provider have resulted in substantial investments by Recology for the needed infrastructure in San Francisco.

In negotiating the subject 2007 agreement, the City was able to secure discounts for City departments that were below commercial customer rates, with annual changes tied to the same annual rate as residential customers.

The agreement has been modified three times:

- The First Amendment exercised the first one-year option to extend, from July 1, 2011 to June 30, 2012, and increased the not-to-exceed amount by \$500,000, from \$23,037,527 to \$23,537,527. Because this increase did not exceed \$500,000, this First Amendment was not subject to Board of Supervisors approval.
- The Second Amendment increased the not-to-exceed amount by \$4,083,952, from \$23,537,527 to \$27,621,479. The Second Amendment was approved by the Board of Supervisors on December 13, 2011 (File 11-1201).
- The Third Amendment extended the expiration from June 30, 2012 to July 31, 2012, and increased the not-to-exceed amount by \$438,150, from \$27,621,479 to \$28,059,629. Because this increase did not exceed \$500,000, this Third Amendment was not subject to Board of Supervisors approval.

The Attachment, provided by OCA, shows a breakdown of the departmental expenditures for FY 2011-12, through May 8, 2012. According to OCA Assistant Director Ms. Jennifer Browne, no appropriation authority under the existing MOU will remain after July 31, 2012.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the Fourth Amendment to the existing Refuse Collection MOU between the City and Recology San Francisco, Recology Golden Gate and Recology Sunset Scavenger (Recology) by authorizing an increase under the existing MOU by \$5,082,546 from a not-to-exceed amount of \$28,059,629 to a not-to-exceed amount of \$33,142,175.

The total not-to-exceed amount of \$33,142,175 would cover the period from April 1, 2007, when the existing MOU with Recology was first approved by the Board of Supervisors, through June 30, 2013, the expiration date of the final one-year option under the existing MOU.

Under the proposed amended agreement, Recology would waive their right to a cost of living increase during this last option year (11 months) from August 1, 2012 through June 30, 2013.

FISCAL IMPACTS

As noted above, based on the Third Amendment as previously approved by the OCA, the existing MOU includes a total not-to-exceed \$28,059,629 authorization. The proposed Fourth Amendment to the existing MOU between the City and Recology would increase the not-to-exceed amount by \$5,082,546 from the existing not-to-exceed amount of \$28,059,629 to the proposed not-to-exceed amount of \$33,142,175. This \$5,082,546 requested increase reflects the estimated costs for Recology to provide refuse collection and recycling services to City Departments and facilities, at a cost of \$438,150 per month, for 11 months, from August 1, 2012 through June 30, 2013, or a total of \$4,819,650, plus a contingency of \$262,896, which is a 5.45% contingency amount. According to Ms. Browne, the requested \$438,150 per month was based on the average actual monthly expenditures paid by City Departments to Recology for Fiscal Years 2009-10, 2010-11, and July 1, 2011 through May 8, 2012.

The revenues to pay for the subject MOU are funded through the individual City departments' annual FY 2012-13 operating budgets, as previously approved by the Board of Supervisors.

The OCA requested 11 months of MOU funding, or a total of \$4,819,650, plus a 5% contingency. As is stated in the Fiscal Impacts section above, the requested contingency of \$262,891 is 5.45% of the 11 months of MOU funding of \$4,819,650, for a total request of \$5,082,546 (\$4,819,650 plus \$262,896). A 5.00% contingency amount, which was requested by the OCA, is \$240,983, or \$21,913 less than the requested \$262,896 included contingency amount. A reduction of \$21,913 would allow for a 5.00% contingency amount as requested, instead of the included 5.45% contingency amount, from August 1, 2012 through June 13, 2013, which would be consistent with the request of OCA.

RECOMMENDATIONS

1. Amend the proposed resolution by reducing the requested not-to-exceed amount by \$21,913, from a not-to-exceed amount of \$33,142,175 to a not-to-exceed amount of \$33,120,262, in order to correctly reflect the request of the OCA for a 5.00% contingency amount, instead of the included 5.45% contingency amount.
2. Approve the proposed resolution, as amended.

