EXECUTIVE SUMMARY

Legislative Objectives

• The seven proposed resolutions approve approximately 15-year Local Operating Subsidy Program (LOSP) agreements with seven nonprofit affordable housing providers: (i) Alabama Street Housing Associates, LP for Mosaica Senior Apartments at 655 Alabama Street for a not to exceed \$1,258,693; (ii) Alabama Street Housing Associates, LP for Mosaica Family Apartments at 680 Florida Street for a not to exceed \$3,616,321; (iii) 650 Eddy, LP for Arnett Watson Apartments at 650 Eddy Street for a not to exceed \$19,018,559; (iv) Armstrong Place Associates, LP for Armstrong Place at 5600 Third Street for a not to exceed \$4,237,156; (v) Hotel Essex, LP at 684 Ellis Street for a not to exceed \$18,623,354; (vi) BTW Housing Partners, LP for John Burton Advocates for Youth Housing Complex at 800 Presidio Avenue for a not to exceed \$7,780,147; and (vii) Polk Senior Housing Associates, LP for 990 Polk Senior Apartments at 990 Polk Street for a not to exceed \$13,131,321.

Key Points

MOHCD provides operating subsidies to owners and operators of 26 supportive housing facilities through its Local Operating Subsidy Program (LOSP). LOSP was created to bridge the gap between the cost of providing housing and the amount that very low income, formerly homeless tenants can afford to pay. In FY 2016-17, MOHCD is anticipated to pay \$12,117,510 in operating subsidies to 26 supportive housing nonprofit providers for 1,464 units throughout the City, for an average subsidy of \$690 per unit of housing per month.

Fiscal Impact

• Under the proposed agreements, the amount of the subsidy to be paid to each nonprofit provider will be adjusted annually based on MOHCD's review of the occupancy rate and actual operating expenditures. Funding for the proposed agreements are General Fund monies appropriated annually in the DHSH budget, which are subject to Board of Supervisors annual appropriation approval. The annual General Fund subsidies for these seven proposed LOSP agreements are anticipated to increase from \$4,291,721 in FY 2017-18 to \$5,762,986 in FY 2031-32. The total costs over the approximately 15-year term for the seven proposed LOSP agreements are estimated to be \$67,665,552.

Recommendations

- Amend the proposed resolutions to clarify the term of each agreement.
- Amend (i) File 17-0559 to state that the current agreement between MOHCD and 650 Eddy, LP for Arnett Watson Apartments will terminate on June 30, 2017; and (ii) File 17-0561 to state that the current agreement between MOHCD and Hotel Essex, LP will terminate on June 30, 2017.
- Approve the proposed resolutions as amended.
- Request that MOHCD continue to include an update on the Local Operating Subsidy Program (LOSP) in the MOHCD Annual Progress Report submitted to the Board of Supervisors on supportive housing.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND_

The Mayor's Office of Housing and Community Development (MOHCD), in collaboration with the Department of Homelessness and Supportive Housing (DHSH)¹, currently provides operating subsidies to non-profit owners and operators of 26 supportive housing facilities, through its Local Operating Subsidy Program (LOSP). The program was started in 2004 as a part of the Mayor's ten year "San Francisco Plan to Abolish Chronic Homelessness," which had a goal of providing 3,000 new supportive housing units within 10 years to low income persons who were formerly homeless. Supportive housing provides social and other related services as well as housing to formerly homeless persons in order to improve their social outcomes and in an attempt to reduce the City's associated health, mental health, social services, criminal justice, and other related costs.

According to Ms. Anne Romero, MOHCD Senior Project Manager, tenants in supportive housing have very low incomes (below 20 percent of area median income)². Under the agreements between the City and housing operators, rent in supportive housing units is capped to a fixed percentage of a tenant's income (50 percent in Direct Access to Housing (DAH)³ subsidized units, 30 percent in all other subsidized units). The LOSP was created to bridge the gap between the cost of operating the housing and the amount the tenants can afford to pay, thereby providing long-term financial incentives to owners and operators to create and maintain permanent supportive housing units.

As shown in Table 1 below, between FY 2012-13 and FY 2016-17, the number of LOSP agreements has grown from 17 to 26, the number of subsidized units increased from 984 to 1,464 and the overall annual General Fund costs have grown from \$6,594,816 to \$12,117,510. In FY 2016-17, MOHCD is anticipated to pay \$12,117,510 in operating subsidies to 26 supportive housing nonprofit providers for 1,464 units throughout the City, for an average subsidy of \$690 per unit of housing per month.

¹ MOHCD previously collaborated with the Department of Public Health (DPH) and the Human Services Agency (HSA) prior to the creation of the Department of Homelessness and Supportive Housing (DHSH), which combines key homeless serving programs and contracts from the two agencies.

² 20 percent of area median income (AMI) for one person in 2017 is \$16,150 annually.

³ Established by the San Francisco Department of Public Health – Housing and Urban Health Section (SFDPH-HUH) in 1998, the Direct Access to Housing (DAH) is a permanent supportive housing program targeting low-income San Francisco residents who are homeless and have special needs.

DETAILS OF PROPOSED LEGISLATION

The seven proposed resolutions authorize MOHCD to execute seven new approximately 15-year Local Operating Subsidy Program (LOSP) agreements with nonprofits providing housing to low income persons who were formerly homeless, replacing six existing 9-year agreements with six current nonprofit providers and adding one new agreement with a new provider as follows:

• <u>File 17-0557</u>: Alabama Street Housing Associates, LP for Mosaica Senior Apartments at 655 Alabama Street for a not to exceed \$1,258,693 and a term of 15 years from January 1, 2018 through December 31, 2032. The proposed new agreement replaces the current 9-year LOSP agreement with Mosaica Senior Apartments from approximately April 2009 and through April 2018. According to Ms. Romero, the current agreement will now terminate on December 31, 2017.

- <u>File 17-0558:</u> Alabama Street Housing Associates, LP for Mosaica Family Apartments at 680 Florida Street for a not to exceed \$3,616,321 and a term of 15 years from January 1, 2018 through December 31, 2032. The proposed new agreement replaces the current 9-year LOSP agreement with Mosaica Family Apartments from approximately April 2009 and through April 2018. According to Ms. Romero, the current agreement will now terminate on December 31, 2017.
- File 17-0559: 650 Eddy, LP for Arnett Watson Apartments at 650 Eddy Street for a not to exceed \$19,018,559 and a term of 15 years from July 1, 2017 through June 30, 2032. The proposed new agreement replaces the current 9-year LOSP agreement with Arnett Watson Apartments from 2009 through December 2017. According to Ms. Romero, the existing agreement will now terminate in October 2017, resulting in a three-month overlap between the two agreements. The proposed legislation should be amended to terminate the existing agreement with 650 Eddy, LP on June 30, 2017 prior to the start of the new agreement on July 1, 2017.
- File 17-0560: Armstrong Place Associates, LP for Armstrong Place at 5600 Third Street for a not to exceed \$4,237,156 and a term of 15 years and two months from November 1, 2017 through December 31, 2032. The current LOSP agreement with Armstrong Place covers a 9-year term, beginning in 2011 to 2020. Due to two requests for supplemental disbursements to cover operating shortfalls⁴, the current LOSP agreement authority will not be sufficient to cover the Armstrong Place operating costs subsidized by LOSP through the end of the agreement period. Based on disbursements made to date and projected operating costs, the project is estimated to exhaust the full contract amount by November 2017.
- <u>File 17-0561</u>: Hotel Essex, LP at 684 Ellis Street for a not to exceed \$18,623,354 and a term of 15 years and six months from July 1, 2017 through December 31, 2032. The proposed new agreement replaces the current 9-year LOSP agreement with Hotel Essex from 2008 to 2017. According to Ms. Romero, the existing agreement will now terminate in October 2017, resulting in a three-month overlap between the two agreements. The proposed legislation should be amended to terminate the existing agreement with Hotel Essex, LP on June 30, 2017 prior to the start of the new agreement on July 1, 2017.
- <u>File 17-0562:</u> BTW Housing Partners, LP for John Burton Advocates for Youth Housing Complex at 800 Presidio Avenue for a not to exceed \$7,780,147 and a term of 15 years

⁴ During the first several years of operations of the Armstrong Place agreement, several significant operational changes were made. BRIDGE Housing, the project sponsor, assumed property management responsibilities from Eskaton, and also entered into contracts for security/front desk staffing. These two changes resulted in LOSP budget shortfalls during 2012 and 2013, for which BRIDGE Housing requested and was approved for a supplemental disbursement of LOSP funding in February 2015. More recently, BRIDGE Housing submitted another request for a supplemental disbursement of LOSP funding for shortfalls experienced in 2015 and 2016, due to lower than projected rental income and escalating operating costs. The request for a supplemental disbursement to cover shortfalls from the 2015 and 2016 operating years was approved by MOHCD in January 2017.

- and six months. The proposed agreement is a new agreement with the funding period beginning on July 1, 2017 through December 31, 2032.
- File 17-0563: Polk Senior Housing Associates, LP for 990 Polk Senior Apartments at 990 Polk Street for a not to exceed \$13,131,321 and a term of 15 years and six months. The proposed new agreement replaces the current 9-year LOSP agreement with 990 Polk Senior Apartments, beginning in July 2008 and expiring in June 2017. The proposed agreement would renew the agreement with the funding period beginning on July 1, 2017 through December 31, 2032.

Table 3 below shows the target population, total number of units, and the number of units to be subsidized under the proposed LOSP agreements.

Each of the projects and project sponsors are summarized below:

Mosaica Senior Housing (File 17-0557)

Mosaica Senior Housing at 655 Alabama Street is a 24 unit affordable senior development with 11 units targeted to homeless seniors under the proposed LOSP agreement. The site was developed adjacent to Mosaica Family Housing by Citizens Housing Corporation (CHC) and then transferred to the Tenderloin Neighborhood Development Corporation (TNDC) when CHC ended operations. Supportive services are provided by Lutheran Social Services. The project sponsor is the TNDC.

Mosaica Family Housing (File 17-0558)

Mosaica Family Housing at 680 Florida Street is a 93 unit affordable family housing development with 20 units targeted to homeless families under the proposed LOSP agreement. The project was completed in 2010 and developed by CHC and subsequently transferred to the TNDC when CHC ended operations. The site is developed adjacent to Mosaica Senior Housing. Supportive services are provided by Lutheran Social Services. The project sponsor is the TNDC.

⁵ Transition Age Youth are disconnected homeless youth between the ages of 18-24 years old.

Arnett Watson Apartments (File 17-0559)

Arnett Watson Apartments at 650 Eddy Street in the Tenderloin provides 83 units of supportive housing for homeless families and adults. The site was developed by Community Housing Partnership (CHP) and the TNDC and is owned and operated by CHP. 47 one and two bedroom units are for homeless families, and 32 studios are for homeless adults, for a total of 79 units under the proposed LOSP agreement. Services are provided by CHP. The project sponsor is CHP.

Armstrong Place (File 17-0560)

Armstrong Place at 5600 Third Street is a 116 unit senior housing development with 23 units targeted to homeless seniors under the proposed LOSP agreement. The development completed construction in 2011 and is financed with Department of Housing and Urban Development (HUD) 202⁶ capital dollars and a Project Rental Assistance Contract (PRAC) on 72 units. The project sponsor is BRIDGE Housing.

Hotel Essex (File 17-0561)

Hotel Essex at 864 Ellis Street is a building that was rehabilitated by CHP to create 84 efficiency studio units for single homeless adults and is located in the Tenderloin. All 84 units are to be funded under the proposed LOSP agreement. Support services are provided by CHP. The project sponsor is CHP.

