# Highlights: Creating Partnerships

- Serving as a coalition builder, the CBD has brought the major Arts groups and venues (Symphony, Ballet, Opera, SF Jazz, Bill Graham Civic, Conservatory of Music, War Memorial) together with MTA to tackle district issues:
- Parking for Patrons and Employees
- Improving Public Transit options (BART-MUNI)
- Traffic Congestion and Safety
- Pedestrian Safety

## Events + Highlights: Civic Stars

- Awards are given to people in the community who help the CBD team with their responsibilities
- Nominations from Ambassadors and Clean Team Staff
- In June 2016, we honored Rob Malone from MTA and Maryanne Zadfar from the Absinthe Group.

# Projects + Visions: Summer Concerts

Began new summer series with 17 weekly noontime concerts working with People in Plazas and the Recreation and Parks staff, from July to October, 2015.

FY 2015-2016

# Projects + Visions: Holiday Concerts

- Major Expansion in 2015-2016
- CBD tripled the number of concerts to 18, almost one-a-day, at different locations in the neighborhood to activate the space.

# Challenges: Ongoing Cleanliness

- Bill Graham Civic Auditorium will collect many abandoned items daily that need to be removed.
- Drought had impacted cleaning schedules.
- The addition of the Hunters' Point Family monitoring the public restrooms has helped tremendously.
- Needles are worse.

## Challenges: Safety and Perceptions

- The walk at night from Civic Center Garage to arts venues seems daunting and deters parking in garage.
- The Grove Street corridor to the BART Station is dark and also seems unwelcoming.
- Lack of wayfinding has people feeling lost. We are working with MTA on the parking garage.

# Opportunities: Civil Crosswalks

- Pedestrian Friendly and safer Crosswalks at intersections along Grove Street, starting at Gough.
- Eventually leading to the BART Station at Grove and Hyde, creating a pathway from transit to the arts venues.

# Opportunities: Civic Center Commons Initiative

The Civic Center Commons Initiative stands to significantly improve the day-to-day safety, comfort and experience of three public spaces between Market Street and City Hall - now becoming known as the Civic Center Commons - a first step in transforming the three spaces into a unique gathering place that works for everyone, every day.

# Opportunities: Public Realm Plan and the Hub Plan

The Planning Department is investing resources on developing two master public realm plans, one for Civic Center and the second for the Hub at Market and Vann Ness. The CBD will be a community partner for the planning processes.

Each year the CBD is required to submit a mid-year report, an annual report, and a CPA Financial Review or Audit. Civic Center CBD has complied with the submission of all these requirements. OEWD staff reviewed these financial documents to monitor and report on whether they have complied with the rules per the Property and Business Improvement District Law of 1994, California Streets and Highways Code Sections 36600 Et Seq.; San Francisco's Business and Tax Regulations Code Article 15; the Civic Center's Community Benefit District management contract with the City; and their Management Plan as approved by the Board of Supervisors in 2008.

### Summary of Service Area Goals

#### **Safety Program**

The Safety Program supports both uniformed Ambassadors and activates the sidewalks and open space. CCCBD contracts with MJM Management Group to staff a team of Community Safety Ambassadors (CSAs). There is a daily assignment of four uniformed Community Service Ambassadors who support police and property owners in crime prevention, assist visitors with area information and provide street population/homeless with social services information and referrals. CSAs provide services for 12 hours a day, five days/week. The CBD also trains CSA team members to develop strong, supportive relationships with SFPD officers. The CCCBD Management Plan calls for 63.5% of the budget to be spent on the Safety Program.

**Additional Evening Public Safety (Zone 2 only)** -includes four uniformed Community Service Ambassadors to work for 200 evenings/year for 4 five hour shifts from 6:30pm - 11:30pm or the equivalent as deemed necessary by the district.

#### **Cleaning Program and On-Call Graffiti Removal**

This service area provides a uniformed maintenance worker to respond to maintenance calls to remove graffiti, wash down the sidewalk or pick up an accumulation of debris on the sidewalk 20 hours/week.

