Item 3 File 25-0977	Department: Office of Contract Administration (OCA)
EXECUTIVE SUMMARY	
Legislative Objectives - The proposed resolution would approve the fourth amendment to the contract between OCA and Universal Protection Service, LB, dba Allied Universal Security Services. The amendment extends the term by five months, from January 15, 2026 through June 14, 2026 and would increase the contract amount from \$9,994,000 to \$12,180,000. Key Points - In July 2022, the Office of Contract Administration (OCA) issued a Request for Proposals (RFP) for unarmed security guard services for Laguna Honda and San Francisco General hospitals. OCA initially awarded the contract to Black Bear Security Services Incorporated, which was the highest ranked proposal, beginning January 1, 2023. OCA and Black Bear mutually agreed to terminate the contract less than one month later at no cost to the City because Black Bear was not able to provide sufficient security guard staffing. OCA then awarded the contract to the next highest ranked responsive proposer, Allied. - Since the contract was awarded, it has been amended to add additional security guard posts to backfill security services that could no longer be provided by the Sheriff's Office due to staffing shortages. - Guards provided by the contractor are unarmed and must have at least five years of experience. Fiscal Impact - The billing rate for security guard services under this agreement is determined by a formula that adds together the prevailing wage rate for security guards and the contractor's markup; in this case, 73.23 percent, as determined in the procurement process. - The five-month contract extension is based on the average monthly expenditure of \$290,956 since the contract began in February 2023 plus a twenty percent contingency. - The contract is funded by the General Fund. Recommendation - Approve the proposed resolution.	

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In July 2022, the Office of Contract Administration (OCA) issued a Request for Proposals (RFP) for unarmed security guard services for Laguna Honda and San Francisco General hospitals. OCA initially awarded the contract to Black Bear Security Services Incorporated, which was the highest ranked proposal beginning January 1, 2023, as shown below in Exhibit 1.

Exhibit 1: Ranking of Responsive Proposers

Rank	Proposer	Total Proposal Score
1	Black Bear Security Services	215
2	Allied Universal Security Services	204
3	A1 Protected Services	162
4	ABA Protection	140
5	Treeline Security	114

Source: OCA

Less than one month later, OCA and Black Bear mutually agreed to terminate the contract at no cost to the City because Black Bear was not able to provide sufficient security guard staffing. OCA then awarded the contract to the next highest ranked responsive proposer Universal Protection Services, LP doing business as Allied Universal Security Services—and hereinafter referred to as Allied. The proposals were evaluated on minimum qualifications related to experience, state licensing and registration, and a guard tracking system (pass/fail), price (60 out of 300 points), written proposal (150 out of 300 points), and oral interviews (90 out of 300 points). Black Bear and Allied were the only two firms to qualify for oral interviews by scoring at least 110 points on their respective written proposals, according to OCA.

The initial two-year contract term with Allied began on February 15, 2023 through February 14, 2025 with a not-to-exceed amount of \$2.6 million for unarmed security guard services at San Francisco General Hospital (SFGH). This original not-to-exceed amount was based on 58,240 hours per and Allied's average hourly rate at the time of \$43.86.¹ After ten months, the Department of Public Health (DPH) added additional security guard posts and increased the annual hours to approximately 112,060 to address service gaps resulting from staffing shortages

¹ The hourly rate is based on Allied's markup of 73.23 percent over the 2023 hourly fully-loaded prevailing wage rate of \$25.32, according to OCA.

at the Sheriff's Office, which have limited the ability of the Sheriff's Office to provide adequate security coverage at SFGH. This resulted in the first contract amendment in March 2024 to increase the maximum expenditure by \$3.4 million to a total not to exceed \$6 million, and again in September 2024 to further increase the maximum expenditure by \$3,994,000 to a new total not to exceed \$9,994,000. According to OCA, other factors that increased security costs include security guard wage increases associated with experience, number of health care dependents, and prevailing wage adjustments; and the need for additional security during large-scale events or periods when security concerns are heightened. A third amendment was made in February 2025 to extend the contract term by 11 months to January 15, 2026.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the fourth amendment to the contract between OCA and Universal Protection Service, LB, dba Allied Universal Security Services. The amendment extends the term by five months, from January 15, 2026 through June 14, 2026 and would increase the contract amount from \$9,994,000 to \$12,180,000.

The total term of three years and four months is four months longer than the three-year term stated in the RFP used to procure this service. According to OCA, this fourth extension would provide time to issue a new request for proposals for a new security guard contract.

Additionally, the resolution authorizes OCA to enter into amendments or modifications to the contract that do not materially increase the obligations or liabilities to the City and are necessary to effectuate the purposes of the contract or the resolution.

Scope of Services

Under the agreement, security guards are required to perform general security functions. All security guards under this contract are unarmed. Their duties generally include the following:

- Respond to hospital emergencies, drills, or surveyor questions concerning emergency response plans;
- Investigate unusual or suspicious activity;
- Guard the premises against fire, theft, damage, and trespassing;
- Protect the safety of persons on sites;
- Keep peace and order at all times;
- Monitor all incoming and outgoing traffic;
- Ask visitors which floor they are going to and direct them accordingly;
- Be polite, welcoming, courteous, respectful, and responsive to visitors and hospital staff; and
- Be visible to the public, alert, and attentive at all times while on duty, among other responsibilities.

In addition, the security guards are required to provide incident reports to the DPH Director of Security and report threats to life and property to the Police Department.

Per the agreement, the security guard locations include: SFGH Building 5 Lobby, SFGH Urgent Care, SFGH Buildings 80 and 90, SFGH Building 9 Occupational Health Service, and SFGH Hospital Lobby – Building 25.

Prevailing Wage and Contractor Mark Up

The contract rate for security guard services under this agreement is determined by a formula that adds together the prevailing wage rate and the contractor's percentage markup. Prevailing wage is approved by the Board of Supervisors each year, based on surveys of market compensation for various industries for a particular job classification. The markup is an additional percentage that contractors add over the base costs (wages and benefits) to cover their overhead expenses, administrative costs, and profit margins. Under the agreement between OCA and Allied, the percentage markup is set at 73.23 percent.²

Training and Qualifications

According to the RFP, all security guards provided by the contractor must have five years of experience and be registered with the California Bureau of Security and Investigative Services, a state agency that licenses security guard firms and regulates the industry. In addition, security guards must have a high school education and be proficient in English.

Supervisors are required to train new guards and orient guards to new posts and assignments, according to the agreement. Allied is also required to execute a training program approved by the DPH Director of Security, including eight hours of site-specific training for new employees and as-needed refresher training, along with proof of training. At a minimum, the following training topics must be covered: site-specific operations protocols and building procedures; tenant base and services to the public; points of entry, and locations of egress and ingress; securing the premises, exterior and interior doors, and garage gate; and security system usage.

