GRANT ACCEPTANCE AGREEMENT

Between the Friends of Jackson Park
and the San Francisco Recreation and Park Department
regarding Jackson Playground

This Agreement is entered into by and between Friends of Jackson Park (“Grantor”), and the City and County of San Francisco (“City”) acting through its Recreation and Park Department (“RPD”), collectively referred to herein as the “Parties.”

RECITALS

WHEREAS, RPD operates and maintains certain real property owned by the City that is commonly referred to as Jackson Playground, located between 17th Street, Arkansas Street, Mariposa Street, and Carolina Street in San Francisco, California; and

WHEREAS, Grantor is a 501(c)(3) charity whose mission is to foster community support and advocate for a renovated, well-maintained and vibrant Jackson Park; and

WHEREAS, Grantor proposes to provide RPD a Grant with a total value of approximately \$12,440,735 (“the Grant”), consisting of an in-kind grant of conceptual, schematic and detailed design and construction documents, and a cash grant , for the renovation of Jackson Playground (the “Project”); and

WHEREAS, On March 16, 2023 by resolution number 2303-007, the Recreation and Park Commission approved a Concept Design for the project, which is attached as Exhibit A; and

WHEREAS, On March 16, 2023 by resolution number 2303-003, the Recreation and Park Commission recommended that the Board of Supervisors authorize RPD to enter into this Agreement and to accept and expend the Grant, and the Board of Supervisors gave the foregoing authorizations on _____ via resolution number _____; and

NOW, THEREFORE, subject to and effective upon the execution of this Agreement by the Parties (the “Effective Date”), the Parties agree as follows:

- 1. Term.** This Agreement shall become effective upon full execution and delivery hereof by the Parties. This Agreement shall expire upon the latter of (a) the full expenditure of the Cash Grant or (b) the completion of the Project.
- 2. Project Budget and Schedule.** The parties intend that the Project shall be completed based on the preliminary schedule and budget attached as Exhibit B. The parties shall periodically review the Budget and Schedule and may update them from time to time in writing by mutual agreement. No party shall be obligated to make up any funding shortfall, unless expressly agreed to by such party in writing.

RPD anticipates the City will budget \$27,631,398 for the Project (the “City Funds”), contingent on the timely availability of funding under the 2020 Health and Recovery Bond and availability of

allocated Eastern Neighborhood Impact Fees and other identified Developer Impact fees. As of the execution of this agreement, RPD does not have any other funds available for the Project. RPD's commitment to use the City Funds to complete the Project is contingent upon Grantor transferring to the City the Cash Grant set forth in Section 4 below.

In addition, this Agreement is subject to the budget and fiscal provisions of the City's Charter. If funds required for any of City's or RPD's responsibilities under this Agreement are not appropriated for any portion of a fiscal year, then City may immediately terminate this Agreement without penalty, liability, or expense of any kind by written notice to Grantor. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Grantor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

3. Fundraising.

3.1 Campaign Funds. The parties anticipate that Grantor will, following the effective date of this Agreement, engage in one or more fund raising campaigns (each, a "Campaign") to collect third-party donations, funds, contributions and grants in the form of cash, in-kind services and materials ("Campaign Funds") and ultimately transfer them to RPD for completion of the Project. Grantor shall accept and track all Campaign Funds and shall provide RPD annual updates on Campaign revenue, expenses, balances and Campaign Costs. Grantor shall donate all Campaign Funds (net of allowed expenses as set forth in Section 3.2) to RPD for use on the Project as part of the Grant .

3.2 Administrative Expenses. The parties acknowledge that Grantor, like many other non-profits, must use a portion of the funds it raises to fund its own administrative expenses. The parties agree that Grantor may retain no more than 10% of any cash contributions it raises for the Campaigns to reimburse itself for its administrative and overhead expenses related to such campaigns ("Campaign Costs"). For purposes of this Agreement, references to the Budget do not include Campaign Costs which are retained by Grantor from incoming donations as an administrative fee. Grantor must disclose the amount of the administrative fee to all potential donors to the Campaign. Campaign Costs are subject to audit by the City as provided in this Agreement. To the extent the administrative fee does not cover Grantor's reasonable operating expenses related to the Project, the remaining expenses may be jointly approved for payment out of the Project Budget consistent with Section 2.