This individual is supported by calls by the CBD staff to the Department of Public Works (DPW) to coordinate delivery of the maintenance services that the City provides. In addition, Zone 3 deploys one maintenance worker providing daily sidewalk sweeping or steam cleaning and graffiti removal between 7:30 a.m. – 4:00 p.m. The CCCBD Management Plan allocates 11% of their funds to this service area.

#### **Beautification**

The Beautification program area includes streetscape improvements such as way finding signage and sidewalk lighting and capital enhancements. The program focuses on the greening of the streetscapes throughout district. One example of this effort is their hanging flower baskets at intersections and key entry points to the district. The CCCBD Management Plan allocates 11% of their funds to this service area.

#### **Activation of Public Spaces (Zone 2)**

This service area implements programs that support Civic Center Plaza's night time activation. Civic Center CBD coordinates with municipal agencies, community based organizations and local business owners to develop and provide planned night time based events.

#### **Staff – Executive Director**

CCCBD is staffed by a full-time Executive Director who serves as the focal point person and advocate for Civic Center CBD. In addition, the Executive Director produces a newsletter to district organizations, merchants, property owners, and members of the media. The CCCBD Management Plan calls for 15% of the budget to be spent on administration and corporate operations. The CCCBD board has fourteen (14) members, represented by residents, property owners, community organizations, non-profit arts organizations, government and educational institutions and businesses. The full board meets bi-monthly. All committees meet as needed. The six committees are detailed below:

- **Executive** – creates agendas for the board meetings and is comprised of the four corporate officers (Chair, Vice Chair, Treasurer, and Secretary).
- **Finance** - reviews financial reports, budgets and expenditures.
- **Capital Improvements and Planning** – discusses improvements, including signage beautification, furnishings, transportation and real estate development.
- **External Affairs** – reviews and comments on the policies, laws and the regulations that impact the CBD and the Civic Center. In addition, the committee manages and develops marketing strategies and public relations.
- **Safety** – discusses the overall safety of the district including police and criminal activity as well as data analysis of these statistics and news reports.
- **Services** – drafts the request for proposals for services contracts and manages the ongoing relationship between the CBD and their contracts.

**Summary of Service Area Goals**

**Safety Program**

The Safety Program supports both uniformed Ambassadors and activates the sidewalks and open space. CCCBD contracts with MJM Management Group to staff a team of Community Safety Ambassadors (CSAs). There is a daily assignment of four uniformed Community Service Ambassadors who support police and property owners in crime prevention, assist visitors with area information and provide street population/homeless with social services information and referrals. CSAs provide services for 12 hours a day, five days/week. The CBD also trains CSA team members to develop strong, supportive relationships with SFPD officers. The CCCBD Management Plan calls for 63.5% of the budget to be spent on the Safety Program.

**Additional Evening Public Safety (Zone 2 only)** -includes four uniformed Community Service Ambassadors to work for 200 evenings/year for 4 five hour shifts from 6:30pm - 11:30pm or the equivalent as deemed necessary by the district.

**Cleaning Program and On-Call Graffiti Removal**

This service area provides a uniformed maintenance worker to respond to maintenance calls to remove graffiti, wash down the sidewalk or pick up an accumulation of debris on the sidewalk 20 hours/week. This individual is supported by calls by the CBD staff to the Department of Public Works (DPW) to coordinate delivery of the maintenance services that the City provides. In addition, Zone 3 deploys one maintenance worker providing daily sidewalk sweeping or steam cleaning and graffiti removal between 7:30 a.m. – 4:00 p.m. The CCCBD Management Plan allocates 11% of their funds to this service area.

#### **Beautification**

The Beautification program area includes streetscape improvements such as way finding signage and sidewalk lighting and capital enhancements. The program focuses on the greening of the streetscapes throughout district. One example of this effort is their hanging flower baskets at intersections and key entry points to the district. The CCCBD Management Plan allocates 11% of their funds to this service area.

