EXECUTIVE SUMMARY

Legislative Objectives

- Resolution (a) authorizing the exchange of two City properties near McAllister Street and Ash Alley, under the Mayor's Office of Housing and Community Development (MOHCD), plus an additional fee of \$2,675,000 for one San Francisco Unified School District (SFUSD) property at 1950 Mission Street; (b) adopting California Environmental Quality Act (CEQA) findings; and (c) adopting City General Plan and Planning Code findings.

Key Points

- On December 17, 2013, the Board of Supervisors approved Resolution 456-13 to transfer the jurisdiction of City property from the Real Estate Division to the Mayor's Office of Housing and Community Development for \$4,584,000 located at McAllister and Ash Alley in anticipation of additional exchanges of properties with the SFUSD.

Fiscal Impact

- In February 2013, the Real Estate Division retained Clifford Advisory, which appraised the City-owned Parcel E at \$7,500,000 (\$256 per square foot). In April 2013, the SFUSD retained Cushman & Wakefield to appraise the same Parcel E, which determined a market value of \$7,100,000, or \$400,000 less than the City's appraisal.
- For Lot 53, the City used the same Parcel E City per square foot appraisal rate of \$256 per square foot, to determine this 365 square foot parcel's value was \$93,000. In exchange for the 365 square foot City-owned Lot 53, the SFUSD will grant an easement right to the City to 414 square feet of Ash Alley, which is part of Parcel E and valued at the same \$93,000, resulting in no fiscal impact from this exchange.
- In February 2013, the Real Estate Division also retained Clifford Advisory to appraise the SFUSD property at 1950 Mission Street. Assuming a mixed use five-story to seven-story retail and residential building, including parking, the appraisal valued this property between \$6,300,000 and \$9,450,000. In March 2013, the SFUSD retained Cushman & Wakefield to appraise the same 36,400 square foot 1950 Mission Street property. This appraisal concluded a market value of \$13,400,000, which is \$3,950,000 to \$7,100,000 more than the City's appraisal.
- Based on these various property appraisals, City staff and SFUSD staff negotiated the final sale prices and proposed agreement of (a) \$7,100,000 for City Parcel E and Lot 53, including the easement, (b) \$9,775,000 for SFUSD 1950 Mission Street, and (c) \$2,675,000 payment from City to SFUSD for the difference in price.

Recommendation

- Approve the resolution.

MANDATE STATEMENT / BACKGROUND

Mandate Statement

As a result of the damage from the Loma Prieta earthquake, San Francisco voters approved Proposition E in 1998, to remove the Central Freeway north of Market Street. In 1999, San Francisco voters approved Proposition I, requiring the City to use the proceeds from the sale of Central Freeway parcels for the Octavia Boulevard replacement project and related transportation improvements. Section 10-100.369 of the City's Administrative Code contains an Octavia Boulevard Special Fund for such revenues, which are subject to appropriation approval by the Mayor and the Board of Supervisors.

Section 23A of the City's Administrative Code, the Surplus City Property Ordinance, enacted by the Board of Supervisors in November of 2002, provides for the identification and use of surplus or underutilized City properties to be used to address the City's affordable housing priorities. The proposed resolution would transfer surplus City-owned property in exchange for San Francisco Unified School District (SFUSD) property, which would be used to develop affordable housing.

Background

City-owned Parcel E

On January 16, 2001, the State transferred 26 parcels, formerly occupied by the Central Freeway, at no cost to the City¹. One of these 26 parcels, commonly known as Parcel E, as shown in the attached map is located on the south side of McAllister Street between Franklin and Gough Streets, at Ash Alley. This 29,255 square foot parcel, located immediately behind the San Francisco Unified School District (SFUSD) headquarters at 555 Franklin Street, is leased by the City to the SFUSD for surface employee parking. This lease extends for 50 years from January 1, 1976 through December 31, 2025, with multiple options to extend through December 31, 2074, or a total of 99 years. All of these extension options are at the sole discretion of the SFUSD and the lease has no termination provisions. Under this lease, the SFUSD currently pays the City rent of \$5,521 per month, which is \$66,252 annually, or approximately \$2.26 per square foot per year.

On December 17, 2013, the Board of Supervisors approved a resolution (File 13-1126; Resolution 456-13) to transfer the jurisdiction of this City-owned property at McAllister and Ash Alley from the Real Estate Division to the Mayor's Office of Housing and Community

¹ Pursuant to Section 72.1 of the California Streets and Highways Code and the November 29, 2000 Cooperative Agreement between the California Department of Transportation and the City and County of San Francisco.

Development (MOHCD) for \$4,584,000, making such transfer of jurisdiction effective upon the Board of Supervisors' and Mayor's approval of a subsequent exchange of property agreement with the SFUSD. At the time of the approval of Resolution 456-13, Mr. Kevin Kitchingham, Project Manager in MOHCD, reported that this jurisdictional transfer from the Real Estate Division to MOHCD was the first step of a multiple property exchange with the SFUSD to secure two surplus SFUSD properties that the City could develop for affordable housing. On December 10, 2013, the SFUSD Board of Education approved a motion for SFUSD staff to (a) sell 1950 Mission Street to MOHCD for \$9,775,000, (b) sell 1101 Connecticut Street to MOHCD for \$1,825,000,² (c) purchase the City-owned Parcel E from MOHCD for \$7,100,000, (d) resulting in MOHCD paying a net balance of \$4,500,000 to SFUSD based on the difference in value for these property transfers, and (e) negotiate other terms and conditions with MOHCD regarding these purchase agreements.

City-owned Lot 53

An additional small City-owned parcel, known as Lot 53, located at 380 Fulton Street, is a triangle shaped 365 square foot lot, adjacent to Ash Alley, Parcel E and the SFUSD's 555 Franklin Street building as shown in the attached map. Mr. John Updike, Director of Real Estate advises that when the immediately adjacent Parcel F was approved for sale and mixed use development by the nonprofit Boys and Girls Club, this small Lot 53 parcel was purposefully separated from that transaction with the intent to convey this small City-owned parcel to the SFUSD in a subsequent transaction. Mr. Updike notes that currently SFUSD has heating and cooling equipment on this otherwise vacant parcel.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would (a) authorize the exchange and conveyance of two City-owned properties near McAllister Street and Ash Alley (Parcel E and Lot 53), both under the jurisdiction of MOHCD, plus an additional fee of \$2,675,000 payable by MOHCD to the San Francisco Unified School District (SFUSD) for MOHCD to receive one SFUSD property at 1950 Mission Street; (b) adopt California Environmental Quality Act (CEQA) findings; and (c) adopt City General Plan and Planning Code findings.

