11 **SEC. 1703. SCOPE.**

12 (a) This Code supplements the SMA, prescribing rules, regulations and procedures authorized
13 therein.

14 (b) The necessity for Tentative Maps, Final Maps and Parcel Maps shall be governed by this
15 Section and the SMA.

16 (c) For subdivisions creating five or more parcels or units, the following Maps shall be
17 required pursuant to this Code and the SMA.

18 (1) A Tentative Map and a Final Map shall be required for all such subdivisions except those
19 coming within the exceptions set forth in Section 66426 of the SMA.

20 (2) A Tentative Map and a Parcel Map shall be required for all subdivisions coming within the
21 exceptions set forth in Section 66426 of the SMA.

22 (d) For subdivisions creating fewer than five parcels or units, no Tentative Map shall be
23 required except as provided in Section 1733.1(a) for Vesting Tentative Maps and except where the
24 Director deems a Tentative Map would be appropriate and the applicable City Regulations for the
25 subject property would permit development at a density such that the subject property, or any portion

1 thereof, may be resubdivided in a manner which would ultimately permit five or more parcels on the
2 subject property. In all other subdivisions creating fewer than five parcels or units, a Parcel Map
3 containing the information specified by Section 1758 of this Code and the SMA shall be required. Said
4 Parcel Map shall be filed with the Director and recorded according to the procedure set forth in
5 Sections 1758 through 1763 of this Code.

10 (f) The Director may waive the requirement of a Parcel Map for any improved or unimproved
11 land shown on the latest equalized County assessment roll as contiguous units or parcels where the
12 units or parcels have been subdivided legally and comply with the requirements as to lot width and
13 area, improvement and design, floodwater drainage control, appropriate improved public roads,
14 sanitary disposal facilities, water supply availability and environmental protection.

15 (g) Nothing herein shall preclude the approval and filing of Subdivision Maps for purposes of
16 financing and conveyancing only as provided in Section 1712.1.

17 **SEC. 1704. ENFORCEMENT.**

18 (a) It is unlawful for any person, firm, corporation, partnership or association to offer or
19 contract to sell, lease, finance, or construct any building for sale, lease or financing on any parcel or
20 parcels of real property for which a Final Map or a Parcel Map is required unless and until a Final
21 Map or Parcel Map in full compliance with the provisions of this Code and the SMA, has been duly
22 recorded in the office of the Recorder of the City and County of San Francisco. This Section does not
23 prohibit an offer or contract to sell, lease, or finance any parcel or parcels of real property where the
24 sale, lease or financing is expressly conditioned upon the filing, approval and recordation of a Final or
25

1 Parcel Map, where the SMA otherwise allows an offer or contract to sell, lease, or finance, or where
2 the SMA is inapplicable.

3 (b) All departments, officials and public employees of the City, City Agencies or the agency
4 vested with the duty or authority to approve or issue permits, shall act consistent with the provisions of
5 this Code the Plan Documents, Project Documents and City Regulations, and shall neither approve nor
6 issue any permit or license for use, construction, or purpose in conflict with the provisions of this Code,
7 the Plan Documents, Project Documents or City Regulations. Any such permit or license issued in
8 conflict with the provisions of this Code, the Plan Documents, the Project Documents or the City
9 Regulations shall be null and void. No conditions shall be imposed on or in connection with Tentative
10 Maps, Vesting Tentative Maps, Parcel Maps or Final Maps, including improvements plans and
11 Improvement Agreements, that conflict with the Plan Documents, Project Documents or City
12 Regulations.

13 (c) Any Subdivider, agent of a Subdivider, successor in interest of a Subdivider, tenant,
14 purchaser, builder, contractor or other person who violates any of the provisions of this Code or any
15 conditions imposed pursuant to this Code, or who knowingly submits incorrect information to endeavor
16 to mislead or misdirect efforts by City Agencies in the administration of this Code, shall be deemed
17 guilty of a misdemeanor and upon conviction thereof shall be fined in an amount not exceeding \$2,000
18 or be imprisoned for a period not exceeding six months or be both so fined and imprisoned. Each day
19 such violation is committed or permitted to continue shall constitute a separate offense and shall be
20 punishable as such hereunder.

