20 Section 1. Environmental and Land Use Findings.

21 (a) The Planning Department has determined that the actions contemplated in this  
22 ordinance comply with the California Environmental Quality Act (California Public Resources  
23 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
24 Supervisors in File No. 230924 and is incorporated herein by reference. The Board affirms  
25 this determination.

1 (b) On November 9, 2023, the Planning Commission, in Resolution No. 21436,  
2 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
3 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The  
4 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of  
5 the Board of Supervisors in File No. 230924, and is incorporated herein by reference.

6 (c) Pursuant to Planning Code Section 302, the Board finds that this Planning Code  
7 amendment will serve the public necessity, convenience, and welfare for the reasons set forth  
8 in Planning Commission Resolution No. 21436, and the Board incorporates such reasons  
9 herein by reference. A copy of said resolution is on file with the Clerk of the Board of  
10 Supervisors in File No. 230924.

11  
12 Section 2. Additional Findings.

13 (a) Founded in 1871, the San Francisco Art Institute ("SFAI") was one of the oldest  
14 arts institutions in the country.

15 (b) In 1926, the SFAI moved to 800 Chestnut Street. The approximately 93,000-  
16 square-foot art campus was designed by the architectural firm Bakewell & Brown, which  
17 designed many classic structures in the Bay Area, including the iconic San Francisco City  
18 Hall. The art campus includes a bell tower, interior courtyard, library, terrace, rooftop  
19 amphitheater, galleries, studios and beautiful bay views.

20 (c) Several years later, Diego Rivera was hired to paint *The Making of a Fresco*  
21 *Showing the Building of a City*. The mural was painted using the *buon fresco* technique,  
22 meaning it was painted directly on fresh lime plaster using water-based tempera pigments.  
23 The mural is a *trompe l'œil*, depicting Rivera and assistants on a scaffold painting their fresco  
24 mural.

1 (d) For many years, the SFAI nurtured the creative arts, and provided arts education to  
2 thousands of San Franciscans. Notable teachers included Ansel Adams, Dorothea Lange, Ad  
3 Reinhardt, Mark Rothko, and Clyfford Still. Notable alumni include Richard Diebenkorn, Sam  
4 Francis, Michael Heizer, Annie Leibowitz, Paul McCarthy, Catherine Opie, and Kehinde Wiley.

5 (e) In 1977, with the enactment of Ordinance No. 208-77, the original 1926 building at  
6 800 Chestnut Street was designated as Historical Landmark No. 85.

7 (f) In 2016, the 800 Chestnut Street location was nominated for listing on the National  
8 Register of Historic Places under Criterion A (events). That same year, the Historic  
9 Preservation Commission concurred with the assessment based on the SFAI's role in the  
10 development of American art and for its contributions to art education in the United States.

11 (g) On October 15, 2021, the City enacted Ordinance No. 169-21, finding that *The*  
12 *Making of a Fresco Showing the Building of a City* has a special character and special  
13 historical, architectural, and aesthetic interest and value, and that its designation as a  
14 Landmark would further the purposes of and conform to the standards set forth in Article 10 of  
15 the Planning Code. The mural was designated as Historical Landmark No. 294. Ordinance  
16 No. 169-21 found that, notwithstanding the designation of SFAI as Landmark No. 85, pursuant  
17 to Ordinance No. 208-77, the addition of a compatible entryway to the Diego Rivera Gallery  
18 from the public right-of-way on Chestnut Street, on the south side of the Diego Rivera Gallery,  
19 to provide and maintain public visibility of, and enhance access to, the fresco from the public  
20 right-of-way, could be considered, subject to approval of a Certificate of Appropriateness by  
21 the Historic Preservation Commission.

22 (h) In 2020, the SFAI announced that it would stop accepting students due to declining  
23 enrollment, high real estate costs, and financial constraints. The SFAI closed permanently in  
24 2022. On April 26, 2023, the SFAI filed for Chapter 7 bankruptcy.

1 Section 3. Article 2 of the Planning Code is hereby amended by adding Section 249.8,  
2 to read as follows:

3 **SEC. 249.8. NON-PROFIT ARTS EDUCATION SPECIAL USE DISTRICT.**

4 (a) **General.** A special use district entitled the “Non-Profit Arts Education Special Use

7 Chestnut Street, is hereby established for the purposes set forth below. The boundaries of the Non-  
8 Profit Arts Education Special Use District are designated on Sectional Map No. SU01 of the Zoning  
9 Map.

