Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I'm a person of color who is Muslim and one of seven children of immigrants from Egypt. My late Father and Mother immigrated to the US with the goal of providing us a better life and achieving the American dream.

As a first generation United States Citizen, I witnessed first hand the issues and realities my parents dealt with to provide us with a better life. From religious to racial discrimination as well as the many language barriers proved to be very challenging.

Being first generation made me sensitive to struggles that not only my family faced, but other immigrant families as well from different cultures.

Throughout my experiences and learning of other people around me, I've come to realize that there are many complex issues facing immigrant communities. Some of these issues are related to language, race, sex, religion or other social categorizations. The oppression and privilege associated to those are intersectionality.

My awareness of intersectionality has driven me always to ask questions and find solutions to issues that affect our most vulnerable communities.

Business and/or professional experience:

I founded and lead a San Francisco based Technology Consulting firm who's mission is to help Nonprofits leverage technology to be more effective, efficient and secure.

I've dedicated the last 18 years of my life helping nonprofit organizations who serve marginalized communities leverage technology for good.

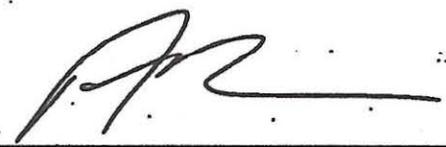

Civic Activities:

- Volunteered in forming Project Feed to help feed SF homeless in Tenderloin.
- Volunteered as a youth mentor in Log Cabin Ranch (SF County Youth Detention Center).
- Co-founded Ask Academy, an organizations who's goal is to improve the lives of our most vulnerable youth from Kindergarten to High School through retention and redirection.

Immigration is at the heart of the American dream, but we currently live in a country that demonizes and even criminalizes individuals who want a better life for themselves. I'm a 2nd generation immigrant from India and I've had but a taste of how difficult life was for my parents to immigrate, settle, and be accepted in this community.

My goal through serving on this commission is to be a voice for those who feel like their voices aren't heard loud enough. Whether it's DACA, the Census, Affirmative Action or police brutality within immigrant communities, I want our residents to know that we will fight on their behalf, symbolically and legislatively and that they can feel safe trusting us.

My work as an interpreter for immigrants gives me a unique insight into the very real granular and substantive issues these folks are facing, and I want to take this as inspiration to advise the Board of Supervisors and the Mayor on how we can break down those barriers and further enrich these lives.

Ultimately my goal is to make sure everyone has access to the type of life I've led. Access to resources, education, jobs, friendships, healthcare, etc. The American dream should exist for everyone, not just the select few. Whether you're the next CEO of a Fortune 500 or just a person wanting a better life for their family, you belong here equally and this city should feel safe and you should feel wanted in a place you call your home.

Business and/or professional experience:

Co-founded Wildfire Technologies, with over \$3M in funding, half a million users, and awarded Forbes 30 Under 30

Contributing writer for The Huffington Post, focusing on American politics and policy.

Civic Activities:

I currently volunteer as an interpreter for Sri Lankan refugees and immigrants who are seeking political asylum in the San Francisco Bay Area.

Previously, I worked as an English instructor for the San Quentin prison, for their inmate rehabilitation program, where we helped inmates achieve their high school GED's before release.

Lastly I was a City Commissioner under the Mayor of Berkeley and advised him on crime and safety, working with the City Council to replace streetlights in high crime areas with LED lighting.

As a first-generation gay immigrant originally from Burma, I bring a unique perspective and experience to the Immigrant Rights Commission.

First immigrating from Burma, I belong to an underrepresented community within the Asian American and Pacific Islander (AAPI) community and am often the first person from Burma most people I have interacted with. Due to this fact, I often find myself serving the role of a cultural ambassador for Burmese culture and my community as a whole. My background of coming from Burma, a developing country with an oppressive government regime in Burma also allows me to understand the unique challenges of those fleeing violence, poverty and oppression.

As a gay immigrant, I understand the challenges faced by those fleeing persecution and violence due to their sexual orientation or gender identification. Furthermore, as a gay Asian immigrant, I understand the importance of intersectionally, struggles for acceptance, and challenges faced by intersection of identities. Being a proud member of the LGBT, AAPI, and immigrant community, I understand the unique challenges faced by each underrepresented community.

(Applications must be submitted to BOS-Appointments@sfgov.org or to the mailing address listed above.)

Business and/or Professional Experience:

Previously as Senior Immigration Advisor for Congresswoman Nancy Pelosi, I worked intensively with immigrant communities in San Francisco. In my previous role, I assisted with United States Legal Permanent Residents (LPR), asylum seekers, refugees and work authorization documents. I have worked extensively with nonprofits and attorneys to assist their clients and constituents in San Francisco. Furthermore, I have worked with the Office of Civic Engagement and Immigrant Affairs and Executive Director Adrienne Pon on the 2020 census and in anticipation of immigration raids.

Currently, as the Director of Government and Community Relations for San Francisco State University, I serve and represent one of the top five most diverse universities in the nation between SF State and key officials, legislators, agencies, community representatives, and constituencies at federal, state, and local levels. In addition to providing strategic counsel to the President's leadership team, I execute comprehensive and strategic programs to advance the University's engagement with the stakeholders. In this current capacity, I track legislations and program benefits for our students who are DACA recipients.

Civic Activities:

Previously, I served on the Asian Pacific American Heritage Month Committee that celebrates AAPI culture and organizations in the City. I also volunteer with the Asian Pacific American Advocate (OCA) as an instructor of public speaking and leadership seminars for high school students. I formerly represented Congresswoman Nancy Pelosi on the City and County of San Francisco's LGBTIQ+ Advisory Committee.

Thank you for your consideration of my reappointment to the San Francisco's Immigrant Rights Commission. I have strived to achieve the mission of the Immigrants Rights Commission (IRC) to improve, enhance and preserve the quality of life and civic participation of all immigrants in the City and County of San Francisco. To this end, I have worked with my colleagues to ensure that our City recognize that immigrants are a vibrant force in San Francisco's economic and cultural life, and contribute substantially to our City. As the City and County of San Francisco recovers from a pandemic crisis and its economic fallout, our commission worked hard to assure tha our immigrant communities received vital basic needs and support recognizing that immigrants play a vital role in San francisco's recovery.

Today, we must work harder to support policies that ensure full immigrant integration and promote the success for all its residents. In these difficult political times, fear and uncertainty is severely impacting many immigrants in our city and it is important that we stand united to protect all our immigrants. I will continue to work with my fellow commissioners to assure we uphold our City s values of inclusivity and sanctuary for all, and promote the many contributions our immigrant communities give to our city each day

Business and/or professional experience:

Mario Paz is a passionate nonprofit and social justice leader advocating for children, youth, families and communities for more than 30 years. Mario has served as Executive Director of the Good Samaritan Family Resource Center and in his career has held positions as an organizer, counselor, director, consultant, policy advisor and foundation program officer. He has served on numerous boards of directors and currently serves as Vice-Chair of San Francisco's Immigrant Rights Commission and Vice-Chair of the San Francisco Interfaith Council. In 2016, Mario along with other CEOs in San Francisco also co-founded the Latino Parity and Equity Coalition that addresses structural inequities and systemic failure to address the needs of marginalized communities.

Mario has received recognition and awards for his work from several communities and foundations including Grantmakers for Children, Youth and Families, Stanford's Haas Center for Public Service Leadership Award and for his achievements in creating community collaborations and partnerships that support children and families, youth development, early literacy and advocates for the successful integration of immigrants in our communities.

Civic Activities:

Mario Paz has served on numerous boards and commissions. Mario completed two terms as a District 9 appointed member to SF's Childcare Planning Advisory Council, has served three terms with the Immigrant Rights Commission and elected Vice-Chair, and served two terms as Vice Chair of SF's Interfaith Council.

Mario is also a member of DCYF's Service Providers Workgroup, co-founded and serves as Chair of the SF Family Resource Center Alliance, and is co-founder of the San Francisco Latino Parity and Equity coalition. Mario is also a member and committee chair of the Latino Task Force responding to the COVID-19 crisis and recovery efforts in San Francisco.

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I identify as a child of refugees. I am motivated by family history and life work. Both my parents escaped North Korea when they were young and while they do not technically qualify as refugees under the 1951 Convention, they identify with the refugee experience and growing up in war times. While I do not have the direct life experiences they have, these experiences have defined who I am. They have given me a lens into the inequities and patterns of oppression and harm that have repeated over time. The dynamics of systems of power, racism, dehumanization, and oppression continue. So I dedicate my life to listening, learning, advocating, and teaching about migration.

I was born into and raised in an immigrant family (in Canada), and moved to the U.S. for graduate school in 1997. I have since navigated numerous kinds of visas en route to eventually becoming a citizen. My partner and I have lived in San Francisco for 20+ years and have two teenagers and a dog AKA Queen, named Bean ☐

Per the following two sections, I have worked in a range of settings in community with immigrant and refugee communities internationally as well as in the Bay Area. This includes volunteering and working for local non-profits. Currently, I serve as Chair of the Board of Directors at Refugee & Immigrant Transitions (RIT), a 40+ year non-profit agency whose mission is "to welcome and partner with those who have sought refuge, employing strengths-based educational approaches and community supports so they may thrive in our shared communities." My involvement with RIT ranges back to 2012 when I started as a staff person. I have since also volunteered in a variety of roles, including as a classroom assistant and after-school tutor at San Francisco International High School and overnight summer camp. I continue to volunteer at RIT given its welcoming and inclusive mission and culture that helps to cultivate cross-cultural connections and mutually supportive communities from all genders, orientations, countries of origin, ages, and abilities.

