Item 2 File 22-0345	Department: Homelessness & Supportive Housing
EXECUTIVE SUMMARY	
Legislative Objectives - The proposed resolution would approve the acquisition of 681-687 Ellis Street, which includes 74 single room occupancy units to be converted to permanent supportive housing. The resolution would also authorize the Department of Homelessness and Supportive Housing to apply for a Homekey grant. Key Points - The property for purchase was selected following a Request for Information and evaluation by an interdepartmental review panel. The property was built in 1927 and is currently being used as a Shelter in Place hotel. There are no commercial leases on the property. - The purchase price was confirmed by a third-party appraisal and appraisal review. Fiscal Impact - The proposed resolution's not to exceed amount includes the purchase price of \$19,900,000 and closing costs of \$40,000. In addition, HSH staff estimate that there will be \$6.6 million in improvement costs. - The cost per unit, including estimated improvement costs, is \$359,095, which is consistent with recent HSH permanent supportive housing acquisitions. - Operating costs for the property are estimated to be \$1.5 million per year. - The purchase price, closing costs, and operating costs will be paid for by Proposition C monies. The Department has not yet determined funding for improvement costs. Recommendation - Approve the proposed resolution.	

MANDATE STATEMENT

Administrative Code Section 23.3 states that the Board of Supervisors must approve acquisitions and conveyances of real property by resolution. An appraisal of the property is required if the Real Estate Division determines that the fair market value is greater than \$10,000 and an appraisal review is required if the fair market value is greater than \$200,000.

BACKGROUND**City Acquisition of Permanent Supportive Housing**

The City's July 2020 Homelessness Recovery Plan established a goal of purchasing or leasing 1,500 new units of Permanent Supportive Housing by June 30, 2022. That goal has been met and exceeded: as of April 20, 2022, the City has purchased or leased over 2,500 units of new supportive housing.¹

These properties have been acquired using local General Fund and Proposition C funding, and by leveraging state Project Homekey funds. Proposition C, approved by San Francisco voters in November 2018, instituted a gross receipts tax for the purposes of funding homeless services and housing.

In July 2020, the California Department of Housing and Community Development announced, through a Notice of Funding Availability (NOFA), the Homekey Program along with the availability of approximately \$600 million in grant funding to local governments to sustain and expand housing for folks experiencing homelessness and impacted by COVID-19. The City has applied for, and received, nearly \$126 million in Homekey grant funding since July 2020, as shown in Exhibit 1 below.

¹ Progress towards Permanent Supportive Housing goals, including "Goal B," can be monitored through the City's online dashboard at <https://sf.gov/data/homelessness-recovery-plan#progress-towards-permanent-supportive-housing-goals>. Goal B (new purchases, new leases, and new development sites) includes both site-based and scattered site permanent supportive housing units.

Note: Total estimated costs include acquisition closing costs, and, for some projects noted with asterisks, estimated rehabilitation costs. Differences in acquisition prices depend on variables such as property condition, unit sizes, and building age. Costs included for planned or in-progress rehabilitation, including seismic upgrades for older properties, are estimates at time of acquisition. Homekey award amounts include only capital awards for acquisition and rehabilitation, not operating awards.

In addition to the properties noted in Exhibit 1, two acquisitions are pending Board of Supervisors review: 333 12th Street was approved for recommendation to the full Board at the April 20, 2022 Budget & Finance Committee meeting (File 22-0344) and 681-687 Ellis Street (this File 22-0345) will be presented to the Budget and Finance Committee on April 27, 2022.

According to HSH, new property acquisition activities will begin to slow next fiscal year as the majority of available one-time funding sources (prior year local Proposition C collections) are spent following the April 2022 purchases of 333 12th Street (File 22-0344) and 681-687 Ellis Street.

Existing Property

In January 2021, the Department of Homelessness and Supportive Housing (HSH) issued a Request for Information (RFI) to identify properties for possible acquisition as permanent supportive housing sites and received 100 eligible submissions, including the property located at 681-687 Ellis Street, in San Francisco's Tenderloin neighborhood.

The property is a seven-story, 4,695 square feet building and consists of a 74-room single room occupancy tourist hotel. Common areas include a lobby/front desk, and restaurant/dining room.

The property was built in 1927 and has received periodic updates and renovations, the most recent of which was approximately 13 years ago, in 2008.

The property is currently being leased on a month-to-month basis to the City under a COVID-19 emergency services contract as a Shelter-In-Place Hotel that provides temporary shelter for people experiencing homelessness who are most vulnerable to COVID 19.² As of April 12, 2022, HSH reports that the property is 73 percent occupied, with a total of 54 active guests at 681-687 Ellis Street. Prior to the agreement for emergency services, the property was used as a residential motel named “Atherton Hotel- Hosteling International.” There is no parking on site. There are no commercial leases in the building.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would make the following actions:

1. Approve and authorize the Director of Property, on behalf of HSH, to acquire the property located at 681-687 Ellis Street;
2. Approve and authorize an Agreement of Purchase and Sale for Real Estate for acquisition of the property for \$19,900,000 plus an estimated \$40,000 for typical closing costs, for a total acquisition cost amount not to exceed \$19,940,000 from 685 Ellis, LLC;
3. Approve and authorize HSH, on behalf of the City, to apply for the California Department of Housing and Community Development’s Homekey Grant Program to purchase the property;
4. Authorize the Director of Property, HSH Director, and City Attorney’s Office to execute the purchase and sale agreement, make certain modifications, and take certain actions in furtherance of the resolution and the purchase and sale agreement that do not increase the liabilities of the City;
5. Affirm the Planning Department’s determination that the purchase is not considered a project under the California Environmental Quality Act (CEQA); and
6. Adopt the Planning Department’s findings that the purchase and sale agreement is consistent with the General Plan and Planning Code Section 101.1.

An appraisal conducted by Colliers International Valuation and Advisory Services (“Colliers”) confirmed that as of January 6, 2022, the proposed sale price of \$19,900,000 is fair market value.³

R. Blum and Associates conducted an appraisal review of the property and recommended approval of the Colliers appraisal.

² The Shelter in Place (SIP) Program is one of four programs in the City’s COVID-19 Alternative Housing System. The SIP program provides temporary shelter for persons experiencing homelessness who are at increased risk for severe illness from COVID-19. Guests are not tenants and must vacate the site at the City’s request. The SIP Program is part of the State’s Project Roomkey which leverages Federal Emergency Management Agency and State funds to reimburse certain costs.

³ The appraisal was conducted assuming the number of units is 75, not 74, because the current ownership represents it as a 75-room hotel.

Intended Use

Pending Board of Supervisors approval, the City intends to continue operating the property as a Shelter-In-Place hotel as the SIP program winds down. The property will transition from a SIP Hotel to Permanent Supportive Housing for adults exiting homelessness. A third-party non-profit provider will provide on-site supportive services following a competitive selection process. HSH anticipates that a Request for Qualifications will be released in Summer 2022 to select the permanent non-profit operator of the property.

Site Condition

A visual inspection of the exterior property condition, interior, and building drawings was completed by a licensed consultant in March 2021. The inspection found that the building was generally in fair to good condition, with immediate capital improvements/rehabilitation that would cost approximately \$6,633,000. The funding source for the improvement costs has not yet been identified and is pending further development of a scope.

Project Homekey Grant Application

The proposed resolution authorizes the City to apply for Homekey Grant Funding for this property. HSH will determine whether to prioritize the property for application to the next round of state Homekey funding upon the release of the Round 3 Funding anticipated in October 2022. The property will be evaluated for application relative to other potential applicant properties in HSH's newly acquired supportive housing portfolio and whether the project will be able to meet Homekey-prescribed construction and lease-up timelines.

If the City chooses to apply for a grant and secures the funds, it will then seek Board of Supervisors approval to execute a Standard Agreement with California Department of Housing and Community Development (HCD), and to accept and expend the Homekey grant to offset the purchase cost and/or rehabilitation cost of the 681-687 Ellis Street property.

