**RE: Nominations to the San Francisco Police Commission**

Dear Supervisors,

We write to express our serious concerns with Mayor Breed's nomination of Deputy District Attorney Nancy Tung and former Deputy City Attorney Geoffrey Gordon-Creed to the San Francisco Police Commission. As you know, the Police Commission is tasked with:

1. Setting policy for the police department;
2. Conducting disciplinary hearings on charges of police misconduct;
3. Imposing discipline for misconduct; and
4. Hearing police officers' appeals from discipline imposed by the Chief of Police.

Given the numerous incidents of serious misconduct by San Francisco police officers in recent years, from the killings of community members to the exchange of racist, sexist, and homophobic text messages, members and nominees to the Police Commission should have a strong record of holding police officers accountable and [supporting policies that protect the public](#).

However, as recently as last year, Deputy District Attorney Nancy Tung has opposed police accountability. During her campaign for San Francisco District Attorney in November 2019, in response to a questionnaire from the ACLU of Northern California, San Francisco Rising, and the Immigrant Legal Resource Center, she expressly opposed AB 392 (The California Act to Save Lives). Championed by families whose loved ones were killed by the police, AB 392 established that police can use deadly force "only when necessary" to defend against threat of

AMERICAN CIVIL LIBERTIES UNION  
FOUNDATION

## Northern California

death or serious bodily injury, replacing the vague and dangerous standard that authorized officers to use deadly force whenever “reasonable”.

With AB 392, California went from having one of the deadliest use of force laws in the country to having one of the most protective. Recognizing the significance and critical need of this bill, the San Francisco Board of Supervisors [unanimously voted to support](#) AB 392 on May 7, 2019. The bill was also supported by San Francisco’s District Attorney at the time, George Gascon. AB 392 was signed into law by Gov. Newsom on August, 19, 2019.

Given that AB 392 is a critical tool for police accountability and the Police Commission’s role in holding officers accountable, Tung’s opposition to the law raises serious concerns over her willingness to hold police officers accountable.

Furthermore, Tung was supported by the San Francisco Police Officers Association early in her campaign for District Attorney, raising concerns about her ability to provide independent and objective oversight to the department and to these officers. She also opposed the closure of San Francisco’s juvenile hall, contrary to this Board’s nearly unanimous support, and supported arming police officers with Tasers, which are known to increase use of force incidents by the police.

Gordon-Creed has a scant public record on holding police officers accountable, or even commenting on police accountability laws such as AB 392. It is unclear what relevant experience he brings to the area of police accountability since the early 1990s, when he briefly served as Deputy City Attorney and represented various city agencies, including the Police Department.

At a time when police killings of Black and brown people continue making headlines with the recent killings of Steven Taylor, Breonna Taylor, and George Floyd, the necessity of police accountability, particularly for deadly use of force, is as important as it has ever been. The institutions that must hold police officers accountable for misconduct and abuse of power, such as the San Francisco Police Commission, must be composed of individuals who have strong records of doing so.

We have deep reservations about Tung’s and Gordon-Creed’s nominations to the Police Commission because of the above mentioned history and record, or lack thereof. We urge you to

vet all nominees to the commission to ensure they are the best suited to hold the San Francisco Police Department accountable.

Members of the Board of Supervisors,

We are writing this letter to express our opposition to the appointment of Nancy Tung to the San Francisco Police Commission.

In the midst of a nationwide protest to demand the end of police brutality, San Francisco must ensure our police commission represents the need for real reforms to our criminal justice system. Holding our police officers accountable to the needs of San Franciscans as well as dismantling our systems of racial injustice require a police commission that understands and is committed to that work. Nancy Tung has proven she is unwilling to do that work and is even capable of making things worse.

Not only did Tung run on a pro carceral platform in her bid for District Attorney but she has also been a supporter of numerous policies that would likely escalate police violence. Tung was an avid supporter of 2018's Proposition H, which removed police oversight over taser use. She was also opposed to the closure of juvenile hall, wanted to maintain our inhumane cash bail system, opposed prosecuting the police in many incidents of police violence, and had early support from the Police Officers Association, a right-wing group that encourages the racist "blue lives matter" movement.

Last year San Francisco voters made it clear that the carceral state and decades of racist police activity must end when they elected Chesa Boudin as our new district attorney. It is the will of the citizens of this city that we dismantle systemic racism in our government and Nancy Tung's appointment will directly contradict that work.

We urge you to reject Nancy Tung's appointment to the San Francisco Police Commission.

Thank you,  
San Francisco Berniecrats

Dear SF Supervisors -

I am Paul Collins, a resident of SF since 1994, currently in District 7, and a local educational non-profit professional. I have appreciated the shared humanity and dedication driving the more progressive, caring aspects of your work. Like many of my local friends, colleagues and family, I remain disgusted by the current - and historical - racist practices of the SFPD. I am reaching out to express my strong opposition to the appointments of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission.

As you are aware, during their hearing on Monday June 1st both nominees failed to address how they would handle cases of police violence against black and brown communities. Nancy Tung has supported policies to further militarize the police force, and we know she was against charging the officers who brutally murdered Mario Woods. She has expressed an unwillingness to fire or prosecute officers who have murdered innocent black and brown people. Gordon-Creed showed a huge gap in experience and knowledge when it comes to the important reform measures and steps needed to end racially charged violence in our police force, and has no record of engaging in criminal issues or of representing communities impacted by police brutality.

These nominees are not advocates of police reform and racial justice, and are not the people we need in power. Now more than ever we should demand the oversight commission for the San Francisco Police Department is absolutely committed to ending police violence and reforming our use of force policies. These two nominees are not committed to either and therefore should be rejected. As representatives of the people throughout our city, and with the deep-seated, serious concerns of our black and brown communities possibly more visible than they have ever been, your choice would seem clear.

I am more than disappointed in our current Mayor and have written her, too. How could any human being who ran on the platform she ran on support so much hate? If you all care about dismantling the dehumanizing of people of color and the violence against them within the SFPD, I strongly encourage you to vote NO to these nominations, and to continue to seek true reform. We all have to do better.