#### **Activation of Public Spaces (Zone 2)**

This service area implements programs that support Civic Center Plaza's night time activation. Civic Center CBD coordinates with municipal agencies, community based organizations and local business owners to develop and provide planned night time based events.

#### **Staff – Executive Director**

CCCBD is staffed by a full-time Executive Director who serves as the focal point person and advocate for Civic Center CBD. In addition, the Executive Director produces a newsletter to district organizations, merchants, property owners, and members of the media. The CCCBD Management Plan calls for 15% of the budget to be spent on administration and corporate operations. The CCCBD board has fourteen (14) members, represented by residents, property owners, community organizations, non-profit arts organizations, government and educational institutions and businesses. The full board meets bi-monthly. All committees meet as needed. The six committees are detailed below:

- **Executive** – creates agendas for the board meetings and is comprised of the four corporate officers (Chair, Vice Chair, Treasurer, and Secretary).
- **Finance** - reviews financial reports, budgets and expenditures.
- **Capital Improvements and Planning** – discusses improvements, including signage beautification, furnishings, transportation and real estate development.
- **External Affairs** – reviews and comments on the policies, laws and the regulations that impact the CBD and the Civic Center. In addition, the committee manages and develops marketing strategies and public relations.
- **Safety** – discusses the overall safety of the district including police and criminal activity as well as data analysis of these statistics and news reports.
- **Services** – drafts the request for proposals for services contracts and manages the ongoing relationship between the CBD and their contracts.

## Enhanced Safety Services Implemented

### Expanding the Services

The CBD's board members and executive director continued to provide in conjunction with our provider, MJMMG, the daily safety and cleaning services that have been popular since our inception:

- ④ 7-day-a-week cleaning and graffiti abatement;
- ④ Daytime community ambassadors, and;
- ④ Nighttime ambassadors that welcome arts patrons and new residents.

Due to increased assessments revenue generated by new construction, the CBD was able to add services this past year that proved to be beneficial as well:

### SF Police 10b Program

The Civic Center CBD partnered with the Central-Market CBD to employ an off-duty police officer to work in our districts part-time through the SFPD's 10-b program. The officers work with the CCCBD Ambassadors and the CMCBD Community Guides to primarily address quality of life issues within the neighborhood and within the purview of SFPD, such as issuing citations for drinking, trespassing, permit violations, littering, and pedestrian safety infractions.

### Civic Center Greeter

In June of 2015, the CBD started an experiment to see if we could

impact safety, both real and perceived, by adding one nighttime ambassador dedicated to the entrance and elevator area of the Civic Center Parking Garage.

After two months, The CBD evaluated the program and concluded that it should be continued.

## Beautification and Activation

The CBD's board members and executive director built upon the past successes of the holiday concerts to establish new ways to activate.

### Ivy Street Livable Alley

The Civic Center CBD submitted a grant application to make improvements to Ivy Street and was approved for \$200,000 to work with the neighbors, business owners and several partners to turn the 200-block into a pedestrian friendly community space. The grant is from the Mayor's Office of Housing and Community Development (MOHCD), and is funded through the Complete Neighborhoods Program (CNP) to fund capital projects.

### Summer 2015 Concert Series

The CBD partnered with People in Plazas, MJMMG, and the Recreation and Parks Dept. to present a new summer concert series, for Civic Center Plaza. The concerts were every Wednesday from noon to

1:00 pm. starting from July through October. There were 17 in total.

## Holiday Concerts and Activation

The CBD expanded its holiday musical event, "Holiday Fanfare," on the weekends in December. Spearheaded by the External Affairs Committee, "Holiday Fanfare" was a series of performances meant to activate neighborhood streets and bring holiday cheer to the residents and the thousands of visitors and arts patrons.

Performances Brass Quintets and Carolers from the San Francisco Conservatory of Music, and Mostly Madrigals, a caroling quartet. Each performance was meant to highlight cultural assets in the neighborhood, from the historic War Memorial Opera House, to the new SFJazz Center. There were 19 concerts in total.