If the proposed resolution is approved, the City and the SFUSD would enter into an Agreement for the Exchange and Conveyance of Real Estate, which contains the following major provisions:

² The additional SFUSD property at 1101 Connecticut Street, which is currently under CEQA review, may be part of a separate property transaction between MOHCD and SFUSD, which would be subject to future review and approval by the Board of Supervisors.

- The City owns Parcel E and Lot 53, which together have a fair market value of \$7,100,000;
- The SFUSD owns 1950 Mission Street which has a fair market value of \$9,775,000;
- The City wishes to acquire the SFUSD property at 1950 Mission Street and the SFUSD wishes to acquire the two City-owned properties named Parcel E and Lot 53 through an exchange and additional payment by the MOHCD to SFUSD of \$2,675,000 (\$9,775,000 less \$7,100,000) to cover the difference in fair market values of the exchanged properties; and
- The City reserves a nonexclusive irrevocable easement for construction, installation, operation and other maintenance purposes for equipment, fixtures, street lights, power lines and related facilities on Parcel E for future surface or underground public utility purposes.

The proposed resolution would also (a) authorize the Director of Property and the Director of MOHCD to execute the final Exchange Agreement on behalf of the City; (b) authorize the Mayor, Clerk of the Board of Supervisors, Director of Property and Director of MOHCD to enter into any other documents necessary or advisable to complete the transactions contemplated in the proposed Exchange Agreement that are determined to be in the best interest of the City, do not materially increase the obligations and/or materially decrease the benefits to the City; and (c) prospectively approve all such actions by the Board of Supervisors.

If the proposed resolution is approved, Mr. Updike estimates that all the exchanges of properties would occur before the end of calendar year 2014. Mr. Updike advises that SFUSD currently plans to retain Parcel E for parking and Lot 53 for storage of equipment for SFUSD's headquarters at 555 Franklin Street with potential for long-range development plans, which have not yet been detailed. Mr. Kitchingham advises that MOHCD plans to develop the subject 1950 Mission Street parcel for 100% affordable multi-family housing, with an anticipated developer Request for Proposal (RFP) issued by the end of calendar year 2014. Predevelopment funds of approximately \$2,000,000 are available in the recently approved MOHCD FY 2014-15 budget.

The proposed resolution would adopt the CEQA findings contained in the Department of City Planning documents dated July 8, 2013, which found that the proposed exchange of properties is categorically exempt from environmental review. In addition, the proposed resolution would find that the proposed exchange of properties is consistent with the City's General Plan and the eight priority policies of Planning Code Section 101.1 as determined by the Department of City Planning letter dated January 28, 2014.

FISCAL IMPACTCity-owned Parcel E

In February 2013, the Real Estate Division retained Clifford Advisory, a private real estate valuation firm, which appraised the 29,255 square foot Parcel E at \$7,500,000 (\$256 per square foot), assuming an approximate 5-story mixed use residential structure could be developed, consistent with the City's current zoning.

In April 2013, the SFUSD retained Cushman & Wakefield, a private real estate valuation firm, to appraise the same 29,255 square feet Parcel E. This appraisal concluded a market value of \$7,100,000 for Parcel E, or \$400,000 less than the City's appraisal.

City-owned Lot 53

Mr. Updike reports that using the same Parcel E City per square foot appraisal rate of \$256 per square foot, this 365 square foot parcel's value was appraised at \$93,000. Mr. Updike notes that, although the City currently owns this Lot 53 small parcel, the SFUSD currently leases this property, under an assignment of a previous long-term lease with the State Bar of California. Therefore, according to Mr. Updike, transferring title and conveying ownership of this small Lot 53 to the SFUSD will relieve the City of any ongoing liabilities on this property.

In exchange for the 365 square foot City-owned Lot 53, the SFUSD will grant an easement right to the City to 414 square feet of Ash Alley, highlighted in the attached map, which is part of Parcel E. Mr. Updike advises that the value of the 414 square foot easement is approximately the same \$93,000. Mr. Updike therefore reports that the transfer of the 365 square foot Lot 53 from the City to SFUSD and the transfer of the easement rights to the 414 square foot parcel by the SFUSD to the City result in no fiscal impact from this exchange.

Mr. Updike explains that this public service easement is needed for the adjacent Parcel F, to assist the Boys & Girls Club during construction of this Parcel F site. Mr. Updike reports that this easement will save significant construction costs on Parcel F by allowing PG&E to locate a transformer to bring power to this site.

SFUSD-owned 1950 Mission Street

In February 2013, the Real Estate Division also retained Clifford Advisory to appraise the value of the SFUSD-owned property at 1950 Mission Street, between 15th and 16th Streets. This .84 acre (36,400 square foot) parcel was the former Phoenix High School, which currently has 12 obsolete temporary classroom structures on the perimeter with an asphalt playground in the center. The SFUSD has declared the 1950 Mission Street property surplus and therefore is

available for market rate sale for other public agencies use. Assuming a mixed use five-story to seven-story retail and residential building, including parking, the appraisal valued this property between \$6,300,000 and \$9,450,000.

In March 2013, the SFUSD retained Cushman & Wakefield to appraise the same 36,400 square foot 1950 Mission Street property. This appraisal concluded a market value of \$13,400,000, which is \$3,950,000 to \$7,100,000 more than the City’s appraisal.

Based on these various property appraisals, Mr. Updike advises that City staff and SFUSD staff negotiated the final sale prices and proposed agreement of

- (a) \$7,100,000 for City-owned Parcel E and Lot 53, including the easement on Ash Alley,
- (b) \$9,775,000 for SFUSD-owned 1950 Mission Street,
- (c) \$2,675,000 payment from City (MOHCD) to SFUSD.

The Table below summarizes the various appraisals and the final negotiated proposed agreement.

Property	Clifford Advisory Appraisal	Cushman & Wakefield Appraisal	Negotiated Amount
City Parcel E	\$7,500,000	\$7,100,000	7,100,000
City-owned Lot 53/ Rights to Easement	93,000	NA	0
SFUSD 1950 Mission Street	\$6,300,000-\$9,450,000	13,400,000	9,775,000
Payment to SFUSD by City (MOHCD) of Difference			\$2,675,000

Mr. Kitchingham confirms that Federal Community Development Block Grant funds are included in the MOHCD’s FY 2014-15 off-budget grant approvals to fund this transaction. The proposed Exchange and Conveyance Agreement would be subject to certification by the City’s Controller that the required \$2,675,000 funding is available to complete this transaction.

