**Court travel, and expert fees will be added.*

***Travel and accommodation charges will be the responsibility of the requesting agency party.*

Except as otherwise provided by law, the Office of the Chief Medical Examiner is authorized to charge a fee on a time-and-materials basis to issue documents or perform services other than those specified above. The fee charged shall not exceed the actual cost that the OCME incurs in providing the document or service to the requesting party.

(b) All cases brought into the Medical Examiner's Office facility shall be billed for transportation, personnel handling, and storage costs, except for the following categories of cases:

- (1) Decedents under 14 years of age;
- (2) Homicides;
- (3) In custody or police-involved cases;
- (4) Indigents (County disposition);
- (5) Cases in which private charitable funds available to pay funeral costs

would thereby be reduced so as to preclude payment;

(6) Cases specifically exempted by the Chief Medical Examiner or his or her designee.

(b)(c) Beginning with fiscal year 2003-2004, fees set in this Section may be adjusted each year, without further action by the Board of Supervisors, to reflect changes in the relevant Consumer Price Index, as determined by the Controller.

1 No later than April 15th of each year, the Medical Examiner's Office shall submit
2 its current fee schedule to the Controller, who shall apply the price index adjustment to
3 produce a new fee schedule for the following year.

4 ~~— No later than May 15th of each year, the Controller shall file a report with the Board of~~
5 ~~Supervisors reporting the new fee schedule and certifying that: (a) the fees produce sufficient revenue~~
6 ~~to support the costs of providing the services for which each fee is assessed, and (b) the fees do not~~
7 ~~produce revenue which is significantly more than the costs of providing the services for which each fee~~
8 ~~is assessed. The Controller shall, if necessary, adjust the fees upward or downward for the upcoming~~
9 ~~fiscal year as appropriate to ensure that the Medical Examiner's Office recovers the costs of operation~~
10 ~~without producing revenue that is significantly more than such costs.~~ The adjusted rates shall
11 become operative on July 1.

12 (e)(d) All fees received for documents and services mentioned in this Section
13 shall be deposited with the Treasurer and shall be used to defray the costs incurred by the
14 Medical Examiner in issuing such documents or providing such services.

15 Section 3. Effective Date. This ordinance shall become effective 30 days from the
16 date of passage.

17 Section 4. This section is uncodified. In enacting this Ordinance, the Board intends to
18 amend only those words, phrases, paragraphs, subsections, sections, articles, numbers,
19 punctuation, charts, diagrams, or any other constituent part of the Administrative Code that