Performance Monitoring

Contractors are required to submit annual electronic usage reports detailing the total services rendered, conduct criminal background checks, as well as drug and alcohol testing for all security personnel.

All services performed under these agreements must adhere to the prevailing wage requirements as monitored and enforced by the Office of Labor Standards Enforcement (OLSE).

FISCAL IMPACT

The proposed resolution incorrectly states that the increase in the contract amount is \$2,189,000 for a total not to exceed \$12,183,000. Because of a rounding error, OCA will be amending these

² For the year 2025, the fully loaded prevailing wage rates for security guard services range from \$25.52 to \$33.58 per hour for straight time. In comparison, a Deputy Sheriff with the San Francisco Sheriff's Office can earn total compensation of as much as \$93.58 to \$128.79 per hour, depending on hire date (which determines fringe benefit levels).

amounts to reflect an increase of \$2,186,000 and a total not to exceed \$12,180,000, as stated in the proposed contract amendment and shown in Exhibit 2 below.

Exhibit 2: Actual and Projected Spending

Actual Spending	Amount
Year 1 (FY 2022-23) 4.5 months	\$185,000
Year 2 (FY 2023-24)	\$3,740,000
Year 3 (FY 2024-25)	\$3,910,000
Subtotal, Actual Spending	\$7,835,000
Projected Spending	
Year 4 (FY 2025-26)	\$4,345,000
Total Not To Exceed	\$12,180,000

Source: BLA review of OCA data

The proposed increase to the not-to-exceed amount is based on a historical monthly expenditure of \$290,956 since the contract began in February 2023 and 20 percent contingency. Without the contingency, the spending in FY 2025-26 would be approximately \$3.6 million.

Funding Sources

The funding source for the contract is General Fund.

If such a possessory interest is created, then the following shall apply.

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

(a) Halting the performance of all obligations under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for Services.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any obligations that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth the cost of all Services delivered prior to City's notice of termination. City's payment obligation pursuant to this Subsection 8.1.3 shall be subject to Section 3.3.2 of this Agreement.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically listed in Section 8.1.2. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services rendered by Contractor under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.2.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for the Services rendered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any

Service rendered by Contractor under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement

8.2 Termination for Default; Remedies.

If Contractor defaults a second time in the same manner as a prior default cured by Contractor, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors' relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor's property; or (v) takes action for the purpose of any of the foregoing.

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where

applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. This Section 8.2.2 shall survive termination of this Agreement.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 Non-Waiver of Rights.

The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

AFL 21-28.3

TO: Skilled Nursing Facilities

SUBJECT: Coronavirus Disease 2019 (COVID-19) Testing, Vaccination Verification and Personal Protective Equipment (PPE) for Health Care Personnel (HCP) at Skilled Nursing Facilities (SNF)
(This AFL supersedes AFL 21-28.2)

All Facilities Letter (AFL) Summary

This AFL requires SARS-CoV-2 diagnostic screening testing for HCP in SNFs.

- The Public Health Order issued July 26, 2021 related to unvaccinated workers in high risk setting becomes effective August 9, 2021.
- This AFL requires SNFs to develop and implement processes for verifying the vaccination status of all HCP and for obtaining and tracking documentation of results of SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or incompletely vaccinated and includes additional PPE requirements. These requirements are effective August 9th and should begin as soon as reasonably possible, with full compliance no later than August 23, 2021.
- This AFL revision notifies all facilities of the February 22, 2022 Public Health Order and requires HCP to be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. The revision also allows HCP who have completed their primary vaccination series and provide proof of subsequent COVID19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. This revision also requires at least twice weekly COVID-19 testing for all HCP for unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster in long-term care settings. Facilities must begin testing of all booster-eligible HCP who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022.

The California Department of Public Health (CDPH) strongly recommends that all HCP in SNFs (including those that are fully vaccinated and boosted) undergo at least twice weekly screening testing.

[1] Background

Coinciding with increasing circulation of more transmissible variants of the SARS-CoV-2 virus, COVID-19 cases are rising rapidly with the majority of cases occurring in unvaccinated individuals. The recent emergence of the Omicron variant further emphasizes the importance of vaccination, boosters, and prevention efforts, including testing and masking, needed to continue protecting against COVID-19. Early data also suggest the increased transmissibility of the Omicron variant is two to four times as infectious as the Delta variant. Recent evidence also shows that among healthcare workers, vaccine effectiveness against COVID-19 infection is also decreasing over time.

In an ongoing effort to ensure resident safety, and to minimize the spread of COVID-19 among vulnerable individuals, CDPH is requiring SNFs to develop and implement processes for verifying the vaccination status of all HCP, and for obtaining and tracking documentation of twice-weekly SARS-CoV-2 diagnostic screening testing of all unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster.

In accordance with Public Health Officer Order – Health Care Worker Vaccine Requirement issued February 22, 2022, CDPH is requiring HCP to be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. HCP who have completed their primary vaccination series and provide proof of subsequent COVID-19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. HCP not yet

eligible for boosters or who show proof of infection must be in compliance no later than 15 days after the recommended timeframe for receiving the booster dose. Additionally, all unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster must be tested for COVID-19 at least twice weekly. Facilities must begin testing of all booster-eligible HCP who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022.

CDPH strongly recommends that all SNF HCP (including those that are fully vaccinated and boosted) undergo at least twice weekly screening testing.

[2] Options for Providing Proof of Vaccination

Per the CDPH Guidance for Vaccine Records Guidelines & Standards, only the following modes may be used as proof of vaccination:

- COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card) which includes name of person vaccinated, type of vaccine provided, and date last dose administered); OR a photo of a Vaccination Record Card as a
- separate document; OR a photo of the client's Vaccination Record Card stored on a phone or electronic
- device; OR documentation of COVID-19 vaccination from a healthcare provider; OR digital record that
- includes a QR code that when scanned by a SMART Health Card reader displays to the reader client name,
- date of birth, vaccine dates and vaccine type; OR documentation of vaccination from other contracted employers who follow these vaccination guidelines and standards.
-

HCP may access their digital vaccination record by using the Digital COVID-19 Vaccine Record website.

In the absence of knowledge to the contrary, an employer may accept the documentation presented as valid. Facilities must have a plan in place for tracking verified worker vaccination status. Documentation of the verification must be kept on file at the facility and made available upon request by CDPH or the local public health department.

[3] Updated Routine Diagnostic Screening Testing of Unvaccinated Exempt or Booster Eligible HCP

- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster must undergo **at least twice-weekly** SARS-CoV-2 diagnostic screening testing.
- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster that work no more than one shift per week must undergo **weekly** SARS-CoV-2 diagnostic screening testing, and the testing should occur within 48 hours before their shift.
- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster that work less often than weekly must undergo SARS-CoV-2 diagnostic screening testing, and the testing should occur within 48 hours before **each shift**.
- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster that do not work in areas where care is provided to patients, or to which patients do not have access for any purpose, must undergo **weekly** SARS-CoV-2 diagnostic screening testing.