21 (d) The Director shall have the authority to enforce this Code against violations thereof in
22 accordance with Chapter 7, Sections 66499.30 et seq. of the SMA. The City shall not issue a permit or
23 grant any approval necessary to develop any real property which has been divided, or which has
24 resulted from a division, in violation of the provisions of this Code or the SMA if it finds that
25 development of the real property is contrary to the public health, safety or welfare. The authority to

1 deny a permit or approval shall apply whether the Applicant was the owner of the real property at the
2 time of the violation or whether the Applicant is the current owner of the real property, with or without
3 actual or constructive knowledge of the violation at the time of the acquisition of interest in the real
4 property. Whenever the City has knowledge that property has been divided in violation of the
5 provisions of the SMA or this Code, the Director shall process a notice of violation and meet and
6 confer with the owner pursuant to SMA Section 66499.36.

7 **SEC. 1704.1 CERTIFICATE OF COMPLIANCE.**

8 (a) Any person owning real property or a vendee of that person pursuant to a contract of sale
9 of the real property, may request the Director to determine whether the real property complies with the
10 provisions of this Code and the SMA. The Director shall forward the request to the City Attorney for
11 review.

12 (b) Upon making a determination of compliance, the Director shall, in accordance with
13 Section 66499.35 of the SMA, cause a certificate or conditional certificate of compliance to be filed for
14 record with the County Recorder. The certificate of compliance shall identify the real property and
15 shall state that the division of land complies with applicable provisions of this Code and the SMA.

16 (c) A recorded Final or Parcel Map shall constitute a certificate of compliance with respect to
17 the parcels of real property described therein.

18 (d) If the Director determines that the real property does not comply with the provisions of this
19 Code or the SMA the Director shall issue a conditional certificate of compliance. In issuing a
20 conditional certificate of compliance the Director may impose such conditions (including but not
21 limited to filing an application for a corrected Tentative, Final or Parcel Map) as would have been
22 applicable to the division of the property at the time the Applicant acquired his or her interest therein,
23 and which had been established at such time by this Code or the SMA. Where the Applicant was the
24 owner of record at the time of the initial violation of the provisions of this Code or of Regulations
25 enacted pursuant thereto who by a grant of real property created a parcel or parcels in violation of this

1 Code or the SMA, and that person is the current owner of record of one or more of the parcels which
2 were created as a result of the grant in violation of this Code or the SMA, then the Director may impose
3 any conditions which would have been applicable to a current division of the property.

4 **SEC. 1705. SEVERABILITY.**

5 (a) If any Article, Section, subsection, paragraph, sentence, clause or phrase of this Code, or
6 any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of
7 competent jurisdiction, or other competent agency, such decisions shall not affect the validity or
8 effectiveness of the remaining portions of this Code or any part thereof. The Board of Supervisors
9 hereby declares that it would have passed each Article, Section, subsection, paragraph, sentence,
10 clause or phrase thereof, irrespective of the fact that any one or more Articles, Sections, subsections,
11 paragraphs, sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.

13 circumstances is found to be unconstitutional, invalid or ineffective in whole or in part by any court of
14 competent jurisdiction, or other competent agency, the effect of such decision shall be limited to the

21 (2) That the granting of the exception, waiver, or deferral will not be materially detrimental to
22 the public welfare or injurious to other property in the area in which said property is situated; and

23 (3) That the granting of such exception, waiver, or deferral will not be contrary to the Plan
24 Documents, Project Documents or City Regulations.

1 (c) In granting any such exception, waiver, or deferral, the Director shall designate the
2 conditions under which the exception is granted.

3 (d) The Director shall not grant any exceptions in violation of the SMA.

4 (e) The standards and requirements of this Code and the Subdivision Regulations shall, where
5 necessary, be modified by the Director where the Director finds such modifications are necessary to
6 assure conformity to and achievement of the standards and goals of the Plan Documents and
7 applicable Project Documents.

8 (f) If the Director elects to hold a public hearing with respect to an application for exception,
9 waiver, or deferral, the Director shall give notice not less than 10 days and no more than 15 days prior
10 to the hearing date as provided in Subsection (a) of Section 1713.

11 **SEC. 1712.1. CONVEYANCING OR FINANCE MAPS.**

12 A Subdivider may file Tentative Maps and Final Maps or Parcel Maps for the purpose of
13 financing and conveyancing only (hereinafter referred to as a "Transfer Map").

14 (a) When a Subdivider submits a Tentative Map or Parcel Map application for a Transfer Map,
15 the proposed map shall have printed conspicuously on its face "FOR PURPOSES OF FINANCING
16 AND/OR CONVEYANCING ONLY."