John Burton Advocates for Youth Housing Complex at Booker T. Washington (File 17-0562)

John Burton Advocates for Youth Housing Complex at 800 Presidio is a 50 unit affordable housing development with 25 of the units under the proposed LOSP new agreement targeted to homeless or at-risk Transition Age Youth (TAY) ages 18-24, including former foster youth. The building will complete construction in June 2017 and is located adjacent to the newly constructed Booker T. Washington Community Service Center, which provides programs for families and youth. The housing development is a partnership between the Booker T. Washington Community Service Center and the John Stewart Company with services provided by First Place for Youth. The project sponsors are Booker T. Washington Community Service Center and the John Stewart Company.

990 Polk Street (File 17-0563)

990 Polk Street Senior Housing at 990 Polk Street is a 110 unit affordable senior housing development with 50 units targeted to homeless seniors under the proposed LOSP agreement. 10 of the 50 LOSP units are for clients referred by the Mental Health Services Act (MHSA) and serve homeless seniors with serious mental illness. This development was developed by CHC and subsequently transferred to TNDC when CHC ended operations. Support services are provided by Lutheran Social Services. The project sponsor is TNDC.

⁶ The Section 202 program provides capital advances and operating subsidies to facilitate the creation of multifamily housing for very low-income elderly persons.

Approval of Local Operating Subsidy Program Providers

According to Ms. Romero, the seven nonprofit providers were approved for LOSP subsidies as part of the evaluation by the Citywide Affordable Housing Loan Committee⁷ of applications responding to various Notice of Funding Availability (NOFA) for capital funding for acquisition and predevelopment financing for supportive housing for homeless persons, or Request for Proposals (RFP) for specific development sites.

Ms. Romero advises that the operating subsidies to be paid to the seven nonprofit affordable housing owners and operators are necessary because revenue generated by the affordable housing developments, including outside grants, tax credits and tenant rents, are not sufficient to fund permanent supportive housing to low income persons who were formerly homeless.

Funding for the proposed agreements are General Fund monies allocated annually in the DHSH budget, which is subject to Board of Supervisors annual appropriation approval. The proposed agreements are administered by MOHCD, under work order agreements with DHSH. Ms. Romero notes that, if any of the seven proposed LOSP agreements are not approved, or if any of the General Fund appropriations are not approved in the current or future 14 fiscal years, then the individual nonprofit housing providers would not be able to provide such specified housing units for very low income formerly homeless target populations.

FISCAL IMPACT

Under the proposed LOSP agreements, the rent charged to tenants living in these subsidized units would be capped at a fixed percentage of a tenant's income (50 percent in Direct Access to Housing (DAH) subsidized units, 30 percent in all other subsidized units). According to Ms. Romero, in 2015, the average tenant's rent was \$326 per unit per month. The projected City LOSP subsidy amount for the units covered under the proposed agreements is the difference between the rent paid by individual tenants and the actual cost to operate the unit per month. The actual operating cost is the amount necessary to cover each facility's operating expenses, which includes property management and office staff, utilities, taxes, licenses, insurance, maintenance, security and required reserves. The amount of the projected subsidy is specified in each agreement, and (i) is subject to revision annually by MOHCD based on the prior years' occupancy, and (ii) is contingent on the annual General Fund appropriation, to DHSH, under work orders with MOHCD, by the Board of Supervisors.

The Attachment provided by MOHCD summarizes the projected LOSP expenditures for each of the seven projects, over the approximately 15-year term of each agreement. As shown in the Attachment, the City's FY 2017-18 subsidy provided per housing unit ranges from \$324 per month at the Mosaica Senior Housing project to \$1,277 per month at the John Burton Advocates for Youth project. According to Ms. Romero, the significant variation in the subsidy per unit is primarily due to the number of the LOSP units per project because economies of scale allow property management and other housing staff requirements to be spread over a

greater number of units. Over the approximately 15-year term, the subsidies per unit are projected to increase.

As summarized in Table 4 below, the total costs over the approximately 15-year term for the seven projects is estimated to be \$67,665,552. The annual General Fund subsidies for these seven projects are anticipated to increase from \$4,291,721 in FY 2017-18 to \$5,762,986 in FY 2031-32. The average cost of each unit's subsidy that would be provided over the approximately 15-year term of each of these agreements is shown in Table 4, ranging from \$114,427 for each of the 11 units in the Mosaica Senior Housing project to \$311,206 for each of the 25 units at the John Burton Advocates for Youth Housing project.

Table 4: Projected Subsidy Expenditures under the Proposed Seven Agreements

990 Polk Senior (File 17-0563)	50	13,131,321	262,626
TOTAL:	292	\$67,665,552	

As noted above, funding for the proposed agreements are General Fund monies appropriated annually in the Department of Homelessness and Supportive Housing (DHSH) budget, which are subject to Board of Supervisors annual appropriation approval. The proposed agreements are administered by MOHCD, under work order agreements with DHSH, such that MOHCD would be party to each of the proposed LOSP agreements on behalf of the City.

POLICY CONSIDERATION

The Budget and Legislative Analyst's January 2012 Performance Audit of San Francisco's Affordable Housing Policies recommended that MOHCD report annually to the Board of Supervisors on (i) completed and planned supportive housing units for chronically homeless individuals and families, and (ii) funding strategies for planned but not constructed units. According to Ms. Romero, MOHCD reports on the LOSP contracts in the MOHCD Annual Progress Report, which contains all of MOHCD's required reports for the Board of Supervisors. The Budget and Legislative Analyst continues to recommend that MOHCD include an annual report on the LOSP in its Annual Progress Report to the Board of Supervisors.

ARTICLE 2 APPROPRIATION AND CERTIFICATION OF GRANT FUNDS; LIMITATIONS ON CITY'S OBLIGATIONS

2.1 Risk of Non-Appropriation of Grant Funds. This Agreement is subject to the budget and fiscal provisions of the Charter. City shall have no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements or for other MOHCD expenditures. Grantee acknowledges that MOHCD's obligation to make Subsidy Payments under this Agreement is expressly conditioned on the (a) appropriation of sufficient funds to HSH for Subsidy Payments and transfer of such funds from HSH to MOHCD (or as MOHCD may direct such funds to be transferred directly by HSH to Grantee), which appropriation and transfer is subject to HSH's annual operating budget, or (b) appropriation of sufficient funds for Subsidy Payments to MOHCD's annual operating budget. If the funds appropriated for Program subsidy payments in a given year will be insufficient to fund the total Program subsidy payments MOHCD intended to make in such year, MOHCD shall have the right to reduce the amount of Program subsidy payments and to select the qualifying projects subject to such reduced payments.

Notwithstanding the foregoing, however, qualifying projects that are not financed with State Department of Housing and Community Development Multifamily Housing Program Supportive Housing Component funds ("HCD Funds") will be subject to such Program subsidy payment reductions before any such reductions are made to qualifying projects financed with HCD Funds.

If MOHCD determines that Subsidy Payments for any given period must be reduced due to a shortfall in appropriated Program funds (a "Non-Appropriation Event"), MOHCD shall notify Grantee that a Non-Appropriation Event has occurred. City's obligation to make any Subsidy Payments in excess of those for which sufficient funds have been appropriated shall automatically terminate as of such Non-Appropriation Event, except as may be required pursuant to Section 2.5 below. Grantee acknowledges that HSH's and MOHCD's annual operating budgets are each subject to the discretion of City's Mayor and Board of Supervisors and a Non-Appropriation Event may occur during the Term and, accordingly, that Subsidy Payments may subsequently not be made in the amounts projected pursuant to this Agreement. Grantee's assumption of such risks is part of the consideration for this Agreement.

- **2.2** Certification of Controller; Guaranteed Maximum Costs. No funds shall be available under this Agreement until prior written authorization certified by the Controller. In addition, as set forth in Section 21.10-1 of the San Francisco Administrative Code:
- (a) City's obligations hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification, the current Controller certification for Grant Funds is only for the First Subsidy Payment, and Controller certification will be a condition precedent for all other Subsidy Payments to the extent that Project Transition Reserve Account funds are not available to fund such Subsidy Payments.
- (b) Except as may be provided by City ordinances governing emergency conditions, City and its employees and officers are not authorized to request Grantee to perform services or to provide materials, equipment and supplies that would result in Grantee performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies specified in this Agreement unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. City is not required to pay Grantee for services, materials, equipment or supplies provided by Grantee if they are beyond the scope of the services, materials, equipment and supplies agreed upon herein and were not approved by a written amendment to this Agreement lawfully executed by City.

- (c) City and its employees and officers are not authorized to offer or promise to Grantee additional funding for this Agreement that would exceed the maximum amount of funding provided for herein. Additional funding for this Agreement in excess of the maximum provided herein shall require lawful approval and certification by the Controller. City is not required to honor any offered or promised additional funding that exceeds the maximum provided in this Agreement, which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained.
- (d) The Controller is not authorized to make payments on any agreement for which funds have not been certified as available for such purposes in the budget of HSH or MOHCD or by supplemental appropriation.
- **2.3** Automatic Termination for Nonappropriation or Nontransfer of Funds. This Agreement shall automatically terminate, without penalty, liability or expense of any kind to City, at the end of the period of the City's Business Year that a Non-Appropriation Event occurs, except as otherwise set forth in Section 2.5.
- 2.4 SUPERSEDURE OF CONFLICTING PROVISIONS. IN THE EVENT OF ANY CONFLICT BETWEEN ANY OF THE PROVISIONS OF THIS <u>ARTICLE 2</u> AND ANY OTHER PROVISION OF THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, THE TERMS OF THIS <u>ARTICLE 2</u> SHALL GOVERN.
- 2.5 Program Transition Reserve Account. All LOSP subsidy payments, including the Subsidy Payments, are conditioned on the appropriation of sufficient funds therefor and the transfer of such funds to MOHCD's annual budget. MOHCD intends to establish a reserve account, as MOHCD deems appropriate and in its sole discretion, to fund all or a portion of selected LOSP subsidy payments in the event sufficient funds are not so appropriated or transferred (the "Program Transition Reserve Account"). If there is a Non-Appropriation Event, City shall use Program Transition Reserve Account funds to disburse such Subsidy Payments to the extent there are sufficient Program Transition Reserve Account funds for such disbursements.

If there is a Non-Appropriation Event, and City fully funds the following year's Subsidy Payment in the amount shown on Exhibit A (whether with Program Transition Reserve Account funds or otherwise), this Agreement shall remain in effect through the last day of the period for which such Subsidy Payment is made. In the event City continues to fully fund subsequent Subsidy Payments, this Agreement shall remain in effect through the last day of the period for which each such subsequent Subsidy Payment is made.

City shall have no obligation to replenish or supplement the Program Transition Reserve Account. City shall have the right to, at MOHCD's discretion, use Program Transition Reserve Account funds to make subsidy payments to LOSP grantees other than Grantee. The Program Transition Reserve Account shall remain the City's property at all times and any interest that accrues thereon shall remain the sole property of City and will be deemed part of the Program Transition Reserve Account. If any funds remain in the Program Transition Reserve Account at the expiration of the Term or earlier termination of this Agreement, such funds shall remain with City and Grantee shall have no rights thereto.

Grantee agrees that it shall not make any distributions or payments of Residual Receipts, as defined in the MOHCD Loan Agreement, until City has approved the distribution or payment of such Residual Receipts.

ARTICLE 3 TERM

The term of this Agreement (the "Term") shall commence on the Effective Date and shall terminate on the thirty first (31st) day of December 2032, unless earlier terminated in accordance with the terms herein.

ARTICLE 4 PERFORMANCE OF GRANT OBLIGATIONS

4.1 Lease of Assisted Units.

(a) Commencing on the Initial Leasing Date, Grantee shall lease all of the Assisted Units to the LOSP Clients it selects from Referrals supplied by the City.