SNFs can provide antigen testing or polymerase chain reaction (PCR) testing to HCP. HCP may choose to use antigen or PCR tests provided by the SNF to satisfy this requirement. HCP that are unvaccinated or incompletely vaccinated shall be tested at **the cadence specified above** with either PCR testing or antigen testing. Any PCR (molecular) or antigen test used must either have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

HCP that are unvaccinated or incompletely vaccinated must observe all other infection control requirements, including masking, and are not exempted from the testing requirement even if they have a medical contraindication to vaccination, since they are still potentially able to spread the illness. Previous history of COVID-19 from which the individual recovered more than 90 days earlier or a previous positive antibody test for COVID-19 does not waive this requirement. HCP with COVID-19 should be excluded from work for the duration of their isolation period. SNFs should follow CDC Guidance on Mitigating Staffing Shortages, and CDC Return to Work guidance to determine when HCP may return to work.

For additional information about response testing, diagnostic testing of symptomatic HCP, diagnostic screening testing of asymptomatic fully vaccinated HCP, testing for patients, plans for use of test results, and procedures for work exclusion please refer to AFL 20-53.6.

Employers who conduct workplace diagnostic screening testing should have a plan in place for tracking test results, conducting workplace contact tracing and response testing, and reporting results to public health departments. There are IT platforms available that can facilitate these processes for employers. Employers should also consult CDPH/CDC guidance on workplace screening testing for additional cohort specific considerations. Testing is not a substitute for other COVID-19 prevention measures, such as vaccination, mask wearing, physical distancing, improved ventilation, hand hygiene and cleaning and disinfection.

Health care facilities should continue to implement strategies to increase, maintain, and track vaccination coverage among HCP as high as possible, including verifying vaccination status of new hires, and offering education, listening sessions, counseling, and vaccination at every opportunity, even to those HCP who have previously refused.

[4] Additional Personal Protective Equipment and Masking for Unvaccinated HCP

The Aerosol Transmissible Disease (ATD) Standard (Title 8 of the California Code of Regulations section 5199) requires all employees working in an area or residence where a suspected or confirmed COVID-19 case is present to use National Institute for Occupational Safety and Health (NIOSH) approved respirators. An N95 is the minimum protection permitted for these employees. A higher level of respiratory protection is required for certain medical procedures. Health facilities are covered by the ATD Standard.

The COVID-19 Emergency Temporary Standard (ETS) (Title 8, sections 3205 – 3205.4) requires employers to provide NIOSH approved respirators, such as N95s, upon request to employees who are unvaccinated or incompletely vaccinated and who are working indoors or in vehicles with more than one person.

Pursuant to the July 26, 2021 Public Health Order, all facilities identified in the Order must strictly adhere to current CDPH Masking Guidance. To the extent they are already applicable, facilities must also continue to adhere to Cal/OSHA's standards for ATD and ETS.

In addition to respirators required under Title 8 of the California Code of Regulations, **facilities must provide respirators to all unvaccinated or workers who work in indoor work settings where (1) care is provided to patients or residents, or (2) to which patients or residents have access for any purpose.** Workers are strongly encouraged to wear respirators in all such settings. The facility must provide the respirators at no cost, and workers must be instructed how to properly wear the respirator and how to perform a seal check according to the manufacturer's instructions, if this has not already occurred.

SNFs may submit any questions about infection prevention and control of COVID-19 to the CDPH Healthcare Associated Infections Program via email at HAIPProgram@cdph.ca.gov.

If you have any questions about this AFL, please contact the CDPH Healthcare-Associated Infections Program via email at HAIPProgram@cdph.ca.gov.

If you have any questions about state testing prioritization plans, please contact the Testing Taskforce at testing.taskforce@state.ca.gov.

[5] People are considered fully vaccinated for COVID-19: two weeks or more after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna or vaccine authorized by the World Health

Organization), or two weeks or more after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen).

[7] Healthcare Personnel (HCP) refers to all paid and unpaid persons serving in healthcare settings who have the potential for direct or indirect exposure to patients or infectious materials, including body substances (e.g., blood, tissue, and specific body fluids); contaminated medical supplies, devices, and equipment; contaminated environmental surfaces; or contaminated air. HCP include, but are not limited to, nurses, nursing assistants, physicians, technicians, therapists, phlebotomists, pharmacists, students and trainees, contractual staff not employed by the healthcare facility, and persons not directly involved in patient care, but who could be exposed to infectious agents that can be transmitted in the healthcare setting (e.g., clerical, dietary, environmental services, laundry, security, engineering and facilities management, administrative, billing, and volunteer personnel). For purposes of this guidance, this does not include HCP in other buildings in a site containing a High-Risk Setting, such as a campus or other similar grouping of related buildings, unless such personnel do any of the following: (i) access the acute care or patient areas of the High-Risk Setting; or (ii) work in-person with patients who visit those areas.

I. INTRODUCTION AND SOLICITATION SCHEDULE

A. Introduction

1. General

This Request for Proposals (hereinafter “RFP” or “Solicitation”) is being issued by the Office of Contract Administration (hereinafter, “OCA” or “City”). OCA, on behalf of the San Francisco Department of Public Health (“DPH”), is seeking qualified suppliers (“Proposers”) to provide proposals for unarmed security guard services (Proposal). This solicitation covers ~~three~~ **two** different Aggregates and will lead to the award of two different contracts, one contract per Aggregate. The Aggregates are as follows:

Aggregate #	Location Covered by this Aggregate
1	Zuckerberg San Francisco General Hospital, located at 1001 Potrero Avenue, San Francisco, CA 94110
2	Laguna Honda Hospital, located at 375 Laguna Honda Blvd., San Francisco, CA 94116

City shall order goods and/or services covered by the awarded contract(s) through the issuance of individual Purchase Orders and/or Task Orders which shall be released against the awarded contract(s) during the contract term.

2. Selection Overview

The City shall award a contract to the Proposer that meets the Minimum Qualifications of this Solicitation whose Proposal receives the highest ranking score for each aggregate. Responsive Proposals will be evaluated by a panel (“Evaluation Panel”) consisting of one or more parties with expertise related to goods and/or services being procured through this Solicitation. The Evaluation Panel may include staff from various City departments. Proposals will be evaluated based on the criteria outlined herein. If applicable, a Contract Monitoring Division (CMD) Contract Compliance Officer will assess Proposal compliance with Local Business Enterprise (LBE) requirements and assign a rating bonus to Proposal scores. The CMD-adjusted scores (if applicable) will then be tabulated, and Proposers will be ranked by aggregate starting with the Proposer receiving the highest score, then continuing with the Proposer receiving the second highest score, and so on.