POLICY CONSIDERATION

As discussed above, although the Parcel E City appraisal was \$7,500,000, given the SFUSD's long-term parking lease agreement on Parcel E, the development potential of the property would need to be deferred 62 years if a party other than the SFUSD were to purchase the parcel, minimizing Parcel E's present value to \$4,584,000³. As noted above, on December 17, 2013, the Board of Supervisors approved Resolution 456-13 to transfer Parcel E from the Real Estate Division to the MOHCD for this present value of \$4,584,000, making such transfer effective upon this subsequent exchange and conveyance property agreement. Upon approval of the subject resolution, MOHCD will pay the Real Estate Division \$4,584,000 for the jurisdictional transfer of Parcel E. MOHCD will use General Fund monies previously appropriated by the Board of Supervisors for Low Income Housing-Affordable Family Rental Housing in the MOHCD FY 2013-14 and FY 2014-15 budgets to pay for the subject Parcel E. The \$4,584,000 to be paid by the MOHCD to the Real Estate Division for Parcel E would be deposited into the Octavia Boulevard Special Fund.

RECOMMENDATION

Approve the resolution.

³ The \$2,916,000 difference between the \$7,500,000 market value without the long-term lease and the \$4,584,000 present value with the long-term lease represents the leasehold interest value held by the SFUSD under the terms of the existing Parcel E parking lease.

General Plan Referrals

Dear Mr. Rahaim:

Enclosed are three General Plan Referral applications for a project relating to the transfer and conveyance of two parcels from the San Francisco Unified School District ("SFUSD") to the Mayor's Office of Housing and Community Development ("MOHCD") and the transfer of one parcel from MOHCD to SFUSD. These transfers will facilitate MOHCD's mission to finance and develop affordable housing.

APN 3554-005, commonly known as 1950 Mission Street, and APN 4287-007, commonly known as 1101 Connecticut Street, will be conveyed to and held by MOHCD until such time that MOHCD has funding and approvals in place for a developer to construct affordable housing on the sites.

555 Franklin, which consists of portions of APN's 0785-030 and 0785-033, will be conveyed to SFUSD in order to facilitate a property swap for 1950 Mission Street and 1101 Connecticut Street as they are better suited for affordable housing development.

Should you have any questions, please contact Marta Bayol of my staff at 415-554-9865. Thank you for consideration of this matter. Per normal process, please use our existing work order for funding.

BACKGROUND

We are in receipt of your request that the Planning Department consider a General Plan referral application concerning the property transfers and conveyance between the Mayor’s Office of Housing and Community Development (“MOHCD”) and the San Francisco Unified School District (“SFUSD”).

PROJECT DESCRIPTION

The proposed action or “project” is to transfer and convey one parcel from the SFUSD to the MOHCD and to transfer one parcel from MOHCD to SFUSD, as follows.

1. **1950 Mission.** The common address of the parcel that SFSUD will convey to MOHCD is 1950 Mission Street (Assessor Parcel 3554-005).
2. **555 Franklin.** The common address of the parcel that the MOHCD will convey to SFUSD in order to facilitate the property swap for 1950 Mission Street is 555 Franklin Street (portions of assessor parcels 0785-030 and 0785-033).

The purpose of this proposal is to facilitate the development of MOHCD-sponsored affordable housing in the future, once funding is available. Any future actions beyond the proposed property transfer would be separate projects and subject to full project review and permitting.

REAL ESTATE DIVISION, MOHCD-SFUSD PROPERTY TRANSFER
(1950 MISSION & 555 FRANKLIN STREETS)

Existing Conditions

Both parcels are essentially vacant and are not the location of existing buildings. The 1950 Mission Street site is an abandoned continuation school and surface parking lot. There are about nine temporary, single-story buildings around the site perimeter with an open area in the middle of the lot. The 555 Franklin Street parcel is a surface parking lot.

ENVIRONMENTAL REVIEW

On January 23, 2014, the Environmental Planning section of the Planning Department determined that the proposed property transfer and conveyance between MOHCD and SFUSD are categorically exempt from environmental review under CEQA Class 1 – acquisition/leasing of existing facilities.

GENERAL PLAN COMPLIANCE AND BASIS FOR RECOMMENDATION

As described below, the Project is consistent with the General Plan and the Eight Priority Policies of the Planning Code, Section 101.1. It is, on balance, in-conformity with the following Objectives and Policies of the General Plan. (Note: General Plan objectives, policies, and text are in bold font; Staff comments are in italic font.)

Housing Element

OBJECTIVE 1: Identify and make available for development adequate sites to meet the City's housing needs, especially permanently affordable housing.

The MOHCD would use the site for affordable housing development at an unspecified date in the future, once funding became available.

POLICY 1.1: Plan for the full range of housing needs in the City and County of San Francisco, especially affordable housing.

As a separate project, the MOHCD anticipates using the site acquired in this property transfer project for affordable housing development at an unspecified date in the future, once funding became available.

Eight General Plan Priority Policies Findings

The proposed project is consistent with the Eight Priority Policies of Planning Code Section 101.1 as described below.

1. **That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced.**

The 1950 Mission parcel is vacant and the 555 Franklin Street parcel is a surface parking lot. There is no existing retail business on either parcel, and the property transfer would not displace or otherwise compromise neighborhood-serving retail uses.

REAL ESTATE DIVISION, MOHCD-SFUSD PROPERTY TRANSFER
(1950 MISSION & 555 FRANKLIN STREETS)

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhood.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses), and therefore would not adversely affect housing or neighborhood character.

3. That the City's supply of affordable housing be preserved and enhanced.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses), and therefore would not affect the City's existing affordable housing stock.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses), and therefore would not affect existing commuter traffic and nor impede MUNI transit service, increase vehicle trips, nor increase parking demand.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for residential employment and ownership in these sectors be enhanced.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses), and therefore would not affect the neighborhood economy or the City's economic base.

6. That the City achieves the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses); therefore, the property transfer would not affect the City's preparedness to protect against injury and loss of life in an earthquake.

7. That landmarks and historic buildings be preserved.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses), and neither parcel is designated with landmark or historic building status; therefore, the property transfer would not affect landmark or historic resources on the sites.

8. That our parks and open space and their access to sunlight and vistas be protected from development.

The property transfer would not change existing conditions on the two parcels (vacant or surface parking uses), therefore, the property transfer would not affect existing City park or open space, or their access to sunlight and vistas.

C. SFUSD owns that certain real property commonly known as 1950 Mission Street in San Francisco, California, as more particularly described in the attached Exhibit C, which together with all of SFUSD's interest in any improvements, fixtures, rights, privileges, and easements incidental or appurtenant thereto, shall be referred to herein as the "**SFUSD Property**".