According to HCD's Notice of Funding Availability, projects are eligible for up to \$200,000 in funding per unit, or \$300,000 per unit if the applicant provides at least \$100,000 per unit in matching funds. Operating subsidies are available for up to \$1,400 per unit per month for two years, or for three years if a match is provided. Per unit subsidies vary based on unit size and population served.

FISCAL IMPACT

As shown in Exhibit 2 below, the total cost to purchase the property, including closing costs, is \$19,940,000 for 74 units. Additionally, the estimated near-term property rehabilitation/improvement costs is approximately \$6,633,000. The cost per unit is \$359,095, including acquisition and rehabilitation costs.

Exhibit 2: Estimated Acquisition and Improvement Costs

Item	Amount
Purchase Price	\$19,900,000
Closing Costs	\$40,000
Improvement Cost	\$6,633,000
Total Cost	\$26,573,000
Units	74
Cost Per Unit	\$359,095

Source: Proposed Purchase and Sale Agreement and HSH

Deposit

There is no deposit required for this acquisition.

Operating Costs

HSH estimates that onsite operating and services costs for supportive services at 681-687 Ellis Street would be similar to other properties in its Permanent Supportive Housing portfolio. Annual operating costs are approximately \$19,800 per room, or \$1,465,200 for the 74-room building once it is fully occupied. Future services contracts for the property are unlikely to meet the \$10 million expenditure threshold that would require Board of Supervisors approval.

Funding Source

HSH plans to use Proposition C funds to acquire and operate this property. If HSH decides to apply for a Homekey grant, those grant funds would offset the property's purchase, rehabilitation, and operation costs.

RECOMMENDATION

Approve the proposed resolution.

(a) If such damage or destruction is fully covered by Seller's insurance except for the deductible amount of up to Five Thousand Dollars (\$5,000) and the insurer agrees to timely pay for the entire cost of such repair (except the deductible), and the entire cost of the damage or destruction would cost less than One Million and Five Hundred Thousand Dollars (\$1,500,000) (the "**Threshold Damage Amount**") to repair or restore, then this Agreement will remain in full force and effect and City may proceed acquire the Property upon the terms and conditions set forth in this Agreement. In such event, City will receive a credit against the Purchase Price equal to the deductible amount, and Seller will assign to City at Closing all of Seller's right, title and interest in and to all proceeds of insurance on account of such damage or destruction pursuant to an instrument satisfactory to City.

(b) If such damage or destruction is not fully covered by Seller's insurance, other than the above deductible amount, and would cost less than the Threshold Damage Amount to repair or restore, then the transaction contemplated by this Agreement will be consummated with City receiving a credit against the Purchase Price at the Closing in an amount reasonably determined by Seller and City (after consultation with unaffiliated experts) to be the cost of repairing such damage or destruction.

(c) If the cost of the repairs of damage or destruction would equal or exceed the Threshold Damage Amount, then City will have the right, at its election, to terminate this Agreement in its entirety, or to not terminate this Agreement and purchase the Property. City will have thirty (30) days after Seller notifies City that an event described in this Subsection (c) has occurred to make such election by delivery to Seller of an election notice. City's failure to deliver such notice within the thirty (30)-day period will be deemed City's election to terminate this Agreement. If this Agreement is terminated by City's delivery of notice of termination to Seller, then City and Seller will each be released from all obligations under this Agreement, except those expressly stated to survive, the parties will share equally any title fees and escrow cancellation costs. If City elects not to terminate this Agreement, Seller will notify City of Seller's intention to repair such damage or destruction, in which case this Agreement will remain in full force and effect, or notify City of Seller's intention to give City a credit against the Purchase Price at the Closing in the amount reasonably determined by City and Seller (after consultation with unaffiliated experts) to be the cost of repairing such damage or destruction, in which case this Agreement will otherwise remain in full force and effect, and Seller will be entitled to any proceeds of insurance or condemnation awards. Any repairs elected to be made by Seller under this Subsection must be made within one hundred eighty (180) days following such damage or destruction and the Closing will be extended until the repairs are substantially completed.

(d) If condemnation proceedings are commenced against any of the Property (other than by the City or any division or instrumentality thereof), then, City will have the right, at its election, either to terminate this Agreement in its entirety, or only as to that portion of the Property subject to condemnation proceedings (in which case there will be an equitable adjustment to the Purchase Price), or to not terminate this Agreement and purchase the Property (or the portion not affected by condemnation, as the case may be). City will have thirty (30) days after Seller notifies City of receipt of the condemnation notice to make such election by delivery to Seller of an election notice. City's failure to deliver such notice within such

thirty (30)-day period will be deemed City's election to terminate this Agreement in its entirety. If this Agreement is terminated in its entirety or in part pursuant to this Subsection (d) by City's delivery of notice of termination to Seller, then City and Seller will each be released from all obligations hereunder pertaining to that portion of the Property affected by such termination except those expressly stated to survive, the parties will share equally any title fees and escrow cancellation costs. If City elects not to terminate this Agreement, then this Agreement will remain otherwise in full force and effect and City will pay Seller the full purchase price less the amount of any condemnation award previously paid to Seller and Seller will transfer and assign to City at Closing the right to receive any condemnation award not paid as of the Closing Date.

9.2 Insurance

Through the Closing Date, Seller will maintain or cause to be maintained, at Seller's sole cost and expense, a policy or policies of property insurance in amounts equal to the full replacement value of the Improvements and the Personal Property, insuring against all insurable risks, including, without limitation, fire, vandalism, malicious mischief, lightning, windstorm, water, earthquake, and other perils customarily covered by casualty insurance and the costs of demolition and debris removal. Seller will furnish City with evidence of such insurance upon request by City.

9.3 Possession

Seller will deliver possession of the Property to City on the Closing Date, vacant, except for that certain booking contract between Seller and City dated as of May 18, 2020, as amended (the "**Booking Contract**") (if not terminated) and the Assumed Contracts.

10. MAINTENANCE; CONSENT TO NEW CONTRACTS

10.1 Maintenance of the Property by Seller

Between the Effective Date and the Closing, Seller will maintain the Property in good order, condition and repair, reasonable wear and tear excepted, and will make all repairs, maintenance and replacements of the Improvements and any Personal Property and otherwise operate the Property in the same manner as before the making of this Agreement (subject to the Booking Contract), as if Seller were retaining the Property.

10.2 City's Consent to New Contracts Affecting the Property; Termination of Existing Contracts

After the Effective Date, Seller may not enter into any lease or contract, or any amendment thereof, or waive any rights of Seller under any Assumed Contract, without in each instance obtaining City's prior written consent. City agrees that it will not unreasonably withhold or delay any such consent. Seller will terminate prior to the Closing, at no cost or expense to City, any and all agreements, including any management agreements affecting the Property that are not Assumed Contracts.

If any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, then the party through whom the broker or finder makes his or her claim will be responsible for such commission or fee and will indemnify and hold harmless the other party from all claims, costs, and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the indemnified party in defending against the same. The provisions of this Section will survive the Closing.

11.3 Successors and Assigns

This Agreement is binding on, and will inure to the benefit of, the parties and their respective successors, heirs, administrators and assigns. City has the right, upon notice to Seller, to assign its right, title and interest in and to this Agreement to a non-profit organization directly affiliated with City's intended use of the Property at any time before the Closing Date.

11.4 Amendments

Except as otherwise provided herein, this Agreement may be amended or modified only by a written instrument executed by City and Seller.

11.5 Continuation and Survival of Representations and Warranties

All representations and warranties by the respective parties in this Agreement or made in writing under this Agreement are intended to be, and must remain, true and correct as of the Closing, will be deemed to be material, and, together with all conditions, covenants, and indemnities made by the respective parties under this Agreement or made in writing in accordance with this Agreement (except as otherwise expressly limited or expanded by the terms of this Agreement), will survive the execution and delivery of this Agreement and the Closing, or, to the extent the context requires, beyond any termination of this Agreement. All statements contained in any certificate or other instrument delivered at any time by or on behalf of Seller in conjunction with the transaction contemplated by this Agreement will constitute representations and warranties hereunder.