The term "employee" as used in this section shall mean any individual engaged in the hauling of solid waste (or grit) for a Prime Contractor or Subcontractor. Prime Contractors must require Subcontractors to comply with the prevailing wage rate required in this section. The Board of Supervisors shall determine the Prevailing Wage Rate at least once each year: If a contract for solid waste (or grit) hauling conflicts with an existing Collective Bargaining agreement to which the contractor is a party, the collective bargaining agreement shall prevail.

Enforcement

If a Contracting Officer determines that the Contractor or a Subcontractor may have violated the Prevailing Wage requirements of this section, the Contracting Officer shall send written notification to the Contractor or Subcontractor of the possible violation. In addition to and without prejudice to any other remedy available, the Contracting Officer may terminate the Contract, in which case the Contractor shall not be entitled to any additional payment unless within 30 days of receipt of the violation notice the Contractor has either (1) cured the violation or (2) established by documentary evidence, including but not limited to payroll records, the truth and accuracy of which shall be attested to by affidavit, proof of compliance with the provisions of this section.

Where a Contractor or Subcontractor fails to pay at least the Prevailing Rate of Wages to employees, the Contractor shall have "cured" the violation once the Contractor or Subcontractor reimburses employees by paying each individual the

balance of what he or she should have earned in accordance with the requirements of this section.

In addition to, or instead of terminating the Contract, where the Contracting Officer finds that the Contractor willfully violated the requirements of this section, the Contracting Officer or the Labor Standards Enforcement Officer may assess a penalty (a "willful violation penalty") of not more than 10 percent of the dollar amount of the Contract. The Contracting Officer or Labor Standards Enforcement Officer may impose such willful violation penalty regardless of whether the Contractor has cured the violation.

2f. Requiring Health Benefits for Covered Employees. Section 44 is hereby replaced in its entirety to read as follows:

Requiring Health Benefits for Covered Employees.

Contractor agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q:

- a. For each Covered Employee, Contractor shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Contractor chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.
- b. Notwithstanding the above, if the Contractor is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.
- c. Contractor's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Contractor if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.
- d. Any Subcontract entered into by Contractor shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Contractor shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify

to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Contractor shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Contractor based on the Subcontractor's failure to comply, provided that City has first provided Contractor with notice and an opportunity to obtain a cure of the violation.

e. Contractor shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Contractor's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

f. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

g. Contractor shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

h. Contractor shall keep itself informed of the current requirements of the HCAO.

i. Contractor shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

j. Contractor shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

k. Contractor shall allow City to inspect Contractor's job sites and have access to Contractor's employees in order to monitor and determine compliance with HCAO.

City may conduct random audits of Contractor to ascertain its compliance with HCAO. Contractor agrees to cooperate with City when it conducts such audits.

l. If Contractor is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Contractor later enters into an agreement or agreements that cause Contractor's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Contractor and the City to be equal to or greater than \$75,000 in the fiscal year.

2g. First Source Hiring Program. Section 45 is hereby replaced in its entirety to read as follows:

First Source Hiring Program

a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

(1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment

needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter,

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

c. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. **Liquidated Damages.** Contractor agrees:

- (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

f. Subcontracts. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

2h. Limitations on Contributions. This is hereby added to the Agreement, as follows:

Limitations on Contributions. Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Contractor further agrees to provide to City the names of each person, entity or committee described above.

2i. Cooperative Drafting. This is hereby added to the Agreement, as follows:

Cooperative Drafting. This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.

3. Effective Date. Each of the modifications set forth in Section 2 shall be effective on and after **July 1, 2011**.

4. Legal Effect. Except as expressly modified by this Amendment, all of the terms and conditions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Contractor and City have executed this Amendment as of the date first referenced above.
