Dear Mr. Wycko:

On September 15, 2009, Mayor Newsom introduced the following proposed legislation:

**File No. 091113** Ordinance finding a compelling public policy basis for expediting the processing and review of permits for voluntary seismic retrofit upgrades of soft-story, wood-frame buildings and amending the Planning Code, Building Code, Fire Code, and Public Works Code to waive permit processing fees for the proportionate share of work related to such seismic retrofit upgrades; making environmental findings and findings of consistency with the City's General Plan and Planning Code Section 101.1.

The legislation is being transmitted to you for environmental review, pursuant to Planning Code Section 306.7(c).
