Dear Sir or Madam:

This is in response to your request dated October 21, 2016, regarding your tax-exempt status.

We issued you a determination letter in August 1987, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC 509(a)(1) & 170(b)(1)(A)(vi).

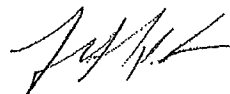

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
America's Best Local Charities
San Rafael, California

We have audited the accompanying financial statements of America's Best Local Charities (a nonprofit organization), which comprise the statement of financial position as of April 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of America's Best Local Charities as of April 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited America's Best Local Charities' 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 4, 2020. In our opinion, the summarized comparative information as of and for the year ended April 30, 2020 is consistent, in all material respects, with the audited financial statements from which it has been derived.

AMERICA'S BEST LOCAL CHARITIES
NOTES TO FINANCIAL STATEMENTS
For Year Ended April 30, 2021

NOTE 1 – REPORTING ENTITY

America's Best Local Charities (ABLC) was incorporated under the laws of California on July 15, 1987. ABLC receives funds from the government and private sector workplace payroll deduction fund drives for distribution to member agencies. A member agency must be accepted for participation by completing an application and qualifying under certain restrictions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in the Accounting Standards Codification (ASC), No. 958, *Financial Statements of Not-for-Profit Organizations*.

ABLC reports information regarding its financial position and activities according to two classes of net assets:

Net Assets Without Donor Restrictions – Net assets available for use in general operations that are not subject to or are no longer subject to donor-imposed restrictions.

Net Assets With Donor Restrictions – Net assets whose use is limited by donor-imposed time and/or purpose restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

ABLC recognizes unconditional promises to give, if any, as pledges receivable in the period received. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Presently, all net assets of the organization are without donor restrictions as the restriction expires in the reporting period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Use of Estimates - Allowance for Uncollectible Pledges

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Specific areas requiring estimation of ABLC's financial statements are the Allowance for Estimated Uncollectible Pledges and the Estimated Distributions Payable to Member Agencies.

ABLC makes an estimation of the percentage of pledges that are made but, due to a variety of circumstances, are not collected during the year. This estimate in 2020 and 2019 is 18% and 16%, respectively, which is based on historical campaign results.

C. Charges to Member Agencies and Member Distributions

Charges for federation operating expenses are made to each member agency based on the relative amount of total pledges made to the particular agency compared to the sum of all agency pledges. Pledges designated to the federation itself (versus to a member agency) and other federation revenue, such as interest income, are shared amongst all the agencies in this same proportion.

Therefore, as a net result, should the federation's revenue exceed expenses, the agencies share the excess income. Conversely, should the federation's expenses exceed revenue, the excess cost is likewise apportioned amongst the member agencies.

For the Fall 2020 and 2019 campaigns, federation expenses exceeded revenue by \$372,550 and \$409,345, respectively, which has been collected from the member agencies.

D. Liquidity and Availability of Financial Resources

The function of the federation is to receive funds from workplace payroll deduction fun drives for distribution to member agencies. All current financial assets of the federation, consisting of cash in banks and pledges receivable, are to the distribution to member agencies. Therefore, the federation does not have any financial assets available for general expenditure as of fiscal-year end.

E. Income Tax Status

ABLC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income taxes under 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been provided in these financial statements. In addition, ABLC qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1). Unrelated business income, if any, may be subject to income tax. ABLC paid no taxes on unrelated business income in the years ended April 30, 2021 and 2020.

AMERICA'S BEST LOCAL CHARITIES
NOTES TO FINANCIAL STATEMENTS
For Year Ended April 30, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Generally accepted accounting principles require the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the organization's tax returns. Management has determined that ABLC does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that ABLC's tax returns will not be challenged by the taxing authorities and that ABLC will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, ABLC's tax returns remain open for federal income tax examination for three years from the date of filing.

F. *Functional Allocation of Expenses*

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, costs have been allocated to program services, management and general, and fund-raising expenses based on management's identifying of direct expenses by category and allocating indirect expenses by time logs and management's estimates.

Management has determined certain expenses as 100% management and administration such as audit, insurance and legal. Campaign services are allocated 75% program, 5% management and general, and 20% fundraising based on type of services performed by contract. Fiscal services are allocated 95% program for services related to processing of donations received on behalf of member organizations and 5% management and general for administrative services.

G. *Advertising*

Advertising costs are expensed as incurred.

H. *Fair Value Measurements*

ABLC reports certain assets and liabilities at fair value in the financial statements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three tier hierarchy based on observable and non-observable inputs. Observable inputs consist of data obtained from independent sources. Non-observable inputs reflect industry assumptions. These two types of inputs are used to create the fair value hierarchy, giving preference to observable inputs.

The three-tier hierarchy categorizes the inputs as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

NOTES TO FINANCIAL STATEMENTS
For Year Ended April 30, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Level 3: Unobservable inputs for the asset or liability. In these situations, the federation's develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to our assessment of the quality, risk, or liquidity profile of the asset or liability.

I. Summarized Comparative Information

The financial statement information for the year ended April 30, 2020, presented for comparative purposes, is not intended to be a complete financial statement presentation. For a complete presentation, please refer to the financial statements for that fiscal year.

J. Subsequent Events

ABLC evaluated subsequent events for recognition and disclosure through August 26, 2021, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since April 30, 2021 that requires recognition or disclosure in such financial statements.

NOTE 3 – CASH IN BANKS

Cash held by ABLC with its bank may at times exceed the Federal Deposit Insurance Corporation (FDIC) coverage limit. Management believes ABLC is not exposed to any significant credit risk related to cash.

NOTE 4 – ESTIMATED DISTRIBUTIONS PAYABLE

ABLC receives Combined Federal Campaign (CFC) pledges monthly throughout the fiscal year and distributes 100% of the receipts to member agencies on a quarterly basis. Member agencies are billed for their proportionate share of federation expenses, also on a quarterly basis. At year end, ABLC estimates pledges to be collected for the active campaign year and records a payable for that amount. ABLC also receives pledges from State Campaigns that have not been fully distributed as of year end. At April 30, 2021, ABLC estimates it will pay out \$2,800,351 to member agencies for the Fall 2020 CFC and Fall 2019 non-CFC campaigns. This amount could be higher or lower depending on actual pledges collected.

Verification that ABLC is honoring designations made to each member organization have been performed.

For Year Ended April 30, 2021

NOTE 5 – CONTRACTS WITH OTHER FEDERATIONS

ABLC had entered into an agreement with Local Independent Charities of Texas (LICTX) and Local Independent Charities of Minnesota (LICMN), whereby the costs of campaign support expenses will be borne by each organization based upon designations for the campaign year. The total costs incurred by all three federations for the years ended April 30, 2021 and 2020 amount to \$531,814 and \$498,989, of which \$311,282 and \$242,379, respectively represented ABLC's share. These organizations had amounts due to ABLC of \$53,743 and \$54,142 for the years ended April 30, 2021 and 2020, respectively.

