21 Improvement Program ("WSIP"), with the primary purpose of providing additional dry-year
22 regional water supply capacity; and

23 WHEREAS, The Project is located in the County of San Mateo and its completion
24 would help the SFPUC achieve the WSIP Level of Service goal for Water Supply adopted by

8 the South Westside Groundwater Basin by up to an average annual volume of 7.2 million
9 gallons per day and provide a new dry-year groundwater supply for SFPUC customers and
10 increase water supply reliability during a multi-year drought cycle; and

11 WHEREAS, An Environmental Impact Report ("EIR") as required by the California
12 Environmental Quality Act ("CEQA") was prepared for the Project by the San Francisco
13 Planning Department, File No. 2008.1396E; and

14 WHEREAS, The San Francisco Planning Commission on August 7, 2014 1) certified
15 the FEIR for the Project by Motion No. M-19209; 2) adopted findings under CEQA,

20 on file with the Clerk of the Board of Supervisors under File No. 150616, which is
21 incorporated herein by this reference; and

22 WHEREAS, The Project requires that the City acquire one (1) temporary construction

3 WHEREAS, On August 12, 2014, by SFPUC Resolution No. 14-0127, a copy of
4 which is on file with the Clerk of the Board of Supervisors under File No. 140945, which is
5 incorporated herein by this reference, adopted CEQA Findings and approved the proposed
6 acquisition of the Easements by authorizing the SFPUC General Manager and/or the
7 Director of Property through consultation with the Office of the City Attorney, following
8 Board of Supervisors approval of the acquisition of the Easements, to accept and execute
9 final agreements, and any other related documents necessary to consummate the

20 Grantor, a copy of which is on file with the Clerk of the Board of Supervisors under File No.
21 160885, which is incorporated herein by reference, by which City would pay Grantee
22 \$23,170 as compensation for the Easements as determined by an appraisal report dated
23 June 6, 2014; and

24 WHEREAS, The Project files, including SFPUC Resolution Nos. 08-200 and 14-0127

19 significant impacts, and there is no new information of substantial importance that would
20 change the conclusions set forth in the FEIR; and, be it

21 FURTHER RESOLVED, The Board of Supervisors hereby incorporates by reference
22 the General Plan Findings made in Resolution No. 400-14, Board File No. 140945

D. Subject to the terms and conditions of this Agreement, City desires to purchase, and Seller is willing to sell to City, the easement interests described in this Agreement.

IN CONSIDERATION of the respective agreements set forth below, Seller and City agree as follows:

1. PURCHASE AND SALE

1.1 Purchase and Sale of Easements

In connection with the Regional Groundwater Storage and Recovery Project of Seller's Public Utilities Commission, Seller agrees to sell and convey to City, and City agrees to purchase from Seller, subject to the terms, covenants, and conditions set forth below, the following interests in real property (each, an "**Easement**" and collectively, the "**Easements**"):

(a) a temporary construction easement (the "**TCE**") over, across, in, and upon portions of Seller's real property in the City of Colma, San Mateo County ("**County**"), California, located at 1200 El Camino Real, Colma, California and commonly known as Assessor's Parcel 008-421-120 ("**Seller's Property**");

1.2 Easement Areas; Nature of Easements

The Easement Areas consist of those portions of Seller's Property described in each of the easement deeds attached as Exhibits A and B (each a "Deed," and collectively, the "Deeds"). The nature, scope, and conditions of each Easement are set forth in the respective Deed with respect to such Easement.

2. PURCHASE PRICE

2.1 Purchase Price

The purchase price to be paid by City for each of the Easements shall be as follows:

The total rounded purchase price (rounded) for both Easements is TWENTY-THREE THOUSAND ONE HUNDRED SEVENTY DOLLARS (\$23,170) (the "Purchase Price").

2.2 Payment

On the Closing Date, City shall pay the Purchase Price, adjusted pursuant to the provisions of Article 6 [Expenses], and reduced by any credits due City under this Agreement.

2.3 Funds

All payments made pursuant to this Agreement shall be in legal tender of the United States of America, paid by Controller's warrant or in cash or by wire transfer of immediately available funds. Unless the parties elect to close the transaction without an escrow, payments shall be made to Escrow Holder (defined in Section 5.2 [Escrow; Closing Without an Escrow]), as the escrow agent.

3. CONVEYANCE OF EASEMENT

3.1 Easement Deeds

At the Closing defined in Section 5.1 ["Closing" Defined], Seller shall convey to City or its designee marketable and insurable title to the Easements, by delivery of the Deeds, each duly executed and acknowledged in the forms of the attached as Exhibits A and B free and clear of all exceptions, liens, and encumbrances except solely for the Accepted Conditions of Title (defined in Section 3.2 [State of Title]). Each Deed shall be executed and delivered to City in a recordable form. City may record each of the Deeds in County's Recorder's Office except, because of the temporary nature of the temporary construction easement to be granted as described in Exhibit A, the Deed with respect to such Easement shall not be recorded.

3.2 State of Title

"Accepted Conditions of Title" shall mean, with respect to the Easements (a) the lien of real property taxes, not yet due or payable; and (b) exceptions numbered 4 through 19 of the preliminary title report dated December 4, 2015, bearing Title No. 12-40704613-JM attached as **Exhibit C**. As a condition precedent to City's obligation to purchase the Easements, Seller shall make commercially reasonable efforts to cooperate with City to obtain a subordination agreement reasonably acceptable to City with the current holders of the existing encumbrance with respect to Seller's Property that secures a loan to Seller and is held by Woodmen of the World Life Insurance Society and/or Omaha Woodmen Life Insurance Society, a Nebraska corporation (the "Existing Encumbrance") at no cost or expense to Seller; provided, however, that the failure to obtain any such subordination agreement shall not constitute a Seller default under this Agreement.

4. CONDITIONS TO CLOSING

4.1 City's Conditions to Closing

The following are conditions precedent to City's obligation to purchase the Easements (collectively, "Conditions Precedent"):

(a) Except to the extent of changes to the Easement Areas that result from City's use and occupancy of any portion of the Easement Areas pursuant to the License, the physical condition of all portions of the Easement Areas shall be substantially the same on the Closing Date as on the date of City's execution of this Agreement, reasonable wear and tear and loss by casualty excepted (subject to the provisions of Article 8 [Risk of Loss]), and as of the Closing Date there shall be no litigation or administrative agency or other governmental proceeding, pending or threatened, that after the Closing could materially adversely affect the value of the Easements or City's ability to use all portions of the Easement Areas for their respective intended use, and no proceedings shall be pending or threatened that could or would cause the change, re-designation, or other modification of the zoning classification of, or of any building or environmental code requirements applicable to, any portions of the Easement Areas.

(b) Seller shall have delivered signed originals of any documents required under Section 3.2, and, unless the parties elect to consummate the transaction without an escrow, Escrow Holder shall be committed at the Closing to issue to City a CLTA owner's policy of title insurance (the "Title Policy") in the amount of the Purchase Price, insuring title to the Easements vested in City free of all exceptions, liens, and encumbrances except only the Accepted Conditions of Title. The Title Policy shall contain such special endorsements as City may reasonably request.

(c) The transactions contemplated by this Agreement shall have been approved by all applicable City departments and agencies, including, without limitation, the San Francisco Public Utilities Commission, at their respective sole discretion, within sixty (60) days after Seller executes and delivers this Agreement to City.

(d) If required by City's Charter, the City's Mayor and the Board of Supervisors, at the sole discretion of each, shall have enacted a resolution approving, adopting, and authorizing this Agreement and the transactions contemplated by this Agreement, within ninety (90) days after Seller executes and delivers this Agreement to City.