17 (b) Except as provided in subsection (f) below and unless otherwise required by the SMA, a
18 Transfer Map shall not be subject to any requirement or condition for the provision of Improvement
19 Plans, grading or construction plans, Public Improvements, or any infrastructure, as may be described
20 in the Project Documents, that will be provided in connection with subsequent or concurrent City
21 permits, subdivision or parcel maps and Improvement Plans. Except as described above, an
22 Improvement Agreement, as defined herein, shall not be required in connection with a Transfer Map.

23 (c) The Final or Parcel Map for a Transfer Map shall contain notes, restrictions, references or
24 conditions as approved by the City, which may, among other things, prohibit development on the
25

1 parcels absent compliance with the Plan Documents, Project Documents and all other applicable City
2 Regulations.

3 (d) No Transfer Map may be approved without TIDA approval.

4 (e) Approval of a Transfer Map shall not be deemed to permit any development of, or
5 construction on, a parcel.

6 (f) Multiple Final Maps relating to an approved or conditionally approved Tentative Transfer
7 Map may be filed prior to the expiration of the Tentative Transfer Map if the Subdivider files a notice
8 pursuant to Section 1722(d)(1)(vi) or, after the filing of the Tentative Transfer Map, the Subdivider and
9 Director (after consulting with TIDA) concur in the filing of multiple Final Maps. Subject to the
10 provisions of SMA Section 66463.1 and 66456.1 and all other applicable provisions of this Code, the
11 Director shall grant a Certificate of Approval of Multiple Final Maps at the time the Director approves
12 a Tentative Transfer Map so long as the Tentative Transfer Map: (1) applies only to property that is
13 subject to a disposition and development agreement with TIDA that contains an approved phasing plan,
14 land use plan, schedule of performance, and infrastructure plan; and (2) is consistent with such
15 phasing plan, land use plan, schedule of performance, and infrastructure plan. The provisions of
16 Section 1755.1 shall not apply to Tentative Transfer Maps or to multiple Final Maps that are proposed
17 to be recorded based on Tentative Transfer Maps.

18 (g) The Director may waive certain submittal requirements for Tentative Maps for a Transfer
19 Map application in accordance with Section 1722(c) hereof.

20 **SEC. 1712.2. LOT LINE ADJUSTMENTS.**

21 "Lot line adjustment" shall have the meaning as described in Government Code Section 66412.
22 Applications for lot line adjustments shall be considered by the Director consistent with the provisions
23 of Government Code Section 66412.

24 **SEC. 1713. NOTICE AND HEARING.**

1 (a) The Director shall give notice in the following manner for each application for a Tentative
2 Map or for a Parcel Map for which a Tentative Map is not required, and an application for an
3 exception, waiver, or deferral filed pursuant to Section 1712 if the Director elects to hold a hearing
4 under Section 1712(f).

5 (1) Notice of the Director's receipt of an application shall be published in at least one
6 newspaper of general circulation within the City and County of San Francisco.

7 (2) Notice of the Director's receipt of the application shall be mailed or delivered to each local
8 agency expected to provide or approve water, sewage, streets, roads, schools, or other essential
9 facilities or services to the project, whose ability to provide those facilities and services may be
10 significantly affected.

11 (3) Notice of the Director's receipt of the application shall be mailed or delivered to any person
12 who has filed a written request for notice with the Director's office.

13 (b) If the Director is required or elects to hold a public hearing with respect to an application,
14 he or she shall give notice not less than 10 days prior to the hearing date as provided in Subsection (a)
15 of this Section, including providing notice to any person that requested a hearing. No public hearing
16 shall be held until after Government Agencies' and City Agencies' comments are received or the time
17 period for receiving such comments has run, whichever occurs first, and the Director has provided a
18 written report in accordance with Section 1729.

19 (c) All applications for a Tentative Map, or for a Parcel Map for which a Tentative Map is not
20 required, shall include, in addition to all other information required:

21 (1) A list of the names, assessor's lot and block numbers and mailing addresses of all those
22 shown in the last equalized assessment roll as owning property within 300 feet of the property proposed
23 to be subdivided.

24 (2) A 300-foot radius map delineating all the properties described in Subsection (c)(1).
25

1 (3) One set of stamped envelopes preaddressed to each of the listed property owners, suitable
2 for mailing notice of any hearing or appeal thereon. Blank Department of Public Works envelopes will
3 be furnished to a proposed Subdivider on request. Unused envelopes will be returned to the proposed
4 Subdivider on request.