## Advocacy and Community Outreach

### Coalition Impacts Parking, Transit and Pedestrian Safety

A group of interested parties organized by SFMTA and the Civic Center Community Benefit District has been meeting for several months in an effort to improve the patron experience in the around the SF Performing Arts Center, as it relates to parking and traffic. with knowledge about parking, taxi, traffic, garages, arts organizations, evening ambassadors and city administrators.

On most evenings, those without a performance at Bill Graham Civic Auditorium, the Civic Center Garage has many available parking spaces and the Performing Arts Garage has few if any spaces. This causes traffic jams, pedestrian hazards and frustration for all even those merely trying to drive past the performing arts buildings on Franklin.

**Expanding the Services**

The CBD's board members and executive director continued to provide in conjunction with our provider, MJMMG, the daily safety and cleaning services that have been popular since our inception:

- ☉ 7-day-a-week cleaning and graffiti abatement;
- ☉ Daytime community ambassadors, and;
- ☉ Nighttime ambassadors that welcome arts patrons and new residents.

Due to increased assessments revenue generated by new construction, the CBD was able to add services this past year that proved to be beneficial as well:

**SF Police 10b Program**

The Civic Center CBD partnered with the Central-Market CBD to employ an off-duty police officer to work in our districts part-time through the SFPD's 10-b program. The officers work with the CCCBD Ambassadors and the CMCBD Community Guides to primarily address quality of life issues within the neighborhood and within the purview of SFPD, such as issuing citations for drinking, trespassing, permit violations, littering, and pedestrian safety infractions.

**Civic Center Greeter**

In June of 2015, the CBD started

an experiment to see if we could impact safety, both real and perceived, by adding one nighttime ambassador dedicated to the entrance and elevator area of the Civic Center Parking Garage.

After two months, The CBD evaluated the program and concluded that it should be continued.

**Beautification  
and Activation**

The CBD's board members and executive director built upon the past successes of the holiday concerts to establish new ways to activate.

**Ivy Street Livable Alley**

The Civic Center CBD submitted a grant application to make improvements to Ivy Street and was approved for \$200,000 to work with the neighbors, business owners and several partners to turn the 200-block into a pedestrian friendly community space. The grant is from the Mayor's Office of Housing and Community Development (MOHCD), and is funded through the Complete Neighborhoods Program (CNP) to fund capital projects.

**Summer 2015 Concert Series**

The CBD partnered with People in Plazas, MJMMG, and the Recreation and Parks Dept. to present a new summer concert series, for Civic Center Plaza. The concerts were every Wednesday from noon to

1:00 pm. starting from July through October. There were 17 in total.

**Holiday Concerts and Activation**

The CBD expanded its holiday musical event, "Holiday Fanfare," on the weekends in December. Spearheaded by the External Affairs Committee, "Holiday Fanfare" was a series of performances meant to activate neighborhood streets and bring holiday cheer to the residents and the thousands of visitors and arts patrons.

Performances Brass Quintets and Carolers from the San Francisco Conservatory of Music, and Mostly Madrigals, a caroling quartet. Each performance was meant to highlight cultural assets in the neighborhood, from the historic War Memorial Opera House, to the new SFJazz Center. There were 19 concerts in total.

**Advocacy and Community Outreach**

**Coalition Impacts  
Parking, Transit and Pedestrian Safety**

A group of interested parties organized by SFMTA and the Civic Center Community Benefit District has been meeting for several months in an effort to improve the patron experience in the around the SF Performing Arts Center, as it relates to parking and traffic. We have conducted site surveys and consulted with representatives

with knowledge about parking, taxi, traffic, garages, arts organizations, evening ambassadors and city administrators.

On most evenings, those without a performance at Bill Graham Civic Auditorium, the Civic Center Garage has many available parking spaces and the Performing Arts Garage has few if any spaces. This causes traffic jams, pedestrian hazards and frustration for all even those merely trying to drive past the performing arts buildings on Franklin.

**Civic Center CBD Operating Budget**

The annual operating budget for the year July 1, 2015 to June 30, 2016 was \$740,271.86, which is based on the total of the assessed properties in the district. The proposed service plan budget was developed based on the priorities that the stakeholders expressed through the surveys and Steering Committee meetings.