If an Assisted Unit lease terminates at any time, Grantee shall deliver written notice of such termination to City within five (5) business days of such termination (the "Termination Notice Date"). City shall accordingly deliver one (1) Referral to Grantee within fifteen (15) business days of receiving such Assisted Unit lease termination notice and Grantee shall lease such vacated Assisted Unit to the LOSP Client within the sixty (60) day period immediately following its receipt of such Referral (each such additional lease up date shall be referred to as an "Additional Leasing Date"). The period of time between a Termination Notice Date and the corresponding Additional Leasing Date shall be referred to as a "Vacancy Period". After the Initial Leasing Date, an Assisted Unit may remain vacant during any Vacancy Period applicable to such Assisted Unit. If City fails to timely deliver the required Referral at any time, until City delivers such Referral, Grantee can submit a request to City to use a qualified candidate identified by Grantee that satisfies the requirements of Exhibit D, and such request shall not be unreasonably denied.

- (b) Grantee shall give preference in occupying all Project residential units first to Certificate of Preference Holders in accordance with the Operational Rules and the Preferences Ordinance; provided that such applicants satisfy all other applicable eligibility requirements under the City Loan Documents and the Senior Loan Documents.
- (c) Grantee shall have sole discretion in selecting the LOSP Clients that will be Tenants, provided that Grantee's decision not to rent an Assisted Unit to an LOSP Client referred to Grantee by City shall not be unreasonably withheld or conditioned, and provided further that Grantee shall not discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the leasing of the Assisted Units.
- (d) Grantee shall comply with the Tenant Selection Plan Policy set forth in the attached **Exhibit H** when selecting tenants for the Assisted Units.
- (e) Grantee shall comply with the Tenant Screening Criteria Policy set forth in the attached **Exhibit I** when screening tenants for the Assisted Units.
- (f) Grantee shall rent each Assisted Unit to a Tenant pursuant to a separate lease agreement that complies with this Agreement. Each Tenant lease shall provide for termination of such lease and such Tenant's consent to immediate eviction if the Tenant has made any material misrepresentation in the initial income certification made by Tenant to City or in any later income certification made by Tenant to Grantee. The lease agreement for each Assisted Unit must also contain the applicable Lease Addendum, which can be found in the LOSP Policies and Procedures Manual.
- (g) Grantee shall obtain each Tenant's recertification of his/her household income on an annual basis. Such income certifications shall be prepared pursuant to low income housing tax credit guidelines for household income and shall be maintained on file at Grantee's principal office for no less than five (5) years following the date of such certification, and Grantee must file or cause to be filed copies thereof with MOHCD promptly upon MOHCD's request therefor.

(h) Security deposits may be required of Tenants only in accordance with applicable federal regulations, state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an account held in trust for the benefit of the Tenants and other tenants of the Project and disbursed in accordance with California law. The balance in such security deposit account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits or interest thereon returned to Tenants or any other tenants of the Project.

4.2 Rent Restrictions.

- (a) Gross Rent charged for any Tenant shall be the lower of thirty percent (30%) of a Tenant's gross monthly income, or the maximum rent allowed under the MOHCD Loan Agreement.
- (b) With the written approval of HSH, the Gross Rent charged to a Tenant may be increased as a result of a determination by HSH that such Tenant is no longer eligible under the Program, so long as the Gross Rent charged does not exceed the Underlying Restricted Rent. Notwithstanding the forgoing, Tenants deemed no longer eligible by HSH who remain occupants of the Project shall still be considered a LOSP Client and the Tenant's Unit shall still constitute an Assisted Unit for purposes of compliance with the requirements of this Agreement.
- (c) Grantee must provide MOHCD at least annually a report showing actual household income level and Gross Rent for each Tenant.
- 4.3 Operating Reserve Account; Subsidy Reserve Account. Grantee shall comply with all of its requirements for the Operating Reserve Account under the MOHCD Loan Agreement. In addition, if the Subsidy Payment made to Grantee for a Business Year exceeds the Approved Shortfall for such Business Year, as determined pursuant to the reports delivered under Section 6.1, Grantee shall deposit such excess amount in the Subsidy Reserve Account. Grantee shall not use Subsidy Reserve Account funds, or any interest earned thereon, for any purpose other than as provided in this Agreement The only funds that shall be held in the Subsidy Reserve Account shall be the moneys deposited therein pursuant to this Section and the interest earned thereon.

If the Approved Shortfall for a Business Year exceeds the Subsidy Payment made to Grantee for such Business Year, Grantee shall first use Subsidy Reserve Account funds, to the extent available, to pay the Operating Costs that comprise such excess shortfall. If the Subsidy Reserve Account plus Subsidy Payment funds are insufficient to pay all of the Operating Costs in any given Business Year, Grantee shall use Operating Reserve Account funds, if any, to pay the remaining Operating Costs, subject to any approval Grantee must obtain from any lender under the Senior Loan Documents or Grantee's tax credit limited partner to so use the Operating Reserve Account funds.

4.4 [Intentionally Omitted]

4.5 Annual Operating Budget. The Annual Operating Budget attached hereto as **Exhibit B** sets forth Grantee's anticipated Operating Costs, Project Income and Projected Shortfall for the Term of the Agreement. Grantee shall pay Operating Costs in conformity with the approved Annual Operating Budget. MOHCD's prior written consent shall not be required before Grantee can spend funds on Operating Costs that differ in amount from the amounts in the Annual Operating Budget.

Grantee can submit requests to change the amount of the Annual Operating Budget and corresponding Subsidy Payment for any year during the term by supplying a written proposal to MOHCD. MOHCD will provide project-specific guidance about other materials required to required to analyze the requested change including but not limited to a variance analysis that includes a quantitative assessment of the difference between projected annual income and expenses and actual annual income and expenses, and explanations for the cause of any significant variances.

Any travel expenses incurred by Grantee must be reasonable and must comply with the following:

- (i) Lodging, meals and incidental expenses shall not exceed the then-current per diem rates set forth by the United States General Services Administration for the County of San Francisco found at: https://www.gsa.gov/portal/category/104711.
- (ii) Air transportation expenses must use fares for coach-class accommodations, provided that purchases for air travel must occur no less than one week before the travel day.
- (iii) If ground transportation is required, the City urges the use of public transit or courtesy shuttles if provided by a lodging. If courtesy transportation is not provided by a lodging, ground transportation expenses for travel to or from regional airports must not exceed Fifty Dollars (\$50.00) each way. Other ground transportation expenses must not exceed then-current San Francisco taxi rates found at: https://www.sfmta.com/getting-around/taxi/taxi-rates. Ground transportation shall not include any expenses for luxury transportation services, such as a limousine, or any expenses related to travel to or from Project site meetings by Borrower's employees.

- (v) Any Disbursement Request for travel expenses must include supporting documentation, including, without limitation, original itemized receipts showing rates and cost, air travel itinerary, proof of payment, and any written justification requested by the City.

Such board of directors shall meet regularly and maintain appropriate membership, as established in such entity's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such entity's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

4.7 [Intentionally Omitted]

4.8 Maintenance and Management of Project.

- (a) Grantee shall be responsible for ensuring all Project maintenance, repair and management functions, including the collection of rents, routine and extraordinary repairs and replacement of capital items, and for keeping the Project in a safe and sanitary manner and in good operating condition in accordance with all Applicable Laws, the City Loan Documents and the Senior Loan Documents (collectively, the "Maintenance Duties").
- (b) Grantee may contract with a management agent for the performance of the Maintenance Duties subject to MOHCD's prior written approval of both the management agent and the management contract, provided, however, that the arrangement will not relieve Grantee of responsibility for performance of those duties. A management contract must contain a provision allowing Grantee to terminate the contract without penalty upon no more than thirty (30) days' notice.

- (c) MOHCD will provide written notice to Grantee if MOHCD determines that the Maintenance Duties are not being performed in accordance with this Agreement. If Grantee is then in contract with a management agent pursuant to subsection (b) above, and such management agent fails to fully cure such failure within thirty (30) days of the date that MOHCD delivers such written notice, Grantee shall exercise such thirty (30) day termination right, terminate the management contract and make immediate arrangements for cure of such failure and for the continuous and continuing performance of the Maintenance Duties. If, at the time of such notice, Grantee is not in contract with a management agent pursuant to subsection (b) above, in addition to MOHCD's rights hereunder, MOHCD shall have the right to require that Grantee, at Grantee's sole cost, contract with a management agent to perform the Maintenance Duties, or to make other arrangements the City deems necessary to ensure full and timely performance of the Maintenance Duties.
 - (d) Grantee shall operate the Project in compliance with all Applicable Laws.

4.9 Services Agreement; Provision of Services.

- (a) Grantee hereby agrees to allow the Tenant Services Contractor (and any subsequent service provider) access to the Project at all reasonable times for the provision of services to the Project's LOSP Clients.
- (b) Grantee shall promptly provide written notice to MOHCD if Grantee obtains knowledge of any default, or event that with notice or the passage of time or both could constitute a default, under the Services Agreement.
- (c) In the event that the Services Agreement is terminated for any reason, or that MOHCD and/or HSH determines that the Tenant Services Contractor needs to be replaced, Grantee shall cooperate in good faith with MOHCD and HSH in obtaining a new service provider for the LOSP Clients in the Project. In such an event, the selection of a new service provider for the Project shall not require Grantee's prior consent. Grantee hereby agrees and acknowledges that nothing in this Agreement gives Grantee any right to consent to the MOHCD and/or HSH determination to terminate the Services Agreement or to replace the Tenant Services Contractor.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant Funds; Disbursement of Subsidy Payments. In no event shall the total amount of Grant Funds disbursed hereunder exceed Nineteen Million Eighteen Thousand Five Hundred Fifty-Nine Dollars (\$19,018,559) (the "Grant Amount"). Subject to Grantee's performance of its obligations under this Agreement and MOHCD's receipt of sufficient funds, as further set forth in Article 2, the Grant Funds shall be disbursed through Subsidy Payments.

Provided that Grantee is in compliance with all of the conditions for receipt of the First Subsidy Payment, City shall deliver the First Subsidy Payment to Grantee within sixty (60) business days immediately following the "Agreement Date". For every subsequent year during the Term, provided that Grantee is in compliance with all of the conditions for receipt of a Subsidy Payment, City shall deliver the Subsidy Payment for such year to Grantee within sixty (60) business days immediately following the date when the funds have been made available for MOHCD for disbursement.

5.2 Subsidy Payment Amounts and Adjustments.

(a) The 15-Year Cash Flow is the Parties' current expectations of Operating Costs and Projected Shortfalls during the Term. The Parties anticipate that the amount of the First Subsidy Payment and each subsequent Subsidy Payment shall be as shown on **Exhibit A**. The First Subsidy Payment amount reflects the Projected Shortfall for the period starting on the Effective Date. Notwithstanding the foregoing initial calculations of the 15-Year Cash Flow and the Subsidy Payment amounts, however, each

Subsidy Payment (including the First Subsidy Payment) is subject to further adjustment pursuant to this Section and City's annual review and approval of the applicable Annual Operating Budget. The City shall reduce the subsequent Subsidy Payments by the amount of any funds held in the Subsidy Reserve Account.

- (b) The total amount of all Subsidy Payments made hereunder shall not exceed the Grant Amount. If the total amount of all Subsidy Payments made hereunder equals the Grant Amount at any time prior to the expiration of the Term, no further Subsidy Payments shall be made hereunder. If any Subsidy Payment would, if made, cause the total amount of all Subsidy Payments made hereunder to exceed the Grant Amount, such Subsidy Payment shall be accordingly reduced so the total amount of Subsidy Payments made hereunder equals the Grant Amount.
- **5.3 Use of Grant Funds.** Grantee shall use the Grant Funds only for Operating Costs and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Annual Operating Budget.
- **5.4** Conditions Precedent to Payment of First Subsidy Payment. Grantee shall fully satisfy each of the following conditions prior to delivery of the First Subsidy Payment.

- **5.5** Conditions Precedent to Payment of Subsequent Subsidy Payments. Grantee shall fully satisfy each of the following conditions prior to delivery of any Subsequent Subsidy Payment:
- (a) Grantee shall be in compliance with all of its obligations under the City Loan Documents and the Senior Loan Documents.
- (b) Tenant Services Contractor shall be in compliance with all of its obligations under the Services Agreement.
- (c) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, shall exist and remain uncured as of the date of such Subsidy Payment is to be disbursed hereunder.

