BILL BLUM, HHS DIRECTOR
DEAN GOODWIN, ASSISTANT HIV DIRECTOR
OCTOBER 27, 2020

RYAN WHITE HIV/AIDS PROGRAM

The Ryan White HIV/AIDS Program provides a comprehensive system of HIV primary medical care, essential support services, and medications for low-income people living with HIV who are uninsured and underserved.

Part A

Medical and support services to Eligible Metropolitan Areas (EMAs) and Transitional Grant Areas (TGAs) - counties/cities that are the most severely affected by the HIV/AIDS epidemic.

Part B

Funds for states and territories to improve the quality, availability, and organization of HIV health care and support services.

Part C

Funds for local community-based organizations to provide comprehensive primary health care and support services in an outpatient setting for people living with HIV through Early Intervention Services program grants.

Part D

Funds for local, community-based organizations to provide outpatient, ambulatory, family-centered primary and specialty medical care for women, infants, children and youth living with HIV.

Part F

Funds support clinician training, technical assistance, and the development of innovative models of care to improve health outcomes and reduce HIV transmission.

RYAN WHITE HIV/AIDS PROGRAM

15,908 San Francisco
Residents were
diagnosed and living
with HIV as of
12/31/2019

HIV Health Services
provides core and
support services to
approximately 7,000
San Francisco
residents.

HHS has come each year for the **Accept & Expend** for the RWPA funding. **However in 2021**, HRSA will be moving to **three-year applications and awards**.

2021-2022

2022-2023

2023-2024

HIV Health Services has a programmatic services budget of nearly **\$38 million annually**. With RWPA making up **31% of funding for client services in San Francisco**.

Service eligibility is tied to **Federal Poverty Level (FPL)**. To receive HHS services, clients must be **below 500% of FPL (\$63,800 for household of 1 in 2020)** .

RYAN WHITE HIV/AIDS PROGRAM

PART A FUNDS ARE SHARED BETWEEN 3 COUNTIES, WITH SAN FRANCISCO RECEIVING 85% OF THE GRANT AWARD

HIV HEALTH SERVICES has seen a **steady reduction** in HIV funding since **2001** when it was **\$37.5 M** to **2020** where it is about **\$15 M**

- Grant funding reductions in prior years were reinstated with **City & County General Fund** since **2012**.
- In **FY 2020** the **SF EMA RWPA** grant was reduction was about **\$368K**, with **SF** client numbers also dropping while **San Mateo** was increasing -> **Impact of \$466 K to SF**.
- HHS used **Ending the HIV Epidemic** funding for moving over RWPA to avoid any program reductions for the new fiscal year