5 (d) Any Department of Public Works hearing required or permitted by this Code may, at the
6 discretion of the Director, be held jointly with the Planning Department. The provisions of this Section
7 shall be superseded by those of any amendment to California Government Code Sections 65090 or
8 65091, or by any provision of the SMA, should the amended provisions require additional notice.

9 (e) Applications for Tentative and Parcel Maps shall be processed in compliance with the Plan
10 Documents, Project Documents, City Regulations, California Government Code Sections 65920 to
11 65963.1 and any applicable Government Code Section amendments.

12 **SEC. 1714. APPEALS.**

13 (a) The proposed Subdivider, or any person, may appeal to the Board from a final decision of
14 the Director approving, conditionally approving, or disapproving a Tentative Map, or a Parcel Map
15 for which a Tentative Map is not required. Any such appeal must be filed in writing with the Clerk of
16 the Board within 10 days of the date of the decision appealed, and must be accompanied by the fee
17 specified in this Code.

18 (b) The Director shall mail or deliver to the proposed Subdivider, and any person who owns
19 property within 300 feet of a proposed subdivision, notice of: (1) his or her decision, and the findings in
20 support of such decision, on any Tentative Map, or Parcel Map for which a Tentative Map is not
21 required, and of any conditions which may have been incorporated in a conditional approval; (2) the
22 right to appeal the Director's decision; and (3) the availability for examination of the Director's report.

23 (c) With respect to appeals under this Section, the Board shall schedule a hearing on the
24 appeal to be held within 30 days after the appeal has been filed, and shall give notice as provided in
25 Sections 1713(a), and to the persons entitled to notice of the Director's decision under Section 1714(b).

1 **SEC. 1715. FEES.**

2 (a) Fees, payable to the Department of Public Works, shall be charged for checking and
3 processing all maps, plans and reports, including all condominium maps and Parcel Maps, filed under
4 this Code. Said fees shall consist of an initial payment in accordance with the estimated actual cost of
5 checking the maps, plans and reports, together with investigations incidental thereto, and shall be paid
6 before or at the time of filing a Tentative Map or a Parcel Map. Where initial payment is insufficient to
7 compensate the actual cost incurred, an additional sum shall be charged to equal such actual cost.
8 Fees for Parcel Maps, excepting condominium maps, which do not require the filing of a Tentative
9 Map, and which do not involve street dedications or improvements, and for Parcel Map waivers shall
10 be charged for checking and for processing in accordance with the City's Subdivision Code. All such
11 fees for Parcel Maps shall be paid at time of filing. Fees based on the actual cost of processing shall
12 be charged to (1) the person requesting a certificate of compliance for processing and making a
13 determination on the request, (2) the owner of the property who files a petition for initiating reversion
14 to acreage proceedings for processing the petition and (3) the Subdivider for checking, processing and
15 recording an amended map or certificate of correction.

16 (b) A fee of \$250 shall be charged to the appellant to defray costs of an appeal under Section
17 1714 of this Code.

18 (c) Payment of fees charged under this Code does not waive the fee requirements of other
19 ordinances and rules and regulations pursuant thereto.

20 **SEC. 1720. PRE-FILING CONFERENCE.**

21 Prior to filing a Tentative Map, the Subdivider may elect to submit to the Director preliminary
22 maps, plans and other data concerning a proposed subdivision. Within 14 days after the receipt of said
23 material, the Director will hold a conference with the Subdivider, Planning Department and any other
24 interested agencies, including TIDA, to discuss the proposed subdivision. This procedure is optional
25 and does not waive the requirements for filing a Tentative Map.

1 **SEC. 1721. APPLICATION PACKET.**

2 The initial action in connection with the making of any subdivision for which a Tentative Map is
3 required shall be the preparation of the Application Packet. Section 1722, and with respect to Vesting
4 Tentative Maps Sections 1733.1 and 1733.2, of this Code and the Subdivision Regulations adopted
5 thereunder cover the preparation of the component parts of said Application Packet.

6 **SEC. 1722. TENTATIVE MAP AND ACCOMPANYING DOCUMENTS.**

7 (a) The Tentative Map shall be prepared by a qualified and duly licensed professional land
8 surveyor or civil engineer.

9 (b) The Tentative Map shall contain the following data, as appropriate, in sufficient detail to
10 enable the Director and other agencies to evaluate the proposed subdivision:

- 11 (1) Title, as required by the Subdivision Regulations;
12 (2) Explanatory notes, as required by this Code and the Subdivision Regulations; and
13 (3) Topographic map of the proposed subdivision and adjacent lands showing the existing
14 conditions and the proposed changes, as required by the Subdivision Regulations.

