[EP3 Pilot Program Implementation.]

Resolution calling for the implementation of the pilot program for the Environmentally Preferable Purchasing Program (EP3).

WHEREAS, Chapter 21F of the San Francisco Administrative Code established the San Francisco Environmentally Preferable Purchasing Program (EP3) to determine the effectiveness of minimizing the City's purchase of chemicals used in janitorial services, fleet maintenance, and building maintenance and replacing them with alternatives that pose less health and environmental risks; and

WHEREAS, Pursuant to Chapter 21F, the Solid Waste Management Program as Lead Department, has conducted and prepared an assessment report on the current City usage and a pilot program plan with recommendations for implementation, both of which have been presented to the Commission on the Environment; and,

WHEREAS, The Commission on the Environment has approved the Pilot Program

Plan prepared by the Solid Waste Management Program; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco, calls for the implementation of the EP3 Pilot program by the Solid Waste Management Program beginning in January, 2001 and ending June, 2002.

City and County of San Francisco Tails

City Hall 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102-4689