ABLC had also entered into agreements with Conservation & Preservation Charities of America, Health and Medical Research Charities of America, America's Best Charities, Animal Charities of America, Military Family and Veterans Service Organizations of America., Christian Charities U.S.A., and Military Support Groups of America, whereby ABLC is to perform fiscal services for these federations.

Verification that ABLC is performing services in accordance with the terms of its contracts has been performed.

NOTE 6 – BUSINESS SERVICES CONTRACT

ABLC entered into a business services contract with Maguire/Maguire, Inc. (M/M). Under the terms of the contract M/M acted as business agent, provided administrative and secretarial services, maintained the books and records, maintained necessary corporate documents, and provided other such services as deemed necessary. M/M did not perform policy making or decision making functions. ABLC compensated M/M for services rendered based on a fee schedule agreed by the parties. In addition, M/M was reimbursed for all out-of-pocket expenses incurred while carrying out the duties outlined in the contract. This contract has an automatic renewal provision, which will renew on a month-by month basis, whereby the Board retains the right to cancel upon 30 days advance written notice.

Effective May 1, 2019, the monthly fee paid to M/M was \$109,609.

Verification that Maguire/Maguire Inc. is performing services in accordance with the terms of its contract has been performed.

Report of Independent Auditor

To the Board of Directors
CHC: Creating Healthier Communities and Affiliate
Alexandria, Virginia

We have audited the accompanying consolidated financial statements of CHC: Creating Healthier Communities and Affiliate (the “Organization”), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management’s Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2021, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information on pages 14–19 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2021

Note 1—Nature of operations and summary of significant accounting policies

Nature of Operations – CHC: Creating Healthier Communities and Affiliate (the “Organization”), through participation in the Combined Federal Campaign and certain corporate campaigns, serves as a vehicle through which federal (domestic and overseas) employees and employees in the private sector may make contributions to the Organization’s charity partners and their local chapters, which are not-for-profit charitable organizations performing medical research, providing community and patient services, and materials and programs for public and professional education in the health field. The Organization conducts business nationwide through a network of local affiliates. Amounts raised in unaffiliated states are distributed directly to designated charitable organizations based on campaign designation reports.

Principles of Consolidation – The accompanying consolidated financial statements include the accounts of CHC: Creating Healthier Communities and Community Health Charities, Local. The accounts of Christian Service Charities, Inc., Human Service Charities of America, Inc., and Neighbor to Nation, which were included in the consolidated financial statements previously as separate entities, have been merged into the operations of CHC: Creating Healthier Communities during the year ended June 30, 2021. All inter-organization account balances and transaction are eliminated in the preparation of the consolidated financial statements.

Basis of Presentation – The Organization’s consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The Organization presents information regarding its financial position and activities according to two classes of net assets described as follows:

Net Assets Without Donor Restrictions – Net assets without donor restrictions generally result from revenues generated by providing services, receiving unrestricted contributions, and interest from banks, less expenses incurred in providing related services, raising contributions, and performing administrative functions.

Net Assets With Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; other restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organization reported no net assets with donor restrictions as of June 30, 2021.

Use of Estimates – The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – Cash and cash equivalents consist of operating, payroll, and money market accounts and certificates of deposit with a maturity of three months or less.

Property and Equipment – Property and equipment with unit values in excess of \$1,000 are recorded at cost. Depreciation is provided using the straight-line method over the estimated useful lives of the assets, which range from three to ten years. Cost and related accumulated depreciation are removed from the accounts when the assets are disposed of, with any gain or loss recognized currently. Repairs and maintenance are charged to expense when incurred.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2021

Note 1—Nature of operations and summary of significant accounting policies (continued)

Campaign Funds Payable – Campaign funds payable include funds not distributed as of year-end for donor pledges that are undesignated or designated to the Organization or charity partners. When pledges are received and processed from campaigns, the cash is allocated using the ratio of donor-designated funds combined with the pro rata share of undesignated funds to the total cash received.

Distribution Policy – The Policy of the Organization is to distribute, as of the Organization’s scheduled distribution dates, all of the receipts from all contributing campaigns, less an agreed-upon fee, in accordance with gross designation reports provided by administrators of the various campaigns, to include the Combined Federal Campaign (“CFC”).

Designations to Member Agencies – The federation is honoring designations made to each member organization by distributing a proportionate share of receipts based on donor designations to each member, per CFC regulations at § 950.301(e)(2)(i).

Revenue Recognition – The Organization recognizes revenue in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) 2014-09, *Revenue from Contracts with Customers*, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangement and establishes a performance obligation approach to revenue recognition. The Organization recorded the following exchange transaction revenue in its statements of activities and changes in net assets for the year ended June 30, 2021:

Campaign Revenue – Administrative fees from amounts raised in campaigns represent the Organization’s fee for processing collections from campaigns that have been passed through to specific member charities based on donor designations for the year ended June 30, 2021. These fees represent board-approved costs of raising funds on behalf of others and are recognized when the funds are received and processed for distribution. The campaign percentages vary based on individual agreements. Affiliation fees are based on audited results of amounts raised in workplace campaigns by affiliates using a board-approved rate and are recognized annually.

Application Fees – Non-profits may submit applications annually to be listed in the Organization’s campaigns as a charity to which donors may designate their funds. The Organization recognizes revenue upon approval of an application, when a partnership relationship is established.

Expenses – Expenses are recognized by the Organization during the period in which they are incurred. Expenses which are paid in advance and not yet incurred are deferred to the applicable period.

Program services consist of costs associated with managing, maintaining, and increasing revenue sources for the Organization’s charity partners from existing workplace fundraising campaigns; increasing overall recognition and representation of charity partners; and costs that benefit the overall campaign. Management and general expenses consist of costs directly related to the overall operations of the Organization and maintenance of its corporate existence, including general office management, reception, and financial reporting. Fundraising includes those costs associated with accessing new workplace fundraising campaigns.

Functional Allocation of Expenses – The costs of providing various program and supporting services have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, certain costs have been allocated among the program and supporting services benefited. Professional fees, software, temporary services and meetings expenses were allocated based on management’s best estimate of which benefit was derived. Occupancy expenses were allocated based on square footage. All remaining expenses were allocated based on estimated time and effort.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2021

Note 1—Nature of operations and summary of significant accounting policies (continued)

Income Taxes – The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code (“IRC”). In addition, the Organization is classified by the Internal Revenue Service (“IRS”) under Section 509(a)(1) as an organization that is not a private foundation and is required to report unrelated business income to the IRS and the State of Virginia taxing authorities. For the year ended June 30, 2021, there was no unrelated business income earned.

Accounting for Uncertainty in Income Taxes – The Organization accounts for the effect of any uncertain tax positions based on a “more likely than not” threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a “cumulative probability assessment” that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization’s federal and state tax returns are generally open for examination for three years following the date filed.

