RE: File Number 120502: Amendment to the Memorandum of Understanding (MOU) with Union of American Physicians and Dentists, Unit 18

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of the MOU between the City and County of San Francisco and the Union of American Physicians and Dentists (UAPD), Unit 18. The amendment applies to the period commencing July 1, 2012 through June 30, 2015, affecting 189 authorized positions with a salary base of approximately \$33.9 million and an overall pay and benefits base of approximately \$41.7 million.

As seen in Attachment A, our analysis projects that this amendment will result in costs to the City of \$2.6 million, \$2.7 million, and \$3.2 million during FY 2012-13, FY 2013-14, and FY 2014-15, respectively. Our analysis assumes a scenario where premiums, overtime, step, and attrition grow consistent with wage changes.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

Ben Rosenfield
Controller

Procedural

When the Union of American Physicians & Dentists (“UAPD”) and the City and County of San Francisco (“CCSF”) were unable to agree to the terms of an MOU to begin on July 1, 2012, they submitted the disputed issues to Mediation/Arbitration, as provided for in Section A8.409-4 of the CCSF Charter . The parties met with the Mediator/Arbitrator on May 7 and 8, 2012, and submitted the following issues:

CCSF

Clean Up Language
Step Advancement
Retirement
Health
Duration

UAPD

Wages
Health
Compensation Steps
Step Advancement
Standby Pay
Administrative Time
Health & Safety – Working Alone

During the course of the Med-Arb the parties reached agreement on several issues and withdrew them from the Board. Only the remaining issues are addressed in this Mediated Award.

Criteria

The panel considered both informal and formal presentations of testimony and evidence on the following:

- Changes in the CPI;
- Wages, hours, benefits, and other terms and conditions of employment of employees performing similar services;
- Wages, hours, benefits, and other terms and conditions of employment of other CCSF employees;
- Health and safety of employees;
- The financial resources of CCSF described in the Five Year Financial Plan Update for General Fund Supported Operations FY 2012-13 through FY 2015-16. Limitations on the amount and use of revenues and expenditures, revenue projections; the power to raise revenue; budgetary reserves and the City's ability to meet the costs of the Board's decision, all as presented by the Comptroller's Office;
- Other demands on CCSF resources as presented by the Mayor's Budget Director.

The parties prepared extensive materials showing the wages and benefits of comparable employees in other Bay Area jurisdictions, as well as the internal salary relationships within the Department of Public Health. They provided evidence on the health and safety concerns of bargaining unit members, as well as their working conditions. They discussed the unique requirements of the physician job and its relationship to the work done by other health care employees, including those they supervise. The parties reviewed the concessions previously made by bargaining unit members, as well as the unique ability of members of this bargaining unit to bring significant reimbursement revenues to CCSF to cover part of the cost of the services they provide the public. They also discussed the unique

funding available to members of this unit, through the Health Information Technology for Clinical Health Act of 2009 ("HITECH Act", 42 C.F.R. § 495), which many UAPD members have signed over to CCSF to assist in the transition to electronic health records.

Mediated Award

All issues that are not explicitly covered by the Mediated Award have either been the subject of tentative agreements between the parties, or have been resolved by being withdrawn. The existing MOU, the changes agreed to, and this Mediated Award are the entire new MOU.

Duration: The MOU will run from July 1, 2012 through June 30, 2015

III.A. Wages:

Effective July 1, 2012, Step progression for Steps 1 through 5 will be at one year intervals.

Effective July 1, 2012, job classes 2230, 2232 and 2233 shall receive three (3) additional steps (i.e., steps 8, 9, and 10). Each step shall be set at approximately 3.1 % above the preceding step.

- Employees shall advance to Step 8 upon completion of six (6) years of City service at Step 7 or ten-and-one-half (10.5) years of City service whichever occurs first.
- Employees shall advance to Step 9 upon completion of five-and-one-half (5.5) years of City service at Step 8 or sixteen (16) years of City service whichever occurs first.
- Employees shall advance to Step 10 upon completion of five (5) years of City service at Step 9 or twenty-one (21) years of City service whichever occurs first.

