Ms. Angela Calvillo
Clerk of the Board
San Francisco Board of Supervisors
City Hall, Room 244
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Dear Ms. Calvillo:

The Asian Pacific Fund is pleased to apply for participation in the 2018 San Francisco City and County Employees Combined Charities Campaign.

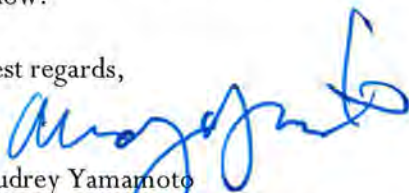

Founded in 1993, the Asian Pacific Fund is a charitable community foundation that is a federation representing 34 organizations who serve the Asian and Pacific Islander community in the Bay Area. Given that over 36% of the population in San Francisco is Asian or Pacific Islander American, we believe that many donors would appreciate having options that directly benefit this substantial constituent of our San Francisco community.

Enclosed please find all required materials in accordance with our understanding of the Administrative Code set forth by the Board of Supervisors in Section 16.93-2, which includes:

1. A list of current Asian Pacific Fund affiliate organizations, all of which are located in one of the 6 counties listed in Section 16.93-2. (Criteria A)
2. A copy of our IRS 501(c)(3) Tax Exempt letter (Criteria B)
3. A copy of the Asian Pacific Fund's 2016-17 Annual Report (Criteria C-1)
4. A copy of the Asian Pacific Fund's most recent Form 990 (Criteria C-2)
5. A copy of the Asian Pacific Fund's most recent certified audit (Criteria D)

Any additional information we can present in order to support this application, please let us know.

Dear Taxpayer:

This is in response to your June 18, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in December 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

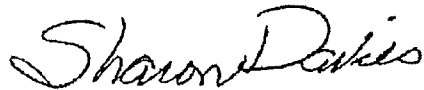

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

DEEPENING OUR IMPACT

CAPACITY BUILDING: Investing in Our Community

Every grant dollar that the Asian Pacific Fund invests in community partners aims to help grantees expand and deepen their impact. In 2017, the Fund launched a new two-year, capacity building and civic engagement initiative in partnership with the Wallace H. Coulter Foundation, The San Francisco Foundation and PG&E.

Fourteen Fund affiliates, representing the ethnic and geographic diversity of the Bay Area's Asian and Pacific Islander (API) community, were selected to receive \$20,000 to \$30,000 each for each of the program's two years.

They will use this money to ensure that their organizations are sustainable and achieve sustainable results as well as to engage their clients in civic activities and in discussions of policies that affect them.

- More than \$600,000 distributed over the next two years
- Capacity building through strategic planning, leadership development, succession planning and enhancing fundraising
- Civic engagement through collaborative workshops, expanding citizenship classes, and increasing voter education and engagement efforts

WHAT OUR PARTNERS ARE SAYING

In the last round of funding, the APF three-year grant helped push our organization to the next level and helped us build a solid foundation for our future growth. Most important of all, it helped us see clearly our role and approach in strengthening our community.

*Quyen Vuong, Executive Director,
International Children's Assistance Network (ICAN)*

The civic engagement efforts that APF funds are a natural extension of our work to empower women who are survivors of domestic violence. All of these women are immigrants and don't know what their rights are. They have opinions and perspectives, and those need to be valued and heard.

COMMUNITY SPOTLIGHT: KOREAN COMMUNITY CENTER OF THE EAST BAY (KCCEB)

As the leading Bay Area organization working with the most vulnerable segments of the Korean community, the KCCEB strives to empower Korean Americans and other APIs through education, advocacy, service and the development of community-based resources.

APF's grant enabled KCCEB to produce the "Korean Needs Assessment of the East Bay," the first-of-its-kind research into the hidden needs of the Bay Area's largest Asian American ethnic community. The report not only raised awareness about such needs as access to language services and affordable housing but also contributed to changes in long-term policy and funding that benefit the broader Bay Area API community. These include the adoption of specific API ethnic communities as priority populations under Alameda County Behavioral Health Care Services and recognition of disaggregated local research on underrepresented API subgroups in Santa Clara County.

The report also led to the launch of a new mental health stigma education program, Jikimee ("protector of the community"). This critical program, designed to break the isolation of Korean seniors and to build leadership, addresses the fundamental problem that many immigrants struggle with—social isolation—which impacts their mental health and ability to access much-needed resources.