11.6 Governing Law

This Agreement is governed by and construed in accordance with the laws of the State of California and the City's Charter and Municipal Code.

Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum. The Parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.

11.7 Merger of Prior Agreements

The parties intend that this Agreement (including all of the attached exhibits and schedules, which are incorporated into this Agreement by reference) and the Due Diligence Agreement are the final expressions of their agreement with respect to Seller's sale of the Property and City's purchase of the Property and may not be contradicted by evidence of any prior or contemporaneous oral or written agreements or understandings, including, without limitation, any letter of intent or term sheet. The parties further intend that this Agreement and the Due Diligence Agreement will constitute the complete and exclusive statement of their terms and that no extrinsic evidence whatsoever (including, without limitation, prior drafts or changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Agreement. For clarity, this Agreement will not supersede, modify, or amend the Booking Contract.

11.8 Parties and Their Agents; Approvals

The term "Seller" as used herein includes the plural as well as the singular. If there is more than one (1) Seller, then the obligations under this Agreement imposed on Seller will be joint and several. As used herein, the term "Agents" when used with respect to either party includes the agents, employees, officers, contractors, and representatives of such party. All

approvals, consents, or other determinations permitted or required by City will be made by or through City's Director of Property unless otherwise provided herein, subject to applicable law.

11.9 Interpretation of Agreement

The article, section, and other headings of this Agreement and the table of contents are for convenience of reference only and will not affect the meaning or interpretation of any provision of this Agreement. Whenever the context requires, the use of the singular will be deemed to include the plural and vice versa, and each gender reference will be deemed to include any gender. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement will be interpreted in a reasonable manner to effect the purposes of the parties and this Agreement.

11.10 Seller Tax Obligations

Seller acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code (“**Delinquent Payment**”). If, under that authority, any payment City is required to make to Seller under this Agreement is withheld because Seller owes the City a Delinquent Payment, then City will not be in breach or default under this Agreement, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Seller, without interest, late fees, penalties, or other charges, upon Seller coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

11.11 Sunshine Ordinance

Seller understands and agrees that under the City’s Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code Section 6250 et seq.), this Agreement and any and all records, information, and materials submitted to the City hereunder public records subject to public disclosure. Seller hereby acknowledges that the City may disclose any records, information and materials submitted to the City in connection with this Agreement.

11.12 Conflicts of Interest

Through its execution of this Agreement, Seller acknowledges that it is familiar with the provisions of Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provision, and agrees that if Seller becomes aware of any such fact during the term of this Agreement, Seller will immediately notify the City.

11.13 Notification of Prohibition on Contributions

Through its execution of this Agreement, Seller acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or

from any department of the City whenever such transaction would require the approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (1) the City elective officer, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or twelve (12) months after the date the contract is approved. Seller acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$100,000 or more. Seller further acknowledges that the (i) prohibition on contributions applies to each Seller; each member of Seller's board of directors, and Seller's chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than ten percent (10%) in Seller; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Seller; and (ii) within thirty (30) days of the submission of a proposal for the contract, the City department with whom Seller is contracting is obligated to submit to the Ethics Commission the parties to the contract and any subcontractor. Additionally, Seller certifies that Seller has informed each of the persons described in the preceding sentence of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

11.14 Non-Liability of City Officials, Employees and Agents

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee or agent of City will be personally liable to Seller, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Seller, its successors and assigns, or for any obligation of City under this Agreement.

11.15 Intentionally Omitted.

11.16 Counterparts

This Agreement may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

11.17 Effective Date

As used herein, the term “**Effective Date**” means the date on which City, or its nominee, and Seller have executed this Agreement, as authorized by a resolution or ordinance, as applicable, enacted by the City's Board of Supervisors and Mayor approving and authorizing this Agreement and the transaction contemplated hereunder.

11.18 Severability

If any provision of this Agreement or the application thereof to any person, entity or circumstance is determined to be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, will not be affected, and each other provision of this Agreement will be valid and be enforceable to the fullest extent permitted by law, except to the extent that enforcement of this Agreement without the invalidated provision would be unreasonable or inequitable under all the circumstances or would frustrate a fundamental purpose of this Agreement.

11.19 Intentionally Omitted

11.20 Cooperative Drafting.

This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party will be considered the drafter of this Agreement, and no presumption or rule that an ambiguity will be construed against the party drafting the clause will apply to the interpretation or enforcement of this Agreement.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, SELLER ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS AGREEMENT UNLESS AND UNTIL APPROPRIATE LEGISLATION OF CITY'S BOARD OF SUPERVISORS WILL HAVE BEEN DULY ENACTED APPROVING THIS AGREEMENT AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON THE DUE ENACTMENT OF SUCH LEGISLATION, AND THIS AGREEMENT WILL BE NULL AND VOID IF CITY'S BOARD OF SUPERVISORS AND MAYOR DO NOT APPROVE THIS AGREEMENT, IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY WILL NOT BE DEEMED TO IMPLY THAT SUCH LEGISLATION WILL BE ENACTED NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

MEMORANDUM FOR: All Potential Applicants

FROM: Jennifer Seeger, Deputy Director
Division of State Financial Assistance

SUBJECT: Homekey Program
Notice of Funding Availability, Round 2

A handwritten signature in blue ink, appearing to read "Jennifer Seeger".

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately \$1.45 billion of Homekey Program (Homekey) grant funding through this Round 2 Notice of Funding Availability (NOFA). Building on the success of both [Project Roomkey](#) and the first round of Homekey, this significant investment continues a statewide effort to sustain and rapidly expand housing for persons experiencing homelessness or At Risk of Homelessness, and who are, thereby, inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic.

Of the \$1.45 billion in Homekey funding, \$1.2 billion is derived from the Coronavirus State Fiscal Recovery Fund (CSFRF) established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2) and \$250 million is State General Fund. The \$250 million in State General Fund money is intended to supplement the acquisition of, and to provide initial operating subsidies for, Homekey sites to promote project feasibility. Five percent of the \$1.45 billion in Homekey funds is for Department administrative costs. Projects receiving an award from the state's direct allocation of the federal ARPA must expend the funds within eight months of the date of award. The portion of a project's award associated with State General Fund must be expended by June 30, 2026.

Due to the potential for program oversubscription, eligible applicants are encouraged to submit their completed application as soon as possible. The Department will be accepting the applications on a continuous, Over-the-Counter basis from the release of the Homekey application in late September until May 2, 2022, or until the available funds are exhausted, whichever occurs first. Applicants must submit a complete application available at <https://homekey.hcd.ca.gov/content/apply>.

On September 30, 2021, the Department will hold a webinar to review the Homekey NOFA and application process. To register, please go to the Department's [Homekey webpage](#). To receive information on the workshop and other updates, please subscribe to the Department's Homelessness Prevention Programs listserv at http://www.hcd.ca.gov/HCD_SSI/subscribe-form.html.

HOMEKEY PROGRAM

NOTICE OF FUNDING AVAILABILITY

Article I – Program Overview

Section 100. Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately \$1.45 billion in Homekey funding to sustain and rapidly expand the inventory of housing for people experiencing homelessness or At Risk of Homelessness and who are, thereby, inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. Before the COVID-19 pandemic, homelessness data showed Black, Indigenous, and People of Color (BIPOC) were overrepresented in the homelessness system. The pandemic made racial disparities more apparent, and communities are dealing with the additional disproportionate impact of illness and death among people experiencing homelessness. Homekey recognizes these impacts and encourages Eligible Applicants to examine disproportionate impacts in their own communities and to develop strategies to address these impacts.

Homekey is an opportunity for state, regional, and local public entities to develop a broad range of housing types, including but not limited to hotels, motels, hostels, single-family homes and multifamily apartments, adult residential facilities, and manufactured housing, and to convert commercial properties and other existing buildings to Permanent or Interim Housing for the Target Population.

Of the \$1.45 billion in Homekey grant funds, \$1.2 billion is derived from the state's direct allocation of the federal Coronavirus State Fiscal Recovery Fund (CSFRF), which was established by the American Rescue Plan Act of 2021 (ARPA) (Pub.L. No. 117-2). In addition, \$250 million is derived from the state's General Fund to supplement the acquisition of, and to provide initial operating subsidies for, Homekey sites.