15 (c) The Tentative Map shall conform to the Subdivision Regulations regarding format and
16 contents. The Director, for Transfer Maps and where otherwise appropriate in accordance with the
17 Subdivision Regulations, may waive or defer Tentative Map requirements or may authorize deletion or
18 reduction of any Tentative Map requirements not required by the SMA on the determination that the
19 Tentative Map contains sufficient information to be evaluated adequately and preparing it in the
20 prescribed form would impose a hardship upon the Subdivider. Where requirements are waived or
21 deferred, appropriate conditions may be included on the Tentative Map for providing such waived or
22 deferred requirements.

23 (d) The Tentative Map shall be accompanied by the following documents, as provided in the
24 Subdivision Regulations:

- 25 (1) Statement. A written statement shall contain the following information:

1 (i) Existing use or uses of the property, including whether or not there are existing
2 tenancies and the conditions and terms thereof;

3 (ii) Description of the proposed subdivision, including, if known, the number of lots or
4 units, their sizes and intended uses, nature of the development, and the total area of the development
5 represented by each use;

6 (iii) Any improvements proposed to be constructed or installed including the source of
7 water supply and the sewage disposal proposed, and the tentative schedule for the start and completion
8 thereof;

9 (iv) Whether the Subdivider intends to file a Final Map or a Parcel Map;

10 (v) Description of exceptions or waivers that are requested; and

11 (vi) If the Subdivider plans to file multiple Final Maps on portions of the area covered
12 by the Tentative Map, the Subdivider shall submit a written notice to this effect.

13 (2) Environmental Evaluation Data. Data shall be supplied on the appropriate Planning
14 Department forms for an environmental evaluation or in appropriate format when necessary to satisfy
15 requirements for environmental review under the California Environmental Quality Act.

16 **SEC. 1724. FILING.**

17 (a) The Application Packet, together with the initial fee payment, shall be filed with the
18 Director.

19 (b) The date of filing shall be the date when a complete Application Packet has been accepted
20 by the Director.

21 (c) The Director shall determine whether an Application Packet is complete and notify the
22 Subdivider within 30 days of the date of the submittal of the Application Packet. If the Director
23 determines that the Application Packet is not complete, the notice to the Subdivider shall list all of the
24 information necessary to comprise a complete application. Without limiting the foregoing, an
25 Application Packet shall not be determined to be complete unless and until there has been a major

1 phase approval given by TIDA under the DDA that covers the property that is the subject of the
2 Application Packet.

3 **SEC. 1725. REFERRAL TO OTHER AGENCIES.**

4 Within three working days after a complete Application Packet has been filed with the Director,
5 the Director shall forward copies to TIDA, the Planning Department, the Bureau of Engineering, the
6 Department of Building Inspection, the SFMTA, the Public Utilities Commission, the City Attorney and
7 other appropriate Government Agencies and City Agencies for their review.

8 **SEC. 1726. TIME LIMIT FOR AGENCY REVIEW.**

9 (a) The time limit for Government Agencies and City Agencies review shall be 30 days from the
10 date the Director determines that an Application Packet is complete.

11 (b) The time limit for Government Agencies and City Agencies review may be extended by
12 mutual consent of the Subdivider and the Director.

13 **SEC. 1727. AGENCY REPORTS.**

14 Each reviewing agency shall report, in writing, to the Director its findings on and
15 recommendation for approval, conditional approval or denial of an Application Packet subject to and
16 in accordance with the SMA, the Plan Documents, Project Documents and City Regulations. The
17 Subdivider may request from the Director, and shall be provided with, any or all copies of such
18 findings and recommendations. The Planning Department's report shall include a finding on
19 consistency with the General Plan. TIDA's report shall include a finding of consistency with the DDA
20 and any applicable Vertical DDA.

21 **SEC. 1728. SUBDIVISION CONFERENCE.**

22 No later than five days after expiration of the review time limits set forth in Section 1726, the
23 Director at his or her discretion may hold a subdivision conference to discuss the map application,
24 unless the Subdivider has requested a conference or has filed a notice of intent to file multiple Final
25 Maps, in which case the conference is mandatory. Written notice of such conference shall be sent to the

1 Subdivider, and to all agencies that will be submitting or have already submitted a report on the
2 Application Packet.

