To whom it may concern:

In accordance with the provisions of Section 23958.4 of the California Business and Professions Code, this letter is provided to support a finding that Public Convenience and Necessity would be served by the issuance of a liquor license for the above referenced premises.

Wingtip has been operating in the Financial District for several years and has become very popular with our customers as a quiet, upscale establishment that enhances their downtown work environment. As we are relocating less than a block away from our current location, the benefit of adding a kitchen and full service menu will provide an additional amenity that wasn't available to us at 560 Sacramento Street.

With our current type-42 license, we are unable to provide the needs of our customer demographic; active professionals working in the Financial District with hectic schedules. While alcoholic beverage sales will generate a small percentage of the overall revenue, relative to our retail operations and food service, the investment in a type-57 liquor license is requested as a service and convenience to the customers as an integral part of the dining & shopping experience. Add the fact that our food and alcohol service will be provided on the 10th and 11th floor of our building, ensures that our customers enjoy an environment with views that enhances their stay in the downtown Financial District.

This is a full-service restaurant serving members as a private club Monday thru Saturday, and as such, we are to be a destination of substance and elegance; driving more business to the area during times when traffic is much lower and other businesses would benefit from additional patrons. We anticipate our operating hours to remain 11am till midnight, with the occasional late night event or Sunday event if the 49ers have a big game, Breakfast at Wimbledon, etc.

With the move from approximately 2,500 square feet in our current location, to over 12,000 square feet at 550 Montgomery Street, it will be necessary to add many new positions in order to handle the increased customer needs. Our plan is to grow from our current staff of six to over thirty by mid-2013, thereby adding more San Francisco employment opportunities to those in search of a job with excellent pay, benefits and easy access via municipal transportation.

We will strive to continue being a valuable member of the community and will work hard to help the neighborhood achieve their development goal and continually improve the character of the surrounding area.

I respectfully request that the California Department of Alcoholic Beverage Control finds that Public Necessity and Convenience would be served by the issuance of a type-57 liquor license to the requested premises. The license we are requesting is being purchased from 2 Home, LLC which was operating at 2100 Market Street, San Francisco, CA 94114 and will be transferred to 550 Montgomery Street, 10th and 11th Floors, San Francisco, CA 94111.

If you have any further questions or require any additional information please do not hesitate to contact me.

Thank you for your assistance.

Sincerely,