Section 101. Authorizing Legislation and Applicable Law

Assembly Bill No. 140 (2021-2022 Reg. Sess.) provided the statutory basis for Round 2 of the Homekey Program by adding section 50675.1.3 to the Health and Safety Code (HSC), and it exempted certain Round 2 Homekey Projects from the California Environmental Quality Act (CEQA) by adding section 50675.1.4 to the HSC. The statutory scheme includes new construction of dwelling units as an eligible use and establishes a set-aside of funds for projects serving Homeless Youth and Youth at Risk of Homelessness.

HSC section 50675.1.3, subdivision (e) states, “The Department of Housing and Community Development may adopt guidelines for the expenditure of the funds appropriated to the department, and for the administration of the program. The guidelines shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.”

This NOFA serves as the Department’s guidelines for the expenditure of Homekey funds and the administration of the Homekey Program. As such, this NOFA establishes the terms, conditions, forms, procedures, and other mechanisms that the Department deems

necessary to exercise its powers and to perform its duties pursuant to the Homekey Program. The matters set forth herein are regulatory mandates and are adopted as regulations that have the dignity of statutes. (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal. 4th 785, 799 [85 Cal.Rptr.2d 844].)

The Multifamily Housing Program (MHP) (Chapter 6.7 (commencing with Section 50675) of Part 2 of Division 31 of the HSC), and as subsequently amended, is hereby incorporated by reference. In accordance with HSC section 50675.1.3, subdivision (d), in the event of a conflict between this NOFA and the MHP, the provisions of this NOFA are controlling.

The MHP Final Guidelines (MHP Guidelines), effective June 19, 2019, and as subsequently amended, are hereby incorporated by reference. In the event of a conflict between any of this NOFA and the MHP Guidelines, the provisions of this NOFA are controlling.

The Department will only amend this NOFA as necessary and in accordance with the Department's guideline authority pursuant to HSC section 50675.1.3, subdivision (e).

All other criteria and matters set forth within the NOFA shall also govern the Tribal Entity set-aside that is further described below, unless and except to the extent expressly provided to the contrary by terms set forth within this NOFA and subject to any potential modification or waiver under or pursuant to Assembly Bill No. 1010 (Stats.2019, c. 660), which is set forth in HSC section 50406, subdivision (p).

Section 102. Program Timeline

Homekey funds will be available to Eligible Applicants on a continuous, Over-the-Counter (OTC) basis, rather than on a competitive basis. The following table summarizes the anticipated Homekey Program timeline.

Article II – Program Requirements

Section 200. Eligible Applicants

- i. Cities, counties, cities and counties, and all other state, regional, and Local Public Entities, including councils of government, metropolitan planning organizations, and regional transportation planning agencies designated in Section 29532.1 of the Government Code; or
- ii. Tribal Entities.

For purposes of this NOFA, a “Local Public Entity” is defined in accordance with HSC section 50079. Such definition includes the duly constituted governing body of an Indian reservation or rancheria; a tribally designated housing entity, as specified; and a housing authority, as specified.

Each of the foregoing entities may apply independently, or each entity may apply jointly with a nonprofit or for-profit corporation as a Co-Applicant.

Section 201. Eligible Uses

Awarded funds must be used to provide housing for the Target Population of individuals and families experiencing Homelessness or who are At Risk of Homelessness and who are inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. With respect to the list of eligible uses below, an Eligible Applicant may choose to target Project Roomkey properties, or other, non-Project Roomkey properties. The list of eligible uses is as follows:

- i. Acquisition or Rehabilitation, or acquisition and Rehabilitation, of motels, hotels, hostels, or other sites and assets, including apartments or homes, adult residential facilities, residential care facilities for the elderly, manufactured housing, commercial properties, and other buildings with existing uses that could be converted to permanent or interim housing.
- ii. Master leasing of properties for non-congregate housing.
- iii. Conversion of units from nonresidential to residential.
- iv. New construction of dwelling units.
- v. The purchase of affordability covenants and restrictions for units.
- vi. Relocation costs for individuals who are being displaced as a result of the Homekey Project.
- vii. Capitalized operating subsidies for units purchased, converted, constructed, or altered with funds provided pursuant to HSC section 50675.1.3.

Section 202. Eligible Projects

The Department welcomes and will consider a variety of innovative housing solutions as eligible projects. The following list of eligible projects is not exhaustive.

- i. Conversion of nonresidential structures to residential dwelling units.
- ii. Conversion of commercially zoned structures, such as office or retail spaces, to residential dwelling units.
- iii. Adult residential facilities, residential care facilities for the elderly, manufactured housing, and other buildings with existing residential uses.
- iv. Multifamily rental housing projects.
- v. Excess state-owned properties.
- vi. Shared housing or scattered site housing is permitted as long as the resulting housing has common ownership, financing, and property management, and each household signs a lease.
- vii. The Department may, in its sole and absolute discretion, provide express written approval of structures lacking a permanent foundation, such as manufactured homes,

recreational vehicles, and floating homes, for temporary use only. The Department encourages applicants to explore financing alternatives to Homekey for such structures. Applicants that wish to access Homekey funds for these special uses shall submit, in their application, a detailed explanation of how the use will meet all Homekey Program requirements, including the requirements for use and affordability restrictions set forth at Section 208 of this NOFA.

Applicants seeking the Department's approval of structures lacking a permanent foundation are encouraged to discuss their options at the required pre-application consultation.

- viii. **Existing Homekey Assisted Units, previously awarded under the first round of Homekey funding, are ineligible for funding under this NOFA.**

Section 203. Geographic Distribution and Set-Asides

COVID-19 impacts people who are experiencing or who are at risk of Homelessness throughout California. As such, the Department would like to ensure jurisdictions throughout the state have an equitable opportunity to apply for Homekey funds to protect the health and safety of their most vulnerable residents.

To this end, the Department has divided the state into eight regions, as outlined in Table 2, below. The regions are largely aligned with the various Councils of Government (COGs). As detailed in Table 3 below, each region has funding reserved. Each region's share of the Homekey allocation is calculated based on its proportionate share of persons experiencing homelessness as indicated by both the sheltered and unsheltered 2019 Homeless Point-in-Time (PIT) counts, plus its proportionate share of extremely low-income (ELI) renter households that are paying more than 50 percent of their income for rent.

The Department has established a four-month priority application period from the release date of the Homekey application in late September through January 31, 2022. During this prioritization period, the Department will group applications into one of the eight geographic regions, unless the application is prioritized for the Homeless Youth or Tribal Entity set-asides.

After January 31, 2022, the Department will stop grouping applications by geographic region, and instead deploy unused funds from any undersubscribed geographic region(s) to fund subsequent applications statewide. The set-aside funding for Homeless Youth and Tribal Entities will remain unchanged. The Department will also redeploy undersubscribed and unused funds beginning May 2, 2022, as specified at Section 400 of this NOFA.

To further encourage the timely submission of Homekey applications, the Department will also award a bonus to applications submitted by January 31, 2022, as further detailed in Section 207.

Set-Asides

The \$1.45 billion in Homekey funds will be allocated as follows:

Table 4: Homekey Funding Categories

Category	CSFRF Allocation	GF Allocation
Total Homekey Allocation	\$1,200,000,000	\$250,000,000
Total Geographic Allocation	\$787,200,000	\$164,400,000
Discretionary Reserve at 20%	\$196,800,000	\$41,100,000
State Administrative at 5%	\$60,000,000	\$12,000,000
Tribal Set-Aside at 5%	\$60,000,000	\$12,500,000
Homeless Youth Set-Aside at 8%	\$96,000,000	\$20,000,000

The Department will reserve 20 percent of the Homekey money to address unforeseen circumstances and to ensure that funding is effectively aligned with need. (For instance, the Department may use this reserve money to fund high-scoring projects in oversubscribed regions.)