3.2 Donor Recognition. RPD shall work in good faith to provide donor recognition at the Property, substantially as depicted in Exhibit C, which is to be incorporated at a later date upon approval by the Recreation and Park Commission. The final donor recognition shall be consistent with RPD's donor recognition policies as approved by the Recreation and Park Commission.

4. Grant. Grantor shall provide the Grant through a combination of cash grants, in-kind grants of professional design services, and/or in-kind grants of construction services to complete

the Project, consistent with the Project Budget agreed to by the Parties. In each case the Parties shall comply with the following requirements.

4.1 Cash Grant.

a. **Cash Grant; Delivery of Grant.** Grantor shall provide the “Cash Grant” to RPD consistent with the Project Budget. RPD shall not be required to put the Project out to bid unless and until Grantor provides RPD with proof of the availability of the Cash Grant. At the time when a notification of award has been issued to a successful bidder, Grantor shall within 15 days transfer the Cash Grant to RPD for construction of the Project, based on the budget determined by the selected bid. RPD will hold the Cash Grant in a dedicated account. Neither Party shall be obligated to cover any funding shortfall for the Project unless such Party expressly so agrees in writing.

b. **Use of Cash Grant.** RPD shall use the Cash Grant solely for the Project, as set forth in the Project Budget. RPD shall retain full discretion and control over the selection of any contractors or other parties retained with the Cash Grants, and over the completion of the Project, in accordance with standard City practices, and shall act completely independent of Grantor. Any unexpended amount of the Cash Grant that remain after completion of the Project or Termination of the agreement shall be returned to Grantor (or Grantor’s successor in interest or designee, as the case may be) unless Grantor (or Grantor’s successor in interest or designee, as the case may be) agrees otherwise in writing.

c. **Recordkeeping.** RPD will keep Grantor informed regarding the expenditure of the Cash Grant. RPD shall maintain accurate accounting records related to the expenditures and will keep such records for at least two years after completion of the Project. Grantor may, at its own expense and on reasonable notice to RPD, review these records.

4.2 In-Kind Grant – Professional Design Services.

a. **Architect/Other Consultants.** Grantor may engage the services of licensed and insured architecture professionals (“Architect”), engineering professionals (“Engineers”), and other design and construction professionals as needed (e.g., independent construction management services, inspection and building commissioning services)—all collectively “Consultants”—to prepare conceptual, schematic, and detailed designs, construction documents, and technical specifications (“Project Documents”) for the Project consistent with the approved Project Budget, and to support the Project during construction. Except for those Consultants engaged by Grantor as of the date hereof, which Consultants are listed on Exhibit G hereto, the Consultants and their respective scopes of work and schedules shall be approved in writing by the RPD Project Manager, such approval not to be unreasonably withheld, prior to the Consultants’ commencing services on the Project. Grantor’s contracts with the Consultants shall include the terms and conditions listed in Exhibit D, attached hereto.

b. **Project Documents.** The Project Documents shall bear the stamp and signature of the licensed design professional and shall be submitted to RPD for review prior to planned advertisement for bids for the construction of the Project. These reviews will include conceptual

plan review and at a minimum three (3) internal review periods during the development of the project documents. Grantor shall provide all Project Documents to the RPD (the "In-Kind Grant") in both hard copy and digital format, which includes CADD files of the final construction documents. RPD shall have a non-exclusive license, for the purpose of completing and maintaining the Project, to use all Project Documents and any necessary drawings, plans, specifications, blueprints, studies, reports, memoranda, computation sheets, construction documents and/or designs developed for the Project.