All improvements and activities are allowed under the 1994 California Property and Business Improvement Act. These numbers are preliminary and the CCCBD will have the financial reports audited by Maze and Associates.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the  
Civic Center Community Benefit District  
San Francisco, California

We have audited the accompanying financial statements of the Civic Center Community Benefit District (District), a not-for-profit organization, which comprise the statement of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Civic Center Community Benefit District as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**CIVIC CENTER COMMUNITY BENEFIT DISTRICT**  
**NOTES TO FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2016 and 2015**

**NOTE 1 – REPORTING ENTITY**

**A. General**

The Civic Center Community Benefit District (District) was incorporated on June 1, 2011. The District is a 501(c)(3) nonprofit public benefit special assessment district conceived and organized by a group of concerned Civic Center property owners, arts organizations, government entities and other stakeholders (Members). Funding is provided primarily from special assessments from Members that are collected by the City and County of San Francisco and remitted to the District, pursuant to an administration agreement, dated July 1, 2011.

The goal of the District is to improve coordination and communication around the management, image, safety, beautification and cleanliness of the greater Civic Center area for the benefit of patrons, residents, employees, merchants, property owners and other visitors within the District. The District provides community service ambassadors to assist the public with information and direct them to destinations within the area, made possible by training on local geography, area venues, business, transportation systems, and other useful information. They also provide a vital role in promoting the Civic Center as safe and friendly. The District also provides teams to respond to maintenance calls to remove graffiti, wash sidewalks or pick up an accumulation of debris on the sidewalk, seven days a week.

**B. Programs**

**Civic Center Greeter** – The District added one nighttime ambassador dedicated to the entrance and elevator of the Civic Center Parking Garage. The arts organizations have received complaints from patrons saying they feel unsafe when they walk back to their cars at night because of the lack of other people in the area. The District believes that this is impacting people's willingness to park in the garage and it impacts traffic flow, congestion and pedestrian safety on busy nights as people circle the blocks looking for parking.

**10-B Police Officer Program** – The District partnered with the Central Market Community Benefit District to employ an off-duty police officer to work in our District part-time through the SFPD's 10-B Program. The officers work the District Ambassadors and Community Guides to primarily address quality of life issues within the neighborhood and within the purview of SFPD, such as issuing citations for drinking, trespassing, permit violations, littering and pedestrian safety infractions.

**Community Service Ambassadors** – The team of Community Service Ambassadors are a key element of the District. Their function is to assist the public with information and direct them to destinations within the area, made possible by training on local geography, area venue and businesses, transportation systems, and other useful information. The Ambassadors are goodwill ambassadors who assist the public in navigating the District with a welcoming and informed presence. They also play a vital role in promoting the Civic Center area as safe and friendly. They are easily visible and identifiable by their uniforms that will be unique to this District. Their presence is a deterrent to misdemeanor crime, and they have a communication system to enable them to report conditions or observations of criminal activity immediately through the District dispatch to the SFPD.

**CIVIC CENTER COMMUNITY BENEFIT DISTRICT**  
**NOTES TO FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2016 and 2015**

**NOTE 1 – REPORTING ENTITY (Continued)**

**Cleaning and Graffiti Team** – The service provide for uniformed maintenance workers to respond to maintenance calls to remove graffiti, wash down the sidewalk or pick up an accumulation of debris on the sidewalk. They are aided by calls by the District staff to the Department of Public Works to coordinate delivery of the maintenance service that the City provides.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Presentation and Financial Statement Presentation**

The financial statements of the District have been prepared on the accrual basis of accounting. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the District and changes therein are classified and reported as follows:

**Unrestricted Net Assets** – Net assets that are not subject to donor imposed stipulations.

**Temporarily Restricted Net Assets** – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the District and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions, if any. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. At June 30, 2016 and 2015, the District had no temporarily restricted net assets.

