FACT SHEET
July 10, 2012

Background:

Sam Sirhed is the owner of the business and also the property at 222 Powell Street. Since _____, Mr. Sirhed has operated the space first as an art gallery and, for the past few years, the space has operated as a souvenir shop and a wine tasting venue and has been called Gallery Market. Please note that this is a free standing building and there are no residences above.

Plan:

Mr. Sirhed's plan is to establish a cocktail lounge on the ground floor at 222 Powell. He hopes to fill the void created by the departure of the Gold Dust Lounge, which was located in the 300 block of Powell. Sam's Cable Car Lounge would provide locals and visitors alike a similar venue with similar price points and similar music. There will be a trio house band of acoustic instruments with very low-level amplification. T-shirts and souvenirs will be available for out of town visitors.

The mezzanine level will be available for private parties.

ABC Licensing:

Currently the premises at 222 Powell have a Type 42 (On-Sale Beer and Wine for Public Premises) and a Type 20 (Off-Sale Beer and Wine).

Mr. Sirhed is in the process of buying a Type 48 (On-Sale General for Public Premises) license for the new establishment.

Architectural Drawings:

The drawings are being worked on by the architect. Anyone who wishes to see them should let Mr. Sirhed know.

Hours: Daily, 6 - 2 am

Entertainment License: Mr. Sirhed is applying for a full entertainment permit.

RE: License # 523006 Sam's Cable Car Lounge- 222 Powell Street
Type 48 - ON-SALE GENERAL PUBLIC PREMISES

City Operations & Neighborhood Services Committee:

Central City Democrats is writing in support of this Liquor License to establish a new bar and lounge in our neighborhood.

This particular location is very close to where our club regularly meets so many of our members are aware of the need to support Sam's Cable Car Lounge.

A main focus of our Democratic club is to support responsible businesses that provide vital goods and services to the community and much needed jobs for our residents. This business owner Bassem Rafiq Sirhed exemplifies these qualities with his commitment to establish much needed business in the wake of the Gold Dust Lounge leaving the immediate area.

As such, we strongly support this alcohol license.

Respectfully,

Michael Nulty

Re: Sirhed Enterprises, LLC dba Sam's Cable Car Lounge
California ABC Liquor License Transfer
222 Powell Street, San Francisco, CA 94102
Public Convenience and Necessity Determination Request
ABC Type 48 License—On-Sale General Public Premises
Premise to Premise Transfer from 2237 Mason St., SF, CA 94133 to
222 Powell St., SF, CA 94102

Dear Ms. Cavillo:

This office represents Sirhed Enterprises, LLC dba Sam's Cable Car Lounge. My clients have applied to the California Department of Alcoholic Beverage Control (ABC) for a premise to premise transfer of a On-Sale General Public Premises license [Type 48] to its premises at 222 Powell Street, San Francisco. The location is currently operating as the Gallery Market on Union Square, and has been owned by my client since early 2006.

Applicant presently holds two California ABC licenses at 222 Powell, including a Type 21-Off-Sale General license, which allows the sale of wine and full liquor for consumption off the premises. The present business also has a Type 42 ABC license, which allows the sale of beer and wine for consumption on the premises. This location has been non-problematic and my client intends to create a new business that is also respectful to the neighborhood and to its customers, and that is non-problematic. There has been no complaints or ABC accusations against the current licenses at this location.

My client wishes to close this off-sale liquor store, and open a new bar and lounge business at this location. Sam's Cable Car Lounge will cater to tourists, locals, downtown shoppers, and to young technology professionals from the surrounding Mid-Market area of San Francisco.

The managing member, Bassem Rafiq Sirhed is a local businessman who owns Burger Urge in the Haight- Ashbury District and Fork in the Castro. Mr. Sirhed is a skilled operator committed to providing an excellent experience for his patrons and who will strive help to make the Union Square area safer. Foremost, Sam's Cable Car Lounge will be a Good Neighbor. As part of its commitment to ensure that its operation does not disturb its neighbors, Sam's Cable Car Lounge will add additional sound mitigation measures to the building during the build out of the new Lounge.

The addition of Sam's Cable Car Lounge at 222 Powell Street will continue a 94-year tradition of Union Square saloons located on Powell between Geary and O'Farrell streets. Just this year, the Gold Dust Lounge was evicted from 247 Powell Street, where it had been a continuously operating saloon since 1918.

The transfer of a type-48 license to the premises at 222 Powell Street will not only enhance the economic diversity of the Union Square neighborhood, but will also promote a neighborhood-serving use that residents and tourists can conveniently access by walking or taking public transit. Sadly, this business will be one of the very few businesses on this entire block of Powell Street that is locally owned and not part of some national chain or franchise.

Our team will strive to create and maintain a positive and appealing image for the Lounge. We are aware of the great legacy of famous downtown San Francisco saloons, speakeasies and jazz clubs and will attempt to bring some of the history back to Powell Street. Management is dedicated to providing an excellent nightlife experience and to participating in the improvement of its community. Along with providing employment to 10 hard-working and responsible individuals, Sam's Cable Car Lounge will provide a platform for non-profit organizations to network and fundraise. We will provide our venue for meetings and gatherings of such groups as the Alliance for a Better District Six and Community leadership Alliance Supporting these groups—and many other non-profits—is part of the standard of excellence Sam's Cable Car Lounge promotes and embodies.

We are contacting all our neighbors and many neighborhood and civic groups in Union Square area. We hope to make presentations to a number of these groups prior to our hearing before the City Operations & Neighborhood Services Committee of the Board.

The approval by the Board of Supervisors of this ABC license would not have any detrimental effect on the surrounding neighborhood or the City of San Francisco. The clientele of this operation fit well into the existing neighborhood and will pose no public safety problems. We are open to the imposition of reasonable conditions to address any community or law enforcement concerns.