D. The Parties agree that the fair market value of the SFUSD Property is \$9,775,000.00 and the fair market value of the City Property is \$7,100,000.00.

E. City wishes to acquire fee interest in the SFUSD Property and SFUSD wishes to acquire fee interest in the City Property through an exchange thereof and an additional payment of \$2,675,000.00 (the "**Additional Fee**") from City to SFUSD, due to the higher fair market value of the SFUSD Property, on the terms and conditions set forth in this Agreement (the "**Exchange**").

ACCORDINGLY, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, City and SFUSD hereby agree as follows:

ARTICLE 1: PROPERTY EXCHANGE AND TERMINATION OF INTERESTS

1.1 Exchange of Property and Additional Fee. Subject to the terms, covenants and conditions in this Agreement, at Closing (as defined in Section 6.2), SFUSD agrees to convey the SFUSD Property to City and City agrees to convey the City Property and deliver the Additional Fee to SFUSD. The SFUSD Property and the City Property (or any portion of them, as the context requires) shall be collectively referred to as the "**Property**".

1.2 Reservation of Easement. As part of the consideration for the Exchange, the Parties further agree that the City shall reserve for itself a nonexclusive, irrevocable easement for construction, installation, operation, maintenance, repair, removal and replacement of utility lines, pipes, conduits, manholes, above-ground markers and other convenient structures, equipment and fixtures, street lights, ancillary electric and power lines and related facilities and structures to be located in, on or under the portion of the Parcel E Property more specifically described in the legal description attached hereto as Exhibit A, for public utility purposes, together with reasonable access thereto for such purposes, and the right to approve the placement of other utilities within such easement area (the "Public Utility Easement"). The Public Utility Easement right shall be set forth in the Parcel E Deed (as defined in Section 3.1(a) below).

1.3 Termination of Interests. As part of the consideration for the Exchange, the Parties further agree to terminate the following interests at or before Closing:

(a) Pursuant to a ground lease between City and SFUSD dated June 2, 1975 (the "**Parcel E Lease**"), SFUSD currently leases the Parcel E Property. City and SFUSD agree that the Parcel E Lease shall automatically terminate as of the Closing Date, subject to the survival of any terms or conditions of the Parcel E Lease that expressly survive the termination thereof.

1.4 Exchange Valuation. The Parties agree that, for purposes of the Exchange, the fair market value for the City Property shall be deemed to be \$7,100,000.00 and that the fair market value for the SFUSD Property shall be deemed to be \$9,775,000.00.

ARTICLE 2: PRE-CLOSING RIGHTS AND OBLIGATIONS

2.1 Due Diligence Investigation of City Property.

(a) Entry. In addition to SFUSD's rights under the Parcel E Lease, at all times prior to the Closing Date (as defined in Section 6.2), City shall afford SFUSD and its Agents (as defined in Section 9.14) access to the City Property so SFUSD, at its sole election, may independently conduct its due diligence review of all aspects of the City Property and verify City's representations, warranties and covenants in this Agreement. SFUSD shall give City notice of any planned entry of the City Property to conduct the testing permitted below (except to the extent already permitted under the Parcel E Lease) by facsimile or phone to City at least three (3) business days before such entry and shall conduct such entry and any inspections in a manner that reasonably minimizes interference with the current uses of the City Property.

(b) On-Site Testing. Notwithstanding anything to the contrary in this Section 2.1 or in the Parcel E Lease, SFUSD shall not perform any on-site invasive testing on the City Property without first obtaining the prior written consent of the Director of City's General Services Agency, Real Estate Division (the "**Director of Property**"). To obtain such consent, SFUSD shall notify the Director of Property of the identity of the party that will perform the testing, the proposed scope of the testing, and any other information reasonably requested by the Director of Property. City shall have the right to reasonably approve or disapprove of the proposed testing within ten (10) business days after receipt of such notice. In addition, City may condition any such approval on the procurement of insurance (subject to Section 2.1(c)) and the release of any claims against City by the party performing such testing. If SFUSD or its Agents takes any

sample from the City Property, upon written request, SFUSD shall provide to City a portion of such sample being tested to allow City, if it so chooses, to perform its own testing. City or its representative may be present to observe any testing or other inspection performed on the City Property. If Closing does not occur for any reason, SFUSD shall promptly deliver, or cause to be delivered, to City a copy of any reports relating to any testing or other inspection of the City Property performed by SFUSD or its respective Agents. SFUSD shall have the right to retain any other copies of such reports, provided that neither SFUSD nor its Agents shall disclose such information to other parties unless and except to the extent required by Applicable Law (as defined in Section 9.8).

(c) Insurance. If SFUSD conducts any on-site testing on the City Property, SFUSD, and any of its Agents performing such testing, shall maintain an occurrence-based commercial general liability insurance policy during the period of such testing, with coverage of at least One Million Dollars (\$1,000,000), to insure against all liability of SFUSD and its Agents that arises out of any such testing. SFUSD shall have the right to self-insure in lieu of maintaining such an insurance policy. SFUSD shall provide City with (or cause to be provided to City) evidence of such insurance coverage (either through an insurance policy or SFUSD's program of self-insurance) upon request from City.

(d) Indemnification. SFUSD hereby agrees to indemnify, protect, defend and hold harmless City, including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, all of the Agents of City, and their respective heirs, legal representatives, successors and assigns (collectively, the "**City Indemnified Parties**"), from and against any Losses (defined as follows) arising out of or relating to the conduct of SFUSD or its Agents, as applicable, or its or their activities during any entry on, under or about the City Property in performing any inspections, testings or inquiries thereof, whether prior to the date of this Agreement or during the term hereof, including, without limitation, any injuries or deaths to any party (including, without limitation, SFUSD's Agents) and damage to any property, from any cause whatsoever, except to the extent caused by the negligence or willful misconduct of City. The foregoing indemnity shall not include any claims resulting from the discovery or disclosure of pre-existing environmental conditions or the non-negligent aggravation of pre-existing environmental conditions on, in, under or about the City Property, nor shall it alter any of SFUSD's obligations under the Parcel E Lease. If SFUSD's investigation of the City Property causes any material alteration and this Agreement is terminated for any reason other than City's default hereunder, SFUSD shall restore the City Property to substantially the condition it was in prior to such investigation, to the extent such restoration is necessary to comply with SFUSD's maintenance or surrender obligations under the Parcel E Lease (provided that SFUSD's obligation to restore the portion of the City Property leased by SFUSD pursuant to the Parcel E Lease shall be excused if the Closing occurs) and subject to all Applicable Laws. This indemnity shall survive the termination of this Agreement or the Closing, as applicable.