Of the total amount provided under this NOFA, set-asides shall be reserved for Homeless Youth and Tribal Entity Projects meeting the criteria set forth below, and in the amounts set forth in Table 4 above. Unless otherwise indicated, all scoring criteria and other NOFA provisions shall govern the set-aside awards provided under this NOFA.

1. Homeless Youth: Pursuant to HSC section 50675.1.3, subdivision (c), the Department will set aside eight percent (8%) of Homekey funding for Projects serving Homeless Youth, or Youth at Risk of Homelessness, as defined in 24 Code of Federal Regulations (CFR) part 578.3. Projects within this set-aside may expand the Target Population to include current and former foster youth through the age of 25.

This set-aside is not subject to geographic allocation, but the Department will aim to promote geographic equity. Homekey Projects are not required to serve Homeless Youth, or Youth at Risk of Homelessness. Homekey Projects proposing to serve Homeless Youth, or Youth at Risk of Homelessness, may also serve other qualifying members of the Target Population.

Projects that meet the threshold requirements of Sections 300-303, as well as the following criteria, will be prioritized for Homeless Youth set-aside funds:

- Have at least 25 percent (25%) of Assisted Units reserved for Homeless Youth or Youth at Risk of Homelessness; (See Section 304, 4a for points awarded)
- Have jointly applied and/or partnered with a nonprofit corporation(s), including community-based organization(s), with experience serving Homeless Youth, or Youth at Risk of Homelessness; and (see Section 304, 2a-c for points awarded)
- Have reasonable proximity to youth-centered amenities, including, but not limited to, community colleges, universities, trade schools, apprenticeship programs, employment programs, childcare centers for parenting youth, and community centers for youth (e.g., LGBTQ+ centers, drop-in youth centers). (See Section 304, 4g for points awarded)

The Department will also prioritize Projects that provide supportive services for Youth Assisted Units using a Positive Youth Development (PYD) model and trauma-informed care. Services may include, but are not limited to, case management, income supports, educational and employment counseling, life skills, legal assistance, health and wellness, and family connection services.

2. Tribal Entities: The Department will set aside five percent (5%) of the Homekey funding for Eligible Applicants that meet the definition of a Tribal Entity, as set forth and provided in this NOFA. This set-aside is not subject to geographic allocation, but the Department will aim to promote geographic equity.

The Department will endeavor to provide comprehensive technical assistance to Tribal Entities, and Tribal Entities are highly encouraged to utilize available technical assistance throughout the application process and during implementation of the Project.

The requirements set forth in this NOFA are subject to AB 1010 (Stats.2019, c. 660), which is set forth in HSC section 50406, subdivision (p). Accordingly, and pursuant to HSC section 50406, subdivision (p), **(a)** where the provisions of tribal law, tribal governance, tribal charter, or difference in tribal entity or legal structure would cause a violation or not satisfy the requirements of this NOFA, said requirements may be modified as necessary to ensure program compatibility; and **(b)** where provisions of tribal law, tribal governance, tribal charter, or difference in tribal entity legal structure or agency create minor inconsistencies (as determined by the Director of the Department or a duly authorized designee thereof) with the requirements set forth in this NOFA, the Department may waive said requirements, as deemed necessary, to avoid an unnecessary administrative burden. Matters set forth or otherwise provided for in this NOFA that may be modified or waived include, without limitation, threshold scoring requirements and any other matters set forth in HSC section 50406, subdivision (p)(2). Tribal Applicants are accordingly encouraged to discuss any such potential modifications or waivers and their options in that regard at the required pre-application consultation.

Section 204. Program Deadlines

Capital funds must be expended within eight months of the date of award. For Projects that involve acquisition and are receiving capital awards, Grantees must expend the funds by the expenditure deadline and the project escrow must be closed by the expenditure deadline. To meet this requirement, the Department will provide ongoing support to assist Grantees and has developed an accelerated award and disbursement process.

Additionally, Grantees shall complete all applicable construction and/or Rehabilitation within 12 months of the date of award. All Projects shall achieve a full occupancy (fully occupied with consideration for an average of 10% vacancy rate at any given time) within 90 days of construction and/or Rehabilitation completion. The Grantee may ask the Department for an extension for construction and/or Rehabilitation completion, where it is clear that the extension is due to circumstances or conditions beyond their control and granting an extension will enable the Project to complete construction and/or Rehabilitation or achieve full occupancy of the Assisted Units. In cases where an extension for construction and/or Rehabilitation completion is granted by the Department, the deadlines for capital fund expenditure and full occupancy may be extended within the constraints of applicable law.

Pursuant to 31 CFR part 35.5, the Department may reimburse eligible costs incurred beginning on March 3, 2021. Applicants are encouraged to discuss their options at the required pre-application consultation.

All operating funds must be fully expended by the Grantee by no later than June 30, 2026.

Section 205. Maximum Grant Amounts and Capital Funding Match

Homekey will fund a maximum grant amount per door, pursuant to the conditions of this section, which includes both the acquisition cost and any needed Rehabilitation or new construction. **The award will be the lower of the maximum grant amount, or the sum of the acquisition amount supported by an appraisal and any additional construction and Rehabilitation expenses as supported by documentation required by the Department.** "Door" refers to units at the time of the acquisition, which may differ from the number of units that are available after a conversion of the property. For those projects that undergo a future conversion, the number of units may need to be reduced in order to accommodate kitchenettes, additional bedrooms, space for supportive services and other amenities. For new construction and conversion of office, commercial, or other non-residential structures into residential dwelling units, Homekey will fund a maximum grant amount per completed Assisted Unit serving the Target Population, or an amount as supported by an appraisal, whichever is lower. "Assisted Unit" refers to units that are available after the construction or conversion of the property.

The Department will contribute a baseline amount per door, as outlined below, in whichever category is higher for the Assisted Unit. This baseline contribution does not require a local match.

Unit Size -- Baseline Capital Amounts:

- i. Studio or one-bedroom units will receive a baseline amount of \$150,000 per door.
- ii. Two-bedroom units will receive a baseline amount of \$175,000 per door.
- iii. Three-bedroom or larger units will receive a baseline amount of \$200,000 per door.

Note that Homekey will fund "doors" based upon the number of units and unit size at the time of acquisition. In situations where units are combined to make larger units, awards will default to the number of doors and size of units at acquisition. In situations where multi-bedroom (two or more bedrooms) units at acquisition are divided into smaller unit sizes, awards will default to the number of doors and size of units with the lower baseline amount per door.

OR

Sub-Populations Served -- Baseline Capital Amounts:

- i. Assisted Units reserved for those experiencing Chronic Homelessness will receive a baseline amount of \$200,000 per door.
- ii. Assisted Units reserved for Homeless Youth or Youth at Risk of Homelessness will receive a baseline amount of \$175,000 per door.

Additional Contribution Amount – Local Match

Beyond the applicable baseline amount, the Eligible Applicant may leverage a 1:1 local match to provide up to \$100,000 in additional funds per door. For example, where the Applicant shows \$100,000 in matching funds, the Department will fund no more than \$250,000 for a 1-bedroom Assisted Unit, \$275,000 for a 2-bedroom Assisted Unit,

\$300,000 for a 3+ bedroom Assisted Unit, \$300,000 for an Assisted Unit serving those experiencing Chronic Homelessness, and \$275,000 per door for an Assisted Unit serving Homeless Youth/Youth at Risk of Homelessness.

Appendix A shows how maximum funding awards from Homekey vary with different per-door costs, unit types, and Applicant contribution levels.

For relocation costs, the Department will pay for one-half of the relocation cost per door in addition to the capital award. For example, if a Project includes \$15,000 in relocation costs, then the Department will pay for \$7,500 of that relocation cost.

For the purchase of affordability covenants and restrictions, and for master-leasing, the Department may size the award per door based on a recent market study within the past year which conforms to guidelines adopted by the Tax Credit Allocation Committee (TCAC), and/or a rent roll, and/or other supporting documentation. For these uses, the maximum Homekey contribution per door shall not exceed the maximum amounts referenced in this section for acquisition, Rehabilitation, and new construction.