10 (b) **Purpose.** The purpose of the special use district is to continue the tradition of arts  
11 education at the site of the former San Francisco Art Institute and facilitate the establishment of a Non-  
12 Profit Arts Education Institutional Use.

13 (c) **Definition.** For purposes of this special use district, a Non-Profit Arts Education

17 Use shall not be required to be certified by the Western Association of Schools and Colleges. Such  
18 institution may include employee or student dormitories and other housing operated by and affiliated  
19 with the institution.

20 (d) **Controls.** All provisions of the Planning Code applicable to the RH-3 District shall apply;  
21 provided that a Non-Profit Arts Education Institutional Use is principally permitted and shall not be  
22 obligated to comply with Section 304.5 concerning institutional master plans.

23

## **LEGISLATIVE DIGEST**

[Planning Code, Zoning Map - Non-Profit Arts Education Special Use District]

**Ordinance amending the Planning Code to create the Non-Profit Arts Education Special Use District (Assessor's Parcel Block No. 49, Lot No. 1, generally bounded by Francisco Street, Jones Street, Chestnut Street, and Leavenworth Street, and numbered as 800 Chestnut Street); amending the Zoning Map to show the Non-Profit Arts Education Special Use District; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101; and making findings of public necessity, convenience, and welfare pursuant to Planning Code, Section 302.**

### Existing Law

The former San Francisco Art Institute was located at 800 Chestnut Street (Assessor's Parcel Block No. 49, Lot. No. 1). Said parcel is subject to the controls in the Planning Code that govern the Residential, House 3 zoned areas.

### Amendments to Current Law

This ordinance would create the Non-Profit Arts Education Special Use District ("SUD") to continue the tradition of arts education at the site of the former San Francisco Art Institute and facilitate the establishment of a Non-Profit Arts Education Institutional Use. The SUD would define Non-Profit Arts Education Institutional Use for purposes of that site as an Institutional use in which the chief activity is not carried on as a gainful business and whose chief function is to operate as a post-secondary educational institution that gathers persons for the purposes of offering arts education. A Non-Profit Arts Education Institutional Use would not be required to be certified by the Western Association of Schools and Colleges.

This ordinance would also amend the Zoning Map to create the Non-Profit Arts Education Special Use District.

### Planning Code and Zoning Map Amendment

The proposed Ordinance would amend the Planning Code to create the Non-Profit Arts Education Special Use District (SUD) (Assessor’s Parcel Block No. 49, Lot No. 1, generally bounded by Francisco Street, Jones Street, Chestnut Street, and Leavenworth Street, and numbered as 800 Chestnut Street) and amend the Zoning Map to show the Non-Profit Arts Education Special Use District.

#### The Way It Is Now:

Institutional Uses are generally not permitted in RH-3, except for a few exceptions as outlined in Section 209.1.

## The Way It Would Be:

The proposed Ordinance would establish the Non-Profit Arts Education SUD consisting of Assessor's Parcel Block No. 49, Lot No. 1. The SUD would principally permit a Non-Profit Arts Education Institutional Use, which shall be defined for the purposes of the SUD as:

Institutional use in which the chief activity is not carried on as a gainful business and whose chief function is to operate as a post-secondary educational institution that gathers persons for the purposes of offering arts education. A Non-Profit Arts Education Institutional Use shall not be required to be certified by the Western Association of Schools and Colleges. Such institution may include employee or student dormitories and other housing operated by and affiliated with the institution.

All provisions of the Planning Code applicable to the RH-3 District shall apply, provided that a Non-Profit Arts Education Institutional Use is principally permitted and shall not be obligated to comply with Section 304.5 concerning Institutional Master Plans (IMP).

## Background

The proposed SUD is at 800 Chestnut Street, the former location of the San Francisco Arts Institute (SFAI). An interested party approached President Peskin to open a non-accredited art school at the property. Institutional Uses are not generally permitted in the RH-3 zoning district, with a few exceptions such as a Western Association of Schools and Colleges (WASC)-accredited Post-Secondary Educational Institution. The proposed SUD seeks to continue the tradition of arts education at the site and provide a pathway to establish a Non-Profit Arts Education Institutional Use in the future.

