BUDGET AND FINANCE COMMITTEE MEETING

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

In November 2018, San Francisco voters approved Proposition A, authorizing a \$425 million General Obligation Bond known as the Embarcadero Seawall Earthquake Safety Bond to support the Seawall Earthquake Safety and Disaster Prevention Program (Seawall Program).

In July 2019, the Board of Supervisors authorized the first issuance, sale, and appropriation of the Seawall Bond for up to \$50.0 million, including issuance costs, to support the planning and preliminary design phases of the Seawall Program (Files 19-0356, 19-0357, and 19-0358).

In April 2019, plaintiffs filed an action against the City alleging that San Francisco officials violated state and local election laws in connection with the voter approval of the Seawall Bond. The San Francisco Superior Court dismissed all of the plaintiffs' claims and entered judgment for the City on June 19, 2019, and on July 18, 2019, the plaintiffs filed an appeal. The City Attorney expects that the Court of Appeals will set a briefing schedule by the end of the calendar year. Although the City Attorney advises that the lawsuit is without merit, the City has chosen to delay the first bond issuance until the lawsuit is resolved.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$11,500,000 of unappropriated fund balance in the Port Harbor Fund to the Port's Seawall Earthquake and Disaster Prevention Program.

FISCAL IMPACT

The Port Harbor Fund had an estimated available fund balance of \$14.2 million at the end of FY 2018-19, according to Ms. Katharine Petrucione, Deputy Director of Finance and Administration at the Port. The proposed ordinance would appropriate \$11.5 million of the fund balance, leaving approximately \$2.7 million of available fund balance.

The proposed expenditures of the \$11.5 million appropriation are shown in Table 1 below.

 Table 1: Proposed Expenditures of Supplemental Appropriation, FY 2019-20

The proposed ordinance would appropriate funding for the work of Port staff and consultants in the Seawall Program's planning phase through FY 2019-20. These funds would be reimbursed through future Seawall Bond sales, when they occur.

RECOMMENDATION

Approve the proposed ordinance.
