8

9 WHEREAS, Firefighters face higher cancer risks than other professions due to
10 exposure to toxic substances during fire suppression and hazardous material response; and

11 WHEREAS, National research indicates that firefighters have a 9% higher incidence
12 and a 14% higher mortality rate from cancer compared to the general population; and

13 WHEREAS, Mayor Daniel Lurie has proposed to launch a first-of-its-kind firefighter
14 cancer prevention screening pilot ("Pilot"), aimed at improving early detection and saving lives
15 among San Francisco's first responders; and

16 WHEREAS, This groundbreaking Pilot will be administered by the San Francisco Fire
17 Department ("SFFD") and modeled after the successful cancer screening program developed
18 by the San Francisco Firefighter Cancer Prevention Foundation ("SFFCPF"), which has
19 demonstrated high participation and effective early detection, identifying cancers that might
20 have otherwise gone undiagnosed until more advanced stages; and

21 WHEREAS, The Pilot will offer cutting-edge imaging scans and screening for active-
22 duty firefighters over the age of 40 with at least five years of service, screenings that are
23 typically not covered by insurance; and
24
25

1 WHEREAS, the Mayor's Office will work closely with IAFF Local 798, the San
2 Francisco Firefighter Cancer Prevention Foundation, and the Fire Department to design the
3 Pilot in advance of its launch; and

4 WHEREAS, The Pilot will include evaluation mechanisms to assess health outcomes,
5 inform long-term strategies, and potentially scale the model for broader use; and

6 WHEREAS, The Mayor and SFFD seek a waiver of the City's Behested Payments
7 Ordinance (Campaign and Governmental Code, Sections 3.600 et seq.) for the Mayor, the
8 Mayor's Chief of Staff, Chief of Public Safety, Assistant Chief of Public Safety, Policy Advisor,
9 and the Chief of SFFD for a period of six months from the effective date of this Resolution so
10 that they may solicit donations from private entities and organizations to support the provision
11 of cancer screening for eligible SFFD employees; and

12 WHEREAS, The parties receiving this waiver have agreed to report to the Board of
13 Supervisors donations to the City that were solicited under this waiver; such reports will
14 identify the donor, the amount of the donation, and the interested relationship the donor has
15 with the department that solicited the donation; the department or office will submit the reports
16 to the Board within 60 days of the expiration of the 6-month period authorized by this waiver;
17 now, therefore, be it

18 RESOLVED, That under Section 3.620(f) of the Campaign and Governmental Conduct
19 Code, the Board of Supervisors hereby waives application of the Behested Payment
20 Ordinance as to the Mayor, the Mayor's Chief of Staff, Chief of Public Safety, Assistant Chief
21 of Public Safety, Policy Advisor, and the Chief of SFFD for a period of six months from the
22 effective date of this Resolution to fundraise from private entities and organizations to support
23 the provision of cancer screening for eligible SFFD employees; and, be it

1 FURTHER RESOLVED, That granting this waiver under Section 3.620(f) serves the
2 public interest by supporting SFFD in providing much-needed cancer screening for eligible
3 SFFD employees; and, be it

4 FURTHER RESOLVED, That granting this waiver under Section 3.620(f) does not
5 create an appearance of impropriety.

RE: Government Audit and Oversight Committee Meeting September 4, 2025 Agenda Item #1
[Behested Payment Waiver - Cancer Screening] File #250685

Position: SUPPORTING

As a short term solution, I'm supporting a behested payment waiver for firefighter cancer screenings.

As a mid term solution, I'm supporting modifying the MOU for firefighters to include these cancer screenings.

As a long term solution, I'm supporting identifying the causes of cancer in firefighters especially being the increased use of synthetic building materials in new construction and remodeling.

If the increased use of synthetic building materials in new construction and remodeling is a primarily cause, I would strongly urge the SF Fire Department to work with the SF Department of Building Inspection to modify building codes to reduce the amount of synthetic building materials in new construction and remodeling.