(e) Seller shall have delivered the items described in Section 5.4 below [Seller's Delivery of Documents] on or before the Closing.

The Conditions Precedent contained in the foregoing subsections (a) through (e) are solely for City's benefit. If any Condition Precedent is not satisfied, City shall have the right at its sole discretion either to waive in writing the Condition Precedent in question and proceed with the purchase (provided that the Conditions Precedent described in items (c) and (d) above may not be waived except insofar as City elects to extend the deadline for satisfying such item) or, in the alternative, terminate this Agreement. The waiver of any Condition Precedent shall not relieve Seller of any liability or obligation with respect to any representation, warranty, covenant, or agreement of Seller. In addition, the Closing Date may be extended, at City's option, for a reasonable period of time specified by City, to allow such Conditions Precedent to be satisfied, subject to City's further right to terminate this Agreement upon the expiration of the period of any such extension if any such Conditions Precedent remain unsatisfied.

If the sale of both the Easements is not consummated because of a default under this Agreement on the part of Seller or if a Condition Precedent with respect to one or more of the Easements cannot be fulfilled because Seller frustrated such fulfillment by some intentional affirmative act or negligent omission, at its sole election, City may (i) terminate this Agreement by delivery of notice of termination to Seller, whereupon Seller shall pay to City any title, escrow, legal, and inspection fees incurred by City, and neither party shall have any further rights or obligations hereunder, (ii) elect to proceed with Closing with respect to any Easement with respect to which all Conditions Precedent have been waived by City or satisfied and elect to either terminate this Agreement with respect to the remaining Easements not so purchased (pursuant to clause (1) of this paragraph) or continue this Agreement with respect to such remaining Easements (pursuant to clause (3) of this paragraph), or (iii) continue this Agreement pending City's action for specific performance and/or damages (in no event to exceed the amount of the Purchase Price) under and pursuant to this Agreement, including, without limitation, City's costs and expenses incurred in connection with the transactions contemplated by this Agreement. If City elects to proceed to Closing with respect to one, but not both, of the Easements pursuant to clause (ii) above, the Purchase Price with respect to the Easements being purchased will be reduced by the sum of the purchase prices stated in Section 2.1 attributable to the Easement not being purchased and any subsequent Closing with respect to any such Easement not initially purchased shall be for the purchase price stated for such Easement in Section 2.1.

4.2 Seller's Condition to Closing

The following are conditions precedent to Seller's obligation to sell the Easements (collectively, "**Seller's Conditions Precedent**"):

- (a) Seller shall have received the Purchase Price as set forth in Section 2.1.
- (b) City shall have performed all of its material duties and obligations under the License that are required to be performed pursuant to the License on or prior to Closing and City shall not be in material breach or default of said License Agreement.
- (c) City shall have performed and observed, in all material respects, all covenants and agreements of this Agreement to be performed and observed by City as of Closing.

4.3 Cooperation

Seller and City shall each cooperate with each other and do all acts as may be reasonably requested with regard to the fulfillment of any Conditions Precedent including, without limitation, execution of any documents, applications, or permits, but Seller's representations and warranties of the parties shall not be affected or released by either City or Seller's waiver or fulfillment of any Condition.

5. CLOSING AND POSSESSION

5.1 "Closing" Defined

The consummation of the purchase and sale contemplated hereby (the "Closing") shall occur as provided in this Article 5.

5.2 Escrow; Closing Without an Escrow

(a) Unless the parties agree to consummate the purchase and sale without an escrow as provided in subparagraph (b) below: (i) On or before the Effective Date (as defined in Section 11.17 [General Provisions]), the parties shall open escrow by depositing an executed counterpart of this Agreement with Chicago Title Company at its offices at 1929 Market Street, San Francisco, California 94104 ("Escrow Holder"); (ii) this Agreement shall serve as instructions to Escrow Holder as the escrow holder for consummation of the purchase and sale contemplated hereby; (iii) Seller hereby authorizes City to prepare and submit supplemental escrow instructions in accordance with this Agreement on behalf of both parties, as needed; and (iv) the Closing shall be held and delivery of all items to be made at the Closing under this Agreement shall be made at Escrow Holder's offices.

(b) Notwithstanding the foregoing, the parties may elect by mutual agreement to consummate the purchase and sale without an escrow, in which event the Closing shall occur as described in Section 5.7(b).

5.3 Closing Date

The Closing shall occur ninety (90) days after the Effective Date (as defined in Section 11.17) or on such earlier date as City and Seller may mutually agree (the "Closing Date"), subject to the provisions of Article 4 [Conditions Precedent]. The Closing Date may not be extended without the prior written approval of both Seller and City, except as otherwise expressly provided in this Agreement; provided, that at City's request, the Parties will agree on a reasonable extension of the Closing Date in the event of any delay associated with the obtaining of a subordination agreement with respect to the Existing Encumbrance as contemplated in Section 3.2 [State of Title]. If the Closing does not occur on or before the Closing Date and the parties have deposited documents or funds in escrow, Escrow Holder shall, unless it is notified by both parties to the contrary within five (5) business days after the Closing Date, return such items to the depositor of such documents or funds.

5.4 Seller's Delivery of Documents

(a) At or before the Closing, Seller shall deliver or cause to be delivered to City the following:

(i) each of the duly executed and acknowledged Deeds;

(ii) such resolutions, authorizations, or other documents as Escrow Holder (or City if the parties close without an escrow) may reasonably require to demonstrate the authority of Seller to enter into this Agreement and consummate the transactions contemplated hereby, and such proof of the power and authority of the individuals executing any documents or other instruments on behalf of Seller to act for and bind Seller;

(iii) any documents needed in order to eliminate title exceptions other than Accepted Conditions of Title; and

(iv) a closing statement in form and content satisfactory to City and Seller (which may be in the form of a letter or memorandum from City, countersigned by Seller, if the parties elect to consummate the transaction without an escrow).

Seller shall also deliver a properly executed California Franchise Tax Board Form 590 certifying that Seller is a California resident (if Seller is an individual) or that Seller has a permanent place of business in California or is qualified to do business in California, if Seller is a corporation, or other evidence satisfactory to City that Seller is exempt from the withholding requirements of Section 18662 of the California Revenue and Taxation Code. Seller acknowledges and agrees that if Seller fails at Closing to deliver to City such certificate, City may be required to withhold and remit to the appropriate tax authority a portion of the Purchase Price pursuant to Section 18662 of the California Revenue and Taxation Code. Any amount properly so withheld and remitted shall be deemed to have been paid by City as part of the Purchase Price, and Seller's obligation to consummate the transaction contemplated in this Agreement shall not be excused or otherwise affected thereby.

(b) Seller shall deliver such items to Seller through escrow, unless the parties elect to close the transaction without an escrow in which event Seller shall deliver the items directly to City for a Closing in accordance with Section 5.7(b).

5.5 City's Delivery of Documents and Funds

(a) At or before the Closing, City shall deliver to Seller the following:

(i) a certificate of acceptance, executed by City's Director of Property, or, with respect to any Easement to be conveyed to City's designee, an authorized agent on behalf of such designee, to be attached to each of the Deeds before recording;

(ii) a closing statement in form and content satisfactory to City and Seller (which may be in the form of a letter or memorandum from City to Seller if the parties elect to consummate the transaction without an escrow);

(iii) funds sufficient to pay City's share of expenses under Article 6; and

(iv) the Purchase Price, as provided in Article 2 above (as it may be adjusted pursuant to the provisions of Section 4.1(c)).

(b) City shall deliver such documents and funds through escrow; however, if the parties elect to consummate the transaction without an escrow, City shall deliver the funds and documents as provided in Section 5.7(b).