Currently, I work as an adjunct faculty member at the University of San Francisco where I develop curriculum, teach and do research. I am honored to be a part of the Master in Migration Studies program where we work with many first-generation students, many from migrant families. My goal is to bring humanizing pedagogies that are culturally responsive and socio-politically relevant in ways that amplify refugee and migrant voices and knowledge.

Business and/or professional experience:

Jane has 20+ years of experience in strategy, development, and consulting in education and refugee/migrant contexts across nonprofit, government, and business sectors, as well as teaching and research. Currently, Jane is an Adjunct Professor at the University of San Francisco in the Master in Migration Studies program; Chair of the Board of Directors at Refugee and Immigrant Transitions; and is in the process of co-founding a non-profit. She also provides strategic guidance to community leaders and social entrepreneurs in their efforts toward social impact. Jane's work for justice is motivated by a multi-generational family history of forced migration, resistance, and service. Her research is informed by Critical Refugee Studies and explores the intersection of coloniality and displacement through the lens of refugee experiences. She aims to amplify refugee/migrant epistemologies and community-led initiatives. In the past, she has been a Partner at Silicon Valley Social Venture Fund; and has served as Director of Strategy and Development at Refugee and Immigrant Transitions, Director of Resource Development and Senior Program Associate at WestEd's Center for Child and Family Services, Business Development Officer at the Canadian Consulate Trade Office in San Francisco, and Program Manager and Business Analyst in the Government and Education Management Systems group at American Management Systems.

Jane holds an EdD in International & Multicultural Education from the University of San Francisco; MA in International Educational Administration and Policy Analysis from Stanford University; MBA from Clarkson University; and BMATH from the University of Waterloo, Canada. She has also completed the Executive Program in Social Entrepreneurship from Stanford University's Graduate School of Business; and the International Summer School in Forced Migration at the Refugee Studies Centre, University of Oxford.

Civic Activities:

My civic engagement began in earnest in college. The theme of my involvement was about welcome, inclusion, and advocating for educational access and quality of education. I was involved in and led multiple student groups on campus and was often charged with representing students in various capacities. When working with administrative groups on campus, I was often the only female, the only person under 50, and the only non-white person in the room. So it was imperative that I be able to understand, channel, and represent the voices of the diverse communities I represented in ways that led to actionable change. These were important lessons to learn and practice and I've tried to carry them with me throughout my life since.

Beyond those early days, I have continued civic activities throughout my adult life, ranging from volunteering with grassroots INGOs working with refugees and migrants, to co-founding a couple of non-profits, to volunteering in classrooms, running board meetings, and cleaning school supplies and facilities... whatever and wherever the work requires. In addition to some of the volunteer roles referenced in previous sections, I've also served as a Regional Representative for Human Rights Educators USA, founding board member at Village Education Project, and board president and strategic planning chair at Glenridge Co-operative Nursery School for which I am honored to have received a certificate of honor from the Board of Supervisors in 2012.

The pandemic has affirmed for me the importance of place and community. My work in migration is by definition international, however the international aspect of my work flows through local communities and transnational extensions. As I look forward to where I want to serve, I am pulled to do so through these local roots. It would be an honor to continue my work alongside migrant communities through the Immigrant Rights Commission. Thank you for your time in considering my application.

Ms. Angela Calvillo
Office of the Clerk of the Board
1 Dr. Carlton B. Goodlett Place
City Hall, Room 244
San Francisco, CA 94102-4689

October 15, 2021

Dear Ms. Calvillo,

Please accept this letter as my application for appointment as Commissioner to the San Francisco Immigrant Rights Commission (seat 7 - to be held by an immigrant to the United States who is appointed in accordance with Section 4.101 of the Charter).

Born and raised in Ireland, I moved to San Francisco in 1999 and have worked in the nonprofit immigrant rights and community service sector since that time.

As part of my role as Executive Director of the San Francisco Irish Immigration Pastoral Center, I have designed, implemented and developed health, human service, education and employment programs for an immigrant community 30,000 strong. I have effectively built strong partnerships with City and private agencies including Healthy San Francisco, St. Mary's Hospital and Catholic Charities. Never were these partnerships as important as during COVID-19 when our City departments and our community partners came together even more cohesively to support our communities.

In 2012 I was appointed to Seat 7 of the Immigrant Rights Commission by the Rules Committee. I was elected to the position of Vice Chair by the IRC Executive Committee in October 2012 and to the position of Chair in January 2015. In the past nine years, the Commission has held comprehensive community hearings gathering testimony from the diverse San Francisco immigrant population on a variety of issues including quality of life, housing, education access, as well as roundtables with Consular staff to understand the issues that present to their offices.

From language rights to the Sanctuary Ordinance, shining a light on the economic impact of COVID 19 on our immigrant communities, to taking a lead role on Racial Equity, the Immigrant Rights Commission has worked with our community partners, and fellow commissions and City Departments to ensure inclusive, fair policies and conditions that make San Francisco as safe and welcoming place for all people to thrive.

It has been my honor to lead a diverse, engaged, skilled and hardworking Commission who are committed to our immigrant communities, to language access and to racial equity. They bring a combination of personal and professional experience with an unwavering dedication to making immigrant lives better.

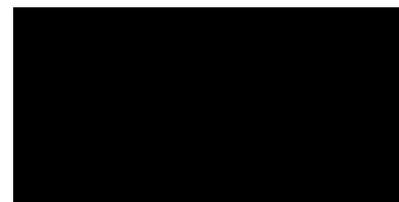

I believe I bring a diverse and valuable perspective to my role as Commissioner: as an immigrant, an executive director responsible for the day to day business operations and a community activist and organizer.

Thank you for your consideration. I look forward to the opportunity to continue to serve San Francisco in this capacity.

Yours sincerely,

Celine Kennelly

BOARD of SUPERVISORS

Application for Boards / Commissions / Committees / Task Forces INSTRUCTIONS AND APPLICATION

San Francisco is a diverse City and County with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available throughout our communities, various Boards/Commissions/Committees/Task Forces have been established to bring that knowledge together. These groups and their membership requirements are established by legislation approved through the local, state, and/or federal government.

In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person - in terms of desirable skills and/or knowledge - who can contribute their knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the City and County, can be active participants in addressing issues affecting the entire City and County.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

1. A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<http://www.sfbos.org/vacancy>). Please review this list for positions of interest.
2. Submit an application (http://www.sfbos.org/vacancy_application)
(List all of the appropriate seat number(s) and/or category/categories for which you qualify. We request applications be received ten (10) days before the scheduled hearing.)

Applicants may also need to submit a Form 700, Statement of Economic Interests (<https://www.fppc.ca.gov/Form700.html>), along with their application for all bodies listed in [Campaign and Governmental Conduct Code, Section 3.1-103\(a\)\(1\)](#).

3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee may schedule your application for review. Applicants should expect to appear before the Rules Committee to speak on their qualifications and answer questions during a public hearing.
(There are no set instructions on what you are expected to present to the Rules Committee; however, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, and/or a short summarization on why you would make a good candidate is appropriate.)
4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days from the date the Rules Committee makes their recommendation, for the individual to become officially appointed.
5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. If you require detailed information concerning the operations of a particular Board/Commission/Committee/Task Force, please contact the administering department directly.

(Applications must be submitted to BOS-Appointments@sfgov.org or to the mailing address listed above.)

I have had the privilege of serving on the Immigrant Rights Commission since 2017. Our Commission worked tirelessly during the Trump administration to support our immigrant communities in the face of a hostile President. We held countless special hearings to ensure we were providing real time recommendations to community leaders and our elected leaders as we navigating a storm of executive orders. Our hearings included responses to the Travel Ban, separation of children at the border, the ending of the DACA program, the Yemen Civil War, among others. Additional qualifications I bring to the table include my work as an attorney and my lived immigrant experience. I have been a practicing attorney since 2013, and served as a board member of the Iranian American Bar Association for 7-8 years. As a board member of the IABA, I worked with my fellow board members on various initiatives, including suing the Trump administration for the Travel Ban executive orders he signed. Today, I serve on the IABA's advisory board. Finally, I am a first generation Iranian American. I spent my formative years living the Muslim immigrant experience post-9/11 and the Bush Presidency. The backlash against the community during those years spurred me to become a community organizer and immigrant rights advocate. As a Commissioner, I have taken an intersectional approach to advocacy on behalf of all our immigrant communities as we fight to ensure equity in the American experience.

(Applications must be submitted to BOS-Appointments@sfgov.org or to the mailing address listed above.)

Business and/or Professional Experience:

Resident of San Francisco [checked] Yes [] No [] If No, place of residence:

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am Queer immigrant from Guatemala, Central America and I am 30 years old. I migrated from Guatemala at the age of 11 to California to an agricultural town named Turlock. I have been living in San Francisco for 10 years, I first came to SF State to become the first person to graduate with a Bachelors degree in the U.S. I have lived in the neighborhoods of the Sunset, Mission and now Bayview. I obtained my citizenship 4 years ago, so I am familiar with the path of naturalization and its hurdles. My main interests withing immigrant rights are immigrant reform, access to capital and financial resources and civic integration. I am also an artist and belong to an artist collective so cultural place keeping of immigrant artists in San Francisco is very important as well. During Covid-19 times I have also been a part of the Latino Task force who has been responding to the needs of our Latinx immigrant population in the city.

Business and/or professional experience:

I am currently the Community Leadership Development Manager at the Mission Economic Development Agency (MEDA) in San Francisco. I focus on the development of community leaders who are mostly monolingual Spanish speaking immigrants. I am also part of an artist collective called La Diaspora Cultural Fest where I take the roll of the Communications and Event Production Manager. This artist collective focuses on the development and promotion of artists who all come have immigrant background within the Latinx Diaspora. Previously to MEDA, I ran a community resource center, providing food services, shelter and other emergency related services in San Mateo county.

