LEGISLATIVE DIGEST

[Accept and Expend Grant - FY2014 Urban Areas Security Initiative Program
Grant Increase: Budget Revision - \$22,742,000]

Resolution retroactively authorizing the Department of Emergency Management, on behalf of the City and County San Francisco, as the fiscal agent for the Bay Area Urban Areas Security Insurance (UASI) Program, to accept and expend an increase to FY2014 UASI grant funds in the amount of \$122,688 for a total of \$22,742,000 from the U.S. Department of Homeland Security through the California Office of Emergency Services for the period of September 1, 2014, through May 31, 2016.

Background Information

The United States Department of Homeland Security ("DHS"), through its Urban Areas Security Initiative ("UASI") Grant Program, provides funding for the planning, equipment, training, and exercise needs of high-threat, high-density Urban Areas, and assists those areas in building an enhanced and sustainable capacity to prevent, protect against, respond to, and recover from threats and acts of terrorism.

The combined Urban Areas of the City and County of San Francisco, the City of Oakland, and the City of San Jose form the Bay Area Urban Area. The Bay Area Urban Area includes the twelve contiguous Bay Area counties and governmental entities within those counties.

The City and County of San Francisco, the City of Oakland, the City of San Jose, and the Counties of Alameda, Contra Costa, Marin, Monterey, San Mateo, Santa Clara and Sonoma have entered into a Memorandum of Understanding ("MOU") regarding the Bay Area Urban Area's mission, governance and reporting structures, responsibilities, and financial arrangements, as well as processes and mechanisms to use in applying for, allocating and distributing UASI grant funds through the Bay Area Urban Area. Under the MOU, the UASI Approval Authority determines the allocation and distribution of UASI grant funds. San Francisco serves as the primary grantee of UASI funds for the Bay Area Urban Area and as the fiscal agent for the Approval Authority. San Francisco disburses UASI funds pursuant to the Approval Authority's direction.

Based on the FY 13 UASI grant award, the Department of Emergency Management (DEM) included \$22,619,312 in the Annual Appropriation Ordinance (AAO). However, for Fiscal Year 2014, the Bay Area Urban Area was awarded \$22,742,000, an increase of \$122,688 from the 2013 award. This resolution requests approval for the addition of these funds. The term of the grant is from September 1, 2014 through May 31, 2016. The grant funds will be distributed throughout the region for planning, equipment, training, exercise, and organizational initiatives determined by the Approval Authority.

Proposed Resolution

The proposed resolution authorizes the Department of Emergency Management (DEM), on behalf of the City and County of San Francisco as the primary grantee of UASI funds for the Bay Area Urban Area and as the fiscal agent for the UASI Approval Authority, to accept and expend an additional \$122,688 in UASI grant funds for Fiscal Year 2014 from the United States Department of Homeland Security, through the California Office of Emergency Services. The proposed resolution also authorizes DEM's Executive Director, or designee, to take any steps necessary to accept, distribute and expend the grant funds.

MEMORANDUM

To: Nicole Elliott, Director of Government Affairs
From: Amiee Alden, DEM
Date: December 29, 2014
Re: Accept and Expend Resolution to Increase the FY 2014 UASI Grant

The Department of Emergency Management (DEM) respectfully requests that the attached legislation be introduced at the next meeting of the Board of Supervisors, to Accept and Expend an increase of \$122,688 to the FY 2014 Urban Areas Security Initiative (UASI) grant previously awarded to the Bay Area. As you know, UASI is a regional grant, for which the City and County of San Francisco acts as Fiscal Agent. The region annually receives this grant from the U.S. Department of Homeland Security (DHS), which funds planning, operations, equipment, training, and exercises for agencies throughout the Bay Area.

In September 2014, DHS awarded the Bay Area \$22,742,00 in FY 2014 UASI grant funds. This amount is slightly higher than the anticipated amount of \$22,619,312 that was included in DEM's FY 14-15 budget, based on the prior year's grant award. The Board of Supervisors must approve the difference of \$122,688 in order to comply with the City's Administrative Code requirement that Board of Supervisors approve any increase of over \$100,000 to previously awarded grants.