Thank you for efforts, and for you or your staff taking the time to read this email.

Sincerely,  
Paul Collins

Hello,

My name is Leila Shokat, and I am writing to ask you to vote NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. Right now, our community needs police reform. Neither of these candidates have experience in, or are advocates of, this sort of reform. Moreover, their opinions, or lack thereof, on past instances of murder by police officers is beyond concerning. As Police Commission members, these candidates would be responsible for holding the police accountable in these instances, and they have each on separate occasions shown that they do not have an interest in doing so.

The specific instances I am referring to are the cases of Mario Woods and Jessica Williams, when Nancy Tung stated that she didn't believe officers should be charged or fired, and Geoffrey Gordon-Creed claimed to have no opinion on the issue. A candidate who has "no opinion" on the issue of police brutality and murder of our residents has absolutely no place on the police commission: not now, not ever. This is unacceptable. I urge you to vote "NO" on these two candidates.

All the best,

Dear Board of Supervisors:

I am a retired law professor and former Director of the Innocence Project at Golden Gate Law School. I write to urge you to vote NO on police commission nominees Nancy Tung and Geoffrey Gordon-Creed. Following the brutal murder of unarmed George Floyd in Minneapolis last week, the nation erupted in horror. Now is a time of heightened awareness of the dangers of police brutality in the Black communities of American cities. San Francisco is no exception: the avoidable SF Police killings of Mario Woods, Alex Nieto, and Jessica Williams in 2016, were the result of shoot first, shoot to kill, policing. Neither Tung, (a deputy DA, supported by the POA in her recent unsuccessful bid to become the SF DA), nor Gordon-Creed, a lawyer with no experience or apparent knowledge of police reform issues, are suitable to sit on such an important Commission.

We need commissioners with understanding of the lives of communities of color in San Francisco, and who are committed to police accountability. Please reject Mayor Breed's candidates and urge her to nominate qualified nominees with relevant experience.

Thank you for listening.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Hello all,

I am writing to urge you to vote no on nominees Nancy Tung and Geoffrey Gordon-Creed. I grew up in SFUSD, witnessed the amazing youth leaders at the protest yesterday, and heard Mayor Breed speak at City Hall earlier this week. It is clear that our city needs and wants real change, and so we need police commission members who reflect that. Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

My name is Anna Meehan, and I'm a resident of San Francisco's Bernal Heights neighborhood.

I'm asking the San Francisco Board of Supervisors on Tuesday June 9th to vote no on police commission nominees Nancy Tung and Geoffrey Gordon-Creed because they are not advocates of police reform.

Thank you for your time.

Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. June 5th, 2020

Good morning Mayor Breed and S.F. BOS:

I write to urge you to withdraw/vote no on the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission. Neither individual has the necessary qualifications. In fact, Ms. Tung's background as a career prosecutor and her public comments — including her “get tough” approach to policing and crime — make her a *highly inappropriate* choice to serve on the Commission. The stated mission of the Police Commission is “to set policy for the Police Department and to conduct disciplinary hearings on charges of police misconduct filed by the Chief of Police or Director of the Office of Citizen Complaints, impose discipline in such cases as warranted, and hear police officers’ appeals from discipline imposed by the Chief of Police.” An individual who has spent her entire life working alongside the same officers, engaged in the same pursuits, advocating for and defending their actions can hardly be said to be a fair and impartial Commissioner. As a female attorney myself who works most often in heavily male-dominated spaces, I am always in favor of trying to promote female candidates wherever and whenever possible, and surely there are other women in our great City who fit the bill. Nancy Tung decidedly does not.

As to Mr. Gordon-Creed, he, too, has a prosecutorial background. After that, he appears to have spent his career litigating personal injury/business/property matters. The only criminal justice-related activities he appears to have engaged in in 30 years is making a nominal donation to a group working on gun violence prevention. Perhaps there is other work that he has done that might qualify him, but the public is certainly unaware of it and he has not disclosed any such work that might conceivably qualify him to serve in this role. Indeed, in the few comments he has made on relevant issues when asked, he has appeared ill-informed *at best*. For these reasons he, too, is unqualified.

Mayor Breed - please withdraw these nominations. Now, more than ever, we need individuals who have proven ability to engage in the hard work of oversight, careful and close monitoring and objective and fair reviews of law enforcement and their actions. Without individuals that the public can have confidence in to “police the

police” - there will remain an air of distrust, skepticism, and suspicion. BOS - If Mayor Breed does not withdraw the nominations, please do the right thing and vote NO.

Thank you very much for your time and thoughtfulness on this important issue.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Board of Supervisors:

I am a retired Spanish bilingual public school educator and a resident of Bernal Heights neighborhood for 30 years.

I am writing to urge you to vote NO on police commission nominees Nancy Tung and Geoffrey Gordon-Creed. At this moment more than ever, we need commissioners with experience in and understanding of San Francisco's communities of color as well as commissioners who are knowledgeable about and committed to police reform issues. The two candidates nominated by the mayor do not fit any of these criteria and will not contribute to increased justice and peace in our city -- at this point in history when it is badly needed.

Please reject these candidates and encourage Mayor Breed to nominate qualified people with relevant knowledge and experience.

Thank you.

Sincerely,  
Linda Dallin

Sincerely,

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Dear Supervisors,

I am writing in support of Hillary Ronen's urging all of you to vote NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed—because they are not advocates of police reform.

In this crucial time in our city, in our nation, we must focus support on candidates or policies that will fundamentally change policing training, tactics, and policies.

These systemic changes need to start here and now.

Please vote NO on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed.

Sincerely,

Sharon Steuer

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

I support [Supervisor Ronen's statement](#) that we need the Mayor to nominate commissioners with commitment, experience rooted in justice advocacy, and real urgency to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light.

Supervisors, please **vote no** on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed because they are not advocates of police reform.