Section 206. Operating Subsidies and Match

- i. Where an operating subsidy is requested, the total amount of operating subsidy per Assisted Unit is limited as follows:
 - a. Assisted Units reserved for those experiencing Chronic Homelessness, for Homeless Youth, or for Youth at Risk of Homelessness shall not exceed \$1,400 per month; and
 - b. All other Assisted Units shall not exceed \$1,000 per month.
- ii. The total duration of the operating subsidy (as described in i. above) is tied to the amount of the Applicant's matching funds, and is limited as follows:
 - a. If Projects can demonstrate a commitment of three years of non-Homekey operating funds for Assisted Units, the Department will provide an operating subsidy sized for two years.
 - b. If Projects can demonstrate a commitment of four or more years of non-Homekey operating funds for Assisted Units, the Department will provide an operating subsidy sized for three years.
 - c. If Projects have application scores of 140 or more, the Department may consider providing an operating subsidy sized for three years without the Applicant demonstrating a commitment of four or more years of non-Homekey operating funds.
- iii. Operating subsidy may pay for necessary, recurring Project Operating Expenses in an amount approved by the Department. Qualifying expenses include utilities, maintenance, management fees, taxes, licenses, and supportive services costs, but not debt service or required reserve account deposits. Operating Expenses should be included in the Project's submitted budget.

- iv. If requesting an operating subsidy, the Eligible Applicant must submit a letter of support from the local Continuum of Care (CoC) or Housing Authority confirming the need for an operating subsidy and evidencing that other operating funding, such as rental subsidies, were sought for the Project, but the funding isn't available for this use. A letter template and a list of potential Homekey complementary funding can be found on the Homekey [webpage](#).
- v. The Homekey-funded portion of the operating subsidy must be expended (liquidated) by June 30, 2026, with the Grantee establishing a capitalized operating subsidy reserve and disbursing the funds as outlined in this NOFA.
- vi. Eligible Applicants are required to demonstrate a five-year commitment to provide operating funds for the proposed project. The first two years of operating funds may include an award from Homekey. Operating match may be obtained from any source, including any federal, state, local, private, or philanthropic source. Eligible Applicants will have an opportunity to discuss the match requirements and potential match sources during the pre-application consultation.

Additionally, the following requirements apply to operating match contributions:

- i. The Eligible Applicant must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Homekey funds; and
- ii. If the State General Funds are used to satisfy the matching requirements of another program, then funding from that program may not be used to fulfill the matching requirements of the Homekey Program.

Section 207. Bonus Awards

Timely Submission of Application

The Department will award an additional \$10,000 per Assisted Unit as a bonus award for each Project with a timely submission of a complete application to the Department by January 31, 2022. Application packages that are incomplete or that do not meet the filing requirements will not be awarded the bonus award. This bonus may be used for either operating or capital expenses.

Expedited Occupancy

The Department will award \$10,000 per Assisted Unit as a conditional bonus amount for Projects meeting the following expedited occupancy timeframe:

- i. Project's Assisted Units achieve full occupancy (with consideration for an average of 10 percent vacancy) within eight (8) months of the date of award.

This bonus award can be used for operating costs only, including the reimbursement of operating costs already incurred. Projects eligible for this bonus award must commit to achieving full occupancy within eight (8) months after the award date. Projects will not receive the bonus award if reaching full occupancy in eight (8) months was not planned in their application, nor required in their Standard Agreement.

The Department will not disburse the conditional bonus amount until proof of full occupancy (rent roll) is provided to the Department within eight (8) months of the date of award. Once the documentation is deemed sufficient by the Department, the Grantee may submit a request for funds disbursement. If Grantee fails to meet the expedited occupancy timeframe as indicated in their application, the Department may reallocate the conditional bonus amount to fund other Eligible Applicants.

Section 208. Affordability Term

The Grantee shall duly encumber all Interim Housing, Transitional Housing, and Congregate Shelter Projects with a 15-year covenant, declaration, regulatory agreement, or similar use restriction that (a) is recorded in first position against the Project real property for the benefit of the Department, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Program requirements, and (c) is otherwise in form and substance acceptable to the Department.

The Grantee shall duly encumber all Permanent Housing Projects with a 55-year covenant, declaration, regulatory agreement, or similar use restriction that (a) is recorded in first position against the Project real property for the benefit of the state, regional, local, or tribal Grantee, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Program requirements, (c) duly names the Department as a third party beneficiary with the right and privilege, but not the obligation, of enforcement thereof, and (d) is otherwise in form and substance acceptable to the Department.

Section 209. Flexibility

The Department recognizes the limited availability of local, state, and federal funds, and the corresponding imperative for flexibility in the Homekey Program. Therefore, subject to the Department's advance written approval, a Grantee may use a capital expenditure award to fund the proposed project's operating costs, or an operating award to fund the proposed capital expenditure, so long as the aggregate Homekey award is expended on eligible uses.

Article III – Threshold and Scoring Criteria

Section 300. Threshold Requirements

To be eligible to receive funding, all Projects must meet the following requirements as they relate to the Eligible Applicant and the project types:

- i. Applications may be submitted independently by an Eligible Applicant, as defined in Section 200 and Article VII. Alternatively, each of the foregoing Eligible Applicants may apply jointly with a nonprofit or for-profit corporation as Co-Applicant.
- ii. Projects must serve persons qualifying as members of the Target Population.
- iii. Applications must include an initial plan for providing supportive services based on the anticipated needs of the Target Population and any proposed sub-populations to be served by the Project. The initial plan shall be reasonably detailed and

comprehensive, as determined by the Department in its sole and absolute discretion. The supportive services plan shall provide a description of the services that will be available at the housing site including but not limited to case management, behavioral health services, physical health services, assistance obtaining benefits and essential documentation, and education and employment services. The plan shall include a description of the on-site staffing plan proposed to deliver these services. Also, the plan shall describe the approach to securing and/or connecting residents to off-site services including primary care and other needed physical health and behavioral health services as well as other tenancy supports.

- iv. Applications must include an overview of the plan and timeline for any required entitlements, permits, and environmental clearances. Eligible Applicants will have an opportunity to discuss their land use and environmental clearance plans, and related statutory authorities during the pre-application consultation.
- v. Applications must include a completed Racial Demographic Data Worksheet, which reports CoC outcomes by race and ethnicity. The completed worksheet may be submitted by the Applicant and the template can be found on the Homekey [webpage](#).
- vi. The Grantee shall have site control of the property at the time of application, and such control shall not be contingent on the approval of any other party. The status and nature of the Grantee's title and interest in the property shall be subject to the Department's approval. Site control may be evidenced by one of the following:
 - a. Fee title;
 - b. A leasehold interest on the property with provisions that enable the lessee to make improvements on and encumber the property provided that the terms and conditions of any proposed lease shall permit compliance with all program requirements;
 - c. A leasehold estate held by a Tribal Entity in federal tribal trust lands property, or a valid sublease thereof that has been or will be approved by the Bureau of Indian Affairs;
 - d. An executed disposition and development agreement, or irrevocable offer of dedication to a public agency;

 - f. A letter of intent, executed by a sufficiently authorized signatory of the Eligible Applicant, that expressly represents to the Department, without condition or reservation, that, upon successful application, the Eligible Applicant shall purchase or otherwise acquire a sufficient legal interest in the property to accomplish the purpose of the award. The letter of intent must also be acknowledged by the party selling or otherwise conveying an interest in the subject property to the Eligible Applicant. If this form of evidence is relied upon at the time of application, the Department may impose additional milestones, in the Standard Agreement, regarding increased evidence of eventual site control closer to the likely close of escrow; or

