Tom,

The changes in the revised ordinance were recommend by the Planning Commission, so no hearing is needed. I just got the Final Resolution back from the Commission Secretary and will be transmitting it to the Clerk shortly. This will allow the item to be calendar at committee.

Thanks,

FYI this was re-referred because it was substituted on May 3rd. I am not sure if the Commission will hear the substitute, I defer to Aaron .

Hi Tom and Jonas,

Hope you both had a nice weekend. I wanted to reach out with a question because I saw the above legislation was maybe re-referred back to the Planning Commission. Will the Planning Commission need to hear this again or will it go to a Land Use Committee hearing next? Is there any idea for a date when the item will be heard next?

Really appreciate your help!