Korean seniors in the Jikimee program

"The opportunity to highlight hidden needs and turn them into visible numbers is important. It helps to get other funders. APF funding helps us to increase the political visibility of the low-income Korean community and to share policy and advocacy conversations with county and federal government officials."—June Lee, Executive Director, KCCEB

RAISING AWARENESS

Individuals of Asian descent are the single largest demographic of new immigrants moving to the United States. Asians and Pacific Islanders (APIs) are also the fastest growing racial group in the Bay Area. And despite their cultural diversity, APIs often confront very similar challenges and have similar needs, which are frequently unfamiliar to policy makers.

The Asian Pacific Fund responds to the API community's hidden needs by driving critical resources to our network of more than 70 affiliates. Specifically, we deliver the following types of support to the most vulnerable APIs:

- **Grants:** We help donors invest their philanthropic dollars in organizations with track records of success.
- **Technical Assistance:** We bring community organizations together to explore common issues and ways to collaborate on solutions.
- **Public Education:** We raise awareness about issues that might not otherwise be seen by our donors and community partners.

The Asian Pacific Fund's support of its affiliates is more critical than ever at a time when the uncertain political environment exacerbates many of the API community's existing challenges:

POVERTY

Asians and Pacific Islanders make up 35 percent of San Francisco's population while 42 percent of all low-income residents in San Francisco are API.

ACCESS TO LANGUAGE SERVICES

One in three Asian Americans in California have limited English proficiency and have difficulty communicating in English.

EDUCATION

In 2014, 15 percent of Asian-immigrant adults had not completed high school, compared to 10 percent of U.S.-born adults.

ANTI-ASIAN HATE VIOLENCE

Immediately after the November 2016 election, nearly one-third of the hate incidents documented by the Southern Poverty Law Center were directed toward immigrants. Also, anti-South Asian hate violence is the highest it has been since 9/11.

DONOR SPOTLIGHT: CHRISTINE HOANG

Christine Hoang has been an advocate for the civil and human rights of immigrants for over a decade, working at organizations such as Asian Pacific Islander Legal Outreach and Tahirih Justice Center. Christine's immigration work has centered largely on women and children fleeing gender-based violence. In addition to her tireless efforts as an immigration lawyer, Christine is joined by her husband, Paul Nakada, in giving financial support to causes close to their hearts. This commitment is reflected in the annual grants they make through their APF donor advised fund to organizations that include Asian Women's Shelter, Horizons, Partners in Health and the International Rescue Committee.

"Both Paul and I come from immigrant families, so we have directed much of our charitable giving to organizations focused on immigrants and refugees. Asian Pacific Fund's strength is seeing the big picture of need in our communities and identifying underfunded opportunities."—Christine Hoang

GIVING VOICE TO THE NEXT GENERATION

SCHOLAR SPOTLIGHT: CHANEL ISON

Recipient of the Helen and L.S. Wong Memorial Scholarship

Chanel Ison is a major in sociology with a minor in communications at Portland State University. For Chanel, the choice of academic study is very personal and informed by her childhood challenges: Her parents coped with life through gangs and substance abuse, and as a result, her aunt and

uncle adopted Chanel and her two siblings even though they already had two children of their own. For many years, Chanel was convinced that she wasn't good enough and that college was beyond her reach.

With support from the Helen and L.S. Wong Memorial Scholarship, Chanel is now thriving in college. "This is one of few scholarships that I've won, so that makes it an even bigger deal. Getting this scholarship meant someone saw something in me."

Moving away from her hometown of Fairfield, California, to Portland, Oregon, and pursuing higher education helped

Chanel become more confident. Nonetheless, she was self-conscious about her Filipino heritage: "I didn't feel shameful about being Asian, but I definitely felt smaller because my people are very much underrepresented in places outside of my comfort zone—such as Portland. Now I have a newfound respect for that part of my identity, and I better appreciate who my people are and what that means for me. Like my ancestors, I'm proud to fight for my place at the table."

Chanel's background contributes to her open-minded attitude and desire to talk to underprivileged people about their needs. Her personal history inspired her to do her undergraduate research on Oregon's foster care system and helping foster youth navigate the system.

When she graduates, Chanel wants to become a social worker, helping youth like her transcend their challenges to access the opportunities available to them.

In the 2016-2017 academic year, the Asian Pacific Fund distributed nearly \$190,000 in scholarships to 65 students, most from low-income communities.

GROWING UP ASIAN IN AMERICA: LETTER TO THE SENATOR

Each year, the Growing Up Asian in America program gives hundreds of Bay Area K–12 students an opportunity to express their opinions and perspectives on the issues that matter most to them. This year's theme, "Letter to the Senator," invited youth to submit original artwork, essays, poetry and videos to tell Kamala Harris (D-CA), the first Indian American elected to the U.S. Senate, what is on their minds and in their hearts.