I graduated with a Bachelors degree in International Relations with a focus on Economic Development and I recently graduated from the Pete Garcia Economic Development Fellowship from University of Texas San Antonio, specifically geared to develop future Latinx Leaders through the National Association Latino Community Asset Builders.

Civic Activities:

In my current position I also have worked on several election campaigns, specifically focused on informing our immigrant illegible voters on how to register and how to vote. One of my most significant contributions is participating for the last 5 years in the campaign, implementation and education of prop N (2016). This law gave parents with kids in SFUSD the right to vote for School Board regardless of their immigrant status. I was also the chair of the Outreach Committee for the "Here to Stay" campaign spearheaded by the California Reinvestment Coalition, aimed to increase financial access and benefits for immigrants in California.

Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I have an extensive background in immigrant rights and economic justice. I bring an intersectional perspective on immigrant integration, access, health, asset building, and racial equity. As a DACA recipient, I had to overcome challenges and circumstances that shaped my leadership and commitment to immigrant rights.

Moreover, San Francisco has been my home for 20 years. I am honored for the opportunity to serve on the Immigrant Rights Commission and represent the immigrant community that has been disproportionately impacted by the pandemic. As a DACA recipient, I have lived experience and understanding of immigrants' challenges across San Francisco. As an immigrant leader, I have leveraged my own story as a tool for social change and to build pathways for immigrant integration. I am a graduate of Mission High School, hold a Master of Public Affairs, Certificate in Nonprofit Management, and a bachelor's in Political Science. I am also a graduate of the New Leaders Council and Aspen Institute scholar.

Business and/or professional experience:

I am honored to have the eligibility to apply as a candidate of the Immigrant Rights Commission and represent the immigrant community that has been disproportionately impacted by the pandemic. As a DACA recipient, I will bring lived experience and understanding of immigrants' challenges across San Francisco. As an Organizer at California Reinvestment Coalition, I co-found Here to Stay, a statewide coalition focused on removing California's economic and systemic barriers. Sarah developed key strategies to engage immigrant parents and youth from different backgrounds and integrated an inclusive approach to grassroots advocacy.

This community-based campaign model is primarily focused on engaging immigrant leaders to advocate for legislative and corporate reforms that promote economic equity, community wealth-building, and financial security for immigrants in California. As a result of my advocacy and joint efforts with statewide leaders, the Governor has signed the expansion of Earned Income Tax Credit to immigrant workers and asset building opportunities for immigrant workers.

Civic Activities:

I am an active member of the National League of United Latin American Citizens and have participated in the national Emerge Leadership Program for Latinx leaders. In 2019, I was appointed to the DCCC as the first Dreamer to serve on this body. I have been at the forefront of immigrant issues and worked on state legislation to amend the election code to allow noncitizens to run for delegates. As a member of the San Francisco Democratic Party, I have introduced a resolution to allow noncitizens to have full membership to the California Democratic Party and other leadership positions. As a result of my advocacy, I have built momentum for immigrant inclusion and integration.

Appointed to Seat #: _____ Term Expires: _____ Date Seat was Vacated: _____

Sarah Souza is reapplying for Seat 10 to continue her work on the Immigrant Rights Commission. Due to her commitment and consistent advocacy to advance immigrant rights in San Francisco, she led on crucial issues affecting the immigrant community and has recently been confirmed to chair the Language Access Committee. Sarah has the understanding and lived experience which is essential to tackling disproportionate challenges facing immigrant-owned small businesses and working families. Also, she proudly serves as the President of La Raza Community Resource Center and Young Vice-President of the Chicano Latino Caucus.

Sarah Souza immigrated from Brazil to San Francisco at the age of 15. She has extensively organized to bring low-income immigrants and the most marginalized communities the tools to overcome financial barriers. Sarah Souza has been at the forefront of immigrant rights at the national, state, and local levels. She has been fighting immigrant communities for over a decade and has met with multiple congressional members to advocate for humane reform and justice for all 11 million families.

She organized a statewide coalition focused on addressing economic and systemic barriers in California affecting low-income immigrant families. Sarah developed key strategies to engage immigrant parents and youth from different backgrounds and integrated an inclusive approach to grassroots advocacy. This community-based campaign model primarily engaged immigrant leaders to advocate for legislative and corporate reforms that promote economic equity, community wealth-building, and financial security for immigrants in California. As a result of her advocacy and joint efforts with statewide leaders, the Governor has signed the expansion of Earned Income Tax Credit to immigrant workers. As a statewide leader, she brought her intersectional perspective on immigrant integration in California as a model to the entire country.

In 2019, she was appointed to the DCCC as the first Dreamer to serve on this body. During her term as a member of the San Francisco Democratic Party, she introduced resolutions in support of the public bank, strengthening the Community Reinvestment Act, immigrant inclusion within the state party, mental health support for immigrant students, and supported measures to advance racial equity. In addition, she actively advocated for a state public bank focused on equitable reinvestment for immigrants and people of color.

As a San Francisco Democratic Party member, Sarah introduced a resolution to allow noncitizens full membership to the California Democratic Party. As a result, the Bylaws Amendment has been partially adopted to allow noncitizens to be appointed as a

delegate. She is leading efforts to advance full party membership, including getting elected for delegate and equitable participation. She was also appointed to the California Democratic Party's Rules Committee to continue her work on strengthening the ADEMS process and making it more inclusive. Recently, SB714 was signed into law granting aspiring citizens the right to get elected for county central committees across California due to Souza's tireless advocacy and commitment to ensuring immigrants have a seat at the table.

As the Co-Chair of SF Commissions for All, she led the campaign to pass a charter amendment to remove voter registration requirements to allow San Franciscans, regardless of immigration status, to serve on local boards and commissions. In partnership with immigrant-led organizations and leaders, Proposition C passed, allowing all San Franciscans to have a seat at the table. As part of Sarah Souza's vision to expand efforts for inclusive civic engagement, she is working on community outreach to promote the importance of representation in local government.

She is a graduate of Mission High School, holds a Master of Public Affairs, Certificate in Nonprofit Management, and a bachelor's in Political Science. Furthermore, she is a graduate of the New Leaders Council and Aspen Institute scholar. She is an active member of the National League of United Latin American Citizens and has participated in the national Emerge Leadership Program for Latinx leaders. Additionally, she served as the San Francisco Latinx Democratic Club president for two years, engaging voters in the 2020 Presidential election.

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

My name is Daishi Miguel Tanaka. I am a 23-year old Japanese-Filipino undocumented San Francisco resident. My family and I migrated to the United States in 2004 and faced financial and legal challenges as low-wage undocumented laborers. In high school, I became protected under DACA and received the right to legally work, drive, and thereby provide for my family. This experience inspired a life-long mission to create public policy to help immigrants achieve their American Dreams. Last year, I became the first college graduate in my family, earning a degree with honors in government studies from Harvard University.

During college, I became involved as a student leader organizing undocumented students to push the campus administration to provide more resources, support, and protection for students impacted by restrictive immigration policies. This experience motivated me to look beyond my campus community and pursue advocacy work in non-profit organizations like the American Civil Liberties Union (ACLU) and the Immigration Center for Women and Children. Experiences in organizing, policy research, and direct legal services cultivated a commitment to creating systemic change for immigrants throughout this country.

Today, I am a resident of the Sunset District and a public servant for the City and County of San Francisco. I had the privilege of being selected as a member of the San Francisco Fellows program, which brings recent college graduates into a year of service with various City departments. I work at the SFMTA, shaping an \$89 million transportation innovation project to offer multilingual customer information on new digital signs across the city. I'm passionate about meeting with community organizations, Muni customers, and my Sunset neighbors, deeply listening to their concerns about public transit and responding with what we're working on to fix those issues. I love showing that government isn't some far away black box, but a kind smile who lives next door. That's the Commissioner I want to become-- someone who listens. Someone who answers. Someone that is an extension of their community.

As a Commissioner during the COVID-19 recovery period, I hope to perform the role with empathy, adaptability, and responsiveness to the expressed needs of immigrant residents, community organizations, and service providers. Through this advisory role, I will take initiative on issues such as supporting the Office of Civic Engagement and Immigrant Affairs and the Economic Recovery Task Force to further explore innovative methods of financial empowerment such as the immigrant worker-owned cooperative model. I am also eager to assist the Language Access Unit's efforts to ensure that compliance is more consistent across City departments. As the national election may galvanize further momentum on a permanent solution for undocumented Americans, I look forward to highlighting the voices of undocumented youth in San Francisco with and without DACA.

Business and/or professional experience:

Compared to San Francisco as a whole, my Sunset community has higher rates of residents identifying as senior, foreign-born, Asian, or living in limited-English speaking households. 42% of Sunset residents are immigrants compared to 34% city-wide, and 53% identify as Asian compared to 34% of the city's population. As a public servant, I believe in the responsibility to make government services more accessible and ensure immigrants and communities of color are at the forefront of decision making.

In 2019, I was selected as a San Francisco Fellow one of 18 young, early-career public servants chosen out of 750-800 applicants each year. I work in the Intelligent Transportation Systems team at the SFMTA, leading several projects in an \$89 million transit innovation initiative to modernize the Muni's customer information system. With a talented team, I manage the project's Language Access Ordinance compliance and lead the development of multilingual customer information, enabling character-based languages like Chinese to be displayed on the future upgrade of all digital signs at bus shelters and subways. I also lead the development of a multilingual mobile trip planning app to increase access to real-time information. Given that not all seniors use smartphones, I lead the development of environmentally-sustainable solar-powered signs to provide real-time transit information in neighborhoods with a higher proportion of immigrants and seniors.