B. Anticipated Contract Term

A contract awarded pursuant to this Solicitation shall be non-exclusive with a term of three (3) years.

C. Anticipated Contract Not to Exceed Amount

The not to exceed (“NTE”) amount for a contract awarded pursuant to this Solicitation cannot be anticipated at the time of this Solicitation but shall be based on the selected Proposal which is based on City’s estimated annual need. Should City’s actual need exceed City’s estimated annual need or should the contract be extended, the NTE may proportionally increase as well.

D. Indefinite Quantity, As-Needed Contract

A contract awarded pursuant to this Solicitation will result in a term, indefinite quantities, as-needed contract. There is no guarantee of a minimum amount of goods or services for any of the Proposers selected for contract negotiations or for the awarded Proposer(s). Unless otherwise specified herein, deliveries and services will be required in quantities and at times as ordered during the period of the contract. Estimated quantities, if any, stated in this Solicitation are approximations only. City, in its sole discretion, may purchase any greater or lesser quantity. City

may also make purchases of items awarded pursuant to this Solicitation from other suppliers when City determines, in its sole discretion, that it is in the best interest of the City to do so.

E. Cooperative Agreement

Any other City department, public entity or non-profit made up of multiple public entities, may use the results of this Solicitation to obtain some or all of the commodities or services to be provided by Proposer under the same terms and conditions of any contract awarded pursuant to this Solicitation.

F. Public Disclosure

All documents under this solicitation process are subject to public disclosure per the California Public Records Act (California Government Code Section §6250 et. Seq) and the San Francisco Sunshine Ordinance (San Francisco Administrative Code Chapter 67). Contracts, Proposals, responses, and all other records of communications between the City and Proposers shall be open to inspection immediately after a contract has been awarded. Nothing in this Administrative Code provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit.

If the City receives a Public Records Request ("Request") pertaining to this solicitation, City will use its best efforts to notify the affected Proposer(s) of the Request and to provide the Proposer with a description of the material that the City deems responsive and the due date for disclosure ("Response Date"). If the Proposer asserts that some or all of the material requested contains or reveals valuable trade secret or other information belonging to the Proposer that is exempt from disclosure and directs the City in writing to withhold such material from production ("Withholding Directive"), then the City will comply with the Withholding Directive on the condition that the Proposer seeks judicial relief on or before the Response Date. Should Proposer fail to seek judicial relief on or before the Response Date, the City shall proceed with the disclosure of responsive documents.

G. Limitation on Communications During Solicitation

From the date this Solicitation is issued until the date the competitive process of this Solicitation is completed (either by cancelation or final Award), Proposers and their subcontractors, vendors, representatives and/or other parties under Proposer's control, shall communicate solely with the Contract Administrator whose name appears in this Solicitation. Any attempt to communicate with any party other than the Contract Administrator whose name appears in this Solicitation – including any City official, representative or employee – is strictly prohibited. Failure to comply with this communications protocol may, at the sole discretion of City, result in the disqualification of the Proposer or potential Proposer from the competitive process. This protocol does not apply to communications with the City regarding business not related to this Solicitation.

Proposers who fail to submit questions concerning this Solicitation and its requirements will waive all further rights to protest based on the specifications and conditions herein. **Questions must be submitted by email to the Contract Administrator whose name and contact information appears on the cover page of this Solicitation no later than the deadline for submission of written questions or requests for clarification.** A written Addendum will be executed addressing each question and answer and posted publicly. It is the responsibility of the Proposer to check for any Addenda and other updates that will be posted on the City's Supplier Portal: <https://sfcitypartner.sfgov.org/pages/Events-BS3/event-search.aspx>.

The document must have page margins of at least .5" on all sides. Information must be provided at a level of detail that enables effective evaluation and comparison between Proposals. Failure to follow formatting, submission, or content requirements, as well as page limit restrictions (if any), may negatively impact the evaluation of your Proposal.

3. Time and Place for Submission of Proposals

Prior to the Proposal submission deadline, Proposers must upload their complete Proposals into the City's Supplier Portal: <https://sfcitypartner.sfgov.org/pages/index.aspx>. Late submissions will not be considered. Each original Proposal received will be screened to ensure that all content required by this Solicitation is included. Partial or complete omission of any required content may disqualify Proposals from further consideration. Late Proposal submissions will not be considered and failure to adhere to the above requirements may result in the complete rejection of your Proposal.

Proposers are encouraged to upload their Proposals to the SF Supplier Portal as early as possible to address any technical issues that may arise during the submission process. In the event a Proposer is unable to upload its complete Proposal into the SF Supplier Portal, Proposer must email its Proposal to the Contract Administrator whose name and contact information appears on the cover page of this Solicitation prior to the Proposal submission deadline and request confirmation of receipt. Proposer must include in its email: (a) documentation (e.g. screenshots) verifying its inability to upload its Proposal into the SF Supplier Portal and (b) a detailed justification explaining why it was not able to have the issue addressed prior to the submission deadline.

K. Proposal Selection

The acceptance and/or selection of any Proposal(s) shall not imply acceptance by the City of all terms of the Proposal(s), which may be subject to further approvals before the City may be legally bound thereby.

L. Contract Terms and Negotiations

The successful Proposer will be required to enter into the Agreement attached hereto as Attachment 1, City's Proposed Agreement Terms. **City's Proposed Agreement Terms are not subject to negotiation.** However, Proposers may identify those contract terms to which they object as part of the questions they submit by the Questions Due Date. City shall evaluate all

objections and determine what, if any changes, will be incorporated into City's Proposed Agreement Terms prior to the Proposal Due Date. Any such changes will be made known to all Proposers through an Addendum to this Solicitation. Failure to timely execute the Proposed Agreement, or to furnish any and all insurance certificates and policy endorsements, surety bonds or other materials required in the Proposed Agreement, shall be deemed an abandonment of the Proposal and City, in its sole discretion, may select another Proposer and proceed against the original selectee for damages.

The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

4. Delivery of Protests

A Notice of Protest must be written. Protests made orally (e.g., by telephone) will not be considered. A Notice of Protest must be delivered by mail or email to the Contract Administrator whose name and contact information appears on the cover page to this Solicitation and received by the due dates stated above. A Notice of Protest shall be transmitted by a means that will objectively establish the date the City received the Notice of Protest. If a Notice of Protest is mailed, the protestor bears the risk of non-delivery within the deadlines specified herein.

II. CITY'S SOCIAL POLICY REQUIREMENTS

The San Francisco Municipal Code establishes a number of requirements for people seeking to do business with the City ("Social Policy Requirements"). These Social Policy Requirements can be found in Attachment 1, City's Proposed Agreement Terms. The Social Policy Requirements set forth below are NOT intended to be a complete list of all Social Policy Requirements applicable to this Solicitation and any contracts awarded from it. Proposers are

encouraged to carefully review the Social Policy Requirements applicable to this Solicitation contained in Attachment 1, City's Proposed Agreement Terms.