"**Loss**" or "**Losses**" shall mean any and all claims, demands, losses, liabilities, damages (including foreseeable and unforeseeable consequential damages), liens, obligations, interest, injuries, penalties, fines, lawsuits and other proceedings, judgments and awards and reasonable costs and expenses of whatever kind or nature, known or unknown, foreseen or unforeseen, or contingent or otherwise, including, without limitation, Attorneys' Fees and Costs. "**Attorneys' Fees and Costs**" shall mean any and all reasonable attorneys' fees, costs, expenses and

disbursements, including, but not limited to, paralegal fees, expert witness fees and costs, travel time and associated costs, transcript preparation fees and costs, document copying, printing or duplication, exhibit preparation, courier, postage, facsimile, long-distance and communications expenses, court costs and the costs and fees associated with any other legal, administrative or alternative dispute resolution proceeding, including mediation and arbitration, fees and costs associated with execution upon any judgment or order, and costs on appeal.

2.2 Due Diligence Investigation of SFUSD Property.

(a) Entry. At all times prior to the Closing Date, SFUSD shall afford City and its Agents access to the SFUSD Property so City, at its sole election, may independently conduct its due diligence review of all aspects of the SFUSD Property and verify SFUSD's representations, warranties and covenants in this Agreement. Subject to the provisions of the Section 2.2(b), such activities may include tests of the environmental condition of the SFUSD Property, including, without limitation, the drilling of test wells and the taking of soil borings. City shall give SFUSD notice of any planned entry of the SFUSD Property by facsimile or phone to SFUSD at least three (3) business days before such entry and shall conduct such entry and any inspections in a manner that reasonably minimizes interference with the current uses of the SFUSD Property.

(b) On-Site Testing. Notwithstanding anything to the contrary in this Section 2.2, City shall not perform any invasive on-site testing of the SFUSD Property without first obtaining SFUSD's prior written consent. To obtain such consent, City shall notify SFUSD of the identity of the party that will perform the testing, the proposed scope of the testing, and any other information reasonably requested by SFUSD. SFUSD shall have the right to reasonably approve or disapprove the proposed testing within ten (10) business days after receipt of such notice. In addition, SFUSD may condition any such approval on the procurement of insurance (unless covered by City's self-insurance) and the release of any claims against SFUSD by the party performing such testing. If City or its Agents takes any sample from the SFUSD Property, upon written request, City shall provide to SFUSD a portion of such sample being tested to allow SFUSD, if it so chooses, to perform its own testing. SFUSD or its representative may be present to observe any testing or other inspection performed on the SFUSD Property. If Closing does not occur for any reason, City shall promptly deliver, or cause to be delivered, to SFUSD one copy of any reports relating to any testing or other inspection of the SFUSD Property performed by City or its Agents. City shall have the right to retain any other copies of such reports, provided that neither City nor its Agents shall disclose such information to other parties unless and except to the extent required by Applicable Law.

(c) Insurance. SFUSD acknowledges that City is self-insured, and shall not require City to maintain insurance in connection with City's inspection of the SFUSD Property.

(d) Indemnification. City hereby agrees to indemnify, protect, defend and hold harmless SFUSD, including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, all of the Agents of SFUSD, and their respective heirs, legal representatives, successors and assigns (collectively, the "**SFUSD Indemnified Parties**"), from and against any Losses arising out of or relating to the conduct of City or its Agents, as applicable, or its or their activities during any entry on, under or about the SFUSD Property in performing any inspections, testings or inquiries thereof, whether prior to the date of this

Agreement or during the term hereof, including, without limitation, any injuries or deaths to any party (including, without limitation, City's Agents) and damage to any property, from any cause whatsoever, except to the extent caused by the negligence or willful misconduct of SFUSD. The foregoing indemnity shall not include any claims resulting from the discovery or disclosure of pre-existing environmental conditions or the non-negligent aggravation of pre-existing environmental conditions on, in, under or about the SFUSD Property. If City's investigation of the SFUSD Property causes any material alteration and this Agreement is terminated for any reason other than SFUSD's default hereunder, City shall restore the SFUSD Property to substantially the condition it was in prior to such investigation, subject to all Applicable Laws. This indemnity shall survive the termination of this Agreement or the Closing, as applicable.

2.3 Property Documents. From the Effective Date (as defined in Section 9.23) until the Closing or earlier termination of this Agreement, neither Party shall enter into any binding lease or contract with respect to the Property, or any amendment or assignment thereto, without first obtaining the other Party's prior written consent, which consent shall not be unreasonably withheld or delayed.

2.4 No New Improvements; Maintenance. From the Effective Date until the Closing or earlier termination of this Agreement, SFUSD agrees that it shall not construct any improvements on the SFUSD Property, except to the extent that such improvements are pursuant to City's prior written approval, and City agrees that it shall not construct any improvements on the City Property, except with SFUSD's prior written approval. In addition, from the Effective Date until the Closing or earlier termination of this Agreement, SFUSD agrees to maintain the SFUSD Property in good order, condition and repair, reasonable wear and tear excepted, and to make all repairs, maintenance and replacements of any improvements and otherwise operate the SFUSD Property in the same manner as before the making of this Agreement, and City agrees (to the extent required under the Parcel E Lease) to maintain the City Property in good order, condition and repair, reasonable wear and tear excepted, and to make all repairs, maintenance and replacements of any improvements and otherwise operate the City Property in the same manner as before the making of this Agreement.

ARTICLE 3: TITLE

3.1 Permitted Title Exceptions to the Property.

(a) City Property Permitted Title Exceptions. At the Closing, City shall convey its right, title and interest in and to the City Property to SFUSD pursuant to the quitclaim deeds attached hereto as Exhibit D (the "**Parcel E Deed**") and Exhibit E (the "**Lot 53 Deed**").

(1) Title to the Parcel E Property shall be subject to (i) liens of local real estate taxes and assessments that are not yet payable, (ii) the exceptions shown as _____ in the preliminary report issued by the Title Company for Title No. _____, dated _____, 2014; (iii) a reservation of the Public Utility Easement, and (iv) any other exceptions approved in writing by SFUSD in its sole discretion. All of the foregoing permitted exceptions to title shall be referred to collectively as the "**Parcel E Property Permitted Title Exceptions**" and shall be reflected in an owner's title insurance policy (the "**Parcel E Property Title Policy**") issued by the Title Company to SFUSD as of the Closing Date, with such coinsurance or reinsurance and

direct access agreements and endorsements as SFUSD may reasonably request, in an amount specified by SFUSD to the Title Company, insuring SFUSD's fee interest in the Parcel E Property, subject only to the Parcel E Property Permitted Title Exceptions, all at the sole cost and expense of SFUSD.