Before working at the SFMTA, I worked at the American Civil Liberties Union (ACLU) and supported its Immigrant Rights Project by conducting policy research to expand Sanctuary City advocacy campaigns to more jurisdictions in California. I gained direct-service experience at the Immigration Center for Women and Children and helped over 70 vulnerable migrants and their families advance their cases to gain legal status under the Special Juvenile Immigrant Status, Violence Against Women Act, and U-Visa categories.

Civic Activities:

Before working for the City, I was a grassroots organizer at Act on a Dream, transforming a small student group into Harvard University's largest immigrant rights organization. In partnership with campus activists and university staff, I spearheaded advocacy campaigns that won resources for undocumented students. As a result, our team was able to establish the university's first immigration attorney to represent all undocumented students, hire dedicated administrative staff to provide supportive programming, and build partnerships to create a sanctuary church a safe haven in preparation for ICE raids. I've been an outspoken advocate for DACA recipients and, as a student activist, I was featured in various media publications including CNN, NBC, and Business Insider.

In November 2019, I spoke at the San Francisco Immigrant Rights Commission urging the City to protect DACA-holding City employees, and I became one of the few City workers in history to come out as DACAmented on public record. On a neighborhood level at the Sunset District, I have participated in focus groups like the Sunset Forward initiative by the San Francisco Planning Department and the Office of Supervisor Gordon Mar. I also serve as a mentor of the DreamSF Mentorship Program that supports undocumented youth through the Office of Civic Engagement and Immigrant Affairs.

Administrative Code, Section 5.201 (Ordinance No. 211-97)

Board Qualifications:

The Immigrant Rights Commission consists of fifteen (15) voting members. Eleven (11) voting members are appointed by the Board of Supervisors and the other four (4) voting members are appointed by the Mayor.

At least eight (8) members shall be immigrants to the United States who are appointed in accordance with Charter, Section 4.101. It has been past practice that six (6) of the immigrant members are appointed by the Board of Supervisors and two (2) immigrant members are appointed by the Mayor. All members must have a demonstrated knowledge of and interest in the health, human service, educational, or employment issues that affect immigrants residing in San Francisco and shall reflect the geographic, ethnic, and sexual orientation population of San Francisco.

The term of each member of the Commission shall be two years; provided, however, that the members first appointed shall, by lot, classify their terms so that eight (8) members shall serve a term of three years and seven (7) members shall serve a term of two years. In the event a vacancy occurs during the term of office of any member, a successor shall be appointed to complete the unexpired term of the office vacated in a manner similar to that for the initial member.

The Immigrant Rights Commission shall advise and make recommendations to the Board of Supervisors and the Mayor about issues affecting immigrants residing in San Francisco.

Executive Summary

In 2008, San Francisco voters overwhelmingly approved a City Charter Amendment (section 4.101) establishing as City policy for the membership of Commissions and Boards to reflect the diversity of San Francisco’s population, and that appointing officials be urged to support the nomination, appointment, and confirmation of these candidates. Additionally, it requires the San Francisco Department on the Status of Women to conduct and publish a gender analysis of Commissions and Boards every two years.

The *2019 Gender Analysis of Commissions and Boards* includes more policy bodies such as task forces, committees, and advisory bodies, than previous analyses, which were limited to Commissions and Boards. Data was collected from 84 policy bodies and from a total of 741 members mostly appointed by the Mayor and Board of Supervisors. These policy bodies fall under two categories designated by the San Francisco Office of the City Attorney.¹ The first category, referred to as “Commissions and Boards,” are policy bodies with decision-making authority and whose members are required to submit financial disclosures to the Ethics Commission. The second category, referred to as “Advisory Bodies,” are policy bodies with advisory function whose members do *not* submit financial disclosures to the Ethics Commission. This report examines policy bodies and appointees both comprehensively as a whole and separately by the two categories.

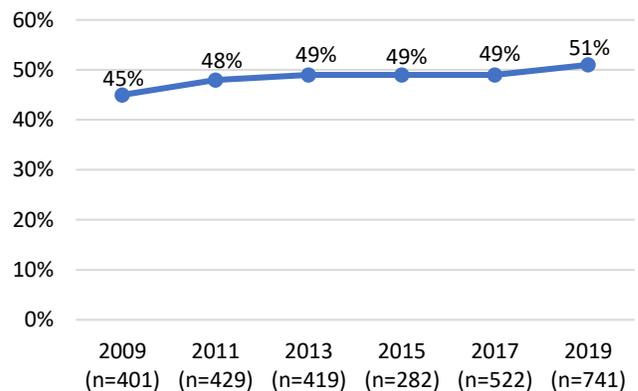

The *2019 Gender Analysis* evaluates the representation of women; people of color; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) individuals; people with disabilities; and veterans on San Francisco policy bodies.

Key Findings

Gender

- Women’s representation on policy bodies is 51%, slightly above parity with the San Francisco female population of 49%.
- Since 2009, there has been a small but steady increase in the representation of women on San Francisco policy bodies.

Race and Ethnicity

- People of color are underrepresented on policy bodies compared to the population. Although people of color comprise 62% of San Francisco’s population, just 50% of appointees identify as a race other than white.
- While the overall representation of people of color has increased between 2009 and 2019, as the Department collected data on more appointees, the representation of people of color has decreased over the last few years. The percentage of appointees of color decreased from 53% in 2017 to 49% in 2019.
- As found in previous reports, Latinx and Asian groups are underrepresented on San Francisco policy bodies compared to the population. Latinx individuals are 14% of the population but make up only 8% of appointees. Asian individuals are 31% of the population but make up only 18% of appointees.

Source: SF DOSW Data Collection & Analysis.

Race and Ethnicity by Gender

- On the whole, women of color are 32% of the San Francisco population, and 28% of appointees. Although still below parity, 28% is a slight increase compared to 2017, which showed 27% women of color appointees.
- Meanwhile, men of color are underrepresented at 21% of appointees compared to 31% of the San Francisco population.
- Both White women and men are overrepresented on San Francisco policy bodies. White women are 23% of appointees compared to 17% of the San Francisco population. White men are 26% of appointees compared to 20% of the population.
- Black and African American women and men are well-represented on San Francisco policy bodies. Black women are 9% of appointees compared to 2.4% of the population, and Black men are 5% of appointees compared to 2.5% of the population.
- Latinx women are 7% of the San Francisco population but 3% of appointees, and Latinx men are 7% of the population but 5% of appointees.
- Asian women are 17% of the San Francisco population but 11% of appointees, and Asian men are 15% of the population but just 7% of appointees.

Additional Demographics

- Out of the 74% of appointees who responded to the survey question on LGBTQ identity, 19% identify as lesbian, gay, bisexual, transgender, nonbinary, queer, or questioning, and 81% of appointees identify as straight/heterosexual.
- Out of the 70% of appointees who responded to the question on disability, 11% identify as having one or more disabilities, which is just below the 12% of the adult population with a disability in San Francisco.
- Out of the 67% of appointees who responded to the question on veteran status, 7% have served in the military compared to 3% of the San Francisco population.

Proxies for Influence: Budget & Authority

- Although women are half of all appointees, those Commissions and Boards with the largest budgets have fewer women and especially fewer women of color. Meanwhile, women exceed representation on Boards and Commissions with the smallest budgets and women of color reach parity with the population on the smallest budgeted Commissions and Boards.
- Although still underrepresented relative to the San Francisco population, there is a larger percentage of people of color on Commissions and Boards with both the largest and smallest budgets compared to overall appointees.
- The percentage of total women is greater on Advisory Bodies than Commissions and Boards. Women are 54% of appointees on Advisory Bodies and 48% of appointees on Commissions and Boards. However, the percentages of people of color and women of color on Commissions and Boards exceed the percentages of people of color and women of color on Advisory Bodies.

Appointing Authorities

- Mayoral appointments include 55% women, 52% people of color, and 30% women of color, which is more diverse by gender and race compared to both Supervisorial appointments and total appointments.

Demographics of Appointees Compared to the San Francisco Population

	Women	People of Color	Women of Color	LGBTQ	Disability Status	Veteran Status
San Francisco Population	49%	62%	32%	6%-15%*	12%	3%
Total Appointees	51%	50%	28%	19%	11%	7%

I. Introduction

Inspired by the 4th UN World Conference on Women in Beijing, San Francisco became the first city in the world to adopt a local ordinance reflecting the principles of the U.N. Convention on the Elimination of All Forms of Discrimination (CEDAW), an international bill of rights for women. The CEDAW Ordinance was passed unanimously by the San Francisco Board of Supervisors and signed into law by Mayor Willie L. Brown, Jr. on April 13, 1998.² In 2002, the CEDAW Ordinance was revised to address the intersection of race and gender and incorporate reference to the UN Convention on the Elimination of all Forms of Race Discrimination. The Ordinance requires City Government to take proactive steps to ensure gender equity and specifies “gender analysis” as a preventive tool to identify and address discrimination. Since 1998, the Department on the Status of Women has employed this tool to analyze the operations of 10 City Departments using a gender lens.

In 2007, the Department on the Status of Women conducted the first gender analysis to evaluate the number of women appointed to City Commissions and Boards. The findings of this analysis informed a City Charter Amendment developed by the Board of Supervisors for the June 2008 Election. This City Charter Amendment (Section 4.101) was overwhelmingly approved by voters and made it city policy that:

- The membership of Commissions and Boards are to reflect the diversity of San Francisco’s population,
- Appointing officials are to be urged to support the nomination, appointment, and confirmation of these candidates, and
- The Department on the Status of Women is required to conduct and publish a gender analysis of Commissions and Boards every 2 years.

