Findings and Recommendations for ToB

In completing the review of the ToB CBD's annual report and financials, OEWD sets forth the following findings and recommendations:

- TOB CBD did not meet two benchmarks, due to significant donations and not including a spenddown plan in their annual report. OEWD recommends the CBD include the spenddown plan in their annual report and separate their budget by assessment dollars as other CBDs have done
- Awarded IIN feasibility grant to pursue expansion in designated areas
- OEWD reviewed district website and found it to be in compliance
- In early FY 16-17, CBD webpage went down – OEWD recommends the CBD determine if these web issues were caused by internal errors, if so OEWD recommends hiring a web page manager to ensure the site is constantly reachable. These issues were addressed and fixed by the CBD
- Increased their opportunities in partnering with community stakeholders and numerous municipal agencies in its planning and advocacy around district lighting & security cameras.
- Maintained an active board of directors and committee members.

Summary of Service Area Goals

District Identity

District Identity program area includes marketing, public relations, special events, and street enhancements, such as signage, historical markers, and banners, for the district. ToBCBD Management Plan calls for 42% of the budget to be spent in this service area.

Sidewalk Operations, Beautification and Order (SOBO)

Sidewalk Operations, Beautification and Order service area includes sidewalk and public rights of way maintenance and beautification. This service area calls for one person at 20 hours, 5 days per week to remove graffiti and stickers from street fixtures and sidewalk cleaning. In addition, the program provides periodic steam cleaning (each Friday; district-wide monthly), trimming trees, and cleaning tree wells. The ToBCBD Management Plan calls for 28% of the budget to be spent on SOBO.

Administration, Organization and Corporate Operations

The ToBCBD Management Plan calls for 24% of the budget to be spent on administration, organization, and corporate operations. In FY 14-15, ToBCBD was staffed by a part-time Executive Director who serves as the focal point person and advocate for Top of Broadway CBD. ToBCBD board has up to eleven (11) board members that represent the diverse property owners and businesses in the district. Notice of meetings of the CBD's Board of Directors and CBD Advisory Committees will be posted to the website calendar and at the SF Main Library. All Board of Directors and Committee meetings are open to the public, and public comment is welcome. There are three advisory committees:

- **Marketing and Identity Advisory Committee** – The Marketing & Identity Advisory Committee is responsible for activities associated with area marketing and identity management, and makes related strategy and option recommendations for consideration by the Board of Directors. The Committee which is funded from the “District Identity” special benefit funds in the Management District Plan, proposes and manages promotion of CBD businesses and activities/events, and promotes area identity and manage branding efforts. The Committee meets monthly (at the option of the Committee Chair).
- **Services and Safety Advisory Committee** – The Services & Safety Advisory Committee is responsible for Services & Safety programs, including the coordination of services, activities and improvements related to sidewalk operations, beautification and safety. This is the equivalent of the SOBO allocation of funds as written in the Management District Plan. The Committee evaluates programs and initiatives, and advises the Board on issues that impact safety and quality of life and experience of CBD residents, businesses, property owners and visitors. The Committee meets monthly on the 3rd Thursday of the month and is often joined by the San Francisco Police Department (SFPD) Central Station Captain.
- **Finance Advisory Committee** – The Finance Advisory Committee is responsible for monitoring the financial and operating condition of the Organization as well as managing banking and insurance related matters. The Committee reviews all financial reports and oversees the CPA Review. The Committee provides counsel and administrative advice to the Executive Director and Board of Directors as needed. The Committee meets quarterly and as needed. This committee serves in the capacity of the Executive Committee of the Organization.

Contingency and Reserve

The Management Plan calls for 6% of the budget to be spent on the Contingency and Reserves category.

ToBCBD Annual Budget Analysis

OEWD's staff reviewed the following budget related benchmarks for ToBCBD:

- **BENCHMARK 1:** Whether the variance between the budget amounts for each service category was within 10 percentage points from the budget identified in the Management Plan (*Agreement for the Administration of the "Top of Broadway Community Benefit District", Section 3.9 – Budget*)
- **BENCHMARK 2:** Whether one percent (1%) of actuals came from sources other than assessment revenue (*CA Streets & Highways Code, Section 36650(B)(6); Agreement for the Administration of the "Top of Broadway Community Benefit District", Section 3.4 - Annual Reports*)
- **BENCHMARK 3:** Whether the variance between the budget amount and actual expenses within a fiscal year was within 10 percent (*Agreement for the Administration of the "Top of Broadway Community Benefit District", Section 3.9 – Budget*)
- **BENCHMARK 4:** Whether ToBCBD is indicating the amount of any surplus or deficit revenues to be carried forward into the next fiscal year and designating projects to be funded by any surplus revenues (*CA Streets & Highways Code, Section 36650(B)(5)*)