3 **SEC. 1729. DIRECTOR'S CONSOLIDATED REPORT.**

4 (a) Whenever a subdivision conference is held, the Director shall prepare a written report on
5 the findings or recommendations discussed in the conference, attaching thereto copies of the reports
6 from, or comments made at the subdivision conference by, other agencies. A copy of said report shall
7 be sent to each participant in the subdivision conference. Said report shall be prepared by the Director
8 within five working days after the subdivision conference but in no event less than five days prior to any
9 public hearing on the subject map.

10 (b) Whenever a public hearing is required or the Director elects to hold a public hearing, the
11 Director shall provide to the Subdivider the Director's report or recommended findings and the
12 findings and recommendations received from the reviewing agencies. Said information or report shall
13 be submitted within five working days after expiration of the review time limits. Said information or
14 report shall be made available to the public prior to the public hearing. In the event a subdivision
15 conference is required, a public hearing shall be held after such conference, no earlier than five days
16 following preparation of the Director's report thereon, and within the time periods set forth in the SMA.

17 **SEC. 1730. CONDITIONS.**

18 (a) Conditions on approval of a Tentative Map, Vesting Tentative Map, or Parcel Map, or
19 Improvement Plans or Improvement Agreement may relate wholly or in part to any improvements or
20 structures required pursuant to the Plan Documents, Project Documents, City Regulations or which
21 may be constructed within, or associated with, the subdivision, as well as to the subdivision itself.

22 (b) Subject to Section 1712.1, conditions may be required to be fulfilled before or after such
23 filing of the related Final or Parcel Map. Where such conditions are to be fulfilled after filing of the
24 related Final Map, the Subdivider shall, where appropriate, enter into an Improvement Agreement and
25 furnish security for compliance with those conditions including, but not limited to, security satisfying

1 the requirements of California Government Code Section 66499, pursuant to the provisions of Article 6
2 and Article 8 of this Division.

3 (c) No conditions shall be imposed on a Tentative Map, Vesting Tentative Map or Parcel Map
4 or Improvement Plans or Improvement Agreement that are not consistent with, exceed the limitations
5 set forth in, or otherwise conflict with the Plan Documents or Project Documents.

6 (d) The provisions of this Code providing for Vesting Tentative Maps do not enlarge, diminish,
7 or alter the types of conditions which may be imposed on a development, nor in any way diminish or
8 alter the City's power to protect against a condition dangerous to the public health or safety.

9 **SEC. 1731. ACTION: ADVISORY AGENCY'S DECISION.**

10 (a) Within 50 days after the filing of a complete application for the Tentative Map, unless the
11 time has been extended by mutual consent of the Subdivider and the Director, the Director shall take
12 action on the map application by approving, conditionally approving or disapproving the Tentative
13 Map. If the map is disapproved, the Director shall also state the reasons for disapproval.

14 (b) Copies of the Director's decision shall be sent to all agencies that submitted reports to the
15 Board and to the public as set forth in Section 1714.

16 (c) The City shall comply with all time limitations and requirements for processing subdivision
17 maps in the SMA, including, without limitation, those in Government Code Section 66452.4.

18 **SEC. 1732. GENERAL PLAN CONSISTENCY DETERMINATION.**

19 (a) Whenever a property is to be subdivided, the Planning Department shall report on the
20 question of consistency of the subdivision with the General Plan and TIDA shall report on consistency
21 with the DDA and any other applicable Project Documents.

22 (b) The Director shall approve, conditionally approve, or disapprove the proposed subdivision,
23 consistent with the SMA, subject to any decision on appeal by the Board of Supervisors.

24 (c) When the Planning Department or TIDA finds, subject to any decision on appeal by the
25 Board of Supervisors, or when the Board of Supervisors finds, that a proposed subdivision will be

1 consistent with the Plan Documents, Project Documents or City Regulations only upon compliance
2 with certain conditions, the Director shall incorporate said conditions in his or her conditional
3 approval of the proposed subdivision.

4 **SEC. 1733. VESTING TENTATIVE MAPS.**

5 **SEC. 1733.1. VESTING TENTATIVE MAP.**

6 (a) Vesting Tentative Transfer Maps.

7 (1) Whenever a provision of this Code allows for filing of a Transfer Map, the Subdivider may
8 file a Vesting Tentative Transfer Map and Final Map.

9 (2) Except as otherwise provided in Section 1733.2 and 1733.4 of this Code, a Vesting
10 Tentative Transfer Map shall be subject to the same procedures, requirements, and other Code
11 provisions as a Transfer Map.

12 (b) Vesting Tentative Maps for Development Purposes.