5.6 Other Documents; Cooperation

Seller and City shall perform such further acts and execute and deliver such additional documents and instruments as may be reasonably required in order to carry out the provisions of this Agreement and the intentions of the parties.

5.7 Closing

(a) **Closing through Escrow.** Subject to Section 5.7(b), at Closing, provided all the conditions to the parties' obligations have been satisfied or waived as provided and permitted by this Agreement, Escrow Holder shall perform the following acts in the following order:

(i) Perform such acts as are necessary in order to deliver title to City subject only to the Accepted Conditions of Title, including recording any deed of reconveyance, subordination agreement, or other documentation as specified in supplemental escrow instructions submitted by City before Closing.

(ii) Deliver the Deeds to City or City's designee;

(iii) Deliver to Seller, or as Seller may instruct, the Purchase Price, less any amount necessary to satisfy any liens, bond demands, delinquent taxes, and Seller's share of expenses and prorations under Article 6;

and

(v) Deliver to the appropriate party any other documents, instruments, and sums required by this Agreement.

(b) **Closing without Escrow.** If the parties elect to consummate the purchase and sale without an escrow, City shall effect the Closing on the Closing Date as follows:

(i) City shall: (A) deliver to Seller, or as Seller may instruct, the Purchase Price (less any amount necessary to satisfy any liens, bond demands, delinquent taxes, and Seller's share of expenses and prorations, if applicable, under Article 6), and (B) cause each respective certificate of acceptance for the Deeds to be executed, when:

(1) City has received Seller's documents in accordance with Section 5.4, and

(2) City and/or its designee has received each of the Deeds conveying the Easements to City or its designee duly acknowledged and in a recordable form, subject only to the Accepted Conditions of Title, obtain the Title Policy (if City elects to do so), and deliver to the appropriate party any other documents, instruments, and sums required by this Agreement.

5.8 Possession and Use

With respect to each Easement, the right of possession and use of the Easement Area corresponding to such Easement by City and/or its designees, including the right to remove and dispose of improvements and install and connect utilities, shall commence on the date City's contractor first enters such Easement Area to commence staging for the Project (the "**Possession Date**"), which may occur before the Closing Date. The Purchase Price includes but is not limited to full payment for such possession and use, including interest and damages if any from such date, notwithstanding any other provision of this Agreement. City shall provide Seller with at least thirty (30) days' advance written notice of the Possession Date.

6. EXPENSES

6.1 City's Expenses

City shall pay all escrow fees, title insurance charges, transfer taxes (if any), costs associated with obtaining the subordination agreement and other Title requirements set forth in Section 3.2(a) of this Agreement, if any, and all other costs associated with the purchase transaction contemplated by this Agreement except as otherwise specifically provided in Section 6.2 and Section 6.3.

6.2 Seller's Expenses

Seller shall pay at the Closing any delinquent taxes that may have become a lien against Seller's Property.

6.3 Other Expenses

Any other costs and charges of the Escrow not otherwise provided for in this Article or elsewhere in this Agreement shall be allocated in accordance with the closing customs for the County, as determined by Escrow Holder.

7. AS IS TRANSACTION; REPRESENTATIONS AND WARRANTIES; INDEMNITY

7.1 As Is Sale

City acknowledges that the Easement Areas are being sold in their "AS IS, WHERE IS AND WITH ALL FAULTS" condition. Except for Seller's representations and warranties set forth in Section 7.2 of this Agreement, (collectively, the "**Excepted Matters**"), no representations, warranties, promises, covenants, agreements, or guaranties of any kind or character whatsoever, whether expressed or implied, oral or written, past, present, or future, have been made or are made, and no responsibility has been, or is, assumed by Seller or any of its Agents (as such term is defined in Section 11.8 (Parties and Their Agents; Approvals) of, as to, concerning, or with respect to any aspect whatsoever of the Easement Areas and, except for the Excepted Matters, City agrees that Seller shall have no liability or obligation with respect to any matter relating to the Easement Areas, including, without limitation, with respect to the physical condition and environmental condition on, at, in, under, beneath, emanating from, or affecting the Easement Areas, any patent or latent defects, the amount of square footage of the Easement Areas, the condition of title to Seller's Property that might affect the Easement Areas, or access of or to Easement Areas or the Seller's Property.

Except for the Excepted Matters, City shall rely solely on its own investigation of the Easement Areas and any reports commissioned by or on behalf of City and not on any information or opinions provided by or on behalf of Seller. Except for the Excepted Matters, City shall take the Easement Areas subject to and including all applicable legal requirements, permits, environmental land use restrictions, whether recorded or proposed, and easements as may exist as of Closing and shall cooperate with Seller to make all regulatory filings that may be necessary with respect to any relocation of the Easement Areas as described in Exhibit B.

7.2 Seller Representations and Warranties

(a) **Ownership of Property.** Seller is the sole fee owner of Seller's Property, and will own it at the time of the Closing, free and clear of all liens, leases, occupancy agreements, claims, encumbrances, easements, and rights of way of any nature except only the Accepted Conditions of Title.

(b) **Signing Authority.** Seller and the signatories on Seller's behalf represent and warrant that the signatories on Seller's behalf to this Agreement are authorized to enter into this Agreement to convey real property and that no other authorizations are required to implement this Agreement on behalf of Seller.

(c) **Leases.** There are now, and, at Closing, there will be no-written leases or occupancy agreements affecting any portion of any of the Easement Areas or that would affect City's access to or use of any portion of the Easement Areas as contemplated by the Deeds except for that certain Lease dated October 13, 1978 that was originally entered into between E.N. Maisel Associates and KMart Corporation (as subsequently amended, the "**Lease**"). Since the date the Lease was executed and delivered by E.N. Maisel Associates and KMart Corporation, their respective rights and obligations under the Lease have been assigned, assumed, and/ or transferred such that Kohl's Department Stores, Inc., a Delaware corporation ("**Tenant**") is the current tenant under the Lease and Seller is the current landlord under the Lease. Seller will make reasonable good faith efforts to obtain Tenant's consent to City's use of the Easement Area, as necessary, but the failure to obtain such consent shall not constitute a Seller default under this Agreement.

(d) **Easements.** To Seller's actual knowledge (without duty of inquiry), Seller is unaware of any oral leases, occupancy agreements, licenses, or easements (other than those considered as Accepted Conditions of Title) that affect any portion of any of the Easement Areas or that would affect City's access to or use of any portion of the Easement Areas as contemplated by the Deeds.

(e) **No Impediments to Use.** To Seller's actual knowledge (without duty of inquiry), Seller is unaware of any material facts or circumstances that would prevent City from using the Easements after Closing in the normal manner contemplated by the Deeds.

(f) **No Lawsuits.** To Seller's actual knowledge (without duty of inquiry) there are no lawsuits or proceedings pending against or affecting Seller, Seller's Property, or its use that would affect Seller's ability to consummate the sale contemplated by this Agreement.

(g) **No Known Hazardous Materials.** To Seller's actual knowledge (without duty of inquiry), there has been no release during the period Seller has owned Seller's Property, and there is no threatened release of, any Hazardous Material in, on, under, or about Seller's Property. As used in this Agreement, "**Hazardous Material**" shall mean any material that, because of its quantity, concentration, or physical or chemical characteristics, is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. "**Release**" or "**threatened release**" when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside any of the improvements, or in, on, under, or about the Easement Area.

7.3 Indemnity

City shall indemnify, defend, and hold Seller and its Agents harmless from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages, and liabilities of any kind including, without limitation, the release of Hazardous Materials (collectively, "**Losses**"), to the extent arising directly out of any activity by City or its Agents pursuant to this Agreement or the License or any breach of City's obligations under this Agreement or the License, except to the extent of Losses caused by the negligence or willful misconduct of Seller or its authorized representatives, and except for Losses resulting from the discovery of pre-existing conditions discovered (and not caused) by any activities undertaken by City or its Agents pursuant to this Agreement.