Specifically, \$116,553 of the additionally awarded funds will be allocated to the Northern California Regional Intelligence Center to continue funding a cyber-security analyst. The balance of \$6,135 will be allocated to office supplies, equipment maintenance, and leases.

This resolution creates no new positions, and no matching funds are required from the City.

Thank you for your assistance with this legislation. If you require additional information, please contact me at: (415) 558-3803 or amiee.alden@sfgov.org.

Grant # 2014-00093 Cal OES ID# 075-95017
Subgrantee Performance Period: September 1, 2014 to May 31, 2016

Dear Mr. Dziedzic:

The California Governor's Office of Emergency Services (Cal OES) has approved your FY14 Homeland Security Grant Program (HSGP) award in the amount of \$22,742,000. Once your completed application is received and approved, you may request reimbursement of eligible grant expenditures using the Cal OES Financial Management Forms Workbook available at www.caloes.ca.gov.

During the review process, a Cal OES representative examined and evaluated your FY14 HSGP grant application. As a result of this review, some of your funded projects may have been assigned performance milestones shorter than the subgrantee performance period, based in part on information provided in your application and submitted workbook. Performance milestones will be used by Cal OES to both determine the appropriate date to disencumber funds awarded under this grant and re-direct them to other needs across the State and as indicators of performance and grant management capacity in future competitive grant applications.

Activities:	Amount	Completion Date
All Projects	\$11,371,000	August 31, 2015

All activities funded with this award must be completed within the subgrantee performance period. Additionally, all Aviation/Watercraft requests, Establish/Enhance Emergency Operations Center (EOC) projects, projects requiring EHP review and sole source procurement requests will require additional approvals from Cal OES. Subgrantees must obtain written approval for these activities **prior** to incurring any costs, in order to be reimbursed for any related costs under this grant.

Mr. Craig Dziedzic
September 24, 2014
Page 2 of 2

Subgrantees are required to obtain a performance bond for any equipment item over \$250,000, or any vehicle, aviation, or watercraft (regardless of the cost) financed with homeland security dollars. Please submit performance bonds to your Program Representative.

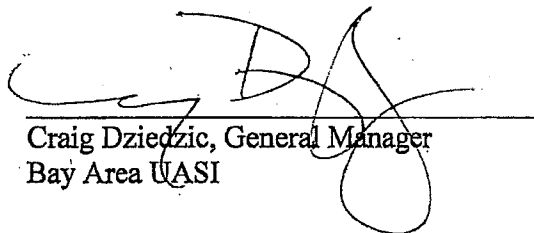

Following acceptance of this award, you must enter your grant information into the U.S. Office of Grants and Training, Grant Reporting Tool (GRT), for the December 2014 Biannual Strategy Implementation Report (BSIR) period, online at <https://www.reporting.odp.dhs.gov/>. Semi-annual performance reports must be prepared and submitted to Cal OES via the GRT for the duration of the grant period, or until all activities are completed and the grant is formally closed. Failure to submit performance reports could result in grant reduction, suspension, or termination.

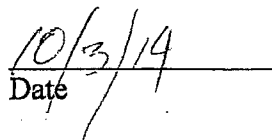

This grant is subject to all policies and provisions of the Federal Single Audit Act of 1984 and the Single Audit Act Amendments of 1996. Any funds received in excess of current needs, approved amounts, or those found owed as a result of a final review or audit, must be refunded to the State within 30 days upon receipt of an invoice from Cal OES.

Your dated signature is required on this letter. Please sign and return the original to your Cal OES Program Representative within ten days of receipt and keep a copy for your files. For further assistance, please feel free to contact your Cal OES Program Representative or the Homeland Security Grants Unit at (916) 845-8186.

Sincerely,