The *2019 Gender Analysis* examines the representation of women; people of color; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) individuals; people with disabilities; and veterans on San Francisco policy bodies primarily appointed by the Mayor and the Board of Supervisors. This year’s analysis included more outreach to policy bodies as compared to previous analyses that were limited to Commissions and Boards. As a result, more appointees were included in the data collection and analysis than even before. These policy bodies fall under two categories designated by the San Francisco Office of the City Attorney. The first category, referred to as “Commissions and Boards,” are policy bodies with decision-making authority and whose members are required to submit financial disclosures to the Ethics Commission, and the second category, referred to as “Advisory Bodies,” are policy bodies with advisory function whose members do not submit financial disclosures to the Ethics Commission. A detailed description of methodology and limitations can be found at the end of this report on page 23.

II. Gender Analysis Findings

Many aspects of San Francisco’s diversity are reflected in the overall population of appointees on San Francisco policy bodies. The analysis includes 84 policy bodies, of which 823 of the 887 seats are filled leaving 7% vacant. As outlined below in the summary chart, slightly more than half of appointees are women, half of appointees are people of color, 28% are women of color, 19% are LGBTQ, 11% have a disability, and 7% are veterans.

Figure 1: Summary Data of Policy Body Demographics, 2019

Appointee Demographics	Percentage of Appointees
Women (n=741)	51%
People of Color (n=706)	50%
Women of Color (n=706)	28%
LGBTQ Identified (n=548)	19%
People with Disabilities (n=516)	11%
Veteran Status (n=494)	7%

However, further analysis reveals underrepresentation of particular groups. Subsequent sections present comprehensive data analysis providing comparison to previous years, detailing the variables of gender, race/ethnicity, LGBTQ identity, disability, veteran status, and policy body characteristics of budget size, decision-making authority, and appointment authority.

A. Gender

On San Francisco policy bodies, 51% of appointees identify as women, which is slightly above parity compared to the San Francisco female population of 49%. The representation of women remained stable at 49% from 2013 until 2017. This year, the representation of women increased by 2 percentage points, which could be partly due to the larger sample size used in this year’s analysis compared to previous years. A 10-year comparison shows that the representation of women appointees has gradually increased since 2009 by a total of six percentage points.

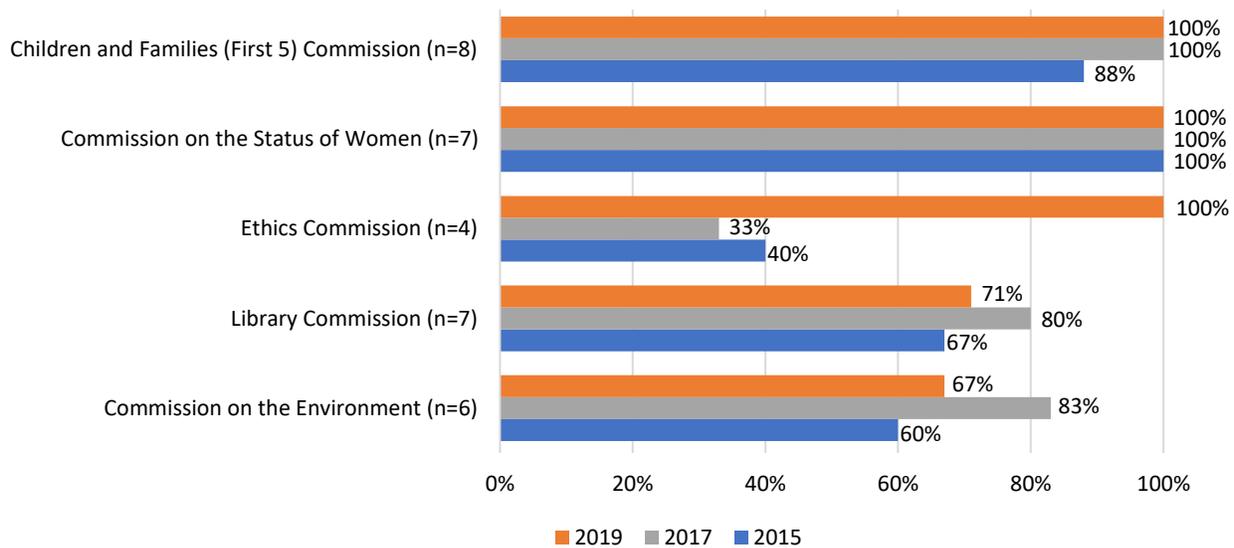

Figure 2: 10-Year Comparison of Representation of Women on Policy Bodies

Source: SF DOSW Data Collection & Analysis.

Figures 3 and 4 analyze Commissions and Boards. Figure 3 showcases the five Commissions and Boards with the highest representation of women appointees as compared to 2015 and 2013. The Children and Families (First Five) Commission and the Commission on the Status of Women are currently comprised of all women appointees. This finding has been consistent for the Commission on the Status of Women in 2015 and 2017. While the Ethics Commission has 100% women appointees, much more than 2015 and 2017, its small size of five appointees means that minimal changes in its demographic composition greatly impacts percentages. This is also the case for other policy bodies with a small number of members. The Library Commission and the Commission on the Environment are fourth and fifth on the list at 71% and 67% women, respectively, with long standing female majorities on each.

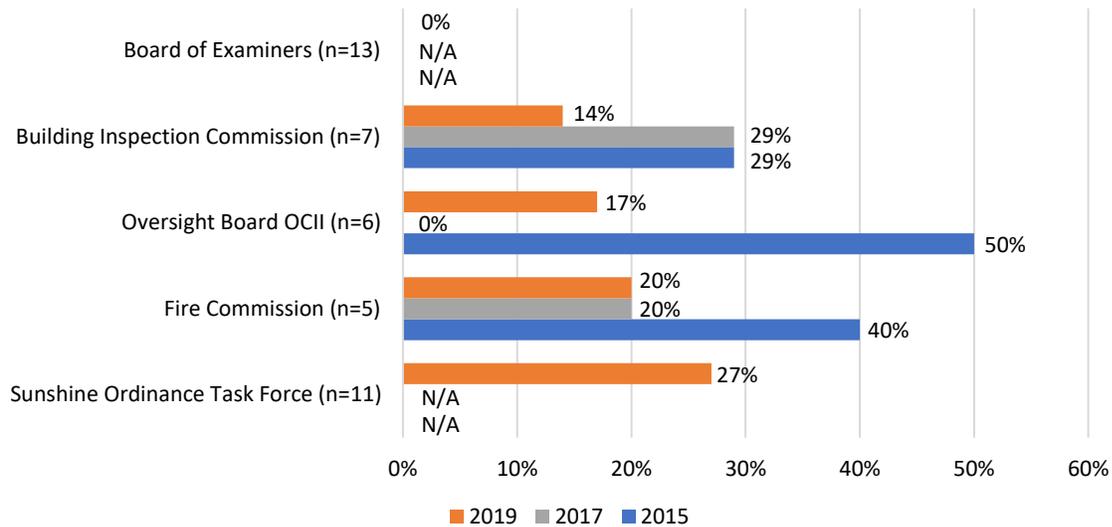

Figure 3: Commissions and Boards with Highest Percentages of Women, 2019 Compared to 2017, 2015

Source: SF DOSW Data Collection & Analysis.

Out of the Commissions and Boards in this section, 23 have 40% or less women. The five Commissions and Boards with the lowest representation of women are displayed in Figure 4. The lowest percentage is found on the Board of Examiners where currently *none* of the 13 appointees are women. Unfortunately, demographic data is unavailable for the Board of Examiners for 2017 and 2015. Next is the Building Inspection Commission at 14%, which is a decrease of female representation compared to 2017 and 2015. The Oversight Board of Community Investment and Infrastructure, Fire Commission, and Sunshine Ordinance Task Force also have some of the lowest percentages of women at 17%, 20%, and 27%, respectively. Unfortunately, the Sunshine Ordinance Task Force did not participate in previous analyses and therefore demographics data is unavailable for 2017 and 2015.

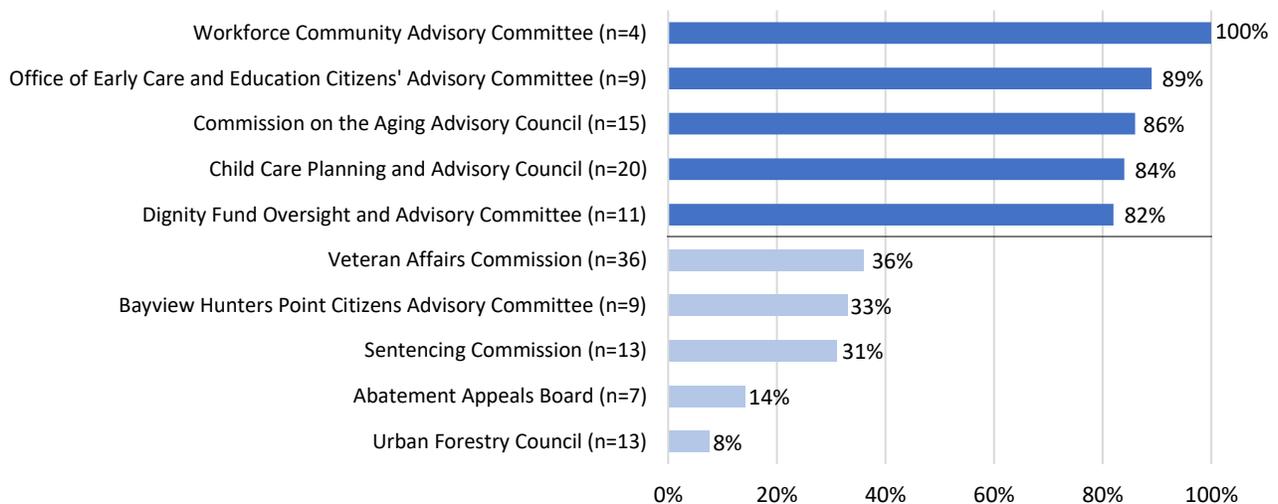

Figure 4: Commissions and Boards with Lowest Percentage of Women, 2019 Compared to 2017, 2015

Source: SF DOSW Data Collection & Analysis.