FY 2015-2016

BENCHMARK 1: Whether the variance between the budget amounts for each service category was within 10 percentage points from the budget identified in the Management Plan

ANALYSIS: ToBCBD did not meet this requirement. ToBCBD was incredibly successful at obtaining grants, sponsorships, and donations to fund the District's activities. Separating the non-assessment dollars from

the review of this benchmark, demonstrates that the amount of assessment dollars allocated to each program is, in fact, appropriate. The basic allocation of funds ad outlined in the Management District plan have not only been reached, but greatly exceeded. The percentages have been altered due to the great success in collecting grants that nearly double the CBD assessment collection. Since these funds are not generated from property assessments, they become "Board revenues" that allow the Board to fund services over and above the service levels and frequencies outlined in the original management district plan. See tables below.

Service Category	Management Plan Budget	% of Budget	FY 2015-2016 Budget	% of Budget	Variance Percentage Points
District Identity Activities	\$45,000	42.23%	\$50,042.26	23.43%	-18.80%
Sidewalk Operations, Beautification, & Order	\$30,000	28.15%	\$110,517.12	51.74%	+23.59%
Administration, Organization and Corporate Operations	\$25,000	23.46%	\$53,055.00	24.84%	+1.38%
Contingency and Reserves	\$6,567	6.16%	\$0	0%	-6.16%
TOTAL	\$106,567	100%	\$213,614.38	100%	

BENCHMARK 2: Whether one percent (1%) of actuals came from sources other than assessment revenue

ANALYSIS: ToBCBD met this requirement. Assessment revenue was \$108,667 or 49.92% of actuals and non-assessment revenue was \$109,017 or 50.08% of actuals. See table below.

Revenue Sources	FY 2015-2016 Actuals	% of Actuals
Special Benefit Assessments	\$ 108,667	
Total assessment revenue	\$108,667.00	49.08%
Affiliate Member Dues	\$307	6.10%
Contributions	\$75,000	11.48%
Fundraising	\$12,965	22.97%
In-Kind	\$20,745	.84%
Total non-assessment revenue	\$109,017.00	50.08%
Total	\$217,684.00	100%

BENCHMARK 3: Whether the variance between the budget amount and actual expenses within a fiscal year was within 10 percentage points

ANALYSIS: *ToBCBD met this requirement. See table below.*

Service Category	FY 2015-2016 Budget	% of Budget	FY 2015-2016 Actuals	% of Budget	Variance Percentage Points
District Identity	\$50,042.26	23.43%	\$50,042.26	22.87%	-.02%
Sidewalk Operations, Beautification, & Order	\$110,517.12	51.74%	\$110,517.12	50.51%	-7.11%
Administration, Organization, and Corporate Operations	\$53,055.00	24.84%	\$58,222.00	26.61%	+7.13%
Contingency and Reserves	\$0	0%	\$0	0%	0
TOTAL	\$213,614.38	100%	\$218,781.38	100.0%	

BENCHMARK 4: Whether ToBCBD is indicating the amount of any surplus or deficit revenues to be carried forward into the next fiscal year and designating projects to be funded by any surplus revenues

ANALYSIS: *ToBCBD did not meet this requirement. Although, ToBCBD did indicate their carryforward amount, but they did not indicate a spenddown plan. OEWD requested and was provided with a supplementary memo detailing the District's spenddown plan. A copy of which can be found in your legislative packet. Please note: There is a period between when the City collects assessment payment and when the City disburses the funds to the CBD. As a result, a CBD typically has a fund balance at the end of the fiscal year that is equal to about 6 months of their annual budget. See table below.*

FY 2015-16 Carryover Disbursement	\$82,129.00	Spenddown Timeline
Designated Projects for FY 2015-16		
District Identity and Streetscape Improvement (Streetscape Projects)	\$15,000.00	FY 2016-2017
District Identity and Streetscape Improvement (Events)	\$5,000.00	FY 2016-2017
Sidewalk Operations, Beautification, and Order (Security)	\$35,000.00	FY 2016-2017
Sidewalk Operations, Beautification, and Order (Cleaning Services)	\$20,000.00	FY 2016-2017
Administration	\$7,129.00	FY 2016-2017

Total Designated amount for FY 2016-2017	\$82,129.00	
--	-------------	--

Findings and Recommendations

ToBCBD has met 2 of the benchmarks as defined on page 4 of this memo and did not meet Benchmarks 1 and 2, based upon the significant contribution of non-assessment district revenues to the annual CBD operations and not providing a spenddown plan in their annual report.