8. RISK OF LOSS

If any portion of an Easement Area is damaged or destroyed before the Closing Date, then the rights and obligations of Seller and City under this Agreement shall be as follows: City shall have the right, at its election, to terminate this Agreement in its entirety or terminate it only as to that portion of such Easement Area damaged or destroyed. City shall have thirty (30) days after Seller notifies City that an event described in this Article 8 has occurred to make such election by delivery to Seller of an election notice. City's failure to deliver such notice within such thirty (30)-day period shall be deemed City's election to terminate this Agreement in its entirety. If this Agreement is terminated in its entirety or in part pursuant to this Article 8, then City and Seller shall each be released from all obligations under this Agreement pertaining to that portion of the Easement Area affected by such termination. If City elects not to terminate this Agreement in its entirety, Seller shall give City a credit against the Purchase Price at the Closing in an amount proportionate to the percentage reduction, if any, of the square footage of the Easement Area, and this Agreement shall remain in full force and effect.

9. MAINTENANCE; CONSENT TO NEW CONTRACTS

9.1 Maintenance of the Easement Areas

Subject to City's uses of the Easement Areas pursuant to the License, between the date of Seller's execution of this Agreement and the Closing, Seller shall maintain Seller's Property in its current condition and shall make reasonable attempts to enforce the maintenance provisions of the Lease concerning all repairs necessary to maintain Seller's Property in such condition. Seller shall make no changes to the Easement Areas without City's prior, written consent, which shall not be unreasonably withheld or delayed.

9.2 Contracts Affecting the Easement Areas

Except as otherwise provided in this Agreement or by express written consent by City, not to be unreasonably withheld or delayed, after the date of execution of this Agreement, Seller shall not, alienate, lien, encumber, or otherwise transfer any portion of Seller's Property or allow the same to occur, or enter into any lease or contract with respect to any portion of Seller's Property that would survive the Possession Date and impair City's access to or use of any portion of any of the Easement Areas as contemplated by the Deeds.

10. CITY REPRESENTATION RE: EMINENT DOMAIN

City has not instituted or maintained, and on the Closing Date, there shall not be then pending, any action in eminent domain by City as to any portion of Seller's Property.

11. GENERAL PROVISIONS

The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of an e-mailed or facsimile copy of the notice.

11.2 Brokers and Finders

Neither party has had any contact or dealings regarding the Easements, or any of them, or any communication in connection with the subject matter of this Agreement, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the purchase and sale contemplated in this Agreement. If any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings, or communication, the party through whom the broker or finder makes his or her claim shall be responsible for such commission or fee and shall indemnify and hold harmless the other party from all claims, costs, and expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred by the indemnified party in defending against the same. The provisions of this Section shall survive the Closing.

11.3 Successors and Assigns

This Agreement shall be binding upon, and inure to the benefit of, the parties to this Agreement and their respective successors, heirs, administrators and assigns, subject to Section 9.2 [Contracts Affecting the Easement Areas].

11.4 Amendments; Waivers

Except as otherwise provided in this Agreement, (a) this Agreement may be amended or modified only by a written instrument executed by City and Seller, (b) no waiver of any provision of this Agreement will be binding unless executed in writing by the party making the waiver, (c) no waiver of any provision of this Agreement will be deemed to constitute a waiver of any other provision, whether or not similar, and (d) no waiver will constitute a continuing waiver unless the written waiver so specifies.

11.5 Continuation and Survival of Representations and Warranties

All representations and warranties by the respective parties contained in this Agreement or made in writing pursuant to this Agreement are intended to be, and shall remain, true and correct as of the Closing, shall be deemed to be material, and, together with all conditions, covenants, and indemnities made by the respective parties contained in this Agreement or made in writing pursuant to this Agreement (except as otherwise expressly limited or expanded by the terms of this Agreement), shall survive the execution and delivery of this Agreement and the Closing, or, to the extent the context requires, beyond any termination of this Agreement.

11.6 Governing Law

This Agreement shall be governed by California law and City's Charter. There shall be no obligation for the payment of money by City under this Agreement unless City's Controller first certifies, pursuant to Section 3.105 of City's Charter, that there is a valid appropriation from which the expenditure may be made and that unencumbered funds are available from the appropriation to pay the expenditure.

11.7 Merger of Prior Agreements; No Inducement

The parties intend that this Agreement (including all of the attached exhibits and schedules and any documents specifically described in this Agreement, which are hereby incorporated into this Agreement by reference) shall be the final, complete, and exclusive expression of their agreement with respect to the subject matter of this Agreement and may not be contradicted by evidence of any prior or contemporaneous oral or written agreements or understandings. The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including, without limitation, term sheets and prior drafts or changes to such drafts) may be introduced in any judicial, administrative, or other legal proceeding involving this Agreement. The making, execution, and delivery of this Agreement by the parties has been induced by no representations, statements, warranties, or agreements other than those expressed in this Agreement.

11.8 Parties and Their Agents; Approvals

The term "Seller" as used in this Agreement shall include the plural as well as the singular. If there is more than one (1) Seller, then the obligations under this Agreement imposed on Seller shall be joint and several. As used in this Agreement, the term "Agents" when used with respect to either party shall include the agents, employees, officers, contractors, and representatives of such party. Subject to applicable law, all approvals, consents, or other determinations permitted or required by City under this Agreement shall be made by or through the General Manager of City's Public Utilities Commission or the City's Director of Property, unless otherwise provided in this Agreement.

11.9 Remedies

In the event of a material default or breach of this Agreement by City (which default or breach is not cured within ten (10) days after City's receipt of Seller's written notification specifying such default or breach), then Seller may terminate this Agreement and be released of its obligations under this Agreement and the License, except that Buyer shall be responsible for all restoration and indemnity obligations under this Agreement and the License. This provision shall survive the early termination of this Agreement.

11.10 Interpretation of Agreement

The article, section, and other headings of this Agreement and the table of contents are for convenience of reference only and shall not affect the meaning or interpretation of any provision contained in this Agreement. Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference shall be deemed to include the other and the neuter. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Agreement. In addition, each party has been represented or had the opportunity to be represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purposes of the parties and this Agreement.

11.11 Attorneys' Fees

The prevailing party in any action or proceeding to enforce or interpret, or otherwise arising out of or relating to, this Agreement or any provision of this Agreement (including but not limited to any arbitration, trial, administrative hearing, bankruptcy, or appeal) will be entitled to recover from the other party all of its costs and expenses, including but not limited to reasonable attorneys' fees and experts' fees. For purposes of this Agreement, reasonable attorneys' fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

11.12 Severability

If any term or provision of this Agreement, or the application of any term or provision of this Agreement to any person or circumstances, shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and shall be enforceable to the extent permitted by law.

11.13 Sunshine Ordinance

Seller understands and agrees that under the City's Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code Section 6250 et seq.), this Agreement and any and all records, information, and materials submitted to the City under this Agreement are public records subject to public disclosure. Seller hereby acknowledges that the City may disclose any records, information, and materials submitted to the City in connection with this Agreement.

11.14 Intentionally Omitted

11.15 Notification of Limitations on Contributions

Through its execution of this Agreement, Seller acknowledges that Section 1.126 of the San Francisco Campaign and Governmental Conduct Code prohibits any person who contracts with the City for the selling or leasing any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for such contract until the termination of negotiations for such contract or three (3) months has elapsed from the date the contract is approved by the City elective officer, or the board on which that City elective officer serves.