## Issues and Considerations

### Institutional Uses in Residential Districts

Currently, the property at 800 Chestnut Street is zoned RH-3. Institutional Uses are generally not permitted in RH-3, save for a few exceptions that have been deemed compatible within the Residential Districts. For example, a Child Care Facility and a Residential Care Facility are principally permitted within the RH Districts. Additionally, more intense Uses, such as a Hospital or a Religious Institution, require Conditional Use Authorization (CUA) for a closer review.

### Post-Secondary Educational Institution

Post-Secondary Educational Institutions require a CUA within the RH-3 Zoning District and defined as:

An Institutional Education Use, public or private, that is certified by the Western Association of Schools and Colleges, provides educational services such as a college or university, and has met the applicable provisions of Section 304.5 of this Code concerning institutional master plans. Such institution may include employee or student dormitories and other housing operated by

and affiliated with the institution. Such institution shall not have industrial arts as its primary course of study.

Additionally, Post-Secondary Educational Institutions are required to have a current IMP on file with the Planning Department detailing the existing and anticipated future development of said institution.

The interested party is a non-profit and not accredited by WASC. Therefore, they would not meet the definition and a Post-Secondary Educational Institution, and thus not currently permitted within the RH-3 Zoning District.

## Historical Landmarks

In 1977, the original 1926 building located at 800 Chestnut Street was designated as Landmark No. 85 through Ordinance No. 208-77. The Diego Rivera fresco, “The Making of a Fresco Showing the Building of a City”, was described and its significance was briefly discussed in this designation.<sup>1</sup> Diego Rivera’s 1969 fresco was not included in the landmark designation at that time and was subsequently designated in October 2021 as Landmark No. 294.<sup>2</sup>

**If there are physical alterations associated with change of use now or in the future, then a COA would be required.**

A Certificate of Appropriateness (COA) is required for any construction, alteration, removal or demolition of a structure, or any work involving a sign, awning, marquee, canopy, mural, etc. on a landmark site or in a historic district. A change of use to a Non-Profit Arts Education Institutional Use that does not involve any physical alterations would just require change of use permit, not a COA. If there are physical alterations associated with a change of use now or in the future, then a COA would be required. At this time, there are no physical changes proposed at the property.

## General Plan Compliance

The proposed Ordinance allows new Non-Profit Arts Educational Institutional Uses in the proposed SUD where it once was largely prohibited. This new opportunity supports the Arts Element goals of providing arts education opportunities for all San Franciscans. Additionally, the proposed Ordinance reduces City-imposed costs for non-profit organizations and educational institutions as noted in Policy V-2.3. The proposed Ordinance does not include any physical impacts, and future projects are still required to go through the proper historic preservation review. This ensures future projects will align with the Urban Design Element’s priority of preserving notable landmarks, such as this property and the Diego Rivera fresco within it.

## Racial and Social Equity Analysis

The proposed amendments cannot be directly tied to a negative or positive impact in advancing the City’s racial and social equity. There is not enough data to support the claim for the small number of businesses that it will affect.

---

<sup>1</sup> Both the original building and addition were surveyed as part of the Planning Department’s 1976 survey.

<sup>2</sup> [Ordinance 169-21, Board File 210565](#).

## Implementation

The Department has determined that this ordinance will not impact our current implementation procedures.

## Recommendation

The Department recommends that the Commission *approve* the proposed Ordinance and adopt the attached Draft Resolution to that effect.

## Basis for Recommendation

The Department supports the proposed Ordinance because it supports continuing arts education at the former site of SFAI. There are no proposed physical alterations proposed as part of this Ordinance, it just provides an avenue for a future Non-Profit Arts Education Institutional Use to be able to open at the property. If there are physical alterations proposed to these historic landmarks in the future, then a COA would be required, and proper historic preservation review would be completed.

## Required Commission Action

The proposed Ordinance is before the Commission so that it may approve it, reject it, or approve it with modifications.

## Environmental Review

The proposed amendments are not defined as a project under CEQA Guidelines Section 15060(c) and 15378 because they do not result in a physical change in the environment.

## Public Comment

The Planning Department has received three letters of support for the proposed Ordinance from Brenda Way, Founder and Artistic Director of ODC; Aiko Cuneo, daughter of Ruth Asawa; and Stephen Beal, President of California College of the Arts. All letters cited support for the legislation to create a path for a non-accredited arts educational use at the former SFAI cite. The letters also expressed how this proposed legislation would continue to support that a future non-profit at this site would foster a new generation of artists and change makers.

