Dear Ms. Calvillo:

Attached please find an original single-sided and two single-sided, black and white copies of the proposed Resolution for the Board of Supervisors approval, which authorizes the San Francisco Department of Public Health to enter into a Multi-Year Contract Amendment for Substance Use Disorder Services for Fiscal Years 2014-15 through 2016-17 with the State Department of Health Care Services (DHCS).

The following is a list of accompanying documents

- Multi-year Contract Amendment for Substance Use Disorder (SUD) services for Fiscal Year 2014-15 through 2016-17
- Memo to explain changes from the original contract

The DHCS requests that the approved contract be returned to them by close of business May 1, 2017. It is imperative that all approved contract documents are received by DHCS as soon as possible in order to execute the amendment by June 15, 2017 or San Francisco's Drug Medi-Cal revenue may be delayed.