The SOBO and DISI percentage points exceed the allowable 10 percentage points from the budget identified in the Management Plan. As illustrated in Benchmark 2, over 50% of the CBD's budget was composed of non-assessment monies. These monies must be allocated according to parameters set forth by donors, grantors, and contributors. As a result of these high non-assessment revenues, the percentages do not provide an accurate assessment of fund allocation. Separating the non-assessment dollars from the review of those benchmarks, the amount allocated to each program year is in fact appropriate, and meet the benchmarks.

The CBD clearly states what the carryforward amount is within their annual report, but does not provide a spenddown plan for that amount. OEWD requested and received a memo from the CBD indicating the spenddown plan for this amount. OEWD is currently testing a new-format for annual reports which would ensure compliance with this benchmark. OEWD will implement this for the FY 16-17 annual report.

The Top of Broadway CBD was awarded an OEWD Invest in Neighborhood's grant to pursue CBD expansion feasibility in some surrounding areas. At the end of FY 2016 the grant was in the process of being executed. Top of Broadway CBD began work on CBD expansion feasibility in FY 2016-2017. As of this point the CBD has not provided the City with any deliverables.

OEWD reviewed the CBD's website routinely in FY 15-16 and found that the district did post meeting agendas in compliance with The Brown Act. Furthermore, the website was routinely updated. OEWD alerted ToBCBD to a web issue for the CBD web page early in FY 16-17. This will be expanded upon in the FY 16-17 annual report, but, as of now, all website issues have been resolved.

Conclusion

The Top of Broadway CBD was formed through an open community based process, developed governance policies and procedures and implemented its services. Top of Broadway CBD has performed well in implementing its service plan and successfully meeting most benchmarks set forth by governing statute. ToBCBD needs to provide more specification within their management plan to meet their Benchmark 4 requirement.

ANNUAL REPORT
2016

A RICH HISTORY IN THE PROCESS OF BEING RE-INVENTED, TOP OF BROADWAY IS THE HEART OF NORTH BEACH

Message from the President, Oliver Mar

As one of the oldest, continuous business districts in the City of San Francisco, the Top of Broadway is undergoing a reinvention. Great cities all throughout the world are successful and dynamic because they are constantly re-inventing themselves – San Francisco is one of the best examples of the redefinition trend in the United States. This City has constantly been a beacon for social, economic, technological, and cultural change since its inception.

The Top of Broadway Community Benefit District is based at the intersection of Broadway and Columbus, which is the heart of North Beach. Though it has taken a few years to get its bearings straight, the District is poised for great things in the next few years. We have evolved from problem businesses and crime into a clean and historically significance community at the top of Broadway and Columbus, with renewed emphasis on our contributions to San Francisco.

Taking a passage from "Broadway, North Beach, the Golden Years," written by Dick Boyd, we embrace the following description of this district...

"The forties and fifties were heady times in San Francisco. It was a different time, a different era. The euphoria of winning WWII was still in the air...The Cold War was heating up but was glossed over in typical San Francisco style, alcoholic denial. Sputnik! So what? Let's have a drink! Party time!...North Beach was unique. In North Beach the beatniks still ruled from Vesuvio's Café and across Broadway and along Grant Avenue to Union. Lesbian bar "Twelve Adler" was in full swing. Along Broadway from Columbus to Montgomery there were an abundance of quality family restaurants. People came from all over the Bay Area to eat and wander the streets...Within a four block stretch of Broadway there was something for everyone."

Busy sidewalks on Columbus Avenue

Whether it be iconic bars like Vesuvio's; family restaurants like Tommaso's, Tosca's and Enrico's; City Lights Books; the Beat Museum; the adult nightclubs; or the various coffee shops and espresso cafes— North Beach and the businesses in the Top of Broadway CBD in particular, still have something for everyone. The area is the heart and soul of much of the City's culture and entertainment, as it has been for the last 50 years.

So here we are in the 21st century, and where do we go from here? Your CBD Board has many new projects underway to promote the re-invention of the heart of North

Beach. They include:

- Improvements and new lighting at the foot of the Macchiarini (Kearney) steps next to Broadway;
- Installation of historical markers throughout the district telling the story of this great area;
- Efforts to attract more restaurants to the area, particularly to some of the vacant storefronts near Montgomery and Broadway;
- Promoting new public spaces and parklets to take advantage of the areas great views and historic buildings;
- Contracting with SFPD 10 B officers to promote safety and

- order particularly on Friday and Saturday nights along Broadway;
- Beautification of the district for customers, visitors and surrounding residents alike;
- Investigating the expansion of district services to the Greater North Beach businesses heading east on Broadway to the Embarcadero and south on Columbus to Washington street.