Mayor Breed, please withdraw the nominees and find nominees who are real advocates.

## Supervisors

As we have watched and marched over these long days since the killing of George Floyd, it has become increasingly clear that the people of San Francisco want a police department that is committed to protecting all of us. Getting from where we are to where we need to be will require substantive police reform. The Police Commission needs to play a leadership role in that effort. Geoffrey Gordon-Creed appears to lack the experience necessary to lead police reform and Nancy Tung appears to want to protect the police rather than the public.

I urge you to follow the lead of the nominating committee and reject both these candidates and require that the Mayor nominate qualified people who can contribute to the reform we need.

Sincerely

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Please vote no on the nominees Nancy Tung and Geoffrey Gordon-Creed. Instead we need people on the commission who are COMMITTED to police reform. We need police officers not police.

Please!

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors,

At a time when the gross misconduct of some policemen across the country has caused people of color to be murdered for issues as innocent as jogging and carrying a possibly fake \$20 I cannot believe you are nominating two more commissioners who have no background or sincere work in civil liberty and rights. In the face of a country torn apart and demonstrating year after year for police to work WITH communities of color the least you could do would be to nominate people with a demonstrated background in the issue. Mind you, I am not blaming the SFPD for the problems of the country. But as a person who served on the Grand Jury and has kept in touch with others who have also served we are almost to a person shocked at the attitudes of the Police Officers Association - dismissive of civil rights, arrogant, absolutely out of touch with important issues other than protecting the jobs of the SFPD no matter what. There are many who have worked in the courts who DO understand how tragic the situation is in this country and for you to confirm Nancy Tung and Geoffrey Gordon-Creed at a time like this is turning a deaf ear to the vast numbers who demand change.

Sincerely,

Jean Amos

I agree with those Supervisors dissenting on Mayor Breed's nominations and urge the full board to reject them. I voted for Mayor Breed and remain a supporter, but these nominations are — given what is right in front of us — the wrong time and the wrong place; unclear on the evolving concept.

Actually, I think she should withdraw them .

This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

To the Board of Supervisors:

I am a resident of San Francisco and I am writing to urge you to vote NO on the nominations of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission. Neither Ms. Tung nor Mr. Gordon-Creed has the experience or the stated commitment to criminal justice reform and police reform that is so desperately needed in our city at this perilous moment.

Please encourage Mayor Breed to nominate candidates who have the education, experience, and stated desire to work toward police reform.

Thank you.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a 35-year San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Dear Members of the Board of Supervisors:

I am writing to urge you to vote no on the Mayor's Police Commission nominees — Nancy Tung and Geoffrey Gordon-Creed. They have no record of supporting police reform and one of them (Ms. Tung) has voted against reform measures in the past.

Thank you.

Sincerely

Dear Supervisors and Mayor Breed,

I am a UCSF medical student and San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Benjamin Jones  
M.D. Candidate  
UCSF Class of 2023  
Program in Medical Education for the Urban Underserved

By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to **OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.**

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have **STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY.** This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

**NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS,** despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities **INCREASED** use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

**NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL,** even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. Dear Mayor Breed and Supervisors,

Please withdraw the nominees for Police Commission and find nominees who are real advocates for justice.

Please vote no on these nominees Nancy Tung and Geoffrey Gordon-Creed. They are not advocates of police reform.

Please nominate commissioners with commitment and experience rooted in justice advocacy.

We need commissioners with a real urgency to implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light.

To SF Board of Supervisors,

I urge Mayor London Breed and the Board of Supervisor to appoint and approve members to the SF Police Commission who have a proven record of support for the tough and necessary reforms that have always been necessary and now are urgently required.

The current nominees do not have this record. Please reject this nominees and appoint members to the Police Commission who are able and willing to make the necessary tough reforms.

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Hi All,

I am a San Francisco resident and I learned about the nomination of Nancy Tung to the police commission. I'm writing to urge you to please oppose this. I agree with the recommendation of the Rules Committee to reject the nomination.

My views (echoed by many fellow San Francisco residents) are that we want San Francisco to truly support its residents, protecting life above all else. To get there, we need accountability and civilian oversight. I learned that Nancy Tung supported Proposition H, which would have taken away the police commission's ability to oversee taser use-of-force policy. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. I was also disappointed to learn that Nancy Tung has repeatedly opposed prosecuting police officers involved in shootings of San Francisco residents, that she wants to keep San Francisco's Juvenile Hall open, and that she's accepted money from organizations and individuals that condone racism and violence, like Ryan Crosby.

I hope you can extend your search to find better nominees who represent San Francisco residents' values to update and improve our police policies to better protect life.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and UCSF Medical Student and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly

about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Board of Supervisors and Mayor Breed,

This is my first time writing to you. Thank you for your commitment and service.

I've been reading the news about Mayor Breed's nominees Nancy Tung and Geoffrey Gorden-Creed. I've also read Supervisor Ronan's Statement.

I know it's very easy for all of us to be reactionary during these emotional times, but I have to urge you to vote no on these Police Commission nominees.

I'm sure they are good people with many strengths. But it's clear that police reform is not a strong point or interest of either candidate.

We have to act very differently now - to save future lives and to keep our communities together. Now is a moment and an opportunity to stand up and show up in a different way, and I urge you to do that.

Respectfully and with gratitude,

Lisa Acree

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Dear SF Board of Supervisors,

As an active, voting resident of San Francisco, I am writing to urge you to reject Mayor Breed's nominations for SF police commissioner. Nancy Tung and Geoffrey Gordon-Creed do not have the qualifications and qualities we need on the police commission to navigate this moment and move toward necessary reform in the police department. Neither is an advocate of police reform and will not help us respond to the crisis we find ourselves in.

Please vote no and urge the Mayor to withdraw these nominees and find others who will advocate for reform and move our fractured city forward.

Thank you,

Helen S. Cohen  
District 8

Mayor Breed and Supervisors,

The need for police reform in the United States has been shown in stark relief in these past few weeks. Shifts toward stronger police forces, in some cases to the point of militarization, as well as a culture of self protection and silence within and among police departments has only served to increase hostility between police and the communities they are meant to protect and serve.

