

1 [Recreation and Park Department – Water Use Efficiency and Recycled Water.]

2  
3 **Ordinance making environmental findings and amending San Francisco Park Code**  
4 **Article 3 by adding Section 3.19, to require the Recreation and Park Department to**  
5 **maximize water use efficiency and to use Recycled Water where available for Park**  
6 **irrigation needs.**

7 Note: Additions are single-underline italics Times New Roman;  
8 deletions are ~~strikethrough italics Times New Roman~~.  
9 Board amendment additions are double underlined.  
Board amendment deletions are ~~strikethrough normal~~.

10 Be it ordained by the People of the City and County of San Francisco:

11 Section 1. Findings

12 (a) The Board of Supervisors finds that this ordinance is in conformity with the  
13 General Plan, and with the Priority Policies of Planning Code Section 101.1 for the reasons  
14 set forth in Planning Commission Resolution No. \_\_\_\_\_, on file with  
15 the Clerk of the Board of Supervisors in File No. \_\_\_\_\_, and hereby  
16 incorporates those reasons herein by reference.

17 (b) The Planning Department has determined that adoption of this ordinance is in  
18 compliance with the California Environmental Quality Act (California Public Resources Code  
19 Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
20 Supervisors in File No. \_\_\_\_\_, and is incorporated herein by  
21 reference.

22 Section 2. The San Francisco Park Code is hereby amended by adding Section 3.18,  
23 to read as follows:

24 //

25 //

1           **SEC. 3.19. WATER USE EFFICIENCY AND RECYCLED WATER.**

2           (a) The Recreation and Park Department shall work with the San Francisco Public Utilities  
3 Commission (SFPUC) to maximize water use efficiency and non-potable water use on all property  
4 under the jurisdiction of the Recreation and Park Commission. The Department shall develop a  
5 schedule and identify funding sources to convert all Park facility Irrigation Systems to water efficient  
6 systems and non-potable water use, such as storm water and Recycled Water or Reclaimed Water, as  
7 those terms are defined in S.F. Public Works Code Article 22, in designated Recycled Water Use Areas  
8 as set forth in Public Works Code Section 1209. Such conversion is to be completed by 2013.

9           (b) Upon the effective date of this ordinance, the Department shall ensure that the design  
10 and construction of all renovation and/or rehabilitation of Park Irrigation Systems in areas designated  
11 as Recycled Water Use Areas are compatible with the delivery of Recycled Water. Additionally, the  
12 Department shall assess all Park Irrigation Systems for repairs and/or rehabilitation necessary to  
13 avoid waste and maximize water use efficiency.

14           (c) The Department shall install and maintain irrigation water meters at all Parks and golf  
15 courses to monitor water use and facilitate payment by the Department or golf course operator or  
16 lessee for all irrigation water used on each golf course. The Department shall ensure that each Park  
17 golf course uses Recycled Water made available to Park golf course facilities. The cost of potable or  
18 Recycled Water provided to golf course irrigation shall be included in the green fees established by the  
19 Department.

20           (d) No later than June 30, 2009, the Department shall develop an irrigation operations plan  
21 for all Parks and facilities under Commission jurisdiction that complies with City policies regarding  
22 water efficiency and the use of Recycled Water, and with all applicable regulatory requirements.