Compensation

A. Effective July 1, 2012, job class 2230 shall receive a base wage increase equal to one-third (1/3) of the difference between: (i) the base wage rate for each step in effect as of close of business June 30, 2012 for class 2230; and (ii) the base wage rate for the same step for class 2328 as of July 1, 2012 plus ten percent (10%). Classes 2232 and 2233 shall receive any corresponding base wage increases so that those classes maintain the percentage salary differential on a step by step basis with class 2230 that existed on June 30, 2012. For illustration purposes, the chart below reflects the effective rates for FY12-13, using base wages in effect as of June 30, 2012.

Step	2230 COB 6/30/12	2328 6/30/12	2328 w/10%	1/3 Difference	Percent Increase	2230 7/1/12
1	\$126,932	\$129,324	\$142,256	\$5,108	4%	\$132,040

B. Effective July 1, 2013, job class 2230 shall receive a base wage increase equal to one-half (1/2) of the difference between: (i) the base wage rate for each step in effect as of close of business June 30, 2013 for class 2230; and (ii) the base wage rate for the same step for class 2328 as of July 1, 2013 plus ten percent (10%). Classes 2232 and 2233 shall receive corresponding base wage increases so that those classes maintain the percentage salary differential on a step by step basis with class 2230 that existed on June 30, 2012.

C. Effective January 3, 2015, job class 2230 shall receive a base wage increase equal to the difference between: (i) the base wage rate for each step in effect as of close of business January 2, 2015 for class 2230; and (ii) the base wage rate for the same step for class 2328 as of January 3, 2015 plus ten percent (10%). Classes 2232 and 2233 shall receive corresponding base wage increases so that those classes maintain the percentage salary differential on a step by step basis with class 2230 that existed on June 30, 2012.

D. The parties agree that after January 3, 2015, in the event that any base wage percentage increase or decrease is hereafter agreed to, granted, or awarded to class 2328 Nurse Practitioner, then class 2230 shall also receive the corresponding percentage base wage increase or decrease. In the event this happens, classes 2232 and 2233 shall receive corresponding base wage increases or decreases so that those classes maintain the percentage salary differential with class 2230 that existed on June 30, 2012. If the Union advances a base wage proposal on behalf of class 2230, 2232, or 2233, then this paragraph shall be null and void as of the date of the proposal.

E. The parties agree that after January 3, 2015, in the event that any added or deleted salary step(s) is hereafter agreed to, granted, or awarded to class 2328 Nurse Practitioner, then class 2230 shall also receive the corresponding added or deleted salary step(s) (e.g., if salary step 11 is added to class 2328, salary step 11 will also be added to class 2230; conversely, if salary step 10 is deleted from class 2328, salary step 10 will also be deleted from class 2230). In the event this happens, classes 2232 and 2233 shall receive corresponding added or deleted salary step(s) so that those classes maintain parity in number of steps with class 2230. If the Union advances a proposal on behalf of class 2230, 2232, or 2233 to add or delete salary steps, then this paragraph shall be null and void as of the date of the proposal. This forfeiture provision does not apply to proposals to change the progression between steps (i.e., the length of service required to progress to the subsequent salary step).

Classes 2210, 2292, and 2598 will receive a 1% wage increase on July 1, 2013, January 4, 2014, and March 29, 2014. Thereafter, they will receive the same wage increases as CCSF employees in bargaining units 7 and 8 through the term of this MOU.

Health Care

Employees in UAPD bargaining units 17 and 18 will receive the same health care plans and terms as the pattern established between CCSF and other PEC unions (e.g., IFPTE Local 21, Municipal Attorneys' Association) during 2012 negotiations. These include the City's third (3rd) counter proposal on Health offered to UAPD on April 25, 2012, with the following agreed modifications and additions:

- The Medically Single/Employee Only contribution increase will take effect January 1, 2014. Effective January 1, 2014, for "medically single employees" (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the "medically single employee" (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City's premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.