San Francisco has a well-deserved reputation as a progressive leader in the United States, and we must live up to that standard in both our social and political culture. The nomination of Nancy Tung and Geoffrey Gordon-Creed to the San Francisco Police Commission, the organization that oversees police in our city, is tone-deaf, short sighted, and inappropriate.

Neither candidate has any record of working with any organization that advocates for police reform. Ms. Tung has been opposed to taking action against police involved in the shooting deaths of Mario Woods and Jessica Williams, and Mr. Gordon-Creed seems to have little understanding of law-enforcement issues.

Please deny their appointment to the SF Police Commission, and select candidates who are fully qualified, and will support appropriate reform measures.

Thank you.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident.

On Monday, I asked my mom if she had ever felt safer because a police officer was present - she said no, she had exclusively felt more unsafe.

Today, I walked past a group of police officers and felt scared so I took a few extra steps away from their path. I wanted to raise my fist in the air as I continued to peacefully walk by to silently communicate that just as 30,000 protestors are voicing their concerns to SFPD, I hope these police officers will voice their concerns to the SFPD and advocate to decrease funding for tasers and weapons and jailing of POC, and to funnel that money towards black and brown communities that have long called SF their home. But I didn't - I was scared to.

We need a police commission with values that reflect the values of the people of SF & with a commitment to real change; otherwise, there will always be fear, anger, and from now on, from the voices of my peers, the protests in various forms will continue.

Nancy Tung and Geoffrey Gordon-Creed DO NOT reflect the values of the people of SF, and I strongly strongly urge you to oppose these nominations and instead search for those who do reflect the values of the SF people.

As you know and as I have followed the news:

Public testimony has been by far against these nominees; we do not want these nominees. Again, we NEED nominees that reflect SF values & are committed to real change.

Tung has taken many many positions completely out of line with SF people's desires!

Gordon-Creed has no experience with criminal justice at all and no experience being a voice of communities!

\* Tung supported giving TASERS to SFPD - even though the people are crying out - literally, during protests - against more violent weapons! And UCSF studies have shown tasers lead to MORE violence, because police overwhelmingly use them in situations where they should be deescalating! And Gordon-Creed has said nothing about taser use!

\* Tung supported Prop H - which would have stripped the commission of their ability to OVERSEE TASER USE! Gordon-Creed took no position!

\* Tung opposed PROSECUTING those officers involved in shootings!!! Have we still not heard the people's cries in the streets? Gordon-Creed has said nothing about the SFPD's shootings!

\* Tung will not support closing SF juvenile hall - even though the DOJ finds there to be HUMAN RIGHTS ABUSES there! It is abusive and - in addition - much more expensive than community-cocreated justice practices! Gordon-Creed has taken no positions of Juvenile Criminal Justice issues!

\* Even though the SF people supported ending cash bail, which for no good reason leads to jailing poor people and letting rich people go home - Tung opposed this change!

Gordon-Creed has no experience dealing with any of these issues and should clearly not be nominated.

And I don't know why Tung opposes changes to help black and brown young and poor people in SF. I don't know why Tung supports weapons known to increase violence, less power to oversee violence, no prosecution when there is violence. I have no idea why someone could be so out of touch with SF people. Perhaps it's because she has accepted and has close ties to the conservative POA and racist and sexist Ryan Crosby. Or maybe she thinks she is in the right because she truly is that out of touch with SF people's cries - again, literal cries in the streets - either way, this clearly makes her an awful choice to nominate.

Please please do not support these nominations.

Please please support nominations of people who actually want to take this moment as a wake up call to work against violence and to move material support - funding - from the SFPD to the many many underfunded resources for education and health of people in this city. These are CLEARLY the wrong nominees - and you will send a clear message to the people if you support these nominees. Your message will be that dads and moms, parents, and children should continue to live in fear, in anger, and should keep forever protesting, more and more, because there is no one on their side in the SF government and especially the police commission. Please do better.

Pleading,

Ria

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Dear Supervisors:

As I long time SF resident and voter, I am urging you to **vote no** on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. In this unprecedented time, we need commissioners who are real advocates of police reform. Please tell the Mayor to withdraw the nominees and find nominees who are real advocates

This moment is an opportunity to nominate people to the SF Police Commission who are committed to and have proven leadership in true policing reform.

Nancy Tung and Geoffery Gordon-Creed do not have demonstrated experience or records advocating police and criminal justice reform and therefore are not appropriate appointees to the police commission.

While they may be qualified individuals in other respects, this time calls for change and reform. No one should be appointed to the police commission without demonstrated ability and experience to promote the radical reform that policing needs.

Please do not support these candidates.

Respectfully,

Heather

dear members of the Board of Supervisors

I urge to reject the Mayor's nominees to the San Francisco Police Commission: Nancy Tung & Geoffrey Gordon-Creed. Each may be public servants in some other capacity, but as members of the Police Commission, they are inadequate to the task of the necessary oversight reforms at this point.

The Mayor needs to be encouraged to nominate commissioners with commitment, experience rooted in justice advocacy, and to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light.

The Rules Committee has voted 2 to 1 against these nominees; and it is your responsibility to encourage the Mayor to seek more appropriate candidates for the necessary tasks of police reform in San Francisco at this time and in these times.

Your job is not to rubber stamp the executive, but to encourage the best leadership from the Mayor. Mayor Breed needs to look closely at candidates and seek those who will assist improvements in practices so public safety in San Francisco reflects best practices, reductions in police abuse of power and better relations with communities of color in San Francisco.

Please review and consider the DOJ recommendations, the hearing and recommendations of the Rules Committee majority, and seek better leadership from the Mayor. The Police Commission is an important vehicle for effective public safety oversight and reform in San Francisco.