I think everyone should be treated fairly and kindly no matter where they came from or what they look like. All children should be able to reach their goals and dreams no matter where they were born or how much money their family has. Please help keep our country together by making sure our laws are fair for all.

MESSAGE FROM THE CHAIR

Dear Friends and Supporters,

I have been on the board of the Asian Pacific Fund (APF) for eight years now, and this is also the second year that I've had the honor of serving as the board chair. Even though I continue to be engaged in the community and support other nonprofits, serving on the APF board allows me to have a meaningful impact in the Bay Area's Asian and Pacific Islander community. It allows me to come full circle in my journey.

I came to the United States as a poor refugee in the late 1970s after the fall of Saigon. Like many of the vulnerable Asians and Pacific Islanders whose lives are touched by APF's support, I needed just enough help to be able to make my own life in this country. I worked during the day and took English classes at night. I lived in a one-bedroom apartment with six other family members. I made sure to save every hard-earned dollar. Today, I run a multimillion-dollar company, and I'm able to invest my time and money helping others to achieve their American dream.

Those underserved Asians and Pacific Islanders who are positively impacted by APF dollars may have hidden needs just like I did: They may need access to language services. They may be trying to secure a job to put them on a path to economic self-sufficiency. They may be looking for safe, affordable housing. They may be trying to leverage educational opportunities.

Through APF, I can trust that my dollars will be maximized to give others like me their chance. I'm proud that, with my contributions and those of the Fund's many donors, we are able to work with our affiliate partners to help immigrants, refugees and other newcomers in this country to not only survive but thrive.

Sincerely yours,

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Asian Pacific Fund
San Francisco, California

We have audited the accompanying financial statements of the Asian Pacific Fund (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Asian Pacific Fund as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Prior Period Adjustment - Correction of an Error

As part of our audit of the June 30, 2017 financial statements, we also audited the adjustments described in Note 15 that were applied to restate the June 30, 2016 financial statements. In our opinion, such adjustments are appropriate and have been properly applied.

To the Board of Directors
Asian Pacific Fund

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Functional Expenses on page 23 are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such information is fairly stated in all material respects in relation to the financial statements as a whole.

ASIAN PACIFIC FUND
NOTES TO FINANCIAL STATEMENTS

June 30, 2017 and 2016

1. Organization

The Asian Pacific Fund (the "Fund") is a California nonprofit public benefit corporation organized in 1993. The Fund's mission is to strengthen the Asian and Pacific Islander (API) community in the Bay Area by increasing philanthropy and supporting the organizations that serve our most vulnerable community members. Its core areas of focus are as follows: 1) Philanthropy: Increasing and mobilizing resources from donors, corporations and institutions to support the Bay Area's underserved APIs; 2) Community: Supporting a network of over 70 affiliate organizations who serve APIs across a wide range of needs including senior and youth services, health and well-being, counseling, legal services, advocacy, civic engagement, and arts and culture; 3) Leadership: Cultivating leadership by recognizing current and future API leaders who have achieved success and are role models for giving back and making a difference among our youth, in higher education and in philanthropy; and 4) Awareness: Shedding light on emerging issues as they impact APIs in the Bay Area.

2. Summary of Significant Accounting Policies

Basis of Accounting and Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions.

The Fund is required to report information regarding its financial position and activities in accordance with three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted

Those net assets and activities which represent the portion of expendable funds that has no use or time restrictions. The Board of Directors may designate a portion of these net assets for specified purposes.

Temporarily Restricted

Those net assets and activities which are donor-restricted for (a) support for specific operating activities; (b) investment for a specified term; (c) use in a future period; or (d) acquisition of long-lived assets.

Permanently Restricted

Net assets that are subject to donor-imposed restrictions requiring that they be retained permanently by the Fund as donor restricted endowments. Some or all of the income and appreciation from such endowments, once appropriated for distribution, is available for general operations or specific programs as specified by the donor.

Use of Estimates

Preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues, and expenses and to disclose any material contingent amounts. Accordingly, actual results could differ from such estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash balances and highly liquid investments with original maturities of three months or less at acquisition which are not managed as part of long-term investment strategies and are not legally restricted.

Pledges Receivable

The Fund records pledges receivable at net realizable value, net of allowance for uncollectible pledges: the allowance is based on estimated losses recorded to specific accounts. Pledges receivable which are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of these discounts is included in contributions revenue in the accompanying statement of activities.

Investments

Investments are stated at fair value. The Fund has engaged professional investment advisors to manage its portfolio. The Board of Directors has provided the firms with guidelines consistent with a socially responsible prudent investment policy and the conservative nature of the Fund. Gains and losses that result from market fluctuations are recognized in the period in which such fluctuation occurs.