Accounting Pronouncement Adopted – During the year, the Organization adopted the provision of the Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. ASU 2014-09 outlines a new, single comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance. This new revenue recognition model provides a five-step analysis in determining when and how revenue is recognized. The new model will require revenue recognition to depict the transfer of promised goods or services to customers in an amount that reflects the consideration a company expects to receive in exchange for those goods or services. Results for reporting the year ended June 30, 2021 are presented under FASB ASU 2014-09. There was not a material impact to the consolidated financial statements as a result of adoption. Accordingly, no adjustment to opening net assets was recorded.

Significant New Accounting Standard Not Yet Adopted – In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)*. The ASU requires lessees to record most leases on their balance sheets as a lease liability with a corresponding right-of-use asset, but continue to recognize the related leasing expense within net income. The guidance also eliminates real estate-specific provisions for all entities. For lessors, the guidance modifies the classification criteria and the accounting for sales-type and direct financing leases. ASU 2016-02 becomes effective for the Organization in 2023 with early adoption permitted and will be applied under a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest comparative period in the financial statements. The calculation of the lease liability and right-of-use asset requires further analysis of the underlying leases to determine which portion of the underlying lease payments are required to be included in the calculation. The Organization is currently evaluating ASU 2016-02 to determine the potential impact that adopting this standard will have on its consolidated financial statements.

Commencing April 2021, the Organization subleased a portion of its headquarters office space with a term through October 2027. The sublease base rent is \$6,540 per month and is subject to an escalation of 4% in April of each year.

Under the plan, the Organization made discretionary contributions to the plan equal to 6.5% of each eligible employee's salary. Contributions of \$201,617 were made during the year ended June 30, 2021.

CHC: CREATING HEALTHIER COMMUNITIES AND AFFILIATE

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2021

Note 5—Concentration of credit risk and financial instruments

Financial instruments which potentially subject the Organization to concentration of credit risk consist principally of short-term investments maintained at creditworthy financial institutions. These account balances, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents. At June 30, 2021, the Organization had deposits in excess of Federal Deposit Insurance Corporation limits of \$7,731,818. Credit risk with respect to pledges receivable is limited because the Organization deals with a significant number of campaigns whose participants are spread over a wide geographical area.

Note 6—Investments and fair value measurements

The Organization established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The inputs into the determination of fair value require significant management judgment or estimation. At this time, the Organization does not hold any investments which would be included in this category.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments as of June 30, 2021:

	Fair Value	Cost
Corporate bonds	\$ 542,034	\$ 540,033
Mutual funds	1,348,234	1,193,629

Realized and unrealized gains and losses	237,991

	<u>\$ 306,242</u>

Note 7—Liquidity and availability of resources

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization considers all general expenditures to be all program services, management and general, and fundraising costs incurred in the ordinary course of the advancement of the Organization's mission. The table below represents financial assets available for general expenditures within one year at June 30, 2021:

Financial assets at year-end:

Investments	2,364,342

Note 8—Acquisition of entity

On August 31, 2020, the Organization acquired all assets and liabilities of Caring Connection, a Colorado nonprofit corporation, resulting in a one-time decrease in net assets in the amount of \$21,722 which is shown as a separate line item on the statements of activities and changes in net assets.

Note 9—Risks and uncertainties

Although certain in person activities of the Organization have been suspended since March 2020, the Organization has been minimally impacted by the outbreak of a novel strain of coronavirus (“COVID-19”). The Organization implemented health and safety guidelines that allowed its business to continue. However, the recent global outbreak of COVID-19 has disrupted economic markets and the prolonged economic impact is uncertain. Such uncertainty, including the duration and spread of the outbreak, may negatively impact the performance and cash flows of the Organization.

Note 10—Subsequent events

The Organization has evaluated subsequent events through November 9, 2021, which is the date the consolidated financial statements were available to be issued.

Dear Sir or Madam:

We're responding to your request of January 11, 2021, about the tax-exempt status of CHC - Creating Healthier Communities.

Our records show this organization is not a private foundation within the meaning of Internal Revenue Code (IRC) Section 509(a) because it's described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions to this organization as provided in Internal Revenue Code Section 170. Bequests, legacies, devises, transfers, or gifts to the organization or for its use are deductible for federal estate and gift tax purposes if they meet the requirements of IRC Sections 2055, 2106, and 2522.

If an organization fails to file an annual return or notice for three consecutive years, its tax-exempt status is revoked by operation of law. This is stated in IRC Section 6033(j)(1). The revocation is effective on the filing due date of the third annual return or notice. For more information about filing requirements, you can visit our website at www.irs.gov/eo.

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Thank you for your cooperation.

Sincerely,

Stephen A. Martin

Dear Taxpayer:

This is in response to your request dated Dec. 08, 2016, for information about your tax-exempt status.

Our records indicate we issued a determination letter to you in August 1985, and you're currently exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also recognized the subordinates on the list you submitted as exempt from federal income tax under IRC Section 501(c)(3).

For federal income tax purposes, donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106 and 2522.

Because IRC Section 170(c) describes your subordinate organizations, donors can deduct contributions they make to them.

Please refer to www.irs.gov/charities for information about filing requirements. Specifically, IRC Section 6033(j) provides that, if you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

In addition, each subordinate organization is subject to automatic revocation if it doesn't file a required return or notice for three consecutive years. Subordinate organizations can file required returns or notices individually or as part of a group return.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

Attention: Ms. Angela Calvillo

Clerk of the Board of Supervisors
City & County of San Francisco City Hall, Room 244
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Dear Ms. Calvillo:

EarthShare hereby applies for inclusion in the City and County of San Francisco 2022 Combined Charities Campaign.

EarthShare is a charitable federation representing environmental and conservation nonprofits and meets the City's Municipal Code requirements for participation in the Annual Charitable Campaign Drive. Specifically –

- EarthShare is a nonprofit federation representing more than ten IRS tax-exempt charitable organizations, of which over half are located in the counties of San Francisco, San Mateo, Santa Clara, Alameda, Contra Costa, and Marin. A list of our nonprofit partners is attached. Additionally, a separate spreadsheet is attached that indicates which nonprofit organizations are located in Bay Area counties.
- EarthShare was founded in 1988 and has been in existence with ten or more qualified charities since that time. A copy of our IRS 501c3 determination letter dated 2022 (referencing the original determination date of 1988) and a copy of our Articles of Incorporation are attached.
- Our most recent IRS Form 990 and audited financial statement are attached.

For background, since 1985, EarthShare California has participated in the City and County of San Francisco Combined Charities Campaign. EarthShare California operated as a separate affiliate organization within the EarthShare network. EarthShare California is being acquired by the parent organization, EarthShare, effective January 2022 and EarthShare will be taking over engagement

throughout the state of California. Moving forward, we would like to change the name and EIN of the participating federation from EarthShare California (EIN: 94-2840364) to EarthShare (EIN: 52-1601960) as EarthShare will be acquiring EarthShare California and the Earthshare California EIN will no longer be needed.