20 Section 1. Environmental and Land Use Findings.

21 (a) The Planning Department has determined that the actions contemplated in this  
 22 ordinance comply with the California Environmental Quality Act (California Public Resources  
 23 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
 24 Supervisors in File No. 230924 and is incorporated herein by reference. The Board affirms  
 25 this determination.

1 (b) On \_\_\_\_\_, the Planning Commission, in Resolution No. \_\_\_\_\_,  
2 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
3 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The  
4 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of  
5 the Board of Supervisors in File No. \_\_\_\_\_, and is incorporated herein by reference.

6 (c) Pursuant to Planning Code Section 302, the Board finds that this Planning Code  
7 amendment will serve the public necessity, convenience, and welfare for the reasons set forth  
8 in Planning Commission Resolution No. \_\_\_\_\_, and the Board incorporates such  
9 reasons herein by reference. A copy of said resolution is on file with the Clerk of the Board of  
10 Supervisors in File No. \_\_\_\_\_.

11  
12 Section 2. Additional Findings.

13 (a) Founded in 1871, the San Francisco Art Institute ("SFAI") was one of the oldest  
14 arts institutions in the country.

15 (b) In 1926, the SFAI moved to 800 Chestnut Street. The approximately 93,000-  
16 square-foot art campus was designed by the architectural firm Bakewell & Brown, which  
17 designed many classic structures in the Bay Area, including the iconic San Francisco City  
18 Hall. The art campus includes a bell tower, interior courtyard, library, terrace, rooftop  
19 amphitheater, galleries, studios and beautiful bay views.

20 (c) Several years later, Diego Rivera was hired to paint *The Making of a Fresco*  
21 *Showing the Building of a City*. The mural was painted using the *buon fresco* technique,  
22 meaning it was painted directly on fresh lime plaster using water-based tempera pigments.  
23 The mural is a *trompe l'œil*, depicting Rivera and assistants on a scaffold painting their fresco  
24 mural.

1 (d) For many years, the SFAI nurtured the creative arts, and provided arts education to  
2 thousands of San Franciscans. Notable teachers included Ansel Adams, Dorothea Lange, Ad  
3 Reinhardt, Mark Rothko, and Clyfford Still. Notable alumni include Richard Diebenkorn, Sam  
4 Francis, Michael Heizer, Annie Leibowitz, Paul McCarthy, Catherine Opie, and Kehinde Wiley.

5 (e) In 1977, with the enactment of Ordinance No. 208-77, the original 1926 building at  
6 800 Chestnut Street was designated as Historical Landmark No. 85.

7 (f) In 2016, the 800 Chestnut Street location was nominated for listing on the National  
8 Register of Historic Places under Criterion A (events). That same year, the Historic  
9 Preservation Commission concurred with the assessment based on the SFAI's role in the  
10 development of American art and for its contributions to art education in the United States.

11 (g) On October 15, 2021, the City enacted Ordinance No. 169-21, finding that *The*  
12 *Making of a Fresco Showing the Building of a City* has a special character and special  
13 historical, architectural, and aesthetic interest and value, and that its designation as a  
14 Landmark would further the purposes of and conform to the standards set forth in Article 10 of  
15 the Planning Code. The mural was designated as Historical Landmark No. 294. Ordinance  
16 No. 169-21 found that, notwithstanding the designation of SFAI as Landmark No. 85, pursuant  
17 to Ordinance No. 208-77, the addition of a compatible entryway to the Diego Rivera Gallery  
18 from the public right-of-way on Chestnut Street, on the south side of the Diego Rivera Gallery,  
19 to provide and maintain public visibility of, and enhance access to, the fresco from the public  
20 right-of-way, could be considered, subject to approval of a Certificate of Appropriateness by  
21 the Historic Preservation Commission.

22 (h) In 2020, the SFAI announced that it would stop accepting students due to declining  
23 enrollment, high real estate costs, and financial constraints. The SFAI closed permanently in  
24 2022. On April 26, 2023, the SFAI filed for Chapter 7 bankruptcy.