A. Proposers Unable to do Business with the City

1. Generally

Proposers that do not comply with laws set forth in San Francisco's Municipal Codes may be unable to enter into a contract with the City. Laws applicable to this Solicitation are set forth below and in Attachment 1, City's Proposed Agreement Terms.

2. Administrative Code Chapter 12X

Subject to certain exceptions, Proposers are advised that this Solicitation is subject to the requirements of Administrative Code Chapter 12X, which prohibits the City from entering into a contract with a Proposer that (a) has its headquarters in a state that has enacted a law that perpetuates discrimination against LGBT people and/or has enacted a law that prohibits abortion prior to the viability of the fetus, or (b) will perform any or all of the work on the contract in such a state. Chapter 12X requires the City Administrator to maintain a list of such states, defined as "Covered States" under Administrative Code Sections 12X.2 and 12X.12. The list of Covered States is available on the website of the City Administrator (<https://sfgsa.org/chapter-12x-state-ban-list>). Proposers will be required to certify compliance with Chapter 12X as part of their Proposal, unless the City determines that a statutory exception applies. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

3. Administrative Code Chapter 12B

A Proposer selected pursuant to this Solicitation may not, during the term of the Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

B. Prevailing Wage Ordinance

Services to be performed by a Proposer selected pursuant to this Solicitation may involve the performance of trade work covered by the provisions of Section 6.22(e) [Prevailing Wages] of the Administrative Code or Section 21C [Miscellaneous Prevailing Wage Requirements] (collectively, "Covered Services"). The provisions of Section 6.22(e) and 21C of the Administrative Code are incorporated as provisions of the Agreement awarded as part of this Solicitation as though fully set forth therein and will apply to any Covered Services performed by the awarded Proposer and its subcontractors. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

C. Health Care Accountability Ordinance

A Proposer selected pursuant to this Solicitation shall comply with the requirements of Chapter 12Q. For each Covered Employee, an awarded Proposer shall provide the appropriate health benefit set forth in Section 12Q.3 of the Health Care Accountability Ordinance (HCAO). If a Proposer selected pursuant to this Solicitation chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q and the Health Commission's minimum standards are available at <http://sfgov.org/olse/hcao>. Any Subcontract entered into by Proposer shall also be required to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this section. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

D. Minimum Compensation Ordinance

A Proposer selected pursuant to this Solicitation shall comply with Administrative Code Chapter 12P. A Proposer selected pursuant to this Solicitation shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. A Proposer selected pursuant to this Solicitation is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

E. First Source Hiring Program

A Proposer selected pursuant to this Solicitation shall comply with all of the provisions of the First Source Hiring Program, Chapter 83 of the San Francisco Administrative Code that apply to this Agreement and an awarded Proposer is subject to the enforcement and penalty provisions in Chapter 83. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

F. Sweatfree Procurement

A contract awarded pursuant to this Solicitation shall be subject to Chapter 12U of the San Francisco Administrative Code ("Sweatfree Ordinance" or "Chapter 12U"). When awarding a contract to a Proposer, the City's selection decision will depend on Proposers' responses to Sweatfree Contracting Compliance Forms P-12U-C and P-12U-I, attached hereto as Attachment 9. *Refer to Attachment 1, City's Proposed Agreement Terms for additional details related to the application of this Ordinance to a contract awarded pursuant to this Solicitation.*

1. **Information about Contractor and Subcontractors.** Proposers selected pursuant to this Solicitation must complete and return two forms prior to executing a Contract and/or upon issuance of quotes pursuant to an Awarded Contract, as detailed below.

a. **Sweatfree Contracting Compliance Form P-12U-C:** In this form, the Proposer specifies those Ordinance requirements with which Proposer and its subcontractors shall comply during the Contract term. Where the proposed pricing between Proposers is 15% or less apart, the Proposer with the highest percentage of "Yes" responses to the questions on this form will be deemed the most compliant and awarded the contract.

b. **Sweatfree Ordinance Information Form P-12U-I:** In this form, the Proposer identifies all subcontracts covered by the Sweatfree Ordinance. A copy of the form shall be provided prior to each Purchase Order issued against an Awarded Contract.

2. **Information from Potential Subcontractors.** Proposers are responsible for requesting all required information from their potential subcontractors. When a Proposer identifies a potential subcontract that is covered by the Ordinance, the Proposer shall ask the potential subcontractor to review the Ordinance and the required forms. This process should continue through lower tiers of potential subcontractors, stopping only when a subcontractor makes no purchases that qualify as subcontracts under the Ordinance.

3. **Subcontracts and Subcontractors.** The definitions of “subcontract” and “subcontractor” in Chapter 12U affect how the prime contractor and subcontractors complete Forms P-12U-C and P-12U-I.

a. **First-Tier Subcontract:** The Ordinance defines a “First-Tier Subcontract” as a subcontract **of any amount** for any work pursuant to the prime contractor’s contract with the City.

b. **Lower-Tier Subcontract:** The Ordinance defines a “Lower-Tier Subcontract” as an agreement between a first-tier (or lower) subcontractor and a second-tier (or lower) subcontractor for work for the City contract, except that the subcontract must be at least \$25,000, or at least 10% of the higher-tier subcontract, whichever is less (“10%/\$25KTest”). The 10%/\$25K test applies only to the amount of product being purchased by a subcontractor to fill the City’s order. For example, prime contractor A issues a \$50,000 subcontract to company B to help fill a City purchase order. B in turn buys \$4,000 worth of cloth to fill that order. The \$4,000 purchase is part of a \$25,000 order to B’s usual cloth manufacturer, company C. The \$25,000 order from B to C is not a covered subcontract under the Ordinance because the \$4,000 portion of the order attributable to the City work does not meet the 10%/\$25K test.

G. Other Social Policy Provisions

Attachment 1, City’s Proposed Agreement Terms, identifies the City’s applicable social policy provisions related to a contract awarded pursuant to this Solicitation. Proposers are encouraged to carefully review these terms and ensure they are able to comply with them.

XII. TERMS AND CONDITIONS FOR RECEIPT OF PROPOSALS

A. Cybersecurity Risk Assessment

As part of City's evaluation process, City may engage in Cybersecurity Risk Assessment (CRA). CRA may be performed for each entity manufacturing the product, performing technical functions related to the product's performance, and/or accessing City's networks and systems. Where a prime contractor or reseller plays an active role in each of these activities, CRA may also be required for the prime contractor or reseller.

To conduct a CRA, City may collect as part of this Solicitation process one of the following two reports:

2. **City's Cyber Risk Assessment Questionnaire:** Proposer's responses to a City's Cyber Risk Assessment Questionnaire.

Such remediation and continuing compliance shall be subject to City's on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities' cybersecurity program, penetration testing, and/or code reviews.