Please let me know if you have any questions or require any additional information. Thank you very much for your consideration of this request.

Independent Auditors' Report

Board of Directors
EarthShare and Subsidiary
Bethesda, Maryland

We have audited the accompanying consolidated financial statements of EarthShare and Subsidiary (the Organization), which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of EarthShare and Subsidiary as of June 30, 2020 and 2019, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Change in Accounting Principle

As discussed in Note 1 of the consolidated financial statements, effective January 1, 2020, the Organization changed its method of accounting for membership revenue from an administrative fee to assessing annual membership dues. This resulted in an increase in membership dues of \$262,500. Our opinion is not modified with respect to this matter.

Other Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statement of financial position as of June 30, 2020, and consolidating statement of activities for the year ending June 30, 2020, on pages 19 - 21, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

EARTHSHARE AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

EarthShare is a membership federation of local, national, and international environmental and conservation charities. Its mission is to build an expanding, sustainable, funding source for its member groups by involving individuals and employers, primarily through workplace giving; and, through its member groups, to promote and protect public health and welfare and conserve natural resources for future generations.

Formerly known as the Environmental Federation of America, EarthShare was incorporated on November 18, 1988. EarthShare has obtained approval from the U.S. Office of Personnel Management to participate in the Combined Federal Campaign (CFC), and it also participates in workplace giving campaigns with corporations as well as state and local governments.

On March 19, 2010, EarthShare created a not-for-profit corporation called EarthShare Chapters, Inc., to be able to raise funds through the Combined Federal Campaign and other campaigns for local environmental organizations in states where there is not an EarthShare affiliate. According to the governing documents of EarthShare Chapters, Inc., members of its Board of Directors shall be members of EarthShare's Executive Committee.

Consolidating Policy

The consolidated financial statements include the accounts of EarthShare and EarthShare Chapters, Inc. (collectively referred to as the Organization). Significant transactions between the entities, including all inter-entity balances, have been eliminated in consolidation.

Basis of Accounting

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting.

Cash and Cash Equivalents

The Organization considers cash on hand, deposits in banks, and investments purchased with an original maturity of three months or less, to be cash and cash equivalents.

Affiliation Fees Receivable

Affiliation fees are billed and payable one year in arrears to correspond with the timing of the distributions to which the affiliation fees relate. The Organization recognizes affiliation fee revenue when earned.

Pledges Receivable

Pledges are recorded in the consolidated financial statements upon receipt of pledge information from the campaigns. The Organization honors designations made to each member organization. As all pledges are expected to be collected within one year, they are recorded at their net realizable value, which approximates fair value. This is achieved by creating allowances for estimated uncollectible pledges and for estimated costs incurred by others (shrinkage).

Other Assets

Other assets mainly consist of intangibles related to a trademark (logo) which has been determined by management to have an indefinite useful life. The Organization performed an impairment testing as of June 30, 2015. The asset tested for impairment was judged to not be impaired.

Property and Equipment

Property and equipment is recorded at cost, if purchased; if donated, such assets are capitalized at the estimated fair market value at the date of receipt. The Organization capitalizes all expenditures for property and equipment over \$500. Depreciation is computed using the straight-line method over the estimated useful lives of the assets which range from three to ten years. Leasehold improvements are amortized over the lesser of the estimated useful lives of the improvements or the term of the lease. When assets are sold or otherwise disposed of, the asset and related accumulated depreciation are removed from the accounts, and any remaining gain or loss is included in operations. Repairs and maintenance are charged to expense when incurred.

Campaign Funds Payable to Member Agencies

Pledges that are designated to the Organization's member agencies are recorded as campaign funds payable to member agencies. Cash received from campaigns is allocated to each participating member agency in the ratio that each agency was designated from the relevant campaign. Their share of undesignated pledges is calculated based upon a board-approved formula. Prior to the quarterly distribution of the campaign receipts to the members, board approved expenses are deducted and are recorded as administrative charges for raising funds on behalf of others. Administrative charges will no longer be withheld from EarthShare campaigns effective with Campaign 2017 due to the new membership dues system. Effective with Campaign Year 2020, EarthShare Chapters, Inc., will also be on a membership dues system.

Net Assets Without Donor Restrictions

Net assets without donor restrictions consist of funds available for the general operations of the Organization.

Revenue Recognition

Revenue is recognized during the period in which it is earned. Deferred revenue consists of corporate engagement funds received in advance and is recognized in subsequent periods when it is earned.

Membership Dues

Effective January 1, 2017, EarthShare instituted an annual membership dues system which replaces the administrative fee. EarthShare calculates each member's proportionate share of the annual dues amount based on their percentage of workplace giving pledges for the prior campaign year. Dues are collected from members by withholding from their quarterly campaign distributions.

EarthShare Chapters, Inc., has instituted the same annual membership dues system effective January 1, 2020.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Expenses are recognized by the Organization during the period in which they are incurred. Payments made in advance of when expense is incurred are deferred to the applicable period, except for fundraising expenses which are expensed when incurred and reported in fundraising in the consolidated statements of activities.

Campaign and membership expenses consist of costs associated with managing, maintaining, and increasing revenue sources for the Organization's member agencies from existing workplace fundraising campaigns. Corporate partnerships and engagement expenses consist of costs associated with service agreements which allow the Organization and member agencies to engage with private organizations on various service projects benefitting the environment. It further includes costs associated with accessing new workplace fundraising campaigns and raising funds through foundation grants. Marketing expenses consist of increasing overall recognition and representation of the Organization and its member agencies. Affiliate support expenses consist of costs associated with training and campaign management assistance to the six state affiliates. Management and general expenses consist of costs directly related to the overall operations of the Organization and maintenance of its corporate existence, including general office management, reception, and financial reporting. Fundraising expenses include those costs associated with soliciting non-campaign or program related charitable giving.

Functional Allocation of Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, fringe benefits, rent, telephone, business insurance, software subscription and IT costs, and depreciation and amortization. These expenses are allocated on the basis of estimates of time and effort by employees. Expenses directly identifiable to specific programs and supporting activities are presented accordingly.

Financial Instruments and Credit Risk

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash balances, affiliation fees and pledges receivable. During the years ended June 30, 2020 and 2019, the Organization had deposits in financial institutions in excess of the Federal Depository Insurance limits.

The Organization has never experienced any losses related to these balances and believes it is not exposed to any significant credit risk on its cash balances. Credit risk with respect to affiliation fees and pledges receivables is limited because the Organization deals with a significant number of affiliates and campaigns whose participants are spread over a wide geographic area.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Tax Status

EarthShare and EarthShare Chapters, Inc., are exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, neither EarthShare nor EarthShare Chapters, Inc., have been determined by the Internal Revenue Service to be a "private foundation". The Organization is required to report unrelated business income to the Internal Revenue Service and the District of Columbia and Maryland taxing authorities. The Organization earned no unrelated business income during the years ended June 30, 2020 and 2019.