11.16 Non-Liability of City Officials, Employees, and Agents

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee, agent, or consultant of City shall be personally liable to Seller, its successors and assigns, in the event of any default or breach by City or for any amount that may become due to Seller, its successors and assigns, or for any obligation of City under this Agreement.

11.17 Counterparts

This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

11.18 Effective Date

As used in this Agreement, the term "**Effective Date**" shall mean the date on which both parties shall have executed this Agreement provided the Agreement and the transactions contemplated by the Agreement shall have been authorized **(a)** in a manner required by law governing Seller, and **(b)** by a duly adopted resolution of the City's Public Utilities Commission, and **(c)** if required by City's Charter, by a duly adopted resolution of the City's Board of Supervisors and Mayor.

11.19 Release of Claims

Seller, for itself, its agents, heirs, assigns, successors in interest, and any related or affiliated entities, hereby fully releases and discharges City, its agents, employees, officers, directors, divisions, attorneys, accountants, insurers, successors, and other representatives, and any and all related or affiliated private or public agencies or entities, from any and all causes of action, actions, judgments, liens, indebtedness, obligations, losses, claims, damages, expenses, liabilities, and demands, including, without limitation, any claim arising out of or pertaining, directly or indirectly, to the acquisition or use of the property interest described in this Agreement and/or the construction of any improvements thereon, including without limitation, inverse condemnation, nuisance, severance damages, relocation benefits, reestablishment benefits, the cost or value of any equipment or fixtures, attorneys' fees and costs, loss of goodwill, construction-related dust, noise, traffic, and other related construction activity, and lost rentals or business associated with construction of any improvements, and any other types of related losses or damages. Notwithstanding the above, this release does not apply to any claims for damages or injury to person or property arising from the construction by or on behalf of City of improvements in the Easement Areas or any of City's or its Agents' activities pursuant to the Easement, nor does this release in any manner excuse, waive, or release City from its obligations set forth in this Agreement, the Deeds, or the License (collectively, the "**Exceptions**").

Seller acknowledges that it may hereafter discover facts or law different from, or in addition to that which it now believes to be true with respect to his/her release of claims as set forth in this Agreement, and understands that by executing this Agreement it is waiving any rights of claims for any other or future benefits or damages to which it might be entitled except for the Exceptions, or any of them. In giving this release, Seller expressly waives the protection of Civil Code Section 1542, which statute provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, EXCEPT WITH RESPECT TO THE LICENSE, SELLER ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS AGREEMENT UNLESS AND UNTIL APPROPRIATE LEGISLATION OF CITY'S PUBLIC UTILITIES COMMISSION (AND, IF REQUIRED BY CITY'S CHARTER, APPROPRIATE LEGISLATION OF CITY'S BOARD OF SUPERVISORS) SHALL HAVE BEEN DULY ENACTED APPROVING THIS AGREEMENT AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED HEREBY. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON THE DUE ENACTMENT OF SUCH LEGISLATION.

EASEMENT DEED

(Temporary Construction Easement)
(Portion of Assessor's Parcel No. 008-421-120)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged TSE SERRAMONTE, L.P., a California limited partnership ("**Grantor**"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("**Grantee**") a temporary, non-exclusive easement for construction and access purposes as further described below (the "**Easement**") over, across, under, and upon Grantor's real property located at 1200 El Camino Real, Colma, CA 94014 and commonly known as Assessor's Parcel 008-421-120 ("**Grantor's Property**"). The portion of Grantor's Property that shall be subject to the Easement is more particularly described in the attached **Exhibit 1** and depicted in the attached **Exhibit 2** (the "**Easement Area**").

1. Nature of Easement. The Easement Area shall consist of an non-exclusive surface easement that shall be used for general construction-related activities more fully specified in the "Description of Work" set forth in **Exhibit 3** (collectively, the "**Work**"). Subject to the restrictions on Grantee's use set forth in Paragraph 3 [Grantee's Covenants] below, Grantee's rights to use any portion of the Easement Area shall include (a) the right to use equipment, vehicles, machinery, and tools, temporarily place materials and supplies, and store excavated soils that will be used to backfill the trenches in connection with the construction of Grantee's Regional Groundwater Storage and Recovery Project (the "**Project**"); (b) the right to improve, repair, and maintain the Easement Area, including grading, installation of paving and/or crushed rock and management of vegetation impinging on the Easement Area; and (c) such other rights as are reasonably necessary for the full enjoyment and accomplishment of the purposes of the Easement. Grantee's rights under this Easement Deed may be exercised by Grantee or its Agents (defined in Section 9 below). Grantor reserves the right to landscape, pave, or make such other use of the lands included within the Easement Area; provided such use by Grantor shall not

Exhibit A

A-1

interfere with or obstruct Grantee's rights granted pursuant to this Easement Deed to use the Easement Area.

2. Term of Easement. The term of the Easement shall commence on the date (the "**Commencement Date**") that is the later of (a) the date on which Grantee's contractor first enters the Easement Area to commence construction of the Project after Grantee's issuance of a Notice to Proceed to Grantee's general contractor retained to perform the Work or (b) the date of the closing of the purchase transaction with respect to this Easement Deed as contemplated by, and pursuant to, the Agreement for Purchase and Sale of Real Estate dated as of March 17, 2016 between Grantor and Grantee. At the request of either party, Grantor and Grantee shall confirm in writing the Commencement Date. The Easement shall expire on the earlier of the following: the date the Work is completed and Grantee obtains final inspections and sign offs, as applicable; the last day of the third (3rd) full calendar month after the Commencement Date; or August 1, 2016; provided, however, Grantee may extend the term of this Easement Deed on a month-to-month basis not to exceed an additional three (3) months beyond the original expiration of the term of this Easement Deed. Thirty (30) days' written notice will be given to Grantor if Grantee elects to exercise its option for any such extension. Upon expiration of any such extended term, Grantee shall pay Grantor as compensation for Grantee's use of the Easement Areas during the extended term at the rate of One Thousand Eight Hundred Eighty-three Dollars (\$1,883) for each monthly period of such extended term. Compensation due for any fractional month shall be prorated based on a thirty (30)-day month. Upon expiration of the term of this Easement, promptly after Grantor's written request, City will execute and deliver a quit claim deed or similar instrument that reflects the termination of City's rights to use the Easement Area under and pursuant to this Easement Deed.

3. Grantee's Covenants. During the term of this Easement Deed, Grantee shall not interfere in any material manner with Grantor's regular merchandise deliveries, the uploading and unloading of merchandise, or the ability of Grantor's Agents and vendors to have reasonable access to Grantor's loading docks for such purposes or to Grantor's trash/recycling bins or compactors. Prior to the commencement of any Work, Grantee shall require its contractors and subcontractors performing the Work to obtain appropriate commercial general liability, property damage, and workers' compensation insurance policies with commercially reasonable policy limits and to name Grantor and any lessee of Grantor with respect to the Easement Area (a "**Grantor Lessee**") as additional insureds under such insurance policies.

4. Restoration. Upon the earlier of expiration of the term of the Easement or Grantee's completion of the Work, Grantee shall restore, as nearly as reasonably possible, the surface of the Easement Area to its condition immediately prior to the commencement of the work related to the Work.

