Dear Ms. Calvillo:

RE: File No. 190974-2

Ordinance amending the Green Building Code to establish energy performance requirements for certain new building construction; adopting environmental findings, and findings of local conditions under the California Health and Safety Code and the California Public Resources Code; and directing the Clerk of the Board of Supervisors to forward the ordinance to state agencies as required by state law.

This amendment was heard at the Code Advisory Committee (CAC) meeting on August 14, 2019. The CAC recommended the adoption of ordinance File No. 190974-2 as written with the following amendments:

- 1) Page 10 line 22 change the number 10 to 14.
- 2) Page 11 line 24 add "Exception: Buildings consisting primarily of occupancy F, L or H are exempt from this section."

The Building Inspection Commission met and held a public hearing on October 16, 2019 regarding File No. 190974-2 on the proposed amendment to the San Francisco Green Building Code referenced above. The Commissioners voted 4 to 1, with Commissioner Walker dissenting. The Commissioners considered the Ordinance, but did not recommend approval as written.