1 Section 3. Article 2 of the Planning Code is hereby amended by adding Section 249.8,  
2 to read as follows:

3 **SEC. 249.8. NON-PROFIT ARTS EDUCATION SPECIAL USE DISTRICT.**

4 (a) **General.** A special use district entitled the “Non-Profit Arts Education Special Use  
5 District” consisting of Assessor’s Parcel Block No. 49, Lot No. 1, which is generally bounded by  
6 Francisco Street, Jones Street, Chestnut Street, and Leavenworth Street, and is numbered as 800  
7 Chestnut Street, is hereby established for the purposes set forth below. The boundaries of the Non-  
8 Profit Arts Education Special Use District are designated on Sectional Map No. SU01 of the Zoning  
9 Map.

10 (b) **Purpose.** The purpose of the special use district is to continue the tradition of arts  
11 education at the site of the former San Francisco Art Institute and facilitate the establishment of a Non-  
12 Profit Arts Education Institutional Use.

13 (c) **Definition.** For purposes of this special use district, a Non-Profit Arts Education  
14 Institutional Use shall mean an Institutional use in which the chief activity is not carried on as a  
15 gainful business and whose chief function is to operate as a post-secondary educational institution that  
16 gathers persons for the purposes of offering arts education. A Non-Profit Arts Education Institutional  
17 Use shall not be required to be certified by the Western Association of Schools and Colleges. Such  
18 institution may include employee or student dormitories and other housing operated by and affiliated  
19 with the institution.

20 (d) **Controls.** All provisions of the Planning Code applicable to the RH-3 District shall apply;  
21 provided that a Non-Profit Arts Education Institutional Use is principally permitted and shall not be  
22 obligated to comply with Section 304.5 concerning institutional master plans.

23

Re: Record No. 2023-008250PCAMAP - [Board File No. 230924]: Non-Profit  
Arts Education Special Use District

October 10, 2023

Dear Presidents Tanner and Matsuda,

I write this letter of support on behalf of a group of arts leaders that have convened to reimagine what is possible for the former San Francisco Arts Institute at 800 Chestnut. We hope you will support President Peskin’s legislation Board File No. 230924: Non-Profit Arts Education Special Use District that would allow for a nonaccredited arts educational use at 800 Chestnut, the location of the former San Francisco Arts Institute (SFAI).

Since the closure of SFAI, a passionate group of arts leaders and historians which includes SF Conservatory of Music President David Stull, California College of the Arts President Stephen Beal and historic architects Page & Turnbull, have been working on a newly imagined non-profit art institution for over a year to fill the hole in arts education.

The San Francisco Art Institute, the oldest art institution in the American West, has a profound legacy, not only as an incubator for generations of artists who have defined Bay Area and American art as a whole, but also as the home to Diego Rivera’s priceless mural, The Making of a Fresco Showing the Building of a City (1930).

The new non-profit will foster a new generation of artists, restore and revitalize the historic San Francisco Arts Institute, and preserve the historic campus and the iconic Diego Rivera mural.

We are so grateful for the overwhelming support for this proposal from the arts community and local leaders and ask for your support of this legislation that would allow for this vision for a new nonprofit arts institution to come to fruition.

Sincerely,

Re: Record No. 2023-008250PCAMAP - [Board File No. 230924]: Non-Profit Arts Education  
Special Use District

October 10, 2023

Dear Presidents Tanner and Matsuda,

I am writing in support of President Peskin's legislation Board File No. 230924: Non-Profit Arts Education Special Use District that would allow for a nonaccredited arts educational use at 800 Chestnut, the location of the former San Francisco Arts Institute (SFAI).

Born and raised in San Francisco, I come from a family where the arts are considered part of everyday living. My parents went to Black Mountain College which included visual arts, architecture, literature, dance, mathematics, and music. An important mentor for many students, including my parents, was the former Bauhaus teacher and artist, Josef Albers, who taught basic design. Albers recruited talented artists, often those with contrasting sensibilities, to come and spend a summer, semester or a year to broaden the students' exposure to ways of seeing and working. There were no beginning or advanced courses. There were no degrees awarded. As Albers was fond of saying, "Art knows nothing about graduation."

Drawing inspiration from Black Mountain College, this legislation would allow for an innovative and interdisciplinary non-profit that could foster a new generation of artists and change makers.

