Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am a 30-year resident of Bernal Heights, recently retired after a 40-year career in fundraising and communications with the University of California. I am now working to make San Francisco even more livable for our diverse population -- not just for seniors, my own demographic -- but also for families, longtime residents, and low- and middle-income residents. Equitable access to open space, recreation, and cultural activities is especially important to me. I am very proud of SF's top-5 national standing in the Trust for Public Land's ParkScore index. I'd like to help make smart investments in parks and recreation so that these urban assets can promote safe, welcoming, and healthy neighborhoods.

Business and/or professional experience:

* Retired as executive director of communications for UC Berkeley's College of Engineering, topping a 40-year career in managing development and public affairs for higher education. Experience in strategic planning, long-range planning, budget development, and program assessment and evaluation, as well as marketing, outreach, grantwriting, and principal-gift fundraising.

* Currently president of the Wiegand Gallery Board of Directors at Notre Dame de Namur University. I've also served on the UC Santa Cruz Alumni Council and on many committees and task forces at UC Berkeley. I am a volunteer cycling coach and top fundraiser for the Leukemia & Lymphoma Society's Team in Training program.

Civic Activities:

As a member of the Tompkins Stairway Garden street park group, I wrote successful Community Challenge Grant and Carbon Fund applications that secured full funding for our project, now being built above the Alemany Farmers Market. I work closely with our fiscal sponsor, the SF Parks Alliance. Supervisor Ronen has been a staunch supporter of our project, and it would be an honor to serve as her appointee to PROSAC. I also volunteer with the 826 Valencia tutoring program, lead urban hikes for the Osher Lifelong Learning Institute, and am active with WalkSF, SPUR, and several local cycling and hiking clubs. And here's the best evidence of my love for the city's public spaces: I even pick up trash through SFPUC's Adopt-a-Drain program.