In addition to Commissions and Boards, Advisory Bodies were examined for the highest and lowest percentages of women. This is the first year such bodies have been included, thus comparison to previous years is unavailable. Figure 9 below displays the five Advisory Bodies with the highest and the five with the lowest representations of women. The Workforce Community Advisory Committees has the greatest representation of women at 100%, followed by the Office of Early Care and Education Citizen’s Advisory Committee at 89%. The Advisory Bodies with the lowest percentage of women are the Urban Forestry Council at 8% of the 13-member body and the Abatement Appeals Board at 14% of the 7-member body.

Figure 5: Advisory Bodies with the Highest and Lowest Percentage of Women, 2019

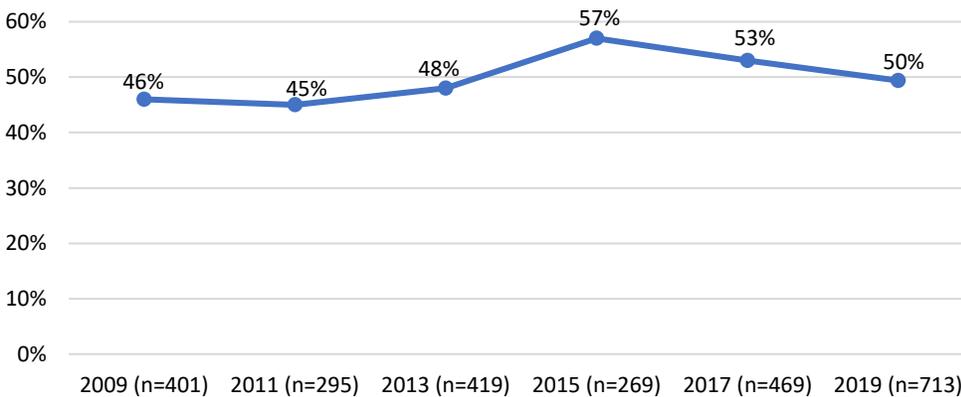

Source: SF DOSW Data Collection & Analysis.

B. Race and Ethnicity

Data on racial and ethnic identity was collected for 706, or 95%, of the 741 surveyed appointees. Although half of appointees identify as a race or ethnicity other than white or Caucasian, people of color are still underrepresented compared to the San Francisco population of 62%. The representation of people of color has increased since 2009 but has decreased following 2015. The number of appointees analyzed increased substantially in 2017 and 2019 compared to 2015, and these larger data samples have coincided with smaller percentages of people of color. The percentage decrease following 2017 could be partially due to the inclusion of more policy and advisory bodies, as the representation of people of color on Commissions and Boards dropped only slightly from 53% in 2017 to 52% in 2019.

Figure 6: 10-Year Comparison of Representation of People of Color on Policy Bodies

Source: SF DOSW Data Collection & Analysis.

The racial and ethnic breakdown of policy body members compared to the San Francisco population is shown in Figure 7. This analysis reveals underrepresentation and overrepresentation in San Francisco policy bodies for certain racial and ethnic groups. Half of all appointees are white, an overrepresentation by more than 10 percentage points. The Black and African American community is well represented on appointed policy bodies at 14% compared to 5% of the population of San Francisco. Characterizing this as an overrepresentation is inaccurate given the representation of Black or African American people on policy bodies has been consistent over the years while the San Francisco population has declined over the same period.³ Furthermore, the most recent nationwide estimate for the Black or African American population is 13%, which is nearly equal to the 14% of Black or African American appointees present on San Francisco policy bodies.⁴

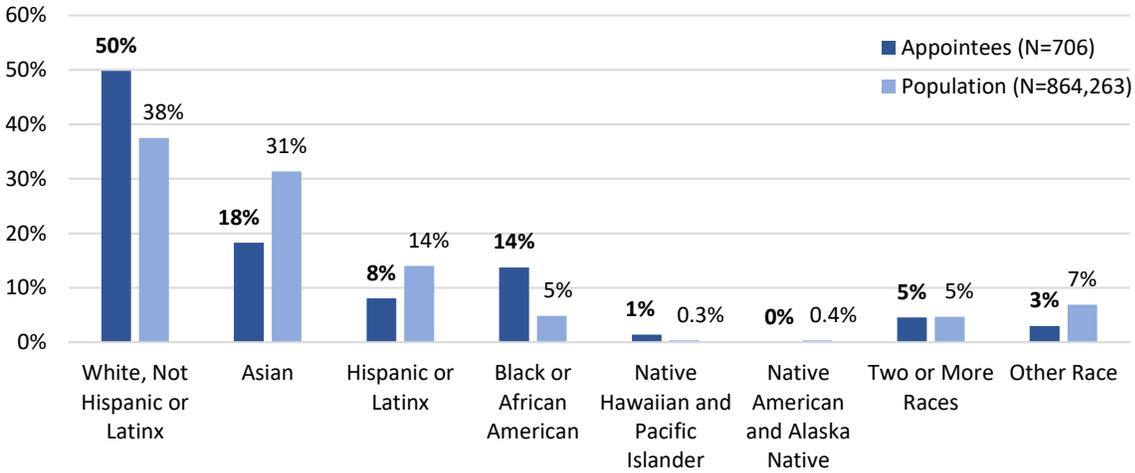

Considerably underrepresented racial and ethnic groups on San Francisco policy bodies compared to the San Francisco population are individuals who identify as Asian or Latinx. While Asians are 31% of the San Francisco population, they only make up 18% of appointees. While the Latinx population of San Francisco is 14%, only 8% of appointees are Latinx. Although there is a small population of Native

Americans and Alaska Natives in San Francisco of 0.4%, none of the surveyed appointees identified themselves as such.

The next two graphs illustrate Commissions and Boards, and Advisory Bodies with the highest and lowest percentages of people of color. As shown in Figure 8, the Commission on Community Investment and Infrastructure remained at 100% from 2017, while the Juvenile Probation Commission has returned to 100% this year after a dip in 2017. Next is the Health Commission, Immigrant Rights Commission, and Housing Authority Commission at 86%, 85%, and 83%, respectively. Percentages of people of color on both the Health Commission and the Housing Authority Commission increased following 2015, and have remained consistent since 2017.

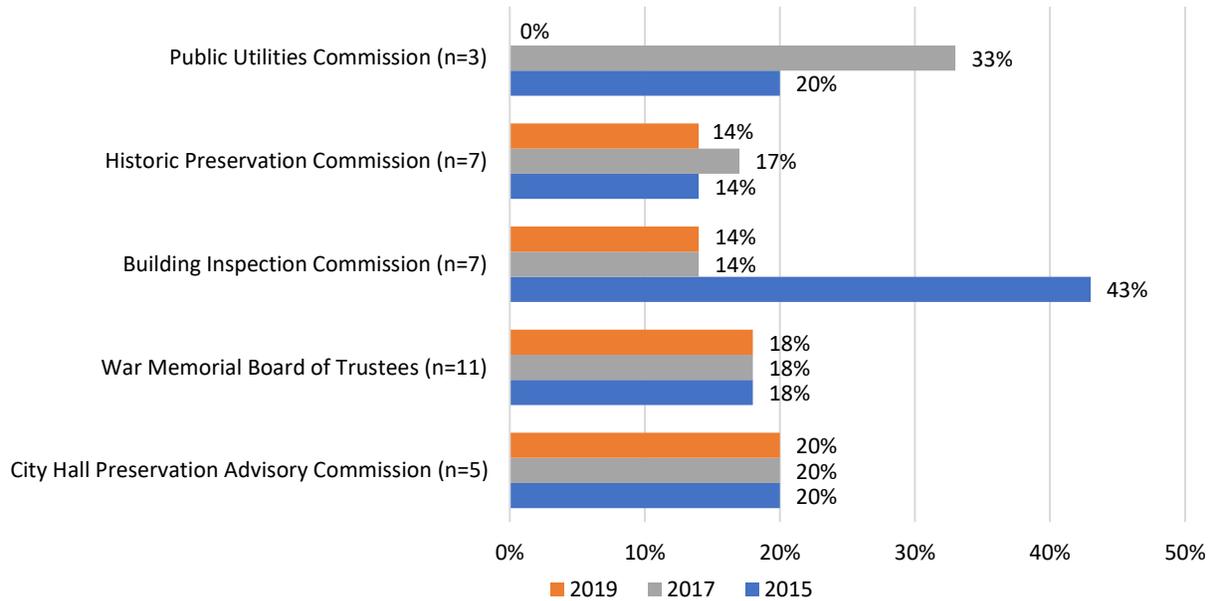

Figure 8: Commissions and Boards with Highest Percentage of People of Color, 2019 Compared to 2017, 2015

Source: SF DOSW Data Collection & Analysis.