- g. Other forms of site control that give the Department assurance (equivalent to items a. through f. above) that the Applicant will be able to complete the Project in a timely manner and in accordance with all the Program's objectives and requirements.
- h. For Applicants proposing sites that will require a use change for permanent housing, there should be a commitment and plan to facilitate or expedite those processes, so as to not delay expenditure and occupancy requirements.
- vii. The Eligible Applicant applying for the Homekey funding is the entity that the Department relies upon for experience and capacity, and will control the project during acquisition, development, and occupancy.
- viii. A development plan that supports acquisition of a site and fund expenditure before all program deadlines and demonstrates evidence of strong organizational and financial capacity to develop the project.
- ix. Assisted Units and other units of the Project must meet all applicable state and local requirements pertaining to rental housing, manufactured housing, including but not limited to requirements for minimum square footage, and requirements related to maintaining the project in a safe and sanitary condition.
- x. Applicants and Co-Applicants must be in good standing with the State of California and all agencies and departments thereof. By way of example and not limitation, an Applicant and Co-Applicant must be qualified to do business in the State of California and must be in good standing with the California Secretary of State and the California Franchise Tax Board. Applicants that are delinquent in meeting the material requirements of previous Department awards may, in the Department's reasonable discretion, fail threshold review.
- xi. The Department will require Eligible Applicants to submit a complete application with all required documents. The Department reserves the right to request clarification of unclear or ambiguous statements made in an application and other supporting documents.
- xii. Relocation Assistance Narrative. Applicant shall submit a concise, sufficiently detailed narrative to demonstrate its consideration of, and early engagement with, applicable relocation assistance laws and requirements. (This Relocation Assistance Narrative does not take the place of the relocation plan, or the Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, that the Grantee shall submit as a condition of funding.) Applicant's Relocation Assistance Narrative shall include or identify the following:
 - a. A diagrammatic sketch of the Project site.
 - b. Clear, high-resolution photographs of the Project site and all improvements thereon (e.g., buildings, parking lots, billboards).
 - c. The projected dates of any Homekey-funded acquisition, construction, Rehabilitation, demolition, or similar development activities at the Project site.

- d. A description of any persons, businesses, or farm operations that will or may be displaced from the Project site by the foregoing development activities. Applicant shall specify whether any such displacement will be permanent or temporary.
 - i. If no such displacement will occur, Applicant shall conclude the narrative by expressly confirming that Applicant's eligible use(s) of the funds will not result in the displacement of any persons, businesses, or farm operations from the Project site.
 - ii. If such displacement will occur, Applicant shall further develop the narrative by including the additional elements set forth at (e) – (i) below.
- e. A description and evidence of attempts made to maintain the tenure of existing residents that may qualify under the criteria for the Target Population.
- f. A description of the aggregate relocation needs of the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.

- h. An identification of the Applicant's relocation consultant and/or relocation services provider in connection with the project site. Applicant shall also submit legible copies of its services contract or letter of intent with or to the relocation consultant and/or relocation services provider.
- i. Applicant's cost estimate (and associated funding strategy) for providing relocation assistance and benefits to the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.

Section 301. Permanent Housing Requirements

In addition to Section 300 above, Permanent Housing projects will also be evaluated on the following requirements:

- i. Funding commitments or other reasonable assurance to cover operations and service costs with specific funding sources (government/philanthropic/private) for the proposed project for five (5) years and a budget which covers operations and services costs through year 15 from the recordation of the use restriction.
- ii. If the Eligible Applicant is acquiring, rehabilitating, and operating a Permanent Housing project, the Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience requirements:
 - a. Development, ownership, or operation of a project similar in scope and size to the proposed project; or development, ownership, or operation of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the Target Population.
 - b. The property manager and supportive service provider shall have three or more years of experience serving persons of the Target Population. If a property manager is not yet selected for the proposed project, the Eligible Applicant shall certify that this requirement will be reflected in any future solicitation or memorandum of understanding
 - c. Experience administering a Housing First program that includes principles of harm reduction and low barriers to entry.
- iii. One-for-one replacement of assisted housing
 - a. If the acquired housing or site is to be redeveloped/repositioned as part of the locality's overall goal to address the needs of the Target Population and the community, the Applicant shall provide as part of the application a commitment to ensure one-for-one replacement of units.
 - b. If the target site is going to be demolished before any occupancy by the Target Population, no one-for-one replacement commitment needs to be provided. The unit mix will be evaluated based on the project proposal.
 - c. The application shall include a site map indicating the original target housing location and all proposed housing location(s). If all proposed housing will be located within the neighborhood, no additional documentation is necessary. If replacement housing is proposed outside the target neighborhood, the application must also include a justification explaining why it is necessary to locate this replacement housing outside the target neighborhood (i.e., offsite) and how doing so supports and enables the Target Population to maintain housing.

Section 302. Interim Housing Requirements

In addition to Section 300 above, Interim Housing projects will also be evaluated on the following requirements:

- i. Funding commitments or other reasonable assurance to cover operations and service costs with specific funding sources (government/philanthropic/private) for the

proposed project for five (5) years and submit a budget to cover operations and services costs through year 15 from the recordation of the use restriction.

- ii. If the Eligible Applicant is acquiring, rehabilitating, and/or operating an Interim Housing project, the Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience requirements:
 - a. Successful development, ownership, or operation of an Interim Housing project, such as an emergency shelter or Transitional Housing for at least three of the last ten years for individuals who qualify as members of the Target Population;
 - b. Experience in linking Interim Housing program participants to Permanent Housing to ensure long-term housing stability; and
 - c. Experience administering a Housing First program that includes principles of harm reduction and low barriers to entry.

Section 303. Other Requirements

- i. Units serving the Target Population and occupied units serving ELI households are eligible for funding.
 - a. Homekey may fund all units in a project or a portion of the units. If seeking Homekey funding for a portion of the units in a given project, Applicants must identify committed sources for the non-Homekey units. The non-Homekey units are not required to serve the Homekey Target Population.
 - b. If, at the time of acquisition, an existing tenant's household income is at or below the ELI limit, but the tenant does not qualify as a member of the Target Population, the tenant may remain in place and the unit may still be funded by Homekey. When, in the course of normal tenant turnover, the ineligible household moves from the unit, the unit shall thereafter be occupied by the Target Population. There should be no more than 49 percent of the Assisted Units that do not meet the Target Population. An existing household who meets the Target Population definition or was a member of the Target Population at the time they moved into the property will not be counted towards the 49 percent cap. Evidence confirming that existing tenants qualify as either ELI or Target Population will be required of the Applicant.
- ii. At year 15 from the recordation of the use restriction, in circumstances where the Grantee has exhausted available operating funding and demonstrated to the Department that the Project is no longer feasible, the Department may approve an increase in income levels, to the minimum extent required for fiscal integrity, in five percent increments of Assisted Units up to 50 percent AMI.
- iii. The Department reserves the right to set restrictions on the unit mix, rent levels, and other factors deemed necessary. To the maximum extent possible, these changes shall minimize the impact on the lowest income Project residents and shall be phased in as gradually as possible. If, following any increase in rents and income limits, or modification of Target Population occupancy requirements, new resources become available, or market demand changes, allowing reversion to the former income and

rent limits or Target Population occupancy requirements, the Department may re-impose these income limits and rent limits or Target Population occupancy requirements, in whole or in part, subject to an analysis of Project feasibility.

- iv. In addition to Section 300 above, Applicants purchasing affordability covenants and restrictions will also be evaluated on the following requirements:
 - a. The Grantees that purchase affordability covenants and restrictions for existing residential units shall restrict those units to individuals and families who are Homeless or who are At Risk of Homelessness, as defined in 24 CFR part 578.3. Such restriction shall run for at least 15 years.
- v. In addition to Section 300 above, master leasing projects will also be evaluated on the following requirements:
 - a. The Grantee shall provide a 15-year plan from the recordation of the use restriction to cover operations and service costs for the Project with specific funding sources (government/philanthropic/private). The Department may waive the requirement for a 15-year plan to cover operating and services costs in cases where master-leased units are intended for a shorter-term need, including, but not limited to, the housing of individuals temporarily displaced as a result of Rehabilitation, or immediate and short-term placement of individuals while permanent units are under construction.
 - b. The Department can consider and has the discretion to approve other master leasing timeframes and scenarios. Applicants are encouraged to discuss their options at the required pre-application consultation.