Under Accounting Standards Codification (ASC) 740-10, *Accounting for Uncertainty in Income Taxes*, the Organization must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more-likely than not that the position will be sustained. The Organization does not believe there are any unrecognized tax benefits that should be recorded. For the years ended June 30, 2020 and 2019, there were no interest or penalties recorded or included in the consolidated statements of activities. The Organization's Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the taxing authorities, generally for three years after filing.

Change in Accounting Principle

Effective January 1, 2020, EarthShare Chapters, Inc., began assessing membership dues with Campaign Year 2020 and ceased charging an administrative fee on pledge receipts. The Campaign session begins in January of each year with the application process and the services provided by EarthShare are substantially complete when the campaign closes at December 31, thus membership dues will be assessed on a calendar year basis.

The elimination of the administrative fee and the change to a dues-based system constitutes a change in accounting principle for revenue recognition. This is a change in recognition from when pledge collections are received to recognition over the period in which benefits are received, in accordance with GAAP. As a result of this change, the historical administrative fee and the new dues method overlapped for six months during fiscal year 2020. The effect of assessing the membership dues on Campaign Year 2020 was an increase to membership dues revenue of \$262,500.

Reclassification of Prior Year Presentation

Certain prior year amounts have been reclassified for consistency with the current period presentation. These reclassifications had no effect on net assets or changes in net assets.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2020 AND 2019**

2. ADOPTION OF ACCOUNTING STANDARDS UPDATE 2018-08

During the year ended June 30, 2020, the Organization adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU provides additional guidance in (1) evaluating whether transactions should be accounted for as contributions (within the scope of ASC 958) or as exchange (reciprocal) transactions (subject to ASC 606); and (2) distinguishing between conditional and unconditional contributions. Management believes that the adoption of this ASU enhances the comparability of financial information among not-for-profit entities.

This change in accounting principle was adopted on a modified prospective basis in fiscal year 2020. As a result, there was no cumulative-effect adjustment to opening net assets without donor restrictions as of July 1, 2019. The impact of adoption was not material to the financial statements.

3. RESTATEMENT OF FINANCIAL STATEMENTS

As a result of an internal review of the Organization's allocation of expenses between EarthShare and EarthShare Chapters, Inc. (Chapters), the Organization discovered that professional expenses and salaries and benefits were not properly allocated to the subsidiary, Chapters. The allocations of office occupancy, insurance, communications, and depreciation and amortization expenses were also affected on the consolidating and consolidated statements of activities and the consolidated statement of functional expenses. This also resulted in changes to the intercompany balances between the parent and subsidiary, which are included in accounts receivable and accounts payable and accrued expenses on the supplementary consolidating statement of financial position. These intercompany balances have been eliminated in the consolidated statement of financial position, resulting in no adjustment to total assets or change in net assets at the consolidated level. Corrective and preventive actions have been taken by the Organization, and the financial statements have been restated for the years ended June 30, 2020. The net effect of the change in allocation on net assets without donor restrictions and change in net assets without donor restrictions presented on the supplementary consolidating statement of activities is \$221,546 and \$(221,546) for EarthShare and Chapters, respectively.

The net effect of the restatement on the supplementary consolidating statement of financial position and consolidating statement of activities for the year ended June 30, 2020, is as follows:

	EarthShare		EarthShare Chapters, Inc.	
	As Previously Reported	Restated	As Previously Reported	Restated

4. LIQUIDITY AND AVAILABLE RESOURCES

EarthShare's cash flows have seasonal variations due to the timing of pledge distributions. EarthShare has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Amounts restricted by the Board of Directors are for specified projects outside the normal operating budget and consist of \$50,000 at June 30, 2020 and 2019.

As of June 30, 2020 and 2019, the following financial assets and liquidity sources are available for general operating expenditures in the years ending June 30:

6. RETIREMENT PLAN

Effective July 1, 1999, EarthShare created a defined contribution retirement plan (the Plan) under Section 403(b) of the Internal Revenue Code. The Plan covers all employees who have completed three months of service. EarthShare may annually elect to make a discretionary contribution to the Plan. Pension expense was \$48,066 and \$51,595 for the years ended June 30, 2020 and 2019, respectively.

7. LEASE COMMITMENTS

EarthShare signed a new lease agreement in June 2020, which will expire in April 2021, for office space located in Bethesda, Maryland. Rent escalations are indexed after the first year and EarthShare pays a share of operating costs. EarthShare pays monthly rent to lease office space in Columbus, Ohio, which expires in April 2022.

Minimum rental payments under the non-cancelable operating leases are as follows:

For the Years Ending June 30,

2021	\$ 88,474
2022	<u>15,873</u>
	<u>\$ 104,347</u>

Rent expense for the years ended June 30, 2020 and 2019, was \$112,741 and \$107,785, respectively.

8. CONTINGENCIES

The Combined Federal Campaign is subject to audit by the Inspector General, United States Office of Personnel Management (OPM). Pledges received by member charities may be adjusted based on determinations of these audits. No audits of EarthShare have been performed by the OPM during the years ended June 30, 2020 and 2019.

The spread of COVID-19 (coronavirus disease) has had a disruptive impact on the daily life and operations of individuals, businesses, and nonprofits around the world. There is uncertainty about financial and economic impacts in all sectors of the economy. The financial markets have experienced significant volatility, and this may continue for an extended period of time. In light of these circumstances, management continues to assess how best to adapt to changed circumstances.

9. AFFILIATION AGREEMENT

Effective June 1, 2001, EarthShare entered into an affiliation agreement with state environmental federations. The agreement is a collaborative system of fundraising for environmental organizations that crosses jurisdictional and institutional lines and strengthens and enhances collective efforts in workplace giving campaigns to benefit environmental causes. The objective of the agreement is to create a unified system for workplace giving for environmental and conservation organizations in the United States. The system delivers opportunities for collaborative marketing and promotion of organizations marketed with one name, identity, and logo; an opportunity to establish performance standards for environmental workplace giving across the country; increased local presence and opportunities for collaboration; and increased resources at the national level.

10. PAYCHECK PROTECTION PROGRAM LOAN

During 2020, the Organization received a Small Business Administration (SBA) loan under the Paycheck Protection Program (PPP) in the amount of \$234,100. PPP provides cash-flow assistance through 100% federally guaranteed loans to eligible recipients to maintain payroll during the COVID-19 public health emergency and cover certain other expenses. If the Organization maintains its workforce and meets certain requirements, up to 100% of the loan may be forgiven by the SBA. No more than 40% of the forgiven amount may be for non-payroll costs.

Loans under PPP have an interest rate of 1% and may negotiate a five-year maturity date, if not forgiven. Management believes the Organization will meet the criteria for loan forgiveness. However, at June 30, 2020, the Organization is accounting for the SBA loan proceeds as a liability on the statements of financial position since repayment has not yet been waived.