B. Solicitation Errors and Omissions

Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation. Any such notification should be directed to the City promptly after discovery, but in no event later than the deadline for questions. Modifications and clarifications will be made by Addenda as provided below.

C. Objections to Solicitation Terms

Should a Proposer object on any ground to any provision or legal requirement set forth in this Solicitation, the Proposer must, no later than the deadline for questions, provide written notice to the City setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

D. Solicitation Addenda

The City may modify this Solicitation, prior to the Proposal due date, by issuing an Addendum to the Solicitation, which will be posted on the San Francisco Supplier Portal. Every Addendum will create a new version of the Sourcing Event and Proposers must monitor the event for new versions. **The Proposer shall be responsible for ensuring that its Proposal reflects any**

and all Solicitation Addenda issued by the City prior to the Proposal due date regardless of when the Proposal is submitted. Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the Proposal due date, to determine if the Proposer has downloaded all Solicitation Addenda. It is the responsibility of the Proposer to check for any Addenda, Questions and Answers documents, and updates, which may be posted to the subject Solicitation.

THE SUBMITTAL OF A RESPONSE TO THIS SOLICITATION SHALL EXPLICITLY STIPULATE ACCEPTANCE BY THE PROPOSERS OF THE TERMS FOUND IN THIS SOLICITATION, ANY AND ALL ADDENDA ISSUED TO THIS SOLICITATION, AND THE PROPOSED CONTRACT TERMS.

E. Proposal Term

Submission of a Proposal signifies that the proposed products, services and prices are valid for 180 calendar days from the Proposal due date and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity. At Proposer's election, the Proposal may remain valid beyond the 180-day period in the circumstance of extended negotiations.

F. Revision to Proposal

A Proposer may revise a Proposal on the Proposer's own initiative at any time before the deadline for submission of Proposals. The Proposer must submit the revised Proposal in the same manner as the original. A revised Proposal must be received on or before, but no later than the Proposal due date and time. In no case will a statement of intent to submit a revised Proposal, or commencement of a revision process, extend the Proposal deadline for any Proposer. At any time during the Proposal evaluation process, the City may require a Proposer to provide oral or written clarification of its Proposal. The City reserves the right to make an award without further clarifications of Proposals received.

G. Proposal Errors and Omissions

Failure by the City to object to an error, omission, or deviation in the Proposal will in no way modify the Solicitation or excuse the Proposer from full compliance with the specifications of this Solicitation or any contract awarded pursuant to this Solicitation.

H. Financial Responsibility

The City accepts no financial responsibility for any costs incurred by a Proposer in responding to this Solicitation. Proposers acknowledge and agree that their submissions in response to this Solicitation will become the property of the City and may be used by the City in any way deemed appropriate.

1. Submission of a Proposal in response to this Solicitation may subject the Proposers to restrictions under Campaign and Governmental Conduct Code Section 1.126, which prohibits City contractors, Proposers, and their affiliates from making political contributions to certain City elective officers and candidates; and

2. Before submitting a Proposal in response to this Solicitation, Proposers are required to notify their affiliates and subcontractors listed in the awarded contract or Proposal of the political contribution restrictions set forth in Campaign and Governmental Conduct Code section 1.126.

A violation of Section 1.126 may result in criminal, civil, or administrative penalties. For further information, Proposers should contact the San Francisco Ethics Commission at [\(415\) 252-3100](tel:415-252-3100) or go to <https://sfethics.org/compliance/city-officers/city-contracts/city-departments/notifying-bidders-and-potential-bidders>.

8.3 Non-Waiver of Rights.

The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

AFL 21-28.3

TO: Skilled Nursing Facilities

SUBJECT: Coronavirus Disease 2019 (COVID-19) Testing, Vaccination Verification and Personal Protective Equipment (PPE) for Health Care Personnel (HCP) at Skilled Nursing Facilities (SNF)
(This AFL supersedes AFL 21-28.2)

All Facilities Letter (AFL) Summary

This AFL requires SARS-CoV-2 diagnostic screening testing for HCP in SNFs.

- The Public Health Order issued July 26, 2021 related to unvaccinated workers in high risk setting becomes effective August 9, 2021.
- This AFL requires SNFs to develop and implement processes for verifying the vaccination status of all HCP and for obtaining and tracking documentation of results of SARS-CoV-2 diagnostic screening testing from HCP who are unvaccinated or incompletely vaccinated and includes additional PPE requirements. These requirements are effective August 9th and should begin as soon as reasonably possible, with full compliance no later than August 23, 2021.
- This AFL revision notifies all facilities of the February 22, 2022 Public Health Order and requires HCP to be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. The revision also allows HCP who have completed their primary vaccination series and provide proof of subsequent COVID19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. This revision also requires at least twice weekly COVID-19 testing for all HCP for unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster in long-term care settings. Facilities must begin testing of all booster-eligible HCP who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022.

The California Department of Public Health (CDPH) strongly recommends that all HCP in SNFs (including those that are fully vaccinated and boosted) undergo at least twice weekly screening testing.

[1] Background

Coinciding with increasing circulation of more transmissible variants of the SARS-CoV-2 virus, COVID-19 cases are rising rapidly with the majority of cases occurring in unvaccinated individuals. The recent emergence of the Omicron variant further emphasizes the importance of vaccination, boosters, and prevention efforts, including testing and masking, needed to continue protecting against COVID-19. Early data also suggest the increased transmissibility of the Omicron variant is two to four times as infectious as the Delta variant. Recent evidence also shows that among healthcare workers, vaccine effectiveness against COVID-19 infection is also decreasing over time.

In an ongoing effort to ensure resident safety, and to minimize the spread of COVID-19 among vulnerable individuals, CDPH is requiring SNFs to develop and implement processes for verifying the vaccination status of all HCP, and for obtaining and tracking documentation of twice-weekly SARS-CoV-2 diagnostic screening testing of all unvaccinated exempt HCP and booster-eligible HCP who have not yet received their booster.

In accordance with Public Health Officer Order – Health Care Worker Vaccine Requirement issued February 22, 2022, CDPH is requiring HCP to be up to date with vaccinations and receive boosters by March 1, 2022, unless exempt. HCP who have completed their primary vaccination series and provide proof of subsequent COVID-19 infection may defer booster administration for up to 90 days from the date of clinical diagnosis or first positive test, which in some situations, may extend the booster dose requirement beyond March 1st. HCP not yet eligible for boosters or who show proof of infection must be in compliance no later than 15 days after the recommended timeframe for receiving the booster dose. Additionally, all unvaccinated exempt HCP and

booster-eligible HCP who have not yet received their booster must be tested for COVID-19 at least twice weekly. Facilities must begin testing of all booster-eligible HCP who have not yet received their booster by December 27, 2021 and be in full compliance by January 7, 2022.