Sincerely,

Aiko Cuneo

Support of Ordinance

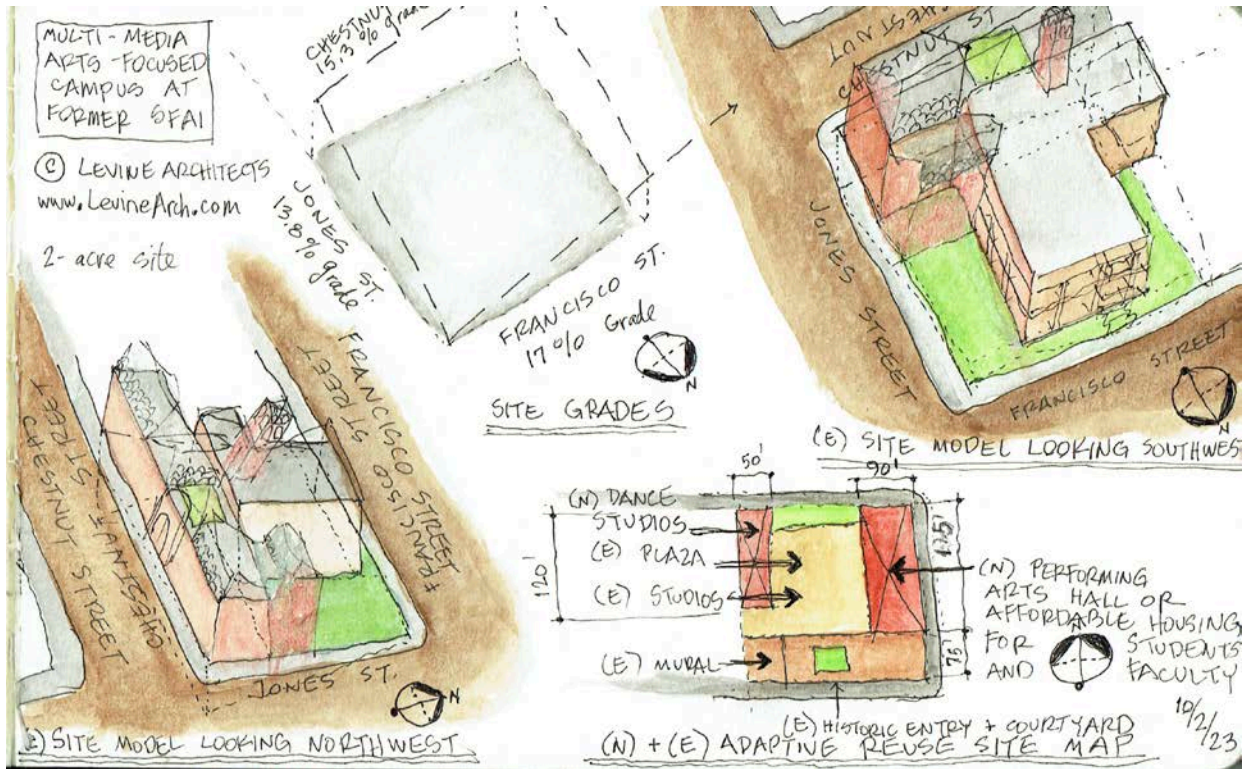

As an architect practicing in San Francisco for over 40 years, and the Land Use chair of my neighborhood organization, I support the Ordinance proposed by Supervisor Peskin to amend the Planning Code to create a Special Use District (SUD) at the site of the former SF Arts Institute. I am in favor of creating a Non-Profit Arts Education SUD to create a Multi- media Arts-Focused campus at this site.

Support of Ordinance to Amend the Planning Code  
Create a Non-Profit Arts Education Special Use District  
Block #49; Lot #1; Formerly the SF Arts Institute

Protection of the Landmarks portions at the Site

The glorious Diego Rivera fresco (1931) as well as the historic Bakewell Brown campus (1926) entry, courtyard and campanile are Landmark treasures that can and must be protected and maintained at the south side of the site along Chestnut Street. The proposed development and conversion of the campus site can be enlivened while respecting these world-class artistic monuments.

*Support of Ordinance to Amend the Planning Code  
Create a Non-Profit Arts Education Special Use District  
Block #49; Lot #1; Formerly the SF Arts Institute*

Scale of Development at the Site

The proposed non-profit mixed-media art school has the potential to achieve 3 major goals:

- 1) Repair years of deferred maintenance at the buildings on site
- 2) Reorganize the interior layout of the warren of industrial ramps and congested studios
- 3) Infill portions of the undeveloped corners at the north side of the site.

