8 WHEREAS, Violence affects individuals of all ages, races, gender identities, sexual
9 orientations, and socioeconomic backgrounds, causing lasting harm to individuals, families,
10 and communities; and

11 WHEREAS, The Mayor’s Office for Victims’ Rights envisions and is advancing a San
12 Francisco where crime survivors access comprehensive support and where all city services
13 operate with trauma-informed, victim-centered principles; and

14 WHEREAS, The Mayor’s Office for Victims’ Rights 2025 survey found that 93% of
15 community-based organizations serving survivor-victims reported difficulty securing resources
16 for survivor-victims, with emergency housing and civil legal representation identified as the
17 two most challenging resources to obtain; and

18 WHEREAS, The Safe Housing Alliance’s 2022 report, Safe Housing in San Francisco:
19 A Community Needs Assessment, illustrates the gap in housing access for survivor-victims,
20 finding that for the 2019-2020 period, ‘for every survivor who received DV safe housing that
21 year, at least another two did not’; and

22 WHEREAS, Violence is a significant driver of family homelessness in San Francisco,
23 with 43% of families assessed by the Department of Homelessness and Supportive Housing
24 Prioritization Assessment and Coordinated Entry Enrollment report that they became
25 homeless while fleeing violence; and

1 WHEREAS, Providing emergency housing resources to residents experiencing
2 violence is a proactive public safety strategy that prevents homelessness, stabilizes families,
3 and promotes positive long-term health and safety outcomes for survivors and our community;
4 and

5 WHEREAS, In addition to safe housing, civil legal assistance for survivor-victims is a
6 needed resource and legal representation is a proven strategy to stabilize lives and obtain
7 necessary safety tools such as protective orders and support during divorce and child custody
8 hearings for domestic violence survivor-victims; and

9 WHEREAS, Civil legal services have been found to be a cost-effective strategy as
10 demonstrated by the Legal Services Corporation’s research brief, *The Economic Case for*
11 *Civil Legal Aid*, a systematic review of 56 economic impact studies conducted between 2003
12 and 2023, that found a positive return on investment for civil legal aid spending, with an
13 average return of \$7 for every \$1 invested in these legal services; and

14 WHEREAS, For immigrant legal services in San Francisco, there is currently a waitlist
15 which puts immigrant survivor-victims at risk, particularly those seeking time-sensitive
16 immigration relief such as T visas (for survivor-victims of labor or sex trafficking), U visas (for
17 survivor-victims of serious crimes), and Violence Against Women Act protections (for survivor-
18 victims of domestic violence) where legal support is critical for their success; and

19 WHEREAS, Despite facing budget cuts and grant freezes at the state and federal level,
20 service providers and advocates in San Francisco continue to work tirelessly to address the
21 urgent and growing needs of survivor-victims; and

22 WHEREAS, As San Francisco hosts major sporting events in 2026, the city has both
23 an economic opportunity and an obligation to ensure trauma-informed services are available
24 to address research-documented increases in gender-based violence associated with such
25 events; and

1 WHEREAS, The City and County of San Francisco remains committed to cultivating a
2 city where the needs of survivor-victims of violent crime are met and where survivor-victims
3 are heard and supported; and

4 WHEREAS, The Director and the Deputy Director of the Mayor’s Office for Victims’
5 Rights seek a waiver of the City’s Behested Payment Ordinance (Campaign and
6 Governmental Conduct Code, Section 3.600 et seq.) to the extent it prohibits solicitations of
7 financial support for the Project from persons or entities who would qualify as interested
8 parties under the Behested Payments Ordinance; and

9 WHEREAS, The purpose of fundraising would be to fund support for crime victims that
10 may include but not be limited to the following: establishing a civil Right to Counsel for
11 Domestic Violence survivors; for emergency and transitional housing for survivors of
12 trafficking, sexual assault, domestic violence, and community violence who are facing
13 imminent harm and/or actively seeking to escape an injurious situation; for a continuum of
14 care including transportation and emergency financial needs to support survivor-victims, and
15 for prevention and increasing public awareness on these issues; and

16 WHEREAS, The parties receiving this waiver have agreed to report to the Board of
17 Supervisors donations to the City and to the extent known, any third party, that were solicited
18 under this waiver; such reports will identify the donor, the amount of the donation, the party
19 that received the donation, and the interested relationship the donor has with the department
20 that solicited the donation; the department or office will submit the reports to the Board within
21 60 days of the expiration of the 6-month period authorized by this waiver; now, therefore, be it

22 RESOLVED, That under Section 3.620(f) of the Campaign and Governmental Conduct
23 Code, the Board of Supervisors hereby waives application of the Behested Payment
24 Ordinance for six months from the effective date of this Resolution to the Director and Deputy
25 Director of the Mayor’s Office for Victims’ Rights (‘MOVR’) so that they may solicit donations

1 from nonprofits, private organizations and individuals, grant makers and foundations to
2 support establishment of a pilot program to provide legal counsel for Domestic Violence
3 survivors; to support emergency and transitional housing for survivor-victims; and to fund
4 other essential needs, including transportation and financial assistance; and, be it

5 FURTHER RESOLVED, That granting this waiver under Section 3.620(f) serves the
6 public interest by bringing private funding to help strengthen support and services for crime
7 victims; and, be it

8 FURTHER RESOLVED, That granting this waiver under Section 3.620(f) does not
9 create an appearance of impropriety.