CDPH strongly recommends that all SNF HCP (including those that are fully vaccinated and boosted) undergo at least twice weekly screening testing.

[2] Options for Providing Proof of Vaccination

Per the CDPH Guidance for Vaccine Records Guidelines & Standards, only the following modes may be used as proof of vaccination:

- COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card) which includes name of person vaccinated, type of vaccine provided, and date last dose administered); OR a photo of a Vaccination Record Card as a
- separate document; OR a photo of the client's Vaccination Record Card stored on a phone or electronic
- device; OR documentation of COVID-19 vaccination from a healthcare provider; OR digital record that
- includes a QR code that when scanned by a SMART Health Card reader displays to the reader client name,
- date of birth, vaccine dates and vaccine type; OR documentation of vaccination from other contracted employers who follow these vaccination guidelines and standards.

HCP may access their digital vaccination record by using the Digital COVID-19 Vaccine Record website.

In the absence of knowledge to the contrary, an employer may accept the documentation presented as valid. Facilities must have a plan in place for tracking verified worker vaccination status. Documentation of the verification must be kept on file at the facility and made available upon request by CDPH or the local public health department.

[3] Updated Routine Diagnostic Screening Testing of Unvaccinated Exempt or Booster Eligible HCP

- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster must undergo **at least twice-weekly** SARS-CoV-2 diagnostic screening testing.
- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster that work no more than one shift per week must undergo **weekly** SARS-CoV-2 diagnostic screening testing, and the testing should occur within 48 hours before their shift.
- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster that work less often than weekly must undergo SARS-CoV-2 diagnostic screening testing, and the testing should occur within 48 hours before **each shift**.
- HCP who are unvaccinated exempt or booster-eligible HCP who have not yet received their booster that do not work in areas where care is provided to patients, or to which patients do not have access for any purpose, must undergo **weekly** SARS-CoV-2 diagnostic screening testing.

SNFs can provide antigen testing or polymerase chain reaction (PCR) testing to HCP. HCP may choose to use antigen or PCR tests provided by the SNF to satisfy this requirement. HCP that are unvaccinated or incompletely vaccinated shall be tested at **the cadence specified above** with either PCR testing or antigen testing. Any PCR

(molecular) or antigen test used must either have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

HCP that are unvaccinated or incompletely vaccinated must observe all other infection control requirements, including masking, and are not exempted from the testing requirement even if they have a medical contraindication to vaccination, since they are still potentially able to spread the illness. Previous history of COVID-19 from which the individual recovered more than 90 days earlier or a previous positive antibody test for COVID-19 does not waive this requirement. HCP with COVID-19 should be excluded from work for the duration of their isolation period. SNFs should follow CDC Guidance on Mitigating Staffing Shortages, and CDC Return to Work guidance to determine when HCP may return to work.

For additional information about response testing, diagnostic testing of symptomatic HCP, diagnostic screening testing of asymptomatic fully vaccinated HCP, testing for patients, plans for use of test results, and procedures for work exclusion please refer to AFL 20-53.6.

Employers who conduct workplace diagnostic screening testing should have a plan in place for tracking test results, conducting workplace contact tracing and response testing, and reporting results to public health departments. There are IT platforms available that can facilitate these processes for employers. Employers should also consult CDPH/CDC guidance on workplace screening testing for additional cohort specific considerations. Testing is not a substitute for other COVID-19 prevention measures, such as vaccination, mask wearing, physical distancing, improved ventilation, hand hygiene and cleaning and disinfection.

Health care facilities should continue to implement strategies to increase, maintain, and track vaccination coverage among HCP as high as possible, including verifying vaccination status of new hires, and offering education, listening sessions, counseling, and vaccination at every opportunity, even to those HCP who have previously refused.

[4] **Additional Personal Protective Equipment and Masking for Unvaccinated HCP**

The Aerosol Transmissible Disease (ATD) Standard (Title 8 of the California Code of Regulations section 5199) requires all employees working in an area or residence where a suspected or confirmed COVID-19 case is present to use National Institute for Occupational Safety and Health (NIOSH) approved respirators. An N95 is the minimum protection permitted for these employees. A higher level of respiratory protection is required for certain medical procedures. Health facilities are covered by the ATD Standard.

The COVID-19 Emergency Temporary Standard (ETS) (Title 8, sections 3205 – 3205.4) requires employers to provide NIOSH approved respirators, such as N95s, upon request to employees who are unvaccinated or incompletely vaccinated and who are working indoors or in vehicles with more than one person.

Pursuant to the July 26, 2021 Public Health Order, all facilities identified in the Order must strictly adhere to current CDPH Masking Guidance. To the extent they are already applicable, facilities must also continue to adhere to Cal/OSHA's standards for ATD and ETS.

In addition to respirators required under Title 8 of the California Code of Regulations, **facilities must provide respirators to all unvaccinated or workers who work in indoor work settings where (1) care is provided to patients or residents, or (2) to which patients or residents have access for any purpose.** Workers are strongly

encouraged to wear respirators in all such settings. The facility must provide the respirators at no cost, and workers must be instructed how to properly wear the respirator and how to perform a seal check according to the manufacturer's instructions, if this has not already occurred.

SNFs may submit any questions about infection prevention and control of COVID-19 to the CDPH Healthcare Associated Infections Program via email at HAIPProgram@cdph.ca.gov.

If you have any questions about this AFL, please contact the CDPH Healthcare-Associated Infections Program via email at HAIPProgram@cdph.ca.gov.

If you have any questions about state testing prioritization plans, please contact the Testing Taskforce at testing.taskforce@state.ca.gov.

[5] People are considered fully vaccinated for COVID-19: two weeks or more after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna or vaccine authorized by the World Health Organization), or two weeks or more after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen).

[6] CDC Defines **quarantine** as separate and restrict the movement of people who were exposed to a contagious disease to see if they become sick. CDC Quarantine and Isolation.

[7] Healthcare Personnel (HCP) refers to all paid and unpaid persons serving in healthcare settings who have the potential for direct or indirect exposure to patients or infectious materials, including body substances (e.g., blood, tissue, and specific body fluids); contaminated medical supplies, devices, and equipment; contaminated environmental surfaces; or contaminated air. HCP include, but are not limited to, nurses, nursing assistants, physicians, technicians, therapists, phlebotomists, pharmacists, students and trainees, contractual staff not employed by the healthcare facility, and persons not directly involved in patient care, but who could be exposed to infectious agents that can be transmitted in the healthcare setting (e.g., clerical, dietary, environmental services, laundry, security, engineering and facilities management, administrative, billing, and volunteer personnel). For purposes of this guidance, this does not include HCP in other buildings in a site containing a High-Risk Setting, such as a campus or other similar grouping of related buildings, unless such personnel do any of the following: (i) access the acute care or patient areas of the High-Risk Setting; or (ii) work in-person with patients who visit those areas.