5. RPD Responsibilities. RPD will provide the services of one RPD Project Manager to:

- a. Participate in regularly scheduled coordination meetings with Grantor, Architect, and other contractors as needed;
- b. Facilitate community meetings and use social media, postings, printed reports and other methods as appropriate to familiarize and engage the public with the Project;
- c. Coordinate necessary reviews and approvals for the design, permitting, and construction of the Project, including but not limited to environmental review, compliance with disability access laws, stormwater management ordinance compliance, hazardous materials inspections and monitoring, and geotechnical investigations and reports;
- d. Provide for the administration of a formal construction contract, in conformance with City requirements, to complete the Project.

6. Indemnification. Grantor shall defend, indemnify and save harmless the City, its officers, agents and employees from any and all loss, expense, damage, injury, liability and claims thereof for injury to or death of any person, including employees and agents of Grantor or Contractors, or loss of or damage to property, to the extent directly resulting from the negligence or intentional or willful act by Grantor or its officers, directors, employees and agents.

City agrees to defend, indemnify and hold harmless Grantor, their officers, directors, employees and agents, from any and all acts, claims, omissions, liabilities and losses asserted by any third party arising out of acts or omissions of City, its officers, employees and agents in connection with this Agreement, to the extent directly resulting from the negligence or intentional or willful misconduct of City or its officers, directors, employees and agents.

In the event of concurrent negligence of the City, its officers, employees and agents, and Grantor or its officers, directors, employees and agents, the liability for any and all claims for injuries or damages to persons and/or property shall be apportioned under the California theory of comparative negligence as presently established or as may hereafter be modified.

7. Insurance. Grantor shall maintain at all times during its activities in the Park insurance described in the certificate attached hereto as Exhibit E, and to name the City and County of San Francisco, its officers, employees and agents as additional insureds. Before commencing any operations under this Agreement, Grantor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or

higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement. Compliance with the provisions of this section shall in no way relieve or decrease Grantor's indemnification obligations under this Agreement or any of grantor's other obligations hereunder.

8. Public Relations. The Parties shall cooperate in good faith on matters of public relations and media responses related to the Project. Each Party shall consult in advance with the other regarding print and electronic publications regarding the Project including but not limited to informational and educational brochures, newsletters, solicitations, and fundraising campaign materials for the Project. The Parties shall also cooperate in good faith with any inquiry by the other Party or by the public in regard to this Agreement. Any response to an inquiry by a news or community organization to either Party in reference to the Project shall include a recommendation to contact the other Party. Neither Party shall issue a press release in regard to this Agreement without providing prior notice to the other party. To facilitate the performance of this Section, the Parties have each designated spokesperson(s) listed below under "Contacts". Nothing in this Agreement shall prohibit either Party from discussing this Agreement in response to inquiries from the public or the press. At a time and in a format to be determined by the Parties, RPD and Grantor may hold joint public ribbon cutting ceremonies at the completed sites. At any such event, the Parties shall participate on an equal basis. If RPD or Grantor holds any other event solely or largely dedicated to the Project such as a volunteer event, the Parties shall notify the other Party and allow that Party to participate on an equal basis. Materials and collateral for the Project shall be approved by RPD and Grantor.

9. Financial Reporting and Audit Provisions. The parties shall comply with the provisions regarding financial reporting and auditing requirements attached hereto as Exhibit F which are fully incorporated herein.

Grantor understands and agrees that City is entering into this Permit in its capacity as a property owner with a proprietary interest in the Permit Area and not as a regulatory agency with police powers. Nothing herein shall limit Grantor's obligations to obtain any required regulatory approvals from City departments, boards or commissions or other governmental regulatory authorities or limit in any way City's exercise of its police powers.

13.3 Approvals. Except as expressly provided to the contrary, all approvals, consents and determinations to be made by the City hereunder may be made by the General Manager of RPD or his or her designee in his or her sole and absolute discretion.

Grantor has and hereby retains the right to exercise full control and supervision of its duties and full control of employment, direction, compensation and discharge of all persons assisting it in the performance of this Agreement. Grantor will be solely responsible for all matters relating to payment and employment of employees, including compliance with social security, withholding and all other regulations governing such matters. Nothing set forth in this Agreement shall be deemed to render the City a partner in Grantor's business, or a joint venture or member in any joint enterprise with Grantor.

