1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

History and Operations

The Fisherman's Wharf Association of San Francisco (the Association) was incorporated in California on February 23, 2006 as a non-profit public benefit corporation. Its purpose is to provide services to the Fisherman's Wharf Landside and Portside Community Benefit Districts (the Districts). The members of the Landside District include the owners of all parcels of land subject to property tax assessments within the geographic area of Fisherman's Wharf as established on July 26, 2005 by the Board of Supervisors of the City and County of San Francisco. Members of the Portside District include the tenants who have leased property from the Port of San Francisco within the Portside District as established by the Board of Supervisors on December 3, 2006.

Upon formation of each District, its members were subject to multi-year special assessments imposed by the City under the Property and Business Improvement District Law of 1994. Under contracts with the City, the Association receives these special assessments and, in exchange, provides certain services to the members of the Districts. These services include supplemental security services to maintain order, the cleaning and maintenance of sidewalks, the removal of graffiti, the coordination of services provided to the homeless, neighborhood beautification and tree-planting programs, and the organization and funding of special events. The contracts with the City also require that the Association raise a specified level of private donations. Management believes that during the year ended June 30, 2017, the Association has complied with this requirement.

In addition to the special assessment funds, the Association relies on public support, grants, and service revenues to supplement the special assessments and provide services to the Districts and the neighboring areas. During the year the Association received a grant from the City to provide community services under the Lombard Street Visitor Services Program which serves an area adjacent to the Districts.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

History and Operations (Continued)

The annual special assessments imposed by the City will expire on December 31, 2020, unless the Districts are disestablished earlier by a majority vote of its members. The Association's contracts with the City will expire on December 31, 2021, but either would expire upon the disestablishment of the District to which it relates.

Basis of Presentation

The Association reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, based upon the existence or absence of donor-imposed restrictions.

Grants receivable at the end of the year are recognized as temporarily restricted. Income is also recognized as temporarily restricted if restrictions imposed by the donor will not be satisfied by the end of the current year. At June 30, 2017 the Association had no permanently restricted net assets.

Income is recognized when the special assessment imposed by the City becomes due and enforceable for collection by the City Assessor. The City and County of San Francisco serves as an agent in collecting and transmitting the assessments.

Assessments Receivable

Assessments billed but not transmitted by the City at year end are recorded as receivables, net of an allowance for doubtful accounts based on the Association's historical experience. At June 30, 2017 Management determined that all of the receivables were collectible and therefore no allowance for doubtful accounts was necessary.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status

The Association qualifies as a tax-exempt organization and is therefore generally exempt from income taxes. Income taxes are payable, however, on revenue from sources unrelated to its tax exempt purpose. There were no such revenues during the year. There were no penalty or interest assessments by any government agency recorded in the financial statements during the year. In addition, the Association has not taken an unsubstantiated tax position that would require provision of a liability under Accounting Standards Codification Topic 740, "Income Taxes."

Donated Services

A number of volunteers have donated significant amounts of their time to the Association. These donated services are not reflected in the financial statements since they do not meet generally accepted criteria for recognition as contributed services.

A number of organizations have donated services and materials to the Association. The Association also received discounted rental and meeting space to carry on its activities. Management estimates the value of these donations during the year to be \$144,697. This amount was recognized as public support revenue and corresponding expenses were also recognized by the Association.

4. INTANGIBLE ASSETS - (Continued)

At June 30, 2017 net intangible assets were comprised of the following:

5. RISK AND UNCERTAINTIES

Special benefit assessments are received under a contract with the City and County of San Francisco and represent approximately 70% of the Association's total revenues. Under the terms of the contracts the City can suspend distributions and ultimately terminate the contracts if the Association fails to provide adequate services to the Districts. The contracts expire on December 31, 2021 but either could be terminated at an earlier date if the Fisherman's Wharf Community Landside or the Portside Benefit Districts were disestablished by a vote of more than 50% of the assessed members.

6. CONCENTRATIONS OF CREDIT RISK

At June 30, 2017 the Association had uninsured cash deposits with a bank totaling approximately \$659,000.

7. SUBSEQUENT EVENTS

In preparing these financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through the date the financial statements were available to be issued.