(2) Title to the Lot 53 Property shall be subject to (i) liens of local real estate taxes and assessments that are not yet payable, (ii) the exceptions shown as _____ in the preliminary report issued by the Title Company for Title No. _____, dated _____, 2014; and (iii) any other exceptions approved in writing by SFUSD in its sole discretion. All of the foregoing permitted exceptions to title shall be referred to collectively as the "Lot 53 Property Permitted Title Exceptions" and shall be reflected in an owner's title insurance policy (the "Lot 53 Property Title Policy") issued by the Title Company to SFUSD as of the Closing Date, with such coinsurance or reinsurance and direct access agreements and endorsements as SFUSD may reasonably request, in an amount specified by SFUSD to the Title Company, insuring SFUSD's fee interest in the Lot 53 Property, subject only to the Lot 53 Property Permitted Title Exceptions, all at the sole cost and expense of SFUSD.

(b) SFUSD Property Permitted Title Exceptions. At the Closing, SFUSD shall convey its right, title and interest in and to the SFUSD Property to City by using the form of quitclaim deed attached hereto as Exhibit (the "SFUSD Deed").

Title to the SFUSD Property shall be subject to (i) pro rated liens of local real estate taxes and assessments that are not yet payable, (ii) the exceptions shown as _____ in the preliminary report issued by the Title Company for Title No. _____, dated _____, 2013, and (iii) any other exceptions approved in writing by City in its sole discretion. All of the foregoing permitted exceptions to title shall be referred to collectively as the "**SFUSD Property Permitted Title Exceptions**" and shall be reflected in an owner's title insurance policy (the "**SFUSD Property Title Policy**") issued by the Title Company to City as of the Closing Date, with such coinsurance or reinsurance and direct access agreements and endorsements as City may reasonably request, in an amount specified by City to the Title Company, insuring City's fee interest in the SFUSD Property, subject only to the SFUSD Property Permitted Title Exceptions, all at the sole cost and expense of City.

(c) Title Defect. If at the time scheduled for Closing, any of the Property is (i) occupied by other parties, (ii) subject to the rights of possession other than those of SFUSD or City, as the case may be, or (iii) encumbered by a lien, encumbrance, covenant, assessment, easement, lease, tax or other matter (except for a Parcel E Property Permitted Title Exception, a Lot 53 Property Permitted Title Exception, a SFUSD Property Permitted Title Exception, or anything caused by the action or inaction of the acquiring Party) that would materially affect the proposed development or use of such Property, as determined by the acquiring Party in its sole discretion ("**Title Defect**"), City or SFUSD, as the case may be, will have up to sixty (60) days after the date scheduled for Closing to cause the removal of the Title Defect. The Closing will be extended to the earlier of five (5) business days after the Title Defect is removed or the expiration of such sixty (60) day period (the "**Extended Closing**").

(d) Remedies With Respect to Uncured Title Defect. If a Title Defect still exists at the date specified for the Extended Closing, unless the Parties mutually agree to extend such date, the acquiring Party of such affected Property may by written notice to the other Party either (i) terminate this Agreement or (ii) accept conveyance of such affected Property. If the acquiring Party accepts conveyance of such affected Property, the Title Defect will be deemed waived but solely with respect to any action by the acquiring Party against the other Party. If the acquiring Party does not accept conveyance of the affected Property and fails to terminate this Agreement within seven (7) days after the date specified for the Extended Closing, or any extension provided above, either Party may terminate this Agreement upon three (3) days' written notice to the other Party. If this Agreement is terminated under this Section, neither Party shall have any further remedies under this Agreement against the other Party with respect to such termination nor any other rights or remedies, except for those that expressly survive the termination of this Agreement.

3.2 Responsibility for Title Insurance. Each Party understands and agrees, on behalf of itself and its transferees, that the right, title and interest in the City Property and the SFUSD Property, conveyed by City and SFUSD, respectively, shall not exceed that vested in City or SFUSD immediately prior to the Closing Date, as the case may be, and neither Party is under any obligation to furnish any policy of title insurance in connection with this transaction. Each Party recognizes that any physical monument of any of the Property's boundary lines may not correspond to the legal description of such Property. Neither Party shall be responsible for any discrepancies in the area or location of the property lines or any other matters that an accurate survey or inspection might reveal. It is the sole responsibility of each Party to obtain a survey and a policy of title insurance, if desired, and to investigate any and all title, survey and inspection matters affecting the Property it intends to acquire under this Agreement.

ARTICLE 4: REPRESENTATIONS AND WARRANTIES

4.1 Representations and Warranties of SFUSD. City agrees that it shall accept the SFUSD Property in its "as-is" condition, as further set forth in Section 4.4, subject only to the following matters, to which SFUSD represents and warrants to and covenants with City as of the Effective Date and as of the Closing Date:

(a) To the best of SFUSD's knowledge, there are no (i) leases, easements, rights of way, permits, licenses, purchase agreements, option agreements or any other agreements that provide any third parties with the right to acquire, use, possess, access, or traverse any portion of the SFUSD Property other than this Agreement, (ii) disputes or claims with regard to the SFUSD Property's boundaries, or the location of any fence or other monument on any of such boundaries, and (iii) easements or rights of way that have been acquired by prescription or are otherwise not of record with respect to the SFUSD Property.

(b) To the best of SFUSD's knowledge, no document or instrument furnished or to be furnished by SFUSD to City in connection with this Agreement contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

(c) SFUSD does not have knowledge of any condemnation, either instituted or planned to be instituted by any governmental or quasi-governmental agency other than City, that could detrimentally affect the use, operation or value of the SFUSD Property.

(d) To the best of SFUSD's knowledge, there is no litigation pending or, threatened, against SFUSD or any basis therefor that arises out of the ownership of the SFUSD Property or that might detrimentally affect its use, operation or value, or SFUSD's ability to perform its obligations under this Agreement.

(e) SFUSD is the legal and equitable owner of the SFUSD Property, with full right to convey the same, and without limiting the generality of the foregoing, except for this Agreement, SFUSD has not granted any option or right of first refusal or first opportunity to any non-City party to acquire any interest in any of the SFUSD Property.