13.5 No Third Party Beneficiaries. Except as expressly provided, nothing contained in this Agreement shall create or justify any claim against the City or Grantor by any third person

with respect to the performance of any duties or other projects being undertaken by Grantor or the City. The provisions of this Agreement are not intended to benefit any third party, and no third party may rely hereon.

13.6 Amendments. This Agreement may be amended or modified only in writing by the Parties. The RPD General Manager, in consultation with the City Attorney, may execute such amendments on behalf of the City, provided the amendments are in the best interests of the City, do not materially increase the City’s obligations or liabilities, are necessary or advisable to effectuate the purposes of the Project, and are in compliance with all applicable laws.

IN WITNESS WHEREOF, the undersigned have indicated their approval effective as of the respective dates set forth to their names.

Grantor will maintain this donor information on its website until at least the end of the fifth fiscal year after the donation. To ensure compliance with this requirement and to maximize public transparency, Grantor will not accept anonymous donations from a single source aggregating more than \$100 for purposes covered under this Agreement. C. **Recordkeeping and Auditing.**

1. **Recordkeeping.** Grantor will maintain books and records relating to this Agreement, in accordance with generally accepted accounting practices consistently applied, that contain all information required to allow the Department and/or the City's Controller, at their discretion, to audit Grantor's records and to verify contributions and expenditures in accordance with this Agreement.
3. **Auditing.** Grantor shall make such books and records relating to this Agreement available to the Department and/or the City's Controller (or their representatives) upon commercially reasonable prior written notice, but in no event more than ten (10) days after such notice is provided to conduct an audit. Grantor shall retain and shall allow the Department and/or the City's Controller to access such books and records for a period of the later of (i) five (5) years after the end of each year to which such books and records apply, (ii) five (5) years after the issuance date of the Grantor's annual financial report or the IRS Form 990 annual tax return to which such books and records apply, or (iii) if an audit is

To: Supervisors Chan, Mandelman and Safai

Dear Supervisors,

I'm writing today to request your approval of the Jackson Park Accept & Expend item at the Budget and Finance Committee's Nov. 1st meeting.

As you know, Friends of Jackson Park (FoJP) has been working in good faith with SFRPD since 2014 on this project. We've held 9 community meetings, 9 separate stakeholder meetings and had countless coffees with the neighbors and community of Jackson Park users to gather input/feedback on the design and fundraising.

Mayor Breed called our project a model example of a successful public/private partnership between SFRPD, FoJP and other City agencies as we've raised over \$30MM in pledged/donated funds.

Our beloved park is heavily used on a weekly basis and became a respite for thousands more during lockdown. Jackson Park provided an essential gathering space for the community. Potrero Hill doesn't have a lot of green, open space and so Jackson Park was our beacon for self care - nurturing the mental, physical, and communal health of the neighborhood.

Please be an advocate for the Jackson Park renovation project which will create a vibrant and safe open space for children and adults to enjoy for generations to come while improving accessibility for the general public throughout the entire site. Please support the Jackson Park renovation plan by approving the Accept & Expend item on your agenda.

Thank you for your support,

Dear Supervisors,

I am reaching out to seek your approval for the Jackson Park Accept & Expend item during the Budget and Finance Committee's meeting on November 1st.

The Friends of Jackson Park (FoJP) has been collaborating diligently with SFRPD since 2014 on this initiative. They held nine community meetings and nine separate stakeholder sessions, gathering input and feedback from the Jackson Park community members through numerous conversations. Mayor Breed has recognized this project as a stellar example of a successful public/private partnership, praising the collaboration between SFRPD, FoJP, and other City agencies. FoJP has managed to secure over \$30 million in pledged and donated funds for this cause.

Jackson Park serves as a vital community space, especially evident during the lockdown when it became a sanctuary for many. Its significance goes beyond being just a park; it's a haven for mental, physical, and communal well-being in a neighborhood lacking ample green spaces. With the park heavily utilized on a weekly basis, its renovation is crucial.