11. ACQUISITION OF EARTHSHARE OREGON

On July 1, 2019, the Organization acquired EarthShare Oregon. Assets acquired of \$447,366 included cash, dues receivable, and pledges receivable. The Organization assumed obligation of distributions payable on the pledges for campaign years 2016, 2017, and 2018 in total of \$278,667.

12. SUBSEQUENT EVENTS

In March 2021, the entirety of the PPP loan was forgiven by the SBA.

The Organization evaluated subsequent events through June 24, 2021, which is the date the consolidated financial statements were available to be issued.

Dear Taxpayer:

This is in response to your June 23, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in MAY 1983.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Global Impact and Subsidiary
Alexandria, Virginia

We have audited the accompanying consolidated financial statements of Global Impact and Subsidiary, collectively the Organization, which comprise the consolidated statements of financial position as of June 30, 2020 and 2019, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

Global Impact's vision is to be the leader in growing global philanthropy, and its mission is to build partnerships and resources for the world's most vulnerable people. Its primary activities include:

- a) Participating in nearly 300 workplace giving campaigns including the federal government, state governments, local governments, and private workplaces to provide a means for employees of participating institutions to donate either to Global Impact or to its nearly 100 member charities;
- b) Creating alliances with funding organizations to address specific relief or development needs in developing countries;
- c) Providing philanthropic services including customized consulting services to the Non-Governmental Organization and private sectors through a full suite of services including strategy, implementation and ongoing organizational support, campaign management services, signature and high impact funds, state charitable registration services, and the management of donor-advised funds;
- d) Distributing funds raised on behalf of member charities to them based on criteria established by the Board of Directors;
- e) Adhering to distribution formulae established by the Board of Directors for other funds raised; and
- f) Performing such other charitable and educational activities as may be necessary in order to accomplish the foregoing.

Geneva Global is a wholly-owned subsidiary of Global Impact. On October 1, 2019, Global Impact acquired 100% of the stock of Geneva Global for a purchase price of \$2,500,000. The purchase price was allocated to the existing assets and liabilities at that date based upon fair values, and the residual amount was allocated to goodwill. The consolidated financial statements include the operations of Geneva Global from October 1, 2019 through June 30, 2020. The following is a description of Geneva Global's activities:

Geneva Global provides research and analysis to help organizations understand the market, craft a strategy, and identify the best way for them to maximize their impact. Their core areas of business are:

- a) Strategy development
- b) Situational analysis and baseline studies
- c) Market research and feasibility studies
- d) Competitor analysis
- e) Programmatic and donor engagement audit

Principles of consolidation -

The accounts of Global Impact have been consolidated with those of Geneva Global (collectively, the Organization), pursuant to the criteria established by FASB ASC 958-810, *Not-for-Profit Entities Consolidation*. Under FASB ASC 958-810, consolidation is required if a separate not-for-profit organization has control (i.e., major voting interest) and significant economic interest in that other organization. All significant inter-company accounts and transactions have been eliminated in consolidation.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Basis of presentation -

The accompanying consolidated financial statements are presented on the accrual basis of accounting, and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- **Net Assets Without Donor Restrictions** - Net assets available for use in general operations and not subject to donor restrictions are recorded as "net assets without donor restrictions". Assets restricted solely through the actions of the Board are referred to as Board Designated and are also reported as net assets without donor restrictions.
- **Net Assets With Donor Restrictions** - Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in "net assets with donor restrictions", depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Consolidated Statements of Activities and Changes in Net Assets as net assets released from donor restrictions.

New accounting pronouncement adopted -

Global Impact adopted ASU 2018-08, Not-for-Profit Entities (Topic 958): *Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made*. This guidance is intended to clarify and improve the scope and the accounting guidance for contributions received and contributions made. Key provisions in this guidance include clarification regarding the accounting for grants and contracts as exchange transactions or contributions, and improved guidance to better distinguish between conditional and unconditional contributions. Global Impact adopted the ASU using a modified prospective basis.

Cash and cash equivalents -

The Organization considers all cash on hand, deposits in banks, and investments purchased with an original maturity of three months or less to be cash and cash equivalents other than those included in the Organization's investment portfolio. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000. At times during the year, the Organization maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Investments -

Investments are recorded at their readily determinable fair value. Realized and unrealized gains and losses are included in investment income, which is presented net of investment expenses paid to external investment advisors in the accompanying Consolidated Statements of Activities and Changes in Net Assets.

GLOBAL IMPACT AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Investments (continued) -

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date.

Pledges receivable -

Pledges receivable are recorded in the consolidated financial statements upon receipt of pledge information from the campaigns. Global Impact honors designations made to each member organization. As all pledges are expected to be collected within one year, they are recorded at their net realizable value. This is achieved by creating an allowance for estimated uncollectible pledges and for estimated campaign expenses.

At the end of each fiscal year, any amounts receivable from the previous year's campaign are written off. Subsequent receipts relating to such amounts are set off against shrinkage expense.

Accounts receivable -

Accounts receivable consists primarily of amounts due from member charities and other corporate clients for which the Organization provides advisory, cooperative advertising, backbone, and fund management services. They are recorded at their net realizable value, which approximates fair value. All amounts are due within one year and there is no allowance for doubtful accounts due to management's belief that all accounts receivable are collectible.

Property and equipment -

Property and equipment in excess of \$1,000 are capitalized and stated at cost. Property and equipment are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to ten years. Leasehold improvements are amortized over the remaining life of the lease. The assets are amortized over the lesser of the related lease term or their estimated useful life. Cost and related accumulated depreciation and amortization are removed from the accounts when the assets are disposed of, with any gain or loss recognized currently. The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation and amortization expense for the years ended June 30, 2020 and 2019, totaled \$305,230 and \$152,880, respectively.

Intangible assets -

The intangible asset acquired in connection with the sale of Geneva Global is valued at \$1,601,580. Per ASU 2014-02, *Intangibles-Goodwill and Other (Topic 350): Accounting for Goodwill*, the goodwill is being amortized using the straight-line method of amortization over ten years. Amortization expense for the year ended June 30, 2020 is \$120,123.

Campaign funds payable to members -

Pledges that are designated to Charity Alliance members are recorded as campaign funds payable to member charities. Cash received from campaigns is distributed to each participating member charity in the ratio of its designated pledges to total Global Impact pledges from the relevant campaign. Prior to the monthly distribution of the campaign receipts to the member charities, Board approved expenses less undesignated pledges and other non-designated revenues are deducted in the same ratio as undesignated pledges and are recorded as administrative charges for raising funds on behalf of others.

GLOBAL IMPACT AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Donor-advised funds payable -

Pledges that are designated to charities based on donor stipulations are recorded as donor-advised funds payable. Cash received from donors is distributed to each participating charity based on the total amount of funds designated to the charity, less any applicable administrative charges.