I spent most of my working life in San Francisco, 6 of them in production (ABC Draperies and Hills Brothers Coffee on Harrison & then Mariposa streets), and 27 of them in public education as a para educator and as a classroom teacher. I worked at Balboa High School, McAteer HS, Horace Mann Middle School, and 24 of those years teaching at Abraham Lincoln High School. I am a second generation SF public school educator. Your consideration and representation matters to the people of the city, particularly the historically excluded. And due diligence requires at least a full hearing and discussion on public safety oversight, NOT a "rubber stamp" to Mayor Breed for two "less than satisfactory candidates" for the Police Commission.

Thank you for your consideration of this matter. I hope there is full debate on this matter.

Sincerely

Tom Edminster

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. Dear Supervisors,

I am appalled at the choice of Nancy Tung and Geoffrey Gordon-Creed as police commissioners. Neither has shown the least respect for, or interest in, the rights of people of color. Our country is being torn apart by the racism of police. You must select commissioners who will hold our police accountable!

The 2 recent names brought forward by Mayor Breed to serve on the police commission, respectfully are not going to help our city move forward. One has been against police reforms and the other appears to have no education or commitment to reform.

We need Mayor Breed to nominate people with experience and conviction to justice advocacy and an commitment to implement the 272 US DOJ recommendations.

After the killings of Black people by cops and SFPDs racist and homophobic emails and texts were revealed in 2016, we have needed a overhaul of the Police Department oversight.

As a Lesbian parent of a transgender teen with a disability, I am frightened of how she will be treated and worry she could be hurt or killed for her impulsivity and lack of response to shouted orders by police. However my fear for my daughter pales in comparison to the fear Black and Brown people in SF have when interacting with the SFPD all the time.

We need to move forward not backwards so I hope you reject the current nominees and strongly suggest Mayor Breed offers more qualified candidates who support our community's commitment to social justice and moving forward. Chesa Boudin would not have been elected as our DA, if SF wanted more of the same. Now is the time to make a serious commitment to racial justice and ensure our city continues to be leader and values the lives of all of our families.

Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors and Mayor Breed,

As a San Francisco resident, I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Please follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Prosecutor Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Former DA candidate Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Inexplicably, NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

Against popular sentiment, NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

Though the policy has since changed, NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Including during the Rules Committee hearing, Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Let me be clear: we NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

The City and County of San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. To Mayor Breed, the San Francisco Board of Supervisors, and San Francisco Elected Officers:

My name is Emma Brenner-Bryant and I am an employee in San Francisco. I am writing to urge you to **vote no** on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed because they are not advocates of police reform. Mayor Breed, please withdraw these nominees and find nominees who are real advocates for black and brown people in San Francisco.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to **OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.**

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have **STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY.** This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

**NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS,** despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities **INCREASED** use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

**NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL,** even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Hello, Board of Supes and Mayor Breed

I agree with those on the Board dissenting on Mayor Breed's nominations and urge the full board to reject them.

These nominations are — especially given what is right in front of us in this moment — the wrong time and the wrong place.

Mayor Breed, I urge you to withdraw them.

Thank you.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident of 15 years and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

Now more than ever, we need police reform and these two appointees are not ideal right now. They don't have a track record of being on the side of citizens and from what I have seen, have not stood up against excessive police force or the Black Lives Matter movement. In fact, Nancy Tung, specifically, has called for more police arms. We need LESS.

We need a complete overhaul of this system. The police training needs to be different. The offices that oversee the police department need to be more hands on. The punishments must be taken more seriously. I do not trust either of these candidates to get any of these jobs done.

If you give either of these people power in this department, I guarantee you these protests and riots will not end.

Thanks,

Edna

Dear Supervisors and Mayor Breed,

Now is a moment when we need to be extremely careful about our actions as they relate to police and law enforcement. It is essential that there is public trust in our appointments and that we defund and divest from SFPD. I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Dear Members of the Board of Supervisors,

I am writing to urge you to vote NO on the current nominees to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.

We need commissioners with commitment, experience rooted in justice advocacy, and real urgency to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions which indicate they will take seriously the need for police reform. This is unacceptable, in light of recent events across the country and in memory of Alex Niento, Mario Woods, and Luis Gongora Pat who were all murdered by the SFPD with no accountability.

Thank you,  
Anuradha Lingappa

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Geoffrey Gordon-Creed is unqualified for the position given his history of defending officers and his lack of experience engaging with criminal justice issues or representing communities impacted by policing. As a result, we know nothing about his nomination and the Mayor's office has declined to respond to immediate disclosure Sunshine requests for more information.

Nancy Tung supports giving tasers to San Francisco police officers if she deems there to be enough "trust restored". Tasers would worsen relations with communities of color and vulnerable groups such as the homeless and mentally ill, upon whom tasers would be disproportionately used.

One UCSF study of California police and sheriff departments found the rate of in-custody sudden deaths involving non-lethal force increased 640% in the first full year of Taser deployment compared with the previous year.

I oppose Nancy Tung for the Police Commission because her priorities run contrary to our community's values: just two years ago, San Franciscans voted overwhelmingly against Proposition H, which would have given police tasers. Nancy Tung supported Prop H, which not only would have given police tasers, but would have stripped the Police Commission of its power to regulate those weapons. We need Police Commissioners that actually respect the Commission!

Studies show that police departments equipped with Taser do not show a reduction in the use of lethal force. Tasers aren't replacing guns, they're being used in addition to, and more broadly than, guns.

With all the recent abuses of the Police Department, we need Police Commissioners who will hold officers accountable, not give them more tools to perpetrate violence on our neighbors. Please vote no on Nancy Tung.

Nancy Tung opposes closing San Francisco's juvenile hall, even though it is an appalling institution where children have been abused for decades.

The US Department of Justice investigation of San Francisco's Juvenile Hall found frequent arbitrary use of solitary confinement to punish children, and denying bathroom access, and refusing to let kids use phones to contact their families for weeks or even months.

