BOS Legislation,

I am confirming from Supervisor Mar's office that this resolution pertains to matters that are routine, not contentious, and of no special interest.

Attached please find the document for file #210353 with clerical edits accepted. The SB 37 document is also attached, reflecting the latest amendments in CA State Senate from 3/1/21.

The California State Association of Counties indicates that a decision is pending, while the League of California Cities is deciding to watch SB 37 as it moves through the legislative process. At this time, we don't have statements to add to the file.

Thank you!

Li

Hi Li,

Please find attached proof with clerical edits in the legislation. Kindly review and confirm that these

edits are agreeable. Please provide our office with a copy of SB 37 so it could be included in the file.

Since the item is requested to be placed on the For Adoption Without Committee Reference of the agenda, pursuant to Board Rule 2.1.2, please confirm that these matters are routine, not contentious in nature, and of no special interest.

Lastly, per Board Rule 2.8.2, please confirm that organizations such as the [California State Association of Counties](#) and [League of California Cities](#) have *not* taken a position on these bills. If they have, please provide a copy of their statement for completeness of the file.

Thank you.

Subject: Resolution supporting SB 37 for introduction at Board meeting today

Dear BOS Legislation,

Attached please find the resolution that Supervisor Mar is introducing at the 4/6/21 Board

meeting for Adoption without Committee Reference: Resolution supporting California State Senate Bill 37 (Cortese) - Contaminated Sites. The full title is below.

Please also find supporting documentation from Sierra Club Bay Chapter to President Shamann Walton and Members of the Board of Supervisors, and from Laborers' International Union of North America to CA Senator David Cortese, both in support of SB 37.

I have cc'ed Supervisor Mar who can confirm his signature on the introduction form.

Regards,

Li Lovett

Resolution supporting California State Senate Bill 37, Contaminated Sites: the Hazardous Waste Site Cleanup and Safety Act, authored by Senator David Cortese, expressly prohibiting the use of the common sense exemption to be applied to construction projects located on contaminated sites identified on the state's Cortese List.