13 (1) Whenever a provision of this Code requires that a Tentative Map or Parcel Map be filed,
14 the Subdivider may file instead a Vesting Tentative Map and Final Map.

15 (2) Except as otherwise provided in Sections 1733.2 through 1733.4 of this Code, a Vesting
16 Tentative Map shall be subject to the same procedures, requirements and other Code provisions as any
17 other Tentative Map.

18 **SEC. 1733.2. VESTING TENTATIVE MAP REQUIREMENTS.**

19 (a) Vesting Tentative Transfer Maps. In addition to meeting the requirements otherwise
20 applicable to Transfer Maps, any Subdivider applying for approval of a Vesting Tentative Transfer
21 Map also shall, at the time the Vesting Tentative Transfer Map is filed:

22 (1) Have printed conspicuously on the face of the map the words "Vesting Tentative Transfer
23 Map."

24 (2) Have printed conspicuously on the face of the map the words "FOR PURPOSES OF
25 CONVEYANCING, FINANCING, AND/OR VESTING ONLY."

1 (3) Provide such additional information as required in Section 1333.2 of the City's Subdivision
2 Code; provided, however, that the Director, in his sole discretion, may waive some or all of such
3 requirements to the extent permitted under the SMA.

4 (b) Vesting Tentative Maps for Development Purposes. In addition to meeting the requirements
5 otherwise applicable to Tentative Maps, any Subdivider applying for approval of a Vesting Tentative
6 Map shall also, at the time a Vesting Tentative Map application is filed:

7 (1) Have printed conspicuously on the face of the map the words "Vesting Tentative Map."

8 (2) Provide such additional information as required in Section 1333.2 of the City's Subdivision
9 Code; provided, however, that the Director, in his sole discretion, may waive some or all of such
10 requirements to the extent permitted under the SMA.

11 **SEC. 1733.3. RIGHTS CONVEYED.**

12 (a) Approval of a Vesting Tentative Transfer Map shall confer a vested right to proceed with
13 future development approvals as set forth in Chapter 4.5 of the SMA, Sections 66498.1 et seq., and so
14 long as the Development Agreement is in effect, also subject to Applicable Regulations and any
15 permitted Future Changes to Regulations as described in the Development Agreement.

16 (b) Approval of a Vesting Tentative Map shall confer a vested right to proceed with
17 development as set forth in Chapter 4.5 of the SMA, Sections 66498.1 et seq., and so long as the
18 Development Agreement is in effect, also subject to Applicable Regulations and any permitted Future
19 Changes to Regulations as described in the Development Agreement.

20 (c) The rights referred to in Subsections (a) and (b) shall expire if a Final Map is not approved
21 before the expiration of the related Vesting Tentative Transfer Map or Vesting Tentative Map under
22 California Government Code Section 66452.6, as modified by Section 1755 of this Code. If a Final
23 Map is approved, the development rights referred to in Subsection (a) and (b) shall continue during the
24 following period of time.

1 (1) Two years from the later of (i) the recording of the approved Final Map or (ii) the
2 expiration or earlier termination of the Development Agreement. Where several Final Maps are
3 recorded on various phases of a project covered by a single Vesting Tentative Transfer Map or Vesting
4 Tentative Map, this initial time period shall begin for each when the Final Map for that phase is
5 recorded. Where the City uses more than 30 days to process a completed application for a grading
6 permit or for design or architectural review, or such other period of time as provided in the Plan
7 Documents or Project Documents, this initial time period shall be extended by the processing time,
8 counted from the date the application was completed.

9 (2) An additional period of not more than one year, if the proposed Subdivider applies for such
10 an extension at any time before the expiration of the period provided in Subsection (c)(1), and if the
11 Department of Public Works determines that such extension will not prejudice the interests of the
12 public or other private parties. If the Department of Public Works does not act on an application for
13 extension within 40 days after receiving it, it shall be deemed disapproved. The proposed Subdivider
14 may appeal by filing a written appeal with the Clerk of the Board of Supervisors not later than 15 days
15 after the disapproval. Any such appeal shall be heard at the time and under the procedural rules then
16 applicable to appeals from denial of Tentative Maps.

17 (3) If the Subdivider submits a complete building or site permit application before the
18 expiration of the applicable period stated in Subsection (c)(1) or (c)(2), the period during which that
19 application is being processed and the period of the life of any corresponding building or site permit or
20 any extension thereof.

