[Park Code - Cost Recovery for Use of Golf Courses, Outdoor Event Facilities, Picnic Areas, and Athletic Fields]

**Ordinance amending the Park Code to authorize the Recreation and Park Department to add a cost recovery surcharge to the fees for the use of City golf courses, outdoor event facilities, picnic areas, and athletic fields, to help cover stormwater and other costs related to maintaining those City properties; and affirming the Planning Department's determination under the California Environmental Quality Act.**

NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.  
**Additions to Codes** are in *single-underline italics Times New Roman font*.  
**Deletions to Codes** are in ~~*strikethrough italics Times New Roman font*~~.  
**Board amendment additions** are in double-underlined Arial font.  
**Board amendment deletions** are in ~~strikethrough Arial font~~.  
**Asterisks (\* \* \* \*)** indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Environmental Findings.

The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 250604 and is incorporated herein by reference. The Board affirms this determination.

Section 2. Purpose.

Like many City departments, the Recreation and Park Department has begun to experience increased costs to operate and maintain its properties, including due to an updated structure for sewer bills that will lead to the Department paying an increased amount

1 for stormwater runoff from park property. These updates have led to the projection of deep,  
2 structural deficits to the Recreation and Park Department's budget that could trigger cuts to  
3 essential park services. The Board of Supervisors finds it is necessary to adjust the fees for  
4 using the park facilities that contribute most to these costs, so that the Department can  
5 continue to maintain existing levels of service across the board.

6  
7 Section 3. Article 12 of the Park Code is hereby amended by revising Sections 12.12,  
8 12.22, 12.23, and 12.36, to read as follows:

9 **SEC. 12.12. GOLF FEES – GENERAL.**

10 \* \* \* \*

11 (g) **Cost Recovery Fee.** For the use of the City Golf Courses, the Department shall require  
12 each player to pay an additional surcharge of \$4 per nine holes, or \$6 per 18 holes, to cover operating  
13 costs related to the Golf Courses.

14  
15 **SEC. 12.22. EVENTS.**

16 The following fees shall be charged for use of the parks for events:

17 \* \* \* \*

18 (i) **Cost Recovery Fee for Outdoor Events.** The Department shall require an additional  
19 surcharge of 10% for the use of the parks for outdoor events, to cover operating costs related to the  
20 outdoor event facilities.

21  
22 **SEC. 12.23. PICNICS.**

23 The following fees shall be charged for use of the parks for picnics per day:

24 \* \* \* \*

1           (d) Cost Recovery Fee. For the use of picnic areas, the Department shall require an additional  
2           surcharge of \$5 for picnics with up to 100 participants, and \$25 for picnics with more than 100  
3           participants, to cover operating costs related to the picnic areas.

4  
5           **SEC. 12.36. ATHLETIC FIELD FEES.**

6           The following fees shall be charged for use of the athletic fields:

7           \* \* \* \*

8           (c) Cost Recovery Fee. The Department shall require an additional surcharge of \$1 per hour  
9           for the use of the athletic fields to cover operating costs related to the athletic fields.

10  
11           Section 4. Effective Date. This ordinance shall become effective 30 days after  
12           enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
13           ordinance unsigned or does not sign the ordinance within 10 days of receiving it, or the Board  
14           of Supervisors overrides the Mayor's veto of the ordinance.

15  
16           Section 5. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors  
17           intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
18           numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal  
19           Code that are explicitly shown in this ordinance as additions, deletions, Board amendment  
20           additions, and Board amendment deletions in accordance with the "Note" that appears under  
21           the official title of the ordinance.

22  
23           Section 6. Severability. If any section, subsection, sentence, clause, phrase, or word  
24           of this ordinance, or any application thereof to any person or circumstance, is held to be  
25           invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision

1 shall not affect the validity of the remaining portions or applications of the ordinance. The  
2 Board of Supervisors hereby declares that it would have passed this ordinance and each and  
3 every section, subsection, sentence, clause, phrase, and word not declared invalid or  
4 unconstitutional without regard to whether any other portion of this ordinance or application  
5 thereof would be subsequently declared invalid or unconstitutional.