We have a very ambitious budget and our district consists of only 39 property owners. With our ongoing funding from the CBD assessments and the ongoing generosity of the Broadway Economic and Cultural District nonprofit (BSC Management), we believe that this district will again be the heart of North Beach and the focal point of our historic community revitalization.

District Identity/Marketing FY15 - 16 Review

Highlights

In FY15-16, the Top of Broadway DISI Committee took on a notably different role than it had in previous years, gravitating towards more collaborative, local partnerships that concentrated on more acute marketing strategies and beautification projects that are expected to see fruition in 2017. Encapsulating the historic and cultural diversity of the area has been a mainstay of the Committee's deliberations on programs and projects over the past year, with a qualitative emphasis on neighborhood versatility informing our path forward. Some highlights of this past year's progress and projects include:

- Continued work and refinement of the Historical Marker Project, expected to be installed in and around the Broadway corridor in

Sidewalk Operations: FY15 - 16 Review

Highlights

In FY 15-16, the Top of Broadway SOBO Committee furthered its campaign for a cleaner, safer, and more vibrant Broadway district, accomplishing much through collaborative, coordinated efforts with our community contacts and City agencies. The Clean and Safe Program continues to be a top priority for the voluntary Committee as we work to build upon the progress we've made over the last year, developing strategies and relationships intended to further enhance the quality of life and economic vitality around the Broadway/Columbus corridor. Some outcomes of this past year's maintenance and safety services include:

- Graffiti incidents removed: 1040 (-18%)
- Pressure-washing of District: 13.25 times (42,545.75 total linear footage)

Security Patrol Services—Security Intelligence Specialists (SIS)

- Merchant Check-ins: 8,867 (+346%)
- Calls for Service: 17 (-79%)

Cleaning & Maintenance — Dome Cleaning

- District cleaning and litter removal: 266 days (~6650 lbs. removed)
- Illegal dumping reports: 902 (+49%)
- Human/animal waste clean-up: 574 (+492%)

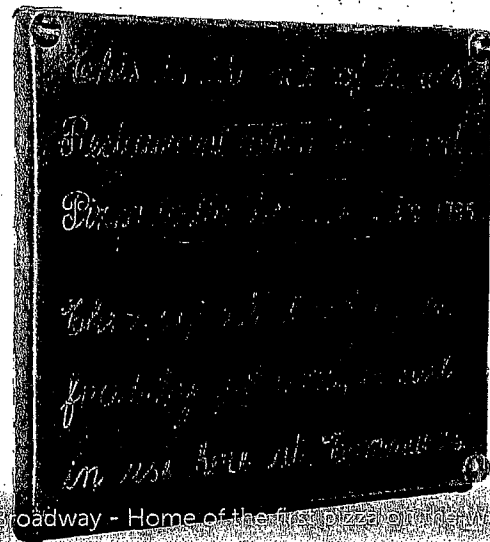

Looking east on Broadway

- Spring 2017.
- Advanced numerous beatification project plans intended to accentuate the scheduled improvements to Kearny Street i.e. the Kearny Streetscape Improvement Project. Projects are expected to be deployed in Spring 2017.
- Developed new directions for district-wide ornamental landscaping expected to be exhibited in Spring 2017.
- Collaborated with the Office of Economic Workforce Development, SF Department of Public Works, and the CBD Consortium to draft policy to secure a more autonomous, expeditious process of deployment for pedestrian amenities (themed banners, sidewalk seating, decorative lighting, etc.).
- Continued developing strategic partnerships in and around the North Beach community, both with community members and organizations alike.

In early 2016, the Board restructured its Committee system to accommodate more ideas and implement projects more quickly. We have three standing committees: Executive, Sidewalk Operations, and District Identity and a fourth, as-needed, Land Use Committee. All

CBD property owners and business tenants are encouraged to work on one or more of the committees.

TOP OF BROADWAY COMMUNITY BENEFIT DISTRICT, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

Note 1 - Nature of Activities

a. Organization

The Top of Broadway Community Benefit District, Inc. ('Organization'), was incorporated in California on October 18, 2013 as a non-profit public benefit corporation. Its mission is to make the area around Broadway a safe, beautiful, diverse and enjoyable place to live, work and visit with a commitment to promote economic vitality, improve livability and advocate area history and identity. All property owners whose parcels of land fall within the Organization's geographic area fund the Organization through a special assessment fee; as established after a majority of property owners vote and legislation adopted by the Board of Supervisors, and signed by the Mayor of the City and County of San Francisco ('City').