5. Repair of Damage. If any portion of the Property is damaged by Grantee or its Agents in the exercise of the entry rights under this Easement Deed, Grantee shall repair such damage or replace the damaged item at its sole cost, or at Grantee's election and, with Grantor's consent, shall compensate Grantor for the damage. Further, upon the earlier of the date the Work is completed or the date of the expiration of the term of this Easement Deed, Grantee shall restore the surface of the Easement Areas and any adjoining portion of the Property to the extent damaged by Grantee's exercise of its rights to access the Easement Areas pursuant to this Easement Deed to substantially the same condition as that which existed immediately prior to the commencement of the Work and remove all of Grantee's facilities, or abandon them in place in accordance with Grantor's reasonable specifications. Grantee's obligation to restore the Easement Areas and any such damaged portion of Grantor's Property will include the removal of any material introduced to, or released upon, any portion of the Easement Areas or Grantor's

Property by Grantee or its Agents that, because of its quantity, concentration, or physical or chemical characteristics, is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment (collectively, "Hazardous Materials"). Grantee's obligations under this Section 5 shall survive the termination of this Easement Deed.

6. Indemnity. Grantee shall indemnify, defend, and hold Grantor and any Grantor Lessee harmless from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages, and liabilities of any kind including, without limitation, the release of Hazardous Materials (collectively, "Losses"), to the extent arising directly out of any activity by Grantee or its Agents pursuant to this Easement Deed or any breach of Grantee's obligations under this Easement Deed, except to the extent of Losses caused by the active negligence or willful misconduct of Grantor or any Grantor Lessee or their respective Agents, and except for Losses resulting from the discovery of pre-existing conditions discovered (and not caused or released) by any activities undertaken by Grantee or its Agents pursuant to this Easement Deed. Grantee's obligations under this Section 6 shall survive the termination of this Easement Deed.

7. Notices. Any notice, consent, or approval required or permitted to be given under this Easement Deed shall be in writing and shall be given by (a) hand delivery, against receipt, (b) reliable next-business-day courier service that provides confirmation of delivery, or (c) United States registered or certified mail, postage prepaid, return receipt required, and addressed as follows (or to such other address as either party may from time to time specify in writing to the other upon five (5) days prior written notice in the manner provided above):

EASEMENT DEED

(Utility Easement (Sanitary Sewer and Utility Lines))

(Portion of Assessor's Parcel No. 008-421-120)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, TSE SERRAMONTE, L.P., a California limited partnership ("**Grantor**"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("**Grantee**"), a nonexclusive subsurface easement and nonexclusive surface easement (the "**Easement**") over, across, along, under, and upon a portion of Grantor's real property located at 1200 El Camino Real, Colma, CA 94014 and commonly known as Assessor's Parcel 008-421-120 ("**Grantor's Property**"). The portion of Grantor's Property that shall be subject to the Easement is more particularly described in the attached **Exhibit 1** and depicted in the attached **Exhibit 2** (the "**Easement Area**"). The Easement rights granted by this Easement Deed include the right of Grantee to construct, reconstruct, renew, alter, operate, maintain, replace (with the initial or any other size) and repair such:

(a) sanitary sewer or sewers as the Grantee shall from time to time elect for conveying groundwater, wastewater, effluent, and similar liquids or waste and all necessary maintenance access structures, laterals, and appurtenances thereto and

(b) electrical power lines as the Grantee shall from time to time elect and all necessary maintenance access structures, laterals, and appurtenances thereto.

The improvements described in subparagraphs (a) and (b) above, and any other improvements made by Grantee to the Easement Area pursuant to this Easement Deed may sometimes be referred to in this Easement Deed as the "**Grantee Improvements**." Maintenance access structures (manholes, etc.) constructed within the Easement Area shall not be covered by earth or other material and shall remain in an exposed and accessible condition at all times for routine and/or emergency maintenance that may be deemed necessary by the Grantee from time to time.

1. **Nature of Easement.** The Easement includes rights of reasonable ingress, egress, and emergency access to the Easement Area over and across the remaining portion of the Grantor's Property, provided that such rights of ingress, egress, and emergency access shall be limited to established roadways, pathways, avenues, or other routes to the extent possible and as reasonably necessary for the proper use of the rights granted by this Easement Deed. Grantee is also granted the right to clear obstructions and vegetation from the Easement Area as may be required for the proper use of the other rights granted by this Easement Deed and the right to do such other things as are necessary for the full enjoyment and accomplishment of the purposes of the Easement. Grantee's rights under this Easement Deed may be exercised by Grantee's Agents (defined in Section 9 below).

2. **Grantor's Use.** Grantor reserves the right to landscape, pave, or make such other use of the lands included within the Easement Area to the extent such use is not inconsistent with the Grantee's use; however, except after any relocation of the Easement required by Grantor pursuant to Section 4 below, such use by Grantor shall not include the planting of trees or construction of permanent structures, including but not limited to buildings, outbuildings, swimming pools, tennis courts, retaining walls, decks, patios, or other concrete architectural structures within the Easement Area, or any other activity which may interfere with Grantee's full enjoyment of the Easement.

3. **Maintenance of Improvements.** Grantee shall be solely responsible for repairing and maintaining all of the Grantee Improvements placed in, on, or under the Easement Area in good, safe, and secure condition, and Grantor shall have no duty whatsoever for any repair or maintenance of the Grantee Improvements. After Grantor or its Agents complete the installation of the Grantee Improvements and repave the portions of the Easement Area that are damaged, disturbed, or excavated in connection with such installation, Grantor shall maintain the surface of the Easement Area, provided that any damage, subsidence, or other injury to the Easement Area to the extent resulting from the presence of the Grantee Improvements shall be remedied or repaired by Grantee. Grantee shall provide Grantor with reasonable notice prior to performing any routine repair or maintenance activities with respect to the Grantee Improvements. With respect to any emergency repairs of the Grantee Improvements, Grantee shall provide such notice to Grantor as is reasonable under the circumstances. All repair and maintenance work shall be performed promptly as required by the circumstances and Grantee shall use commercially reasonable efforts to minimize any interference with the operations on Grantor's Property of Grantor, Grantor's Agents, or any lessee of Grantor that is entitled to use any portion of the Easement Area (a "**Grantor's Lessee**"). After any maintenance or repairs that require or result in any material disruption to the surface of the Easement Area, Grantor shall promptly restore the Easement Area to substantially the same condition as that prior to the commencement of any such repair or maintenance.

4. **Relocation of Easement.** If Grantor ever determines, at its sole discretion, that it wishes to redevelop Grantor's Property such that the construction, renovation, or alteration of new or existing structures or other improvements upon, under, near, or across the Easement Area would necessitate a rearrangement, relocation, reconstruction, or removal of the Grantee Improvements, Grantor may require Grantee to relocate the Grantee Improvements at Grantee's sole expense to a location (the "**New Easement Area**") specified by Grantor within a portion of Grantor's Property depicted in the attached **Exhibit 3** (the "**Easement Relocation Area**") that is at least equal in size as the initial Easement Area described in **Exhibit 1** and depicted in **Exhibit 2** of this Easement Deed. Any such relocation shall be subject to the following conditions.

4.1 Grantor shall give Grantee at least one hundred twenty (120) days' prior written notice (the "**Relocation Notice**") of the proposed relocation that identifies the New Easement Area. The location of the New Easement Area and the installation of the Grantee Improvements thereon shall not result in any conflict with the terms and conditions of any then-existing exclusive easement or other servitude encumbering the New Easement Area so as to be

inconsistent with Grantee's use and enjoyment of its rights under this Easement Deed. Grantor shall have the right to require the relocation of Grantee's Improvements anywhere in the Easement Relocation Area; but shall consider reasonable requests by, or input from, Grantee in determining the optimal location of the New Easement Area, so long as, at Grantor's sole discretion, the implementation of such requests and input is commercially feasible and would not materially delay Grantor's development plans beyond the one-hundred-twenty (120)- days or more time period set forth in the Relocation Notice. Grantee shall be responsible for the reasonable costs incurred in the preparation of any survey, legal description, or plat map or other diagram required in connection with the relocation of the Grantee Improvements and the documentation of the New Easement Area in connection with this Easement Deed.