I urge you to champion the Jackson Park renovation project. By approving the Accept & Expend item, you are supporting the creation of a vibrant, safe open space for both children and adults, ensuring enjoyment for generations to come. Your support for the Jackson Park renovation is invaluable, and I kindly request you to endorse the Accept & Expend item on your agenda.

Thank you for your support,

Mayor Breed called this project a model example of a successful public/private partnership between SFRPD, FoJP and other City agencies as FoJP has raised over \$30MM in pledged/donated funds. The Park itself hasn't been renovated since I was 3 years old (I am now 27), and could use a bit of love from the city to bring it up to modern standards of public recreational space.

Jackson Park is heavily used on a weekly basis and became a respite for thousands more during lockdown. Jackson Park provided, and continues to provide, an essential gathering space for the community. Potrero Hill doesn't have a lot of green, open space so Jackson Park was an essential space for self care - nurturing the mental, physical, and communal health of the neighborhood.

I can confidently say that Jackson Park was an irreplaceable foundation for my mental well-being throughout the Covid-19 pandemic. I made sure to get there 4 times a week for exercise, or to sit and read, or simply to walk laps around it. With a very reasonable investment, we can preserve that open space *and* add a dynamic, welcoming park infrastructure around it. The community has done all the prep work, now we just need a final push!

Please be an advocate for the Jackson Park renovation project which will create a vibrant and safe open space for children and adults to enjoy for generations to come while improving accessibility for the general public throughout the entire site.

Please support the Jackson Park renovation plan by approving the Accept & Expend item on your agenda.

Dear Supervisors,

I write to request your approval of the Jackson Park Accept & Expend item at the Budget and Finance Committee's Nov. 1st meeting.

We are happy that Friends of Jackson Park (FoJP) has been working in good faith with SFRPD on this project for almost ten years now. As we understand, a significant unnumber of community meetings and stakeholder get-togethers have been connected to obtain community feedback and support of the product. As a 40 year + resident and member of the Potrero Hill community I call upon the City to back this much-needed improvement to our community park.

We note that the project has the support of Mayor Breed who called this project a model example of a successful public/private partnership between SFRPD, FoJP and other City agencies as FoJP has raised over \$30MM in pledged/donated funds. Having lived down the street from the park, I note that it has not been renovated for decades and needs to be brought up to modern standards of much-needed recreational space.

Jackson Park is much loved and heavily used. It became a safe oasis for thousands more during lockdown. Jackson Park provided, and continues to provide, an essential gathering space for the community. For a residential family neighborhood that has seen much development of needed housing in San Francisco, Potrero Hill doesn't have a lot of green, open space so Jackson Park was an essential space for our community.

Please be an advocate for the Jackson Park renovation project which will create a vibrant and safe open space for children and adults to enjoy for generations to come while improving accessibility for the general public throughout the entire site. Please support the Jackson Park renovation plan by approving the Accept & Expend item on your agenda.

Dear Supervisors,

I'm writing today to request your approval of the Jackson Park Accept & Expend item at the Budget and Finance Committee's Nov. 1st meeting.

The community represented by Friends of Jackson Park has worked very hard on a public-private partnership that benefits everyone in the area. There have been numerous meetings as the Friends work out the details. I believe this could be a model for forging neighborhood partnerships around San Francisco.

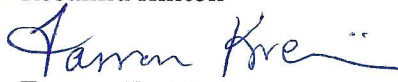

I am a walker and so is my partner. We enjoy this park, walking in it and around it and watching sporting activities, and feel that in a sea of more density and residential buildings, this park humanizes Potrero. There are also many more children in the community who need green spaces to enjoy. I feel this park is irreplaceable and anything else in this space would ruin the neighborhood.

Please join us in being an advocate for the park and the work of the Friends of Jackson Park. They are working for all of us in San Francisco.

Sincerely,

Rosalind Hinton