Section 304. Application Scoring Criteria

In addition to meeting the other minimum program requirements outlined in Article III, Applicants must score a **minimum of 120 points to be eligible for funding**. Scores will be based on the following:

Applicant is urged to seek professional legal advice about the law's requirements. Prior to disbursing the Homekey funds, the Department will require a certification of compliance with California's prevailing wage law, as well as all applicable federal prevailing wage law. The certification must verify that prevailing wages have been or will be paid, and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and the Grantee.

Section 507. Environmental Clearances

The Department encourages Eligible Applicants to fully engage with the Department's technical assistance and to consider the CEQA exemption set forth at HSC section 50675.1.4 and the provision for land use consistency and conformity set forth at HSC section 50675.1.3, subdivision (i).

Applicants should consult with their counsel for legal advice in construing application of the foregoing exemptions to their Project. It is entirely within an Applicant's discretion to determine whether to use the statutory CEQA exemption, whether the exemption applies to the Applicant's proposed activity, or whether some other mechanism applies and could be used to satisfy obligations under CEQA.

Article VI – Program Operations

Section 600. Program Oversight

As specified by the Department and upon request, Grantees shall provide progress reports in connection with the development plan and any updates to the timeline for completion of the Project. Section 601. Reporting

Grantees shall submit an annual Homekey Program and Expenditure Report to the Department for five years following Standard Agreement execution. The report will be due no

later than January 31 for the prior calendar year of January 1 to December 31. The report shall be in such form and contain such information as required by the Department in its sole and absolute discretion. At minimum, the report shall include the following data:

- i. The amount of funds expended for the project.
- ii. The location of any properties for which the funds are used.
- iii. The number and size of habitable housing units produced, or planned to be produced, using the funds.
- iv. The number and demographics of individuals housed, or likely to be housed, using the funds.
- v. The racial and ethnic composition of the tenants assisted.
- vi. The number of units, and the location of those units, for which operating subsidies have been, or are planned to be, capitalized using the funds.
- vii. Detail of supportive services offered to tenants.
- viii. Any lessons learned from the use of the funds.
- ix. The proposed development vision that identifies the financial and regulatory mechanisms to be used to maintain the long-term affordability of the project.

Any requested data or information shall be submitted in electronic format on a form provided by the Department.

The Grantee shall ensure that the expenditure of Homekey funds is consistent with the requirements of the Program. The Department shall monitor the expenditures to ensure that those expenditures comply with this NOFA.

The Department may request the repayment of funds or pursue any other remedies available, at law or in equity, for failure to comply with Program requirements.

Section 602. Disbursement of Grant Funds

Pursuant to 31 CFR part 35.5, the Department may disburse funds to cover Homekey-critical expenditures that were incurred beginning March 3, 2021. executed. The Standard Agreement will set forth the general conditions of disbursement, any conditions precedent to disbursements (e.g., documentation requirements for pre-Standard Agreement expenditures or conditional performance measures), and the Department's remedies upon an event of default. The Standard Agreement will also identify the payee. Where Co-Grantees wish to receive the grant award outside of escrow, they must identify, and memorialize in the Standard Agreement, which Grantee will serve as the designated payee for all award amounts.

Section 603. Legal Documents

Upon the award of Homekey funds to a Project, the Department shall enter into one or more agreements with the Grantee(s), including a Standard Agreement, which shall encumber funds from the Homekey Program, subject to specified conditions. Likewise, each co-Grantee will remain jointly and severally liable to the Department for compliance with and the performance of all Program requirements regardless of any Department-approved transfer or assignment of interest, and notwithstanding the co-Grantees' identification of a designated payee.

The agreement will also include such other provisions as are necessary to ensure adherence to the objectives and requirements of the program.

Section 604. Sales, Transfers, and Encumbrances

An Applicant(s) shall not sell, assign, transfer, or convey the awarded Project, or any interest therein or portion thereof, without the express prior written approval of the Department, which may be granted, delayed, or withheld in the Department's sole and absolute discretion.

Project Description

The City and County of San Francisco Department of Homelessness and Supportive Housing proposes to purchase the property at 681-687 Ellis Street. The property includes a 74-room tourist hotel. The transaction does not entail any physical changes to the building itself, or adjacent streets and public infrastructure.

A General Plan Referral is generally required for any purchase of real property by the City.

Environmental Review

Real estate transaction only. Not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment.

General Plan Compliance and Basis for Recommendation

As described below, the proposed purchase of 681-687 Ellis Street is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the Objectives and Policies of the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

HOUSING ELEMENT

OBJECTIVE 1

IDENTIFY AND MAKE AVAILABLE FOR DEVELOPMENT ADEQUATE SITES TO MEET THE CITY'S HOUSING NEEDS, ESPECIALLY PERMANENTLY AFFORDABLE HOUSING

POLICY 1.3

Work proactively to identify and secure opportunity sites for permanently affordable housing.

POLICY 7.5

Encourage the production of affordable housing through process and zoning accommodations and prioritize affordable housing in the review and approval processes.

OBJECTIVE 6

REDUCE HOMELESSNESS AND THE RISK OF HOMELESSNESS

POLICY 6.1

Prioritize permanent housing and service enriched solutions while pursuing both short- and long-term strategies to eliminate homelessness.

The City anticipates the subsequent use of the building as affordable and or supportive housing. This real estate transaction helps facilitate the production of permanently affordable housing, adding to the City's affordable housing stock.

OBJECTIVE 11

SUPPORT AND RESPECT THE DISTINCT CHARACTER OF SAN FRANCISCO'S NEIGHBORHOODS

POLICY 11.7

Respect San Francisco's historic fabric, by preserving landmark buildings and ensuring consistency with historic districts

The property and building to be purchased by the City of San Francisco will not undergo any alterations as part of the transaction, and its design and character will thus be preserved

Planning Code Section 101 Findings

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

The proposed project will not have an impact on neighborhood serving retail uses.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The proposed project will help preserve existing neighborhood character, as the building will not undergo a change of use at this time. The proposed project will strengthen neighborhood character, as the proposed project is a property purchase that does not include any changes to the building itself. The City anticipates that the building will be subsequently occupied by affordable and or supportive housing.

3. That the City's supply of affordable housing be preserved and enhanced;

The Project will not diminish the City's affordable housing supply; on the contrary the anticipated future use will enhance the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The proposed project will not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The proposed project does not include any changes to industrial and service space in San Francisco.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

This project does not include any construction, and will not impact emergency preparedness

7. That the landmarks and historic buildings be preserved;

The property, which is identified as an historic resource, will be utilized in its current state; the project does

not include any structural or design changes.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The proposed project will not impact the access to sunlight or vistas for the parks and open space.

Recommendation: Finding the project, on balance, is in conformity with the General Plan

RE: City's Purchase of Real Property – 681-687 Ellis Street– Permanent Supportive Housing

Dear Honorable Board Members:

Attached for your consideration is a Resolution authorizing the execution of a Purchase and Sale Agreement for the acquisition of the property located at 681-687 Ellis Street (the "Property") for \$19,900,000 (the "Purchase Price") plus an estimated \$40,000 for typical closing costs, for a total aggregate amount not to exceed \$19,940,000. The Property consists of a 74-room single room occupancy tourist hotel which will be converted into up to 74 units of Permanent Supportive Housing.

In July 2020, Mayor London N. Breed announced her Homelessness Recovery Plan that includes the goal of acquiring and operating 1,500 new units of Permanent Supportive Housing over the next two years. To help meet that goal, the City is proposing to purchase the property located at 681-687 Ellis Street.

The City, through the Department of Homelessness and Supportive Housing ("HSH") and the Real Estate Division ("RED") and in consultation with the Office of the City Attorney, has negotiated the Purchase Agreement to acquire the property from 685 Ellis, LLC. I have determined the purchase price of \$19,900,000 to be at or below fair market value.

Along with my recommendation, the Director of HSH recommends approval of the proposed resolution authorizing the purchase. If you have questions regarding the proposed use of the property, please contact Dylan Schneider of HSH at 628.652.7742 or Dylan.schneider@sfgov.org. If you have questions regarding the Purchase Agreement, please contact me at 415.554.9850 or Andrico.penick@sfgov.org.

Respectfully,

Andrico Q. Penick