4.2 At Grantee's option, Grantor shall make commercially reasonable efforts to obtain an appropriate agreement with the holders of monetary liens encumbering the New Easement Area to subordinate their respective interests in the New Easement Area and make such interests subject to all of Grantee's rights under, and all of the terms, covenants, and conditions of, this Easement Deed.

4.3 Grantor shall provide a written confirmation in a form reasonably acceptable to Grantee that Grantee's use of the New Easement Area shall be consistent with the rights and privileges provided for by this Easement Deed with respect to the Easement Area.

4.4 Upon relocation of the Grantee Improvements pursuant to this Section 4, Grantee shall comply with its restoration obligations of the original Easement Area pursuant to Section 5 below.

4.5 Grantor's right to require Grantee to relocate the Easement Area as contemplated by this Section 4 may be exercised only one time.

Grantee shall use reasonable, diligent efforts to vacate the then existing Easement Area as soon as commercially practicable but no later than one hundred twenty (120) days of its receipt of Grantor's relocation notice required by this Section 4, or such later date as may then be agreed to by the parties.

5. Grantee's Facilities after Abandonment or Relocation of Easement. If Grantee permanently abandons use of the Grantee Improvements placed in, on, across, or under the Easement Area or is required to relocate the Easement Area pursuant to Section 4 above, Grantee shall remove all of the Grantee Improvements installed or maintained by Grantee within the Easement Area, or abandon them in place in accordance with Grantor's reasonable specifications, and Grantee shall restore the Easement Area to substantially the same condition prior to the installation of the Grantee Improvements (including, without limitation, the remediation of any of Hazardous Materials (defined in Section 6 below) released on or about Grantor's Property that directly results from any activity by Grantee or its Agents), subject to all applicable permits, rules, regulations, and applicable laws, all at Grantee's sole cost and expense.

6. Indemnity. Grantee shall indemnify, defend, and hold Grantor, any Grantor Lessee, and Grantor's agents, employees, officers, successors, and assigns (collectively, "**Grantor Indemnitees**") harmless from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages, and liabilities of any kind including, without limitation, the release of Hazardous Materials (collectively, "**Losses**"), to the extent arising directly out of (a) any activity by Grantee or its Agents pursuant to this Easement Deed or (b) any breach of Grantee's obligations under this Easement, except to the extent of Losses caused by the active negligence or willful misconduct of Grantor, any Grantor Lessee, or any of their respective Agents, and except for Losses resulting from the discovery of pre-existing conditions discovered (and not caused or released) by any activities undertaken by Grantee or its Agents pursuant to this Easement Deed. Grantee's

obligations under this Section 6 shall survive the termination of this Easement Deed. **"Hazardous Materials"** include material introduced to or released upon any portion of the Easement Areas or Grantor's Property by Grantee or its Agents that, because of its quantity, concentration, or chemical characteristics, is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment.

7. **Notices.** Any notice, consent, or approval required or permitted to be given under this Easement Deed shall be in writing and shall be given by (a) hand delivery, against receipt, (b) reliable next-business-day courier service that provides confirmation of delivery, or (c) United States registered or certified mail, postage prepaid, return receipt required, and addressed as follows (or to such other address as either party may from time to time specify in writing to the other upon five (5) days prior written notice in the manner provided above):

ADOPTING FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN AND WITH THE PRIORITY POLICIES OF PLANNING CODE SECTION 101.1 FOR THE PROPOSED SFPUC REGIONAL GROUNDWATER STORAGE AND RECOVERY PROJECT AND FINDINGS UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

WHEREAS, Section 4.105 of the City Charter and Section 2A.53 of the Administrative Code require General Plan referrals to the Planning Commission (hereinafter "Commission") for certain matters, including determination as to whether the lease or sale of public property, the vacation, sale or change in the use of any public way, transportation route, ground, open space, building, or structure owned by the City and County, would be in conformity with the General Plan prior to consideration by the Board of Supervisors.

On April 23, 2013, the San Francisco Public Utilities Commission ("Project Sponsor" or "SFPUC") submitted an application to the Planning Department requesting a determination of consistency with the General Plan for the proposed acquisition of various property and easements in conjunction with the implementation of the SFPUC's Regional Groundwater Storage and Recovery Project ("GSR Project"), a part of the Water System Improvement Program ("WSIP").

PROJECT DESCRIPTION

The SFPUC is proposing the GSR Project as part of the WSIP, which the SFPUC approved in 2008 to provide a long-term plan for management of its regional water supply system. The primary goal of the Project is to provide additional dry-year water supply. The specific objectives of the Project are:

- Conjunctively manage the South Westside Groundwater Basin through the coordinated use of SFPUC surface water and groundwater pumped by its Partner Agencies.
- Provide supplemental SFPUC surface water to the Partner Agencies in normal and wet years, with a corresponding reduction of groundwater pumping by these agencies, which then allows for in-lieu recharge of the South Westside Groundwater Basin.
- Increase the dry-year and emergency pumping capacity of the South Westside Groundwater Basin by an average annual 7.2 million gallons per day (“mgd”).
- Provide a new dry-year groundwater supply for the SFPUC’s customers and increase water supply reliability during the 8.5-year design drought cycle.

The Project is a groundwater storage and recovery project located in northern San Mateo County that the SFPUC proposes to operate in conjunction with Daly City, San Bruno and CalWater (referred to as the “Partner Agencies”). The SFPUC supplies surface water to the Partner Agencies from its Regional Water System. The Partner Agencies currently supply potable water to their retail customers through a combination of groundwater from the southern portion of the Westside Groundwater Basin (referred to as the “South Westside Groundwater Basin”) and purchased SFPUC surface water. Under the Project, SFPUC would provide supplemental SFPUC surface water to the Partner Agencies during normal and wet years and in turn the Partner Agencies would reduce their groundwater pumping for the purpose of allowing the amount of groundwater in the South Westside Groundwater Basin to recharge. Then, during dry years, the Partner Agencies and the SFPUC would pump the increased stored groundwater using 16 new well facilities. The dry-year groundwater supply would be blended with water from the SFPUC’s regional water system and would as a result increase the available water supply to all regional water system customers during dry years.

The project consists of operation of up to 16 new groundwater well facilities within the South Westside Groundwater Basin to withdraw up to 7.2 mgd of stored groundwater during dry years and emergencies. Each groundwater well facility site would contain a well pump station, underground distribution piping, and above or underground utility connections. Most well facilities would have disinfection units as required.

The SFPUC proposes to install the 16 new groundwater wells along the SFPUC Regional Water System, at various locations throughout the San Francisco Peninsula in San Mateo County. The sites would have permanent wells installed and would require temporary construction easements and staging areas, temporary and permanent access roads, permanent pipeline easements and permanent utility easements.

The GSR Project is designed to further the use of the South Westside Groundwater Basin as an underground storage reservoir by storing water in the basin during wet periods for subsequent recapture during the dry period. This new dry-year water supply would be made available to the SFPUC’s regional water system to benefit all of the SFPUC wholesale and retail water customers.

In addition, the Project is part of the SFPUC’s WSIP adopted by the SFPUC on October 30, 2008. The WSIP consists of over 70 local and regional facility improvement projects that would increase the ability of the SFPUC’s water supply system to withstand major seismic events and prolonged droughts and to

meet estimated water-purchase requests in the service area. With the exception of the water supply goal, the overall WSIP goals and objectives are based on a planning horizon through 2030. The water supply goal to meet delivery needs in the SFPUC service area is based on a planning horizon through 2018. The overall goals of the WSIP for the regional water system are to:

- Maintain high-quality water.
- Reduce vulnerability to earthquakes.
- Increase water delivery reliability.
- Meet customer water supply needs.
- Enhance sustainability.
- Achieve a cost-effective, fully operational system.