It costs the city \$266k a year to house a child in a cage. Restorative justice diversion costs \$10k. The recidivism rate for the juvenile legal system is 53%, while it's just 13% for those going through restorative justice diversion. Caging children isn't just inhumane and expensive, it also doesn't work.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Members of the Board of Supervisors,

I am writing to urge you to vote NO on the current nominees to the police commission, Nancy Tung and Geoffrey Gordon-Creed.

We need commissioners with commitment, experience rooted in justice advocacy, and real urgency to--at the very least--implement the 272 recommendations made by the US DoJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions that indicate they will take the need for police reform seriously. This is unacceptable, in light of recent events across the country, and in memory of Alex Niento, Mario Woods, and Luis Gongora Pat who were all murdered by the SFPD with no accountability.

Without serious police reform, the blood of the inevitable future victims of police murder will be on your hands. You too, intern reading this email. The time is now. Act.

Thank you,  
Henry Carges

Dear Members of the Board of Supervisors,

I strongly urge you to **vote NO** on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed because they are not advocates of police reform.

Now is the time for San Francisco to take the lead to institute real change for police reform and the criminal justice system.

Thank you for considering my request,

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Regards,  
Alex

Dear Members of the Board of Supervisors,

I am writing to urge you to vote NO on the current nominees to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.

We need commissioners with commitment, experience rooted in justice advocacy, and real urgency to, at the very least, implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions which indicate that they will take seriously the need for police reform. This is unacceptable, in light of recent events across the country and in memory of Alex Nieto, Mario Woods, and Luis Gongora Pat who were all murdered by the SFPD with no accountability.

Thank you,

Alex Sinclair  
San Francisco native

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Supervisors and Mayor Breed,

I am a Bay area resident I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,  
Sara Hundt

She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident (Norman Yee's district, zip 94127) and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. Dear Supervisors,

I am writing to recommend that you vote no on both police commission nominees Nancy Tung and Geoffrey Gordon-Creed. Neither candidate has shown actual interest in police reform. In view of the current public attention on this important issue, surely San Francisco can do better.

Thank you for your careful consideration of this matter.

Sincerely,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco native and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. Dear Supervisor,

Please vote no on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. The nation is convulsing with the need for police reform and accountability. It is essential that true reform policies are instituted and implemented. These two nominees are not long-term advocates of police reform. They may be fine civic-minded people, but now is not the time for business as usual it is the time to find people who are committed to real reform and real change.

Thank you!

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

As a citizen and voter in San Francisco, I urge you to vote NO on confirming nominees Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

We need citizen representatives on the Commission who will address the militarization, lack of accountability, and inappropriate use of the police force in our city. Find candidates who represent the black, brown, trans, queer, disabled, unhoused, mentally ill, addicted, and poor people in our community, and hold our police force accountable for their violence towards these citizens of our city.

Do better. Look harder. Listen to us.

Thank you,

The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Members of the Board of Supervisors,

**I am writing to urge you to vote NO on the current nominees to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.**

We need commissioners with commitment, experience rooted in justice advocacy, and real urgency to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions which indicate they will take seriously the need for police reform. This is unacceptable, in light of recent events across the country and in memory of Alex Nieto, Mario Woods, and Luis Gongora Pat who were all murdered by the SFPD with no accountability.

We write to implore you not to approve Mayor Breed's nomination of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission. The activism that has emerged after the police killings of George Floyd and Breonna Taylor, as only the most recent examples of long-term systemic racism, have raised fundamental questions about the purpose and form of law enforcement. This broad social movement, not just locally but nationally and internationally, should be the basis from which nominees for the Police Commission are chosen. Please insist that the Mayor withdraw her nominations and work with the Board of Supervisors and community groups to nominate people who are better prepared to take on the enormous challenge and opportunity we are facing now.

Thank you.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

Dear members of the board of supervisors

This is a turning point for your leadership for our city and for those who look to San Francisco as a leader in progressive policies and actions. We have seen people around the world support more progressive forms of policing after George Floyd and others have been killed by police without cause. I support [Supervisor Ronen's statement](#) that we need the board of supervisors to nominate commissioners with commitment, experience rooted in justice advocacy, and real urgency to -- at the very least - implement the 272 recommendations made by the US DOJ in 2016 in the wake of police killings and the racist, homophobic texts that came to light. Please continue your positive leadership of our city.

thanks

AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. San Francisco Supervisors:

Enough! Please withdraw San Francisco Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed and post-haste find nominees who are real advocates committed, active and effective in shaping political reform.

In this time of crisis, it is imperative that the people of San Francisco have Police Commissioners who have clear track records and who are ready to turn our Police Department around and address the deep racism within the force and its policies.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco District 4 resident living on 35th Ave at Irving and I am writing to strongly urge you to OPPOSE the NOMINATIONS of NANCY TUNG and GEOFFREY GORDON-CREED to the POLICE COMMISSION.

I especially wanted to reach out to you in the context of the national discussion of policing amid the ongoing killing of innocent people by police. It is clear that as an institution, policing is built on white supremacy and lacks the ability to provide safety or compassionate support for our city. San Francisco needs to invest in housing and support services that will help people while divesting funding from policing and to do that we need a Police Commission that will hold the police accountable and not increase their scope or potential brutality. For the following reasons I strongly urge you to oppose the nominations of Nancy Tung and Geoffrey Gordon-Creed:

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that

regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,  
Rachel

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Dear Board of Supervisors,

First thank you for your service to our city.

I am writing to ask you to take the time to review the Police Commissioner nominees.

I think in light of this week's traumatic news, we will desperately need commissioners who are ready to make serious reforms.

Nancy Tung and Gordon Creed do not seem ready for the challenge of a new era. They have not shown that they are ready for police reforms so desperately needed at this time.

Thank you,

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and traffics in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,  
Kyla

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Please be mindful of your choices for the police commission. Find good people with experience and vision as to how the process must change. We need people who are real advocates for serious police reform.

This is such an important time to make some real changes in the criminal justice system. Start here and now. I have volunteered at CJ 5 for the last five years and it has really woken me up to the racism inherent in our system.