The Charter Documents must be delivered to the City in their original form, as amended if applicable.
- 6.3 Notification of Defaults or Changes in Circumstances. Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.
- **6.4** Financial Statements. As noted in Section 6.1, Grantee shall also deliver to City, no later than one hundred fifty (150) days following the end of any Business Year, an audited balance sheet and the related statement of income and cash flows for such Business Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee, including any management letters supplied by the auditors.
- 6.5 Books and Records. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later. Grantee agrees to maintain and make available to MOHCD, during regular business hours, accurate books and accounting records relating to the Project and the Tenants. A contractor, subgrantee or consultant who submits a false claim shall also be liable to City for the costs, including attorney's fees, of a civil action brought to recover any of those penalties or damages, and may be liable to City for a civil penalty of up to Ten Thousand Dollars (\$10,000) for each false claim. A contractor, subgrantee or consultant will be deemed to have submitted a false claim to City if the contractor, subgrantee or consultant: (a) knowingly presents or causes to be presented to an officer or employee of City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by City; (c) conspires to defraud City by getting a false claim allowed or paid by City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to City; or (e) is a beneficiary of an inadvertent submission of a false claim to City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to City within a reasonable time after discovery of the false claim.
- 6.8 **Project Monitoring Generally.** Grantee understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Grantee acknowledges that the City may also conduct periodic on-site inspections of the Project. - 7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:
- (a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.
- (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.

- (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.
- 7.3 Earned Income Credit (EIC) Forms. Administrative Code Section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found.
- (a) Grantee shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty (30) days following the date on which this Agreement becomes effective (unless Grantee has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by Grantee; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Agreement.
- (b) Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by Grantee of the terms of this Agreement. If, within thirty (30) days after Grantee receives written notice of such a breach, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Grantee fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Agreement or under applicable law.
- (c) Any Subcontract entered into by Grantee shall require the subgrantee to comply, as to the subgrantee's Eligible Employees, with each of the terms of this Section.
- (d) Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

- 8.1 Organization; Authorization. Grantee shall be a limited partnership, and Grantee's general partner, or the general partner's sole member of the general partner (if general partner is a limited liability company), is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed, and which has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated thereunder. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.
- **8.2** Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15.
- **8.3** No Misstatements. No document furnished or to be furnished by Grantee to MOHCD in connection with the Application Documents, this Agreement, or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.
- **8.4** Conflict of Interest. Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which

constitutes a violation of said provisions and agrees that it will immediately notify MOHCD if it becomes aware of any such fact during the term of this Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

- **Indemnification**. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct or gross negligence of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.
- 9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.
- 9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.
- 9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

ARTICLE 10 INSURANCE

- (a) Name as additional insured City and its officers, agents and employees. With respect to the Commercial Automobile Insurance the City and its officers, agents and employees shall only be additional insured as to liability arising out of the use, by Grantee's employees, of automobiles, whether owned, leased, hired or borrowed, in connection with the Project.
- (b) Provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to limits of liability.
- 10.3 Additional Requirements for All Policies. Contractor shall provide thirty (30) days' advance written notice to City of cancellation of policy for any reason, nonrenewal or reduction in coverage and specific notice mailed to City's address for notices pursuant to <u>Article 15</u>.
- 10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.
- 10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.
- 10.6 Evidence of Insurance. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance, and additional insured policy endorsements, in form and with insurers satisfactory to City, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly upon City's request. Before commencing any operations under this Agreement,

Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:
- (a) False Statement. Any statement, representation or warranty contained in this Agreement, in the Application Documents, or in any other document submitted to City under this Agreement is found by City to be false or misleading when made.
- (b) Improper Use of Grant Funds; Failure to Perform Other Covenants and Obligations. Grantee uses Grant Funds for any purpose other than for the payment of Operating Costs (or reimbursement for its advance payment thereof), fails to use the Subsidy Payments it receives to pay Operating Costs (or reimbursement for its advance payment thereof), or otherwise fails to perform or breaches any other agreement or covenant of this Agreement to be performed or observed by Grantee as and when performance or observance is due and such failure or breach continues for a period of ten (10) days after the date on which such performance or observance is due, or if such breach can not be cured in ten (10) days, then City shall not exercise its remedies hereunder as long as Grantee continues to diligently pursue a cure of the breach; provided, however, that: (i) in the case of an improper use of Grant Funds, in no event shall such cure period extend beyond thirty (30) days after the date on which such performance or observance is due, and (ii) in the case of other defaults under this Section 11.1(b), in no event shall such cure period extend beyond ninety (90) days after the date on which such performance or observance is due.
- (c) Default under City Loan Documents, Senior Loan Documents or Services Agreement. Grantee defaults under any City Loan Document or any of the Senior Loan Documents (after expiration of any grace period expressly stated in any such agreement), or Tenant Services Contractor defaults under the Services Agreement (after expiration of any grace period expressly stated therein); provided however that a default by Tenant Services Contractor under the Services Agreement shall only be a default under this Agreement so long as ______ (or an affiliate thereof) is the Tenant Services Contractor.
- (d) Voluntary Insolvency. Grantee (i) is generally not paying its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Grantee or of any substantial part of Grantee's property or (v) takes action for the purpose of any of the foregoing.
- (e) Involuntary Insolvency. Without consent by Grantee, a court or government authority enters an order, and such order is not vacated within 60 days, (i) appointing a custodian, receiver, trustee or other officer with similar powers with respect to Grantee or with respect to any substantial part of Grantee's property, (ii) constituting an order for relief or approving a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction or (iii) ordering the dissolution, winding-up or liquidation of Grantee.

- (f) New Encumbrances. Any lien is recorded against all or any part of the Real Property or the Project without MOHCD's prior written consent, and the lien is not removed from title or otherwise remedied to MOHCD's satisfaction within thirty (30) days after Grantee's receipt of written notice from MOHCD to cure the default, or, if the default cannot be cured within a thirty (30) day period, Grantee will have sixty (60) days to cure the default, or any longer period of time deemed necessary by MOHCD, provided that Grantee commences to cure the default within the thirty (30) day period and diligently pursues the cure to completion.
- (g) **Damage or Destruction**. All or a substantial or material portion of the Project is damaged or destroyed by fire or other casualty or is condemned, seized or appropriated by any non-City governmental agency or subject to any action or other proceeding instituted by any non-City governmental agency for any purpose with the result that the Project cannot be operated for its intended purpose.
- (h) **Dissolution.** Grantee or Grantee's general partners are dissolved or liquidated or merged with or into any other entity or ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days, or all or substantially all of Grantee's assets are sold or otherwise transferred except as permitted.
- Assignment. Without MOHCD's prior written consent, Grantee assigns or attempts to assign any rights or interest under this Agreement or encumber its interests hereunder, whether voluntarily or involuntarily, or voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Grantee or of its right, title or interest in the Project or the Real Property, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity; (d) transfers of the general partner's or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project or any subsequent transfer of a limited partnership interest in Borrower by an investor limited partner in Borrower, or any direct or indirect transfer of a limited partnership interest or membership interest in any investor limited partner in Borrower; (f) any transfer permitted under the City Documents; or (g) the grant or exercise of an option agreement between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.
- (j) Account Transfers. Without MOHCD's prior written consent, to the extent such consent is required pursuant to this Agreement, Grantee transfers, or authorizes the transfer of, funds in any account required or authorized under this Agreement.
- (k) Changed Financing Condition. Any material adverse change occurs in the financial condition or operations of Grantee, such as a loss of services funding or rental subsidies (excluding the reduction of any Subsidy Payment hereunder) that has a material adverse impact on the Project.

An Event of Default under this Agreement that remains uncured shall be a default under the City Loan Documents.

11.2 Remedies Upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:

- (a) Termination. City may terminate this Agreement by giving a written termination notice to Grantee and, on the date specified in such notice, this Agreement shall terminate and all rights and obligations of Grantee hereunder shall be extinguished. In the event of such termination, the City will allow Grantee to use previously disbursed Subsidy Payment funds to pay for only Operating Costs incurred prior to the termination date. The remaining balance of any Subsidy Payment not used to pay for previously incurred Operating Costs must be returned to the City.
- (b) Withholding of Grant Funds. City may withhold all or any portion of Grant Funds not yet disbursed hereunder. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default shall be disbursed without interest.
- (c) Offset. City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under the MOHCD Loan Agreement or any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.
- (d) **Return of Grant Funds**. City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.
- 11.3 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available under this Agreement, any other City Document and/or Applicable Laws. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

- 12.1 Proprietary or Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit and loss figures, for

the Project. The Grantee acknowledges and agrees that the financial projections and audited financial statements required under this Agreement shall be public records subject to disclosure upon request.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

- 13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement. Notwithstanding any provision of this Agreement to the contrary, this Section 13.1 shall not prevent transfers that are expressly permitted under the City Loan Documents.
- 13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- 13.3 Subcontracting. Grantee shall not subcontract or assign any portion of this Agreement to any other party without the prior written consent of City; notwithstanding the foregoing, Grantee may subcontract for property management and maintenance without the consent of the City.
- 13.4 Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

- 14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.
- **14.2 Direction**. Any terms in this Agreement referring to direction or instruction from MOHCD or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this <u>Section 14.3</u> shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any

court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

16.1	Reserved.	,		
16.2	Nondiscrimination; Penalties.		,	•

- (a) Grantee Shall Not Discriminate. In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) Subcontracts. Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) Non-Discrimination in Benefits. Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- (d) Condition to Contract. As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.
- (e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.
- 16.3 MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this Section.
- 16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to Section 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

- 16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.
- 16.7 Compliance with ADA. Grantee acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity to the public, whether directly or through a grantee or contractor, must be accessible to the disabled public. Grantee shall not discriminate against any person protected under the ADA in connection with its activities hereunder and shall comply at all times with the provisions of the ADA.

16.8 Requiring Minimum Compensation for Employees.

- a. Grantee agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Grantee's obligations under the MCO is set forth in this Section. Grantee is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.
- b. The MCO requires Grantee to pay Grantee's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Grantee is obligated to keep informed of the thencurrent requirements. Any subcontract entered into by Grantee shall require the subgrantee to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Grantee's obligation to ensure that any subgrantees of any tier under this Agreement comply with the requirements of the MCO. If any subgrantee under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Grantee.
- c. Grantee shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
- d. Grantee shall maintain employee and payroll records as required by the MCO. If Grantee fails to do so, it shall be presumed that the Grantee paid no more than the minimum wage required under State law.
- e. The City is authorized to inspect Grantee's job sites and conduct interviews with employees and conduct audits of Grantee
- f. Grantee's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Grantee fails to comply with these requirements. Grantee agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Grantee's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

- g. Grantee understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Grantee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Grantee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- h. Grantee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- i. If Grantee is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Grantee later enters into an agreement or agreements that cause Grantee to exceed that amount in a fiscal year, Grantee shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Grantee and this department to exceed \$25,000 in the fiscal year.
- 16.9 Limitations on Contributions. Through execution of this Agreement, Grantee acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Grantee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Grantee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Grantee's board of directors; Grantee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Grantee; any subgrantee listed in the bid or contract; and any committee that is sponsored or controlled by Grantee. Additionally, Grantee acknowledges that Grantee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

16.10 First Source Hiring Program.

- a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.
- b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the First Source Hiring Administrator ("FSHA"), the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

- (1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.
- (2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.
- (3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.
- (4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.
- (5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.
 - (6) Set the term of the requirements.
 - (7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

- (8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.
- (9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.
- **c. Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- **d. Exceptions.** Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages. Contractor agrees:

- (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;
- (3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.
- (4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- (5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:
- A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
- B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair,

reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

- **f. Subcontracts.** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.
- 16.11 Prohibition on Political Activity with City Funds. In accordance with S. F. Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this Section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this Section. In the event Grantee violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City contract for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.
- 16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
- 16.13 Supervision of Minors. Grantee, and any subgrantees, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Grantee, or any subgrantee, in which he or she would have supervisory or disciplinary power over a minor under his or her care.

If Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Grantee shall not hire, and shall prevent its subgrantees from hiring, any person for employment or volunteer position to provide those services if that

person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3).

If Grantee, or any of its subgrantees, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Grantee shall comply, and cause its subgrantees to comply with that section and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Grantee shall provide, or cause its subgrantees to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian.

Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its contract with the subgrantee.

Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

- 16.14 Protection of Private Information. Grantee agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code ("Protection of Private Information"), including the remedies provided. The provisions of Chapter 12M are incorporated herein by reference and made a part of this Agreement as though fully set forth. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12M. Consistent with the requirements of Chapter 12M, Grantee agrees to all of the following:
- (a) Neither Grantee nor any of its subgrantees shall disclose Private Information obtained from the City in the performance of this Agreement to any other subgrantee, person, or other entity, unless one of the following is true:
 - (1) The disclosure is authorized by this Agreement;
- (2) The Grantee received advance written approval from the Contracting Department to disclose the information; or
 - (3) The disclosure is expressly required by a judicial order.
- (b) Any disclosure or use of Private Information authorized by this Agreement shall be in accordance with any conditions or restrictions stated in this Agreement. Any disclosure or use of Private Information authorized by a Contracting Department shall be in accordance with any conditions or restrictions stated in the approval.
- (c) "Private Information" shall mean any information that: (1) could be used to identify an individual, including without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.
- (d) Any failure of Grantee to comply with Chapter 12M shall be a material breach of this Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Agreement, debar Grantee, or bring a false claim action against Grantee.
- 16.15 Public Access to Meetings and Records. If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the

Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.16 Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Grantee shall remove all graffiti from any real property owned or leased by Grantee in the City and County of San Francisco within forty eight (48) hours of the earlier of Grantee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require a Grantee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 et seq.).

Any failure of Grantee to comply with this Section shall constitute an Event of Default of this Agreement.

16.17 Food Service Waste Reduction Requirements. Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for subsequent breaches in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.

16.18 Slavery Era Disclosure.

(a) Grantee acknowledges that this Agreement shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."

- (b) In the event the Director finds that Grantee has failed to file an affidavit as required by Section 12Y.4(a) and this Agreement, or has willfully filed a false affidavit, the Grantee shall be liable for liquidated damages in an amount equal to the Grantee's net profit on the Agreement, 10 percent of the total amount of the Agreement, or \$1,000, whichever is greatest as determined by the Director. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Grantee from any Agreement with the City.
 - (c) Grantee shall maintain records necessary for monitoring their compliance with this provision.
- 16.19 Compliance with Other Laws. Without limiting the scope of any of the preceding sections of this Article 16, Grantee shall keep itself fully informed of City's Charter, codes, ordinances and regulations and all state, and federal laws, rules and regulations affecting the performance of this Agreement and shall at all times comply with such Charter codes, ordinances, and regulations rules and laws.

ARTICLE 17 MISCELLANEOUS

- 17.1 No Waiver. No waiver by MOHCD or City of any default or breach of this Agreement shall be implied from any failure by MOHCD or City to take action on account of such default if such default persists or is repeated. No express waiver by MOHCD or City shall affect any default other than the default specified in the waiver and shall be operative only for the time and to the extent therein stated. Waivers by City or MOHCD of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by MOHCD or City of any action requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

- 17.3 Administrative Remedy for Agreement Interpretation. - 17.9 Successors; No Third-Party Beneficiaries. Exhibit D - LOSP Client Selection Criteria

Arnett Watson Apartments

Marketing Procedures, Resident Selection Criteria, Application Policies & Move-in Process

Overview

Community Housing Partnership (CHP) will coordinate with the San Francisco Human Services Agency (HSA) on the applicant referral and qualification process for 83 units at Arnett Watson Apartments. CHP is the property manager and service provider at Arnett Watson Apartments. HSA is funding the tenant services as well as subsidizing building operations through the local operating subsidy (LOSP). HSA will refer applicants to CHP. CHP will be responsible for approving (or denying) applications for housing. As part of the application process, CHP will make determination regarding the eligibility of an applicant based on information in the application, an interview, eviction history, income verification, a criminal background check and other information as needed.

Project Description

Arnett Watson Apartments (the project) is located at 650 Eddy Street in San Francisco, California. Arnett Watson Apartments is a new nine-story, concrete-frame building (completion date of January 2009) on an 11,250 square foot site.

This supportive housing site has 83 total units – 36 studio units each with a bathroom and kitchenette (sink, two burner stove, microwave and refrigerator); 33 one-bedroom units and 14 2-bedroom units. Each unit also has a house phone. Tenants are provided beds and bedding (based on unit size and occupancy); other furniture may be provided to tenants on a limited basis (depending on availability), but only the bed is considered an amenity provided with the unit. There are a total of 9 units designed for persons with mobility impairments. There are four units for persons with either a hearing and/or visual impairment. The front entrance, elevator and all common areas are wheelchair accessible. CHP can make other reasonable accommodations as needed.

The first floor of Arnett Watson Apartments includes the front desk, manager's office, community room (with kitchen), garden courtyard, parking garage and mail room. The second floor includes tenant services offices, tenant lounge loft, children's activity room, courtyard with children's activity area, and laundry facilities. Safety and security systems are an important part of the building systems, including a secured secondary entrance door, camera system, security alarm system, fire alarm and sprinkler system. In addition there will be a desk clerk staffing the building at all times.

Policy of Non-Discrimination and Fair Housing

- The project will comply with all Federal, State, and/or local fair housing and civil rights laws and with all equal opportunity requirements set forth in HUD's administrative procedures. The project will not discriminate against any individual or family household because of race, color, creed, national or ethnic origin or ancestry, religion, sex, sexual orientation, gender identity, age, disability, handicap, military status, source of income, marital status or presence of children in a household, HIV status and/or acquired immune deficiency syndrome (AIDS), or any other arbitrary basis. No criteria will be applied or information considered pertaining to attributes or behavior that may be imputed by some to a particular group or category protected by fair housing law. All criteria shall be applied equitably and all information considered on an applicant shall be related solely to the attributes and behavior of individuals as they may affect residency.
- The project will comply with affirmative fair housing requirements as outlined in any applicable administrative guideline or law.
- The project will guard the privacy of individuals conferred by the Federal Privacy Act of 1974, and to ensure the protection of such individuals' records maintained by the project.
- The project will seek to identify and eliminate all situations or procedures which create a barrier to equal housing opportunity for all. In accordance with Section 504, the project will make reasonable accommodations for individuals with handicaps or disabilities (applicants or tenants). Such accommodations may include changes in the method of administering policies, procedures and/or services.
- HSA will be responsible for marketing the units and referring tenants to CHP and is responsible for ensuring compliance with all related rules and regulations.

Eligibility Guidelines – General (All Units)

All applicants must meet the following requirements.

- All Studio households must consist of only one adult.
- All One and Two Bedroom households must consist of at least one adult Head of Household ("HOH") and one minor child at the time of move-in. Other occupants must have familial relationship with the HOH.
- Tenants must provide certification of homelessness (single adults are required to meet the HUD McKinney definition of homelessness; families must meet the San Francisco definition of homelessness).
- Thirty households (17 studio units, 9 one bedrooms, 4 two bedrooms) must certify an **ADULT** household member with a disability defined by the MHP program that includes substance abuse, mental health, developmental disability, or HIV/AIDS.
- Notwithstanding the income and disability requirements listed above, 43 additional households must have one or more of the following documented disabilities or special

circumstances: senior citizen (aged 55 and above), recovery from substance abuse, recovery from physical abuse, or be physically disabled (hearing impairment, sight impairment or mobility impairment).

- Tenants must meet any additional eligibility requirements set by HSA through the LOSP.
- A household will be fully screened by CHP before being selected for residency. Reasons for denial are described later in this document.

Eligibility Guidelines – Shelter Plus Care (S+C)

Four of the units are funded through the U.S. Department of Housing and Urban Development's S+C program administered by the City & County of San Francisco's Human Services Agency. In addition to the general guidelines listed above, units will be leased and occupied only by households with head of household who:

- Without S+C assistance would spend the night in a shelter or place not meant for habitation;
- Is diagnosed with one or more of the following: chronic alcohol and/or substance abuse, severe mental illness, AIDS and related disease;
- Is referred by the City & County of San Francisco Human Services Agency;
- Successfully completes the S+C screening process administered by the San Francisco
 Housing Authority (SFHA) which may include verification of legal residency status,
 income, unlawful detainers and criminal background.

Eligibility Guidelines – Local Operating Subsidy Program (LOSP)

Seventy-nine of the units are funded through and administered by the City & County of San Francisco's Human Services Agency. In addition to the general guidelines listed above, units will be leased and occupied by households with the head of household who:

 Without LOSP assistance would qualify as homeless as defined by the City & County of San Francisco AND must by referred by the City & County of San Francisco's Human Services Agency:

Procedures for Processing Applicant Households

- 1. CHP requests applicants from HSA based on the number and type of units available (see eligibility guidelines). CHP may request multiple names for each vacant unit to expedite the occupancy process during initial rent-up of the building. Ongoing referrals from HSA will be provided on a one-for-one basis.
- 2. If HSA is unable to refer a household for occupancy within fourteen days of a request from CHP, CHP can submit a request to HSA to use a qualified candidate identified by CHP. Such request shall not be unreasonably denied.
- 3. HSA will provide the following information on each applicant on the forms provided by CHP.
 - Applicant referral form
 - Application to rent (provided by CHP)

- Preliminary calculation of rent payment (provided by CHP)
- Homelessness verification
- Disability certification (if appropriate)
- Universal consent release from the appropriate case manager(s)
- Copy of some form of identification

INITIAL RENT-UP

During the initial rent-up, HSA will also provide the following information on the forms provided by CHP. A CHP representative will be available to answer questions and/or explain the process to potential applicants and the referral agencies.

- Consent for CHP to conduct criminal background, eviction history and general background check including previous residences (if applicable)
- 4. CHP will review the information and complete a LOSP referral checklist for each LOSP applicant. Incomplete files will be returned to HSA.
- 5. In the event that applicants come from other sources (described above), CHP will be responsible for collecting this information and providing it to HSA with the request. Additionally, during on-going occupancy CHP will be responsible for collecting consent for CHP to conduct criminal background, eviction history and general background check including previous residences (if applicable)
- 6. Once an applicant's initial file is complete, CHP will attempt to contact the applicant by mail and phone to set an initial appointment for an applicant orientation.
- 7. CHP will conduct a credit, eviction, landlord and criminal history check on all household members 18 years of age and above. CHP may also speak the applicant's case manager(s) identified in the universal consent release. Reasons for denial based on these various checks are described below.
- 8. After the screening and background checks, the Property Manager will forward the applicant's file to the Property Supervisor for review.
- 9. The Property Supervisor will either move the application forward for screening or deny the application for housing. CHP shall state the grounds for any rejection to the applicant in written form. The letter will clearly identify the appeal process.
- 10. If denied, the applicant will receive a letter that clearly identifies the grounds for rejection and explains the grievance procedure (outlined in another document). The applicant can appeal the denial by making a formal grievance.
- 11. After the grievance period is over, a denied applicant's file will be placed in the "Rejected Applicant' files for the building.
- 12. Orientations will be at set times and attended by up to twenty applicants. During the orientation, CHP will describe the housing and explain the application process.