**Permanently Restricted Net Assets** – Net assets subject to donor-imposed stipulations that they be maintained permanently by the District. Generally, the donors of these assets permit the District to use all or part of the income earned on any related investments for general or specific purposes. At June 30, 2016 and 2015, the District had no permanently restricted net assets.

**B. Support and Revenues**

The District relies on member assessments which are invoiced in advance, deferred on the statement of financial position and recognized monthly on a straight-line basis. All contributions are recorded upon receipt, and are considered to be available for unrestricted use unless specifically restricted by the donor.

The District and the City and County of San Francisco entered into an administration agreement whereby, on the District's behalf, the City and County of San Francisco will levy and collect the assessments from the Members through the Members' secured property tax bills. For payments received in conjunction with the first and second installment of secured property taxes, the City and County of San Francisco will remit those funds to the District on or before January 10<sup>th</sup> and May 10<sup>th</sup>, respectively. Delinquent assessments will be remitted to the District at least once during the final quarter of the fiscal year and from time to time, at the discretion of the Controller of the City and County of San Francisco.

CIVIC CENTER COMMUNITY BENEFIT DISTRICT  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2016 and 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*C. Accounts Receivable and Allowance for Doubtful Accounts*

Accounts receivable generally consists of amounts due from Members and are stated at the amount the District expects to collect. When necessary, the District provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to the allowance for doubtful accounts based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and a credit to accounts receivable. The allowance for doubtful accounts was \$18,241 and \$103,254 at June 30, 2016 and 2015, respectively.

*D. Furniture and Equipment*

Furniture and equipment is stated at cost. Donated assets are recorded at their estimated fair market values at date of donation. Depreciation is computed over the estimated useful lives of the respective assets, ranging from 2 to 3 years, on a straight-line basis. Expenses for maintenance, repairs and minor renewals are charged against operations as incurred.

*E. Accrued Vacation*

Accrued vacation is comprised of unpaid vacation. Vacation is accrued as earned and sick leave is not accrued since it does not vest. All accrued vacation is considered to be a current liability. The balance at June 30, 2016 and 2015 was \$4,835 and \$4,399, respectively.

*F. Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

*G. Income Taxes*

The District is exempt from income tax under Section 501(c)(3) of U.S. the Internal Revenue Code. Accordingly, no provision for income taxes has been provided in these financial statements. In addition, the District qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1). Unrelated business income, if any, may be subject to income tax. The District paid no taxes on unrelated business income in the years ended June 30, 2016 or 2015.

Generally-accepted accounting principles require the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the organization's tax returns. Management has determined that the District does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the District's tax returns will not be challenged by the taxing authorities and that the District will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, the District's tax returns remain open for federal income tax examination for three years from the date of filing.

**CIVIC CENTER COMMUNITY BENEFIT DISTRICT**  
**NOTES TO FINANCIAL STATEMENTS**  
For the Years Ended June 30, 2016 and 2015

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*H. Advertising Costs*

Advertising costs, if any, are expensed as incurred.

*I. Fair Value Measurements*

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect the management's judgment about the assumptions that market participants would use in pricing the asset or liability.

**NOTE 3 - CASH AND CASH EQUIVALENTS**

The District's cash and cash equivalents are comprised of cash in banks, which is insured by the Federal Depository Insurance Corporation up to \$250,000, and is reported using the Level 1 fair value measurement. The District has not experienced any losses in such accounts. Management believes the District is not exposed to any significant risk related to cash.

**NOTE 4 - OPERATING LEASE**

The District rents office space subject to an operating lease beginning December 1, 2011, for \$750 per month, plus common area maintenance charges. The lease term is month-to-month, subject to termination by either party. Rent expense, including common area maintenance charges totaled \$9,340 and \$8,000 for the years ended June 30, 2016 and 2015, respectively, and is included with facilities and equipment expense on the Statement of Activities.

**NOTE 5 - OUTSIDE SERVICE CONTRACT**

The District contracts with MJM Management Group to provide ambassador, janitorial, maintenance, and other services on the District's behalf. At June 30, 2016 and 2015, MJM charges were \$629,961 and \$542,296, respectively.
