Fair and impartial City elections are the foundation of responsive and responsible City government. That is why Proposition E deserves your support.	13 9
The Department of Elections needs the constant monitoring of a truly independent and non-partisan commission. Our present system has led to lawsuits brought by citizens, sluggish production of election results, suspicion of fraud, and a neglect of infrastructure.	13 13 12 1
Proposition E will create an appointed Elections Commission. The Commissioners will be selected by the Board of Supervisors, the City Attorney, the Public Defender, the District Attorney, the Treasurer, Board of Education, and the Mayor. Each elected official or body only gets one appointment to the Elections Commission thereby establishing a set of checks and balances that does not allow any official undue influence on the Commission.	11 14 12 12 14 4
These reforms will make the Department of Elections open, honest and accountable to the people of San Francisco.	13 4
Proposition E however, is not just about The Department of Elections.	11
Proposition E :	2
*Allows elected officials, department heads, boards or commissions to use lawyers other than the City Attorney to get impartial advice when a conflict of interest occurs.	11 15
*Bars the City Attorney from endorsing, opposing or contributing money to candidates or measures appearing on the San Francisco Ballot.	13 6
*Allows the Ethics Commission to investigate complaints independent of any investigation by the District Attorney or City Attorney.	10 8
*Establishes conflict-of-interest provisions for Department of Elections employees and Ethics Commissioners that would prohibit employment by or receiving gifts from a lobbyist or campaign consultant or political committee.	11 11 7
* Empowers the Sheriff's Office to handle ballot transportation and security on election day.	12 1
Proposition E helps guarantee honest and fair elections.	8