## **LEGISLATIVE DIGEST**

[Park Code - Cost Recovery for Use of Golf Courses, Outdoor Event Facilities, Picnic Areas, and Athletic Fields]

**Ordinance amending the Park Code to authorize the Recreation and Park Department to add a cost recovery surcharge to the fees for the use of City golf courses, outdoor event facilities, picnic areas, and athletic fields, to help cover stormwater and other costs related to maintaining those City properties; and affirming the Planning Department's determination under the California Environmental Quality Act.**

### **Existing Law**

The Park Code sets the fees that the Recreation and Park Department may charge for the use of various park facilities.

### **Amendments to Current Law**

The ordinance would add a "cost recovery surcharge" on top of the fees that the Recreation and Park Department currently charges for the use of certain park facilities. Specifically, there would be an added surcharge of \$4 per 9 holes of golf or \$6 per 18 holes of golf; 10% for the use of the outdoor event facilities; \$5 for picnics with up to 100 participants and \$25 for picnics with more than 100 participants; and \$1 per hour for the use of athletic fields.

### **Background Information**

The Recreation and Park Department has begun to experience increased costs to operate and maintain its property, including due to an updated structure for sewer bills that will lead to the Department paying an increased amount for stormwater runoff from park property. These cost increases could trigger cuts to essential park services if not addressed. The proposal is intended to adjust the fees for the park facilities that contribute most to these cost increases, so that the Department can continue to maintain existing levels of service across the board.

WEDNESDAY, JUNE 18,  
LEGISLATIVE CHAMBER  
ROOM 250, CITY HALL  
1 DR. CARLTON B.  
GOODLETT PLACE, SAN FRANCISCO, CA 94102**

NOTICE IS HEREBY GIVEN THAT the Board of Supervisors of the City and County of San Francisco's Budget and Appropriations Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows: All interested parties may attend and be heard; **File No. 250605**. Ordinance amending the Park Code to allow the Recreation and Park Department to set fees for recreation programs based on financial need; making certain staffing changes; and authorizing the Parks and Recreation Department's determination under the California Environmental Quality Act. If this legislation passes, a \$100 deposit will be established to hold a reservation for each seat at the "Redwood Inn and Camp Mather." The remaining balance of the reservation fee shall be due 30 days prior to the start of the reservation. The proposed Ordinance would allow the Recreation and Park Department to set recreational program fees based on the estimated operating costs of those programs. The Department generally could set fees intended to cover the programs' full operating costs, with programs designated for youth, seniors, or persons with disabilities could set fees that recovered only 75% of the operating costs. In addition, the Ordinance urges the Department to set fees for programs that benefit the general community at no more than 50% of the operating costs. All fees would require approval from the Recreation and Park Commission and, once approved, would be published on the Department's website. The Department also intends to publish on its website all recreation program fees based on financial need. In accordance with administrative code, Section 67-1 persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record. This information will be brought to the attention of the Board of Supervisors. This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good afternoon, Chair and members of the Budget and Appropriations Committee. My name is Lisa Biasotti, and I'm a San Francisco resident reaching out today to urge you to reject the Recreation and Parks Department's proposed budget, as it pertains to the privatization of our public golf courses.

San Francisco's public golf courses— Sharp Park, Lincoln Park, Harding Park, Golden Gate Park, and Gleneagles—are vital public assets. The residents and the city together find those lands to be important, as they offer affordable recreational opportunities, preserve green space in our dense urban environment, and serve as inclusive community hubs for people of all ages, backgrounds, and skill levels. These courses are not just for golfers; they are open parklands that support wildlife habitats and provide mental and physical health benefits to the public. It's the duty of the city to maintain those lands at an affordable rate.

A private company does not have the same mission as the Recreation and Parks Department. Privatization of management risks raising fees, limiting access, and reducing community oversight. We should not be willing to risk compromising an affordable rate for children, seniors, and low-income individuals or families. The public golf courses are here for the residents of San Francisco, taken care of by the city as an amenity to San Franciscans of any background. Turning over their management to private companies in response to what may be a temporary budget challenge is shortsighted. Once these spaces are privatized, it is extremely difficult to restore them to full public control.

I support exploring alternative revenue solutions—ones that do not compromise the public character and accessibility of these treasured spaces.

I urge this Committee to protect public land and equitable access to recreation by rejecting any budget proposal that includes or enables the privatization of our city's public golf courses.

Thank you