(f) This Agreement and all documents executed by SFUSD that are to be delivered to City at the Closing are, or at the Closing will be, all of the relevant documents and information pertaining to the condition and operation of the SFUSD Property that are under the possession of SFUSD, are duly authorized, executed and delivered by SFUSD, are legal, valid and binding obligations of SFUSD, enforceable against SFUSD in accordance with their respective terms, are, and at the Closing will be, sufficient to convey good and marketable title (if they purport to do so), and do not, and at the Closing will not, violate any provision of any agreement or judicial order to which SFUSD is a party or to which SFUSD or the SFUSD Property are subject.

(g) To the best of SFUSD's knowledge, neither the SFUSD Property nor any real estate in the vicinity of the SFUSD Property is in violation of any Environmental Laws (as defined in Section 4.5); the SFUSD Property is not now, nor, to the best of SFUSD's knowledge, has ever been, used in any manner for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Material (as defined in Section 4.5); to the best of SFUSD's knowledge, there has been no release (as defined in Section 4.5) and there is no threatened release of any Hazardous Material in, on, under or about the SFUSD Property; to the best of SFUSD's knowledge, there have not been and there are not now any underground storage tanks, septic tanks or wells or any aboveground storage tanks at any time used to store Hazardous Material located in, on or under the SFUSD Property; to the best of SFUSD's knowledge, the SFUSD Property does not consist of any landfill or of any building materials that contain Hazardous Material; to the best of SFUSD's knowledge, the SFUSD Property is not subject to any claim by any governmental regulatory agency or third party related to the release or threatened release of any Hazardous Material; and to the best of SFUSD's knowledge, there is no inquiry by any governmental agency (including, without limitation, the California Department of Toxic Substances Control or the Regional Water Quality Control Board) with respect to the presence of Hazardous Material in, on, under or about the SFUSD Property, or the migration of Hazardous Material from or to other property.

(h) As of the Closing Date, there will be no outstanding written or oral contracts made by SFUSD for any of improvements located on the SFUSD Property that have not been fully paid for and SFUSD shall cause to be discharged any mechanics' or material men's liens arising from any labor or materials furnished to the SFUSD Property prior to the Closing Date.

There are no obligations in connection with the SFUSD Property that will be binding upon City after Closing except for the SFUSD Property Permitted Title Exceptions.

The forgoing representations and warranties, and any other representations or writings made in writing by SFUSD to City and delivered pursuant to this Section, shall survive the Closing or any other termination of this Agreement.

4.2 Representations and Warranties of City. SFUSD agrees that it shall accept the City Property in its "as-is" condition, as further set forth in Section 4.4, subject only to the following matters, to which City represents and warrants to and covenants with SFUSD as of the Effective Date and as of the Closing Date:

(a) To the best of City's knowledge, there are no (i) leases, easements, rights of way, permits, licenses, purchase agreements, option agreements or any other agreements that provide any third parties with the right to acquire, use, possess, access, or traverse any portion of the City Property other than this Agreement and the Parcel E Lease, (ii) disputes or claims with regard to the City Property's boundaries, or the location of any fence or other monument thereon, and (iii) easements or rights of way that have been acquired by prescription or are otherwise not of record with respect to the City Property.

(b) To the best of City's knowledge, no document or instrument furnished or to be furnished by City to SFUSD in connection with this Agreement contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

(c) City does not have knowledge of any condemnation, either instituted or planned to be instituted by any governmental or quasi-governmental agency other than SFUSD, that could detrimentally affect the use, operation or value of the City Property.

(d) To the best of City's knowledge, there is no litigation pending or threatened against City or any basis therefor that arises out of the ownership of the City Property or that might detrimentally affect its use, operation or value, or City's ability to perform its obligations under this Agreement.

(e) City is the legal and equitable owner of the City Property, with full right to convey the same, and without limiting the generality of the foregoing, City has not granted any option or right of first refusal or first opportunity to any non-SFUSD party to acquire any interest in any of the City Property.

If the Closing does not occur on or before the Closing Date, Title Company shall, unless it is notified by both Parties to the contrary within five (5) days after the Closing Date, return each item deposited in Escrow to the Party that deposited such item. If any of the foregoing prorations cannot be accurately calculated on the Closing Date, they shall be calculated as soon as reasonably feasible after the Closing Date. Either Party owing the other Party a sum of money based on such subsequent prorations shall promptly pay such sum to the other Party.

9.9 No Brokers or Finders. Each Party warrants to the other Party that no broker or finder was instrumental in arranging or bringing about this transaction and that there are no claims or rights for brokerage commissions or finder's fees in connection with the transactions contemplated by this Agreement. If any party brings a claim for a commission or finder's fee based on any contact, dealings, or communication with SFUSD or City, then the Party through whom such party makes a claim shall defend the other Party from such claim, and shall indemnify, protect, defend and hold harmless the indemnified Party from any Losses that the

indemnified Party incurs in defending against the claim. The provisions of this Section shall survive the Closing, or, if the conveyance is not consummated for any reason, any termination of this Agreement.

9.10 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

9.11 Interpretation of Agreement.

(a) Exhibits. Whenever an "Exhibit" is referenced, it means an attachment to this Agreement unless otherwise specifically identified. All such Exhibits are incorporated herein by reference.

(b) Captions. Whenever a section, article or paragraph is referenced, it refers to this Agreement unless otherwise specifically identified. The captions preceding the articles and sections of this Agreement have been inserted for convenience of reference only. Such captions shall not define or limit the scope or intent of any provision of this Agreement.

(c) Words of Inclusion. The use of the term "including," "such as" or words of similar import when following any general term, statement or matter shall not be construed to limit such term, statement or matter to the specific items or matters, whether or not language of non-limitation is used with reference thereto. Rather, such terms shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter.

(d) References. Wherever reference is made to any provision, term or matter "in this Agreement," "herein" or "hereof" or words of similar import, the reference shall be deemed to refer to any and all provisions of this Agreement reasonably related thereto in the context of such reference, unless such reference refers solely to a specific numbered or lettered, section or paragraph of this Agreement or any specific subdivision thereof.

(e) Recitals. If there is any conflict or inconsistency between the recitals and any of the remaining provisions of this Agreement, the remaining provisions of this Agreement shall prevail. The Recitals in this Agreement are included for convenience of reference only and are not intended to create or imply covenants under this Agreement.

9.12 Entire Agreement. This Agreement (including the exhibits) contains all the representations and the entire agreement between the Parties with respect to the subject matter herein. Any prior correspondence, memoranda, agreements, warranties or representations relating to such subject matter, are superseded in total by this Agreement (and such other agreements to the extent referenced herein). No prior drafts of this Agreement or changes from those drafts to the executed version of this Agreement shall be introduced as evidence in any litigation or other dispute resolution proceeding by either Party or any other party and no court or other body shall consider those drafts in interpreting this Agreement.