Thank you for doing your job,

Dear Supervisors and Mayor Breed,

I work in San Francisco and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

Dear Supervisors,

I am a San Francisco resident who lives in District 5 and I urge you to oppose the nominations of Nancy Tung and Geoffrey Gordon-Creed to the Police Commission.

I knew Ms. Tung but not Mr. Gordon-Creed before this. But having now researched their records, past positions, and experience (or in Mr. Gordon-Creed's case, inexperience on these issues), I feel strongly that neither nominee is what the Police Commission needs right now.

As I'm sure you're aware, "[o]nly 40 of 272 federal reform recommendations made in 2016 have been completed, Nancy Beninati, the state Deputy Attorney General supervising the reform effort, wrote in a March letter to Police Chief Bill Scott." (<https://missionlocal.org/2020/06/rules-committee-rejects-mayor-breeds-moderate-nominees-to-the-police-commission>). We desperately need to find people who are committed to police reform and have experience working for it. Neither of these nominees do. SF can and must do better.

Please vote against these nominees and force Mayor Breed to look for agents of genuine change in the police department.

Thank you,  
Brian Soucek

Dear Supervisors:

I urge you to vote no on the two persons nominated to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed. These appear to be 2 bright, good people, but NOT the people we need right now. They have not demonstrated the interest or expertise to lead the change that needs to happen for police reform in our city.

I urge you to select two different nominees, similarly bright and good. Two nominees who have demonstrated their interest and connection to the communities most impacted by problematic policing, and their commitment to improving our police department and implementing the US DOJ recommendations.

I have read about the rules committee hearings, and I especially appreciated Gordon Mar's thoughtful insights and support around this issue, as well as Hilary Ronen's leadership.

Please know- I have lived in SF since 1991. I am a white woman, and have worked to support persons with disabilities my whole life. Many of my clients have unusual, harmless behaviors that are often misinterpreted by others as threatening, and they are at high risk for abuse by others and the police. I am deeply committed to equality for all. And I have watched with sadness over the years as my neighbors- of color, with disabilities, with other disadvantage- have had their rights violated. I am done watching.

Respectfully yours-

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Franciscan, born and raised, and an SF educator currently residing in the Richmond. I am writing to strongly urge you to **OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.**

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have **STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY.** This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

**NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS,** despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities **INCREASED** use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

**NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL,** even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly

about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

Dear Members of the Board of Supervisors,

I am a lifelong San Francisco resident currently residing in SOMA. I am writing to urge you to vote NO on the current nominees to the Police Commission, Nancy Tung and Geoffrey Gordon-Creed.

We need commissioners with commitment and experience rooted in justice advocacy. We need commissioners with real urgency to - at the very least - implement the 272 recommendations made by the US DOJ in the 2015 wake of police killings and the racist, homophobic texts that came to light. The current nominees do not have past actions which indicate they will take the need for police reform seriously. This is unacceptable in light of recent events across the nation, but also in memory of Alex Nieto, Mario Woods, and Luis Gongora Pat who were all murdered by SFPD with no accountability.

Thank you,

Ariel J

Dear Mayor Breed and the Board of Supervisors of San Francisco;

I am a San Francisco resident and I urge Mayor Breed to withdraw Nancy Tung and Geoffrey Gordon-Creed as nominees for the SF Police Commission and I urge the Board of Supervisors to vote “no” and oppose their nominations. They are not the people we need in this position. We need advocates of police reform, people with experience and commitment to racial justice, people with commitment to police reform and police accountability. Their histories and responses reveal that they do not meet the countries and this city’s current and overdue need. Please withdraw their nominations and/ or vote no and show that you will make meaningful changes.

Sincerely,  
Amy Hecht

As a 40-year resident of San Francisco, **I urge you to vote no on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed.** They have in no way shown themselves to be advocates of police reform which is urgently needed in San Francisco.

There are many other highly qualified candidates in San Francisco to choose from with solid experience working for police reform and social justice.

It is clear from the thousands of Bay Area residents protesting this past week that citizens will no longer tolerate the status quo. The Mayor's nominees represent just that: business as usual. They must not be allowed to serve on the Police Commission.

Now is the time for San Francisco to show leadership on this vital issue. Please demonstrate your commitment to positive change by bringing qualified candidates to the Police Commission.

Thank you,

The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Mayor Breed and the Board of Supervisors of San Francisco;

I am a San Francisco resident and have been one for over thirty years. I urge Mayor Breed to withdraw Nancy Tung and Geoffrey Gordon-Creed as nominees for the SF Police Commission and I urge the Board of Supervisors to oppose their nominations. They are not the people we need in this position. We need commissioners with a serious commitment to police reform, police accountability, and advocates of racial justice. Their histories and expressed positions reveal that they do not meet the country's and this city's current and overdue need.

Please withdraw their nominations and/or vote no, and select commissioners who will make meaningful changes.

Sincerely,  
Michael Fine  
of San Francisco

We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

Dear Board of Supervisors,

I am an SF voter in 94131.

I urge you to vote noon Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. They are not advocates of needed police reform. Urge Mayor Breed to withdraw these nominees and find nominees who are real advocates.

We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to **OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.**

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have **STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY.** This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

**NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS,** despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities **INCREASED** use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

**NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL,** even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Board of Supervisors,

I am urging you to to vote no on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed. They are not advocates of police reform, and, surely we would all agree that in this moment, advocates with a strong background, support of and vision for police reform is what is needed.

Thank you,

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. SUBJECT: VOTE NO ON POLICE COMMISSION NOMINEES TUNG AND GORDON-CREED

Dear Supervisor,

**As a 40-year resident of San Francisco, I urge you to vote no on Police Commission nominees Nancy Tung and Geoffrey Gordon-Creed.** They have in no way shown themselves to be advocates of police reform which is urgently needed in San Francisco.

There are many highly qualified candidates in San Francisco to choose from with solid experience working for police reform and social justice.