- 13. After the orientation, CHP will set an appointment to interview and screen the applicant household. CHP reserves the right to conduct the orientation and screening during the same meeting.
- 14. CHP staff will conduct a screening interview and place the screening form into the applicants file.
- 15. Case manager(s) and/or other third parties may escort clients to meetings and appointments; however, parts of the orientation and screening process will be conducted solely between CHP and the applicant, unless the presence of case manager(s) and/or other third parties is required for translation or other reasons that would constitute a reasonable accommodation.
- 16. After the screening and background checks, the Property Manager will forward the applicant's file to the Property Supervisor for review.
- 17. The Property Supervisor will either accept or deny the application for housing. CHP shall state the grounds for any rejection to the applicant in written form. The letter will clearly identify the appeal process.
- 18. If denied, the applicant will receive a letter that clearly identifies the grounds for rejection and explains the grievance procedure (outlined in another document). The applicant can appeal the denial by making a formal grievance.
- 19. After the grievance period is over, a denied applicant's file will be placed in the "Rejected Applicant" files for the building.
- 20. If the application is approved, CHP will send an approval letter to the applicant. The approval will be contingent upon verification of income as described below. The approval letter will also state that CHP will contact the applicant when a unit is ready for occupancy and move-in.
- 21. CHP will then verify all information provided in the Tenant Income Certification Questionnaire according to the guidelines established by the California Tax Credit Allocation Committee (CTAC).
- 22. CHP will compile all income verifications and complete the Tenant Income Certification form as required by CTAC. Tenants will not receive approval to move-in until this process has been completed. The income certification process MUST be complete prior to a tenant's occupancy of a unit.
- 23. If the approved applicant is a participant in the S+C Program, CHP will prepare a SFHA Request for Lease Approval and Unit Inspection. The original document will be sent to the Property Manager for submission to SFHA. The Property Manager will insert the

- appropriate move-in date information and coordinate the SFHA approvals. SFHA may deny an applicant based on their criteria as described above.
- 24. CHP will use this information to complete the LOSP Tenant Income and Rent Certification form (for LOSP units) which will determine the tenants initial rent (30% of the household income).
- 25. CHP will determine the unit assignment for the applicant based on unit availability, eligibility requirements and selection criteria. Efforts will be made to place individuals with disabilities into the appropriate accessible units.
- 26. When a unit is ready, the Property Manager will send a letter informing the approved applicant of:
 - o Approved unit number.
 - o Move-in date and time
 - o Rent (both prorate due on move-in day and regular monthly amount)
 - o Security Deposit
 - o Contact information for move-in assistance
 - o Information regarding move-in procedures
- 27. If needed, the Tenant Services Supervisor can provide the applicant with referrals for assistance with finances, furniture and other services they might require.
- 28. The Intake Coordinator (Initial Rent-Up) or Property Manager (On-Going Occupancy) will coordinate the move-in and lease signing and will serve as the applicant's main contact person at CHP during this process.
- 29. The Property Manager will conduct lease signing for the assigned unit at the scheduled move-in appointment time. Tenants will also be required to sign the Tenant Income Certification form and possibly other documents at this time. At the lease signing, the Property Manager will provide the new tenant with an orientation using an "Orientation Check List Form."
- 30. The first month of the tenant rent is required at the lease signing (prorated according to the number of days the household occupies the unit in the month they move in). A security deposit (equal to one month of the tenant rent) is also required. The amount of the prorated rent and security deposit are included in the approval letter listed in item 26.
- 31. The Tenant Services Supervisor will be notified of the new tenant's move-in date and time. The Tenant Services Supervisor will schedule a time to do the Tenant Services Intake and Assessment prior to or immediately following the tenant's move in to the building.
- 32. CHP staff (property management and tenant services) will follow the CHP Operations Manual policies and procedures for moving in new tenants and maintaining files.

33. If a tenant does not show up on the confirmed move-in date, they will be sent a letter stating they have 72 hours to contact CHP and reschedule; both HSA and the case manager from the referral agency will be copied on this letter. If they do not contact CHP within 72 hours they will be sent a denial letter. Regardless of circumstance the applicant must complete the move-in process within 14 days of the scheduled move-in date. If the applicant is not able to complete the process within 14 days of the scheduled move-in date then the applicant will be sent a denial letter.

Reasons for Denial

It is CHP's intention to screen people into housing rather than screen them out of housing. The screening team will consider numerous factors when reviewing applications and there are circumstances in which CHP will deny an application for housing. The following is a list of the reasons an applicant can be denied housing.

- Failure to provide required documentation (e.g., documentation of homelessness).
- Failure to meet program eligibility requirements (described above).
- Denial by the S+C subsidy provider (i.e., SF Housing Authority).
- Applicants who miss more than one scheduled appointment during the screening process will be denied (appointments can be re-scheduled due to documented good cause).
- We do not conduct meetings or screenings with individuals whose behavior is disruptive
 to the process. This includes threatening, abusive or violent behavior toward a CHP
 employee. Serious or repeated behavior of this type by the applicant may result in denial
 of the application.
- Falsification of information by the applicant in the screening process.
- The following history of criminal activity:
 - o Arson and/or destruction of property
 - Manufacture and/or distribution of illegal drugs
 - o Violence towards landlords, tenants, or staff
 - o Crimes against an at-risk person, including minors
 - Being required to register and/or subject to restrictions imposed by California Penal Code 290
 - Other violent criminal activity
- History of behaviors which have impacted the applicant's ability to retain housing or
 would affect the applicant's ability to live in the community. Examples include: history
 of failure to pay rent and/or abide by lease terms or house rules.
- An unusually high number of evictions (more than two). In such cases, the screening team will attempt to determine if the applicant should still be considered.

• Referrals for S+C units must meet the specific S+C program eligibility requirements (see above).

Additional Requirements of Occupancy

The following are requirements of occupancy and must be met prior to execution of the lease and move-in and are on-going requirements of occupancy after move-in.

- Residents must provide a security deposit and the first months rent.
- Residents must maintain premises in safe, sanitary condition.
- Residents must not interfere with CHP or the quiet enjoyment of the property.
- Residents must abide by the terms of the lease and the house rules.
- Residents will be required to participate in an annual unit inspection and income certification conducted by CHP.
- Residents of the S+C units will be required to participate in an annual unit inspection and income certification conducted by SFHA.
- Rent will be based on 30% of a household's income (\$25 minimum) and will be adjusted upon annual certification; interim adjustments can be made as appropriate.
- Residents of LOSP and S+C units will be required to immediately report any changes in their household income and composition to CHP (LOSP units) or SFHA (S+C units).
- Residents of S+C units must follow SFHA guidelines or risk loss of the S+C subsidy. If this occurs, residents will be responsible for paying the full fair market rent for the unit.
- Residents will be required to immediately report any changes in their household income to CHP.
- Falsifying income information is grounds for the collection of back-rent and/or eviction.
- Should a household's income exceed 100% of the AMI, the household will be given 6 months to move to other housing.
- If household is in a unit modified for the physically disabled (features specifically designed for persons with hearing, visual or mobility impairment) and resident is not in need of the modifications, CHP has the right to move the household to a comparable unit within the development should the modified unit be required by a household with one or more physically disabled individuals.

Occupancy Procedures

The following is a description of procedures that will be followed when a unit becomes vacant.

- The target period for an approved housing applicant to complete the screening process is between 10 and 15 business days. The income verification may take an additional 30-45 days.
- The vacancy preparation time will not exceed 7 (seven) business days.
- Unit vacancy should be less than 60 days.

Marketing and Applicant Referrals

The following is a description of procedures that will be used to market units.

- HSA will maintain and manage the process for new applicants according to their internal policies and procedures.
- HSA will forward applicants from its LOSP referral access points upon request.

- HSA will provide CHP with the required information on each applicant as described previously in this document.
- Should HSA fail to provide CHP names of applicants for the LOSP units within fourteen days of a request, CHP can request the right to market and fill vacant units with eligible applicants as described above. This request will be sent to HSA with the applicant referral packet.
- During the application process, CHP will provide copies of all correspondence to HSA and/or the applicant's case manager as requested.
- HSA will advise CHP when approved applicants find housing elsewhere.
- CHP will advise HSA when applicants are housed or denied housing via a regular report.
- CHP will maintain a list of applicants who have been screened, status of applicants, and will provide information to HSA on a regular basis.

Mayor's Office of Housing and Community Development

City and County of San Francisco

March 16, 2017

Notice of Availability of 2016 Annual Monitoring Report Form (including new audit requirements and wait list submittal)

Announcement of Serious Incident Protocol

MOHCD is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2016 (RY2016). The forms can be downloaded from the <u>Asset Management page</u> of the MOHCD web site. A training on how to complete the AMR will be held at MOHCD on April 13th from 9 a.m. to 12 noon. See below for more information.

New Audit Requirement and Deadline: To provide sufficient time for project sponsors to complete AMRs in accordance with the City's "New Audit Requirements for MOHCD-Funded Projects," the report is now due 5 months after the end of a project's business year. (Previously, it was due 4 months after.) For projects whose business year ended December 31, 2016, the report will be due on May 31, 2017 for the period January 1, 2016, through December 31, 2016. For projects not owned by a single-asset entity and whose financial activity is accounted for and audited with the parent corporation's finances, sponsors may request up to a one-month extension of the deadline to allow for additional time to complete consolidated audited financial statements in accordance with the new audit requirements.

New Waiting List Submittal Requirement: To aid the City in its efforts to ensure that the allocation of MOHCD-financed affordable housing resources is conducted in a consistent, fair, appropriate and inclusive manner, MOHCD is now requiring all sponsors to submit the current version of a project's waiting list with the Annual Monitoring Report.

Submissions for RY2016 and any outstanding reports from prior reporting years will be accepted only in the RY2016 format.

Completion and Submission Instructions

The Annual Monitoring Report consists of the following 3 parts:

I. <u>AMR_RY2016 – project name.xlsx</u> – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

Instructions	3C. Demographic Summary (new)
1A. Property & Residents (revised)	4. Narrative
1B. Transitional Programs	5. Project Financing
1C. Eviction Data	6. Services Funding (enhanced)
2. Fiscal Activity (revised)	7. Supplementary Audit Information Required by MOHCD (new)
3A. Occupancy & Rent Info (revised)	Completeness Tracker
3B. Demographic Information (new)	

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to

help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. Failure to supply the required explanation will render your submission incomplete.

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2016.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

- II. Owner Compliance Certification Form and Documentation of Insurance The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are current as of the date of submittal of the AMR.
- III. <u>Audited Financial Statements</u> Provide financial statements for the project for Reporting Year 2016. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "New Audit Requirements for MOHCD-Funded Projects" a copy of which is attached and posted on <u>MOHCD's Asset Management web page</u>. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.
- IV. Waiting List Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit: name of head-of-household, contact information, date of application, number of people in the household, stated household income and desired unit size. This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via <u>one email message per project</u> to <u>moh.amr@sfgov.org</u>, or if desired, for multiple projects, via flash drive or compact disc sent to Mike McLoone at MOHCD. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

Updates to the Reporting Form

The RY2016 AMR form has been revised from the form for RY2015, as follows:

- <u>Data for Race/Ethnicity</u> Must now be provided for each tenant household rather than in summary form for the project. Also, race and ethnicity have been split into two, separate demographic categories. For additional information on these changes, see the email notice from MOHCD dated 9/29/16 regarding new requirements for collection of ethnicity and race data.
- Worksheet 1A Most of the demographic questions have been moved to the new worksheet,
 "3B. Demographic Information," and the order of the remaining items has been changed to improve the flow of information.
- Worksheet 2 A new line item titled "Capital Maintenance Repairs/Improvements" has been

added to the expense section to account for capital costs that were paid out of the operating account and may be reimbursed by the Replacement Reserve. The "Reserve Account Details" section has been revised to improve functionality. The section for cash flow "waterfall" (distribution of Surplus Cash) has been simplified and now requires the user to enter the distribution priority as well as the amount of any Residual Receipts loan payment that is due to MOHCD, which previously was auto-calculated.