9.14 Parties and Their Agents. As used herein, the term “**Agents**” when used with respect to either Party shall include the agents, employees, officers, contractors and representatives of such Party.

9.15 Attorneys’ Fees. If either Party hereto fails to perform any of its respective obligations under this Agreement or if any dispute arises between the Parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting Party or the Party not prevailing in such dispute, as the case may be, shall pay any and all reasonable Attorneys’ Fees and Costs incurred by the other Party on account of such default or in enforcing or establishing its rights hereunder, including without limitation, court costs. Any such Attorneys’ Fees and Costs incurred by either Party in enforcing a judgment in its favor under this Agreement shall be recoverable separately from and in addition to any other amount included in such judgment, and such Attorneys’ Fees and Costs obligation is intended to be severable from the other provisions of this Agreement and to survive and not be merged into any such judgment. For purposes of this Agreement, the reasonable fees of attorneys of the Office of City Attorney of the City and County of San Francisco shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which such services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney’s Office.

9.16 Time of Essence. Time is of the essence with respect to the performance of the Parties’ respective obligations contained herein.

9.17 Non-Liability. 9.18 Tropical Hardwoods and Virgin Redwoods. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood wood product or virgin redwood or virgin redwood wood product.

9.19 Sunshine Ordinance. SFUSD understands and agrees that under City’s Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code Section 6250 *et seq.*), this Agreement and any and all records, information, and materials submitted to City hereunder public records subject to public disclosure. SFUSD hereby acknowledges that City may disclose any records, information and materials submitted to City in connection with this Agreement.

seq. City also urges companies to do business with corporations that abide by the MacBride Principles. SFUSD acknowledges that it has read and understands the above statement of City concerning doing business in Northern Ireland.

9.21 Relationship of the Parties. The relationship between the Parties hereto is solely that of transferor and transferee of real property.

9.22 Prohibition Against Making Contributions to City. SFUSD acknowledges that no party that contracts with City for the rendition of personal services, or the furnishing of any material, supplies or equipment to City, or for selling any land or building to City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer or candidate at any time between commencement of negotiations and either the completion of, or the termination of, negotiations for such contract.

The Parties shall confirm in writing the Effective Date of this Agreement once such date has been established pursuant to this Section; provided, however, the failure of the Parties to confirm such date in writing shall not have any effect on the validity of this Agreement. Where used in this Agreement or in any of its attachments, references to the “Effective Date” will mean the Effective Date as established and confirmed by the Parties pursuant to this Section.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, SFUSD ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS AGREEMENT UNLESS AND UNTIL A RESOLUTION OF CITY’S BOARD OF SUPERVISORS THAT APPROVES OF THIS AGREEMENT AND AUTHORIZES THE TRANSACTIONS CONTEMPLATED HEREBY HAS BEEN DULY ENACTED. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON THE DUE ENACTMENT OF SUCH A RESOLUTION, AND THIS AGREEMENT SHALL BE NULL AND VOID IF CITY’S BOARD OF SUPERVISORS AND MAYOR DO NOT APPROVE THIS AGREEMENT IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF THE TRANSACTIONS CONTEMPLATED HEREBY BY ANY EMPLOYEES, DEPARTMENTS OR COMMISSIONS OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ENACTED NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

SAN FRANCISCO UNIFIED SCHOOL DISTRICT
San Francisco, California

SPECIAL ORDER OF BUSINESS
Regular Meeting of December 10, 2013

SUBJECT: That the District, Pursuant to the Requirements of the California Education Code, Offer for Sale to the City and County of San Francisco, Acting on Behalf of the San Francisco Mayor's Office of Housing and Community Development, the Properties located at 1950 Mission Street and 1101 Connecticut Street and Receive Fee Interest Title to the "Central Freeway Parcel E" from the City and County of San Francisco.

REQUESTED ACTION:

That the Board of Education of the San Francisco Unified School District (SFUSD), pursuant to the requirements of the California Education Code, offer for sale to the City and County of San Francisco, acting on behalf of the San Francisco Mayor's Office of Housing and Community Development (MOHCD), the properties located at 1950 Mission Street and 1101 Connecticut Street in the City and County and receive fee interest title to the "Central Freeway Parcel E" from the City and County of San Francisco and authorize the Superintendent or his designee to sign all documents pertaining to the sale and property transfer. The properties will be sold and received by the District subject to the following conditions and procedures:

- 1950 Mission Street (APN 3554-005): The purchase price to MOHCD shall be \$9,775,000 (Nine Million Seven Hundred Seventy-Five Thousand Dollars)
- 1101 Connecticut (APN 4287-007): The purchase price to MOHCD shall be \$1,825,000 (One Million Eight Hundred Twenty-Five Thousand Dollars)
- Central Freeway Parcel E: SFUSD shall purchase "Parcel E" (APN 0785-030 & 033) for \$7,100,000 (Seven Million One Hundred Thousand Dollars)
- MOHCD shall pay a cash payment of \$4,500,000 (Four Million Five Hundred Thousand Dollars) to SFUSD to be paid at time of closing.
- The District shall provide limited market standard representations and warranties as to its authority to consummate this transaction and pertaining to legal and operational matters regarding the property.
- Negotiate such other terms and conditions in the purchase agreement to the benefit of the District.

BACKGROUND:

In June 2007, the Board of Education approved a Resolution designating certain properties owned by the District as surplus. Two of those properties were located at 1950 Mission Street and 1101 Connecticut Street, in the City and County of San Francisco. The 1950 Mission Street site is .84 acres and is currently an unused site with vacant modular buildings in poor condition. The 1101 Connecticut site is .57 acres and vacant land with no structures. The District has determined that it does not foresee any current or future uses of these parcels for educational purposes. MOHCD has desired to purchase both parcels for housing for some time. In exchange for the sale of these two properties the District will receive the "Central Freeway Parcel E", which is .67 acres and currently leased by SFUSD from the City on a long term ground lease for \$66,252 per year. The net balance from these 3 transactions will result in a cash payment to SFUSD by MOHCD of \$4,500,000 to be paid at the time of closing. Both the District and MOHCD have obtained recent appraisals for the "fair-market" value for the properties, and the sale prices listed above are reflective of the appraised value.

Pursuant to the California Education Code, Section 17464, the District has noticed its intent to offer the property for sale by certified letter and advertised public notices to the required public and governmental local agencies. MOHCD remains the only public agency that has notified the District in writing of its interest in purchasing the property. At this time the District may sell the property to MOHCD. Should MOHCD and the District not come to terms, the District is allowed, under the provisions of the Education Code to offer the properties for sale by public auction.