It is clear from the thousands of Bay Area residents protesting this past week that citizens will no longer tolerate the status quo. The Mayor's nominees represent just that: business as usual. They must not be allowed to serve on the Police Commission.

Now is the time for San Francisco to show leadership on this vital issue. Please demonstrate your commitment to positive change by bringing qualified candidates to the Police Commission.

Thank you,  
Louise Nayer

We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

As a local psychotherapist who treats a diverse population of children and families, I am acutely aware of the impact of racism especially as it relates to a basic sense of safety, a confidence that one's human rights will not be violated by those who are tasked with protection.

I, therefore, urge you to vote against Mayor Breed's nominees to the Police Commission, Geoffrey Gordon-Creed and Nancy Tung. We need to find commissioners that uphold the highest values of civic society and seek to reform the SFPD.

Very truly yours,  
Phyllis Shulman, Ph.D., MFT

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to you AGAIN to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY. This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS, despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities INCREASED use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL, even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA. She even accepted \$500 from RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY. The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can NEVER be trusted to hold SFPD officers ACCOUNTABLE. The POA DOES NOT REFLECT SAN FRANCISCO VALUES like tolerance, compassion, and diversity, but I do, and I hope you will, too.

NANCY TUNG OPPOSED ENDING CASH BAIL, which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline. Supervisors, I URGE YOU TO VOTE NO ON THE APPOINTMENTS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE SAN FRANCISCO POLICE COMMISSION.

Thank you,

Dear Supervisors and Mayor Breed,

I am a San Francisco resident and I am writing to strongly urge you to **OPPOSE THE NOMINATIONS OF NANCY TUNG AND GEOFFREY GORDON-CREED TO THE POLICE COMMISSION.**

I urge you to follow the recommendation of the Rules Committee to reject these nominees. Following 7 hours of hearings & public testimony, the vast majority of which was in opposition to the nominations of Nancy Tung and Geoffrey Gordon-Creed, the residents of San Francisco have made it clear that they demand nominees who better reflect San Francisco values as well as a desire for police accountability and real change.

Nancy Tung has taken positions contrary to the views and values of most San Franciscans and should not represent us on the Police Commission. Geoffrey Gordon-Creed is not qualified to serve on the Police Commission: he has no record of engaging on criminal justice issues or of representing communities impacted by policing policies.

Nancy Tung supported Proposition H, which would have **STRIPPED THE POLICE COMMISSION OF THE POWER TO OVERSEE TASER USE-OF-FORCE POLICY.** This neutering of civilian oversight is what drove Chief Scott and many other public safety leaders to oppose the proposition. We need Commissioners who respect the Police Commission, not people who support legislation to undermine the Commission. Gordon-Creed took no public position on Proposition H.

**NANCY TUNG CONTINUES TO SUPPORT GIVING TASER WEAPONS TO SF POLICE OFFICERS,** despite SF voters overwhelmingly rejecting deadly Taser weapons in 2018. Tasers do not replace guns, they replace de-escalation tactics; they are used in addition to and more broadly than guns. A UCSF Study found that deploying tasers in California cities **INCREASED** use of force and in-custody deaths. Nancy Tung is out of step with the majority of San Franciscans on adding yet another deadly weapon to our streets. A google search for Geoffrey Gordon-Creed "taser" reveals no results.

**NANCY TUNG OPPOSES CLOSING SAN FRANCISCO'S JUVENILE HALL,** even though the U.S. Department of Justice has documented human rights abuses at San Francisco's facility. Housing children in cages is 2,660% more expensive than utilizing restorative justice approaches. We need Police Commissioners who recognize that children don't belong in cages. **GORDON-CREED HAS NO RECORD ON JUVENILE LAW ISSUES** and no published position on closing Juvenile Hall.

As a candidate for District Attorney, Nancy Tung **ACCEPTED MONEY FROM THE POLARIZING AND CONSERVATIVE POA.** She even accepted \$500 from **RYAN CROSBY, WHOSE EXTREME RACIAL AND GENDER BIAS RESULTED IN A LAWSUIT AGAINST THE CITY.** The POA is a far-right organization that regularly condones heinous acts of police violence and trafficks in racist fear-mongering. By accepting their money, Tung made clear that she can **NEVER** be trusted to hold SFPD officers **ACCOUNTABLE.** The POA **DOES NOT REFLECT SAN FRANCISCO VALUES** like tolerance, compassion, and diversity, but I do, and I hope you will, too.

**NANCY TUNG OPPOSED ENDING CASH BAIL,** which incarcerates people on the basis of wealth and reinforces racial disparities in San Francisco's criminal justice system. Gordon-Creed has never written or spoken publicly about cash bail.

Nancy Tung has repeatedly OPPOSED PROSECUTING POLICE OFFICERS WHO WERE INVOLVED IN SHOOTINGS of San Francisco residents to date. AS WE'RE SEEING NOW IN MINNEAPOLIS, FAILING TO HOLD LAW ENFORCEMENT ACCOUNTABLE IS DETRIMENTAL TO PUBLIC SAFETY. We need Police Commissioners who recognize that a community's trust in law enforcement depends on how accountable law enforcement is to the community. There are no public statements from Gordon-Creed regarding the deadly shootings of Mario Woods, Luis-Gongora Pat, Alex Nieto, Jessica Williams or any other person killed by the SFPD.

We NEED civilian Police Commissioners who are INDEPENDENT from the Police Department they are supposed to monitor. We need Police Commissioners who will exercise meaningful independent oversight over the Police Department, especially with respect to disciplinary action.

San Francisco deserves Police Commissioners who not only represent the diversity of our city and prioritize victim's rights, but can also serve as an independent check on the police department. SAN FRANCISCO'S CHINESE AMERICAN COMMUNITY DESERVES REPRESENTATION on the police commission; MAYOR BREED, you must nominate people who REPRESENT SAN FRANCISCO VALUES, and who have demonstrated interest in and passion for setting police policy and overseeing police discipline.
