10 Be it ordained by the People of the City and County of San Francisco:

11 Section 1. Findings.

12 (a) The Office of Financial Empowerment in the Office of the Treasurer-Tax
13 Collector was awarded a \$240,000 grant from the Earned Assets Resource Network on
14 December 13, 2010. The purpose of the grant is to hire and provide funding for a staff
15 position to implement the Office's Direct Deposit Program.

16 (b) The Direct Deposit Program's goal is for all San Francisco employees to access
17 their wages electronically and more fully participate in the financial mainstream. The program

20 addition, the program will set thousands of working families on the road to financial security
21 through safer access to mainstream banking, save employers money, and reduce paper use
22 within San Francisco. The Direct Deposit program is designed to build a pipeline for further
23 employer-led asset building strategies and demonstrate that the workplace is an important
24 venue for this work.

25 Section 2. Authorization to accept and expend grant funds.

1 (a) The Board of Supervisors hereby authorizes the Office of the Treasurer-Tax
 2 Collector to accept and expend, on behalf of the City and County of San Francisco, funds

RECEIVED
BOARD OF SUPERVISORS
SAN FRANCISCO

Dear Ms Phillips,

We are pleased to inform you that the Earned Assets Resource Network (EARN) has authorized a grant of \$120,000 per year for two years (total \$240,000) to the San Francisco Office of Financial Empowerment (OFE), housed within the Office of the Treasurer and Tax Collector. This grant will be paid in four equal installments of \$60,000 in January 2011, July 2011, January 2012 and July 2012, or within 30 days of our receipt of an interim or annual report.

The Office of Financial Empowerment will use these funds exclusively to support the salary, benefits and expenses of your OFE staff members as follows:

- 100% salary and benefits for the OFE Direct Deposit Program Coordinator
- Additional funds for travel and expenses

If the Office of the Treasurer would like to use these funds for any other purpose, it must obtain written approval from EARN. The Office of the Treasurer agrees to provide EARN with an interim report on June 1st, 2011 and June 1st 2012 and an annual report on December 1st, 2011 and December 1st 2012 detailing the use of the grant funds until the grant funds have been fully expended. Each report should include a financial accounting as to the use and disposition of the grant funds, signed by a financial office of your organization; and accomplishments and specific outcomes for clients achieved under the grant, including success against the following goals:

1. Provide high-quality programming to connect San Franciscans with appropriate financial products, effective financial education and support throughout the economic life-cycle.
2. Create, implement and manage effective financial empowerment programs such as Bank on San Francisco, Payday Plus SF, the Financial Education Network, Direct Deposit campaign, JoinBankOn.org and Kindergarten to College.
3. Build a strong coalition of partners dedicated to advancing financial empowerment work in San Francisco through a shared agenda.
4. Position San Francisco as a leader in the financial empowerment field, and continue to provide technical assistance through our national partners.

We are pleased to be working with you as a partner in your efforts to advance financial empowerment work in San Francisco.

Sincerely,