Suggestions for Use of the undeveloped Corners at the North side of Site

The 2-acre site has the potential to be a thriving campus for students in visual and performing arts. At the northwest corner of the site along Francisco Street (I can imagine but haven't drawn yet) converting the existing loading dock into a practice and performing building for dance and music.

On the other hand, we have started to conceptualize how to develop the empty corner at Jones and Francisco Streets. This steep corner could be designed as affordable housing for students, faculty and communal facilities such as a day-care, bookstore, coffee shop or galleries. This would be a vibrant corner of the campus, contributing to the neighborhood.

Summary of Support for Amendments to Planning Code and Zoning Map

The proposed investment by the non-profit foundation to create a multi-media arts-focused campus has the opportunity to:

- 1) Protect the landmark artistic heritage at the site
- 2) Create a dynamic campus cultural life
- 3) Become a world-class citadel for art with a fantastic location, adjacent to North Beach with amazing views of the Northern waterfront.

Please approve this Ordinance for the future of Art and the education of Artists in our City.  
Thank you very much.

Dear Chair Melgar,

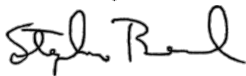

I write this letter of support for President Peskin's legislation Board File No. 230924: Non-Profit Arts Education Special Use District that would allow for a nonaccredited arts educational use at 800 Chestnut the location of the former San Francisco Arts Institute (SFAI).

After the closure of SFAI, SF Conservatory of Music President David Stull, ODC Founder Brenda Way and historic architects Page & Turnbull have spent months working on a newly imagined nonprofit art institution to help fill the hole in fine arts education.

At California College of the Arts (CCA), we are an ambitious art and design school that educates students to shape culture and society through the practice and critical study of art, architecture, design, and writing. A reimaged SFAI would help support the ecosystem of arts education in the Bay Area and would serve to mutually support our students, faculty and alumni.

We are so grateful for the overwhelming support for this proposal from the arts community and local leaders and ask for your support of this legislation which would be the first step in allowing for this vision for a new nonprofit arts institution to come to fruition.

Sincerely,

**PLANNING COMMISSION MEETING – OCTOBER 23, 2023**

The below item will be heard by the Planning Commission under hearing procedures conforming to Government Code §54953(e). The agenda will be published a minimum of 72 hours before the Planning Commission meeting and will provide a more detailed description of hearing procedures.

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Menlo Park, California, is scheduled to review the following item:

**PUBLIC HEARING**

General Plan Amendments, Zoning Ordinance Amendments, El Camino Real/Downtown Specific Plan Amendments, and Rezoning/City of Menlo Park Housing Element Update Project:  
The City of Menlo Park is proposing to amend the General Plan Land Use Element, Zoning Ordinance (Title 16 of the Menlo Park Municipal Code ("Municipal Code"), zoning map, and El Camino Real/Downtown Specific Plan in association with the implementation of the 2023-2031 6<sup>th</sup> Cycle Housing Element, adopted by the City Council on January 31, 2023. The proposed changes are intended to provide capacity to meet the City's Regional Housing Needs Allocation (RHNA) of 2,946 dwelling units and are generally summarized below:

**General Plan Land Use Element and map**

- Amendments for consistency with the proposed Zoning Ordinance amendments described below, including changes in land use designation for applicable Housing Element inventory sites and modifications to existing designations to reflect increased densities and floor area ratios (FAR).