Income taxes -

Global Impact is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Global Impact is not a private foundation. Global Impact does have unrelated business income from its advisory service income. In addition, the income passed through to it from Geneva Global is also subject to income tax. For the current year there is no provision for income taxes, as for tax purposes Geneva Global had net operating losses carrying forward of approximately \$163,000 that offset taxable income.

Uncertain tax positions -

For the years ended June 30, 2020 and 2019, the Organization has documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the consolidated financial statements.

Revenue recognition -

Global Impact:

Contributions and grants -

Global Impact received through contributions and grants from individuals and foundations primarily for donor-advised funds and contributions from campaigns. Contributions and grants are recognized in the appropriate category of net assets in the period received. Global Impact performs an analysis of the individual contribution and grant to determine if the revenue streams follow the contribution rules or if they should be recorded as an exchange transaction depending upon whether the transactions are deemed reciprocal or nonreciprocal. For contributions and grants qualifying under the contribution rules, revenue is recognized upon notification of the award and satisfaction of all conditions, if applicable. Conditional promises to give are not recognized until the conditions on which they depend are substantially met.

Contributions and grants and contracts qualifying as contributions that are unconditional that have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions; such funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying consolidated financial statements.

Grant and contract agreements qualifying as conditional contributions contain a right of return and a barrier. Revenue is recognized when the condition or conditions are satisfied. Most grants and contract awards from the United States government and other entities are for direct and indirect program costs.

GLOBAL IMPACT AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Revenue recognition (continued) -

Global Impact (continued):

Contributions and grants (continued) -

These transactions are nonreciprocal and classified as conditional and are recognized as contributions when the revenue becomes unconditional. Typically, these agreements also contain a right of return or right of release from obligation provision and the entity has limited discretion over how funds transferred should be spent. As such, Global Impact recognizes revenue for these conditional contributions when the related barrier has been overcome (generally, when qualifying expenditures are incurred). Funds received in advance of the incurrence of qualifying expenditures are recorded as refundable advances. Global Impact did not have grants or contracts that were considered to be conditional for the years ended June 30, 2020 and 2019.

Some workplace campaigns choose to distribute employee charitable contributions directly to member charities. Campaigns in which Global Impact and its funded charities actively participate are recorded based on campaign reports received from the employee campaigns. These direct payments are presented under amounts raised in campaigns in the Consolidated Statements of Activities and Changes in Net Assets.

Other revenue -

Revenue from administrative charges, advisory and program support services, and outreach coordinator fees are recognized in the period in which it is earned. Revenues received in advance are deferred to the applicable period.

Geneva Global -

Geneva Global revenue consists primarily of program services and contracts. Revenues from cost-plus-fixed-fee contracts are recognized on the basis of costs incurred during the period, plus the fee earned. Revenues from fixed-price contracts are recognized ratably over the duration of the contract.

Use of estimates -

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Expenses -

Expenses are recognized by the Organization during the period in which they are incurred. Expenses paid in advance are recorded as prepaid expenses and will be expensed in the applicable period. Distributions to charities consist of amounts distributed to member charities and other charities from contributions raised through workplace giving under donor-advised fund agreements. Non-recurring giving for international relief and development are non-recurring contributions made for disaster response and other programs from sources other than annual workplace giving campaigns.

GLOBAL IMPACT AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Expenses (continued) -

Campaign support consists of costs associated with increasing overall recognition and representation of funded charities; costs that benefit the overall campaign; and expenses incurred under cost-sharing arrangements. Special programmatic services expenses consist of costs associated with advisory, fiscal agent, grant, signature, and high impact fund and backbone programs. Management and general expenses consist of costs directly related to the overall operations of Global Impact and maintenance of its corporate existence, including general office management, reception, and financial reporting. Fundraising includes those costs associated with accessing new workplace fundraising campaigns.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Consolidated Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributed to a specific functional area of the Organization are reported as direct expenses to the programmatic area and those expenses that benefit more than one function are allocated on a basis of estimated time and effort.

Financial instruments and credit risk -

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash balances and pledges receivable. At June 30, 2020, the Organization had deposits in a single financial institution totaling approximately \$3.2 million in excess of the Federal Depositors Insurance Limit. Management believes the risk in these situations to be minimal. Credit risk with respect to pledges receivable is limited because the Organization participates with a significant number of campaigns whose participants are spread over a wide geographic region.

Risks and uncertainties -

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

Economic uncertainties -

On March 11, 2020, the World Health Organization declared the Coronavirus disease (COVID-19) a global pandemic. As a result of the spread of COVID-19, economic uncertainties have arisen which may negatively impact the Organization's operations. The overall potential impact is unknown at this time.

Fair value measurement -

The Organization adopted the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements.

GLOBAL IMPACT AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Fair value measurement (continued) -

The Organization accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the Consolidated Statements of Financial Position are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Organization has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

For disclosure of inputs and valuation techniques, see Note 2.

New accounting pronouncements not yet adopted -

FASB issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended. The ASU provides a framework for recognizing revenue and is intended to improve comparability of revenue recognition practices across for-profit and nonprofit entities. During 2020, the FASB delayed the implementation date under ASU 2020-05 for an additional year. Organizations may elect to adopt the guidance for annual reporting periods beginning after December 15, 2019 and for interim periods within annual reporting periods beginning after December 15, 2020. Early adoption is still permitted.

FASB issued ASU 2019-01, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the Consolidated Statements of Financial Position and disclosing key information about leasing arrangements. During 2020, the FASB issued ASU 2020-05 and delayed the implementation date by one year. The ASU is effective for non public entities beginning after December 15, 2021. Early adoption is still permitted. The ASU can be applied at the beginning of the earliest period presented using a modified retrospective approach or applied at the beginning of the period of adoption recognizing a cumulative-effect adjustment.

The Organization plans to adopt the new ASUs at the required implementation dates, and management is currently in the process of evaluating the adoption method and the impact of the new standard on its accompanying consolidated financial statements.

10. LEASE COMMITMENTS

On November 7, 2013, Global Impact entered into an eleven year lease agreement for office space commencing in March 2014 through February 2025. The lease contains rent escalations of approximately 2.75% annually and a fixed rent abatement in the amount of \$243,328 applied toward the first two year period. In addition, the landlord made concessions to pay for leasehold improvements of up to \$730,015.

Geneva Global leases office space in Pennsylvania, Ethiopia and Uganda. Geneva Global entered into an 75-month lease in Pennsylvania that commenced on October 31, 2019. The lease contains rent escalations of approximately 3% annually.

Accounting principles generally accepted in the United States of America require that the total rent commitment should be recognized on a straight-line basis over the term of the lease. Accordingly, the difference between the actual monthly payments and the rent expense being recognized for financial statement purposes is recorded as a deferred rent liability on the Consolidated Statements of Financial Position.