The Fund has several endowment funds and long-term donor advised funds that are pooled for investment purposes in one investment account. The value of donated securities is recorded at market price on the date of transfer. Donated securities are liquidated shortly after receipt.

Charitable Remainder Trusts

The Fund has been designated as the trustee for three irrevocable charitable remainder trusts. The trust agreements generally require the Fund to make annual payments to the trust beneficiaries based on stipulated payment rates ranging from 5% to 10%, applied to the fair value of the trust assets, as determined annually. Upon the death of the beneficiaries, or other termination of the trusts as may be defined in the individual agreements, the remaining trust assets will be distributed by the Fund to itself (and to other beneficiaries, as applicable), as stipulated in the trust agreements.

The fair value of the trust assets has been included in the Fund's statements of financial position. A corresponding liability, reported as liabilities under charitable remainder trusts in the accompanying statements of financial position, has been recorded to reflect the present value of required lifetime payments to the named income beneficiaries using discount rate provided in Internal Revenue Service guidelines and actuarial tables of approximately 56% - 71% for each of the years ended June 30, 2017 and 2016. Management calculates valuations annually by updating life expectancy of the income beneficiaries and investment values.

Liabilities under split-interest agreements represent the present value of the investments held in charitable remainder trusts owed to remainder beneficiaries other than the Fund, at the settlement of the trusts. These liabilities are calculated as a percentage of the present value of the investments held in charitable remainder trusts. Split-interest agreements are charitable remainder trust agreements that name the Fund and one or more other charities as remainder beneficiaries.

ASIAN PACIFIC FUND
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

2. Summary of Significant Accounting Policies, continued

Charitable Remainder Trusts, continued

The difference between the fair value of the assets received and present value of the obligation to named beneficiaries under the agreements is recognized as contribution revenue in the year the agreement is signed. Realized and unrealized gains and losses, interest and dividend income from the investments and payments of the obligations are reflected as adjustments to obligations under split-interest agreements in the accompanying statements of financial position. Amortization of discounts and changes in actuarial assumptions are reflected in the statements of activities and changes in net assets as a change in value of charitable remainder trusts.

Property and Equipment

All acquisitions and major improvements of property and equipment in excess of \$1,000 are capitalized; maintenance and repairs which do not extend the useful life of the respective assets are expensed. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives on the property and equipment. Estimated useful lives range from three to seven years.

Scholarships and Grants Payable

Grants and scholarships payable that are expected to be paid in future years are recorded at the present value of expected future payments.

Fair Value Measurements

The Fund carries certain assets and liabilities at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value measurement standards also require the Fund to classify these financial instruments into a three-level hierarchy, based on the priority of inputs to the valuation technique. The Fund classifies its financial assets and liabilities according to three levels, and maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value.

Level 1 – quoted prices in active markets for identical investments.

Level 2 – other significant observable inputs (including quoted prices for similar instruments, interest rates, prepayment speeds, credit risk, etc.).

Level 3 – significant unobservable inputs (including the Fund's own assumptions in determining fair value instruments).

Charitable Remainder Trust: Beneficial interest in charitable trust are valued using the income approach and market inputs. The net present value of these assets was determined using net present value factor of 56% - 71% and investment return rate of 5% - 10%, consistent with the composition of the asset portfolios, single or joint life expectations from the IRS Publication 1457 tables.

Endowment Funds

Interpretation of Relevant Law

The Board of Directors of the Fund has interpreted California's enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Fund classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts donated to the permanent endowment, and (3) additions to the permanent endowment in accordance with donor directions. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Fund in a manner consistent with the standard of prudence prescribed by the enacted version of UPMIFA.

In accordance with the State of California's enacted version of UPMIFA, the Fund considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Fund and the endowment funds
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Fund
- (7) The investment policies of the Fund

Return Objectives and Risk Parameters

The Fund has adopted investment and spending policies for endowment assets that attempt to achieve a growth in principal that will support a continuing rise in charitable distributions from its endowments, avoid a high degree of risk and ensure endowment funds will operate in perpetuity. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of at least 5%, while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the Fund to unacceptable levels of risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Fund relies on a total return strategy in which investment returns achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Fund targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Funds, continued

Spending Policy

The spending rate is set each year as part of the annual budget process for the subsequent fiscal year and is calculated every quarter as a percentage of the average endowed fund balance over the previous 36 months. In accordance with donor instructions, this amount is expendable for either general or specific purposes. Appropriations made from the endowment for the years ended June 30, 2017 and 2016 were \$649,009 and \$561,167, respectively inclusive of investment management fees and administration fees.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the original endowment corpus. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature that are reported in unrestricted net assets were \$456,867 and \$530,772 as of June 30, 2017 and 2016, respectively. These deficiencies resulted from poor performance of historically held investments during periods of unfavorable market fluctuations and continued spending in line with the Fund's spending policy.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Temporarily restricted contributions are recorded to recognize donor-imposed or timing restrictions, including bequests and split-interest agreements. Permanently restricted contributions are recorded where the donor has permanently restricted the gift. In the event that the Fund receives donated securities, the securities are liquidated shortly after receipt. Investments received through gifts are recorded at fair value at the date of donation.