There are 23 policy bodies that have 40% or less appointees who identified a racial and ethnic category other than white. Although the Public Utilities Commission has two vacancies, *none* of the current appointees identify as people of color. The Historic Preservation Commission and Building Inspection Commission are both at 14% representation for people of color. The Building Inspection Commission had a large drop from 43% in 2015, with the percentage of people of color decreasing to 14% in 2017 and remaining at this percent for 2019. Lastly, the War Memorial Board of Trustees and City Hall Preservation Advisory Commission have 18% and 20%, respectively.

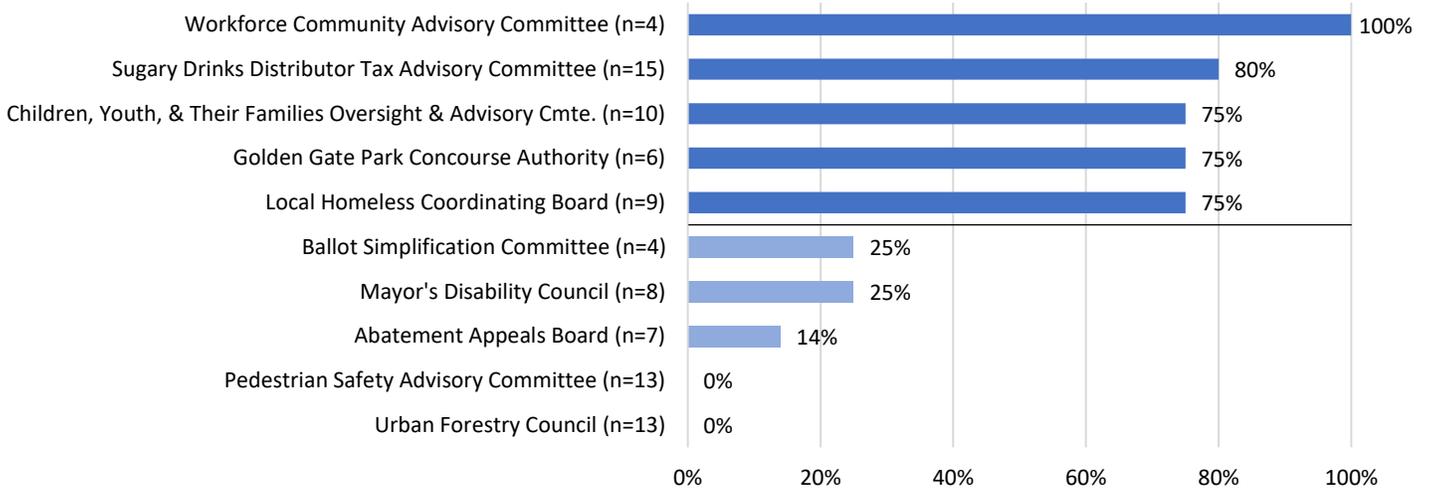

Figure 9: Commissions and Boards with Lowest Percentage of People of Color, 2019 Compared to 2017, 2015

In addition to Commissions and Boards, Advisory Bodies were examined for the highest and lowest percentages of people of color. This is the first year such bodies have been included, thus comparison to previous years is unavailable. All members of the Workforce Community Advisory Committee are people of color. People of color comprise 80% of the Sugary Drinks Distributor Tax Advisory Committee, and 75% of appointees on the Children, Youth and Their Families Oversight and Advisory Committee, the Golden Gate Park Concourse Authority, and the Local Homeless Coordinating Board. Out of the five Advisory Bodies with the lowest representation of people of color, the Ballot Simplification Committee and the Mayor’s Disability Council have 25% appointees of color, and the Abatement Appeals Board has 14% appointees of color. The Urban Forestry and the Pedestrian Safety Advisory Committee have no people of color currently serving.

C. Race and Ethnicity by Gender

White men and women are overrepresented on San Francisco policy bodies, while Asian and Latinx men and women are underrepresented. While women of color continue to be underrepresented at 28% compared to the San Francisco population of 32%, this is a slight increase from 2017 which showed 27% women of color. Meanwhile, men of color are 21% of appointees compared to 31% of the San Francisco population.

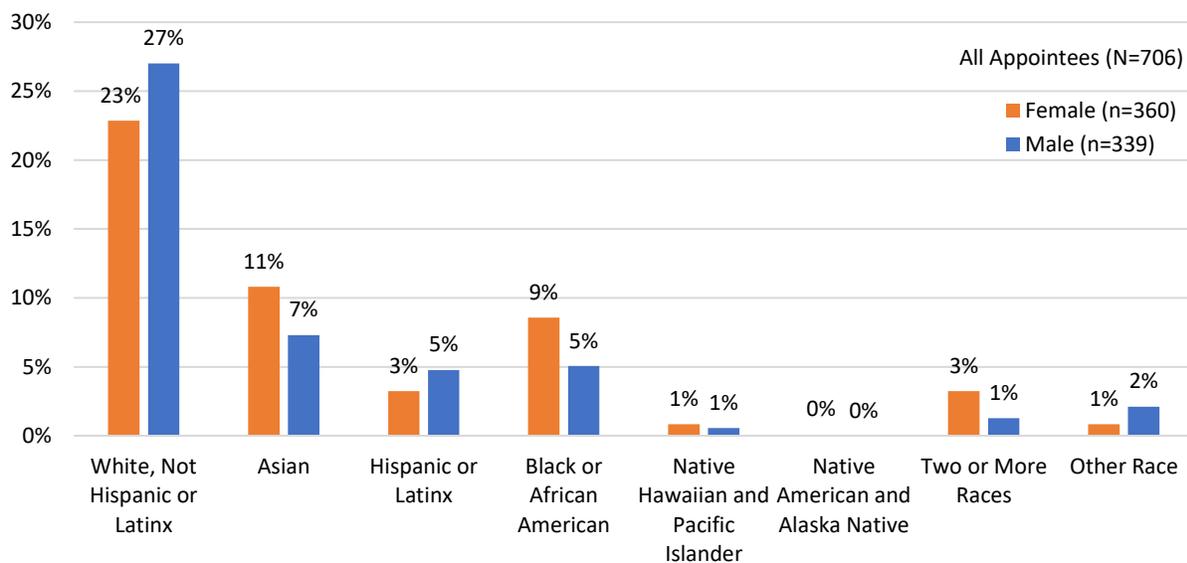

Figure 11: 10-Year Comparison of Representation of Women of Color on Policy Bodies

The following figures present the breakdown for appointees and the San Francisco population by race and ethnicity and gender. White men and women are overrepresented, holding 27% and 23% of appointments, respectively, compared to 20% and 17% of the population, respectively. Asian men and women are both greatly underrepresented with Asian women making up 11% of appointees compared to 17% of the population while Asian men comprise 7% of appointees and 15% of the population. Latinx men and women are also underrepresented, particularly Latinx women, who are 3% of appointees and 7% of the population, while Latinx men are 5% of appointees and 7% of the population. Black or African American men and women are well-represented with Black women comprising 9% of appointees and Black men comprising 5% of appointees. Pacific Islander men and women, and multiethnic women also exceed parity with the population. Although Native American men and women make up only 0.4% of San Francisco’s population, none of the surveyed appointees identified themselves as such.

D. LGBTQ Identity

Lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) identity data was collected from 548, or 75%, of the 741 surveyed appointees, which is much more data on LGBTQ identity compared to previous reports. Due to limited and outdated information on the population of the LGBTQ community in San Francisco, it is difficult to adequately assess the representation of the LGBTQ community. However, compared to available San Francisco, larger Bay Area, and national data, the LGBTQ community is well represented on San Francisco policy bodies. Recent research estimates the national LGBT population is 4.5%.⁵ The LGBT population of the San Francisco and greater Bay Area is estimated to rank the highest of U.S. cities at 6.2%,⁶ while a 2006 survey found that 15.4% of adults in San Francisco identify as LGBT⁷.

Of the appointees who responded to this question, 19% identify as LGBTQ and 81% identify as straight or heterosexual. Of the LGBTQ appointees, 48% identify as gay, 23% as lesbian, 17% as bisexual, 7% as queer, 5% as transgender, and 1% as questioning. Data on LGBTQ identity by race was not captured. Efforts to capture data on LGBTQ identity by race for future reports would enable more intersectional analysis.

E. Disability Status

Overall, 12% of adults in San Francisco have one or more disabilities, and when broken down by gender, 6.2% are women and 5.7% are men. Disability data for transgender and gender non-conforming individuals in San Francisco is currently unavailable. Data on disability was obtained from 516, or 70%, of the 714 appointees who participated in the survey. Of the 516 appointees, 11.2% reported to have one

or more disabilities, which is near parity with the San Francisco population. Of the 11.2% appointees with one or more disabilities, 6.8% are women, 3.9% are men, 0.4% are trans women, and 0.2% are trans men.

F. Veteran Status

Overall, 3.2% of the adult population in San Francisco has served in the military. There is a considerable difference by gender, as male veterans are 3% and female veterans are 0.2% of the population. Data on veteran status was obtained from 494, or 67%, of appointees who participated in the survey. Of the 494 appointees who responded to this question, 7.1% have served in the military. Like the San Francisco population, there is a large difference by gender, as men comprise 5.7% and women make up only 1.2% of the total number of veteran appointees. Of participating appointees, 0.2% of veterans are trans women. Veteran status data on transgender and gender non-conforming individuals in San Francisco is currently unavailable.