The following is a schedule of the future minimum lease payments for all of these leases:

<u>Year Ending June 30,</u>	
2021	\$ 670,890
2022	689,970

2024	591,323
2025	330,816
Thereafter	<u>167,856</u>
	<u>\$ 3,160,609</u>

Rent expense for the years ended June 30, 2020 and 2019, was \$547,485 and \$350,499, respectively. The deferred rent liability was \$573,129 and \$645,462, respectively.

11. PENSION PLAN

Global Impact has a retirement plan named Global Impact 401(k) Profit Sharing Plan and Trust, which has two components, a money purchase pension plan and a 401(k) plan. The money purchase pension plan covers all full-time employees who have met eligibility requirements during the Plan year.

Under the terms of the 401(k) profit sharing plan, eligible employees may make contributions to the extent allowed by law. The Organization will match employee contributions up to a maximum of 5% of a participant's compensation. For the years ended June 30, 2020 and 2019, contributions totaled \$217,119 and \$227,056, respectively.

During the years ended June 30, 2020 and 2019, Global Impact contributed an additional non-matching proportion of each eligible employee's annual salary to the Plan, subject to certain statutory limits. For the year ended June 30, 2020, there was no contribution. For the year ended June 30, 2019, contributions totaled \$32,303.

Geneva Global has a 401(k) profit sharing plan for the benefit of its eligible employees. Geneva Global makes contributions to the Plan based upon the percentage of employee contributions. The contributions are discretionary. Geneva Global contributed \$74,770 to the Plan in 2020.

12. DEFERRED COMPENSATION PLAN

In September 2015, Global Impact established a nonqualified deferred compensation plan for a key employee. Global Impact has assets totaling \$61,649 and \$56,342 as of June 30, 2020 and 2019, respectively, which are included in the accompanying Consolidated Statements of Financial Position under other assets. The assets are to be used to satisfy the deferred compensation liability included in the accompanying Consolidated Statements of Financial Position under accrued expenses. Global Impact did not contribute to this plan during the years ended June 30, 2020 and 2019.

All of the Organization's investments related to this plan have been identified as Level 1 in the fair value hierarchy as they have values based on quoted prices in active markets for identical assets based on criteria included in ASC 820, *Fair Value Measurements*. Investment gains and losses from the deferred compensation investments are recorded directly to the asset account and the corresponding liability account.

13. COMMITMENTS AND CONTINGENCIES

Employment Agreement -

The Organization has a long-term contract with an employee that extends through April 30, 2023, with an option to be agreed upon by both parties at least 180 days prior to the termination date to extend the employment term for an additional five year period. If the agreement is terminated without cause, the employee shall continue to receive base salary, and benefits for the lesser of (i) 24 months following the effective date of such termination; and (ii) the date of such termination through the end of the agreement date of April 20, 2023.

SUMMARY OF FINDINGS
2022 Review of Applications
To Participate in Annual Combined Charities Fundraising Drive

SUMMARY OF METHODOLOGY AND FINDINGS

The Office of the City Administration reviewed the applications sent to the Board of Supervisors and conducted follow up conversations with representatives from some applicant organizations.

All four organizations that applied for participation in the 2022 Joint Fundraising Drive are in compliance with the criteria established by the Mayor and Board of Supervisors in Administrative Code Section 16.93-2. Asian Pacific Fund, which has participated in the past, will not participate. However, their fund is an option for donation as part of America’s Best Local Charities.

CRITERIA

Following is a list of the criteria established by Ordinance and information as to how the applicants met each requirement. All agencies satisfy City requirements.

Criterion A: Be a federated agency representing ten (10) or more charitable organizations of which 50 percent shall represent organizations located in the counties of San Francisco, San Mateo, Santa Clara, Alameda, Contra Costa and Marin.

According to the City Attorney, “located in the counties” may be defined as having offices, fundraising or otherwise doing business in those counties. Administrative Code Sec. 16.93-2(a) lists these counties as San Francisco, San Mateo, Santa Clara, Alameda, Contra Costa and Marin.

1. American’s Best Local Charities

America’s Best Local Charities represents over 300 agencies of which over 50 percent meet the definition of being located in the Bay Area counties.

2. CHC: Creating Healthier Communities (formerly Community Health Charities)

CHC represents 160 charitable agencies, all of which meet the definition of being located in the Bay Area counties.

3. EarthShare

EarthShare represents 51 agencies, of which over 50 percent meet the definition of being located in the Bay Area counties.

4. Global Impact

Global Impact represents 58 agencies, of which 38 meet the definition of being located in the Bay Area counties.

Criterion B: The federated agency must certify to the Board of Supervisors that the Federal Internal Revenue Service has determined contributions to all of the represented charitable organizations are tax deductible.

Each of the applicant organizations included information from the Internal Revenue Service indicating proof of their tax-deductible status.

Criterion C: The federated agency must have been in existence with 10 or more qualified charities for at least one year prior to the date of application and provide satisfactory evidence to that effect at the time of filing an application with the Board.

This criterion was met by all agencies.

Criterion D: The federated agency must submit its most recent certified audit at the time of filing an application with the Board.

The applicant agencies provided these documents, as detailed below:

1. American's Best Local Charities submitted Financial Statements for the year ended April 30, 2021, and an Independent Auditor's Report by Maze & Associates Accountancy Corporation dated August 26, 2021.
2. CHC: Creating Healthier Communities (formerly Community Health Charities of California) submitted Consolidated Financial Statements and Supplementary Information as of and for the year ended June 30, 2021 and a Report of Independent Auditor by Cherry Bekaert dated November 9, 2021.
3. EarthShare submitted Consolidated Financial Statements and Supplementary Information for the years ended June 30, 2020 and 2019 with an Independent Auditors' Report by Councilor, Buchanan and Mitchell dated June 24, 2021.
4. Global Impact submitted Consolidated Financial Statements for the years ended June 30, 2020 and 2019, with an Independent Auditors' Report performed by Gelman, Rosenberg and Freedman dated February 11, 2021.

Criterion E: Agencies that wish to participate in the Annual Drive are required to submit applications to the Board of Supervisors that include all information that may be relevant to the criteria listed in the Section.

All applicants provided documentation in their letters of application to the Board of Supervisors or confirmed by telephone or email that they are in compliance with the requirements of Section 16.93-2. This constitutes "certification."

Therefore, all applicants were in compliance with Criterion E.

Dear Ms. Calvillo:

Pursuant to Section 16.93-3 of the Administrative Code, my office has reviewed the applications to participate in the Annual Combined Charities Fundraising Drive. This review is in accordance with the criteria delineated in Administrative Code Section 16.93-2.

Our report addresses the criteria delineated in the Administrative Code. We have recommended that representatives of the applicant federations attend the Board committee meeting to respond to any questions the committee may have. My office will notify applicants when the meeting is scheduled.

If you should have any questions or desire additional information, please contact Joan Lubamersky, of my office, Joan.Lubamersky@sfgov.org.