The Project would help meet WSIP goals by increasing dry year water supply and helping to meet customer water supply needs. In addition, the Project would provide potable groundwater for emergency supply in the event that an earthquake or other major catastrophe interrupts the delivery of water from the regional water system.

ENVIRONMENTAL REVIEW

On April 10, 2013, the Department published the Draft Environmental Impact Report ("DEIR") and provided public notice in a newspaper of general circulation of the availability of the DEIR for public review and comment for a 45-day period (the public review period was extended for two weeks, concluding on June 11, 2013, resulting in a 62-day public review period), and of the date and time of the Planning Commission public hearing on the DEIR; this notice was mailed to the Department's list of persons requesting such notice and other interested parties, posted near the Project site, and made available at the main public library in San Francisco and at public libraries in San Mateo County. Additional notices of availability were distributed and published on May 29, 2013, to announce the extended public review period.

On April 10, 2013, copies of the DEIR were mailed or otherwise delivered to a list of persons requesting it, to those noted on the distribution list in the DEIR, to adjacent property owners, and to government agencies, the latter both directly and through the State Clearinghouse. The DEIR was posted on the Department's website. A Notice of Completion was filed with the State Secretary of Resources via the State Clearinghouse on April 10, 2013.

The Planning Commission held a duly-advertised public hearing on the DEIR to accept written or oral comments on May 16, 2013. The Planning Department also held a local public hearing in the project vicinity in San Mateo County on May 14, 2013. The public hearing transcripts are in the Project record. The extended period for acceptance of written comments ended on June 11, 2013.

The Department prepared responses to comments on environmental issues received at the public hearing and in writing during the extended 62 day public review period for the DEIR, prepared revisions to the text of the DEIR in response to comments received or based on additional information that became available during the public review period. The Department provided additional, updated information

and clarification on issues raised by commenters, as well as SFPUC and the Planning Department, to address Project updates since publication of the DEIR. This material was presented in a Responses to Comments document ("RTC"), published on July 9, 2014, distributed to the Commission on July 10, 2014, and all parties who commented on the DEIR, and made available to others upon request at the Department and on the Department's website.

On August 7, 2014, the Planning Commission (hereinafter "Commission") conducted a public hearing on the Final Environmental Impact Report (EIR) for the Project, consisting of the Draft Environmental Impact Report, the RTC, and any additional consultations, comments and information received during the review process. The Commission reviewed and considered the Final EIR and found the contents of said report and the procedures through which the EIR was prepared, publicized and reviewed complied with the California Environmental Quality Act (Public Resources Code section 21000 *et seq.*) ("CEQA"), the CEQA Guidelines (14 Cal. Code Reg. section 15000 *et seq.*), and Chapter 31 of the San Francisco Administrative Code.

On August 7, 2014, the Commission certified the Final EIR by Motion No. XXXXX. Additionally, the Commission adopted approval findings, including findings rejecting alternatives, amending a mitigation measure, and making a statement of overriding considerations, and adopted a mitigation monitoring and reporting program ("MMRP") pursuant to CEQA by Motion No. XXXXX, which findings and MMRP are incorporated by this reference as though fully set forth herein.

GENERAL PLAN COMPLIANCE AND BASIS FOR RECOMMENDATION

The Project is consistent with the Eight Priority Policies of Planning Code Section 101.1 as described in the body of this letter and is, on balance, **in-conformity** with the following Objectives and Policies of the General Plan. Comments are provided in *italic* text.

ENVIRONMENTAL PROTECTION ELEMENT

OBJECTIVE 2

IMPLEMENT BROAD AND EFFECTIVE MANAGEMENT OF NATURAL RESOURCES.

POLICY 2.1

Coordinate regional and local management of natural resources.

Comment: The SFPUC is entering into the GSR project with its Partner Agencies, Daly City, San Bruno and CalWater to make efficient use of the South Westside Groundwater Basin. Under the Project, the SFPUC would provide surface water to its Partner Agencies in wet and normal years, allowing for in-lieu storage of groundwater. In dry years, the SFPUC and Partner Agencies would be able to pump increased groundwater supply. The GSR project, located outside of the City and County of San Francisco in San Mateo County, would make the dry-year water supply it creates available to the cities in which the wells would be located - Daly City, San Bruno and South San Francisco - as well as to SFPUC wholesale water customers.

OBJECTIVE 5

ASSURE A PERMANENT AND ADEQUATE SUPPLY OF FRESH WATER TO MEET THE PRESENT AND FUTURE NEEDS OF SAN FRANCISCO.

Hetch Hetchy and the Water Department should continue their excellent planning program to assure that the water supply will adequately meet foreseeable consumption demands. To this end, the City should be prepared to undertake the necessary improvements and add to the Hetch Hetchy/Water Department system in order to guarantee the permanent supply. Furthermore, San Francisco should continually renew its commitments for the sale of water to suburban areas in planning how to meet future demand.

Comment: The GSR project is a key component of the SFPUC's WSIP plan for dry year supply. The GSR project would improve the SFPUC's ability to provide an adequate, reliable supply of water in both wet and dry years, by creating the capacity to collect and store groundwater. Water collected during wet periods would be used to supplement existing sources during dry years.

POLICY 5.3

Ensure water purity.

San Francisco's drinking water must meet State and Federal water quality standards. Ensuring water quality means continuing the present water purification process and monitoring storage facilities and transmission lines for threats to the water supply.

Comment: New well facilities constructed as part of the GSR project would have disinfection units as required. The Final EIR determines that the Project would have no significant impact on water quality and would not degrade drinking water.

OBJECTIVE 6

CONSERVE AND PROTECT THE FRESH WATER RESOURCE.

The fresh water resource, like all natural resources, is finite and measurable. While San Francisco's water supply seems vast in relation to current demands, it should not be wasted. Supplementary sources should also be investigated.

Comment: The GSR project would provide new supplementary sources of fresh water, collecting and storing groundwater during wet periods for use during dry years.

PROPOSITION M FINDINGS – PLANNING CODE SECTION 101.1

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

Eight Priority Policies Findings

The subject project is found to be consistent with the Eight Priority Policies of Planning Code Section 101.1 in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced.

The Project would have no adverse effect on neighborhood serving retail uses or opportunities for employment in or ownership of such businesses.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhood.

The Project would have no adverse effect on the City's housing stock or on neighborhood character. The existing housing and neighborhood character will be not be negatively affected

3. That the City's supply of affordable housing be preserved and enhanced.

The Project would have no adverse effect on the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The Project would not result in commuter traffic impeding MUNI's transit service, overburdening the streets or altering current neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for residential employment and ownership in these sectors be enhanced.

The Project would not affect the existing economic base in this area.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The Project would not adversely affect achieving the greatest possible preparedness against injury and loss of life in an earthquake.

7. That landmarks and historic buildings be preserved.

The project does not involve alteration of any historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development.

The Project would have no long-term adverse effect on parks and open space or their access to sunlight and vista. The Final EIR determines that short-term impacts to the recreational experience during project construction would be mitigated to a less-than-significant level with the implementation of mitigation measures.

DECISION

That based upon the Record, the submissions of the SFPUC, the Department and SFPUC staff, and other interested parties, the oral testimony presented to this Commission at the public hearings, and all other written materials submitted by all parties, the Commission hereby **APPROVES** the General Plan Referral, finding the project, on balance, consistent with the General Plan.

I hereby certify that the Planning Commission **ADOPTED** the foregoing Motion on August 7, 2014.
