Recommendation: Initiate and Consider Adoption on or after November 2, 2023

The action before this Commission is initiation of the code amendments described below. Initiation does not involve a decision on the substance of the amendments; it merely begins the required 20-day notice period, after which the Commission may hold a hearing and take action on the proposed Code amendments.

Planning Code Amendment

The proposed Ordinance would amend Sectional Map ZN11 of the Zoning Map to rezone Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue, from Public (P) to Residential-House, One-Family (RH-1) Zoning District.

The Way It Is Now:

Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue are currently designated as a Public (P) Zoning District. The subject parcels were formerly owned by Bay Area Rapid Transit (BART).

The Way It Would Be:

Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue will be rezoned to Residential-House, One-Family (RH-1) Zoning District. The subject parcels are currently privately-owned.

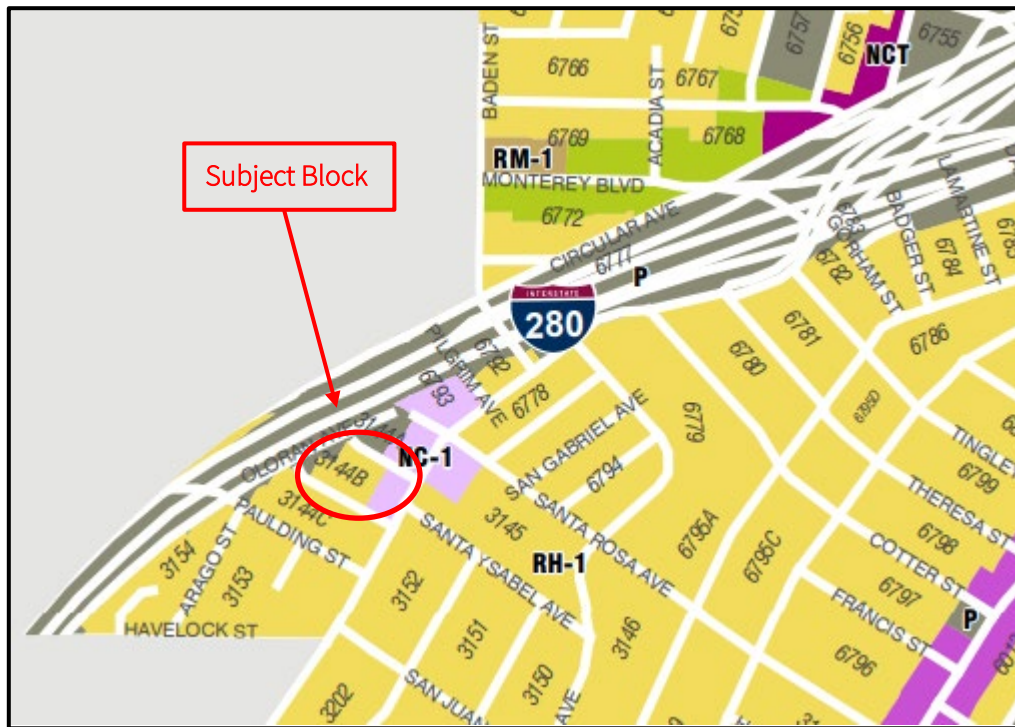

Background

Until 2017, the subject parcels were formerly owned by Bay Area Rapid Transit (BART). In 1969, BART purchased the subject parcels in addition to a number of other parcels across San Francisco for the development of its rapid transit system. The subject parcels abut the system's exterior rail line from Glen Park Station to Balboa Park Station and are currently undeveloped.

Issues and Considerations

- Surrounding Neighborhood.

The subject parcels are located within the Public (P) Zoning District, 40-X Height and Bulk District, and within the Outer Mission neighborhood, adjacent to the Bernal Heights and Glen Park neighborhoods. The immediate neighborhood's context is predominantly residential in character with two- to three-story residential developments. Immediately adjacent zoning districts include RH-1 (Residential-House, One-Family) and P (Public) Zoning Districts.

- The proposed ordinance will expand housing opportunities for local residents and their families while strengthening neighborhood vitality and will advance the City's implementation of the Housing Element. In particular, Policy 20 which states "increase mid-rise and small multi-family housing types by adopting zoning changes or density bonus programs in Well-resourced Neighborhoods near transit, including along SFMTA Rapid Network and other transit, and throughout lower-density areas, by adopting zoning changes or density bonus programs." Additionally, the proposed ordinance will expand small and mid-rise multi-family housing production to serve our workforce, prioritizing middle-income households (Housing

Element, Objective 4.B) and connect people to jobs and their neighborhood with numerous, equitable, and healthy transportation and mobility options (Housing Element, Objective 5.A).

Recommendation

The Department recommends that the Commission recommend approval of the resolution to initiate the Planning Code amendments for consideration on or after November 2, 2023.

Basis for Recommendation

The Department recommends that the Commission initiate the proposed ordinance because it will help advance the City's implementation of the Housing element by expanding the RH-1 Zoning District into undeveloped lots with the potential to increase the City's housing stock. Additionally, the subject parcels at 68 Nantucket Avenue are no longer under the ownership of a public entity, BART, or for the public benefit.

Required Commission Action

The proposed Ordinance is before the Commission so that it may initiate the proposed Ordinance and schedule a time for the Ordinance to be heard for adoption.

Environmental Review

The proposal to amend the Planning Code is anticipated to result in no physical impact on the environment. Evaluation under CEQA will be complete prior to the adoption hearing.

Public Comment

As of the date of this report, the Planning Department has received one e-mail inquiring into the proposed rezoning. The Department has not received any public comment in opposition nor support of the proposed Ordinance.

RECOMMENDATION: Initiate and Consider Adoption on or after November 2, 2023

Ordinance amending the Zoning Map of the Planning Code to rezone Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue, from Public (P) District to Residential-House, One Family (RH-1) District; and affirming the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan and the eight priority policies of Planning Code, Section 101.1; and making public necessity, convenience, and general welfare findings under Planning Code, Section 302.

Existing Law

The Planning Code and Zoning Map regulate development in the City, and provide use restrictions and various other controls. Planning Code Section 211 establishes the Public Use District, which applies to land that is owned by a governmental agency and in some form of public use. Section 209.1 establishes five classes of residential Use Districts, including the Residential-House, One Family (RH-1) Districts. These RH-1 Districts are occupied mainly by single-family houses without side yards. The Zoning Map sets forth the boundaries of these Use Districts.

Amendments to Current Law

The ordinance would amend Zoning Use District Map ZN11 to rezone Assessor's Block 3144B, lots 027A and 036A, from P (Public) to Residential-House, One Family (RH-1).
