[Campaign and Governmental Conduct Code - Form 700 (Statement of Economic Interests) Filing Requirements]

Ordinance amending the Campaign and Governmental Conduct Code to update the Conflict of Interest Code's Form 700 (Statement of Economic Interests) filing requirements by adding, deleting, and changing titles of certain designated officials and employees to reflect organizational and staffing changes, and by refining disclosure requirements for certain designated officials and employees.

Existing Law

The Political Reform Act of 1974, California Government Code section 87300, et seq., requires that San Francisco adopt a Conflict of Interest Code and review and update the Code every two years. The City's Conflict of Interest Code is set forth in Article III, Chapter 1 of the Campaign and Governmental Conduct Code. The Code designates those City officials and employees who periodically must file public statements disclosing their personal financial interests. The Code also specifies the types of financial interests that each designated official and employee must disclose — i.e., disclosure categories — that designated officials and employees must disclose.

Amendments to Current Law

The proposed amendments to the Conflict of Interest Code add, delete, and change the titles of designated employees to reflect organizational and staffing changes made by City departments and agencies since the Code was last amended in 2022. The proposed amendments also revise the disclosure requirements applicable to some designated officials and employees.