G. Policy Bodies by Budget

This report also examines whether policy bodies with the largest and smallest budget sizes and other characteristics are demographically representative of the San Francisco population. In this section, budget size is used as a proxy for influence. Although this report has expanded the scope of analysis to include more policy bodies compared to previous reports, this section of analysis was limited to Commissions and Boards with decision-making authority and whose members file financial disclosures with the Ethics Commission. The purpose of this analysis is to evaluate the demographics for the spectrum of budgetary influence of policy bodies with decision-making authority in San Francisco.

Overall, appointees from the 10 largest budgeted Commissions and Boards are 55% people of color, 41% women, and 23% women of color. Appointees from the 10 smallest budgeted Commissions and Boards are 54% people of color, 52% women, and 32% women of color. Although still below parity with the San Francisco population, the representation of people of color on both the largest and smallest budgeted policy bodies is greater than the percentage of people of color for all appointees combined (50%). For women and women of color, their representation meets or exceeds parity with the population on the 10 smallest budgeted bodies. However, it falls far below parity for the 10 largest budgeted bodies. The representation of total women and women of color is greater on smaller budgeted policy bodies by 27%, and 39%, respectively.

H. Comparison of Advisory Body and Commission and Board Demographics

The comparison of the two policy body categories in this section provides another proxy for influence, as Commissions and Boards whose members file disclosures of economic interest have greater decision-making authority in San Francisco than Advisory Bodies whose members do not file economic interest disclosures. The percentages of total women, LGBTQ people, people with disabilities, and veterans are larger for total appointees on Advisory Bodies. However, the percentages of women of color and people of color on Commissions and Boards slightly exceeds the percentages of women of color and people of color on Advisory Bodies.

Figure 23: Demographics of Appointees on Commission and Boards and Advisory Bodies, 2019

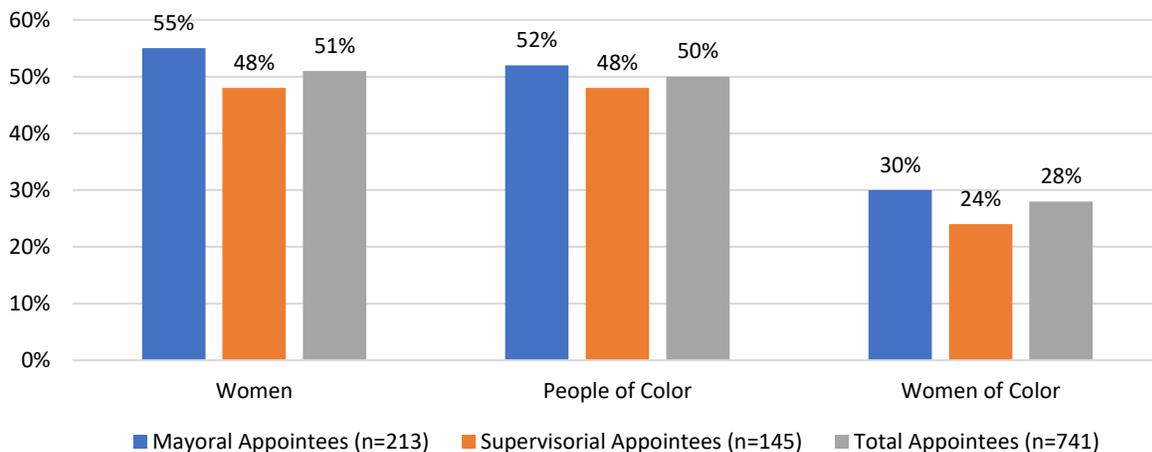

Source: SF DOSW Data Collection & Analysis.

I. Demographics of Mayoral, Supervisorial, and Total Appointees

Figure 24 compares the representation of women, women of color, and people of color for appointments made by the Mayor, Board of Supervisors, and by the total of all approving authorities combined. Mayoral appointments are more diverse, and consist of more women, women of color, and people of color compared to Supervisorial appointments. Mayoral appointments include 55% women, 30% women of color, and 52% people of color, while Supervisorial appointments are 48% women, 24% women of color, and 48% people of color. The total of all approving authorities combined average out at 51% women, 28% women of color, and 50% people of color. This disparity in diversity between Mayoral and Supervisorial appointments may be due in part to the appointment section process for each authority. The 11-member Board of Supervisors only sees applicants for specific bodies through the 3-member Rules Committee or by designees, stipulated in legislation (e.g. “renter,” “landlord,” “consumer advocate”), whereas the Mayor typically has the ability to take total appointments into account during selections, and can therefore better address gaps in diversity.

III. Conclusion

Since the first gender analysis of Commissions and Boards in 2007, the representation of women appointees on San Francisco policy bodies has gradually increased. The *2019 Gender Analysis* finds the percentage of women appointees is 51%, which slightly exceeds the population of women in San Francisco.

When appointee demographics are analyzed by gender and race, women of color continue to be underrepresented on San Francisco policy bodies compared to the San Francisco population. Most notably underrepresented are Asian women who make up 17% of the population but only 11% of appointees, and Latinx women who make up 7% of the population but only 3% of appointees. Additionally, men of color are underrepresented relative to their San Francisco population, primarily Asian and Latinx men.

Furthermore, when analyzing the demographic composition of larger and smaller budgeted Commissions and Boards, women are underrepresented on those with the largest budgets, and overrepresented or reach parity with the population on smaller budgeted Commissions and Boards. These two trends are amplified for women of color appointees. Women comprise 41% of total appointees on the largest budgeted policy bodies, which is 8 percentage points below the population, and women of color comprise 23% of total appointees on the largest budgeted policy bodies, 9 percentage points below their San Francisco population. Comparatively, women are 52% of total appointees on the smallest budgeted policy bodies, and women of color are 32% of appointees, which is equal to the San Francisco population. However, the issue of largest and smallest budgeted policy bodies does not seem to impact the representation of people of color. People of color make up 55% of appointees on the largest budgeted policy bodies and 54% of appointees on the smallest budgeted policy bodies compared to 50% of total appointees. Nonetheless, these percentages still fall below the San Francisco population of people of color at 62%.

In addition to using budget size as a proxy for influence, this report analyzed demographic characteristics of appointees on Commissions and Boards who file disclosures of economic interest and have decision-making authority, and appointees on Advisory Bodies who do not file economic interest disclosures. Over half (54%) of appointees on Advisory Bodies are women, while 48% of appointees on Commissions and Boards are women. Although 48% is only slightly below the San Francisco population of women, women comprise a decently higher percentage of appointees on Advisory Bodies compared to Commissions and Boards.

This year's report features more data on LGBTQ identity, veteran status, and disability than previous gender analyses. The *2019 Gender Analysis* found a relatively high representation of LGBTQ individuals on San Francisco policy bodies. For the appointees that provided LGBTQ identity information, 19% identify as LGBTQ with the largest subset being gay men at 48%. It is recommended for future gender analyses to collect LGBTQ data by race and gender to provide additional intersectional analysis. The representation of appointees with disabilities is 11%, just below the 12% population. Veterans are highly represented on San Francisco policy bodies at 7% compared to the veteran population of 3%.

Additionally, this report evaluates and compares the representation of women, women of color, and people of color appointees by the Mayor, Board of Supervisors, and by the total of all approving authorities combined. Mayoral appointees include 55% women, 30% women of color, and 52% people

of color, which overall is more diverse by gender and race compared to both Supervisorial appointees and total appointees.

This report is intended to advise the Mayor, Board of Supervisors, and other appointing authorities, as they select appointments for policy bodies of the City and County of San Francisco. In spirit of the 2008 City Charter Amendment that establishes this biennial Gender Analysis report requirement and the importance of diversity on San Francisco policy bodies, efforts to address gaps in diversity and inclusion should remain at the forefront when making appointments in order to accurately reflect the population of San Francisco.

IV. Methodology and Limitations

This report focuses on City and County of San Francisco Commissions, Boards, Task Forces, Councils, and Committees that have the majority of members appointed by the Mayor and Board of Supervisors and that have jurisdiction limited to the City. The gender analysis reflects data from the policy bodies that provided information to the Department on the Status of Women through digital and paper survey.

Data was requested from 90 policy bodies and acquired from 84 different policy bodies and a total of 741 appointees. A Commissioner or Board member's gender identity, race/ethnicity, sexual orientation, disability status, and veteran status were among data elements collected on a voluntary basis. Data on lesbian, gay, bisexual, transgender, queer, or questioning (LGBTQ) identity, disability, and veteran status of appointees were incomplete or unavailable for some appointees but are included to the extent possible. As the fundamental objective of this report is to surface patterns of underrepresentation, every attempt has been made to reflect accurate and complete information in this report. Data for some policy bodies was incomplete, and all appointees who responded were included in the total demographic categories. Only policy bodies with full data on gender and race for all appointees were included in sections comparing demographics of individual bodies. It should be noted that for policy bodies with a small number of members, the change of a single individual greatly impacts the percentages of demographic categories. As such, these percentages should be interpreted with this in mind.

The surveyed policy bodies fall under two categories designated by the San Francisco Office of the City Attorney document entitled *List of City Boards, Commissions, and Advisory Bodies Created by Charter, Ordinance, or Statute*.⁸ This document separates San Francisco policy bodies into two different categories. The first category includes Commissions and Boards with decision-making authority and whose members are required to submit financial disclosures with the Ethics Commission, and the second category encompasses Advisory Bodies whose members do not submit financial disclosures with the Ethics Commission. Depending on the analysis criteria in each section of this report, the surveyed policy bodies and appointees are either examined comprehensively as a whole or examined separately in the two categories designated by the Office of the City Attorney.

Data from the U.S. Census 2013-2017 American Community Survey 5-Year Estimates provides a comparison to the San Francisco population. Figures 26 and 27 in the Appendix display these population estimates by race/ethnicity and gender.
