SUBJECT:

Notice of Public Hearing and Assessment Ballot Proceeding to Consider Modifying the Management District Plan and Engineer's Report to Remove the District-Wide Cap on Annual Assessment Revenues Levied on Properties Located in the Business Improvement District Known as the "Central Market Community Benefit District"

The purpose of this notice is to provide you with information about a public hearing and assessment ballot proceeding being conducted by the Board of Supervisors, and its effect on real property that you own. This notice is being sent to you in accordance with Resolution No. ______, passed by the Board of Supervisors (a copy of which is enclosed), California Government Code Section 53753, and California Constitution Article XIIID Section 4(c).

Please be advised of the following:

- The Board of Supervisors will hold a public hearing on the proposed modifications to the Management District Plan and Engineer's Report at 3:00 p.m. on September 20, 2016, or as soon thereafter as the matter may be heard, in the Board's Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this hearing, the Board will hear testimony regarding the proposed modifications. The proposed modifications would remove the district-wide cap on annual assessment revenues in the property-based business improvement district known as the Central Market Community Benefit District (the "District").
- The City levies assessments on parcels in the District in proportion to the special benefits that the parcels derive from the various services and improvements in the District. The City calculates the value of the special benefits and annual assessment on a parcel-by-parcel basis, taking into account objective parcel characteristics such as lot size, building square footage, linear frontage and land use. Further details regarding the formulae for calculating assessments appear in the Management District Plan and Engineer's Report.
- The Management Plan and Engineer's Report for the District describe a "District-Wide Cap" on assessments, stating that in any given year, the total assessments levied across the entire District may not exceed the District-Wide Cap for that year, for the entire fifteen year assessment term. The amount of the District-Wide Cap was based on the projected needs of

the District as of 2013, does not take into account the effect of future development in the District, and may only be increased by up to 3% annually based on changes to the Consumer Price Index (the "Inflationary Increase").

- The District is expected to experience significant further development during the fifteen year assessment term, which will create increased demand for services and improvements in the District.
- The proposed modifications to the Management District Plan and Engineer's Report would remove the District-Wide Cap on annual assessments beginning in fiscal year 2016-2017. The existing formulae and the Inflationary Increase would remain the same. Eliminating the District-Wide Cap would allow the City to collect higher assessments from parcels in the District whose parcel characteristics have changed over time, and would enable the District's budget to increase commensurate with the District's growth. Thus, if development on a parcel caused an increase in building square footage or a change in the land use or otherwise changed the objective parcel characteristics used to calculate the parcel's assessment under the existing formula, the assessment could increase by more than the 3% annual Inflationary Increase.
- In accordance with Section 67.7-1 of the San Francisco Administrative Code, persons who are unable to attend the hearing on this matter may submit written comments to the City prior to the time the hearing begins. These comments will be made a part of the official public record in this matter, and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, San Francisco Board of Supervisors, Room 244, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102.

The total assessment revenues for fiscal year 2016-17 are capped at \$1,289,786.80. The following table shows the maximum annual assessment revenues over the fifteen-year term of the District, assuming a 3% Inflationary Increase is approved each year, and assuming that the District-Wide Cap remains in place. If the District-Wide Cap were removed and if the District experienced further development, then these amounts could increase in future years.

PARCEL FACTORS

Linear Factor	Parcel's Assigned Linear Street Frontage	
Lot Factor	Parcel's Assigned Lot Square Footage / Lot Size Divider*	
Building Factor	Parcel's Assigned Building Square Footage / Building Size Divider**	
*Lot Size Divider = 2,500	**Building Size Divider = 2,500	
CLEANING & PUBLIC SAFETY	MARKETING & ECONOMIC ACTIVITY

CLEANING AND PUBLIC SAFETY EXAMPLE

PARCEL CLEANING AND PUBLIC SAFETY BENEFIT POINT CALCULATION:

(Total Cleaning and Public Safety Benefit Points) X (Linear Factor + Lot Factor + Building Factor)

	Linear Factor (in feet)		50	
		Lot Factor	15,000 sq. ft. / 2,500 = 6	
		Building Factor	5,000 sq. ft. / 2,500 = 2	
Total Parcel Factors	=	Linear + Lot + Building Factors	50 + 6 + 2 = 58	
Land Use Points	=	Based on Land Use Classification	2.00	
Total Benefit Points	=	Land Use Points x Sum of Parcel Factors	2. 00 x 58 = 116	

PPARCEL CLEANING AND PUBLIC SAFETY ANNUAL BENEFIT ASSESSMENT CALCULATION:

(Rate Per Benefit Point) x (Total Cleaning and Public Safety Benefit Points)

Example (Non-residential)

\$21.53 x 116 = \$2,497.48

MARKETING AND ECONOMIC ACTIVITY

PARCEL MARKETING AND ECONOMIC ACTIVITY BENEFIT POINT CALCULATION:

(Total Marketing and Economic Activity Benefit Points) x (Lot Factor + Building Factor)

	Lot Factor	15,000 sq. ft. / 2,500 = 6	
	Building Factor	5,000 sq. ft. / 2,500 = 2	
Total Parcel Factors	= Lot + Building Factors	6 + 2 = 8	
Land Use Points	Based on Land Use Classification	1. 00	
Total Benefit Points	= Land Use Points x Sum of Parcel Factors	1. 00 x 8 = 8	

PARCEL MARKETING AND ECONOMIC ACTIVITY ANNUAL BENEFIT ASSESSMENT CALCULATION:

(Rate Per Benefit Point) x (Total Cleaning and Public Safety Benefit Points)

Example (Non-residential)

\$43. 21 x 8 = \$345. 68

PARCEL'S TOTAL ANNUAL ASSESSMENT

(Cleaning and Public Safety Annual Benefit Assessment) + (Marketing and Economic Activity Annual Benefit Assessment)

Example (Non-residential)

\$2,497. 48 + \$345. 68 = **\$2,843.16**

ASSESSMENT BALLOT PROCEDURES

Please follow the directions on the ballot to express your view on the proposed modifications. The following is a summary of the procedures governing the return and tabulation of ballots. More detailed information concerning the ballot procedures is set forth in the enclosed "Procedures for the Completion, Return and Tabulation of Ballots," which is also available on the City's website at www.sfelections.org.

- 1. You may mail or deliver your ballot to the Director of Elections at the Post Office Box location shown on the ballot, or submit the ballot in person at the Department of Elections, located at City Hall Room 48.

- 8. The Board of Supervisors will not approve the modifications to the Management District Plan and Engineer's Report if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment.