**Zoning Ordinance and map**

- Update the Affordable Housing Overlay (AHO) to further promote affordable housing development. To implement Housing Element Program H4.D, amend Chapter 16.98 (Affordable Housing Overlay (AHO)) of the Municipal Code to work in combination with state density bonus law to allow up to approximately 100 dwelling units per acre, or more, for 100 percent affordable housing developments, and add the AHO to all 6<sup>th</sup> Cycle inventory sites (except Site #38, 320 Sheridan Drive, the former Flood School site) and all R-3 (Apartment District) zoned properties around downtown; and amend Chapter 16.97 (State Density Bonus Law) of the Municipal Code to resolve any inconsistencies between the City's ordinance and current and future state density bonus law regulations;
- Allow residential development opportunities in existing commercial/retail zoning districts. To implement Housing Element Program H4.J, and allow mixed-use residential development opportunities primarily along Willow Road, Middlefield Road, Sharon Park Drive and Sand Hill Road, amend the Municipal Code to repeal Chapters 16.32 (C-1-A, Administrative and Professional District), 16.37 (C-2-S, Neighborhood Commercial District, Special), 16.39 (C-2-A, Neighborhood Shopping District, Restrictive), Chapter 16.40 (C-2-B, Neighborhood Mixed Use District, Restrictive) and 16.42 (C-4, General Commercial District, Restrictive) and replace with a C-MU (Commercial, Mixed Use) zoning district with a residential density of up to 30 dwelling units per acre and associated development standards; amend the zoning map to rezone C-1-A, C-2-S, C-2-A, C-2-B, C-4, and C-2 parcels (except for Site #11, 325 Sharon Park Drive) to C-MU; amend Chapters 16.30 (C-1, Administrative and Professional District, Restrictive), 16.32 (C-1-A, Administrative and Professional District), 16.36 (C-1-C, Administrative, Professional and Research District, Restrictive), 16.38 (C-2, Neighborhood Shopping District), 16.43 (O, Office District) and 16.52 (Parking District) to allow a residential density of up to 30 dwelling units per acre and associated development standards;
- Increase residential densities in the R-3 (Apartment) zoning district around downtown. To implement Housing Element Program H4.J, amend the R-3 zoning district development regulations to allow a residential density up to 30 dwelling units per acre for R-3 zoned properties around downtown and up to 20 dwelling units per acre for other R-3 sites with a lot area of 100,000 square feet or more; increase maximum building coverage in the R-3, R-3-A (Garden Apartment Residential), R-3-C (Apartment-Office District), R-4 (High Density Residential), and R-4-S (High Density Residential, Special) zones to 55 percent and adjust maximum paving and minimum open space (landscaping) percentages accordingly; and reduce parking spaces per unit requirements;
- Permit ministerial review for certain housing developments on inventory sites that were not developed during the previous Housing Element cycle. To implement Housing Element Program H4.D, amend the Municipal Code so that parcels in the Housing Element site inventory identified as Reuse Sites allow for ministerial review for housing developments that propose at least 20 percent of units affordable to lower-income households, in accordance with California Government Code §66583.2(i);
- Create a residential overlay to encourage residential development on underused or redeveloping sites. To implement Housing Element Program H4.T, amend the Municipal Code to create a Residential Overlay for certain housing inventory sites that would allow residential development on properties with non-residential zoning; and
- Allow family daycare homes with up to 14 children as a permitted use in residential zoning districts. To implement Housing Element Program H2.F, amend Sections 16.04.165 and 16.08.085 of the Municipal Code to allow large family daycare homes as a permitted use in a legal dwelling unit in any residential zoning district.

**El Camino Real/Downtown Specific Plan**

- To implement Housing Element Program H4.L, amend the Specific Plan to:
  - Remove references to a maximum of 680 residential units at full build-out;
  - Increase the maximum base level density to at least 30 dwelling units per acre and the maximum bonus level density to up to 100 dwelling units per acre, with corresponding changes to FAR, height, and other development standards for the Specific Plan subdistricts, as applicable;
  - Establish a minimum density of 20 dwelling units per acre for all subdistricts, as a requirement upon the addition of residential uses to a site;
  - Remove the minimum parking requirements for residential uses on sites within one-half mile of transit as required by AB 2097; and
  - Modify the use of the public parking plazas to allow the development of multifamily residential housing.

The proposed changes were evaluated in the Subsequent Environmental Impact Report (SEIR) prepared for the Housing Element Update project (i.e., Housing Element and Safety Element updates, a new Environmental Justice Element, and associated changes). The City Council adopted Resolution No. 8808 and certified the SEIR on January 31, 2023. On February 1, 2023, a Notice of Determination (NOD) was filed.

The Planning Commission is scheduled to make a recommendation to the City Council, which will be the final decision-making body on the proposed changes. Separate notice will be given for the City Council public hearing. Please refer to the Housing Element Update project webpage (menlopark.gov/HousingElement) for additional information and announcements, and to sign up for the project email list.

NOTICE IS HEREBY FURTHER GIVEN that said Planning Commission will hold a public hearing on these items in a teleconference meeting (virtual and in Menlo Park City Council Chambers located at 751 Laurel St., Menlo Park, California) on October 23, 2023, beginning at 7 p.m. or as near as possible thereafter, at which time and place interested persons may appear and be heard thereon.