The majority of the contributions received by the Fund, including certain contributions received with donor recommendations for use of those contributions, are subject to the variance power acknowledged by the donor's signed agreement form or other forms of communications. This variance power provides the Fund the ability to modify the use of the contribution in a manner that differs from a donor's original recommendation. As a result of this variance power, such contributions are classified as unrestricted for financial statement reporting purposes.

Restricted Contributions

Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Functional Expense

The costs of the Fund's various activities have been summarized on a functional basis in the accompanying statements of activities and changes in net assets and functional expenses. Expenses are allocated to program and supporting services based on the purpose of each expenditure, services provided for each program, and the respective usage of the Fund's assets. Expenses relating to more than one function are allocated to program service, management and general and fundraising costs based on employee time and expense studies or other appropriate usage factors.

10. Lease Commitment

The Fund occupies its office facilities in San Francisco under an operating lease which expires in December 2017. Rent payments are payable monthly and annually increase in January. Future obligations to pay under the lease agreement for the year ending June 30, 2018 is \$29,715. Rent expense for the years ended June 30, 2017 and 2016 was \$64,404 and \$58,863, respectively.

11. Conditional Promise to Give

In October 2010, a foundation donor agreed to match contributions and firm commitments made to the Fund on a one-for-one basis up to \$5,000,000, received from July 1, 2009 through December 31, 2014. At least 50% of matched contributions had to be raised directly by board members or come directly from them. The maximum amount of matching was \$1,000,000 per calendar year, paid in \$250,000 increments. Total funds collected and matched will add to existing endowed funds or create one or more new endowment funds. In September 2015, the foundation donor amended the original matching contribution deadline by extending the term to September 30, 2015. In addition, the amended matching contribution agreement reassigned previously contributed funds to the Fund's operating endowment. Furthermore, all additional matching contributions will be added to a new donor advised fund. Funds matched under this agreement and recorded as foundation and corporate grant revenue during the years ended June 30, 2017 and 2016 totaled \$0 and \$452,331, respectively.

12. Concentrations of Credit Risk

Financial instruments that potentially subject the Fund to credit risk consist primarily of cash, cash equivalents, accounts receivable, and investments. The Fund maintains cash and cash equivalents with commercial banks and other major financial institutions, however the Fund's balance may generally exceed federal deposit insurance limits.

Investments in general are exposed to various risks, such as interest rate, credit and overall market volatility. To address the risk of investments, the Fund maintains a diversified portfolio subject to an investment policy that sets out performance criteria, investment guidelines, asset allocation guidelines, and requires review of the investment manager's performance. Investments are managed by multiple investment managers, who have responsibility for investing the funds in various investment classes. An investment advisor is also utilized. This entire process is actively overseen by the Board of Directors. Investments are secured up to the limit set by the Securities Investor Protection Corporation ("SIPC"). As of June 30, 2017 and 2016, the Fund held investments in excess of the SIPC insurance limits.

As of June 30, 2017, two donors comprised approximately 62% of the net pledge receivable balance. As of June 30, 2016, three donors comprised approximately 94% of the net pledge receivable balance.

For the year ended June 30, 2017, one donor contributed amounts representing 13% of total contributions. For the year ended June 30, 2016, three donors contributed amounts representing 62% of total contributions.

13. Liquidity

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplates a composition of assets to satisfy donor restrictions. However, as of June 30, 2017 and 2016, unrestricted net assets have a deficit from underwater endowment balances of \$456,867 and \$530,772, respectively, which reduces the net assets available for funding amounts and potentially encumbers permanently restricted net assets.

Additionally, included in unrestricted net assets are those net assets related to advised funds which are intended to be used by the Fund, as advised by the donor, for organizations in line with the mission of the Fund, and not intended to be used for the Fund's operations. As of June 30, 2017 and 2016, advised funds net assets were \$1,446,534 and \$1,375,158, respectively. As of June 30, 2017 and 2016, unrestricted undesignated net assets less advised funds were \$92,136 and \$(112,251), respectively.