- Worksheet 3A Has been shortened by moving the data related to female-headed households, elderly households, number of children and disability to worksheet 3B.
- Worksheet 3B New worksheet where ethnicity, race and other demographic information must be entered for each tenant household.
- Worksheet 3C New worksheet where summaries of demographic information for a project are auto-generated, based on data entered on worksheet 3A and 3B.
- Worksheet 6 Has been enhanced so that supportive services that are selected on Worksheet 1A are auto-filled into Worksheet 6
- Worksheet 4 New section added where reporters must provide the details of miscellaneous administrative and maintenance expenditures that exceed \$10,000
- Worksheet 7 This new worksheet has been added in connection with the City's "New Audit Requirements for MOHCD-Funded Projects." Most fields on this sheet are auto-filled with data that is entered on Worksheet 2. Printouts of this sheet may be used to produce the "Supplementary Information Required by MOHCD" that must now be included in the project's audited financial statements. If the auditor elects to use this sheet for this purpose, some data entry on the sheet is required in the yellow-highlighted cells.

AMR Training – April 13, 9am-12noon

To facilitate completion of the AMR by project sponsors, MOHCD will conduct a training on April 13 from 9 a.m. to 12 noon in our office at 1 South Van Ness Avenue, 5th Floor, Room 5080. We strongly encourage the primary staff person responsible for completion of the report to attend. Space is limited. Please RSVP to Ricky Lam at ricky.lam@sfgov.org or 415-701-5542.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

The Mayor's Office of Housing and Community Development requests that owners of projects financed by this office notify us immediately if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident

Notice of Availability of 2016 AMR March 16, 2017 Page 4

- · A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Available Units and Waiting List Openings.

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers must notify MOHCD of this action by completing a Marketing Plan Template and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the <u>Asset Management page</u> of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the wait list on this <u>page of our web site</u>. General information for people seeking affordable housing in San Francisco can also be found on our web site at this location.

Tenant Selection Plan Policy - LOSP

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP), and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- Application Materials. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - o be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - o outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units.
- Second Interview. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- Delays in the Process. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.
- Problems with the Referring Agency. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, HSH.

• <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- o a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - o Hold a comparable unit for the household during the entire appeal process.

- o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
- o give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
- o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
- o confine the subject of the appeal to the reason for denial listed in the notice;
- o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
- o have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
- o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy - LOSP

The City expects that housing providers will use maximum feasible efforts to ensure that those individuals and families who are referred are accepted for occupancy in a timely fashion. To that end, the City has adopted the following screening criteria for applicants with a criminal record. If a problem arises in the application and screening process that may cause unreasonable delay in screening outcome, the housing provider should immediately notify the referring agency and HSH to assist with an expeditious resolution.

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers shall consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 3 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity. As necessary, HSH will assess the justification for a longer look-back period and determine whether an exception is warranted. In these exceptional situations, the housing provider may consider offenses that occurred in the prior 5 years.
 - o mitigating factors, including, but not limited to:

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (1) the seriousness of the offense;
- (2) the age and/or circumstances of the applicant at the time of the offense;
- (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader:
- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Department of Homelessness and Supportive Housing
Office of Community Investment and Infrastructure

Evaluation of Request for Funding: Local Operating Subsidy Program (LOSP) Contract

Renewal

Prepared By: Scott Madden

Loan Committee Date: April 7, 2017

Sponsor Name: Community Housing Partnership

Project Name: Arnett Watson Apartments

Project Address: 650 Eddy Street (Polk & Larkin)

Number of Units/Beds: 83 units

Amount of Funds Requested: Up to \$946,930 Year One budget

Up to \$19,018,559 for 15½ years

Amount of Funds Recommended: \$19,018,559

1. SUMMARY AND BACKGROUND

650 Eddy, L.P., a California limited partnership, an affiliate of Community Housing Partnership ("CHP"), is requesting \$19,018,559 in General Funds from the Local Operating Subsidy Program ("LOSP") to subsidize the continuing operations of 79 out of a total of 83 units of permanent supportive housing for formerly homeless individuals and families at Arnett Watson Apartments ("AWA") for a period of 15 years, six months.

CHP, along with Tenderloin Neighborhood Development Corporation as development partner, developed AWA beginning in 2004. The project was a newly constructed, 9-story building and consists of a mixture of studios, 1BRs and 2BRs (see below for unit mix). It also includes front desk, manager's office, a community room (with kitchen), garden courtyard, tenant services offices, tenant lounge, children's activity room and outdoor play area and a roof-deck garden. The project began operations in February 2009, and TNDC exited the partnership in 2010 per the development plan. It was the first project that serves formerly homeless families to be funded under LOSP. CHP provides both property management and supportive services to the project.

Unit Type	# of Units	% of Total Units
Studio	36	43%
1BR	33	40%
2BR	14	17%

The project serves extremely low-income, formerly homeless households—36 individuals and 47 families—with high social, behavioral health or physical needs. Through HCD's MHP Supportive program, all households must have at least one adult who is physically, mentally or developmentally disabled, or who is elderly or in recovery from physical abuse or substance abuse. HSA funds supportive services under Tier V (the highest HSA services funding tier) as a LOSP Project. In 2015, the average household income was \$11,000, or 13% AMI. The property housed around 140 people, including over 50 children under 18 years of age.

The requested funds would renew an existing, 9-year contract for \$9,979,865, which started in January 2009 and will expire at the end of this year. Funds under the existing contract are expected to be fully expended by October 2017. If the requested funds are approved, a new contract for a period of 15 years and 6 months will start on 7/1/17 in order to overlap with the current contract and avoid any disruptions in operations at the project. This new term will cover the remaining 7 years of the 15-year tax credit compliance period and continue for another 8 years through calendar year 2032.

The amount of funds requested was determined by using the current calendar year's operating budget and then applying MOHCD's standard underwriting assumptions over a 15½-year projection period. If approved, funds would be disbursed under the contract on a fiscal-year basis in accordance with the attached schedule (see Exhibit A-1), while also taking into account any surplus reported from the previous years. A total of \$973,477 in assistance is budgeted for the first fiscal year (FY17/18). This equates to a monthly per unit subsidy of \$969 for studios, \$983 for 1BRs and \$985 for 2BRs. This amount will increase from 3.1%-4.2% each year during the contract. Though all requested funds would be provided under a single, long-term contract, disbursements thereunder would be subject to annual appropriations by the Board of Supervisors, as is standard for LOSP contracts.

2. PROJECT PERFORMANCE COMPARED WITH MOHCD SUPPORTIVE HOUSING PORTFOLIO AND LOSP PROJECTS

2.1. 2015 Operating Expenses

To evaluate AWA's financial performance, operating expenses from 2015, the most recent year for which actual operating expenses have been reported, were compared with the operating expenses of projects in MOHCD's supportive housing portfolio and of LOSP projects as a subset of supportive housing.

Loan Committee Date: April 7, 2017 Page 3 of 16

Compared to All Supportive Housing

During 2015, MOHCD's portfolio had 91 supportive housing projects in operations. Average total operating expenses (before replacement reserve deposits and hard debt service), averaged about \$9,700 per unit per year. PUPY operating expenses varied by project size, with PUPY operating expenses higher for smaller buildings and lower for larger buildings. With 83 units, PUPY operating expenses for AWA were \$12,567, which was 22% above the average for supportive housing projects with 50-99 units.

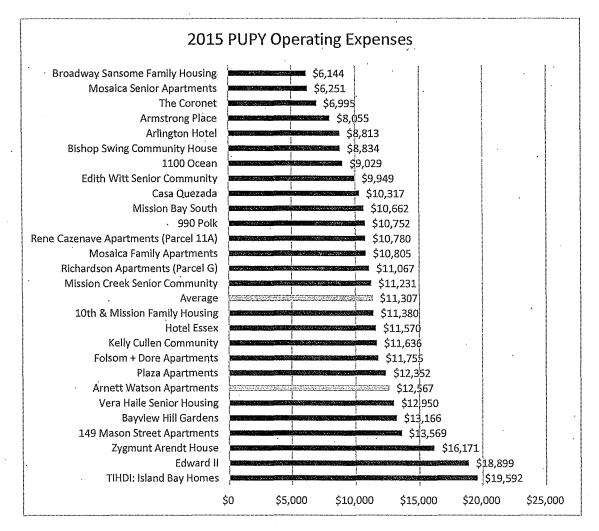

Average Operating Expenses Per Unit Per Annum, Supportive Housing Projects, 2015

# Units	# Projects	Average PUPY Operating Expenses
100+	33	\$9,212
50-99	41	\$10,285
1-49	17	\$11,672
All	91	\$9,741
83	AWA	\$12,567

Compared to LOSP Projects Only

Within MOHCD's LOSP portfolio of 27 projects, operating expenses PUPY ranged from a low of \$6,100 to a high of \$19,600 and an average of \$11,300. AWA's 2015 operating expenses of \$12,567 were 11% above the average.

(intentionally blank)

Compared to Projects with Similar Percentages of LOSP Units

Within the LOSP portfolio, some projects have just 20% LOSP units, while others are 100% LOSP. Average PUPY operating expenses vary by the percentage of LOSP units within the building. Buildings with a higher percentage of LOSP units were found to cost more to operate.

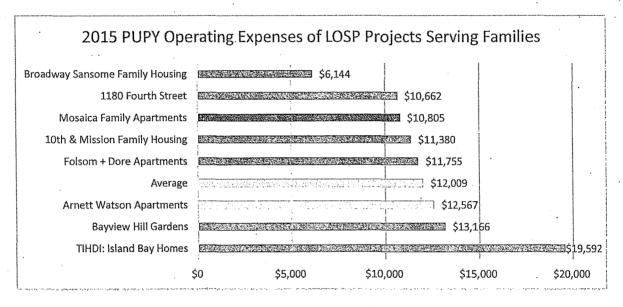

Ninety-five percent (95%) of the units at AWA are LOSP units. (The remaining 5% are supported by Shelter Plus Care rental subsidies and serve the same target population, making AWA a 100% formerly homeless project.) The per unit per year operating cost of \$12,567 at this project is 2.6% above the average for projects with 66% or more LOSP units.

Average Operating Expenses Per Unit Per Annum by % of LOSP Units, 2015

% of LOSP Units	# Projects	Average PUPY Operating Expenses
66% or more LOSP Units	11	\$12,251
20% - 66% LOSP Units	12	\$11,049
20% or less LOSP Units	4	\$9,487
All	27	\$11,307
83	AWA	\$12,567

Compared to LOSP Projects that Serve Families

When its per unit per year operating costs are compared only with projects that serve families, AWA ranks 6th out of 8 projects and 4.6% above the average of these projects.

Overall, AWA's per unit per year operating costs in 2015 compare favorably to

- projects with a similar percentage of LOSP units and
- LOSP projects that serve families.

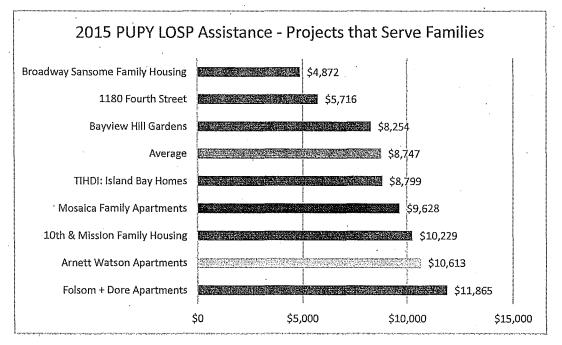

2.2. 2015 LOSP Subsidy

In 2015, the LOSP assistance for AWA on a per unit basis was \$10,613, which was 20% above the average per unit amount of assistance (\$8,858) across all 27 LOSP projects.