Upon formation of the district in 2013, its members (property owners) were assessed an annual special tax assessment levied by the City under the Property and Business Improvement District Law of 1994. The term of the district will expire (unless renewed) on June 30, 2021. Under a contract with the City and a Management Plan, the Organization receives these special tax assessments and, in exchange, provides certain services to the members of the District. The services include, but are not limited to, supplemental regular cleaning of the sidewalks and curb gutters (sweeping/pressure washing), graffiti removal, security, marketing, greening and landscaping services, public space management, and promotional activities, and management and corporate operations.

Note 2 - Significant Accounting Policies

a. Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (GAAP).

b. Basis of presentation

The Organization presents information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The three classes are differentiated by donor restrictions.

Unrestricted net assets – consist of resources which have not been specifically restricted by a donor. Unrestricted net assets may be designated for specific purposes by the Organization or may be limited by contractual agreements with outside parties.

Temporarily restricted net assets – represent contributions whose use is limited by donor-imposed stipulations that expire by the passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.

TOP OF BROADWAY COMMUNITY BENEFIT DISTRICT, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

Note 2 - Significant Accounting Policies (continued)

b. Basis of presentation (continued)

Permanently restricted net assets – represent contributions whose use is limited by donor-imposed stipulations that require the gift to be invested in perpetuity. The income from such invested assets, including realized and unrealized gains, is generally available to support the activities of the Organization. Donors may also restrict all or part of the income and/or appreciation from these investments to permanently restricted net assets, resulting in increases/decreases to these net assets.

c. Contribution

Contributions, including unconditional promises to give, are recognized as revenues in the period the promise is received. Conditional promises to give are not recognized until they become unconditional; that is when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value at the date of contribution. Contributions to be received after one year are discounted at an appropriate rate commensurate with the risks involved. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Unrestricted contributions are recorded as unrestricted revenue when received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

d. Assessments receivable

Assessments receivable primarily consists of delinquent tax assessments owed by property owners. Since the taxpayers will be subject to City enforcement procedures, all assessments are considered to be fully collectible at June 30, 2016.

Although delinquent assessments are subject to penalties and fines, the Organization believes that these amounts will be offset by delays in collections. Accordingly, no receivable has been recognized for penalties and fines and the Organization has not calculated the present value of this receivable.

TOP OF BROADWAY COMMUNITY BENEFIT DISTRICT, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

Note 2 - Summary of Significant Accounting Policies (continued)

e. Grants receivable

Grants receivable consists of amounts due from governmental agencies. As of June 30, 2016, they are considered to be fully collectible by the management.

f. Income taxes

The Internal Revenue Service and the California Franchise Tax Board have determined that the Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3) and the California Revenue and Taxation Code Section 23701(d). The Organization has evaluated its current tax positions as of June 30, 2016 and is not aware of any significant uncertain tax positions for which a reserve would be necessary. The Organization's tax returns are generally subject to examination by federal and state taxing authorities for three and four years, respectively after they are filed.

g. Donated services and materials

Donated services are reflected in the financial statements at the fair value of the services received only if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

Donated property is recognized as contribution in the accompanying financial statements at its estimated fair market value at date of gift.

h. Use of accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

i. Concentration of credit risk

The Organization places its cash with financial institutions and its balances are insured by the Federal Deposit Insurance Corporation. At June 30, 2016, there was no uninsured balance.

j. Deferred revenue

Deferred revenue consists of payments received in advance from property owners who are outside the district to receive same types of community services provided to the members of the district.

NOTES TO THE FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (continued)

k. Property and equipment

All acquisitions of property and equipment in excess of \$500 and all expenditures for repairs and maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives on the property and equipment. Maintenance and repairs, which are not considered betterments and do not extend the useful life of property and equipment, are charged to expense as incurred. When property and equipment are retired or disposed of, their cost and accumulated depreciation are removed from the accounts and any gain or loss is reflected in net assets.

l. Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 3 - Property and Equipment

At June 30, 2016, property and equipment consisted of the following:

		Estimated Useful Lives (years)
Equipment	\$ <u>10,109</u>	5
Less: Accumulated depreciation	10,109 <u>(2,016)</u>	
Net property and equipment	\$ <u><u>8,093</u></u>	

For the year ended June 30, 2016, depreciation expense amounted to \$2,016.