21 (4) If a Final Map is recorded based upon a Vesting Tentative Transfer Map or a Vesting
22 Tentative Map and the development rights under this Section expire, the Final Map remains in effect
23 without those rights.

24 **SEC. 1733.4. VESTING TENTATIVE MAP—INCONSISTENCY WITH ORDINANCES**
25 **AND OTHER STANDARDS.**

1 (a) Subsections 1733.1 through 1733.3 relate only to conditions and requirements imposed by
2 the City and do not affect the obligation of a Subdivider to comply with the conditions and requirements
3 of State or federal laws, regulations or policies.

4 (b) Notwithstanding any other provision of this Code, a property owner or his or her designee
5 may seek approvals or permits for development which depart from the ordinances, policies or
6 standards applicable under Section 1733.3(a) and (b), and the City may grant such approvals or issue
7 such permits to the extent consistent with the Plan Documents, Project Documents and City
8 Regulations.

9 **SEC. 1734. TIDA REVIEW AND APPROVAL OF SUBDIVISION MAPS.**

10 (a) Notwithstanding any provision of the Subdivision Code to the contrary, a Tentative Map
11 shall not be deemed finally approved until TIDA, in accordance with the Project Documents, reviews
12 and approves the Tentative Map to ensure that it is consistent with the Plan Documents and Project
13 Documents. TIDA shall also have the right to review any amendment to the Tentative Map, or a
14 subsequent Tentative Map.

15 (b) The Applicant shall submit copies of its Application Packet for a Tentative Map, and the
16 Application Packet for an amendment to a Tentative Map or a subsequent Tentative Map, to TIDA
17 when it submits the Application Packet to the Director. TIDA, in accordance with the Project
18 Documents, shall approve, disapprove or approve with conditions the Tentative Map, amendment to the
19 Tentative Map, or a subsequent Tentative Map within 30 days following the date the Director
20 determines that the Application Packet is complete, unless such time has been extended pursuant to
21 Section 1726 of the Subdivision Code. TIDA shall deliver the determination to the Director of Public
22 Works in writing, with a copy to the Applicant.

23 (c) Notwithstanding any provision of the Subdivision Code to the contrary, in accordance with
24 the Project Documents, a proposed Final Map or Parcel Map shall not be deemed finally approved for
25 recordation unless and until TIDA reviews and approves or is deemed to have approved the proposed

1 Final Map or Parcel Map. TIDA shall approve the proposed Final Map or Parcel Map if: (i)
2 development of the area covered by the proposed Final Map or Parcel Map is consistent with the Plan
3 Documents, Project Documents, City Regulations and project approvals issued by TIDA, if any; and
4 (ii) the conditions that were imposed upon approval of the Tentative Map to provide infrastructure
5 improvements consistent with the Plan Documents and Project Documents have been satisfied or the
6 performance of such conditions is otherwise secured by an Improvement Agreement.

7 (d) The Applicant shall submit copies of all proposed Final Maps or Parcel Maps to TIDA at
8 the same time such proposed Final Maps or Parcel Maps are filed with the Director. TIDA shall
9 approve, disapprove, or approve with conditions the proposed Final Maps or Parcel Maps within 30
10 days following receipt of the complete Final Map or Parcel Map from the Applicant, by delivering a
11 determination to the Director of Public Works, with a copy to the Applicant.

12 **SEC. 1735. PUBLIC FACILITIES.**

13 (a) General. Public facilities listed in this Section shall (where provided) meet the design and
14 construction standards in the Plan Documents, Project Documents and the City Regulations consistent
15 therewith.

16 (b) Streets.

17 (1) Dedicated Public Streets. A subdivision and each lot, parcel, and unit thereon shall have
18 direct access to a public right-of-way. Title to a new or widened public right-of-way shall be conveyed
19 to the City (or, in the case of public right-of-ways subject to the public trust, to TIDA subject to the City
20 accepting the public right-of-ways for maintenance and liability purposes) by proper deed either prior
21 to approval of the Final Map or as provided in an Improvement Agreement entered into pursuant to
22 Section 1751 of this Code.

23 (2) Private Streets. Easements for government facilities in private streets shall meet the
24 requirements of Section 1739 of this Code.

1 (c) Frontage Improvements. The frontage of each lot shall be improved to the geometric
2 section specified by the Director in accordance with the Plan Documents, Project Documents and City
3 Regulations, including any streetscape plan approved by TIDA and the street structural section, curbs,
4 sidewalks, planting areas, driveway approaches and transitions in accordance with the Subdivision
5 Regulations.