	2015 PUPY LOSP Assistance
AWA	\$10,613
Average – All LOSP Projects	\$8,858

When compared just to other LOSP projects that serve families, the per unit LOSP subsidy at AWA was second highest among 8 projects and was 21% above the average. The incongruity between this high PUPY LOSP subsidy and the close-to-average PUPY operating costs of AWA relative to the other projects that serve families and projects with similar percentages of LOSP units can be attributed to the following:

- LOSP household incomes in some of the comparison projects were higher than AWA, thus revenue from tenant rents was higher,
- several of the comparison projects have higher numbers of Shelter Plus Care units relative to the number of LOSP units and thus a higher offset of the LOSP deficit,
- greater economy of scale in some of the comparison projects, which have 65%-80% more units than AWA.

3. PROJECT OPERATIONS

The following is an evaluation of the 1st Year Operating Budget (Attachment B) and 20-Year Operating Pro Forma (Attachment C) that are the basis for the overall request for LOSP funds.

3.1. Annual Operating Income Evaluation

Tenant Rent: Under the current LOSP contract, all 83 units are restricted at 50% AMI. Tenants that are qualified under these restrictions pay the lesser of 30% of household income or 30% of 50% AMI as rent. As of 12/31/15, the most recent year for which MOHCD has data, the average income of the tenants was 13% AMI, significantly below the 50% AMI income restriction.

The Year 1 (2017) operating budget shows tenant rental income of \$237,084, which is an average of \$236-\$240 per unit per month, depending on unit size, and reflects an average

rent of 15% AMI. This number reflects the rent roll of the tenants currently in place at the project and is consistent with the target population of extremely low-income people on fixed incomes such as TANF, Social Security, SSI or General Assistance. The proforma assumes that tenant rent payments will escalate by 1.4%, which is equal to the historic average increase from 2010-2015. The projected vacancy rate is 5% and more conservative than the historic average of 1.9%, but it conforms with MOHCD's underwriting guidelines and will provide the project with a modest cushion in the event that actual vacancy is higher.

<u>LOSP Subsidy</u>: The LOSP subsidy in the Year 1 Operating Budget is \$946,930 (\$11,409/PUPY and \$951/PUPM). This is a 13% increase above the LOSP subsidy from 2015 and is sized to fund a break-even budget, including operating expenses, debt service, replacement and operating reserve deposits and a partnership management fee. (See Section 3.2 below for analysis.)

Shelter Plus Care Rental Assistance: 4 SPC subsidies, 2 1BRs and 2 2BRs. The proforma shows contract rents that are equal to 2017 FMRs, though current contract rents are significantly below these levels. On the lease anniversaries of the current tenants, CHP must request increases in the contract rents to at least the current FMRs or up to the SFHA payment standard if market rents in the vicinity of AWA support this.

<u>Total Residential Revenue Stream</u>: Between tenant rents, the LOSP subsidy and Shelter Plus Care rental assistance, total residential rental revenue for Year 1 is \$1.3 million. This represents monthly revenue per unit as follows:

Unit Type	Per Unit Monthly Revenue	AMI %
	!	Equivalent
Studio	\$1,290	68%
1BR ·	\$1,309	61%
2BR	\$1,312	54%
	Weighted Average	63% ·

It should be noted that MOHCD's underlying capital financing agreements restrict all units in the project at 50% AMI, which means that if the LOSP contract were terminated, CHP would be able to serve none-homeless, higher income people and charge rents only up to 50% AMI. However, for the project to be feasible in that event, CHP would have to lower operating expenses to within a 50% AMI revenue stream and/or seek project-based based Section 8 subsidies or applicants with Section 8 vouchers.

<u>Commercial Income</u>: \$18,000 is budgeted in Year 1 for one small, ground-floor commercial space, which the Partnership rents to CHP for use as office space. This amount is the same as was charged in 2015. It represents a monthly rent of \$1.91 for 785 square feet. By comparison, CHP is charging an average of \$2.23 per square foot for the 4 commercial spaces at the Hotel Essex, which have an average size of 575 square feet. The

20-year proforma assumes annual escalation of 2.5%. It also assumes a vacancy rate of 0% in light of the fact that CHP is the tenant and has made a long-term commitment to the space.

3.2. Annual Operating Expenses Evaluation

The annual operating expenses in Year One, before debt service and reserves, are projected at \$1,198,218 or \$14,436 PUPY. This is a 14.9% increase above 2015 operating expenses. MOHCD would not expect to see these costs budgeted much more than 7% above 2015 actuals (3.5% escalation over 2 years). CHP attributes this budget increase to increased minimum wage requirements that will take effect on 7/1/17 and 7/1/18. These will benefit the front desk and janitorial staff at the project, a total of 6.4 FTE, who will see a 15.3% increase in their wages this year and another 8.4% increase next year. CHP also attributes the increase to employee benefits that are now available to part-time janitors, which they hope will reduce turnover in these positions and ultimately reduce costs.

Staffing: Staffing is anticipated to remain the same as current staffing levels. The staffing plan covers 10 FTE, including a full range of property management services from custodial, maintenance, reception, on-site management, compliance and various levels of supervision. This represents a staff to unit/household ratio of 1 to 8.3.

Total Expense and FTE's	10		\$361,195

Management Fees: Management fee is budgeted in Year 1 at \$78 per unit per month, which is the current maximum allowed by HUD for Northern California for multifamily rental properties. In accordance with MOHCD's underwriting guidelines the fee is escalated at 3.5% annually.

Asset Management Fee: \$15,000 is budgeted in Year 1, which is within MOHCD's maximum fee of \$19,750. A 3.5% annual escalation is budgeted.

Salaries and Benefits: Salaries and benefits are budgeted at \$178,445 or \$2,150 per unit per year, and covers the salaries and benefits of the Property Manager and Assistant Manager.

Administration: Administration line items are budgeted at \$152,324, or \$1,835 per unit per year, and cover typical functions such as legal, office supplies and equipment, bookkeeping and accounting, audit, computers and telephones. There is no resident manager or administrative rent-free unit because the front desk is staffed 24/7.

<u>Utilities</u>: Utilities (gas, water/sewer, common electric) in Year 1 are budgeted at \$172,160, or \$2,074 per unit per year and are based on 2015 actuals with increases based on recent trending, including electricity, which has seen higher than expected increases. These numbers include all utility expenses in the residential units, as all utilities are included in the rent, as well as common areas. CHP reports they will be performing energy/gas/water audits of this property to seek to identify savings.

<u>Taxes</u>: Taxes are budgeted at \$38,424, or \$463 per unit per year. Costs assume 100% of units receive welfare tax exemption. Payroll taxes are 8% of salaries, and various miscellaneous fees.

<u>Insurance</u>: Insurance is budgeted at \$95,560, or \$1,151 per unit per year, for property and liability and worker's compensation insurance. CHP has been able to reduce their property insurance cost by singling out AWA from its overall portfolio. Although worker's compensation insurance was higher in 2015, they expect to see savings going forward due to 3 successive years of lower claims.

Maintenance and Repair: Maintenance and repair costs in Year One are budgeted at \$468,617, or \$5,646 per unit per year. This line item includes payroll for 1.80 FTE janitor, a full-time maintenance technician, 0.50 FTE maintenance supervisor and a small portion of the operations manager's salary; contracts for some maintenance, supplies, exterminating, grounds, flooring and elevator; garbage and trash removal. This also includes 24/7 front desk staff under the Security Payroll/Contract line item. Overall, projected expenses in this category are reasonable.

Replacement Reserve Deposits: \$49,800 (\$600/unit) for Year 1, in accordance with HCD's requirement. This complies with the City's requirement of \$32,004 per year. The 20-year proforma shows withdrawals that are consistent with a recently completed CNA, approved by MOHCD. With 0% escalation on annual deposits, ending balances each year are projected to range from \$2,800 to \$5,400 per unit during the term of the LOSP agreement. Current industry standard is to maintain a minimum balance equal to \$1,000 per unit.

Operating Reserve Deposits: Annual deposits are sized to maintain MOHCD's required balance of 25% of the prior year's operating expenses.

<u>Debt Service</u>: Mandatory debt service to HCD in the amount of \$25,585 for the MHP loan, which is \$308 PUPY

Partnership Management: The project pays \$15,000 for an annual partnership management. This is within the current maximum fee of \$19,750 allowed by MOHCD policy. This fee will terminate in Year 8, when the 15-year tax credit compliance period will end. MOHCD policy does not allow it to be paid beyond this point.

3.3. 20-Year Cash Flow

- The LOSP subsidy funds a break-even budget, thus no cash flow would be generated and available for soft loan repayments or distributions.
- Tenant rental income is escalated at 1.4%.
- Commercial income is trended at 2.5%.
- Resident vacancy rate is 5%. Commercial vacancy rate is assumed at 0%.
- All operating expenses are escalated at 3.5%.
- Partnership management fee is escalated 3.5% and will end in Year 8 when tax credit compliance period ends.

4. SUPPORT SERVICES EVALUATION

Through a direct contract with HSH, CHP Arnett Watson Apartments provides supportive services to 83 formerly homeless adults (36 units) and families (47 units). The current contract term is 7/1/14-6/30/18 in the amount of \$414,730. The goals of services is to empower tenants to become more self-sufficient, retain their housing or move to other appropriate housing, promote community building and tenant participation, and maintain a safe, supportive and stable environment that fosters independence. Support services include but are not limited to tenant outreach, intake and assessment, case management, benefits advocacy and assistance, offsite service referrals, mediation with property management, conflict resolution, support groups, social events and organized tenant activities, monthly community meetings, and clinical consultation.

HSH is pleased with the quality of services provided at AWA as well as coordination between services and property management and the quality of services, which has improved significantly with the addition of a new onsite Support Services manager last year. The program is meeting service and outcome objectives.

5. CONCLUSION

I recommend approval of the request in full. Arnett Watson Apartments is a well-staffed, well-run, highly supportive, permanent housing project for 83 disable, extremely low-income, formerly homeless individuals and families. It is an important resource in the City's array of homeless services and programs, and under CHP's ownership and management, it merits renewed LOSP funding so that it may continue to serve homeless people well into the future.

Attachment A: LOSP Program Description

As part of the City and County of San Francisco's effort to address the needs of the growing homeless population, the City has prioritized the development of non-profit owned and operated permanent supportive housing for formerly homeless individuals and families. While capital financing can be leveraged for this population, stakeholders realized these units cannot be feasibly operated at the scale needed if they rely solely on scarce federal or state operating subsidies.

In June 2004, the City launched its *Ten Year Plan to Abolish Chronic Homelessness* (the 2004 10-Year Plan), a multifaceted approach that included a locally funded operating subsidy as a key element and established the Local Operating Subsidy Program (LOSP) in 2006 to support the creation of permanent supportive housing at a large scale. The operating subsidy leverages capital financing by integrating homeless units into Low Income Housing Tax Credit projects without burdening them with operating deficits. LOSP was created by the Mayor's Office of Housing and Community Development (MOHCD) in partnership with the Department of Public Health (DPH) and the Human Services Agency (HSA).

On July 1, 2016, the City's diverse programs addressing homelessness were brought under the new Department of Homelessness and Supportive Housing (HSH), which combines key homeless-serving programs and contracts previously located across several City departments. The new department consolidates the functions of DPH Direct Access to Housing (DAH) and HSA Housing & Homeless programs. San Francisco is developing a Coordinated Entry System (CES) for all homeless populations to best match households to the appropriate intervention and ensure those with the highest needs are prioritized.

Through grant agreements with MOHCD, which are subject to annual appropriations by the Board of Supervisors, LOSP pays the difference between the cost of operating housing for homeless persons and all other sources of operating revenue for a given project, such as tenant rental payments, commercial space lease payments, or other operating subsidies. HSH refers homeless applicants to the housing units as well as provides services funding to the projects under a separate contract.

This request is a contract renewal of the initial 9-year LOSP grant agreement for Arnett Watson Apartments. As discussed in the Loan Evaluation, MOHCD and HSH have evaluated the Project's performance during the initial contract period and have determined that the property has been well run, and that services provided address the needs of the tenants. Accordingly, MOHCD staff is recommending a renewal of the LOSP grant agreement for a 15-year, six-month period, beginning in July 2017, through the end of 2032.