SIGNATURE OF CITY ELECTIVE OFFICER OR BOARD SECRETARY OR CLERK	DATE SIGNED
BOS Clerk of the Board	

DATE: September 25, 2025
TO: Angela Calvillo, Clerk of the Board
FROM: Lorna Walker, Deputy Director of Office of Contract Administration ("OCA")
SUBJECT: Resolution to approve fourth amendment to Contract 1000028092 (TC86240) with Universal Protection Service, LP, DBA Allied Universal Security Services.

Enclosed please find the proposed Resolution from the Office of Contract Administration ("OCA"), on behalf of the Department of Public Health ("DPH"), requesting that the Board of Supervisors authorize the fourth amendment to Contract 1000028092 with Universal Protection Service, LP, doing business as Allied Universal Security Services, ("Allied") for unarmed security guard services at San Francisco General Hospital ("SFGH"). The proposed amendment will increase the contract amount by Two Million One Hundred Eighty-Nine Thousand dollars (\$2,189,000), for a total not to-exceed ("NTE") amount of Twelve Million One Hundred Eighty-Three dollars (\$12,183,000) and extend the term by five (5) months to June 14, 2026 to allow OCA sufficient time to issue a solicitation for a new security guard contract.

Background

Contract 1000028092 was awarded pursuant to a Request for Proposals ("RFP") issued by OCA on July 22, 2022, under Sourcing Event 0000007010. The RFP evaluated proposals based on the criteria shown in Table 1 below.

Table 1: Sourcing Event 0000007010 Evaluation Criteria

Evaluation Phase	Maximum Points
Minimum Qualifications Documentation	Pass/Fail
Price Proposal	60
Written Proposal	150
Oral Interviews	90
TOTAL	300

In response to Sourcing Event 0000007010, OCA received six (6) proposals for Aggregate 1. Of these, one (1) firm was deemed non-responsive. The five (5) remaining proposals were then evaluated by a panel of three (3) City employees from DPH, the Municipal Transportation Agency, and the Real Estate Division. Of these, only Black Bear Security Services, Inc. ("Black Bear") and Allied qualified for oral interviews by scoring at least 110 points on their written proposals. As such, all other responsive proposers received a score of zero (0) for oral interviews.

On December 16, 2022, OCA issued a Notice of Intent to Award deeming Black Bear as the highest ranked proposer for Aggregate 1. Although OCA and Black Bear entered into a contract on January 1, 2023, both parties mutually agreed to terminate the contract for convenience on January 25, 2023. As a result, OCA proceeded to award this contract to the next highest-ranked proposer, Allied.

A summary of each proposer's ranking for Aggregate 1 is provided in Table 2 below.

Table 2: Sourcing Event 0000007010 Ranking of Responsive Proposers for SFGH contract

Rank	Proposer	Aggregate 1 (SFGH) Total Proposal Score
1	Black Bear Security Services, Inc.	215
2	Allied Universal Security Services	204
3	A1 Protective Services, Inc.	162
4	ABA Protection Inc.	140
5	Treeline Security, Inc.	106

Contract Pricing Structure

The RFP evaluated proposers' pricing based on the lowest percentage markup over the fully loaded Prevailing Wage rate for Security Guards as determined by San Francisco Labor and Employment Code Article 102.11.¹

Allied's percentage markup over the fully loaded Prevailing Wage rate for Contract 1000028092 is provided in Table 3 below.

Contract NTE Amount Calculations for SFGH

A. Original and Amendment 1 NTE Amount Calculations based on Initial 2-Year Term Ending February 14, 2025

Contract 1000028092 was executed on February 15, 2023, with an NTE amount of Two Million Six Hundred Thousand dollars (\$2,600,000) and an original two-year duration ending February 14, 2025, with the option to extend to February 14, 2026.

The original NTE amount for Contract 1000028092 was calculated by multiplying the estimated number of hours for which service would be required over a two-year period (58,240 hours) with Allied's then average

¹ The fully loaded Prevailing Wage rate associated with security guard services is based on the employee's years of service with the employer and the employee's number of dependents. The current Prevailing Wage rates for security guards can be found at <https://www.sf.gov/sites/default/files/2024-04/21C.11%20Security%20Employee%20Chart.pdf>.

hourly rate of \$43.86.² Approximately ten (10) months into the contract, DPH added additional security guard posts to address service gaps resulting from staffing shortages at the San Francisco Sheriff's Office. These staffing shortages have limited the San Francisco Sheriff's Office's ability to consistently provide adequate security coverage at SFGH. As such, the previously estimated need of approximately 29,120 hours per year was increased to approximately 114,244 hours per year. To ensure adequate capacity through the initial two-year term ending February 14, 2025, OCA executed Amendment 1 on March 20, 2024, to increase Contract 1000028092 NTE amount by Three Million Four Hundred Thousand dollars (\$3,400,000), for a total amount of Six Million dollars (\$6,000,000).

B. Amendment 2 NTE Calculations and Amendment 3 Extension of Term

As of September 6, 2024, DPH was encumbering an average of Three Hundred Twenty Thousand Seven Hundred Seventy-Three dollars (\$320,773) per month against Contract 1000028092 since its start date of February 15, 2023. To ensure sufficient funding through January 15, 2026, OCA executed Amendment 2 on September 1, 2024. This amendment increased the Contract's NTE amount by Three Million Nine Hundred Ninety-Four Thousand dollars (\$3,994,000), bringing the total contract amount to Nine Million Nine Hundred Ninety-Four Thousand dollars (\$9,994,000).

On February 15, 2025, OCA executed Amendment 3 to extend the contract end date to January 15, 2026.

C. Amendment 4 NTE Calculations through the Revised Contract End Date of June 14, 2026.

DPH has encumbered an average of Two Hundred Ninety Thousand Nine Hundred Sixty-Five dollars (\$290,965) per month against Contract 1000028092 since its start date of February 15, 2023. Amendment 4 will extend the contract end date to June 14, 2026. Based on average monthly encumbrances to date and the number of remaining months on this contract once extended, OCA estimates that Contract 1000028092's NTE amount must be increased to Twelve Million One Hundred Eighty-Three Thousand dollars (\$12,183,000) to ensure adequate funds through their revised contract end date of June 14, 2026.

Table 4 details the basis of this calculation.

Recommendation

Department of Public Health's mission is to deliver essential services that support and protect people, families, and communities in San Francisco. Contract 1000028092 with Allied is critical to DPH's operations and its ability to provide security services to ensure the safety, security, and welfare of patients, visitors, vendors, and staff at SFGH. Security guards assigned to the contract provide access control by screening people entering the facility, conducting designated route patrols of both interior and exterior locations, and responding to incidents involving disturbances, violence and/or other needs to preserve order. A timely approval of this resolution will allow DPH to provide uninterrupted security guard services at SFGH until a new contract can be awarded.
